

With Chairman Choolokian's approval, we are "going green" and WILL NOT be distributing copies of the Minutes. Each Council Meeting will be posted on the City's website after Council approval of the Minutes, alongwith the Agenda, Supporting Documentation, and Vote Sheet. Also, the Minutes for the year will be posted as a single document, with the Meeting Date in the lower left hand corner of each page. By using the Search function of whatever particular version of Word you have, you will be able to "read" the Minutes online, locate Council action on any Item by searching for vendor's name, contract, etc. , and you can also print out a single page or any number of pages.
