Brian Skinner of National Grid presented a check for $6400 to Mayor Paul Dyster and Arborist Paul Dickinson as reimbursement for trees planted in the City as part of the “Right Tree, Right Place” Program.

In the Administrative Update:

1. City Administrator Donna Owens reported that the positions of Fire Chief, Human Resources Director and Community Development Director had been advertised in the Niagara Gazette, Buffalo News and various professional publications. The deadline for responses is January 26, after which time the interview process will begin, and the filling of the Department Head positions is a priority for the Administration. Chairman Fruscione asked Controller Maria Brown if giving the Battalion Chiefs in the Fire Department acting pay in the absence of a Chief has cost more in overtime that the actual salary of a Fire Chief, and Mrs. Brown responded that the Battalion Chiefs have been very watchful of the overtime expenditures, but she will research the actual costs and report back to the Council. Mayor Dyster added that he would contact the persons who had applied for the Fire Chief position before the November Election to see if any of them were still interested in the position. The City Administrator added that the Human Resources and Community Development Departments have Acting Department Heads who are within the Department. Council Member Choolokian asked if any persons within the various Departments had expressed an interest in the Department Head position, and the City Administrator responded that there had been some applications from persons within the Departments. Council Member Choolokian asked that consideration be given to promoting persons within the Departments wherever possible.

2. Director of Public Works David Kinney spoke on the process for the paving of the City Hall Parking Lot, and Mrs. Brown added that the Project cost will be in the six figure amount.

Mayor Dyster spoke on the Governor’s State of the State Address, and said that he feels the City will benefit from the Governor’s economic initiative for Buffalo.
Chairman Fruscione asked the Mayor if he had any further information on the status of the Casino funds that were due to the City, and the Mayor stated that the City will continue to push for the funds that are due. Council Member Choolokian stated that the Mayor and Council must work together to resolve the issue. Council Member Anderson added that, in negotiating a new package for use of Casino funds, one use for the funds must be to reduce taxes.

This Session ended at 4:40 PM

Chairman Fruscione reconvened the Meeting at 7:00 p.m. in the Council Chambers with all Council Members present. The prayer was said by Council Member Anderson and the Chairman led the gathering in the Pledge of Allegiance to the Flag.

The scheduled Presentation by the National Historic Trust/Preservation Buffalo-Niagara, honoring the Niagara Day Organizers, was not given.

The Chairman asked if anyone wished to speak on Agenda Items or community interests, and the following spoke:

Paul Gromosiak     War of 1812 events in Niagara Falls; Niagara Experience Center
Ron Anderluh       National Grid check to the City; Landlord Registration Ordinance; privatize parking; vacant Department Head positions; Revitalization Coordinator Positions funding
Candace Corsaro    Congratulations to Council Members Anderson and Choolokian; KABOOM meeting; Hyde Park Business Association Dinner & Awards
Arthur Garabedian  Work with NFR to build International Center downtown using State incentives

THE FOLLOWING COMMUNICATIONS WERE SUBMITTED BY THE MAYOR

NFC DEVELOPMENT CORP., GRANT FOR 2012 BUDGET

Agenda Item #2
The 2012 N.F.C. Development Corp. operating budget requires an additional $6,890 to meet anticipated expenses. As you recall, NFC is being funded entirely with casino revenues. Funds are available from the local share of casino revenues received by the City. State Finance Law 99-h states funds may be used to accommodate and enhance economic development.

Will the Council vote to approve the operating grant as set forth herein, and authorize the Mayor to execute any documents necessary to effectuate the same?

Council Member Walker moved that the communication be received and filed and the recommendation approved.

Agenda Item #3

Mark Cerrone, Inc., the demolition contractor for contract CD 2010-3, contacted Community Development in early 2011. The contractor stated that they had removed an additional 1,000 square feet of plaster containing asbestos from 1128 Linwood Avenue, one of the houses demolished in December, 2010. The contractor had removed the plaster without contacting the City for authorization. The report of JMD Environmental, Inc., the City asbestos services contractor which monitored the demolition, did not indicate that additional asbestos containing material had been removed.

Mark Cerrone, Inc. was asked to provide some documentation of the additional material. On August 2, 2011, Mark Cerrone, Inc. provided a revised project monitor final inspection report from JMD Environmental, Inc. for 1128 Linwood. The revised report stated that all ACM (asbestos containing materials) that was listed on the initial survey was removed, plus an additional 1,000 square feet of plaster. JMD also submitted a revised asbestos survey listing the additional plaster.

During August, the City was in litigation with JMD Environmental over the award of the 2011-2012 asbestos services contract. In that litigation, the City successfully defended its award of the 2011-2012 asbestos services agreement through RFP, without sealed bids. Since the litigation is now resolved, it is felt that the City can rely on the documentation provided by Mark Cerrone, Inc. and JMD Environmental, Inc. to approve the change order. The charge for the removal and disposal of the additional 1,000 square feet of plaster containing asbestos is $8,999.00. Funds to pay for the additional cost are available for project CDR 399 in budget line CDL.8666.0000.0450.500.

Will the Council vote to approve change order and payment as set forth herein, and authorize the Mayor to execute any documents necessary to effectuate the same?

Council Member Walker moved that the communication be received and filed and the recommendation approved.

RESOLUTION: KING, JR., DR. MARTIN, HONORING, 2011-4
BY: ALL COUNCIL MEMBERS

Agenda Item #8
Whereas, the Rev. Dr. Martin Luther King Jr. was born January 15, 1929 and died April 4, 1968 from an assassins bullet. Our world, our nation, our city, our community suffered a tremendous loss; and
Whereas, the legacy of Dr. King who sacrificed in the struggle to create a just world, is important to all who seek to make America that sweet land of liberty; and
Whereas, the Rev. Dr. Martin Luther King Jr. who was considered our countries greatest advocate of nonviolent liberation went to Memphis to build a coalition to redirect our nations spending from fighting wars to creating jobs and ending poverty; and

Whereas, January 16th, 2012 will mark the 26th anniversary of the Rev. Martin Luther King federal holiday. The campaign for a federal holiday in King’s honor began soon after his assassination. Former President Ronald Reagan signed the holiday into law in 1983, and it was first observed in 1986; and
Whereas, as we also recognize that there is much to be done, just as Dr. King did when in the wake of historic gains in civil and voting rights, he sought to direct our attention to the need for fundamental changes in the political and economic life of the nation, so that justice could truly prevail and opportunity could flow to every American.

Therefore, we the Niagara Falls City Council join our nation on January 16, 2012 in celebration of the Life and Legacy of the Rev. Dr. Martin Luther King Jr., and ask all citizens on this day and in his memory, to commemorate Dr. King’s vision and at the same time, invigorate ourselves with resolve and forbearance to make his dream a reality from sea to shining sea.

01/09/2012
The first session of the January 23, 2011 Niagara Falls City Council Meeting was called to order by Council Chairman Samuel Fruscione at 4:05 p.m. in the Council Chambers.

Present: Council Chairman Samuel Fruscione, Council Members Robert Anderson, Glenn Choolokian, Kristen Grandinetti and Charles Walker

Also present: Mayor Paul A. Dyster, City Administrator Donna D. Owens, Corporation Counsel Craig H. Johnson, Deputy Corporation Counsel Thomas O'Donnell and City Controller Maria Brown.

Council Member Walker moved to approve the Minutes of the Organizational Meeting of January 1, 2012 (amended to read January 2 at meeting of February 6) and the City Council Meeting of January 9, 2012.

Council Members Anderson and Choolokian took the Oath of Office for Urban Renewal Agency

Daria Sterner and Karl Bauer, representing the WNY Blues Society, spoke about the Society and that it’s been around for about 20 years. Daria Sterner was dismissed from the Blues Festival but is now involved with the Blues Society. They spoke on making the Festival a success. Council Member Grandinetti asked if there has been a strong push to stay involved with each other, and Chairman Fruscione stated if there was anyway possible for the two organizations to get together. Karl Bauer wants to keep the Society going and they are open to cooperation. They are seeking $24,000 from the City to hold a 2012 Blues Festival. Remy Oslowski, spokesperson for the Niagara Blues Festival, stated her father, Toby Rotella who is the President of that Organization, has been largely responsible for the festival’s recent success. She is also asking for $24,000 from the City to continue to fund the Festival. Chairman Fruscione said the ball is now in the Mayor’s court to choose. The Mayor sated it would be better if one unified group instead of 2 Separate groups.

In the Administrative Update:

1. City Engineer Jeffrey Skurka stated that the Lewiston Road Project has been shut down for now. In response to Council Member Choolokian’s questions: there is no completion date for the Project; the Project is not on schedule; the budget for the Project is not on track; he is not sure of the total price for the Project or when it will be done; the radiation discovery was anticipated; he could not comment if the same Company will be finishing the Project; and there will be a meeting on February 3 to discuss strategy. Council Member Walker stated we have to sit down and see if it is cost effective to continue. Chairman Fruscione asked what if the March 18 deadline is not met, and Mr. Skurka responded that there will probably be another extension.

2. Mr. Skurka said National Grid is concentrating on the Pine Avenue Project. Mayor Dyster said the Council wants Pine Avenue lights first and Council Member Walker said Pine Avenue is important, but they have lights and Center Court doesn’t. The Mayor talked to National Grid about Center Court lights, and he said the developer was to install the
lights. They are pushing National Grid on 3 Projects: the Hospital, Center Court & Pine Avenue.

3. Regarding the SPCA, there was a conference call January 3 with Craig Johnson, Morgan Dunbar, Animal Advocate, and Peter Reese, Legal Counsel for Animal Allied. Barbara Carr, of the Erie County SPCA, the entity doing the investigation, cannot be biased, and this also was confirmed by Mayor Tucker of Lockport. The City’s contract with the SPCA expired the end of 2011, and is proceeding on a month to month basis. The SPCA has been put on notice. Mayor Dyster talked to Sheriff Voutour, who is ready to move immediately if there is any misconduct at the SPCA.

4. City Controller Maria Brown said the Water Board has paid their bill, and 2011’s bill is not due until the end of the Audit Period.

5. Mayor Dyster thanked Director of Business Development Fran Iusi, who is retiring at the end of this month, for her years of service to the City. Mayor Dyster said he was thrilled with the initiative taken by Governor Cuomo in pledging $1,000,000,000 to the Niagara/Buffalo region. This money is for Business & Industrial Attractions, and the Mayor will report back to the Council with the progress. Council Member Walker asked of the Administration has been talking to anyone about Development. Council Member Choolokian asked if the Administration is looking “in house” to fill the position, and the Mayor responded.

This session ended at 5:04 PM

Chairman Fruscione reconvened the Meeting at 7:00 p.m. in the Council Chambers with all Council Members present. The prayer was said by Council Member Choolokian and the Chairman led the gathering in the Pledge of Allegiance to the Flag.

The Chairman asked if anyone wished to speak on Agenda Items or community interests, and the following spoke:

Morgan Dunbar spoke on what her organization hopes to accomplish in Niagara Falls; independent investigation of SPCA is needed; need cost effective ways to run SPCA

Kelley Casale talked about stray cats; no help from the SPCA when they’re called; being harassed by SPCA

Jean Kiene addressed the SPCA situation; thanked Council for their support; need to appoint members from the Community to the SPCA Board; need outside investigation

Cynthia Gerber issues on hand from the SPCA; Council can make a huge difference; need No-Kill Shelter; independent investigation

Peter A. Reese talked about No-Kill Shelter; wants to stop breeding of animals temporarily in Niagara Falls

Jeanette Miller talked about dealing with Erie Co. SPCA, how can they judge Niagara County SPCA; contract needs to be changed

Arthur Garabedian Governor Proposal, no Resolution for this on today’s Agenda; supports Culinary School

Dorothy West LaSalle Prepatory School light not installed yet; Council Member Anderson said there was a gas line breakage & that stopped production, it is now fixed and the light will be installed Tuesday; needs independent investigation of SPCA

Hannah Jacobs 12 year old student; need independent investigation; they need to listen to the voice Of today’s youth

CITY PROPERTY, 159 13TH STREET/340 12TH STREET, EXCHANGE WITH NFR

Agenda Item #3
The City is the owner of 159-13th Street and 340-12th Street. The above referenced companies, which are subsidiaries of Niagara Falls Redevelopment (NFR), own 426-13th Street, 426 ½-13th Street, 432-13th Street and 412-10th Street. The Director of Code Enforcement believes that it would be in the best interest of both parties to accomplish the exchange of the City's parcels for the NFR controlled parcels. It appears that this may be mutually beneficial as the City’s parcels to be acquired by the NFR subsidiaries are in the NFR development “footprint” and the parcels to be acquired by the City are located in an area of the City that the City is attempting to redevelop.

There will be no exchange of money as these parcels are relatively similar in value; the structures erected on the parcels to be acquired by these NFR subsidiaries will be demolished within 12 months after closing. The exchange of these parcels will be accomplished pursuant to the terms and conditions contained in a Property Transfer Agreement acceptable to the Corporation Counsel.

The Planning Board recommends that these real estate exchanges be accomplished. Attached is a recommendation from the Niagara Falls Planning Board. Will the Council confirm the acceptance of the parcels to be transferred to the City from the NFR subsidiaries and find that the best interest of the City will be subserved by dispensing with the sale of the City owned parcels at public auction and authorize the conveyance of the City owned properties to the NFR subsidiaries and authorize the Mayor to execute a real estate exchange agreement satisfactory to the Corporation Counsel and also authorize the Mayor to execute appropriate documents/deeds in form satisfactory to the Corporation Counsel in order to accomplish the conveyances/acquisitions?

Council Member Anderson moved that the communication be received and filed and the recommendation approved.

CITY PROPERTY, 47TH STREET, ENCROACHMENT BY COVANTA

Agenda Item #6
In 2002 the Council approved a request from American Refuel (the owner of the cogeneration plant at the time) to allow an encroachment in the 47th Street right-of-way for the construction of a pipe bridge and steam line and related return condensate line between its plant and the Norampac plant. The current owner of the energy plant is asking for an additional encroachment along the same right-of-way to allow an additional steam line and return condensate line for the new Greenpac facility. The Planning Board has approved this proposal (on file in City Clerk’s Office) and subject to the following provisions, it is recommended that the Council approve same:

1. Covanta Energy LP will indemnify and hold harmless the City for any injuries or damage related to the Pipe Bridge or encroachment and will provide an indemnification agreement in a form acceptable to the Corporation Counsel.

2. Covanta and any contractors will provide insurance certificates with the City’s usual coverage requirements naming the City as an additionally insured.

3. After approval by the City Council, all the appropriate permits must be obtained.

4. Construction within the right-of-way is subject to the review and approval of the City Engineer.

Will the Council so approve?

RESOLUTION: LOBBYING ESTABLISH AD HOC COMMITTEE, 2012-7
BY: COUNCIL CHAIRMAN SAMUEL FRUSCIONE, COUNCIL MEMBER CHOOLOKIAN

Agenda Item #14
WHEREAS, the City of Niagara Falls, along with the cities of Buffalo and Salamanca, are beneficiaries of a certain compact (the “Compact”) executed by and between the State of New York (the “State”) and the Seneca Nation of Indians (the “Senecas”) on or about August 18, 2002 which authorizes casino gambling in certain Seneca owned geographic areas in the State of New York; and
WHEREAS, pursuant to legislation adopted arising from the execution of this Compact, the City of Niagara Falls is designated to receive dollars each year (“Casino Revenues”) for various purposes, including economic development purposes; and
WHEREAS, State and the Senecas are embroiled in a dispute over the Compact involving allegations by the Senecas that the State violated various provisions contained in the Compact; and
WHEREAS, as a result of this dispute, rather than tender the money due the State pursuant to the Compact, the Senecas advise that they have paid that money into an escrow account pending the resolution of the dispute with State; and

01/23/2012
WHEREAS, as a result of this action by the Senecas, the City of Niagara Falls has not received its allocation of Casino Revenues since March of 2010 which was money earned in year 2008; the City of Niagara Falls is now due and owing its allocation of Casino Revenues for years 2009, 2010 and 2011 which totals approximately Sixty Million Dollars ($60,000,000); and
WHEREAS, this City Council strongly believes that the City of Niagara Falls must receive the Casino Revenues due it as those dollars are critical to the implementation and success of programs and projects developed by the Mayor and the City Council to improve the quality of life for the taxpayers and residents of the City of Niagara Falls; and
WHEREAS, this City Council believes that the City of Niagara Falls must escalate its efforts to obtain the Casino Revenues due the City of Niagara Falls that are being held in escrow by the Senecas by any means legally available to it.
NOW, THEREFORE, BE IT RESOLVED that this City Council does hereby create an ad hoc lobbying committee to consist of three (3) individuals appointed by this City Council to assist the City Council in its efforts to obtain the Casino Revenues due the City of Niagara Falls; and
BE IT FURTHER RESOLVED that the members of this ad hoc lobbying committee must have the background and qualifications required by the City Council in order to advance the City’s position in this regard; and
BE IT FURTHER RESOLVED that the individuals serving on this ad hoc committee will not be compensated for services rendered but rather out-of-pocket expenses incurred may be reimbursed in the discretion of this City Council.

Merrell Lane, Chairman of the Niagara Military Affairs Council, gave a report on the status of the Niagara Falls Air Reserve Base. He said that decisions for Base Realignment and Closures need Congressional action, the Force Structure decisions do not. He asked for funding from the City to maintain a lobbying presence to keep the Base open and operating. Chairman Fruscione asked for a breakdown of funding received from other local municipalities towards this effort.

Rita Majka, Director of Development for the Niagara Falls Boys and Girls Club, said that the group has moved their Annual Auction back to Niagara Falls to be held at the Conference Center, and asked that the City waive parking fees for the event.

In the Administrative Update:
1. Deputy Director of Parks and Public Works John Caso spoke on the downtown storefronts and said that a meeting will be held to relative to relocating the electrical conduit. Council Member Choolokian commended the City workers for doing the work.
2. Senior Planner Tom DeSantis reported that the consultant hired by the City for work on the Old Stone Chimney had estimated a cost of $200,000 to dismantle and reassemble the chimney. Mr. DeSantis said that the City would be looking at other options. Council Member Choolokian asked for the amount paid to the consultant to date.
3. Mr. Caso also reported that, weather permitting, the basketball court at Caravelle Drive Park would be relocated as a half court, with a playground as the other half, and green space where the court was formerly located. This work would be done in house.

MOTION TO ADD COMMUNICATION TO AGENDA APPROVED

The communication was added to the Agenda as #17.

Council Member Walker asked that the Administration keep the public engaged in the process for the development of Tract I and Tract II. Mayor Dyster noted that the public wants to see economic development for the parcels. Council Member Walker asked about a commitment from the City towards the project, and said that this was a good project and the City should find the funds to support it (Agenda Item #2).

Council Member Choolokian asked if the funding for the Summer Concert Series would be taken from Tourism funds, and he was informed that it would.

Council Member Choolokian asked if this was the final cost for the Pine Avenue Crossing Signal (Agenda Item #6), and City Engineer Jeffrey Skurka responded that the total cost would not be know until the project was put out for bid. Mrs. Brown added that any funds not used for this project would be returned to the Special Projects Fund.

This Session ended at 4:45 PM

Chairman Fruscione reconvened the Meeting at 7:03 p.m. in the Council Chambers with all Council Members present. The prayer was said by Council Member Grandinetti and the Chairman led the gathering in the Pledge of Allegiance to the Flag.

TRACT I AND TRACT II, TRANSFER TO BRIGHTFIELDS, LLC

Agenda Item #2

Brightfields, LLC which will undertake to remediate and develop the real property. 18.5 acres of the site is known as Tract II. Tract II is a New York State Superfund site, and is eligible to be remediated under the New York State Incentive Hazardous Waste Site Program (copy of map filed in the City Clerk’s Office). Tract II is currently designated a Class 2 site (ID Number 932136). An Interim Remedial Measure Work Plan has been submitted to DEC and is awaiting approval. The remediation is being undertaken in concert with Honeywell, which is paying remediation costs.

The real property is generally described as: a 23± acre parcel of real property and identified as tax lot SBL Nos. 144.06-2-2 (3201 Highland Avenue), 144.06-2-25 (3001 Highland Avenue), 144.06-2-26 (3079 Highland Avenue), 144.06-2-27 (3123 Highland Avenue), 144.23-1-8 (3121 Highland Avenue), 144.23-1-9 (3115 Highland Avenue), 144.23-1-10 (3109 Highland Avenue) and 144.23-1-11 (3103 Highland Avenue). A property list and diagram of the Real Property is annexed hereto.

After remediation, the property will be developed with commercial development consistent with a DEC-approved remediation plan and the City’s Comprehensive Plan. Five acres of the property will be conveyed back to the City to become a City Park. This park will replace the Center Court Park land which became part of the HOPE VI housing development.

The sale will be for $1.00. The remediation, commercial development and park development will be additional consideration. The conveyance will have a reverter clause, revesting title in the City if the agreed upon work is not completed.

The Planning Board acted on a recommendation for the proposed sale at its February 1, 2012 special meeting. The report of the Planning Board will be provided to Council on February 6, 2012 prior to Council action.

Due to the fact that the purpose of the sale is to accommodate the remediation, the best interest of the City shall be subserved by dispensing with a sale at public auction.

Will the Council vote to find that the best interest of the city are subserved by dispensing with a sale at public auction, to approve sale as set forth herein, and to authorize the Mayor to execute any documents with Corporation Counsel approval necessary to effectuate the same?

Council Member Anderson moved that the communication be received and filed and the recommendation approved.

CITY CLERK’S REPORT FOR THE MONTH OF JANUARY 2012
THIS ITEM WAS RECEIVED AND FILED

THE FOLLOWING COMMUNICATIONS WERE SUBMITTED BY THE MAYOR

CONTRACT: DEMOLITIONS, REGIONAL ENVIRONMENTAL DEMOLITION, INC.

Agenda Item #3
The bids for utility abandonment, asbestos abatement and
demolition of 20 buildings (on file in the City Clerk’s Office) in the
City were opened on January 26, 2012. The bid results are as follows:

- S.C. Martin Group, Inc. $499,763.00
- Metro Contracting & Environmental, Inc. $501,300.00
- Regional Environmental Demolition, Inc. $514,000.00
- Mark Cerrone, Inc. $658,858.00
- Empire Dismantlement Corp. $714,600.00
- Newcal Construction, Inc. $980,000.00

The S.C. Martin bid was incomplete. There was no bid bond and no
price for individual buildings. At the bid opening, the Martin
representative was advised that the bid was incomplete and would be
rejected. He agreed with the rejection of the bid.

As the bids were totaled, it was discovered that the bid amount of
the Metro Contracting bid did not include one of the pages of individual
properties. If the page of properties was added, the bid would be
$715,350.00. A representative of Metro emailed a letter to the Community
Development office advising of the error and withdrawing the bid.

Accordingly it is our recommendation that the contract be awarded
to Regional Environmental Demolition, Inc., as the responsible bidder
which submitted the lowest responsible bid. Funds are available in

BALLOON LAUNCH PROPERTY, 310 RAINBOW BLVD., DEVELOPMENT, HAMISTER GROUP

Agenda Item #6
Pursuant to the terms of the Development Agreement entered into on November 30, 2011 by and among Niagara County Community College, the City of Niagara Falls (“City”) and USA Niagara Development Cooperation (“USAN”), USAN is responsible for soliciting proposals for development of the Balloon Launch Property which is owned by the City. A request for proposals was issued by USAN on October 5, 2011 and several were received by USAN by the deadline established which was December 9, 2011. The proposals received were reviewed and interviews were conducted. Using the criteria established in the request for proposals and the responses received, the proposal received from a particular developer appears to be most responsive and provides the most benefit in terms of what is proposed to be developed as weighed against the request for public dollars for the development.
The identity of the preferred developer will be revealed during a public presentation at the City Council Committee of the Whole meeting scheduled to take place at 4:00 p.m. on Wednesday, February 22, 2012. The Council will be requested to designate the developer as a Preferred Developer. The Preferred Developer will have the exclusive right to negotiate a development agreement for 310 Rainbow Blvd. with the City and USAN. The Preferred Developer’s status as Preferred Developer will continue for 120 days or until the Preferred Developer enters into a development agreement with the City and USAN.
Will the Council so approve?

BY:  ALL COUNCIL MEMBERS

Agenda Item #13

WHEREAS, City of Niagara Falls Empire Zone and Minority Business Coordinator Clara Dunn and Renewal Community Coordinator Thomas Tedesco were hired by the NFC Development Corporation on June 5, 1989 and August 9, 1994, respectively; and

WHEREAS, while working for the NFC Development Corporation, Ms. Dunn and Mr. Tedesco worked under the direction of the City’s Directors of Community Development, in furtherance of the City’s development mission; and

WHEREAS, during the period from 1991 through September 1997, Ms. Dunn was paid directly by the City of Niagara Falls and therefore received retirement credit for this time period from the New York State and Local Retirement System. Likewise, Mr. Tedesco was paid and credited in the same manner from his date of hire through September 1997; and,

WHEREAS, from September 1997 through April 2008, Ms. Dunn and Mr. Tedesco were paid directly by the NFC Development Corporation, despite performing the same job functions as when they were directly paid by the City. Since the NFC Development Corporation does not participate in the New York State and Local Retirement System, Ms. Dunn and Mr. Tedesco have not received any retirement system credit for the period between September 1997 and April 2008; and,

WHEREAS, Clara Dunn and Thomas Tedesco are now seeking retirement system credit for the time period in question, and

NOW, THEREFORE, BE IT RESOLVED that the Niagara Falls City Council supports the application of Clara Dunn and Thomas Tedesco which seeks retirement credit from the New York State and Local Retirement System for the periods of September 1997 through April 2008.

BE IT FURTHER RESOLVED, that the Niagara Falls City Council requests that Ms. Dunn and Mr. Tedesco receive retirement credit from the New York State and Local Retirement System commencing with their original dates of hire by the City, i.e. June 5, 1989 in the case of Ms. Dunn and August 9, 1994 in the case of Mr. Tedesco, consistent with a resolution adopted by the Niagara Falls City Council on April 21, 2008, a copy of which is attached hereto, which considered their employment history and status, and granted Ms. Dunn City benefits retroactive to her original date of hire which was June 5, 1989 and Mr. Tedesco City benefits retroactive to his original date of hire which was August 9, 1994.

Henry Sloma, Chairman of the Niagara County IDA, spoke on the organization’s plan for marketing the downtown area. A Marketing Director has been hired to promote the area, and he wants his organization to work together with the City to accelerate the permitting process for downtown development.

In the Administrative Update:

Mayor Paul Dyster noted the passing of the wife of the former Mayor of Lewiston, and extended condolences to the family of CiCi Soluri. He also commended the Forestry Department and workers from other City Departments and National Grid for their work during the weekend wind storm. Public Works Director David Kinney also noted the work done by the City crews during the storm. Council Member Walker asked Mr. Kinney what the plan was going forward to deal with trees that need to be cut/removed, and Mr. Kinney responded that additional funding was needed to bring in an outside contractor to address the trees that are too large for City crews to cut down. Mr. Kinney also spoke on damage done to the fence at the Municipal Complex by the wind.

Mayor Dyster introduced Thomas Colangelo as the new Fire Chief, and Ruby Pulliam as the new Director of Human Resources/EEO Director. The Mayor thanked the Battalion Chiefs for running the Fire Department until the new Chief was appointed. Council Member Choolokian asked about the status of filling other Department Head vacancies, and the Mayor responded that he is close to filling the Department Head vacancy in the Community Development Department. Council Member Choolokian commended the Mayor for filling the Fire Chief and HR Director Department Head positions in house, and asked that the Mayor continue to fill Department Head vacancies in house with Niagara Falls residents.

City Administrator Donna Owens credited Sherry Shepherd-Corulli, the City’s Grants Writer, for working with our Legislators to get member grants. Chairman Fruscione asked for an update at the next Council Meeting of ongoing and upcoming grants.

City Engineer Jeffrey Skurka reported that:

1. Bids for the Pine Avenue lights are due March 14, National Grid has the parts in stock and ready, and the contractor hired for their part of the installation.
2. The design for the Center Court lights is being worked on, and should be ready by June. After a lengthy discussion, Chairman Fruscione informed Mr. Skurka that the Council wanted the job done quickly.
3. The poles for the lights in front of the school on Buffalo Avenue should be delivered by April 9.
4. He will check on the schedule for the design of the Pine Avenue crossing light.
Chairman Fruscione asked Mr. Skurka to look into the 3 tiered condition of the sidewalks on Buffalo Avenue between 74th and 78th Streets.

The City Administrator noted the Mayor’s State of the City Address at the Conference Center on March 15 at 5:30 PM. She also said that she will go back to the contractor for a discussion of the street lights at Center Court, and Council Member Walker asked that the Council be presented with the facts at the next Council Meeting.

CONTRACT: CSX BRIDGE REPLACEMENT/RECONSTRUCTION OF MAIN STREET,
MARK CERRONE, INC., CHANGE ORDER

Agenda Item #1
A contract for the above referenced project was awarded to Mark Cerrone, Inc. on September 23, 2010 in the amount of $4,215,484.73. Since the start of the project, several small-scale tasks not originally included in the original scope were performed by the contractor at City direction. These tasks range from the removal of asbestos-containing conduit to the installation of new street lighting appurtenances within the right-of-way. Other scope changes are the result of CSX mandated shoring and bracing requirements not included in our project’s specifications. The total dollar amount for the entire small-scale task completed to date is $86,402.25. However, tasks not completed to date will allow this change order to be processed at this time for $0.00.
Will the council vote to approve and authorize the Mayor to execute a contract in a form acceptable to the Corporation Counsel?

RESOLUTION: CERTO BROTHERS, CELEBRATING 100 YEARS, 2012-17
BY: ALL COUNCIL MEMBERS

Agenda Item #8

WHEREAS, The Certo family has been distributing beer since 1912;
and

WHEREAS, Certo Brothers Distributing Company will celebrate their
100th Anniversary this year. When Peter Certo arrived in the United
States from Sicily, he began to take notice of the popularity of soft
drinks. Certo Bottling Works---a soft drink bottling plant---was born;
and

WHEREAS, After the repeal of Prohibition, Certo applied for a
license and became the first beer wholesaler in Niagara Falls in 1933.
“To say we were the first beer wholesaler in the area is not completely
true,” Certo said as he smiled at his remark at the time. “We were just
the first legal one!”; and

WHEREAS, During the 1930’s, Certo’s three sons and three daughters
began to play major roles in the business, which they would maintain and
be a part of throughout their adult lives. A fourth son, Anthony,
became an attorney and then chief city court judge of Niagara Falls.
Today, a third generation of Certos is guiding the family business as
they continually update and modernize the company, contributing to its
success, as its “state-of-the-art” facility improves; and

WHEREAS, Certo Brothers continues to be active in the community
contributing to various colleges, hospitals and churches as well as
charitable causes such as the American Cancer Society.

