RELEASE: Mayor Dyster, Public Works Director Announce 2017 Leaf Pick Up Schedule

NIAGARA FALLS, N.Y. - Today, Mayor Paul A. Dyster and John Caso, Director of Parks and Public Works announced the city's leaf pick up schedule for the 2017 fall season. This year, a detailed map available through the city's website will provide an approximate week-by-week pick up schedule based on neighborhood. Pick up is set to begin Monday, November 6.

Residents should not rake leaves into the street until their area is announced, as wet leaves can create hazardous conditions.

Please remember to remove all items, such as portable basketball hoops from the city margin as they impede the city right of way and could be damaged during leaf pick up. Place refuse and recycling carts out only for the allotted time: 5 PM the night before pick up day through 11 PM of pick up day.

Raking and bagging leaves for curbside pickup is encouraged. Up to 10 clear bags of yard waste can be placed next to carts on a weekly. Yard waste includes: weeds, grass clippings, flowers, garden plants, and leaves. Dirt is not an acceptable item for curbside pickup.

Dates and neighborhoods scheduled for pick up are as follows:

- **November 6th - 9th**
 - DeVeaux area (Niagara Scenic Parkway to Highland Avenue)
 - Cayuga Island
- **November 13th - 17th**
 - LaSalle area (56th Street to Cayuga Drive from Niagara Falls Blvd. to Buffalo Ave.)
- **November 20th - 24th**
 - Hyde Park area (Between Highland Avenue, Lockport Street and Hyde Park Blvd.)
 - Between Seneca Avenue, Porter Road and Hyde Park Blvd., down to Buffalo Ave. and 56th Street
- **November 27th - December 8th**
 - Downtown area (Between Whirlpool Street, Buffalo Avenue to Hyde Park Blvd. and Lockport Street)

Additional dates and scheduling adjustments will be announced on the website. Schedule subject to change weather permitting.

Questions should be directed to the Department of Public Works: 716-286-4840.

Residents are asked to check the Department of Public Works page regularly for updates:
