

The logo features three stylized human figures in white on a purple background. One figure is at the top left, one at the top right, and one at the bottom left. A white location pin icon is positioned between the top two figures. A horizontal line with a dashed section on the right extends from the figures to the right. Below the line, the text "NEW YORK STATE" is written in white, followed by the words "CONTACT TRACING" in a larger, bold white font.

As we battle coronavirus together, tracing exposures to COVID is important to stop the spread.

The NYS Contact Tracing Program works with confirmed positive COVID-19 people to determine who they have been in contact with. Trained specialists reach out to those contacts about possible exposure. If you have been identified as a contact you will get a call from **“NYS Contact Tracing”** (518-387-9993).

Because the disease can be transmitted without symptoms, notifying people about a possible exposure is critical to stop the spread.

So, if you get a call from **“NYS Contact Tracing”** (518-387-9993) please answer. It is confidential and private.