NOW THEREFORE BE IT RESOLVED, that the members of the Niagara
Falls City Council congratulate Certo Brothers Distributing Company and
wish it continued success.

POLICE DEPT., SUPERINTENDENT, TERMS/CONDITIONS OF EMPLOYMENT

Agenda Item #9

In addition to the base salary and employment benefits provided Superintendent of Police in the City’s Ordinance pertaining to exempt employees, the City has had an unwritten policy to allow the Superintendent of Police Chella to work overtime on an as-needed basis. An issue has arisen concerning the overtime worked by the Superintendent of Police Chella because it was not pursuant to a written agreement. This is intended to correct that. This written agreement will, among other things, require that any overtime worked be approved in advance by the City Administrator and paid at the Superintendent’s “straight time” rate of $42.34 per hour.

Will the Council so approve and authorize the Mayor to execute an agreement in form and substance satisfactory to the Corporation Counsel?

RESOLUTION: HYDRAULIC FRACTURING IN NYS, 2012-19
BY: ALL COUNCIL MEMBERS

Agenda Item #11

WHEREAS, a recent advance in techniques for extraction of natural gas from shale rock beds called hydraulic fracturing, or “fracking” has caused environmental and safety concerns across the country; and
WHEREAS, widely reported negative effects of fracking include release of gas and dangerous chemicals and carcinogens into wells and other public water supplies; and
WHEREAS, research investigating the specific risk and benefit of hydraulic fracturing procedures is lacking, with EPA study results projected for 2012; and
WHEREAS, companies engaged in fracking operations remain largely unregulated by federal or state governments and exempted; and
WHEREAS, the recent BP Gulf oil spill indicates that unregulated industrial procedures may result in catastrophic negative environmental impacts; and
WHEREAS, New York State is scheduled to begin issuing permits for hydraulic fracturing operations in the near future on the Marcellus Shale; and
WHEREAS, Such operations may potentially cast negative environmental impacts upon the residents of the City of Niagara Falls.

NOW, THEREFORE, BE IT RESOLVED the City Council of the City of Niagara Falls hereby urges Governor Andrew M. Cuomo and the State of New York to issue a Moratorium suspending hydraulic fracturing operations in New York State until such time that the Environmental Protection Agency provides specific details on the dangers and possible environmental impacts of such operations.

Randal Friess of the Niagara Falls Border Patrol Station gave a Presentation on the history and work of the Border Patrol.

Senior Planner Thomas DeSantis gave an update on the International Train Station Project, and noted that the Project is scheduled to be up and running by 2014.

Rebecca Conde spoke on a $25,000 grant that was awarded to the City for an exercise loop in the area of Hyde Park surrounding the John Duke Senior Center. She thanked the Administration and the Council for their support and funding for the Center, and also thanked the Trades Division for work done at the Center.

In the Administrative Update, Mayor Paul Dyster reported that:

1. There was a walk on for the Agenda for funding for the Pine Avenue light standards, and the City’s contractor was not the same as the contractor for National Grid, but the two would work together to get the job done.

2. The City had placed 7 temporary light carts in the completed area of the Hope VI Project where residents were living.
   The City will keep track of the expenses for diesel fuel for the generators that power the lights, overtime for City employees to turn the lights off and on, and any other expenses related to the lights in an attempt to recoup reimbursement.

3. He was recommending Dolores Marino for reappointment to the Library Board, and would be submitting additional names for appointment to the Board at the next Meeting. He also wanted to form an Ad Hoc Committee for the Library as its needs change in the future.

Chairman Fruscione noted that Public Works Director David Kinney had provided information to him on the savings in revenue resulting from the small amount of road salt that was needed this season.

Corporation Counsel Craig Johnson distributed copies of an Item to be added to the Agenda relative to a Letter of Award for Pine Avenue light standards and street signage removals.

Council Member Choolokian moved to add the Item to the Agenda.

The Item was added to the Agenda as #18.
Council Member Grandinetti questioned the amount requested to retain the former Director of Community Development as a Consultant to the Department (Agenda Item #3). Community Development Counsel Richard Zucco, who is acting as the Director of the Department, responded that the Consultant was needed to help with year end reports for the Department, and to help the new Director, who had very little experience in Community Development matters. He also said that the requested amount represented the high end, and it could be reduced.

Council Member Grandinetti moved to amend the requested amount from $10,000 to $5,000.

MOTION TO AMEND APPROVED

Chairman Fruscione questioned funding for an analysis of Impediments to Fair Housing Choices (Agenda Item #5), and added that he thought that this was something that was already done by NiaCAP. He asked Mr. Zucco to look into this.

Council Member Choolokian asked if the consolidation of the Human Resources Department with the Equal Employment Opportunity & Workforce Diversity Office was against the agreement that had been made between the City and the Department of Justice, and if it was a conflict of interest to combine both Departments (Agenda Item #9). Mayor Dyster responded that the consolidation was clarified by the Attorney General’s Office, and would result in a savings for the City.

This Session ended at 5:20 PM

Chairman Fruscione reconvened the Meeting at 7:03 p.m. in the Council Chambers with Council Member Anderson absent. The prayer was said by Council Member Choolokian and the Chairman led the gathering in the Pledge of Allegiance to the Flag.

The Chairman asked if anyone wished to speak on Agenda Items or Community Interests, and the following spoke:

Ron Anderluh                    Agenda Item #17
Craig Avery                    Agenda Item #17
Roberta Sitzman                Agenda Items #3, #9

COMMUNITY DEVELOPMENT, SPECIAL CONSULTANT

Agenda Item #3

Permission is requested to retain Robert Antonucci as a special consultant to the Community Development Department at the rate of $50.00 per hour, not to exceed $10,000.00. Mr. Antonucci has been assisting in finalizing the year end Consolidated Annual Performance and Evaluation Report (CAPER) which provides information to HUD concerning the CDBG, HOME and ESG grants. In addition, Mr. Antonucci will be available on an as-needed basis throughout this year to consult with the new director and to provide assistance relating to the Community Development Department.

These services will be provided as an independent contractor.

Funds are available to pay for these services in budget line CAD 029 and City budget line C61 8686.0000.450.500.

Will the Council vote to retain Mr. Antonucci as set forth herein, and authorize the Mayor to execute any documents necessary to effectuate the same?

WEED AND SEED PROGRAM, BUDGET ADJUSTMENT

Agenda Item #4

The 2011 (July 1, 2011-June 30, 2012) Community Development allocation to the Weed and Seed program was $30,000, to pay a portion of the salary of the Community Outreach worker. The Community Outreach worker was not hired until January, 2012. This allocation is at CD budget CPS 059 and City budget line C61.8676.0000.0450.500.

In the past, this program was carried out in conjunction with the Niagara Falls Housing Authority as fiscal agent. The actual activities were supervised by the City’s Community Policing Liaison. It appears that the costs in prior years exceeded the grant amounts.

It is proposed that the 2011-2012 allocation used for a portion of the Community Outreach salary be reduced to $15,000.00. Of the other $15,000.00, $7,250.00 shall be used for documented salary and other expenses incurred by NFHA. The balance of $7,750.00 shall be used for documented program costs, including youth transportation, t-shirts and giveaways, and equipment and supplies dedicated to the program.

Will the Council vote to approve the budget change as set forth herein, and authorize the Mayor to execute any documents necessary to effectuate the same?

Council Member Walker moved that the communication be received and filed and the recommendation approved.

CONTRACT: ANALYSIS OF IMPEDIMENTS TO FAIR HOUSING CHOICES, MULLIN & LONERGAN ASSOCIATES

Agenda Item #5
The Community Development Department advertised for proposals for the preparation of an Analysis of Impediments to Fair Housing Choices. This analysis is required for the City’s CDBG and HOME federal grants. The following proposals were received:
Robert Silverman, Ph.D.
UB Dept of Urban and Regional Planning ........ $71,144.00
Planning/Communications
River Forest, Il ........................................ $32,500.00
Mullin & Lonergan Associates Incorporated
Pittsburgh, PA ........................................... $20,800.00

It appears that Mullin, Lonergan Associates has the capabilities to perform this analysis for the City. The firm has conducted a substantial number of similar analyses throughout the country. The price includes all necessary travel, copying and other expenses.
Funds are available to pay for this in budget line CAD 029 and City budget line CD1 8686.0000.450.500.
Will the Council vote to approve hiring Mullin & Lonergan Associates Incorporated as set forth herein, and authorize the Mayor to execute any documents necessary to effectuate the same?

CENTER COURT HOUSING DEVELOPMENT, TEMPORARY LIGHTING, FUNDING

Agenda Item #7
National Grid is in the process of preparing the appropriate easements so that it may commence work on installing lights in the right-of-way to be owned by the City as per the lighting plan in place. Pending the installation of permanent lights, it is recommended that ten (10) temporary lights be obtained and located in various places as determined by the Director of DPW or his designee. The cost of these temporary lights is $250.00 per month per light for four (4) months for a total cost of $10,000.00. It is estimated that the cost of fuel for that period of time as a power source will be $27,000.00. The total cost will not exceed $37,000.00. Funding is available from the DPW salt budget line. The City is undertaking this measure in response to what is perceived to be an emergency situation. Efforts will be undertaken to recover all or a portion of this cost from third parties.
Will the Council so approve?

WHEREAS, City of Niagara Falls Empire Zone and Minority Business Coordinator Clara Dunn and Renewal Community Coordinator Thomas Tedesco were hired by the City of Niagara Falls for work with the NFC Development Corporation on June 5, 1989 and August 9, 1994, respectively; and

WHEREAS, while working for the NFC Development Corporation, Ms. Dunn and Mr. Tedesco worked under the direction of the City’s Directors of Community Development, in furtherance of the City’s development mission; and

WHEREAS, during the period from 1991 through September 1997, Ms. Dunn was paid directly by the City of Niagara Falls and therefore received retirement credit for this time period from the New York State and Local Retirement System. Likewise, Mr. Tedesco was paid and credited in the same manner from his date of hire through September 1997; and,

WHEREAS, from September 1997 through April 2008, Ms. Dunn and Mr. Tedesco were paid directly by the NFC Development Corporation, despite performing the same job functions as when they were directly paid by the City. Since the NFC Development Corporation does not participate in the New York State and Local Retirement System, Ms. Dunn and Mr. Tedesco have not received any retirement system credit for the period between September 1997 and April 2008; and,

WHEREAS, Clara Dunn and Thomas Tedesco are now seeking retirement system credit for the time period in question, and

NOW, THEREFORE, BE IT RESOLVED that the Niagara Falls City Council supports the application of Clara Dunn and Thomas Tedesco which seeks retirement credit from the New York State and Local Retirement System for the periods of September 1997 through April 2008.

BE IT FURTHER RESOLVED, that the Niagara Falls City Council requests that Ms. Dunn and Mr. Tedesco receive retirement credit from the New York State and Local Retirement System commencing with their original dates of hire by the City, i.e. June 5, 1989 in the case of Ms. Dunn and August 9, 1994 in the case of Mr. Tedesco, consistent with a resolution adopted by the Niagara Falls City Council on April 21, 2008, a copy of which is attached hereto, which considered their employment history and status, and granted Ms. Dunn City benefits retroactive to her original date of hire which was June 5, 1989 and Mr. Tedesco City benefits retroactive to his original date of hire which was August 9, 1994; and

BE IT FURTHER RESOLVED, that should The Retirement System approve the application of Ms. Dunn and Mr. Tedesco, the City shall pay the amount due for the City’s contribution to the Retirement System on behalf of Ms. Dunn and Mr. Tedesco, recognizing that both individuals will be obligated to pay whatever amount is due on their behalf towards their retirement contribution.

RESOLUTION: NYS OFFICE OF PARKS, RECREATION & HISTORIC PRESERVATION, ENFORCEMENT OF STATE LAW, 2012-24
BY: COUNCIL CHAIRMAN SAMUEL FRUSCIONE, COUNCIL MEMBERS ANDERSON, CHOOLOKIAN AND WALKER

Agenda Item #15

WHEREAS, this City Council has been made aware of communications being sent from the regional office of the New York State Office of Parks, Recreation & Historic Preservation ("State Parks") directing the removal of a certain newly installed sign on a business, citing a violation of Section 13.07 of the Parks, Recreation & Historic Preservation Law, a law enacted 50 years ago, because this sign was erected without the benefit of a permit issued by State Parks which involves businesses located within 500 feet of a State Park; and

WHEREAS, this City Council believes that there are numerous signs in close proximity to the state park in Niagara Falls, New York which are located within 500 feet of the state park for which permits have not been issued by State Parks; and

WHEREAS, this City Council believes that the enforcement of this antiquated law by State Parks will have a significant adverse affect on the development of businesses in downtown Niagara Falls, New York; and

WHEREAS, this City Council believes that it is important for a business, especially a business in downtown Niagara Falls, to have adequate signage on the exterior of its business so that visitors to the area can see that the business exists and is located where it is.

NOW, THEREFORE, BE IT RESOLVED that this City Council supports the installation of signs by businesses on the exterior of their businesses identifying their location in the City of Niagara Falls, particularly in the downtown area, provided appropriate permits have been issued by the City of Niagara Falls; and

BE IT FURTHER RESOLVED, that this City Council requests that State Parks rescind any direction it has recently given any business within 500 feet of the State Park location to remove their signs and not commence any enforcement activity based upon a state law that was enacted some 50 years ago; and

BE IT FURTHER RESOLVED, that a copy of this City Council resolution be forward to the New York State Office of Parks, Recreation & Historic Preservation, Niagara Frontier Region, to the attention of Mark W. Thomas, Director, Western District.

RESOLUTION: FIRE DEPARTMENT, HOME RULE, 2012-25
BY: COUNCIL CHAIRMAN SAMUEL FRUSCIONE
COUNCIL MEMBERS ANDERSON & CHOOLOKIAN

Agenda Item #16
WHEREAS, the City Council of the City of Niagara Falls has the utmost respect and admiration for those men and women who have chosen to serve our city and its residents as members of the Niagara Falls Fire Department; and
WHEREAS, said individuals protect life and property every single day in the City of Niagara Falls, often having to abandon care or concern for their own well being and safety; and
WHEREAS, in 2009, New York State hastily enacted legislation creating a new Tier V retirement plan for public employees who participate in the state retirement system, including members of the City of Niagara Falls Fire Department; and
WHEREAS, the Tier V legislation inadvertently included a clause that unintentionally and adversely affected new hires to the City of Niagara Falls Fire Department effective July of 2009 causing new hires to go without the benefit of the long recognized and adhered to “non-contributory” agreement which had heretofore been afforded members of fire departments statewide in recognition of the peril they face on a daily basis in service to those in need; and
WHEREAS, this consequence punitively applied to new hires due to the absence of a current and effective collective bargaining agreement between the City of Niagara Falls and the members of the City of Niagara Falls Fire Department; and
WHEREAS, currently before both houses of the state legislature, a bill has been proposed and supported by members of the Western New York delegation to grant equity and fairness to those mistakenly and wrongfully affected by the aforementioned Tier V legislation. It has been acknowledged that the results, as they pertain to the members of the Niagara Falls Fire Department, were indeed mistakenly punitive and unintended; and
WHEREAS, on July 11, 2011, this Honorable Body adopted a Home Rule Message requesting swift passage of both bills in the New York State Assembly and Senate. Pursuant to NYS Assembly and Senate Rules however, the City of Niagara Falls must pass a new Home Rule Message in support of these bills because the previous Home Rule Message that was passed expired at the end of the 2011 calendar year.
NOW THEREFORE BE IT RESOLVED, that this honorable body does hereby recognize, acknowledge and support Assembly Bill (A.5564.A) and Senate Bill (S.5378) and its passage to correct and offer the benefits sought by said bills. This honorable body also requests that the rights and privileges reserved by the City of Niagara Falls and guaranteed by the State of New York as stated by Home Rule Law, be recognized and adhered to in this instance; and
BE IT FURTHER RESOLVED, that the City Council of the City of Niagara Falls does hereby request swift passage of said bills in both the Assembly and Senate and additionally requests approval from the Governor of the State of New York. Certified copies of this Home Rule request be forwarded to the NYS Governor Andrew Cuomo; Assembly Speaker Sheldon Silver; Senate Majority Leader Dean Skelos; Assemblyman Dennis Gabryszak; Senator Dennis Gallivan; Chair of the Governmental Employees Committee, Assembly Peter J. 3/19/2012
The first session of the April 2, 2012 Niagara Falls City Council Meeting was called to order by Council Chairman Samuel Fruscione at 4:05 p.m. in the Council Chambers.

Present: Council Chairman Samuel Fruscione, Council Members Robert Anderson, Glenn Choolokian, Kristen Grandinetti and Charles Walker
Also present: Mayor Paul A. Dyster, City Administrator Donna D. Owens, Corporation Counsel Craig H. Johnson, Deputy Corporation Counsel Thomas O’Donnell and City Controller Maria Brown.

Council Member Choolokian moved to approve the Minutes from the City Council Meeting of March 19, 2012.

City Controller Maria Brown spoke on issues relative to the Casino funds that have not been received by the City. She noted that no timetable has been established for when the City would receive the funds that are due; ongoing projects that are being funded with the funds should stop now; and the City needs to be extremely cautious with spending. Council Member Choolokian asked if spending is curtailed now, will the City make it until the end of the year, and Mrs. Brown responded that it would depend on several factors. Chairman Fruscione and Council Member Choolokian added that by adopting a spending freeze, the Council’s priority is to protect employees as well as maintain services for our residents. Mayor Dyster added that the Administration had the same priorities, and commended the Council for their work in adopting Budgets that address these goals, as well as planning wisely for the future. The Mayor added that he will work diligently going forward, and while he had some concerns about how the regulating of spending is addressed in the City Charter, he agreed with the substance of the Council’s action. Council Member Walker suggested forming an AdHoc Committee to look into how the Casino cash is used, and going to Albany to negotiate the release of the funds due to the City. Mayor Dyster added that he is working with Lt. Governor Duffy and Mr. Porter of the Seneca Nation to resolve the issues between the two parties that are holding up the release of the Casino funds. Chairman Fruscione suggested the renegotiation of the contract for garbage pickup and the metering of utilities at the Ice Pavilion as possible sources of new revenue for the City. Council Member Choolokian also suggested trade offs/bartering with others, and electronics recycling for additional revenue sources.

In the Administrative Update:
1. Mayor Dyster reported that replacement of the lights on Pine Avenue will begin at the end of April, and should be completed in four weeks.
2. City Engineer Jeffrey Skurka said that work on easements for the lights at the Hope VI Project will begin mid April. Council Member Choolokian asked if there will be litigation against the developer over this issue, and Corporation Counsel Craig Johnson replied that he was reviewing the contract for the Project. The Mayor also added that the cost for the temporary lights that were installed in the area would be less that originally projected. Council Member Anderson asked about the lights in front of the school on Buffalo Avenue, and Mr. Skurka replied that the lights would be delivered on April 9. Council Member Choolokian requested an update on the Pine Avenue and Buffalo Avenue lights at the next Council Meeting.
3. Mr. Skurka also reported that new stanchions at the Legends basketball court would cost between $30,000 and $50,000. Public Works Director David Kinney added that an alternate fix would cost between $400 and $500. Council Member Walker spoke on the matter being an issue of safety for those who use the Courts, and Chairman Fruscione added that funding other than Special Projects Funds must be used.

4. Mayor Dyster reported that the interview process is ready to begin for the NFC Director. Council Member Choolokian commended the two employees, who are now working in that Department, and Chairman Fruscione suggested that those two employees continue to share the duties of the Director.

Mr. Johnson spoke on an amendment to Agenda Item #18, a Resolution relative to a spending freeze, by including a freeze on travel.

Agenda Item #7

Regional Environmental Demolition, Inc. is completing demolition contract CD 2011-1. Some changes have arisen in connection with the contract.

In demolishing the building at 3700 Highland Avenue, two heat ducts with Asbestos Containing Material were discovered behind the kitchen wall. The ducts were completely enclosed and not apparent in the assessment of the property. The change order to dispose of the ducts is $1,400.00.

In demolishing the building at 1657 Cleveland Avenue, linoleum was discovered under the flooring. The linoleum was completely covered and not apparent in the asbestos assessment. The mastic glue attaching the linoleum to the floor necessitates the disposal of approximately 480 square feet of Asbestos Containing Material. The change order to dispose of this material is $1,000.00.

The sidewalk and curb 1124 Main Street are in excellent condition. If the driveway apron and curb were removed, future use of this location would necessitate a new driveway and curb. The credit to the City to delete the driveway removal is $1,400.00.

The total net change order is $1,000.00. Funds are available in budget line CDR 399.

Will the Council vote to approve the change order as set forth herein, and authorize the Mayor to execute any documents necessary to effectuate the same?

Council Member Choolokian moved that the communication be received and filed and the recommendation approved.

BY: COUNCIL CHAIRMAN FRUSCIONE, COUNCIL MEMBERS ANDERSON, CHOOLOKIAN, WALKER

Agenda Item #13
WHEREAS, on March 22nd, 2012, the New York State Assembly introduced Bill A09633 which will allow for advertising structures within 500 feet of the border of Niagara Falls State Park; and
WHEREAS, this bill has been referred to the Tourism, Parks, Arts and Sports Development Department in Albany; and
WHEREAS, the bill, sponsored by Assembly Members Gabryszak and Ceretto, states that this act is to amend Section 13.07 of the Parks, Recreation and Historic Preservation Law, in relation to allowing advertising structures in geographic areas within 500 feet of the border of the Niagara Falls State Park; and
WHEREAS, on March 19th, 2012, the Niagara Falls City Council passed a resolution supporting the installation of signs by businesses on the exterior of their businesses identifying their location in the City of Niagara Falls, particularly in the downtown area, provided appropriate permits have been issued by the City of Niagara Falls; and
WHEREAS, the resolution further stated that the City Council believes that it is important for a business, especially a business in downtown Niagara Falls, to have adequate signage on the exterior of its business so that visitors to the area can see the business exists.
NOW THEREFORE BE IT RESOLVED, that the members of the Niagara Falls City Council supports Assembly Bill A09633 and urges the members of the Assembly to quickly remove this bill from Committee and pass this bill well before the 2012 Tourist season.

Agenda Item #18

WHEREAS, the City Controller has alerted this City Council to the serious cash flow problem the City is presently in primarily as a result of the fact that the City has not received its share of Casino Revenues for the past 2 years; and

WHEREAS, on March 26, 2012 the Niagara Gazette reported that Lt. Governor Duffy stated that there is no timeframe for resolving the ongoing Casino Revenue dispute; and

WHEREAS, this City Council will take whatever action is necessary and within its power to be fiscally responsible; and

WHEREAS, this City Council is committed to continuing to deliver services to the residents and taxpayers of this City without the necessity of tax increases and layoffs.

NOW, THEREFORE, BE IT RESOLVED by the City Council of Niagara Falls, New York as follows:

1. Unless and until advised by the City Controller to the contrary, this City Council will not approve any requests for spending from the Mayor or Department Heads for non-budgeted items.

2. Unless and until advised to the contrary by the City Controller, this City Council will not approve any requests for the hiring of non-budgeted personnel from the Mayor or Department Heads.

3. This City Council declares that any requests for spending or hiring of budgeted items or positions, inclusive of travel, must first be approved by the City Council Chairman.

4. Commencing with the adoption of this resolution and continuing through December 31, 2012, this City Council demands the Mayor and City Administrator direct all City Department Heads to cease spending on discretionary items and only spend money on non-discretionary items which are necessitated pursuant to agreements and contracts already in place.

CONTRACT: POTHOLE KILLER, PATCH MANAGEMENT, INC.

Agenda Item #19

Patch Management, Inc. has stepped forward and offered the City the opportunity to avail itself of 2 pothole killer trucks, operators, materials, service and support for a time period of 320 hours. This opportunity is available immediately. Please recall that the pothole killer is a patented sole source product.

The cost for this is $70,000.00. Patch Management, Inc. realizes that the City is in need of the services of the pothole killers but also realizes that the City faces the inability to afford this at this time. In the past, Casino Revenues have been the source of funding for the pothole killers and those funds are not available at this time because of the continuing dispute between the State of New York and the Seneca Nations of Indians. Therefore, Patch Management, Inc. will defer payment from the City until such time as the City receives the Casino Funds it is due. In the event the City never receives the Casino Funds it is due, Patch Management Inc. will forgive this balance due. This will be memorialized in an agreement to be prepared by the Corporation Counsel.

Will the Council so approve and authorize the Mayor to execute such an agreement?

Jennifer Tresch and Candace Corsaro gave a Presentation on behalf of Family & Children’s Services and the Child Advocacy Center. They noted that April is Child Abuse Prevention Month.

In the Administrative Update, Mayor Paul Dyster reported that:

1. The Buffalo Avenue traffic light installation will begin tomorrow, and should be operational by next week. 
2. The contractor for the Pine Avenue light installation is the same contractor as for the Hope VI Project lights. The lights at the Hope VI Project should be installed by mid-May, and then the contractor will begin working on light installation on the north side of Pine Avenue. Council Member Choolokian asked about the status of the Pine Avenue crossing light, and the Mayor informed him that parking spaces in front of the Como Restaurant will need to be moved, and the City was waiting for input from the owners of the restaurant. 
3. The Public Works contract for work at the Legends Basketball Courts has been completed, and the Engineering Department will prepare the specs to let out for bids. It is estimated that it will cost $30,000 to do all the courts at the same time, and $50,000 to do one court at a time. Council Member Walker added that the sooner the work is completed, the better. 
4. An Open House for the Custom House Restoration Project Phase I will be held from 3:30PM to 5:30 PM on April 23. 
5. Director of Public Works David Kinney gave an update on the areas where work has already been done by the Pothole Killer and where work will be done next. Mr. Kinney also reported that there is no schedule for tree trimming, but hazardous trees are addressed first, then trees in areas where paving is scheduled to be done. He also added that Season Pass holders will be able to use the Golf Course when it opens on April 19. 

Council Member Anderson asked Mr. Kinney to replace the damaged American flag at the site of the Veterans’ Memorial in Hyde Park.

City Administrator Donna Owens introduced Seth Piccirillo, the new Director of Community Development, who said that his previous experience working for the NFTA would help him in his new position. The City Administrator also thanked Richard Zucco for overseeing the Department before Mr. Piccirillo’s appointment.
Corporation Counsel Craig Johnson distributed copies of a supplemental package to be added to Agenda Item #24 relative to the Niagara Falls Underground Railroad Heritage Area Management Plan. Council Member Grandinetti moved to amend the Item by adding the supplemental package.

CITY PROPERTY: 2105 FERRY AVENUE, SALE

Agenda Item #5
The City has received an offer from Jonathon Lootawon to purchase 2105 Ferry Avenue for $18,000.00. This property was previously sold by the City through the Urban Homesteading Program, and was obtained by the City through mortgage foreclosure. The Planning Board approved the sale of this property on September 17, 2009.

The property was offered for sale to the public by the Community Development Department, and then listed with Hooper Realty. The property has been listed since 2009. It is a HUD requirement that the property be sold only to someone whose income does not exceed 80% of the median income of our metropolitan statistical area. This has limited the options in selling the property.

4/16/2012
It appears the Mr. Lootawon will qualify under the guidelines. The sale will be subject to final income verification and qualification. The house will be owner-occupied. The house will continue to be subject to income guidelines. If resold before September 2, 2019, the home can be sold only to a qualifying individual.

Although the house was secured, there has been vandalism and the plumbing is inoperable. The sale will be in “as is” condition. This will be a cash sale.

City Charter §59 requires that real property be sold at public auction to the highest bidder. This public offer does not technically meet that requirement. Approval of the sale requires that Council determine that the best interest of the city shall be subserved by dispensing with a sale at public auction.

Will the Council vote to determine that the best interest of the city shall be subserved by dispensing with a sale at public auction, to approve sale of 2105 Ferry Avenue as set forth herein, and authorize the Mayor to execute any documents necessary to effectuate the same?

Council Member Anderson moved that the communication be received and filed and the recommendation approved.

CENTER COURT (HOPE VI), LIGHTING EASEMENT, NATIONAL GRID

Agenda Item #6

National Grid is preparing to commence work to install street lights in the new HOPE VI Center Court complex. The roadways eventually will be dedicated to the City as public rights-of-way, but are now private property owned by Center Court I, LLC, the entity created by the Housing Authority to hold title to the complex.

The City retains the playground and park next to the proposed Eagle Heights. Some of the lighting work may take place on City property, although the lights will be installed in the right-of-way. National Grid has asked the City to grant an easement for the light installation. Rather than delay while the exact location of the work is established, we feel it is prudent to grant the easement so the work can proceed. The proposed easement is attached hereto (on file in the City Clerk’s Office).

Will the Council vote to approve the street light easement as set forth herein, and authorize the Mayor to execute any documents necessary to effectuate the same?

Council Member Anderson moved that the communication be received and filed and the recommendation approved.

CONTRACT: RAINBOW CENTER PARKING RAMP, RENOVATIONS/REHABILITATION, PHASE II, HUBER CONSTRUCTION, INC (GENERAL CONTRACTOR), CHANGE ORDER

Agenda Item #7

A contract for the above referenced project was awarded to Huber Construction Inc. on September 19, 2011 in the amount of $6,309,000.00. Subsequent to the start of the project, the Contractor has encountered some substantial items which constitute a change in conditions that were not included in the initial scope of this contract. Please note that the City will be fully reimbursed for all costs associated with the below items through a funding agreement with USA Niagara Development Corporation. As detailed below, state funds to cover these items would come from already-established contingency accounts and/or project allowances created to cover unforeseen issues.

Issue 1: Work Change Directive #001 - Additional Abatement and Demo at Curtail Wall

$94,622.10

This work was performed to expedite work required for the NCCC project. The scope included asbestos abatement and curtain wall removal included in LP Ciminelli’s bid package. Contractor provided a hard weather-tight enclosure at opening per request of LP Ciminelli. Abatement cost of $19,749 to be applied towards Abatement Allowance GC-1, and remaining cost of $74,873.10 to be funded by NCCC project fund.

Issue 2: Work Change Directive #006 - Stepped Roof Curtain Wall Detail

$0.00

In lieu of installing detail A3/S706 on the Contract Drawings, the Contractor was directed to proceed with revised detail A3/S706 R1 for the curtail wall supports. This change is a zero cost add.

Issue 3: Work Change Directive #007 - Roof Floor Drain Patching

$5,870.00

The existing concrete around two (2) floor drains at the 5th level require additional patching due to the current conditions of the slab. The repairs consist of repairing a minimum of 30” x 30” area. The cost for this change is applied towards Structural Allowance GC-2.

Issue 4: Work Change Directive #008 - Additional Curtain Wall Clips

$9,962.25

Upon removal of the roof decking at the cube, it was discovered that the existing curtain wall was not securely fastened at the top. The Contractor was to add temporary clips to allow for the contract work at the roof area to move forward.

$0.00

During the topping removal at levels 2, 4 and 5, it was discovered that the topping is approximately only 1” think near the elevator. This thickness does not allow enough depth for the new topping material that was submitted to be installed. Contractor was directed to install 4000 PSI Lightweight Concrete at these locations due to the existing thickness. This change is a zero cost add.

Issue 6: Work Change Directive #011 - Precast Stem Repairs at NCCC Project Side

$6,380.79

Additional concrete repair work is required at the NCCC project side, as it was found that two (2) precast tee stems had cracking in the stems and flanges of the tees. The repairs were made per the detail on the contract drawings for similar repairs.

In all, the additional costs via this change order for the issues noted above are $116,835.14.

Will the Council vote to so approve and authorize the Mayor to execute a contract in a form acceptable to the Corporation Counsel?

Council Member Choolokian moved that the communication be received and filed and the recommendation approved.

CONTRACT: RAINBOW CENTER PARKING RAMP, RENOVATIONS/REHABILITATIONS, PHASE II, CIR ELECTRICAL CONSTRUCTION CORP. (ELECTRICAL CONTRACTOR), CHANGE ORDER

Agenda Item #8

A contract for the above referenced project was awarded to CIR Electrical Construction Corp. on September 19, 2011 in the amount of $275,000. Subsequent to the start of the project, the Contractor has encountered some substantial items which constitute a change in conditions that were not included in the initial scope of this contract. Please note that the City will be fully reimbursed for all costs associated with the below items through a funding agreement with USA Niagara Development Corporation. As detailed below, state funds to cover these items would come from already-established contingency accounts and/or project allowances created to cover unforeseen issues.

Issue 1: Work Change Directive #001 – LED Bulbs at 5th Level Light Poles $21,180.00

Per direction of the City of Niagara Falls and Department of Public Works, the Contractor was directed to replace the specified bulbs in the new light poles at the 5th level to LED bulbs. The LED bulbs were to be model ARE-120-5-525ma.

Issue 2: Work Change Directive #002 – Heat Trace Power at 2 Locations in Helix $5,304.00

Two existing drain stack within the Helix were found to require new power for the heat trace at the piping. The Contractor was directed to disconnect the existing power and replace with new back to the electrical room at the first floor.

Issue 3: Work Change Directive #003 – Additional Type “C” Fixtures $25,174.00

There are an additional twenty-eight (28) existing light fixtures located at the stairwells that required to be replaced with new. The Contractor was directed to furnish and install these additional type “C” fixtures at the stairwells, per response to their RFI.

Issue 4: Work Change Directive #004 – HP-1 Panel Feed $329.00

The existing fused switch labeled “spare” at the ramp electrical room was found to be active (with the current load unknown), and there is no other fused switch with adequate capacity available in this electrical room. The Contractor was directed to provide a new feed to panel HP-1 in the new elevator machine room from the mall electrical room switchgear.

Issue 5: Work Change Directive #005 – Stairwell Detail #2 $11,954.00

Detail 2/A (stairwell detail for first level retail at stair #’s 2, 3, 4, and 7) on drawing E-106 was revised to properly reflect existing conditions found during construction. As a result of the change and what was found, additional electrical components were now required. The Contractor was directed to furnish and install additional emergency lighting, exit signs, fire alarm stations, and fire alarm signals/strobes at the four (4) stairwells per the updated detail drawing.

Issue 6: Work Change Directive #006 – 8 Additional Receptacles at Stairwells $0.00

There were an additional eight (8) existing receptacles within the stairwells that were found during the construction project. The Contractor agreed to replace the receptacles with new at no additional cost to the project.

Issue 7: Work Change Directive #007 – Additional Conduit/Wire for Lights at Helix $62,997.00

There were seventy (70) light fixtures in the Helix between the ground level and level 1 that were to remain intact. However, due to the patch work at the Helix in this area and the existing topping level thickness,
the conduit/wire (which is inside the topping slab at this area) feeding these fixtures has been cut in various locations and required replacement. The Contractor was directed to replace the conduit and wire for these fixture with surface mounted conduit. In addition, there are four (4) additional fixtures on the 2nd level and twelve (12) fixtures on the 4th level that will require new power run to them as well.

Issue 8: Work Change Directive #008 – Heat Trace Note #2, 277V Heat Trace $3,894.00
Once exposed, the existing heat trace power was found to be 120V coming out of a 120/208V panel. The new heat trace is 277V and cannot be wired to the same panel as the existing heat trace was. The Contractor was directed to wire the new 277V heat trace to available spare breakers in panel “X” and panel “A” at the ramp electrical room. Contractor to turn off the existing heat trace panel and label not in use.

Issue 9: Work Change Directive #009 – Light Fixture Interference at Helix $1,330.08
Upon preparing to start the concrete repairs at the Helix ceiling on the ground level, it was discovered that there are six (6) existing light fixtures in the way of the repairs. Three (3) light fixtures are located at the Helix exit to Rainbow Street and the other three (3) light fixtures are located at the exit to 1st Street. Due to way the existing fixtures were installed, they could not be removed and reinstalled. The Contractor was directed to remove the six (6) fixtures and replace with new.

Issue 10: Work Change Directive #010 – Conduit in Light Pole Base Extension $456.00
The contract drawings called to have the existing light pole removed at column line S-4.1 (level 5) and a new light pole to be installed on the existing base. The existing base that was called to be re-used has been modified and used by the NCCC Project for the installation of their steel and can no longer be used for the light pole. The Contractor was directed to extend the existing electrical conduit and wiring to the new light pole pedestal being installed by the General Trades Contractor. This cost is to be funded by the NCCC Project fund.

In all, the additional costs via this change order for the issues noted above are $132,618.08.

Will the Council vote to so approve and authorize the Mayor to execute a contract in a form acceptable to the Corporation Counsel?

Council Member Choolokian moved that the communication be received and filed and the recommendation approved.

CONTRACT: RAINBOW CENTER PARKING RAMP, RENOVATIONS/REHABILITATION, PHASE II, J.R. SWANSON CO. INC., (PLUMBING CONTRACTOR), CHANGE ORDER

Agenda Item #9
A contract for the above referenced project was awarded to J.R. Swanson Co. Inc. on September 19, 2011 in the amount of $249,940.00. Subsequent to the start of the project, the Contractor has encountered some substantial items which constitute a change in conditions that were not included in the initial scope of this contract. Please note that the City will be fully reimbursed for all costs associated with the below items through a funding agreement with USA Niagara Development Corporation. As detailed below, state funds to cover these items would come from already-established contingency accounts and/or project allowances created to cover unforeseen issues.

Issue 1: Work Change Directive #001 – Credit for Insulation on Roof Drain ($1,333.36)
The NCCC project will be relocating the 2 southernmost rain water leaders inside the building at levels 1 and 2. The Contractor was asked to provide a credit for the insulation at these levels that was shown on the contract drawings.

4/16/2012
Issue 2: Work Change Directive #002 – Replacement of Test-T’s at NCCC Side  
$8,290.88
Two (2) test-t’s at the south end of the ramp where found to be corroded and would not allow for the pressure test of the piping to take place. The Contractor was directed to replace the two (2) test-t’s and associated 5’ of piping required to allow for proper use and function of the test-t’s. The cost for this change is applied towards Stack Replacement Allowance PC-1.

Issue 3: Work Change Directive #003 – Replace Rises at 8 Drain Locations  
$2,930.74
The existing rises to the floor drains were found to be compromised and leaking at eight (8) locations. The Contractor was directed to replace the piping at these locations and retest the piping. Air pressure tests passed after completion of this work. The cost for this change is applied towards Stack Replacement Allowance PC-1.

Issue 4: Work Change Directive #004 – Replacement of Vent Piping at SE Corner  
$3,775.02
The existing vent piping at the south-east corner was removed by the demo contractor during the Phase 1 interior mall demolition. The Contractor was directed to supply and install a new 3” diameter sanitary vent piping for the floor drain piping system.

Issue 5: Work Change Directive #007 – Replacement of Test-T at Stack B  
$4,005.88
Due to the existing condition of the test-t at drain stack B, the Contractor was directed to replace the test-t with new. The existing test-t was found to be deteriorating due to the age of it. The cost for this change is applied towards Stack Replacement Allowance PC-1.

Issue 6: Work Change Directive #010 – 4 Additional Floor Drains at Helix  
$5,118.88
There are an additional four (4) existing floor drains located at the Helix that requires replacement due the condition of the existing drains over their life span. The Contractor was directed to replace these existing floor drains at the intermediate levels between floor 1 & 2, and 2 & 3. The cost for this change is applied towards Stack Replacement Allowance PC-1.

Issue 7: Work Change Directive #011 – Insulation Through Sleeves  
$2,638.33
Due to the existing size of the sleeves, the Contractor could not install the specified 1” insulation around the piping where it passes through the slabs. To allow for insulation coverage at the sleeves, the Contractor was directed to install an expandable single-component polyurethane foam sealant between the storm stacks and edge of precast concrete. The cost for this change is applied towards Stack Replacement Allowance PC-1.

In all, the additional costs via this change order for the issues noted above are $25,426.17.

NIAGARA GORGE RIM STATE STUDY, FUNDING AGREEMENT, AMENDMENT

Agenda Item #13
   At your September 20, 2010 meeting, you approved $25,000.00 of City funding for partial funding of the above study, the majority of which is being funded through the Ecological Standing Committee under the Greenway portion of the Niagara Power Project Relicensing Agreements. The funding was being provided through the Niagara Falls and River Region Chapter of Wild Ones (a copy of the 2010 Council item is attached) (on file in the City Clerk’s Office). Since Council approval and the City’s entering into a contract with the Local Chapter, the national Wild Ones Organization has assumed responsibility for overseeing the entire study project.
   It is requested that the Council authorize an amendment to the City’s agreement to reflect the role of the national Wild Ones Organization in overseeing and certifying the completion of the study.

RAINBOW CENTRE MALL/CITY PARKING RAMP II, CONSULTANT SERVICES, URBAN ENGINEERS OF NY, P.C., CONTRACT AMENDMENT #2

Agenda Item #14
   A contract for consultant services for the above referenced project is currently in place with Urban Engineers of New York, P.C. (“Urban”), 403 Main Street, Suite 530, Buffalo, New York 14203 in the amount of $752,820.00. This work is intended to facilitate Niagara County Community College to develop Niagara Falls Culinary Institute in a portion of the former Rainbow Centre Mall, which is scheduled to open in Fall 2012. This work has involved final design, construction documents, and construction administration services for two phases of work: Phase I, which involves interior demolition of the former Rainbow Mall and Phase II, which involves a large rehabilitation of City Parking Ramp II.
   In order to advance an aggressive schedule to complete the project, Urban was requested to submit a scope of work and fee estimate for a contract amendment to undertake necessary design/construction documents for a contract amendment to the Phase I demolition effort to raze the pedestrian bridge that crossed First Street and to undertake design/coordination efforts to ensure continuity with NCCC Culinary Project. Urban has submitted a scope of services and fee estimate in the amount of $83,347.00.
   Funding is currently available in Capital Project Account Code H1014 (Culinary Institute/Ramp). Please note that the City will be fully reimbursed for all costs incurred for services under this contract amendment through a funding agreement with USA Niagara Development Corporation; the state funds to cover this amendment would come the already-established contingency account to cover unforeseen costs for the Project.
   Therefore, it is the recommendation of the undersigned that Contract Amendment #2 for the contract between the City of Niagara Falls and Urban Engineers of New York, P.C. for an amount not to exceed $83,347.00 be approved.
   Will the Council vote to so approve and authorize the Mayor to execute a contract in a form acceptable to the Corporation Council?

Agenda Item #15

A contract for consultant services for the above referenced project is currently in place with Urban Engineers of New York, P.C. ("Urban"), 403 Main Street, Suite 530, Buffalo, New York 14203. This work is facilitating the development Niagara Falls Culinary Institute in a portion of the former Rainbow Centre Mall ("Mall"), which is scheduled to open in Fall 2012, and involves design services for the interior demolition/abatement of the former Mall and rehabilitation of the adjoining City Parking Ramp II (the "Ramp").

While design for the rehabilitation of the Ramp’s four-car elevator tower (and associated lobbies) fronting on Rainbow Boulevard was not originally included in Urban’s scope of work, recent events have triggered the need to now advance these design efforts, particularly the upcoming development at 310 Rainbow Boulevard, which would primarily utilize the Rainbow Boulevard Elevator Tower to access parking in the Ramp.

Urban was requested to submit a scope of work and fee estimate for a contract amendment to undertake necessary design development/construction administration services associated with upgrading the Rainbow Boulevard Elevator Tower. Urban has submitted a scope of services and fee estimate in the amount of $90,000.00.

On March 28, 2012, the Board of Directors of the USA Niagara Development Corporation ("USAN") authorized the President of the Corporation to enter into a funding agreement with the City of Niagara Falls to provide funding for this work. The City will be fully reimbursed for all costs incurred for services under this contract amendment.

Therefore, it is the recommendation of the undersigned be authorized to enter into a funding agreement with USAN and that Contract Amendment #3 for the contract between the City of Niagara Falls and Urban Engineers of New York, P.C. be approved for an amount not to exceed $90,000.00.

Will the Council vote to so approve and authorize the Mayor to enter into the funding agreement and execute a contract in a form acceptable to the Corporation Council?

BEECH AVE. AND 17TH STREET, INSTALL ALL WAY STOP SIGNS AT INTERSECTION/ELIMINATE PARKING OF THE SOUTH SIDE OF BEECH AVENUE

Agenda Item #19
At the Traffic Advisory Commission meeting held on April 4, 2012 the Commission recommended APPROVAL of the following item:
INSTALL ALL WAY STOP SIGNS AT THE INTERSECTION OF BEECH AVENUE AND 17TH STREET AND ELIMINATE PARKING ON THE SOUTH SIDE OF BEECH AVENUE BOTH 50’ WEST AND 120’ EAST OF THIS INTERSECTION

Although this intersection falls short of the Federal MUTCD Minimum Warrants for the placement of “ALL WAY” stop signs, its geometry is unusual as Beech Avenue curves as it crosses 17th Street. In addition, Kalfas Elementary School is on the northeast corner and new housing from the Hope VI project is being added on the south side of Beech Avenue, which will create more traffic in the area. Therefore, due to these extraordinary circumstances and for safety this request was approved by the Commission.

UNDERGROUND RAILROAD HERITAGE AREA MANAGEMENT PLAN, ADOPTION

Agenda Item #24

Attached hereto (on file in the City Clerk’s Office) is the resource management report, Niagara Falls Underground Railroad Heritage Area Management Plan, prepared by edr companies, inc. on behalf of the Niagara Falls Underground Railroad Heritage Area Commission.

The Niagara Falls Underground Railroad Heritage Area represents a partnership between the New York State Office of Parks, Recreation and Historic Preservation, the City of Niagara Falls, and local stakeholders, under the guidance of the Niagara Falls Underground Railroad Heritage Area Commission.

The purpose of the Niagara Falls Underground Railroad Heritage Area Management Plan is to identify, communicate and celebrate resources within the Heritage Area associated with historic and contemporary experiences with the Underground Railroad. The Commission, working with project consultants and local stakeholders, has crafted the Plan as the initial step in directing the management and future operations of the Heritage Area. In keeping with all New York State Heritage Areas, the four main goals of the Plan are: historic preservation, interpretation and education, recreation, and economic revitalization through heritage tourism.

The Niagara Falls Underground Railroad Heritage Area (and Commission) is defined in Article 35 (Section 35.03) of the New York State Parks, Recreation, and Historic Preservation Law, and includes the entirety of the municipal limits of the City of Niagara Falls, located in Niagara County, New York (see attached Map 2 from the Heritage Area Management Plan).

The production of this Niagara Falls Underground Railroad Heritage Area Management Plan is a requirement of that legislation, as is the adoption by the City of Niagara Falls City Council. In preparation for City Council action, at its March 28, 2012 regular meeting, the NF Planning Board, acting as lead agency under SEQRA, acted to accept and approve The Niagara Falls Underground Railroad Heritage Area Management Plan Environmental Assessment and further acted to unanimously recommend its adoption.

4/16/2012
Will the Council vote to adopt the Niagara Falls Underground Railroad Heritage Area Management Plan, and forward the adopted plan to the Secretary of State, for the State of New York, as provided by Article 35 (Section 35.03) of the New York State Parks, Recreation, and Historic Preservation Law?

RESOLUTION: CASINO, RELEASING REVENUES, 2012-35
BY: ALL COUNCIL MEMBERS

Agenda Item #26

WHEREAS, this City Council has previously gone on record in the form of a resolution adopted on September 6, 2011 regarding the ongoing dispute between the State of New York and the Seneca Nation of Indians with respect to the lack of Casino Revenues being released to the City of Niagara Falls, the City of Buffalo, and the City of Salamanca and the necessity for the release of those Casino Revenues; and
WHEREAS, on September 6, 2011, when the City Council adopted its resolution regarding this matter it warned that the City of Niagara Falls will suffer if payments due pursuant to the Compact and Section 99-h of the State Finance Law were not paid to the City of Niagara Falls; and
WHEREAS, during a presentation to the City Council made on April 2, 2012, City Controller Maria Brown advised the City Council that the City is now suffering from the failure of Casino Revenues to be paid to the City and that the City has now reached a point where it can no longer afford to cover expenses for items tied to Casino Revenues; and

4/16/2012
WHEREAS, this City Council understands that while the State of New York and the Seneca Nation of Indians may not be able to resolve the substance of their dispute short of the arbitration process, this City Council believes that the State of New York and the Seneca Nation of Indians can somehow reach agreement on releasing Casino Revenues due to the host communities of Niagara Falls, Buffalo and Salamanca without jeopardizing any claims each may have against the other.

WHEREAS, the City has abided by its responsibilities under the Compact and Section-99h of the State Finance Law as the host community for the Seneca Niagara Casino and has provided operational support to the Seneca Niagara Casino since its development.

NOW, THEREFORE, BE IT RESOLVED that this City Council does hereby implore the State of New York and Seneca Nation of Indians to somehow agree upon a method to release Casino Revenues so desperately needed by the City of Niagara Falls, City of Buffalo and City of Salamanca before any further detrimental financial damage is done to each respective community.

BE IT FURTHER RESOLVED, that a copy of this resolution be sent to Governor Andrew Cuomo, Senator George Maziarz and Senator Mark Grisanti, Assemblyman John Ceretto and to President Robert Odawi Porter of the Seneca Nation of Indians.

City Clerk

4/16/2012
The first session of the April 30, 2012 Niagara Falls City Council Meeting was called to order by Council Chairman Samuel Fruscione at 4:08 p.m. in the Council Chambers.

Present: Council Chairman Samuel Fruscione, Council Members Robert Anderson, Glenn Choolokian, Kristen Grandinetti and Charles Walker.

Also present: Mayor Paul A. Dyster, City Administrator Donna D. Owens, Corporation Counsel Craig H. Johnson, Deputy Corporation Counsel Thomas O’Donnell and City Controller Maria Brown.

Council Member Choolokian moved to approve the Minutes from the City Council Meeting of April 16, 2012.

Council Chairman Samuel Fruscione read the following statement regarding the Casino revenue:

The City of Niagara Falls is suffering due to the current impasse between the Seneca Nation and the State of New York. For the past two years our city has remained quietly hopeful that the situation would be resolved to our benefit: that the disagreement would come to an end and the casino revenue owed to us would be given to us.

That hasn’t happened.

While some have recommended that the best approach for the city is to remain quiet and hopeful a majority of the City Council has respectfully disagreed with that continued approach.

And so, on Wednesday April 25, 2012, a Council majority moved to take immediate action by participating in two important meetings. These meetings were held to gather facts and work toward a solution to the casino cash stalemate.

On the morning of April 25 Councilman Glenn Choolokian and I drove to Albany to meet with representatives of the Governor’s Office. Participating in the meeting were, Howard Glaser, Director of State Operations, Seth Agata, the Governor’s Counsel, Senator Mark Grisanti, Assemblyman John Ceretto and Senator George Maziarz.

Also, on the morning of April 25, Councilmen Robert Anderson and Charles Walker were joined by the members of the casino revenue ad hoc committee (Mort Abramowitz, Richard Palladino and Gary Parenti) in meeting with Seneca President Porter at the Seneca Niagara Casino.

These two meetings were fruitful. Both the Governor’s representatives and President Porter were candid and completely open with us in portraying their respective positions regarding the casino revenue impasse.

I have prepared a brief written report detailing the major findings of these meetings and I’m making it available to the public and the media at this time.

In closing I want to emphasize that the City Council majority (Anderson, Choolokian, Walker and Fruscione) will continue the dialog with both the Governor’s Office and President Porter that was begun on April 25, 2012.
Dear Governor Cuomo:

The City of Niagara Falls, due to the current dispute between the Seneca Nation and New York State, finds itself in a very difficult and soon to be desperate financial situation.

With our dedicated share of the casino slot revenue delayed for nearly three years and with no end to the stalemate in sight our city is nearing the point where severe reductions in city services and employee layoffs will be necessary. While we trust that a favorable outcome will be reached as the Seneca Nation and New York State proceed to arbitration we find our city’s fiscal picture to be grim.

At this time I would like to respectfully ask that the State give thoughtful consideration to the proposal of making the anticipated casino slot revenue available in the form of a loan with no interest to the City of Niagara Falls. Immediate repayment would be made to the State when we receive our portion of casino funds. We estimate that the loan amount sought would be approximately fifty-five million dollars. It is my understanding that there may be a precedent for New York State to make such a loan arrangement in as much as this has been done to bridge certain school district situations with a repayment plan agreed to by the State and school district.

In the event that such a loan is not feasible I respectfully suggest that due consideration be given to Assembly bill 9284 (A.9284/S.00866B) sponsored by Assemblyman John Ceretto. This proposed legislation would authorize municipal governments hosting tribal casinos to receive payments directly from the Native American groups, thereby solving the current impasse between the Seneca Nation and New York State.

On behalf of the Niagara Falls City Council and my council colleagues, Robert Anderson and Glenn Choolokian, I thank you for your thoughtful consideration on this matter.

Please do not hesitate to call upon me should your office require additional information.

City Council Chairman Samuel Fruscione reports on recent meetings held with regard to solving the casino revenue impasse

On Wednesday April 25, 2012 City Council members Sam Fruscione and Glenn Choolokian drove to Albany to meet with Howard Glaser, Director of State Operations, to discuss the casino cash impasse. Joining the meeting were Senator Mark Grisanti, Senator George Maziarz, Assemblyman John Ceretto and the Governor’s Counsel, Seth Agata.

Facts found

- The Seneca Tribal Council rejected the State’s recommendation to make direct payment to the City of Niagara Falls.
- The Seneca Tribal Council is seeking a one-year arbitration time frame while the State is recommending an arbitration period of no more than 90 days. Arbitration is expected to begin within 10 days.
- The State is unable to provide a bridge loan to the City as the impasse is negotiated.
- Private casino operators are lobbying the State, hoping to open and operate State casinos if and when such an opportunity arises.
- The State wishes to arrive at a reasonable arbitration result but if that is impossible the State would consider the options of modifying or ending the Niagara Falls casino compact when the compact is due for review.
- The State is disappointed as to how some casino funds have been utilized by the City since the beginning of the agreement. State noted that casino funds were not meant to be used for “operational expenses” and should only be used for economic development and infrastructure repair.

4/30/2012
• The State will consider arranging an interest free loan for the City in the amount of five millions dollars with the loan amount to be dedicated to the current payment due on the bond indebtedness for the City Municipal Building.

On Wednesday April 25, 2012 City Council members Robert Anderson and Charles Walker met with Seneca President Robert Odawi Porter. Also participating in this meeting were members of the casino revenue ad hoc committee: Mort Abramowitz, Richard Palladino and Gary Parenti.

Facts found

• Seneca President Robert Odawi Porter is sincerely concerned that the City has not received its share of casino revenue and he trusts that a reasonable and mutually beneficial solution will be reached as soon as possible.
• The City Council and the ad hoc casino revenue committee will remain in contact with the Seneca President as they seek his continued input.
• The Seneca Tribal Council appears not to be in a hurry to resolve the matter.
• Members of the Seneca Tribal Council believe the host communities should receive no casino revenue.
• The Seneca President agreed with Mr. Abramowitz’s request that the Seneca Niagara Casino provide for City public safety costs related to the casino.

Conclusions

In light of the two meetings the Chairman of the Niagara Falls City Council reports the following and makes related recommendations:

• No casino revenue will be committed in the future for any expenditure or project not directly related to economic development or infrastructure repair. No casino revenue will be used for operational expenses. Some examples of operational expenses being: employee wages, overtime for events and temporary workers.
• A review of casino expenditures from the beginning of the compact will be conducted. Existing City projected casino revenue budgets will also be reviewed.
• The City Council will remain in close contact with the Office of the Governor in order to work closely and cooperatively to help solve this current impasse.
• The City of Niagara Falls is in the middle of the Seneca and State dispute, a dispute that hopefully can be resolved through a 90 day arbitration procedure. The City Council supports the Governor’s plan to end arbitration within 90 days.
• The City is at the mercy of the arbitration outcome. That outcome could vary greatly from the awarding of a full, partial or zero portion of the anticipated casino revenue.
• The current impasse between the Seneca Nation and the State has wide-ranging ramifications well beyond the results of the pending arbitration. With the casino compact coming due for review and or renewal, this means that the City is looking at three potential scenarios: 1) continued Seneca gaming; 2) State gaming; 3) no gaming.
• The casino revenue impasse has created the need for a focused bipartisan outreach effort blending the cooperative efforts of City and State elected officials. To that end the City Council majority is working cooperatively with Governor Cuomo along with Senator Mark Grisanti, Assemblyman John Ceretto and Senator George Maziarz.
In the Administrative Update:

1. Acting Building Commissioner Dennis Virtuoso spoke on complaints received about dumpsters located along Niagara Falls Boulevard, and, at the direction of Chairman Fruscione, will work with Corporation Counsel Craig Johnson on amending the Ordinance and presenting it for Council approval.

2. Director of Public Works David Kinney reported that improvements at Caravelle Park will be done as soon as possible, but work needs to be done by City workers in other areas, as well as the Park. He also noted that a grant has been applied for that will benefit the Park if the City receives the grant.

3. City Engineer Jeffrey Skurka responded to questions on the Lewiston Road Project, and the Council decided to wait for an Executive Session before continuing with the discussion.

Mr. Johnson distributed copies of two Items to be added to the Agenda:

1. A communication relative to an encroachment over City Property at 615 Maple Avenue.

Council Member Anderson spoke on Agenda Item #8, relative to funding for Trolley Service in 2012, and said that he had supported stops by the trolley at establishments along Buffalo Avenue. He also noted that 72nd and 77th Streets run straight through from Buffalo Avenue to Niagara Falls Boulevard, and four way STOP signs are needed at Perry and Edison Avenues for the safety of the residents.

Council Member Grandinetti moved for an Executive Session to discuss the Lewiston Road Project, and her motion was unanimously approved. Council Member Grandinetti moved to end the Executive Session, and motion was unanimously approved. The Executive Session began at 4:50 PM and ended at 5:15 PM.

This Session ended at 5:15 PM.

Chairman Fruscione reconvened the Meeting at 7:07 p.m. in the Council Chambers with all Council Members present. The prayer was said by Council Member Walker and the Chairman led the gathering in the Pledge of Allegiance to the Flag.
The Chairman asked if anyone wished to speak on Agenda Items or Community Interests, and the following spoke:

COMMUNITY DEVELOPMENT, CONSOLIDATED ANNUAL PLAN

Agenda Item #2
The City Council approved the Fiscal Year 2012 Consolidated Annual Plan on October 17, 2011. The Consolidated Annual Plan included the Community Development Block Grant (CDBG) Program, HOME, and Emergency Shelter Program (ESG); all funded through annual Department of Housing and Urban Development (HUD) allocations. These budgets were presented to the City Council based on estimate, to accommodate the city and federal governments’ differing fiscal year budget schedules. HUD’s final Fiscal Year 2012 allocations were released on February 1, 2012. The City’s final CDBG, HOME and ESG Budget is $6,185 higher than the $2,660,000 budget previously approved by the City Council. The individual programs are affected as follows:

**CODE ENFORCEMENT: EXPENSES INCURRED IN REPAIR, DEMOLITION OR BOARD OF STRUCTURES WITHIN THE CITY**

Agenda Item #3

In accordance with Chapter 1133, Section 1133.08 of the City of Niagara Falls Codified Ordinances, we hereby submit a report relative to certain privately owned properties upon which the City has incurred expenses or Community Development funds have been expended for each property which remain unpaid and in accordance with the above noted Section (the) Council shall "order an assessment against said premises for several sums herein reported".

We recommend that all the costs incurred by the City of Niagara Falls that remain unpaid upon certain privately owned properties be assessed against said properties in the manner as prescribed in the above City provisions of the City of Niagara Falls Codified Ordinances.

A list of all chargeable costs incurred is attached. A complete record of all costs incurred and included in this report (on file in the City Clerk’s Office) shall remain permanently on file in the office of the Department of Code Enforcement.

Agenda Item #4

At its meeting of April 16, 2012, the Council awarded the above referenced bid. An error in the recommendation was made. The wrong company was listed as the recommended bidder. The price bid was correct however. Therefore, we recommend the Council rescind the award and reaward as follows:

TO: Armand Cerrone, Inc.
4625 Witmer Road
Niagara Falls, NY 14305

FOR: Sale of approximately 18,000 tons of Street Millings generated during the 2012 paving season: $.76/ton

The City Purchasing Agent certifies that all bids were solicited in accordance with Section 103 of the General Municipal Law. Notice that bids were to be received was advertised in the Niagara Gazette and bids were sent to four (4) vendors. Two (2) bids were received. The bid from Lafarge North America, Inc. was for $0.00 (i.e. they would accept the material at no charge to the City).

POLICE DEPARTMENT, REORGANIZATION

Agenda Item #7

As a result of the restructuring of duties and responsibilities, it is recommended that one (1) Communication Technician position be eliminated. This will result in a total savings, inclusive of benefits, of $66,431.94. It is also recommended that an additional Administrative Lieutenant position be created. This would involve the promotion of a Police Officer to that position without filling the vacancy created. The purpose for this is to provide additional administrative support in order for the NFPD to more adequately comply with the requirements contained in the consent decree the City entered into with the New York State Attorney General’s Office, Civil Rights Division. The increase for the creation of this additional Administrative Lieutenant position, inclusive of benefits, will be $12,443.84. The net savings to the City resulting from both of these action items is $53,988.01.

John Percy, President and CEO of the Niagara Tourism and Convention Corporation, gave a report on the organization’s 2011 Marketing efforts. He noted that 2011 showed the largest increase in bed tax revenues in history.

Chairman Fruscione said that a representative from Man O’Trees would attend the May 29 Council Meeting to give an update on the Lewiston Road Project.

In the Administrative Update, Police Superintendent John Chella and Nick Ligammari reported that most of the security cameras have been mounted and are operational, and a total of $252,181 has been spent so far. Work to install additional cameras on Niagara Street and other areas should begin within the next two to three weeks.

City Administrator Donna Owens reported that an operational meeting was held regarding the June 15 Wallenda Walk. Council Member Choolokian asked if the small businesses in the City would be given the opportunity to work with the City in promoting this event, and City Administrator Owens responded that all inquiries were being referred to Global Spectrum and NTCC. Chairman Fruscione added that the City should be advertising and encouraging weekend vending permits for the event, and he and Council Member Choolokian emphasized that the City should take the lead in promoting this event. Council Member Grandinetti asked if any material that was specific to Nik Wallenda was available. Chief Chella added that the City was ready for the event, and all the Police Agencies in the area would be involved in making the event and area safe for those attending. He added that a cost estimate had been sent to the promoters of the Event, and Council Member Anderson asked about a signed legal document for the reimbursement of the City’s expenses relating to the event.

Chairman Fruscione expressed his concern about the construction debris in the area of Tenth Street by the hospital, and suggested that the City take pictures for evidence. Corporation Counsel Craig Johnson said that the hospital itself is monitoring the work by the contractor, but Chairman Fruscione suggested that the City might use DPW workers to clean up the City’s property.

Mayor Paul Dyster informed the Council Members that the City is now allowing the use of the LaSalle Waterfront Park.
Chairman Fruscione noted that the cost for the fireworks display (Agenda Item #7) was being paid by using bed tax revenues. Additionally, the contributions for the Niagara Street Business Association International Festival (Agenda Item #19) and the Main Street Business/Professional Association Festival/Garden Walk (Agenda Item #20) were also funded with bed tax revenues.

Council Member Grandinetti moved to amend Agenda Item #22, relative to a change order in the contract for the Tenth Street/Cedar Avenue Reconstruction, by correcting a typographical error in one of the figures on the communication.

Agenda Item #5

A contract for the above referenced project was awarded to D.V. Brown & Associates, Inc. on October 26, 2010 in the amount of $220,000.00. Please note that an initial order on contract of $8,388.00 was appropriated via funding code H0904.2004.0904.0443.000 for O&M purposes by the Department of Public Works at the July 25, 2011 Council session.

During the final installation and start-up phase of this project, alterations and replacements to the existing system were performed to both ensure the City’s ability to enforce the complete manufacturer’s warranty and to prevent the potential for premature equipment failure. The equipment replacements provided the added benefit of increasing the energy efficiency of the overall system. These tasks were not included in the project’s initial scope and were not detectable prior to the removal of the original system. The costs associated with the repairs, ancillary valves and controls are $19,390.00, bringing the final contract total to $247,778.00. Funding is available in H0904.2004.0904.0444.000. Will the Council vote to so approve and authorize the Mayor to execute a contract in a form acceptable to the Corporation Counsel?

A consultant services agreement was awarded to TVGA Consultants, 620 Main Street, Buffalo, NY 14202 on December 4, 2006 at their proposed price of $92,000.00 for work through preliminary design phase. Change Order #1 was approved by City Council on May 10, 2011, in the amount of $48,000.00 for final design, including plans, specifications and estimate, bringing the new contract total to $140,000.00.

Following the successful bid and pending award for the construction portion of the above referenced project, please approve this request for initial contract administration and construction inspection services. These services are commensurate with all federally-funded “pass-through” projects and are 95% reimbursable through our existing Federal and New York State Department of Transportation agreements. The cost for these initial services is $55,000.00, bringing TVGA’s Professional Services Contract with the City for this project to a total of $195,000.00.

The total cost for construction administration and inspection services will be $99,295.00. An additional change order of $44,295.00 which is also 95% reimbursable will be requested once additional funding is received from the New York State Department of Transportation.

Please note that this change order is contingent upon actual receipt of the finalized, executed agreement from New York State Department of Transportation. Therefore, it is the recommendation of the undersigned that Change Order #2 be approved in the amount of $55,000.00.

CONTRACT: CSX BRIDGE REPLACEMENT OVER NYS 104, MARK CERRONE, INC., CHANGE ORDER

Agenda Item #15
A contract for the above referenced project was awarded to Mark Cerrone, Inc. on September 23, 2010 in the amount of $4,215,484.73. The Contractor on the above referenced project, Mark Cerrone Inc., has experienced several Excusable Non-Compensable delays that warrant an extension of time on the above referenced project. Delays associated with inclement weather include the following items:

- Installation of the Stage 1 Detour by CSXT Forces. In accordance with the provisions set forth in the Contract Documents relative to the coordination of the work with CSXT, railroad forces are responsible for installation of the Stage 1 Track Detour. Inclement weather and ground frost prevented installation of the Stage 1 Detour until April 23, 2011. As a result, the Contractor was unable to advance Phase 1 demolition of the CSX Bridge. The time associated with this delay item is 66 days.
- Asbestos and Lead Abatement on the Existing North and South Bridges. Inclement weather prevented work associated with asbestos and lead abatement on the existing bridges. Completion of this work was required prior to demolition of these structures. The time associated with this delay item is 31 days.
Wendel recommends that Mark Cerrone Inc. be given an extension of 97 days to their original contracted time for completion. Since the associated delay for each of the items was weather related (Excusable, Non-Compensable) the Contractor shall be compensated solely by an extension of time. The original Contract Completion Date is April 22, 2012. This extension would make the new time for completion July 28, 2012.

CONTRACT: TENTH ST/CEDAR AVE. RECONSTRUCTION SUPPLEMENTAL AGREEMENT, FOIT-ALBERT ASSOCIATES, P.C., CHANGE ORDER

Agenda Item #22

A contract for the above referenced project was awarded to Foit-Albert Associates, P.C. on May 29, 2007 in the amount of $555,000.00. Change Order #1 was approved by City Council on September 29, 2008, in the amount of $232,000.00, and change order number 2 on February 8, 2010 in the amount of $494,854.00. By approving this change order number 3 by $322,193.60 the new contract total to $1,604,047.

Following the successful bid and award for the construction portion of the above referenced project, a contract administration and construction inspection services agreement was entered into with Foit-Albert Associates. Those services are commensurate with all federally-funded “pass-thru” projects and are typical 95% reimbursable through Federal and New York State Department of Transportation agreements. The supplemental agreement is required for additional contract administration construction services resulting from the contract noncompliance and substandard workmanship by Sue-Perior Incorporated during the execution of the construction contract. The cost for these additional services to date is in the amount of is $322,193.60 incurred by Foit-Albert for additional Professional Services.

05/14/2012
The intent at this time is to move the remaining funding in the construction line available to the construction inspection line to zero out the amount of funding available for project.

By taking this action the city then has the ability to request additional funding from both the Federal and State government for the completion of this project. Ultimately, the intent is to recover these costs for addition contract administration and construction inspection services from the contractor given his non-compliance and substandard workmanship.

Please note that this change order is contingent upon a future executed agreement from New York State Department of Transportation. Therefore, it is the recommendation of the undersigned that Change Order #3 be approved in the amount of $392,193.60.

Will the Council vote to so approve and authorize the Mayor to execute a contract for a supplemental agreement to Foit-Albert Associates in a form acceptable to the Corporation Counsel and move the remaining funds available in the construction line of this project to construction inspection?

Representatives of Joe Anderson gave an update on his plans for Off Tract Betting at the Quality Inn and retail facility on Old Falls St. No public funding is requested and there will be 15-25 full time jobs to start. Chairman Fruscione asked what the holdup is, Mr. Wotasek stated that Empire State Development Corp. has to approve the Project. If this is turned down from USA Niagara, Joe Anderson has Reservation of Right and still has 4 years left on his contract for this property. The Project would take approximately one year for completion. Deputy Corporation Counsel Thomas O'Donnell asked if any payments from OTB would go to the City and the answer was, arrangements will be made.

Carmen Toromino, representing the Festival of Lights, presented a video, which will be online. He stated that no public money, just services, such as security, is being asked for. The Festival will run from Nov. 30 until Dec. 30 on Main St., Council Member Choolokian asked who’s on board for this. Mr. Toromino said United Way, USA Niagara, Assemblyman John Ceretto, Chief Chella, Ron Anderluh, Rick Crogan, Dick Palladino and many others have signed on.

1. In the Administration Update, Council Chairman Fruscione read a statement that Dave Pfeiffer from Man-O-Trees, through his attorney, declined the meeting tonight with the Council. Mayor Dyster stated that an Administration meeting is going to be held on May 30 at 9:00 AM with Man-O-Trees. Corporation Counsel Craig Johnson will update the Council. Council Member Choolokian stated we have to move forward on this.

2. Dennis Virtuoso, Director of Code Enforcement, said that $315,000 is left from previous years but $146,000 has to be set aside and 12 demolitions can be done this year with CD money. There is no Casino revenue for the demolitions. Council Member Choolokian asked what was used before we had Casino money and Mr. Virtuoso said we got a lot of money from CD for this. Bonding would be an option and grants are being done. Council Member Anderson asked how many homes are on the list for demolition, and he was informed that approximately 100 homes are on the Active List. Seth Piccirillo, Director of CD, talked about grants for demolitions and that is priority in the next couple of months.
3. City Administrator Donna Owens reported that an Operation Plan with Public Works, Police/Fire Depts. exists for the Wallenda Walk. The City is working closely with NTCC and the State Parks for the Walk. The Administrator and the Mayor met with Mr. Wallenda the last day of his practice and he will be receiving the Key to the City when he returns and will then be introduced at the June 11th Council Meeting. 4000 free tickets are available through the State Parks. Council Member Choolokian asked if there were any unique ideas from the City such as Special Events and did the Administration meet with local Businesses. City Administrator Owens is working with NTCC and the Conference Center. The Mayor hopes businesses downtown will have events during the week of the Wallenda Walk.

Melissa Morinello, from NTCC and Ryan Coate, from Global Spectrum, said they’re meeting with the Business Associations. They’re working with Capt. Pino on Transportation Trolleys for June 15.

4. David Kinney, Director of Public Works, gave an update on ZOOM Team/Clean Neighborhood. They’ve received approximately 480 cleanup calls from April 2 until now. Last year there were 20 ZOOM/Clean Neighborhood Laborers, this year there are 6. With the amount of properties, cleanup cannot be done as often. The cleaning & planting of flowers on Rainbow Blvd., John Daly Blvd. and Niagara St. is being done through a grant from the Casino and is being done inhouse.

Council Member Choolokian had a question about the Gill Creek Park Playground. Mr. Kinney said the equipment is old and bad and they are looking into a grant for the replacement of equipment.

5. There was an update on the Grants Writer funding. Mayor Dyster stated that this is funded by Casino Revenue.

Council Member Choolokian had a question for Administrator Owens about funding for Zoom and the Grants Writer. Mayor Dyster stated that Zoom is funded through approval of Council from a Resolution from Dec. 2011. A discussion about funding followed between the Council, Administrator and the Mayor.

Mr. Johnson distributed copies of three items to be added to the Agenda:

THE FOLLOWING COMMUNICATIONS WERE SUBMITTED BY THE MAYOR

CONTRACT:  BRIDGE COMMISSION PARKING, RAINBOW RAMP

Agenda Item #1

The Bridge Commission has been parking in the Rainbow Ramp under a 30-year agreement dating from 1997 and a 3-year agreement dating from 2010 for additional spaces. As you know, the renovation of the ramp is complete. A new parking agreement has been negotiated for the remaining 15 years on the original agreement. This new agreement consolidates the parking requirements of the two agreements, and provides for parking on the third floor of the ramp. A diagram of the new proposed parking configuration is attached (on file in the City Clerk’s Office).

The new configuration provides for secure fenced parking for up to 80 vehicles. The parking fee will be $2,500.00 per month for 5 years, with 3% escalators at five and ten years. Payment would be $2,575.00 after five years and $2,650.00 after ten years. The Bridge Commission will maintain the fencing and the parking area.

This new configuration frees up the former “captive” stairwell that the Commission was using. The new configuration creates the minimum of interference with other ramp users, while maintaining the security necessary for government employees working at the Rainbow Bridge. The 1,650+ space parking capacity of the ramp will be sufficient to service the demands of the Culinary Institute, along with the hoped for additional demand for parking in the renovated ramp.

Will the Council vote to approve Bridge Commission parking agreement as set forth herein, and authorize the Mayor to execute any documents necessary to effectuate the same?

Council Member Walker moved that the communication be received and filed and the recommendation approved.

CONTRACT: PINE AVENUE LIGHT STANDARDS/STREET SIGNAGE REMOVALS, SCOTT LAWN YARD, CHANGE ORDER

Agenda Item #3
A contract for the above referenced project was awarded to Scott Lawn Yard on March 19, 2012 in the amount of $35,016.80.

Due to the unknowns involved with coordination between multiple owners and contractors and the uncertain condition of the existing lighting system, it was the City’s intent prior to bidding to compensate the contractor for furnishing temporary lighting on a “per light unit per day” basis. Since the project’s temporary lighting phase has finished, a final dollar amount can now be determined. At the unit cost per day that the City established, the total cost for this bid item is $22,940.00.

Funding is available under Code H115.2011.1115.0449.599.

It is the recommendation that Change Order #1 be approved on the amount of $22,940.00 establishing the new contract amount to $57,956.80.

Will the Council vote to so approve and authorize the Mayor to execute a contract in a form acceptable to the Corporation Counsel?

CITY PROPERTY, 421 THIRD ST., SIGN, PATIO ENCROACHMENTS

Agenda Item #9

The City has received a request from the owners of the property at 421 Third Street for a sign encroachment and a sidewalk patio encroachment. These have been reviewed by the appropriate City departments which recommend approval subject to the following conditions for both encroachments:

1. The owner will add the City of Niagara Falls as an additional insured on its liability insurance policy.
2. The owner will defend and indemnify the City from liability related to both encroachments.
3. The City can revoke the license for the encroachments on sixty (60) days’ written notice.
4. The owner will receive all applicable permits and inspections.

In addition, the patio encroachment must comply with any conditions imposed by the City Engineer with regard to sufficient space for pedestrian passage on the sidewalk and to ensure that no damage occurs to the City’s right-of-way.

In addition, these are subject to a positive recommendation being granted by the Planning Board (these are on the agenda for the Planning Board’s meeting on May 23, 2012) (on file in the City Clerk’s Office).

WHEREAS, stable and healthy local businesses benefit the community by supporting local schools, charities, youth organizations and contribute to community social services and events often staffed by volunteers; and
WHEREAS, stable and healthy local businesses benefit the City of Niagara Falls by paying property taxes, business license fees, development permit fees, and utility charges; and
WHEREAS, the goals of the City of Niagara Falls can be achieved by purchasing goods and services from local businesses that pay taxes, fees and other charges that help keep Niagara Falls a livable community.
NOW THEREFORE BE IT RESOLVED, by the City Council of the City of Niagara Falls, New York that the City shall seek to promote economic growth and enhance the livability of the community through the purchase of goods and services from local businesses and hereby creates the City's Purchasing Opportunities for Local Business Program as follow:

The City of Niagara Falls will proactively notify local businesses of how to find contract opportunities with the City by:
1. Attending meetings of the Niagara Falls/Niagara County Area Chamber of Commerce and other organizations that assist local businesses.
2. Providing information to persons with a Niagara Falls business license.
3. Regular publications of the information in the Niagara Falls Gazette, Niagara Falls Reporter or other local Niagara Falls newspaper regarding how to do business with the City of Niagara Falls.
4. Publication in local Niagara Falls newspaper of Invitations to Bid and Requests for Proposals for goods, services, and public improvements.

For any purchases, the City shall first determine if there are businesses located within the City of Niagara Falls who can supply the goods and services and shall include such local businesses when soliciting price quotations and informal proposals.

The City shall not make on-line purchases until first determining whether local businesses are qualified for the work and offer a price and quality that are comparable to those offered by non-local businesses.

BE IT FURTHER RESOLVED, as used in this resolution “local business” means a business that uses real property within the City of Niagara Falls for a commercially useful function, pays city taxes, fees and utility charges and has a current Niagara Falls business license.

BE IT FURTHER RESOLVED, nothing in this resolution is intended to apply to a local business that does not comply with all public contracting requirements or that charges substantially more than non-local businesses for comparable products and services.

BE IT FURTHER RESOLVED, that the City of Niagara Falls, acting as a market participant, encourages local companies and other public agencies to purchase from and use businesses located within the City of Niagara Falls.

City Clerk

05/29/2012
The first session of the June 11, 2012 Niagara Falls City Council Meeting was called to order by Council Chairman Samuel Fruscione at 4:00 p.m. in the Council Chambers.

Present: Council Chairman Samuel Fruscione, Council Members Robert Anderson, Glenn Choolokian, Kristen Grandinetti and Charles Walker

Also present: Mayor Paul A. Dyster, City Administrator Donna D. Owens, Corporation Counsel Craig H. Johnson, Deputy Corporation Counsel Thomas O'Donnell and City Controller Maria Brown.

Joseph Ruffalo and Sheila Kee from Niagara Falls Memorial Medical Center spoke on Agenda Item #18, relative to revocation of the historic landmark designation for the property located at 533 Tenth Street. They explained the grant that the hospital had received for the Project that would be done once the building on the property was demolished, and the Project would create an additional 12 jobs at the hospital, as well as jobs for the construction of the Project.

Jerry Genova of the Tourism Advisory Board spoke on amending the Ordinance relating to charter bus parking (Agenda Item #17).

In the Administrative Update:

1. Community Development Director Seth Piccirillo informed the Council Members that the Item relative to awarding a contract for an Analysis of Impediments to Fair Housing Choices, which was tabled at the March 19 Council Meeting, was no longer necessary, since a Regional Analysis has already been done.

2. Mayor Paul Dyster reported that an update on the Wallenda Walk will be held on June 12 at 11 AM. He commended the Niagara Tourism and Convention Corporation and the City Clerk’s Office for working with vendors for the Event, and spoke on related events taking place in the City.

Chairman Fruscione thanked the Mayor for his consideration of moving the site of the Hard Rock Concerts to accommodate the area businesses, and asked the Mayor to confirm this at the next Council Meeting. Council Member Choolokian noted calls he had received concerning the number of street lights that are out in the downtown area, and Chairman Fruscione asked Deputy Director of Public Works John Caso to have crews concentrate on cleaning up the downtown area, all in preparation for the Wallenda Walk on Friday.

3. City Administrator Donna Owens spoke on the City’s contract for trash, and noted that the contract extension with Modern expires at the end of 2013. She is working with Purchasing Agent Dean Spring on the contract, and one of the areas of their research is the use of “super cans”, which will require an Ordinance amendment by the Council. Chairman Fruscione inquired about contacting Covanta to burn trash, and how recycling will impact the cost of a new contract. City Controller Maria Brown added that the original contract with Modern included a rebate for recyclables, but now, the City is being charged for recyclables. After a discussion, Council Member Choolokian asked that the Council receive a new contract as soon as possible.
Chairman Fruscione asked about the status of the lease for the Ice Pavilion, and Mayor Dyster responded that a decision is pending, and noted that in discussions with possible leases, a requirement is that all reservations made for 2013 must be honored.

Chairman Fruscione asked Mr. Piccirillo about information that was published over the weekend regarding a matter that was only under discussion, and not ready for release, and a discussion followed.

Corporation Counsel Craig Johnson spoke on amendments to Agenda Items:

   MOTION TO ADD RESOLUTION TO AGENDA APPROVED
   The Resolution was added to the Agenda as #21.

Chairman Fruscione noted that Agenda Item #12, relative to the 2012 Cooperative Agreement for the North Star Project, represented a savings for the City, since the cost is paid entirely by the New York State Parks Department.
This Session ended at 4:55 PM. At 5:00 PM, Council Member Grandinetti moved for an Executive Session to discuss litigation, and her motion was unanimously approved. The Executive Session ended at 5:07 PM.

Chairman Fruscione reconvened the Meeting at 7:04 p.m. in the Council Chambers with all Council Members present. The prayer was said by Council Member Choolokian and the Chairman led the gathering in the Pledge of Allegiance to the Flag.

A Presentation was given by David Fabrizio, Chairman of the Veteran’s Memorial Commission, on the status of the Project. He noted that the main piece is in place, and the electrical work needs to be done next. The Commission is working with the New York Power Authority to possibly donate the power; and the Project should be completed by September. He added that at the present time, there is a locked fence around the monument, and that will be removed as the additional work is completed. The Commission will provide a supply of applications to the City Clerk’s Office to provide to the public. Council Member Anderson suggested that the Commission get word out to the public on how to get names put on the monument, and the cost is $125 per name.

The Chairman asked if anyone wished to speak on Agenda Items or Community Interests, and the following spoke:

CONTRACT:  CAYUGA TRAIL CANOE LAUNCH, WENDEL DUCHSCHERER, AMENDMENT

Agenda Item #2

The City Council approved a contract to Wendel Duchscherer for design, permitting (SEQRA), construction bidding and construction monitoring, in the amount of $14,450.00.

Subsequently, at the request of the City Engineer soils testing was ordered to verify sub-surface soil conditions to ensure proper design and construction. See attached invoice (on file in the City Clerk’s Office) for cost detail. Funding is available for 100% of this cost under a Niagara County Environmental Fund grant in the amount of $85,000.00. The balance of the grant will be used to pay the cost of construction.

Will the Council vote to approve the additional $2,500.00 change to Wendel Duchscherer as set forth herein, and authorize the Mayor to execute any documents necessary to effectuate the same?

Council Member Anderson moved that the communication be received and filed and the recommendation approved.

We respectfully request you authorize the Mayor to enter into an agreement as follows:

WITH: Regional Computer Recycling & Recovery
7318 Victor Mendon Road
Victor, NY 14564

FOR: Collection of Used Electronic Equipment.
Payments to the City: $0.086/lb.

The Corporation Yard at New Road is a collection point for used electronic equipment. Last year approximately 80,000 lbs. was collected. Previously this program was operated under the auspices of Niagara County. Beginning this year the City has been operating the program independently. It is anticipated this new revenue stream will generate approximately $6,000.00 - $7,000.00 per year.

Quotations were also received from Sunnking Inc. ($0.07/lb.) and Maven Technologies, LLC ($0.057/lb.).

CONTRACT: BUFFALO AVENUE, RECONSTRUCTION, CONSULTANT SERVICES, CLOUGH, HARBOR & ASSOCIATES, CHANGE ORDER #2

Agenda Item #4

A contract for the above referenced project was awarded to Clough, Harbor & Associates, LLP (CHA), 2200 Main Place Tower, Buffalo New York on April 10, 2006 in the amount of $2,500,000.00. Change Order No. 1 was approved by City Council on January 28, 2008, in the amount of $0.00, thereby not increasing the total cost of the contract to date.

Change Order No. 2 is composed of two separate portions. The first portion is associated with the out-of-scope tasks associated with the Consultant finishing the final design and creating final construction documents. These tasks were not originally included within the Consultant’s original scope of work, but were subsequently added by the City as conditions warranted. These tasks and the associated fee for them in total are as follows:
- Radioactivity Detection/Analysis/Quantification and Remedial Action Plan
- Comprehensive Right of Way Acquisition procedures to facilitate NYSDOT Processing/Approval

Total for Real Estate Procurement Tasks $76,900.00

The second portion of this change order is for the City to add the funding for the tasks associated with Construction Contract Administration and Construction Inspection and related Direct Non-Salary Costs (DNSC) to the Consultant’s current contract.

Total for Additional Contract Administration/Construction Inspection $2,292,000.00

Therefore, it is the recommendation of the undersigned that Change Order #2 in the amount of $2,368,900.00 be approved, bringing the new contract total to $4,868,900.00. Please note that the City will receive an 80% reimbursement of all project costs from the Federal Highway Administration and an additional 15% reimbursement via the New York State’s Marchiselli Aid fund for this project.

Will the Council vote to so approve and authorize the Mayor to execute a contract in a form acceptable to the Corporation Counsel?

CONTRACT: PARKING RAMP, CONSTRUCTION MANAGEMENT/INSPECTION SERVICES, CANNON CONSTRUCTION SERVICES, AMENDMENT #1

Agenda Item #5

A contract for consultant services for the above-referenced project is currently in place with Cannon Construction Services ("Cannon CS"), 2170 Whitehaven Road, Grand Island, NY 14072 in the amount of $361,288.

This work is intended to facilitate Niagara County Community College to develop Niagara Falls Culinary Institute in a portion of the former Rainbow Centre Mall, which is scheduled to open in Fall 2012. This work has involved construction management and inspection services for Phase II of the project, which involves a large rehabilitation of City Parking Ramp II.

The project met its scheduled substantial completion date of May 15, 2012, which involved completion of all construction items to allow re-opening of the ramp for public use. It was originally scheduled for full completion on June 15, 2012, at which time all work under the contract was to be complete, including a new elevator in the southeast corner of the building. However, various delays were experienced in the completion of the new elevator lobby that affected the delivery of the elevator car to the site, resulting in an approximate one month delay by the General Trades contractor for the project (Huber Construction). Cannon CS has submitted a scope of services and fee estimate in the amount of $24,510 to continue to provide project oversight and inspection services during this period. Continuing on-site services by Cannon would also allow them to oversee additional ramp upgrades that will be financed by budget surpluses that have been realized in the base construction contract.

Funding is currently available in Capital Project Account Code H1014 (Culinary Institute/Ramp). Please note that Huber Construction has allotted up to $12,000 toward the costs of Cannon CS services in the form of a deduct change order in Huber contract with the City. The City will be fully reimbursed for the balance all costs incurred through a funding agreement with USA Niagara Development Corporation; the state funds to cover this amendment would come from the already-established contingency account to cover unforeseen costs for the Project.

Therefore, it is the recommendation of the undersigned that Contract Amendment #1 for the contract between the City of Niagara Falls and Cannon Construction Services for an amount not to exceed $24,510 be approved.

Will the Council vote to so approve and authorize the Mayor to execute a contract amendment in a form acceptable to the Corporation Council?

Council Member Anderson moved that the communication be received and filed and the recommendation approved.

OLD FALLS STREET, COBBLE MAINTENANCE/REPAIR, MOA AMENDMENT

Agenda Item #6
On February 6, 2012, the City Council authorized the Mayor to enter into a Memorandum of Agreement pertaining to the repair and maintenance of cobble paving on Old Falls Street. This approval also authorized the expenditure of $10,000.00 to purchase replacement cobble units in an area damaged by a City water main break. This cost will be reimbursed by USA Niagara Development Corporation out of remaining contingency funds for the Old Falls Street project. Upon receipt of a final cost estimate, it was determined that the actual cost for the replacement cobble units is $10,202.00 with shipping costs of $620.00, for a total of $10,822.00.

There are sufficient funds in USA Niagara's contingency account to cover the additional $822.00 over the prior authorized amount. Therefore, it is the recommendation of the undersigned that the prior Council approval be amended to authorize the City to expend a total $10,822.00 for the above-referenced cobble units, which would be reimbursed by USA Niagara.

Will the Council vote to so amend its prior approval and authorize the City to expend such additional funds?

NORTH STAR PROJECT, 2012 COOPERATIVE AGREEMENT

Agenda Item #12
It is desirable to keep the North Star Project moving so that it may be completed. Kevin Cottrell has been “on loan” from State Parks to act as Project Coordinator for this effort and is willing to continue. He will continue to be on a leave of absence from the State Parks. Pursuant to the new Cooperative Agreement with the State Parks, the State Parks will reimburse the City the sum of $75,000.00 to advance this project with those funds being used to pay Mr. Cottrell’s salary and benefits. There will be no financial contribution by the City. This $75,000.00 payment will be applied to Mr. Cottrell’s salary and benefits for the period commencing March 3, 2012 and ending March 3, 2013 or sooner if that $75,000.00 payment is exhausted. Mr. Cottrell’s salary, commencing June 12, 2012 will be the amount he would have been making had he been performing his duties at the State Parks which is the annual amount of $52,500.00, plus benefits. Mr. Cottrell advises that he is in the final phase of this project and he anticipates substantially completing the project prior to the State Parks reimbursement being exhausted. While the new proposed Cooperative Agreement with the State Parks provides for an extension up to an additional two (2) years, subject to approval by the New York State Attorney General and the Office of the State Comptroller, it is likely that Mr. Cottrell will return to State Parks when the $75,000.00 payment is exhausted.

Will the Council vote to continue the temporary Project Coordinator position, approve the State Parks grant and authorize the Mayor to execute any documents necessary to effect the same?

RESOLUTION: WALLENDA, NIK, HONORING/WELCOMING, 2012-47  
BY: ALL COUNCIL MEMBERS

Agenda Item #16  
Whereas, the Wallenda Walk at Niagara Falls will take place on Friday, June 15th, 2012 when Mr. Wallenda will attempt to transverse Niagara Falls; and  
Whereas, in July of 2011, the Niagara Falls City Council passed a resolution in support of the high wire walk across Niagara Falls and requested that Governor Cuomo review and sign the legislation before him to approve the walk. The walk was not only approved by the State of New York, but also by the Canadian government; and  
Whereas, Mr. Wallenda’s high-wire walk over Niagara Falls is the biggest event to come to Niagara Falls and we are very excited to Welcome Nik Wallenda and the attention his spotlight will bring on the long-standing allure of Niagara’s tremendous power and the draw of international attention for the Niagara region.  
Now therefore be it resolved, that the Niagara Falls City Council welcomes Nik Wallenda to the City of Niagara Falls and supports his walk across Niagara Falls which is expected to draw thousands of spectators on the U.S. and Canadian sides and boost tourism to the region leading up to and long after the historic event.  
And be it further resolved, that the Niagara Falls City Council, along with Mayor Paul A. Dyster, declares that Friday, June 15, 2012 be designated as "NIK WALLENDA DAY" in the City of Niagara Falls, New York.

RESOLUTION: TRAFFIC ORDINANCES, AMENDING, 2012-48  
BY: COUNCIL CHAIRMAN FRUSCIONE, COUNCIL MEMBERS ANDERSON, CHOOLOKIAN

Agenda Item #17  
BE IT RESOLVED, by the City Council of Niagara Falls, New York that Chapter 501 of the Codified Ordinances entitled “PART FIVE - TRAFFIC ORDINANCES CHAPTER 501 TRAFFIC GENERALLY” is hereby amended by amending Section 501.15 entitled “Bus Zone on Falls Street” to read as follows:

501.14 TOWAGE AND STORAGE FEES.  

501.15 BUS ZONE ON FALLS STREET BUS ZONES IN THE DOWNTOWN AREA  
In order to permit the loading and unloading of passenger buses, there ie hereby established reserved bus zones to be located in the downtown area as shown on the map in Section 501.15A in this Chapter.  
 on the south side of Falls Street between the crosswalk opposite Prospect Street and the intersection of Falls Street and Riverway.  
No vehicles other than passenger buses shall use these reserved zones for parking. Buses may use these zones only when such buses are parked parallel to the curb and at no more than the legal distance therefrom, and only for the purpose of discharging or taking abroad passengers and for no more than ten minutes at any time. It shall be a violation for buses to park, load or unload passengers in any area other than the reserved bus zones shown on the map in Section 501.15A. Notwithstanding the foregoing, it shall be permissible for buses to park on 2nd Street between Niagara Street and Ferry Avenue, so long as such parking is in accordance with applicable state laws and other provisions of Chapter 501.  
The City Manager Administrator shall erect cause the necessary signs and markings to be erected to carry out the provisions of this section and may provide further regulations concerning the reserved zone described above. No person shall violate the provisions of any such regulations.

06/11/2012
Nothing contained in this section shall be construed to prevent the ordinary and normal loading and unloading of passengers by any school buses or buses owned or operated by the State of New York, any municipality or transportation authority along their respective designated routes. (C.41 Cl0a, adopted 4/22/46.)

RESOLUTION: 533 TENTH STREET, REVOCATION OF HISTORIC LANDMARK STATUS
BY: COUNCIL CHAIRMAN FRUSCIONE, COUNCIL MEMBERS ANDERSON, CHOLOKIAN AND GRANDINETTI

Agenda Item #18

WHEREAS, on December 14, 2009, the City Council approved Historic Landmark status for the exterior of the Evelyn Apartments at 533 Tenth Street, Niagara Falls, New York, SBL #159.23-1-62; and
WHEREAS, the property is currently owned by Niagara Falls Memorial Medical Center; and
WHEREAS, Section 1335.05-3 of the Codified Ordinances of the City of Niagara Falls, New York provides "Upon request of all of the owners of real property previously designated an historic landmark or structure, the City Council may revoke the historic designation."

The City Council of the City of Niagara Falls, New York does find:

1. Niagara Falls Memorial Medical Center (NFMMC) is the owner of 533 Tenth Street, Niagara Falls, New York, SBL#159.23-1-62 and has requested revocation of the historic landmark designation;
2. The basis of the request is the structures on the property must be demolished to construct on the 500 block of Tenth Street a new and expanded community health center and related amenities, including a covered walkway connected to the NFMMC emergency room. Construction of this high need healthcare facility is possible through a $5 million grant to the Community Health Center of Buffalo, Inc., which currently operates the Community Health Center of Niagara in the 100 year old Hamilton B. Mizer Center at 501 Tenth Street;
3. The project will create 27 construction jobs, will create 12 new permanent full-time jobs and will retain 14 permanent full-time jobs.

NOW, THEREFORE, BE IT RESOLVED, that the historic landmark designation of the exterior of 533 Tenth Street, Niagara Falls, New York, SBL#159.23-1-62, is hereby REVOKED, and
BE IT FURTHER RESOLVED, that upon approval of this revocation as provided in City Codified Ordinance Section 1335.05-3(A), the City Clerk shall file notice of the revocation with the Niagara County Clerk, the New York State Historic Preservation Officer, the City Assessor's Office, and the Niagara Falls Planning Board.

THE FOLLOWING COMMUNICATIONS WERE SUBMITTED BY THE MAYOR

1667 LINWOOD AVENUE, LEASE EXTENSION AND RENT INCREASE

Agenda Item #2

In 2008, City Council approved a lease for 1667 Linwood Avenue at $750.00 per month plus utilities. Since March 1, 2008, the building has been used as a police substation and resource center by community groups such as the Niagara Falls Block Club Council. Community Development funds have paid the rent and utility costs.

On January 1, 2010, the rent increased to $800.00 per month plus utilities. The building is well-maintained and has been extensively utilized by the Police Department and Block Clubs.

The landlord has requested a rent increase to $850.00 per month plus utilities. The new rent would start July 1, 2012 and the new lease would be effective through June 30, 2013. Funds will be available to pay for this from the 2012 CDBG grant, and will be paid from Community Development budget line CD1.8676.0000.0450.500 CPS051.

Will the Council vote to approve the lease extension and rent increase as set forth herein, and authorize the Mayor to execute any documents necessary to effectuate the same?

Council Member Anderson moved that the communication be received and filed and the recommendation approved.

City Administrator Donna Owens said that Council Member Grandinetti was not at the Meeting due to the death of her sister, and asked those present to observe a Moment of Silence.

In the Administrative Update, City Administrator Donna Owens reported year to date travel expenses for the various City Departments, and said that this information was being used to formulate the 2013 Budget. She read a list of the expenses and explained them, and will provide the written report to the Council. Chairman Fruscione asked City Controller Maria Brown to provide a report to the Council of Travel and Training expenses for all Departments, year to date, for 2012 and 2011.

Chairman Fruscione questioned the use of a City credit card for travel expenses and then the City being reimbursed for the charges to the credit card, and said that this cannot be done.

Mayor Paul Dyster thanked the Council and the Controller for finding the funds for the Hard Rock Concerts.

Council Member Anderson noted that the Trolley uses 72nd and 77th Streets on its route, and STOP signs need to be placed on Edison and Perry Avenues. Chairman Fruscione asked Deputy Director of Parks and Public Works John Caso to look into this, and Mr. Caso replied that the request must first go to the Traffic Advisory Commission. Mayor Dyster added that he will look into this.

Council Member Anderson also noted to Administrative Police Captain John DeMarco the number of persons he has seen who are texting while driving, and the number of persons who use handicapped parking spaces when they are not entitled to do so. The Council Member asked that persons who commit these offenses be given large fines, and Captain DeMarco said that the Department will make a concentrated effort to do so.

Council Member Walker said that he had talked to the Mayor about the various Parks in the City that are in need of equipment.

City Engineer Jeffrey Skurka gave an update on the status of the crossing light in front of the Como Restaurant. He said that he had met with a representative from the Como, who expressed concerns about loss of parking spaces in front of the restaurant, and Mr. Skurka said that a revised plan was developed.
Mrs. Brown responded to Council Member Choolokian that a reorganization in her Department would result in a savings since, although both positions were the same grade, the person who was retiring had 30 years of service with the City, and person who would fill the position only has a few years with the City (Agenda Item #3).

Council Member Choolokian moved to remove from the table a communication relative to funding for the African American Family Festival Celebration, which was tabled at the June 25, 2012 Meeting.

CITY CONTROLLER, REORGANIZATION

Agenda Item #3

As a result of a retirement, the City Controller has an opportunity to amend the office organizational chart to reclassify an Administrative Assistant position (Grade 19) to an Auditor position (Grade 19). The Auditor position is more flexible to the financial and budget work that must be performed in the department. The Auditor may also work as a back up in payroll. Because of the seniority of the retiring Administrative Assistant, the savings on an annual basis to the City will be $22,426.86. Attached is a reclassification spreadsheet (on file in the City Clerk’s Office).

The Civil Service Commission has approved this change. This change will be effective July 28, 2012.

Will the Council so approve?

Agenda Item #6

On February 6, 2012 the City Council passed a resolution directing the City Engineer “to take whatever steps necessary, including retaining the services of an Engineer who specializes in the installation of traffic control devices such as signals, expeditiously install a traffic signal in the vicinity of 2200 Pine Avenue, Niagara Falls New York.” Given that directive the City Engineer interviewed several Traffic Engineering firms and based upon the objectives outlined by the City Council it was determined that Urban Engineers of New York, PC would best meet the criteria defined and Urban Engineers provided a professional services agreement in a form acceptable to the Corporation Council that was then signed by Mayor Dyster.

Currently, the City Controller is requesting concurrence from the City Council before expending those funds for design services as provided by Urban Engineers.

It is the recommendation of the undersigned that fees for scoping preliminary design and final construction documents and design phases of this project be paid to Urban Engineers of New York, PC at its Proposal Price of $10,500.00 as they complete the design phases of the project outlined in their proposal. Funding is available through Funding Code H1115.2011.1115.0449.599. Agenda Item #7

At its December 12, 2011 meeting, the City Council appropriated $25,500.00 from the Special Projects Fund Balance for the above referenced project. The City Administration, with the approval of the City Council, then entered into agreement with LiRo Engineers. They have since completed the work by providing plans and specifications for the demolition of the pedestrian walkway. Because of an oversight the funds allocated were charged against the Consultant Line of the 2011 Engineering Department Budget.

The total cost for the related consulting engineering services for the project was not to exceed the $25,500.00 design budget which included updating the asbestos survey, design work, bidding specification and award and project monitoring for asbestos. Since a portion of the work was completed and the payment request made in 2012 for the Consultant Line fund from the 2011 Engineering Budget cannot be used, those funds went back to the General Fund Balance.

Since the project was never awarded and the balance due, LiRo is requesting $19,750.00. Currently, funds that were set aside for the demolition of the walkway can be used for the consultant services provided by LiRo Engineers.

Therefore, it is the recommendation of the undersigned that fees for updating the asbestos survey, design work, bidding specification and award and project monitoring for asbestos be paid to LiRo Engineer, Inc. for $19,750.00 as they completed the design phases of the project outlined in their proposal.

Will the Council vote to so approve and authorize the City Controller to expend funds as allocated to Urban Engineers of New York of New York?

CONTRACT: RAINBOW CENTER MALL PARKING RAMP, RENOVATIONS AND REHABILITATION, PHASE II, J.R. SWANSON CONSTRUCTION INC., CHANGE ORDER

Agenda Item #9
A contract for the above referenced project was awarded to J.R. Swanson Co. on September 19, 2011 in the amount of $249,940.00. Subsequent to the start of the project, the Contractor has encountered some substantial items which constitute a change in conditions that were not included in the initial scope of this contract.

Issue 1: Work Change Directive #005 - Re-testing of 6 stacks $2,048.35
JR Swanson was directed to replace rises at the following locations: Stack B, Stack C, Stack D, Stack H, Stack I, and Stack L. Re-testing of the stacks is required at these 6 locations that received repairs.
Issue 2: Work Change Directive #008 – Stack K Repairs

On 11/14/11, Swanson performed an airt test on Stack K. The test failed and Swanson attempted to soap up the entire stack to locate any and all leaks. No leaks were able to be found during the soap test. Per review of the stack with Urban Engineers and the City of Niagara Falls Engineer, it appears that the fitting on level 4 (just below ceiling) might be compromised. Proceed with the work to remove this fitting, examine the existing conditions and replace with a new fitting.

Issue 3: Work Change Directive #009 – Leaking Floor Drain Above Store

The 6" stack at column A was unable to hold the air pressure test. The line was plugged inside the store and filled with water from the 1st floor drain above the store (drain A4). Upon performing the water test at drain A4, it was found that the drain was leaking. The work was completed to repair the piping to drain A4 above the store.

Issue 4: Work Change Directive #012 – Drain Clean-Out at Ground Floor Entrance

It was discovered that the existing floor drain at the ground level Helix area, located at the circle, was found to be plugged at the start of the project. Proceed with unplugging and cleaning out of the existing drain to allow for proper drainage of the area.

Issue 5: Work Change Directive #013 – Drain Repairs at Ground Floor of Helix

This work was added in order to repair the drain at the ground floor of the helix which included excavation/backfill, fabric, piping, stone, and concrete.

Issue 6: Work Change Directive #014 – Additional drain clean out on 3 & 5

During the testing of stacks H and G, it was discovered that the drains were plugged with debris on both the third and fifth floor. The contractor was directed to proceed on the drain clean out on the 3rd and 5th floors at Stacks H and G.

Issue 7: Work Change Directive #015 – Add hanger at storm stack F

Upon further investigation, the current conditions at the expansion joints on levels 4 and 4 required additional and modified scope of work.

Issue 8: Work Change Directive #016 – Credit for unused allowances

This work change directive was issued in order to recoup back unused allowances.

In all, there is a credit via this change order for the issues noted above are (119,281.62).

Will the Council vote to so approve and authorize the Mayor to execute a contract in a form acceptable to the Corporation Counsel?

CONTRACT: RAINBOW CENTER MALL PARKING RAMP, RENOVATIONS AND REHABILITATION, PHASE II, HUBER CONSTRUCTION INC., CHANGE ORDER

Agenda Item #10

A contract for the above referenced project was awarded to Huber Construction Inc. on September 19, 2011 in the amount of $6,309,000.00. Subsequent to the start of the project, the Contractor has encountered some substantial items which constitute a change in conditions that were not included in the initial scope of this contract.

Issue 1: Work Change Directive #003 – Use of 10-60 Expansion Joints

($107,667.69)
This work was performed in order to install BASF 10-60 Structural Repair Mortar in lieu of the specified Wabocrete Elastomeric concrete at the following expansion joints: Level 3 - Gridlines 10.2, H & Q and Level 4 - Gridlines 10.2, H & Q east of 10.2. This is a credit work change directive.

Issue 2: Work Change Directive #004 - 2 Additional Skylights and Tube Steel $14,093.04
This work was performed in order to install two (2) new additional skylights and include the steel framing south of Q-line. Change the elevation of the tube steel support, lowering it to the bottom of the panel elevation and add wood blocking at the top of the tube steel. Per Addendum #01.

Issue 3: Work Change Directive #005 - Detail for Roof Skylight $13,857.50
This work was added in order to add steel, strapping and panel at the Eave/Soffit and Endwall in order to add proper support.

Issue 4: Work Change Directive #009 - Waterproof Membrane on Level 3 $45,620.77
It was discovered during construction that there is an existing waterproof membrane between the concrete precast and topping on level 3, which did not show on the Contract Documents. The additional work was added in order to replace the membrane in kind at all concrete patch locations within level 3.

Issue 5: Work Change Directive #012 - SJB Cost for Additional Services ($850.00)
This change is being issued to deduct the cost associated with SJB's additional inspection services for Saturday, 1/28/12. This is a credit change directive.

Issue 6: Work Change Directive #014 - Light Pole Base at Column S-4.1 $2,876.16
The contract drawings called to have the existing light pole removed at column line S-4.1 (level 5) and a new light pole to be installed on the existing base. The existing base that was called to be re-used has been modified and used by the NCCC project for the installation of their steel and can no longer be used for the light pole. The scope of work is to create a new light post pedestal.

Issue 7: Work Change Directive #015 - Expansion Joints on 5 and part of 4 $102,306.44
Upon further investigation, the current conditions at the expansion joints on levels 4 and 4 required additional and modified scope of work.

Issue 8: Work Change Directive #016 - Added Access Doors at Elevator $934.90
This work was performed in order to add 5 steel access doors at the new elevator lobbies in order to access the fire hose valves.

Issue 9: Work Change Directive #017 - Sleeve for Fire Protection $0.00
There wasn’t a sleeve around the fire protection line at column line B-14 within the Helix. The existing fire protection line at this location is compromised and requires to be repaired. In order to protect the piping (once it's replaced) where it passes through the slab, a sleeve must be added before the concrete patches are installed. This is a zero cost change.

Issue 10: Work Change Directive #018 - Curbs on Level 3 $1,916.48
The existing curbs on the 3rd level were found to not contain any reinforcing in them. Per the response to RFI #0079, proceed with the work to add #4 rebar in the new curbs around the columns.

07/23/2012
Issue 11: Work Change Directive #020 Quad Tee Replacement Detail Change ($4,800)
Per the contract drawings, the quad tee replacement referenced repair detail E6 on S-513. This detail called to have an 8’ section completely removed and replaced. Per returned submittal 03-9300-008, Urban Engineers issued sketch A1 which was for an alternate method for the Quad Tee Replacement. The new detail now calls for only a partial replacement, with only a 2’ section being removed and the addition of FRP wrapping for additional support. Due to this alternate method, additional pull testing will be required at (8) eight locations, to be determined by Urban Engineers. This is a credit work change directive.

Issue 12: Work Change Directive #020 -Additional Fire Extinguisher Cabinets. $4,418.00
The contract documents showed a total of 10 new fire extinguishers and cabinets to be installed during the project and a total of 19 are needed. This was issued to order 9 new fire extinguishers and cabinets at the proper locations throughout the ramp.

Issue 13: Work Change Directive #021- Base Coat at Stairwells $29,997.00
Due to the tinted anti-graffiti paint not covering the existing stains and paint in the stairwells, proceed with installing the Lexon paint as a primer under anti-graffiti coating on all stairwell walls. The contractor made sure all stains and existing paint on the walls is fully covered and not able to be seen once the finish product is installed.

Issue 14: Work Change Directive #022- Demo of Overhead Doors $16,348.73
This was issued by the City in order to demo of the overhead doors at both Rainbow Blvd Entrance and First St. This work includes removing the overhead doors and keeping the tube steel in place and painting the tube steel.

Issue 15: Work Change Directive #023- Additional Services Back charge ($12,000.00)
This is a Deduct Change Order for the Owner's costs associated with the delay in Substantial Completion. To provide costs associated with the Construction Manager being on site.

Issue 16: Work Change Directive #025- Stair #2 Path of Egress $14,896.39
This was issued in order to add a 2-hour rated wall at the bottom of Stair #2 that was demolished in Phase 1 by Apollo Steel and is needed in order to provide egress out of the ramp.

Issue 17: Work Change Directive #026- Removing steel brackets at railings $1,864.17
This work was completed in order to remove all the steel brackets at the outside railings that held up all existing signage.

This work was added in order to install an Elevator security partition in the elevator machine room due to code reasons.

Issue 19: Work Change Directive #028- Stair #3 and #7 egress and additional work $9,554.00
This work was added in order to infill doors at Stairs 3 and 7, add door hardware and ensure egress at Stairs 3 and 7 which is shared by NCCC.

Issue 20: Work Change Directive #029- Flashing at 5th level west side skylight $7,094.00
This work was completed in order to install flashing on the 5th floor at the west side of the skylight between columns O and R on 7.1 line.

Issue 21: Work Change Directive #030- Credit for Concrete Repair Work ($104,609.33)
This is a credit change order in order to recoup the money for concrete repair work that was not performed.

07/23/2012
Issue 22: Work Change Directive #031- Credit for Unused Allowances ($227,000.00)
This is a credit change order in order to recoup the money for the unused allowances.

Issue 23: Work Change Directive #032- Rescope of Sealant Joints at Stairs $0.00
In lieu of the joint replacement at the underside of the stair / landing sections, the contractor shall remove the existing sealant and backer rod at all vertical joints and all horizontal base of wall / deck joints located at the exterior precast wall panels for the stair halls on Level 5.

In lieu of the joint replacement at the underside of the stair / landing sections, the contractor shall remove the existing sealant and backer rod at all vertical joints and all horizontal base of wall / deck joints located at the exterior precast wall panels for the stair halls on Level 5.

Issue 25: Work Change Directive #035- Girder Reinforcing and Column Strengthening $27,863.88
This work was installed in order to add concrete patching at the missing girder reinforcing and adding additional FRP wrap at column on the 3rd floor shear wall.

Issue 26: Work Change Directive #036- Steel Railing at Stair #4 $9,857.21
A new steel railing was added due to the existing railing being too deteriorated to be salvaged.

Issue 27: Work Change Directive #038- Paint at new lobby’s $1,718.21
The existing precast walls at the new elevator lobby didn’t call for paint on the finish schedule. Paint was added to the precast walls to match the new masonry walls.

Issue 28: Work Change Directive #039- Patching 5” Holes for Conduits $4,436.00
This additional patching work was added in order to fill the holes of the video wiring that went through levels 3, 4 and 5.

Issue 29: Work Change Directive #040- Adding Control Joints on the 4th level $16,710.00
This additional patching work was added in order to fill the holes of the video wiring that went through levels 3, 4 and 5.

Issue 30: Work Change Directive #041- Barricading Existing Doors on Level 3 $1,306.49
This additional work was added in order to barricade the existing doors on level 3 that used to be mechanical rooms for safety reasons.
In all, there is a credit via this change order for the issues noted above are (102,781.37).

Will the Council vote to so approve and authorize the Mayor to execute a contract in a form acceptable to the Corporation Counsel? Council Member Anderson moved that the communication be received and filed and the recommendation approved.

CONTRACT: HYDE PARK ICE PAVILION, NIAGARA SPORTS TOURNAMENTS, INC.

Agenda Item #11
The City’s agreement with the entity that presently operates the Hyde Park Ice Pavilion ends on July 31, 2012. In April of this year, the City issued a request for qualifications for an entity to make a proposal to the City to either operate the Hyde Park Ice Pavilion pursuant to a license agreement with the City or a management agreement. Four entities responded to this request. City personnel reviewed each response and interviewed representatives from each entity that submitted responses. After reviewing each entity’s proposal and presentation and considering criteria such as experience, ability and financial benefit to the City, it is recommended that Niagara Sports Tournaments, Inc. (“NST”) be designated as the entity to have the opportunity to participate in negotiations with the City for a license agreement for the operation of the Hyde Park Ice Pavilion. NST’s designation as Licensee is contingent upon NST and the City agreeing on the terms and conditions to be contained in a License Agreement. Time is of the essence in moving this matter forward. In the event that discussions and a final proposed license agreement are not concluded with NST within a reasonable period of time, the City will cease negotiations and select one of the other entities that responded to the City’s request for qualifications.

The terms and conditions of any license agreement developed will be contingent upon approval of the City Council and in a form acceptable to the Corporation Counsel.

Will the Council so approve?

RESOLUTION: VACANT LOT AUCTION—“NEIGHBOR NEXT DOOR LOT AUCTION”, ESTABLISHING, 2012-59
BY: COUNCIL CHAIRMAN PRUSCIONE, COUNCIL MEMBERS ANDERSON, CHOOLOKIAN AND WALKER

Agenda Item #25
WHEREAS, The City of Niagara Falls holds public auctions to offer for sale properties in its existing inventory deemed saleable; however, these auctions are held yearly and most times, are focused on the sale usable properties; and
WHEREAS, Some vacant lots in the city are landlocked and unable to support the building of new homes because they have less than 50 feet of frontage; and
WHEREAS, Residents would like to purchase these “unbuildable” lots to be used primarily as yard space for their adjacent property; and
WHEREAS, Creating a next door lot auction will assist in the elimination of abandoned or blighted properties, spur neighborhood reinvestment, save the City in maintenance costs, put vacant unusable properties back on the tax rolls and build wealth within neighborhoods.
NOW THEREFORE BE IT RESOLVED, that the Niagara Falls City Council requests that the City of Niagara Falls conduct a landlocked vacant lot auction for vacant lots with less than 50 feet of frontage to be used as yard space or adjacent property enhancement for the adjacent property, and that adjacent property owners be given a right of first refusal to purchase the adjacent lot offered at auction; and
BE IT FURTHER RESOLVED, that a copy of this resolution be sent to the City of Niagara Falls Assessor’s Office; the Finance Office, the Law Office and the Billing and Collection office.

Agenda Item #28

Greenprint Niagara, Inc. ("Greenprint") working under the auspices of Niagara University, has proposed that it be permitted to utilize certain City owned vacant lots for community garden purposes. The Planning Department believes that the unproductive use of vacant lots will likely cause them to become unsightly and unsafe dumping grounds. A regularly tended community garden will be a much better use of this open space. Greenprint desires to lease certain vacant lots from the City on an annual basis for $1.00 for community garden purposes. The form of lease will be subject to the approval of the Corporation Counsel and will contain a Schedule “A” that will be updated annually by the City and Greenprint which will contain a list of the lots which may be utilized as community gardens. The Planning Department, on an annual basis, in discussions with Greenprint, will determine which lots will be removed from Schedule “A” and which lots will be added to Schedule “A”.

The City Council’s approval of this initiative is contingent upon approval of the Planning Board.

Will the Council so approve and authorize the Mayor to execute a Lease Agreement in form satisfactory to the Corporation Counsel?

CITY PROPERTY:  OLD FALLS ST., CULINARY INSTITUTE, AWNING ENCROACHMENTS

Agenda Item #29

The NCCC Culinary Institute Project is nearing completion. NCCC wishes to locate certain awnings on the façade of its building facing Old Falls Street. These awnings will encroach onto Old Falls Street at elevations above the sidewalk. The Planning Board will be considering these encroachments during its meeting on July 25, 2012.

Attached hereto (on file in the City Clerk’s Office) is a summary of the awnings that are intended to be installed with detail pertaining to the width of each awning, the amount of the encroachment and the elevation of each together with an artist’s rendering of the appearance.

The approval of the awning encroachments will require NCCC to indemnify the City, will allow the City to direct the removal of these encroaching awnings on 60 days notice and will require that the City be insured by NCCC.

Contingent upon a favorable recommendation from the City’s Planning Board, will the Council so approve?

RESOLUTION: "SIGNS AND BILLBOARDS", ORDINANCE AMENDMENT, 2012-63
BY: COUNCIL CHAIRMAN FRUSCIONE, COUNCIL MEMBERS ANDERSON AND CHOOLOKIAN

Agenda Item #32

BE IT RESOLVED, by the City Council of Niagara Falls, New York
that Chapter 1121 of the Codified Ordinances entitled "SIGNS AND
BILLBOARDS" is hereby amended by amending Section 1121.07 entitled
"PROHIBITED SIGNS" to read as follows:

1121.07 PROHIBITED SIGNS

The following types of signs are expressly prohibited in all
districts, except as otherwise provided by this code:

A. Miscellaneous Signs and Posters.

B. Abandoned Signs.

C. Signs on Moving Vehicles.

D. Public Areas

E. Banners

F. "A" Frames.

1. "A" frame or sandwich board, sidewalk or curb signs
are prohibited, except as described in paragraph 2 of
this section (Amended 4/18/06)

2. Signs described in Paragraph 1 above will be permitted
in a commercial or industrial district. No more than
one such sign may be displayed at a premises, unless
said premises fronts more than one street, in which case
one such sign may be placed in front of the premises on
each side of the premises which fronts a street. The
sign will display the name and/or address of the
premises as contained on the permit application. Such
signs shall be of sturdy and workmanlike steel
construction and shall be no higher than forty eight inches (48") and no wider than twenty one inches (21")
and shall weigh no less than twenty (20) pounds. The permit fee for each sign shall be Seventy-five Dollars ($75.00) per calendar
year. The City of Niagara Falls will be indemnified to
the fullest extent allowable under New York law and
named as an additional insured on the property or
business owner’s liability insurance in a minimum amount
of $1 Million and in a form acceptable to the Corporation
Counsel. Signs pursuant to this subdivision must be
placed so as not to interfere with ingress and egress to
vehicles parked along the street or to the premises and
with the passage of pedestrians on the City sidewalk.
The City Engineer, or his designee, may order sign to be
moved or removed if, in his determination, it interferes
with ingress and egress and/or the safe flow of
pedestrians on the sidewalk or otherwise unsafe to the
public. (Added 04/18/06; amended 11/30/11)

RESOLUTION: NIK WALLENDA EVENT, COST INCURRED, 2012-64
BY: COUNCIL CHAIRMAN FRUSCIONE, COUNCIL MEMBERS ANDERSON, CHOOLOKIAN AND WALKER

Agenda Item #33
WHEREAS, the Nik Wallenda wire walk across the Horseshoe Falls on June 15, 2012 was a spectacular event which drew national and international attention to the City of Niagara Falls and the entire region; and
WHEREAS, thousands of people visited the City of Niagara Falls to view the wire walk personally and millions watched it on television; and
WHEREAS, the City of Niagara Falls enjoyed numerous direct and indirect economic benefits as a result of the Nik Wallenda wire walk on June 15, 2012; and
WHEREAS, this City Council has been advised that the total amount of overtime for Police and Fire personnel to support the Wallenda event on June 15, 2012 totaled $42,653.31 and that a donation toward this cost was made by First Niagara Bank in the amount of $17,500.00 leaving a balance due of $25,153.31; and
WHEREAS, Nik Wallenda has been considering locating some type of Wallenda family circus type attraction in the City of Niagara Falls, New York and may decide against doing so if he is in conflict with the City’s administration; and
WHEREAS, all things considered, this City Council feels strongly that the City administration should not pursue attempts to collect this balance due of $25,153.31 from Nik Wallenda or anyone else.

NOW, THEREFORE, BE IT RESOLVED, that this City Council finds that the Nik Wallenda event on June 15, 2012 produced direct and indirect economic benefits to the City of Niagara Falls that far exceeded the sum of $25,153.31; and
BE IT FURTHER RESOLVED, that the City Council believes that Nik Wallenda may be more inclined to locate a Wallenda family circus type attraction in the City of Niagara Falls, New York if he is not in conflict with the City’s administration; and
BE IT FURTHER RESOLVED, this City Council directs the City’s administration not to collect this balance due from Nik Wallenda or anyone else.

In the Administrative Update:

1. City Engineer Jeffrey Skurka reported that bids for the Lewiston Road Project would be opened on Thursday, and construction would be started as soon as possible.

2. Seth Piccirillo, Director of Community Development, gave a presentation on demolitions. He noted that each demolition costs approximately $22,000, and a total of 43 demolitions are budgeted for 2013. He also spoke on Isaiah 61, a Faith based non-profit group to rehab homes in a targeted area using students of the BOCES Program.

Mayor Paul Dyster spoke on a Press Conference he had attended concerning $25M in improvements for 3 Sisters Island and Luna Island, and approval of the Niagara Falls National Heritage Area Commission Plan. He also informed the Council Members that he had been invited to attend the Democratic National Convention in Charlotte, NC.

Corporation Counsel Craig Johnson distributed copies of a communication to be added to the Agenda relative funding for training for the new Landlord Licensing Clerk.

Council Member Grandinetti moved to add the communication to the Agenda.

MOTION TO ADD COMMUNICATION TO AGENDA APPROVED

The communication was added to the Agenda as #29.

Council Member Grandinetti asked if advertising signage at the Golf Course would be on a temporary basis (Agenda Item #5), and Purchasing Agent Dean Spring replied that it would be for three years, and this was done as a means to generate revenue.

Council Member Anderson noted to Mayor Dyster that the additional STOP signs he had requested on 72nd and 77th Streets on the Trolley route still had not been installed. The Mayor responded that there was a process to accomplish this, and he thought it had been done.

Council Member Anderson inquired about the number of properties on the demolition list in the City, and Acting Building Commissioner Dennis Virtuoso responded “too many”.

This Session ended at 4:30 PM
Chairman Fruscione reconvened the Meeting at 7:02 p.m. in the Council Chambers with all Council Members present except Council Member Walker, who was absent. The Prayer was said by Council Member Anderson and the Chairman led the gathering in the Pledge of Allegiance to the Flag.

The Chairman asked if anyone wished to speak on Agenda Items or Community Interests, and the following spoke:

Ron Anderluh  Thanks to DPW & CD for Picnic Shelter at Gill Creek Park; asked for additional funding in 2013 Budget for Playground Equipment at Gill Creek Park; cameras and Police patrol at Parks; 19th St. Club opening

Tim McSweeney  Return land to City from 2003 Land Transfer to build single family homes & Project was not completed; no funding for contracts without financial accountability; 2013 Budget should include a 3 year financial plan

Ken Hamilton  City should plow New Jersey Ave. for Home Owners; Names are being inscribed on Veterans Monument, thanks for Council support; Employers should honor their Employees who are Veterans by paying to have their names inscribed on Monument

Carmine Bianco  Looking for information about being Chairman of the Pine Ave. Italian Festival

Agenda Item #4

Construction is about to begin on the renovation of Hotel Niagara. The contractor has requested the temporary use of the City First Street Lot (First Street and Buffalo Avenue) for construction staging. The use will commence on September 17, and run through June 1, 2013. The use can be extended beyond that date on approval of the City Council.

The contractor will be allowed to place temporary fencing along the center barricade, and to secure and use the east half of the parking lot. Temporary construction trailers will be placed on the lot, and the area will be used for equipment and material storage.

The contractor will make arrangements with Niagara Grid for electricity, as the City has no electric service in the area. The contractor will indemnify the City against all damage and injury, and will insure the City against property damage and personal injury under the standard City insurance requirements (generally bodily injury and property damage of $1,500,000.00 per occurrence and $3,000,000.00 annual aggregate). Upon completion of the use, the contractor will restore the area to its original condition.

The fencing will remove about 55 parking spaces from public use predominately during the off season. The City does not staff the lot during the off season. The contractor will pay to the City, in advance, $500.00 per month for use of the lot.

Will the Council vote to approve the temporary use of the First Street Lot as set forth herein, and authorize the Mayor to execute any documents necessary to effectuate the same?

Council Member Anderson moved that the communication be received and the recommendation approved.

CONTRACT: 97TH ST RECONSTRUCTION/WATER MAIN REPLACEMENT PROJECT, CATCO CONSTRUCTION, CHANGE ORDER #1

Agenda Item #8
A contract for the above referenced project was awarded to CATCO Construction, 1266 Townline Road, Alden, New York 14004, in the amount of $1,223,678.00

Subsequent to the start of the project, rock removal related to drainage structure installations and undercutting necessitated by poor soil conditions were encountered by the contractor. Neither of these tasks were a portion of the project’s original scope of work. The cost associated with these extra tasks, and the addition of extra sidewalk replacement, is $88,952.70. However, under runs in bid item quantities elsewhere in this project will allow the additional tasks noted above to be performed with no increase to the original contract total ($0.00 net change).

**CONTRACT:  CUSTOMHOUSE RESTORATION PROJECT, ELECTRICAL CONTRACTOR, INDUSTRIAL POWER & LIGHTING, CHANGE ORDER #2**

Agenda Item #12
A contract for the above referenced project was awarded to Industrial Power and Lighting, 701 Seneca Street, Buffalo New York 14210, on July 8, 2010 in the amount of $139,000.00.

On July 18, 2011 the City Council approved Change Order #1 in the amount of $388.00

IPL is requesting a change order for $29,000.00 for an extensive delay claim based upon the fact that Reslerits, the general contractor, did not complete the installation of interior plaster, windows and doors on time. IPL had no control over the general contractors schedule and although no fault of their own attempted to mitigate the delay cost.

At this time IPL has not been able to reach final completion due to the general contractor’s refusal to replace a defective door hinge but once that issue is resolved, IPL will commission the security system and be able to close out their contract.

09/04/2012
Through the efforts of the City’s Legal Department and the Construction Managers at Wendel, they were able to negotiate what is believed to be a fair agreed upon amount to resolve all outstanding claims by IPL.

With the approval of this Change Order #2 the total contract with IPL will be $168,388.00. It is the recommendation of the undersigned that Change Order #2 be approved in the amount of $29,000. Sufficient funds presently exist in Code H0401.2002.0401.0449.599.

CONTRACT:  CSX BRIDGE/RECONSTRUCTION OF MAIN ST., MARK CERRONE, CHANGE ORDER #5

Agenda Item #14
A contract for the above referenced project was awarded to Mark Cerrone, Inc. on September 23, 2010 in the amount of $4,215,484.73.

The Contractor, Mark Cerrone Inc. (MCI) has experienced several Excusable Non-Compensable delays that warrant an extension of time on the above referenced project. These delays include the following items:

- Unidentified Conduits on South Bridge. During the demolition of the existing South Bridge, the Contractor encountered buried utility conduits. These conduits were not previously identified by CSX as part of the utility screening process during design. As a result, the Contractor was unable to advance bridge demolition operations until CSX confirmed that these conduits were no longer in service. The time associated with this delay item is 16 days.

- Unidentified Conduits on North Bridge Stage 1 Demolition. During Stage 1 Demolition of the existing North Bridge, the Contractor encountered buried utility conduits. These conduits were not previously identified by CSX as part of the utility screening process during design. As a result, the Contractor was unable to advance bridge demolition operations until CSX confirmed that these conduits were no longer in service. The time associated with this delay item is 56 days.

- Non-Hazardous and Radioactive Contaminated Soils during Abutment Excavation. During Stage 1 Demolition of the existing North Bridge, the Contractor encountered radioactive contaminated waste in an area that also included non-hazardous contaminated soils. As a result, the Contractor was unable to advance abutment excavation until a monitoring protocol could be established for the combined materials. In addition, this protocol required CSX approval prior to resuming excavation operations. The time associated with this delay item is 38 days.
• Delay in Railroad Furnished Materials. In accordance with the provisions set forth in the Contract Documents relative to the coordination of the work with CSXT, the railroad is to furnish the materials associated with the Stage 2 detour for installation by the Contractor. Accordingly, the Contractor was delayed while waiting for CSX to furnish all materials required for installation of the Stage 2 detour. The time associated with this delay item is 5 days.

• Installation of the Stage 2 Detour by CSXT Forces. In accordance with the provisions set forth in the Contract Documents relative to the coordination of the work with CSXT, railroad forces are responsible for connection of the Stage2 Detour to the existing main line track. Accordingly, the Contractor was delayed while waiting for CSX to complete this connection. As a result, the Contractor was unable to advance Stage 2 demolition of the CSX Bridge. The time associated with this delay item is 11 days.

• Unidentified Conduits on North Bridge Stage 2 Demolition. During Stage 2 Demolition of the existing North Bridge, the Contractor encountered buried transite pipe utility conduits. These conduits were not previously identified by CSX as part of the utility screening process during design. As a result, the Contractor was unable to advance bridge demolition operations until CSX confirmed that these conduits were no longer in service. In addition, since these pipes consist of asbestos cement pipe, abatement must be performed in accordance with federal, state and local regulations including requirements for prior notification prior to the start of abatement work. The time associated with this delay item is 27 days.

Wendel recommends that Mark Cerrone Inc. be given an extension of 153 days to their original contracted time for completion. Since the associated delay for each of the items was Excusable, Non-Compensable, the Contractor shall entitled to an extension of time. The current Contract Completion Date was July 28, 2012. This extension would make the new time for completion December 28, 2012. This is a no cost change order.

Will the council vote to approve the extension of time for the CSX Bridge contract with Mark Cerrone Inc. to December 28, 2012?

Council Member Choolokian moved that the communication be received and filed and the recommendation approved.

RESOLUTION: 47TH STREET, REALIGNMENT OF EXISTING INDUSTRIAL RAILROAD TRACK CROSSING, 2012-68
BY: ALL COUNCIL MEMBERS

Agenda Item #23
WHEREAS, Greenpac Mill, LLC, 4400 Royal Avenue, Niagara Falls, New York is moving forward with a project that requires an existing industrial railroad track crossing 47th Street to be relocated to a place approximately 20 feet south of its existing location; and
WHEREAS, Greenpac Mill, LLC has applied to the New York State Department of Transportation for approval of the realignment of the existing industrial railroad track; and
WHEREAS, the existing industrial railroad track is located where it presently is because it previously served Sentry Metals which no longer receives rail service; and
WHEREAS, Greenpac Mill, LLC proposes to relocate the existing industrial railroad track to a location approximately 20 feet south of its current location so that it may serve the Greenpac Mill, LLC project; and
WHEREAS, the Greenpac Mill, LLC project is important to the City of Niagara Falls for a number of reasons including the fact that it is a “green” type project and will create in excess of 100 new good paying jobs in the City and is also a $400 Million plus capital investment in the community.
NOW, THEREFORE, BE IT RESOLVED, that this City Council does hereby support the relocation of the existing industrial railroad track as proposed by Greenpac Mill, LLC; and

RESOLUTION: BATH AVENUE, RENAMING DEPOT AVENUE WEST, 2012-69
BY: ALL COUNCIL MEMBERS

Agenda Item #24
WHEREAS, the first international bridge crossing between the United States of America and the Dominion of Canada took place in the Village of Suspension Bridge, New York, which subsequently consolidated with the Village of Manchester to become the City of Niagara Falls, and
WHEREAS, because the first international bridge to connect these two great nations was also a railroad bridge that created further development in both commence and passenger services between the United States and Canada; and
WHEREAS, the Government of the United States of America saw fit to establish a Customs House on Whirlpool Street and Bath Avenue to accommodate the collections of customs as a result of the suspension bridge; and
WHEREAS, the passenger railroad operators saw fit to establish a rail passenger depot nearby on a street that was created as a result of that depot and was designated as Depot Avenue; and
WHEREAS, with the growth of rail passengers visiting Niagara Falls, the rail passenger depot was subsequently relocated to downtown Niagara Falls; and
WHEREAS, the increase in the quality of the nation’s road and highway system and the greater availability of motor coach systems and personally-owned vehicles, the rail passenger depot was subsequently moved once again from downtown Niagara Falls to a location at Hyde Park Boulevard and Lockport Street; and
WHEREAS, as part of the rejuvenation of the City of Niagara Falls, the City acquired the United States Customs House for reuse once again as a United States Customs House and the establishment of a Harriet Tubman Interpretive Center as well as a part of the new passenger rail depot; and

09/04/2012
WHEREAS, with the rail passenger station returning to its former proximate location near Depot Avenue, its location now being on the nearby Bath Avenue instead of Depot Avenue, the name Depot Avenue may cause confusion to tourists, commercial transportation operators and many community members.

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Niagara Falls, New York that the City Council intends to rename the street that runs between Main Street and Whirlpool Street and is proximate to and north of the city’s new train depot now known as Bath Avenue, to be renamed Depot Avenue West to be consistent with intentions of past Councils and the original purpose of the name containing the word “Depot”; and

BE IT FURTHER RESOLVED, that the City Clerk cause to be published a Notice of the City Council’s intention to rename “Bath Avenue” as “Depot Avenue West”. Such publication shall be made once in the Niagara Gazette at least one week prior to such change taking place.

Mayor Paul Dyster spoke on the Regional Economic Development Council, and the Downtown Stabilization Grant from Empire State Development, and said that the Grant should be awarded late in the fall.

City Administrator Donna Owens informed the Council Members that she had been chosen to represent the City for the 2013 FBI Citizens Academy. She also introduced the City’s Urban Fellow, John Louis Bryant, and thanked his sponsors.

Chairman Fruscione asked Director of Public Works David Kinney to discuss his suggestions for raising revenue for the City. Mr. Kinney spoke on sponsor signs at the Golf Course, and Council Member Choolokian suggested that sponsor signs could also be used at the Ice Pavilion. Mr. Kinney also spoke on working with the New York Power Authority and others to secure funding for electric golf carts, powered by solar power, and a building to store the carts.

Chairman Fruscione asked City Controller Maria Brown if T Funds could be used to pay for cleanup of the downtown area, including overtime, and she responded that the T Fund is made up of bed tax dollars, and use of such would not impact the General Fund.

Council Member Walker asked for an update at the next Council Meeting on the Attorney General’s mandates for the City.

This Session ended at 4:30 PM

Chairman Fruscione reconvened the Meeting at 7:07 p.m. in the Council Chambers with all Council Members present. The Prayer was said by Council Member Choolokian and the Chairman led the gathering in the Pledge of Allegiance to the Flag.

The Chairman announced a Special Order of Business, a Public Hearing relative to renaming of Bath Avenue to Depot Avenue West, and asked if there were any speakers relative thereto. There were no Speakers.
The Chairman asked if anyone wished to speak on Agenda Items or Community Interests, and the following spoke:

Mayor Paul A. Dyster gave the following statement regarding the Presentation of his Proposed 2013 Budget:

As you know, the City Charter calls for the Mayor to present his proposed 2013 budget to the City Council no later than October 1st of this year.

As you also know, the State of New York and the Seneca Nation of Indians are embroiled in a dispute over an alleged violation of the exclusivity provisions in the casino compact. The Seneca Nation has withheld payments from the state, and the City has not received casino revenues for three years.

I have been working diligently with the City Controller, City Administrator and all department heads to develop a balanced budget in these very difficult financial times.

While many options have been explored and implemented in this process, I am not satisfied that all options have been exhausted. Make no mistake, this is a disaster budget, and I am trying my level best to reduce the pain to the unavoidable minimum.

The City of Niagara Falls last presented a late budget in 2001. The City of Lockport was in the same predicament in the Fall of 2010 when developing its 2011 Budget. And until the Cuomo Administration, it was unfortunately a common practice for New York State to present its budget late.

The fact is that I need more time to complete the process, and hope to have something for you at or before your next scheduled Council meeting.

I wish to thank the members of the City Council, Department heads, union leaders, city employees, members of the public, and any others that are impacted by the 2013 City of Niagara Falls budget for their patience and understanding in this matter.

The Mayor spoke on the ribbon cutting ceremony for the Culinary Institute, and thanked the Council for their support of the Project. He also gave the dates for the opening of the other stores/restaurants that are part of the Culinary Institute, and spoke on the report of the Urban Land Institute for suggested uses for the remaining space in the Rainbow Mall.
The Mayor thanked the Engineering and Law Departments for their work on getting the Lewiston Road Project moving again, and also thanked Council Member Walker for considering the proposal for advertising signs on the Golf Course.

Ruby Pulliam, Equal Employment Opportunity Officer, reported that the mandates of the Attorney General's Office have all been completed, except for the employee evaluations.

Chairman Fruscione noted that Agenda Item #7, a Resolution relative to the Budget Meeting Schedule, would be pulled from the Agenda.

Council Member Choolokian and Chairman Fruscione expressed their concern that the Council Members were left out of the Budget preparation process, and Council Member Walker inquired if the Council would be given additional time for their Budget process. A discussion followed.

Corporation Counsel Craig Johnson distributed copies of three Items to be added to the Agenda, and the Mayor asked that the Items be approved at this time, rather than waiting for the Evening Session.

Chairman Fruscione inquired about NITTEC (Agenda Item #4) and the Mayor replied that this organization maintains highway cameras and warning signs, and approval of this Item required no financial contribution from the City.

This Session ended at 4:45 PM

Chairman Fruscione reconvened the Meeting at 7:02 p.m. in the Council Chambers with all Council Members present except Council Member Walker who was absent. The Prayer was said by Council Member Grandinetti and the Chairman led the gathering in the Pledge of Allegiance to the Flag.

David Fabrizio gave an update on the Veterans’ Memorial. He reported that the New York Power Authority have given the go-ahead to purchase the electrical system; the concrete would be poured after the electrical conduit was installed, and then the fencing surrounding the Memorial could be taken down. Until those steps were completed, the Memorial was still considered a construction site and the fencing would have to remain. The dedication for the Memorial has tentatively been set for the Saturday before Veterans Day.

LEWISTON ROAD, RECONSTRUCTION, CHANGE ORDER #6

Agenda Item #11

Wendel’s original Engineering Services Agreement for the completion of the Lewiston Road project was for them to hold the NYSDOH Radiological Materials Handling License.

Since Man O’ Trees failed to complete the work and the projected needed to be rebid the NYSDOH Radiological Materials Handling License will once again need to be held by Wendel through their sub consultant, MJW Corporation. MJW Corporation will be responsible for the performance of radiological screening, monitoring and oversight required to complete the project. Additional Construction Phase Services related to this NYSDOH Radiological Services License is $159,615.00 and is required to complete the project.

Wendel solicited request for proposals from Greater Radiological Dimensions, Inc., MJW Corporation, and T.G Adams and Associates Incorporated and of the proposals received it was determined that the MJW Corporation, already being familiar with the project, would best meet the project objectives at the most economical cost.

This Change Order does not include services association with litigation. At this time there is sufficient funding in the project budget. Funding is available under Capital Code H0421.2001.0421.0453.000. Please note that this funding is from bonded funds that were originally appropriated for the 72nd Street Reconstruction Project and can be used for this purpose.

Original Contract Amount: $724,382.04
Change Order No. 1: $538,000.00 Approved by Council 07-06-04
Change Order No. 2: $112,000.00 Approved by Council 07-31-06

City Clerk
The first session of the October 15, 2012 Niagara Falls City Council Meeting was called to order by Council Chairman Samuel Fruscione at 4:06 p.m. in the Council Chambers.

Present: Council Chairman Samuel Fruscione, Council Members Robert Anderson, Glenn Choolokian, Kristen Grandinetti and Charles Walker

Also present: Mayor Paul A. Dyster, City Administrator Donna D. Owens, Corporation Counsel Craig H. Johnson, Deputy Corporation Counsel Thomas O'Donnell and City Controller Maria Brown.

Council Member Choolokian moved to approve the Minutes from the City Council Meeting of October 1, 2012 and that the communication be received and filed and the recommendation approved.

Mayor Paul Dyster noted the opening of the Café and Bakery at the Culinary Institute, and added that the Wine Boutique and Savor Restaurant would open by the end of the month. Also, the NCCC Foundation Gala would be held on October 20 at the Institute.

The Mayor also noted that the FBI Community Relations Executive Training Session for citizens would be held on November 8 at the Doris Jones Resource Center.

Chairman Fruscione asked the Mayor about the suggestions for appointments to the Library Board that had been forwarded by the Council, and the Mayor responded that he would give consideration to the suggested appointments to the Board.

Chairman Fruscione also asked Corporation Counsel Craig Johnson if some of the properties in the LaSalle area that were on the In Rem List could be discussed, and Mr. Johnson said he would do so. Council Member Walker suggested that the entire In Rem process be looked at so that all involved are working together creatively as a whole, and the City can recoup the fees involved for demolitions.

Council Member Choolokian inquired about the Proposed 2013 Budget, and the Mayor responded that he was analyzing all options before presenting a Budget to the Council that would be as accurate as possible and minimize the impact to residents and employees.

Mr. Johnson asked that Agenda Item #5, relative to the Rehabilitation/Upgrade of City Parking Ramp II, be amended to change the amount to $33,800.

Council Member Anderson moved that the amount be amended.

COMMUNITY DEVELOPMENT: 2013 ANNUAL PLAN & BUDGET

Agenda Item #3
A copy of the proposed 2013 Niagara Falls Community Development Department (CD) Action Plan is attached (on file in the City Clerk’s Office) with a detailed breakdown of program administrative costs. All Council Members received the DRAFT Action Plan via memo on October 6, 2012 and September 7, 2012, to allow ample time for review. The proposed budget is the key component of the City’s 2013 Annual Plan and Strategy, a United States Department of Housing and Urban Development (HUD) mandated planning document that assesses community needs and identifies how the City will address those needs.

10/15/2012
The 2013 Annual Plan is the end result of a lengthy, detailed, and well advertised, citizen participation process that included four neighborhood based meetings in June 2012 designed to encourage comments, suggestions, and ideas from various community groups, residents, business persons, and other interested parties. The DRAFT Action Plan was made available for public review on August 31, 2012, a public hearing was held on September 6, 2012, and a month long public comment period concluded on October 6, 2012. The public hearing reviewed the plan specifics, and a copy of the public hearing minutes is included with this agenda item. The Annual Plan is being submitted for vote at the earliest possible date, as the public comment period ended on October 6, 2012.

CD will directly administer the federal grant programs listed below. The funding levels indicated are projected revenues for 2013 that may change once U.S. Congressional funding appropriations are announced at a date to be determined.

<table>
<thead>
<tr>

<td>Section 8 Leased Housing Program</td>
<td>$3,100,000</td>
</tr>
<tr>
<td><strong>PROJECTED FEDERAL REVENUE</strong></td>
<td>$5,822,900</td>
</tr>
</tbody>
</table>

CD is cutting $135,000 in 2013 salaries and can transfer and additional $85,000 in 2013 salary costs to outside grant funding sources. CD will continue to solicit outside grant funding to further offset administrative costs. This will help pay a greater portion of employee salaries, reduce the need for general fund assistance, and protect the City from future HUD entitlement reductions. If the post April 2012 trend continues, CD will not require and general fund contribution in out years.

Moving forward, Community Development’s (CD) goal is a sustainable budget every year. The 2012 revenue to expenditure gap was $383,000. Recent CD administrative actions and the proposed 2013 budget are meant to ultimately eliminate reliance on casino revenues, whether collected or uncollected. The proposed changes also direct HUD funding to more appropriate activities.

The 2013 budget proposal requests that the City of Niagara Falls fund all Carnegie Building utility/maintenance costs ($18,300), and $75,000 of CD’s annual retirement costs, for a total of $93,300. The requested retirement contribution represents 39% of the department’s total retirement costs ($195,000). The proposed gap would be $289,070, or 75% less, than the 2012 CD administrative budget gap.

The Consolidated Plan, including the proposed budgets, must be adopted by the City Council and submitted to HUD by November 15, 2012. HUD must review and approve the Consolidated Plan in order to establish our letter of credit with the United States Treasury. There is value in early submittal, as HUD must receive and approve plans from around the Country. Therefore, Council’s approval at this time will represent the officially adopted CDBG, HOME, and Emergency Shelter budgets for FY 2013. The Section 8 Leased Housing is renewed automatically by HUD but must still be adopted at this time by the City Council.

Will the City Council vote to so approve the 2013 Annual Plan and Budget and authorize the Mayor to implement all activities specifically identified in the plan? Any activity not specifically identified in the plan will be returned to Council for approval.

CONTRACT: NF INTERNATIONAL RAILWAY STATION AMENDMENT
ENGINEERING/CONSTRUCTION SERVICES, WENDEL DUCHSCHERER, ARCHITECTS

Agenda Item #4
A contract for consultant services for the above referenced project was awarded to Wendel-Duchscherer, Architects and Engineers, Inc. (WD), 95 John Muir Drive, Suite 100, Amherst, New York by City Council on July 25, 2005 and dated January 3, 2006, which was subsequently extended on February 11, 2010 to include right-of-way services, final design, and other services associated with the above project.

Since that time, substantial “pre-obligation” requirements of the TIGER II Grant’s federal funding agency –Federal Railroad Administration and additional “pre-construction” activities have resulted in additional costs associated with the final design phase of the station project.

Additional ongoing work activities total $268,750.00. A more detailed explanation of work activities are contained the letter and services summary from Susan Sherwood, Wendel Project Manager, dated July 20, 2012, (see attached)(on file in the City Clerk’s Office).

The additional funding obligation is available under the existing NYS-DOT Supplemental Agreement No. 2 (Comptroller’s Contract No. D017307 for the NF Intermodal Transportation Center Project –PIN 5756.28). This previously approved (October 5, 2009) New York State assistance contract is for $5,176,240.00. The current contract amount with Wendel is for $3,500,000.00.

Will the Council vote to so approve and authorize the Mayor to execute a contract extension in a form acceptable to the Corporation Council?

Agenda Item #5
A contract for consultant services for the above-referenced project is was enter into by the city with Cannon Construction Services ("Cannon CS"), 2170 Whitehaven Road, Grand Island, NY 14072.

This work has involved construction management and inspection services for Phase II of the project, which involved a large rehabilitation of City Parking Ramp II. Part of the construction of the rehabilitation work required special inspections to include concrete testing and testing and inspection of a carbon fiber reinforcement rap. To streamline the required inspection, it was determined that the best way to manage and schedule the special inspection was for Canon Construction Services to enter into an agreement SJB Services Incorporated. The cost incurred by Canon Construction Services for providing those special inspections was $16,606.70 (changed to $33,800).

The City will be fully reimbursed for the balance all costs incurred through a funding agreement with USA Niagara Development Corporation; the state funds to cover this amendment would come from the already-established contingency account to cover unforeseen costs for the Project.

Therefore, it is the recommendation of the undersigned that Contract Amendment #2 for the contract between the City of Niagara Falls and Cannon Construction Services for an amount $16,606.70 (changed to $33,800) be approved.

**CONTRACT: TROY & BANKS, INC., AUDITS**

Agenda Item #6
Troy & Banks, Inc. is a professional cost management and consulting firm that conducts audits to reduce utility and telecommunications expenses. Troy & Banks, Inc. has proposed to audit the City’s bills and payments for electricity, gas, telecommunications and cable services from year 2006 through 2012. Troy & Banks, Inc. will only be paid if they recover overpayments made by the City to these various utilities. The fees charged for these services by Troy & Banks, Inc. are contained in the attached agreements (on file in the City Clerk’s Office) and vary by percentage depending upon how much money is recovered. There is no payment due Troy & Banks, Inc. if they do not recover overpayments made by the City. The agreement to audit cable T.V. franchise fees calls for the City to pay Troy & Banks, Inc. 40% of any underpayments identified and recovered. If no underpayments are identified, no fees are due Troy & Banks, Inc. The City has successfully utilized Troy and Banks, Inc. for this purpose in the past. If the Council votes to retain Troy & Banks, Inc., the audit will commence upon the execution of the agreements engaging Troy & Banks, Inc. to proceed.

WHEREAS, certain members of the Niagara County Legislature attempted to set an example, step forward and drafted a resolution (which was not adopted) eliminating a cash payment (the “opt out”) to legislators who decline the County’s health insurance benefit because they have health insurance from other sources; and

WHEREAS, City Council members currently are entitled to an opt-out payment, in lieu of accepting the City’s health insurance benefit, if they have health insurance available from other sources; and

WHEREAS, the City Council, in the spirit of teamwork, commencing January 1, 2013, hereby eliminates the opt out payment to members of the City Council, which will generate a sizable savings for the City; and

WHEREAS, the City Council is taking this action in order to save as much money as possible in an effort to avoid lay-offs of city employees; and

WHEREAS, the members of the City Council all have access to health insurance from other resources.

NOW, THEREFORE BE IT RESOLVED, that effective January 1, 2013, the City Council of the City of Niagara Falls, New York, hereby eliminates the health insurance opt out payment available for City Council members.

The City was notified on Friday, October 12, 2012 of its opportunity to participate in an out of court settlement between UBS AG ("UBS") and 25 State Attorneys General to resolve an investigation concerning alleged violations of State and Federal anti-trust laws and other laws by UBS and other providers pertaining to the sale and placement of municipal bond directives. The New York State Attorney General’s office advised during a telephone conversation that the reason the City received such a late notice is because the original notice was erroneously sent to the Town of Niagara. The urgency to take action on the participation in this settlement agreement is that all documents indicate the participation of the City must be postmarked by October 15, 2012. Should the City elect to participate in this settlement agreement, the City will be paid the sum of $1,000.00 by the claim administrator, while incurring no cost.

Will the City Council so approve and authorize the Mayor to execute any documents required to participate in this settlement?

Council Member Choolokian moved that the communication be received and filed and the recommendation approved.

Seth Piccirillo, Director of Community Development, spoke about the revised version of the Community Development Budget. The next step after Council action would be to have the Budget submitted to HUD by 11-15-12. The Budget is not set until it is approved by HUD.

Council Member Choolokian asked for an explanation of the $195,000 request for loans, grants etc. Mr. Piccirillo stated that homeowners can rehabilitate homes, and that will not affect the School Loan Program.

Mr. Piccirillo thanked the Community Development Department employees at for their dedication.

Chairman Fruscione asked all Council Members to contact Council Member Walker with their questions about the CD Budget. Council Member Choolokian asked Corporation Counsel Craig Johnson if the Community Development Department Budget can be set as a Procedure, and Mr. Johnson said that he will review this.

In the Administrative Update:

Acting Building Commissioner Dennis Virtuoso gave a year to date analysis of fees collected by the Code Enforcement Department and distributed a handout on the fees. Mr. Virtuoso stated that last year’s total fees were $656,000, and, as of October 2012, fees totaled $600,000.

Mr. Virtuoso thanked the Council for sponsoring the Sexual Predators Resolution restricting the distance of their homes from areas where there are children.

Mayor Paul Dyster gave an update on the 2013 Proposed Budget and he asked the Council to come back into Session on Thursday, November 1 at 4:00 PM for the Presentation of the Budget.

The Mayor expressed concern about the Contract from the October 15, 2012 Meeting for Wendel Engineering for the Train Station to advance the Project. The budgeted expense, per Mayor Dyster, is refundable, and Chairman Fruscione said it needs to be in writing.

Council Member Choolokian asked Senior Planner Tom DeSantis about the Train Station & where the money is coming from. Mr. DeSantis said that at the next Council Meeting an updated presentation will be discussed. Council Member Choolokian said the Council needs to have any consultants come to them first before any work is done. Mayor Dyster planned to use Casino revenues to pay the 3.2 million dollars and the City needs to find a way to cover the obligations. A discussion followed by the Mayor and the Council. Mr. DeSantis said the $268,000 is fully reimbursable and is covered by NYS Federal Contract.
Per Chairman Fruscione, the Resolution didn’t state it was reimbursable. Council Member Anderson said it was unfortunate about the Casino & Albany about the money. We need to be cautious about the money for the Train Station.
The Mayor wants the Council to look at the Resolution and make sure that it says it’s reimbursable and wants it done as early as possible. Chairman Fruscione said homeowners and tax payers would have to pay this bill.

Mayor Dyster talked about the storm situation.
Mayor Dyster pulled Agenda Item #2, Community Development Budget, Revised Version, and asked that it be removed from the table to amend and approve.
Council Member Choolokian moved that the Item be removed from the table.

COMMUNITY DEVELOPMENT: 2013 ANNUAL PLAN & BUDGET, REVISED VERSION

Agenda Item #2
THIS ITEM WAS PULLED & RENUMERED AS AGENDA ITEM #10

CONTRACT: 39TH ST. SCHOOL REMEDIATION, LIRO ENGINEERS, INC.

Agenda Item #3
In December of 2011, the Niagara County Brownfield Development Corporation (NCBD) awarded funding of $200,000, with no City funds required, to the City of Niagara Falls for asbestos abatement and remediation at the former 39th Street school (555 39th St). The City Council approved acceptance of the grant on January 9, 2012. This funding is from the United States Environmental Protection Agency (USEPA) Brownfields Program and is subject to the Cooperative Agreement between NCBD and USEPA.

Through a Request for Qualifications, the City of Niagara Falls has received nine Qualification Statements. The Planning and Environmental Office requested the top four to submit proposals for Engineering Services related to estimating, abatement, remediation, and possible demolition of the former 39th Street school site.

Below are qualified Engineering Services bids:

GRIFFON PARK, RE-FORESTATION GRANT

Agenda Item #4

Buffalo Niagara Riverkeeper has received a grant from the United States Forestry Service in the amount of $397,396 to be used for the reforestation of two (2) area waterfront parks; one (1) is located in Buffalo and the other is Griffon Park. The Griffon Park Project is proposed to be done in partnership with the City. Attached (on file in the City Clerk’s Office) hereto is a letter from Riverkeeper regarding this. Planning and design is anticipated to take place in late 2012 and early 2013 and the installation of soil, trees and shrubs will occur during the 2013 planting season. The City will be responsible for long term maintenance of these plantings. Approximately $225,826 is earmarked for Griffon Park.

The principal activity here will be to build up soil berms so that the landfill cap is not breached and plant large caliper trees at the site.

As concerns the soil, trees and shrubs, there will be no cost to the City. This proposal has been circulated to all town departments and none have identified any issues. It is anticipated that appropriate departments will be involved in the planning stages so that long term maintenance issues can be identified early and planned for.

The arrangement between the City and Riverkeeper will be memorialized in writing and will be subject to an Agreement in form and content acceptable to the Corporation Counsel.

Will the Council so approve and authorize the Mayor to execute a Memorandum of Understanding?

Council Member Anderson moved that the communication be received and filed and the recommendation approved.

RESOLUTION: CHILD PREDATORS, STRENGTHEN LAWS PROTECTING CHILDREN, 2012-81  
BY: ALL COUNCIL MEMBERS

Agenda Item #7

WHEREAS, in 2006 the City of Niagara Falls passed a local law which amended the City Charter by establishing residency and proximity restrictions in the City of Niagara Falls for sex offenders who have committed criminal offenses against minors; and

WHEREAS, the local law provided a safety zone that restricted convicted sexual predators from being within 1,500 feet of areas that have typically been safe places for children to play and congregate; and

WHEREAS, the local law protected children congregating and playing at public or non-public schools, child care facilities, parks or playgrounds; and

WHEREAS, in 2012, amid statewide legal challenges to this type local law, which have established that the state law preempts local laws, the City of Niagara Falls may have no choice but to repeal the local law it adopted in 2006 for the purpose of protecting its children; and

WHEREAS, the City of Niagara Falls City Council believes that the safety of its children is one of the primary responsibilities it has to the community it serves; and

WHEREAS, the City of Niagara Falls City Council desires New York State to strengthen its laws to protect children from sexual predators; and

NOW, THEREFORE, BE IT RESOLVED, that the Niagara Falls City Council calls upon the New York State Senate, Assembly and Governor to strengthen its law to protect children from sexual predators; and

BE IT FURTHER RESOLVED, that the City of Niagara Falls City Council calls upon the New York State Senate, Assembly and Governor to broaden the child safety zones in its legislation to a minimum of 1,500 feet; and

BE IT FURTHER RESOLVED, that copies of this resolution be forwarded to Governor Andrew M. Cuomo, Senator George D. Maziarz, Senator Mark Grisanti, Assemblyman John Ceretto and all others deemed necessary and proper.

BY: COUNCIL MEMBER CHOOLOKIAN, COUNCIL CHAIRMAN FRUSCIONE

Agenda Item #8

WHEREAS, the Seneca Gaming Compact is an agreement between New York State and the Seneca Nation of Indians; and
WHEREAS, the City of Niagara Falls is considered a “third party beneficiary” to said compact; and
WHEREAS, there is currently a dispute between New York State and the Seneca Nation of Indians where significant monies, at least $58 million, earmarked for the City of Niagara Falls has not been paid; and
WHEREAS, the absence of these monies are causing fiscal difficulty for the City of Niagara Falls; and
WHEREAS, our state legislators representing Niagara Falls have proposed legislation to allow direct payment of casino funds from the Seneca Nation of Indians to the local host municipalities; and
WHEREAS, the passing of this legislation would untangle the City of Niagara Falls from the dispute and subsequent arbitration between the State of New York and Seneca Nation of Indians; and

NOW, THEREFORE, BE IT RESOLVED, that the City of Niagara Falls does support A.9284/S.866-C which would allow direct payment from the Seneca Nation of Indians to municipalities hosting tribal casinos. Furthermore, the City of Niagara Falls urges Assembly Speaker Sheldon Silver and Senate Majority Leader Dean Skelos to bring this legislation to the floor of their chambers for a vote; and

BE IT FURTHER RESOLVED, that the City of Niagara Falls shall forward copies of this Resolution to Governor Andrew Cuomo, Senate Majority Leader Dean Skelos, Senator Mark Grisanti, Senator George Maziarz, Senator Tim Kennedy, Assembly Speaker Sheldon Silver, Assemblyman John Ceretto, Assemblyman Robin Schimminger, Assemblyman Ray Walter, Assemblywoman Anne Corwin; and

COMMUNITY DEVELOPMENT: 2013 ANNUAL PLAN & BUDGET (REVISED VERSION)

Agenda Item #10

A copy of the proposed 2013 Niagara Falls Community Development Department (CD) Action Plan is attached with a detailed breakdown of program administrative costs. The CD Action Plan was tabled by the Niagara Falls City Council at the October 15, 2012 City Council Meeting. This draft reflects revisions submitted to Seth Piccirillo, Director of Community Development, by the City Council, through Department Liaison, Councilman Charles Walker. Only the Community Development Block Grant Section of the Action Plan was revised. The first document details the original draft plan amount, the new draft amount, and the monetary change per project. The revisions were presented to CD on October 23, 2012.

All Council Members received the ORIGINAL DRAFT Action Plan via memo on October 6, 2012 and September 7, 2012, to allow ample time for review. The proposed budget is the key component of the City’s 2013 Annual Plan and Strategy, a United States Department of Housing and Urban Development (HUD) mandated planning document that assesses community needs and identifies how the City will address those needs.

The 2013 Annual Plan is the end result of a lengthy, detailed, and well advertised, citizen participation process that included four neighborhood based meetings in June 2012 designed to encourage comments, suggestions, and ideas from various community groups, residents, business persons, and other interested parties. The DRAFT Action Plan was made available for public review on August 31, 2012, a public hearing was held on September 6, 2012, and a month long public comment period concluded on October 6, 2012. The public hearing reviewed the plan specifics, and a copy of the public hearing minutes is included with this agenda item. The Annual Plan was originally submitted for vote at the earliest possible date, as the public comment period ended on October 6, 2012.

CD will directly administer the federal grant programs listed below. The funding levels indicated are projected revenues for 2013 that may change once U.S. Congressional funding appropriations are announced at a date to be determined.

</tbody>
</table>

CD is cutting $135,000 in 2013 salaries and can transfer an additional $85,000 in 2013 salary costs to outside grant funding sources. CD will continue to solicit outside grant funding to further offset administrative costs. This will help pay a greater portion of employee salaries, reduce the need for general fund assistance, and protect the City from future HUD entitlement reductions. If the post April 2012 trend continues, CD will not require and general fund contribution in out years.

Moving forward, Community Development’s (CD) goal is a sustainable budget every year. The 2012 revenue to expenditure gap was $383,000. Recent CD administrative actions and the proposed 2013 budget are meant to ultimately eliminate reliance on casino revenues, whether collected or uncollected. The proposed changes also direct HUD funding to more appropriate activities.

The 2013 budget proposal requests that the City of Niagara Falls fund all Carnegie Building utility/maintenance costs ($18,300), and $75,000 of CD’s annual retirement costs, for a total of $93,300. The requested retirement contribution represents 39% of the department’s total retirement costs ($195,000). The proposed gap would be $289,070, or 75% less, than the 2012 CD administrative budget gap.
The Consolidated Plan, including the proposed budgets, must be adopted by the City Council and submitted to HUD by November 15, 2012. HUD must review and approve the Consolidated Plan in order to establish our letter of credit with the United States Treasury. There is value in early submittal, as HUD must receive and approve plans from around the Country. Therefore, Council’s approval at this time will represent the officially adopted CDBG, HOME, and Emergency Shelter budgets for FY 2013. The Section 8 Leased Housing is renewed automatically by HUD but must still be adopted at this time by the City Council.

Will the City Council vote to so approve the 2013 Annual Plan and Budget and authorize the Mayor to implement all activities specifically identified in the plan? Any activity not specifically identified in the plan will be returned to Council for approval.

Carol A. Antonucci
City Clerk
The first session of the November 13, 2012 Niagara Falls City Council Meeting was called to order by Council Chairman Samuel Fruscione at 4:03 p.m. in the Council Chambers.

Present: Council Chairman Samuel Fruscione, Council Members Robert Anderson, Glenn Choolokian, Kristen Grandinetti and Charles Walker

Also present: Mayor Paul A. Dyster, Corporation Counsel Craig H. Johnson, Deputy Corporation Counsel Thomas O’Donnell.

Fire Chief Tom Colangelo spoke on the response of Captains Zona and Lucantonio of his Department and Janet Ligammari, a private citizen, during an emergency situation at an Awards Dinner at the Cristoforo Colombo Society. Council Member Kristen Grandinetti presented each of the three with a copy of the Council Resolution recognizing them for their quick and professional response, and Mayor Paul Dyster also thanked them on behalf of the City.

Jim Haid, Project Coordinator for the Isaiah 61 Project, gave an update. He noted that the Project provides job training in the construction trades to rehab vacant/abandoned houses for sale to low to middle income families, and requested the Council’s support for Agenda Item #4.

Senior Planner Thomas DeSantis and Susan Sherwood, Project Manager for Wendel Duchscherer, spoke on the progress of the International Railway Station and Intermodal Transportation Center Project. They noted that Phase I has been completed, Phase II should be completed in the spring of 2013, and Phase III is underway. A lengthy discussion followed on the Project.

In the Administrative Update, Mayor Dyster said that:
1. Barry Snyder has been inaugurated as President of the Seneca Nation of Indians, and the Mayor will meet with him as soon as possible to discuss matters relating to the Casino funds.
2. A positive story on the Lewiston Road Project was shown on Channel 4 News last night.
3. Copies of the Memorandum on the Meeting of the Trustees of the New York Power Authority regarding the adjustment of the payment schedule for the Niagara Project have been given to the Council. Corporation Counsel Craig Johnson spoke on the difference in the amount received in payments for the remaining 44 years of the agreement, as opposed to a lump sum payment that was offered. A lengthy discussion followed. Mayor Dyster will begin meeting with the Council tomorrow to discuss the proposal and the 2013 Budget.

Mr. Johnson distributed copies of a Resolution to be added to the Agenda relative to calling for a Public Hearing on the abandonment of a portion of the alley running east-west from Third Street to Fourth Street between Rainbow Boulevard and Buffalo Avenue.

THIS ITEM WAS RECEIVED AND FILED

THE FOLLOWING COMMUNICATIONS WERE SUBMITTED BY THE MAYOR

CONTRACT:  NY INTERNATIONAL RAILWAY STATION/INTERMODAL TRANS. CENTER PROJECT, AMENDMENT, WENDEL DUCHSCHERER, ARCHITECTS

Agenda Item #2
A contract for consultant services for the above referenced project was awarded to Wendel-Duchscherer, Architects and Engineers, Inc. (WD), 140 John James Audubon Pkwy, Suite 201, Buffalo, NY 14228 by City Council on July 25, 2005 and dated January 3, 2006, which was subsequently extended on February 11, 2010 to include right-of-way services, final design, and other services associated with the above project.

Since that time, substantial “pre-obligation” requirements of the TIGER II Grant’s federal funding agency –Federal Railroad Administration and additional “pre-construction” activities have resulted in additional costs associated with the final design phase of the station project.

These ongoing and additional work activities will progress the Project through the bidding preparation before award and construction. This ongoing and additional work tasks total $268,750.00. A more detailed explanation of work activities completed and proposed are contained in the letter and services summary provided by Susan Sherwood, Wendel Project Manager, dated July 20, 2012, and made an attachment hereto (on file in the City Clerk’s Office).

The 15.6% local (non-federal) matching share of this contract amendment amount has previously been approved by Council. Those dollars are dedicated for this project. The non-local share above 15.6% is fully reimbursable under the terms of the existing NYS-DOT Supplemental Agreement No. 2 (Comptroller’s Contract No. D017307 for the NF Intermodal Transportation Center Project –PIN 5756.28), which specifically stipulates for reimbursement of expenditures, to the City, up to $4,366,856.83.
Will the Council vote to so approve and authorize the Mayor to execute a contract extension in a form acceptable to the Corporation Council?

HARD ROCK CAFÉ: RESCHEDULING OF KC AND THE SUNSHINE BAND CONCERT

Agenda Item #3

Please recall that the August 11, 2012 HRC Event featuring KC and the Sunshine Band ("KC") was cancelled mid-way through the show prior to KC taking the stage because of severe and inclement weather. The Co-Promotion Agreement dated March 13, 2012 by and between the City and HRC addresses the cancellation of an Event for reasons such as inclement weather and allows HRC the ability to "reschedule the Event with the same Artist to occur at a future date and time that is mutually agreeable to the CNF, HRC and the Artist." Discussions have taken place among the parties and two (2) future dates have emerged as dates that are mutually agreeable to all. The first mutually agreeable date is Saturday, August 10, 2013 and the second mutually agreeable date is Saturday, August 31, 2013. The preferable date is Saturday, August 10, 2013.

Since the City has already paid HRC for the cost of KC and the production fees for this Event, there will be no further cost to the City in this regard. The only cost to the City will be for City services to support this event.

Will the Council so approve?

Council Member Walker moved that the communication be received and filed and the recommendation approved.

CITY PROPERTY: 2215 WHITNEY AVE. SALE TO ISAIAH 61 PROJECT

Agenda Item #4

The City has been approached by Jim Haid, Coordinator of the Isaiah 61 Project, to acquire the City owned parcel located at 2215 Whitney Avenue, Niagara Falls, New York (the “Premises”). The City acquired the Premises in the 2011 In-Rem tax foreclosure proceeding. Attached hereto (on file in the City Clerk’s Office) is a copy of a printout from the Assessor’s office and accompanying photograph. The Isaiah 61 Project proposes to acquire the Premises from the City for the sum of $500.00 and rehab the structure in collaboration with Orleans/Niagara BOCES in a vocational training program to benefit underemployed and low income residents of the City of Niagara Falls. Attached hereto is a copy of a communication from the Isaiah 61 Project which describes its plans for the Premises (and others) and also contains a narrative about the Isaiah 61 Project.

11/13/2012
Once the Premises is successfully rehabilitated, the home will be offered for sale to a qualified low to moderate income family pursuant to HUD guidelines. The long term benefit to the City is identified as being the rehabilitation of a structure which will become a home for a qualified family rather than allowing the structure to continually deteriorate and ultimately be placed on the City’s demolition list. The immediate benefit to the City is that the City will be relieved from the burden of maintaining the Premises, inclusive of cutting the grass and paying county and school district taxes.

The Planning Board has reviewed this matter and has recommended that the Premises be sold to Isaiah 61 Project as described. Attached is a copy of the Planning Board’s recommendation.

Will the council so approve and find that the proposed sale of the Premises to Isaiah 61 Project is in the best interest of the City, that the best interest of the City will be subserved by dispensing with a sale at public auction and that the sale of the premises take place pursuant to terms and conditions contained in a contract satisfactory to the Corporation Counsel and authorize the Mayor to execute such a contract as well as any and all documents necessary to accomplish the sale?

Council Member Anderson moved that the communication be received and filed and the recommendation approved.

RESOLUTION: FIRE DEPT., RECOGNITION REGARDING THE RESUSCITATION OF A NIAGARA FALLS CITIZEN, 2012-87
BY: ALL COUNCIL MEMBERS

Agenda Item #9
WHEREAS, on October 13th, 2012, a member of the Cristoforo Colombo Society collapsed and went unresponsive during their Annual Columbian Awards Dinner; and
WHEREAS, Honorary Colombian Award winner Janet Ligammari, a registered nurse; Niagara Falls Fire Department Captain Jason Zona and fellow Fire Captain Bernard Lucantonio attended to the victim who was determined to be in cardiac arrest; and
WHEREAS, Ms. Ligammari, Captains Zona and Lucantonio provided CPR, doing rescue breathing and chest compressions to the patient while 911 was notified and the Niagara Falls Fire Department responded; and
WHEREAS, the patient, through that care, regained a pulse and consciousness upon arrival of the Fire Department. The citizen was transported to Niagara Falls Memorial Medical Center and was admitted to the ICU where he was released from within a few days, doing well.
NOW THEREFORE BE IT RESOLVED, that Niagara Falls Fire Department Captains Zona and Lucantonio and Ms. Ligammari be recognized for their heroic efforts and quick response in attending to the victim of this unfortunate incident. Thankfully, due to their professional attendance to the victim, they were able to save a life and prevent a tragic ending. Seth Piccirillo, Director of Community Development, gave an update on the Live NF/College Tuition Reimbursement Program. He noted that, to date, the Program has shown a $2 for $1 yield on the money invested in the Program; the Program received national media advertising at no cost; the Department is working with M & T Bank on mortgaging for home ownership; and, a review of applications received will begin in December, 2012. In response to the question of Chairman Sam Fruscione, Mr. Piccirillo added that the $200,000 funding for the Program did not come from the General Fund, but from URA funds.

In the Administrative Update, Mayor Paul Dyster reported that:
1. Senator Charles Schumer announced that Niagara Falls has been selected to participate in the Department of Justice Program to address Public Safety issues.
2. Lt. Governor Duffy said that the Buffalo Billion Plan is still being worked on, and money set aside for the Plan will not be diverted downtown for Hurricane Sandy repairs.

Mayor Dyster explained that Agenda Item #7, relative to an appointment to the Library Board, was to fill a vacancy, and pending the Council’s action on Agenda Item #18, a Local Law to change the number of members of the Library Board, he has other qualified candidates for appointment to the Board.

Chairman Fruscione said that the Council wants to overturn the denial of the Traffic Advisory Commission to install All Way STOP signs at various locations (Agenda Item #12), and asked Corporation Counsel Craig Johnson for his guidance in doing so.

This Session ended at 4:22 PM
Chairman Fruscione reconvened the Meeting at 7:05 p.m. in the Council Chambers with all Council Members present. The Prayer was said by Council Member Choolokian and the Chairman led the gathering in the Pledge of Allegiance to the Flag.

The Chairman called a Special Order of Business, a Public Hearing relative to Amending the City Charter relative to Article XI entitled “Public Library” and asked if there were any speakers relative hereto. There were no speakers.

The Chairman then called another Special Order of Business, a Public Hearing relative to the Abandonment of a portion of the alley running East-West from Third to Fourth Streets between Rainbow Blvd. and Buffalo Ave. and asked if there were any speakers relative hereto. The following spoke:

Frank Strangio
Ron Anderluh
Ralph Guetta

The Chairman asked if anyone wished to speak on Agenda Items or Community Interests, and the following spoke:

Ron Anderluh
Agenda Item #15
Paul Gromosiak
Asked if the Town of Niagara could give more money to the Library
Ron Anderluh

In addition Police Traffic Captain Sal Pino said speeding was not an issue in these areas. These intersections fall far short of the MUTCD Minimum Warrants for the placement of “ALL WAY” stop signs. The homeowner at Perry Avenue and 77th Street (south east corner) will be contacted to trim high hedges which could obstruct sight. Therefore the Commission denied this request.

RESOLUTION: ALLEY ABANDONMENT BETWEEN THIRD & FOURTH STS., 2012-96

BY: ALL COUNCIL MEMBERS

Agenda Item #16

WHEREAS, the City Council of the City of Niagara Falls desires to abandon a portion of the alley running east-west between Third Streets and Fourth Streets, South of Rainbow Boulevard and North of Buffalo Avenue in order to facilitate the development of the real estate; and

WHEREAS, the Planning Board of the City of Niagara Falls, at its meeting on November 14, 2012, approved the abandonment of a portion of the aforementioned alley (a copy of the Planning Board resolution is attached hereto); and

WHEREAS, the City Council did, by resolution, give notice of its intention to abandon a portion of the aforementioned alley and did direct the City Clerk to publish notice of such intention and that a public hearing would be held by the City Council at its meeting to be held in the Council Chambers on November 26, 2012 at 7:00 p.m. standard daylight time and advise that all persons interested would be heard there on that said time and place; and

WHEREAS, the hearing was duly held on November 26, 2012 at 7:00 p.m. standard daylight time in regards to said abandonment.

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Niagara Falls, New York, that a portion of the alley running east-west between Third Street and Fourth Street, South of Rainbow Boulevard and North of Buffalo Avenue is hereby abandoned, the said abandoned alley portion subject, however, to reservation of right of and for the City of Niagara Falls, the Niagara Falls Water Board and any utility companies, their successors and assigns to use, maintain, repair, replace and continue to maintain their services and operations in said abandoned alley. The said alley portion is bounded and described as follows:

Commencing at the point of intersection of the south line of the alley running east-west between Third and Fourth Streets, south of Rainbow Boulevard and north of Buffalo Avenue with the west line of Fourth Street; thence westerly along the south line of said alley a distance of 217.8 feet to a point, which is also the point of intersection, of said south line with the west line of SBL 159.53-1-12.2; thence north at a 90 degree angle a distance of 27 feet to a point on the north line of said alley, thence easterly to the point of intersection of said north alley line with the west line of Fourth Street, thence south along the west line of Fourth Street a distance of 27 feet to the point and place of beginning; and

BE IT FURTHER RESOLVED, that the abandonment of the alley is contingent upon the successful closing of a certain real estate contract dated October 9, 2012 by the between Frank Deni and JFD Holdings LP and Plati Niagara Inc.; and

BE IT FURTHER RESOLVED, that a certified copy of this resolution be filed in the Office of the Clerk of the County of Niagara and that the Mayor may sign deeds or other documents desirable to effectuate this abandonment.

ADOPTING CHAPTER 252, 2012-83
BY: COUNCIL MEMBER CHOOLOKIAN, COUNCIL CHAIRMAN FRUSCIONE.

Agenda Item #17

In Vetoing the Ordinance, on November 13, 2012, Mayor Paul A. Dyster had the following comments:
"The enforceability of this ordinance is highly questionable. It is more likely to lead to expensive litigation than to collection of any revenue. Even if the revenues were collectible the amounts received would be insignificant compared to the millions of dollars of casino revenue owed to the City of Niagara Falls. Therefore, I have no choice but to veto this legislation."

Council Member Walker moved to Table a vote to override the Mayor’s veto.

LOCAL LAW: AMENDING THE CITY CHARTER, BOARD OF LIBRARY TRUSTEES, LOCAL LAW 2012-1

Agenda Item #18

A Local Law to amend the Niagara Falls City Charter as amended, by amending Section 294-a of Article XI by amending the Board of Library Trustees from five (5) members to not less than Five (5) members nor more than Nine (9) members.

BE IT ENACTED BY THE CITY COUNCIL OF THE CITY OF NIAGARA FALLS, NEW YORK, as follows:

Section 1. The Niagara Falls City Charter, as amended, is hereby amended by amending Section 294-a to read as follows:

ARTICLE XI

LIBRARY BOARD

SECTION 294-a. [Five] Not less than Five (5) members nor more than Nine (9) members of the Board of Library Trustees, appointed as hereinbefore provided, shall hereafter constitute the Board of Library Trustees. Subject to the provisions of this act, said Board shall have power and it shall be their duty to maintain a free public library, to provide rooms for their use, to employ librarians and other employees and to have the care and supervision of the library building and rooms and the books and other publications belonging thereto and to superintend the letting out and return thereof and to exercise the same discretion as to disposition of the moneys provided by law for the purchase of libraries as is conferred upon the inhabitants of school districts, and to elect from its members a president, clerk and such other officers as it may by resolution determine. The records of the proceedings of said Board or a transcript thereof, certified by its president and clerk, shall be received in all courts and places as prima facie evidence of the facts therein stated. (As added by L. 1917, Ch. 442; Amended L.L. 1959, No. 2.)

Section 2. This Local Law shall take effect as provided in the Municipal Home Rule Law.

Public Works Director David Kinney spoke on the plan for snow removal operations, and said that he will have 5 shifts working 24/7, and, in the event of a snow storm, will have 25 pieces of equipment on the roads.

Representatives of the Community Health Center of Buffalo reported that their Project will create 100 construction jobs, and no additional funds will be required from the City (Agenda Item #6). In the Administrative Update:

1. City Engineer Jeffrey Skurka reported that the foundation is in for the traffic light in front of the Como Restaurant, but, since, the asphalt plant is now closed, the Project will be completed in the Spring.

2. Mayor Paul Dyster spoke on Governor Cuomo’s visit to the City, and noted that: tourism is a priority industry for the area; the State will help finance a winter storage facility for the Maid of the Mist boats; the Regional Economic Development Plan is progressing. State Comptroller Thomas DiNapoli was in the City today to speak on the 2012 Fiscal Profile for the City of Niagara Falls.

3. Senior Planner Thomas DeSantis spoke on the plan for the Robert Moses Parkway South, and said the Project is scheduled to begin in 2014, and will take three to five years to complete.

4. Mayor Dyster spoke on the retirement of Council Secretary Geri Mondi, Police Superintendent John Chella and Purchasing Agent Dean Spring. He thanked them for their service to the City, and wished them well on their retirement.

Council Member Grandinetti asked about additional development and activities for the area of the Gorge where the Maid of the Mist boats would be stored. She also asked for a report at the next Council Meeting on charging special fees for City services at the State Park and Casino.

Chairman Fruscione asked when Lewiston Road would be open to Main Street, and Mr. Skurkka said that the work was weather dependent, and would be done as soon as possible.

City Controller Maria Brown reported to the Council on the final figures for the 2013 Budget after the Council’s actions on the Mayor’s vetoes.
Council Member Choolokian questioned the City’s funding for the Hard Rock Event on New Year’s Eve (Agenda Item #2), and Corporation Counsel Craig Johnson responded that the City would only be providing in-kind services (Police and Fire Protection, and DPW workers) for the Event. He also questioned the source of funding for the purchase of hot/cold patch, and Mrs. Brown responded that the source was Casino funds that had been previously received and not yet spent.

This Session ended at 4:50 PM

Chairman Fruscione reconvened the Meeting at 7:07 P.M. in the Council Chambers with all Council Members present. The Prayer was said by Council Member Grandinetti and the Chairman led the gathering in the Pledge of Allegiance to the Flag.

The Chairman asked if anyone wished to speak on Agenda Items or Community Interests, and the following spoke:

Agenda Item #1
CITY CLERK’S CLAIM REPORT FOR THE MONTH OF NOVEMBER 2012
THIS ITEM WAS RECEIVED AND FILED

THE FOLLOWING COMMUNICATIONS WERE SUBMITTED BY THE MAYOR

HARD ROCK CAFÉ, CO-SPONSORSHIP, NEW YEARS EVENT

Agenda Item #2
For the past few years, the City has co-sponsored with HRC an outdoor New Year’s Eve event which, among other things, included live music and a guitar drop. In the past, the City has not only provided support services such as police presence, emt/fire presence and portable restrooms but also a financial contribution to the event. This year, HRC has offered to promote and undertake most of the costs of the event including but not limited to payment of the performing artist fees, stage and scaffolding of the guitar drop with the City’s sponsorship participation being limited to any cost required for police presence, emt/fire presence and portable restrooms as well associated clean up. Funding is available from Tourism Fund Balance.

Will the Council so approve and authorize the Mayor to execute any documents that must be in form and content acceptable to the Corporation Counsel?

CONTRACT:  LASALLE WATERFRONT PARK, BOAT DOCKS/GANGWAYS, ANCHOR MARINE

Agenda Item #4
It is necessary to remove the boat docks and gangways from the water for the winter and store them somewhere. Anchor Marine has submitted a proposal in the total amount of $2,145.50 which is attached (on file in the City Clerk’s Office). This contemplates storage of the docks and gangways at Anchor Marine which is less expensive than storing them on site. The reason for this is that special equipment would have to be brought to the site to remove them from the water. Under the proposal, the docks and gangways will be towed to Anchor Marine. Funding for this service is available from reallocated Casino Funds in Account# H.0912.2009.0912.0449.599.
Will the Council so approve?

CONTRACT:  TRANSFER OF VARIOUS CONTRACTS FROM WENDEL DUCHSCHERER ARCHITECTS & ENGINEERS TO AUDUBON ARCHITECTURE

Agenda Item #5
As the Council is aware, Wendel Duchscherer Architects & Engineers, P.C. has contracts with the City to provide services related to the Intermodal Transportation Center, the reconstruction of NY Route 104, the replacement of the CSX Bridge over NYS Route 104, LaSalle Waterfront Park Planning Services and the Griffon Park Car Top Launch.
Wendel Duchscherer Architects & Engineers, P.C. and its related companies are undertaking corporate restructuring and have asked the City to consent to the assignment of the contracts for these projects to Audubon Architecture, Engineering, Land Surveying & Landscape Architecture P.C. This will result in no change of the services the City receives under its various agreements and at the completion of the restructuring the entity will be known as Wendel Duchscherer Architects, Engineers, Land Surveying and Landscape Architect, P.C.
Will the Council so approve and authorize the Mayor to execute the City’s consent to the attached assignment (on file in the City Clerk’s Office)?

Agenda Item #6

Community Health Center of Buffalo (CHC) has received a federal grant in the amount of $5,000,000.00 for the construction of a new health center in the City of Niagara Falls. After considering several different locations, CHC determined that the City owned lot located at 2715 Highland Avenue (the “Premises”) will be the most appropriate location for its new health center. The Premises was acquired by the City as a result of the In-Rem tax foreclosure process in 1991. CHC is proposing to pay the City the assessed value of this vacant parcel which is $14,000.00.

The construction of this new health center will not only be a welcome development in the City but will also relieve the City DPW of the obligation to maintain it. Attached (on file in the City Clerk’s Office) is a copy of the Planning Board’s approval.

The terms and conditions of sale will be contained in an Agreement to be prepared by the Corporation Counsel.

Will the Council so approve and find that the proposed sale of the premises to CHC is in the best interest of the City, that the best interest of the City will be subserved by dispensing with a sale at public auction and that the sale of the premises take place pursuant to terms and conditions contained in a contract satisfactory to the Corporation Counsel and authorize the Mayor to execute such a contract as well as any and all documents necessary to accomplish the sale?

Chairman Fruscione asked Mr. Johnson to clarify Agenda Item #7, relative to an Agreement with USA Niagara Development Corp., and Mr. Johnson explained that the Agreement was only for the management of Old Falls Street.

This Session ended at 4:30 PM

Chairman Fruscione reconvened the Meeting at 7:02 P.M. in the Council Chambers with all Council Members present. The Prayer was said by Council Member Walker and the Chairman led the gathering in the Pledge of Allegiance to the Flag.

The Chairman asked if anyone wished to speak on Agenda Items or Community Interests, and there were no speakers.

THE FOLLOWING COMMUNICATION WAS SUBMITTED BY THE CITY CLERK

Agenda Item #1
CITY CLERK’S REPORT FOR THE MONTH OF NOVEMBER 2012
THIS ITEM WAS RECEIVED AND FILED

THE FOLLOWING COMMUNICATIONS WERE SUBMITTED BY THE MAYOR

CONTRACT: TENTH STREET/cedar Avenue RECONSTRUCTION, SUPPLEMENTAL AGREEMENT, CHANGE ORDER #4, FOIT-ALBERT ASSOCIATES

Agenda Item #2
A contract for the above referenced project was awarded to Foit-Albert Associates, P.C. on May 29, 2007 in the amount of $555,000.00.

As a result of the additional professional services that were required by Foit-Albert for construction management and inspection services due to the issues related to Sue-Perior’s reluctance in executing the construction of 10th Street in a timely manner in accordance with the contract plans and specifications, the consultant incurred additional costs and is requesting a supplemental agreement for the balance of service already provided in the sum of $81,150.35.

On May 14, 2012, the City Council had approved Change Order #3, where funds were moved from the construction line to the construction inspection line to compensate the partial amount due Foit-Albert for the addition work that was required. Until construction begins again on this project, the NYSDOT will not be able to process the request for additional project funding. Currently no work has progressed on the project given pending litigation.

As was stated in the Change Order #3, it is the intent to recover these additional costs for contract administration and construction inspection services from the contractor and/or his bonding company given his non-compliance and substandard workmanship.

Also in Change Order #3, compensation for this current requested change order could also be funded by a future agreement from the New York State Department of Transportation. It will not be determined if funds would be available by the NYSDOT until construction begins again at some future date.

12/26/2012
Therefore it is the recommendation of the undersigned that Change Order #4 be approved in the amount of $81,150.35. By approving this Change Order #4 the contract total for the project would be increased to $1,685,197.35.

Funding for this change order is available in Code H0921.9901.0000.0900.H0632.

Will the Council vote to so approve and authorize the Mayor to execute a contract for a supplemental agreement to Foit-Albert Associates in a form acceptable to the Corporation Counsel?

Council Member Anderson moved that the communication be received and filed and the recommendation approved.

CONTRACT: ELEVATOR MAINTENANCE, DCB ELEVATOR COMPANY, INC.

Agenda Item #3
We respectfully request you award the above referenced bid as follows:

TO: DCB Elevator Company, Inc.
P.O. Box 426
Lewiston, NY 14092

FOR: Annual Maintenance of elevators in various City Buildings:
$42,360.00
Emergency call back service: 305.00

This is a one (1) year agreement which will renew automatically, annually for four (4) additional years unless either party gives notice of cancellation.

The City Purchasing Agent certifies that all bids were solicited in accordance with Section 103 of the General Municipal Law.

Notice that bids were to be received was advertised in the Niagara Gazette and bids were sent to five (5) vendors. Two (2) bids were received. The above referenced company submitted the lowest bid. A bid was also received from Thyssenkrupp Elevator Corp. for $87,345.48 (emergency call back service $263.00) This is a cooperative bid with the Niagara Falls Water Board. Of the above listed annual cost the Water Board will pay $8,040.00.

Funds for this expenditure are available in various City Departments, Repair to Equipment code: .0444.000.

Council Member Anderson moved that the communication be received and filed and the recommendation approved.

HARD ROCK CAFÉ, CANCELLED EVENT REIMBURSEMENT

Agenda Item #5

The August 11, 2012 HRC Event featuring KC and the Sunshine Band (the “Artist”) was cancelled during the Event because of inclement weather. The Co-Promotion Agreement entered into by and between the City and HRC allows the parties to reschedule the Event with the same Artist at a mutually convenient time for all parties or, if rescheduling the event is not able to occur, HRC will refund the City’s contribution to the cost of the Event. In this case, that contribution was $42,000.00.

HRC has been working to reschedule the Event with the Artist and during the City Council meeting held on November 13, 2012, the City Council approved the rescheduling date of the Event featuring KC and the Sunshine Band for August 10, 2013 with an alternate date of August 31, 2013. HRC is making all efforts to promote and carry out this Event as planned.

However, notwithstanding the foregoing and in an effort to eliminate any question about HRC’s performance of the terms and conditions contained in the Co-Promotion Agreement, HRC, in a gesture of corporate good will, has tendered a check made payable to the City of Niagara Falls in the amount of $42,000.00 to reimburse the City for its contribution to the cost and expenses of the cancelled Event as per the Co-Promotion Agreement.

Will the Council so approve and authorize this $42,000.00 reimbursement to be deposited into the Tourism Fund Balance?

Council Member Anderson moved that the communication be received and filed and the recommendation approved.

HARD ROCK CAFÉ, NEW YEAR’S EVE EVENT, CONTRIBUTION

Agenda Item #6

The City Council recently approved Co-sponsorship of the Hard Rock Café - New Year’s Eve Event to take place on December 31, 2012. Part of that event features a Guitar Drop down the side of the United Office Building facing Old Falls Street. The Guitar will be dropped from the 16th floor down to the 8th floor.

The City has been asked to contribute the sum of $3,500.00 towards the cost of materials and structural modifications to facilitate the guitar drop. Global Spectrum/Old Falls Street has agreed to contribute matching funds in an amount up to $3,500.00.

Funding is available from Tourism Fund Balance. Will the Council so approve?

Council Member Anderson moved that the communication be received and filed and the recommendation approved.

CONTRACT:  USA NIAGARA DEVELOPMENT CORP., OLD FALLS STREET MANAGEMENT

Agenda Item #7
As a result of severe adverse financial problems in the City which are primarily attributable to the ongoing dispute between the State and the Seneca Nation of Indians which has resulted in the City not receiving casino revenues since 2009, the City finds itself unable to fund USAN’s economic development activities, including the management of Old Falls Street. Despite this, it is proposed that USAN continue these activities without cost to the City in calendar year 2013.

Will the Council so approve and authorize the Mayor to execute an agreement pertaining to these activities in form satisfactory to the Corporation Counsel?

There being no further business to come before the Council, Chairman Fruscione adjourned the Meeting at 7:08 P.M.

Carol A. Antonucci
City Clerk
November 1, 2012

The November 1, 2012, Recessed Meeting of the Niagara Falls City Council was called to order by Council Chairman Samuel Fruscione at 4:02 p.m. in the Council Chambers.

Present: Council Chairman Samuel Fruscione, Council Members Robert Anderson, Glenn Choolokian, Kristen Grandinetti and Council Member Walker.

Also present: Mayor Paul A. Dyster, City Administrator Donna Owens, City Controller Maria Brown, Corporation Counsel Craig H. Johnson and Deputy Corporation Counsel Thomas O’Donnell.

Mayor Paul A. Dyster gave the presentation of the proposed 2013 Executive Budget for the City of Niagara Falls.

Dear Honorable Members of the Niagara Falls City Council:

Today I present to you the recommended Municipal Budget for the City of Niagara Falls for the 2013 fiscal year. As you know, the date of presentation of this year’s budget was delayed from the normal October 1st presentation date while we worked to try to minimize the negative effects of a very difficult and unprecedented situation. I thank the Council for their patience, and hope that as the presentation goes forward, Council will recognize both the extreme nature of the circumstances being addressed and the huge amount of effort expended by a lot of dedicated and creative people to try to minimize the damage. I assure Council that, as unpalatable as some of the measures presented here may seem, the overall package is a far better and less painful product than what we started with in late summer and early fall.

Our goals in this process have been three-fold. First, to safeguard our ability to deliver the most vital City services to our residents even if this requires sacrifices in other areas. Second, to protect, as much as possible, the jobs of our dedicated City employees, who have done nothing but work faithfully to serve the public. And third, to minimize taxes for the residents and businesses who foot the bill.

Over the last several years, the City has charted a course designed to provide the highest possible level of services while creating conditions required for future economic growth. We fully concur with Governor Andrew Cuomo’s assessment that “New York has no future as the tax capital of the nation,” and so we have worked tirelessly to keep expenses and thus taxes down. At the same time, we have made certain that we keep making the investments needed in infrastructure and economic development to ensure future job creation and business formation. We have scored some notable successes in spite of the effects of the recession that began to set in in only the third month of my administration, and kept key projects, with big payoffs in jobs and investment, moving forward to completion.

Through sound fiscal management and self-imposed discipline, the City succeeded in preserving financial stability through the last several years in spite of a great deal of turbulence in the State and National economies. Looking into an uncertain future, we began a series of austerity measures as early as late spring of 2008.
Throughout the first several years of my administration, we were able to control and in some cases reduce spending in the current budget year, generating fund balance to be re-appropriated for subsequent budgets. Through much of 2010 and 2011, we operated under a spending freeze, avoiding non-essential spending across budget account lines and trying to hold the line on upgrades and raises even when we knew they were well-deserved; that strategy was employed again in 2012. For several years, we built up Special Project Fund balance, created initially to fund critical projects in the face of declining State AIM aid. For example, we avoided budgeting non-recurring revenues like street sales and instead took the revenue to fund balance. We generated over $10 million in savings through 2009 and 2010, so that even after using part of the funds for major paving and other capital projects, we started 2011 with approximately $20 million on hand to deal with emerging threats. Confident as recently as last November that a resolution to the casino revenues impasse was imminent, we resolved to use these funds to cover for the missing casino revenues in paying debt service or bills for ongoing projects in order to keep these expenses off the backs of taxpayers. It was a great strategy—but we could not have predicted that the State-Seneca impasse would continue for three years, draining the City of its reserves and creating a full-blown cash flow crunch warning at the beginning of April of this year.

Throughout some very intense cash-flow efforts, we will make our contractual obligations through the end of 2012.

Over the last half-dozen years, the City of Niagara Falls has consistently been among the most fiscally-disciplined municipalities in the State when it comes to keeping the tax levy down. Our 2006 levy—the total amount of property taxes collected from both residential and business taxpayers—was $28,080,951. The 2012 tax levy—the total amount of property taxes we collected to run the government this year—is $27,975,901. Yes, that’s right, $105,050 LESS than what was collected to run the City government six years ago, when total expenses were only $67,207,152—almost $20 million less than today. For the entire period of my first term in office, from 2008 to 2012, the levy increased only about 1/2% per year—far less than the rate of inflation, and a quarter of what would have been allowed even under a 2% tax cap. But while we were fighting to keep taxes down, everything else was going up.

First, wages went up. Our contractual obligation increased by over $1.5 million from 2010 to 2011, by over $1.7 million from 2011 to 2012, and we estimate by another $1.1 million from 2012 to 2013. Note that we are still “out of contract” with many of our unions, and could see arbitration or other increases in future years. The majority of our wage increases are in public safety, where we are subject to compulsory arbitration to set wage adjustment standards. Earlier in the administration, with the full support of the Council and the taxpaying public, we expanded front-line manpower in Police and Fire using federal COPS and SAFER grants. I don’t regret that in the least, but it has ongoing implications for our manpower levels and hence costs in those departments.

The COPS grant, implemented in July 2010, allowed us to add five positions to the 145 member department, bringing it up to 150 officers. The grant requires us to maintain this level of manning through the three years of the grant plus one year after, or until July 30, 2014. The SAFER grant, implemented in October 2008, helped us to hire 8 additional firefighters to increase the daily staffing level from 24 to 27 firefighters. It requires us to retain the firefighters hired for one year after the federal monies expire, or until October 2013.

Second, pension expenses had already increased about $1.3 million from 2010 to 2011 as a result of lower returns on the fund’s Wall Street investments. Last year, facing an additional increase of about $640,000 in Employee Retirement System (ERS) retirement costs and over $1.7 million in police and fire retirement (over $2.4 million total), we amortized the cost over ten years. As a result of good bond ratings, we are able to finance this at 3.75% interest without bond costs. This reduced our 2012 cost for ERS to about $150,000 less than the 2011 budget. By using an amortization strategy essentially similar to the flattening strategy that the State Comptroller’s Office used in 2008 to deal with the initial shock to Wall Street, we reduced 2012 outlay for pension costs by over $1.6 million. We will use that strategy
again this year. From ERS costs of $1,548,323 for 2012, we will go to an estimated $1,974,214 for 2013 with amortization, an increase of $425,891. Without amortizing, that cost would be $3,016,460—that’s a huge savings in taxes and/or jobs. Similarly, police and fire retirement will be $5,382,215; without amortizing they would total $6,936,111.

Our third major area of concern is health care costs. We’ve taken steps to address this potentially explosive area of concern. We switched to self-insurance and changed brokers in 2009 (and will keep an eye open for potential savings in the future), but still saw a $1.25 million increase from 2010 to 2011 driven largely by retiree health care costs. We had to budget over $600,000 in 2012 to cover this year’s increase. Implementing the “Forever Blue” program helped us avoid additional costs in retiree coverage, and the continued work of the Task Force for a Healthier Niagara Falls is designed to help everyone—including our employees and retirees—improve care and reduce costs by moving to increased use of Preventive and Primary care. We’re working hard with our third party administrator to find additional savings. This year will be a decisive year for our efforts to control long-term health care costs. I will ask all our City unions to sit with us in the health care committees mandated by our contracts and look at ways we can reduce costs going forward without compromising in any way the level of care we provide to our employees. We think we all will agree there are some obvious ways to save money (e.g., prescription drug costs are way up and we have a very low co-pay); we need to sit down as soon as possible after this budget is passed, regardless of where we stand with other aspects of contract negotiations. Lockport is engaged in discussions with its unions and many others will likely soon go the same way.

For 2012, we asked department heads to tighten their belts and cut an estimated $1.2 million from an already bare-bones budget. They went back for 2013 and found an additional $175,000. For 2013, our proposed budget reduces spending from $86,257,328 to $83,644,349—a decrease of approximately $2.4 million. When you see a number like that, it is obviously not just “fat” being cut—you’re into muscle and bone. This is in spite of having to absorb $200,000 in additional gasoline costs and an additional $44,000 for spare parts—the latter because without casino revenues we aren’t replacing large capital equipment as soon as we had planned.

In the years 2009 through 2011, in accordance with a multi-year fiscal plan, we used declining amounts of AIM fund balance that we had set aside during the “good years” of AIM for tax relief, one of the specified purposes of the program: $3 million in 2009, $1.5 million in 2010, and the last $756,000 in 2011. As AIM fund balance went down, we started using Special Projects Fund Balance as a source of funds for property tax relief: $2.5 million each in the 2011 and 2012 budgets. This year, we propose to use $2 million, consistent with 2011 and 2012’s policy of adding property tax relief to the other restricted purposes (e.g., paving and other capital projects) for which we use these funds.

In past budget years, we had counted casino revenues due to the City as short-term receivables, consistent with our best estimate of when these funds would be received. Recall, in the fall of 2011 we believed receipt of these funds through a direct payment from the Senecas was imminent. In their revue of our 2011 financials, our independent auditors suggested we continue to count the 2009 through 2012 casino revenues as long-term assets, but not as short-term receivables. In other words, we were clearly owed this money, but had no way to estimate when we would be paid. Fair enough.

But something has changed for 2013. An arbitration process—the dispute resolution mechanism contemplated in the Casino Compact—is underway, and both sides are participating. It is binding on both parties, and is expected to result in a resolution during the first half of 2013. Our expectation is that at the conclusion of the arbitration, we will get paid what we are owed. We therefore will budget a limited amount of casino revenues to cover certain recurring expenses in 2013, including: the debt service on the public safety building, a share of public safety costs, and an amount to compensate for the loss of tax revenues when properties were taken off the tax rolls to create the Seneca territory. These expenses were planned to be paid with casino revenues in past years, but were subsequently covered by Special Projects Fund Balance when casino revenues were withheld. The total amount of these funds required for the 2013 budget is $5,370,762.55. We budget them because our expectation is that we will be paid what we are owed.

11/01/2012
As I noted earlier, our tax levy has basically not grown since 2006, while expenses are up about $20 million. As I also noted, our expenses—despite our best efforts to keep them under control—have continued to grow. For that reason, we are proposing to raise an additional $2,471,000 in tax revenues in 2013. This would bring the levy to a total of $30,446,901—just $2,365,950 more than the $28,080,951 that was raised in 2006, and an average increase of just $337,992.86 per year. That’s an average annual increase of just 1.2% over those 7 years—impressive performance by any standard and well below the average annual increase in the cost of living during those years. We have held the line on taxes in every year of my administration, but there comes a time when something has to give. This is that time, and we simply need more revenues to continue providing an acceptable level of services. The result is a proposed increase of approximately 8.3% in the homestead tax rate and about 5% in the non-homestead rate, which would require a vote to override the tax cap for 2013. The non-homestead rate increase may be smaller, but remember—non-homestead payers will still be paying substantially more per thousand dollars of assessed value than homestead payers. Unfortunately, the bad news does not end there.

I have consistently said that layoffs are the very last resort in trying to balance the budget, and my administration has managed to balance the budget without layoffs every year until now. But this time, the gap between revenues and expenses is simply too large. I try not to comment on hypotheticals, but it has been reported that early versions of this year’s budgets contained gaps so large that huge numbers of layoffs of full-time personnel would be required. A lot of work has gone into minimizing the damage since that time, but there is still damage. When roughly 80% of your budget is personnel costs, it is inevitable that closing large gaps will require at least some reduction in manpower.

Through most of this year, we have sought to reduce force through attrition, i.e., by not filling positions when someone retires or otherwise leaves City employment. But we can’t close the gap in one year in that way alone. In this budget, we reluctantly propose the elimination of 27.5 full-time equivalent (FTE) positions. Of those, 9 are covered by vacancies or retirements, leaving a total of 18.5 FTE positions currently occupied that would be eliminated. Since some of those positions are part-time, a total of 20 individuals would be laid-off. We know that these numbers are much lower than those contained in some City Hall rumors, but we believe that one layoff is one too many, and we take the impact very seriously.

We made every effort not only to limit but to spread the pain. As noted earlier, grant rules associated with the COPS and SAFER grants limit our ability to lay off police and firefighters in the 2013 budget year. In any case, many citizens regard public safety as the most essential of City services, and would expect their elected officials to cut just about anything else before making any cuts there. We got the message. But please note that the grant-imposed restrictions will not apply in future budget years. We have a lot of work to do to reduce costs and avoid the possibility of future problems.

Of the 18.5 FTE positions proposed for elimination, 11.5 are Civil Servants (involving 12 individuals, since one is part-time), 4 are hourly employees, and 3 are exempts (involving 4 individuals, since 2 are part-time). These individuals will be given preference in future City hiring, as well as assistance in pursuing other employment opportunities. We hope to be able to bring them back as positions open up through vacancies and retirements, though we can make no guarantees given the uncertainties of the financial future.

There is another unfortunate consequence of these layoffs. According to Civil Service and contract rules, we cannot employ temporary or seasonal employees when there are laid-off full-time hourly employees who have not been rehired. This means that, unless and until we are able to bring back those laid-off hourly workers, we cannot run a variety of programs normally staffed by seasonals and temps. The total amount saved by not hiring seasonals and temps is approximately $487,000; the total number of seasonals impacted is 82. These might not be full-time employees, but for many of these workers and families the money they earn as part-time City employees helps pay the rent, the car loan or a tuition bill. Included are the recreation aides for summer.
parks programs, seasonal golf course workers, the people who oversee night gym programs during the school year, and even the lifeguards who staff our public swimming pools. Also impacted are large numbers of seasonal workers who work on paving or clean-up crews, dramatically increasing our ability to deliver these services. We will try to be prepared to restore these jobs and services at the earliest possible opportunity should circumstances permit, but know that their loss strikes a blow at the quality of life of many of our citizens. A special case is the operation of our parking ramp, which we are obligated to keep in operation. We believe implementing some version of the parking plan presented to Council last year, getting the City out of the parking business altogether and creating income going forward, is the best policy.

We have tried to structure our 2013 budget so that, in spite of the cuts we will have to endure, we will be able to deliver the essential City services that our citizens have come to expect. Public safety and other essential services will continue to be delivered as the taxpayers expect. In some cases, there will have to be an adjustment in the level of services the City is able to provide based on the resources we have to provide them. We will continue our efforts to reorganize and modernize service delivery so that we get the most bang for the buck, and bring our long-term recurring expenses in line with our future recurring revenues.

We were pleased to add $22.7 million of new business properties to the tax rolls in 2010, then saw slight drops for 2011 and 2012. I’m happy to report that the taxable value of non-homestead property rebounded for 2013, as we added $18,526,264—a 4.6% increase—to the non-homestead rolls. As I suggested last year, the new Olive Garden and Buffalo Wild Wings were completed and became fully taxable this year, and Hobby Lobby, Panera and Walgreens came on line as well. And once again this year, I can report that we have reason to believe new business construction will occur in the Military Road corridor, and will help increase revenues and reduce the future burden on other taxpayers—especially other businesses. Some IDA properties nearing the end of their PILOTs will be put back on the non-homestead totals over the next few years, and the PILOT payments for new projects like Greenpac will create new revenue. This is all good news, more evidence that our long-term strategy is working, and a reason to be optimistic about the future. But it doesn’t solve our short-term problem. For example, we lost a total of $639,157 from two PILOTs that were ending, but didn’t recoup the funds in regular tax revenues because of the way the tax cap is calculated.

Last year homestead valuation was up, a pleasant surprise to be sure, but not something we counted on to continue this year. We were right. Homestead valuation was down $3,159,456—about a third of one percent. Several trends contributed to this result. We continue to be concerned about the effect of reductions in assessed value granted by the Board of Assessment Revue, and the impact of the loss of property value as now-vacant, once-valuable houses are demolished. Consider this statistic. In 2012 alone, we lost $1,661,200 in homestead value to the wrecking ball. I don’t mean to suggest that these demolitions should not have been done—clearly they were needed as these buildings had past the point of no return. But one of our greatest long-term challenges is increasing the value of our residential real estate through improvements and new construction. That’s why we’re putting so much effort and creative energy into recruiting new residents into our city.

There are other revenues we are having to do without. City court fines and parking ticket revenues are together down $450,000. Approximately $574,000 of casino revenues that we used to pay for 7 employees in 2012 working on economic development are not there. An agreement with State Parks that brought in $75,000 for someone to work on the Underground Railroad project has expired. The SAFER and COPS grant payments from the federal government expired, reducing our revenues $474,490. The amount of funds we have available to transfer from the capital account from closed projects is down a million from $3.9 million to $2.9 million. $1.5 million we had available from the debt fund each of the last two years is not there for 2013. Last year, before the casino issue fully drained our fund balance, we were able to transfer $2.5 million to the general fund for tax relief and another $710,708 as our match for the SAFER grant, for a total of $3,245,169. Without the casino problem, we could have used $3 million this year—we had it there for that purpose. But we are only able to do $2 million this year—another $1 million lost to the general fund.
If these numbers are starting to make your head spin, please know I’m sympathetic. This is why I called this a “disaster budget.” As the 2013 picture started to come clear, we realized we were starting down $5,957,380 in revenues and up about $3.9 million in expenses, with no casino revenues on hand to help cushion the blow. You do the math.

How did we balance the budget? We proposed $2.471 million in new tax revenues. But that was not until we looked at every other source of possible non-property tax revenue. We used the additional time working on the budget to look at historical figures for hotel and restaurant taxes (HRU), and raised them $300,000. We looked at Niagara County sales tax, and even with the distribution of funds shifting against us because of the new census numbers, we were able to raise these revenues $100,000. We were able to raise the Utility Gross Receipts Tax revenues $100,000 as a result of our analysis. These new revenues totaled $2.971 million.

There were some smaller but still significant contributions—every dollar counts. We were able to save an additional $30,000 through shared services with the Water Board, raising that total to $120,000. Thanks to the efforts of our Corporation Counsel—and City Council and Purchasing get a nod here too—our ice pavilion lease revenue will be up $103,000 in the first year of the new operating agreement alone. Thanks to Dennis Virtuoso and his staff, building and plumbing permit revenues are estimated to go up a total of $191,000. CD Director Seth Piccirillo found $54,000 for an Inter-fund Transfer to pay the rent and other costs to operate police sub-stations. We can’t cut costs to run street lights overnight, but we cut our utility costs with efficiency audits and saved $162,850 on natural gas and building electric costs. When we had casino funds, we used them to repair leaks and cut sewer and water bills $37,900. That’s $200,750 savings on energy efficiency and leaks alone; that’s a lot of taxes and/or jobs. We renegotiated our property and liability insurance and saved $45,000. Maybe that saved someone’s job. It all helps.

But in the end, we simply had to reduce our overall costs to operate City government to bring them more in line with our recurring revenues. We were simply not bringing in enough recurring revenues to sustain our operational and contractual expenses going forward at last year’s $86.2 million level, independent of who sits in the mayor’s office or on the City Council. Again, remember—our expenses went up over $19 million from 2006 to 2012, but the levy went down $105,000. We needed to bring things back into line for the long-term, and did so by cutting expenses $2,556,187 overall.

This includes a net decrease from 2012 to 2013 of $1,103,063 in bi-weekly payroll costs, reductions for temps of $279,812 and a net reduction in overtime of $211,001, for a total reduction with FICA included of $1,588,875 total in these personnel costs, part of an overall reduction of $1,706,788.

In 2011, we established the Tax Relief for Economic Development Fund to help compensate all property owners, not just those able to qualify for City grants or loans, for the extra burden they have carried since properties were taken off the tax rolls for the Seneca casino. Basically, the Fund buys down the total amount to be raised by the property tax. We used $455,000 of casino revenues to create the Fund in 2011, funded it with $449,000 last year, and propose $454,000 for 2013; the number is derived from the non-homestead base proportion. We propose to do a 20% equalization for 2013, as we did last year, but because the value of homestead properties has fallen while non-homestead has risen, the effect of the 20% “shift” is not to reduce the non-homestead base proportion, but merely to prevent the current skewed situation from getting even worse. Between equalization efforts and the fund, we will continue our efforts to make sure that the tax burden doesn’t fall disproportionately on the backs of small businesses.

We are not alone in facing the challenge of rising annual expenses—many of which we have no ability to control—and stagnant or insufficiently expanding revenues. Cities across New York State are struggling with many of the same problems. We knew we were not immune to the same ills they faced. But it seems to us patently unfair that, after years of sound financial management, and the build-up of cash reserves to help us weather financial
storms, we find ourselves in the predicament we’re in. We did multi-year financial planning. We in effect provided our own safety net. We knew that, like municipalities all across our state, we would need to be reinventing government for many years into the future. Now, because of forces over which we have no control related to the ongoing dispute between the Seneca Nation of Indians and the State of New York, we face the prospect of fiscal crisis without the full range of resources that should justly be at our disposal to help weather the storm. It’s just not fair, and we will continue to fight in every way possible to get what is justly ours as a result of the sacrifice of so many of our interests to the creation of the gaming concession in our city—like giving away over 50 acres of prime development real estate downtown, including operating hotels.

I was only three months into my administration when I had to start dealing with the consequences of the Great Recession. Nonetheless, we were able to consistently improve on City services, keep taxes down, and improve our reputation for fiscal stability and the ability to get things done, UNTIL the consequences of the failure to resolve the Seneca-State dispute finally grew beyond our ability to hold them at bay. Budgets, both annual and multi-year, are after all plans, and all plans must react to unanticipated circumstances. From our perspective, the delay in the delivery of casino revenues has been a catastrophe. It may not compare for pure drama with the recent events surrounding Hurricane Sandy, but make no mistake. The economic and social devastation that our City has faced over the last several decades of job and population loss has done as much cumulative damage as many a natural disaster, even if the effects have gone on in slow motion. Wise use of casino revenues to rebuild roads and other infrastructure, improve vital services, purchase public safety equipment and facilitate economic development was our lifeline out. Now the lifeline has been at least temporarily severed by forces beyond our control.

The budget I present to you today is not what I hoped to be able to present to you a year ago. But it is certainly a far cry from where we stood a month ago. There is a tax increase, but it is the first significant tax increase that has been proposed in many years, and would bring us to only about 85.61% of our constitutional taxing limit (we were at 81% just a couple years ago)—not bad under the circumstances, and representing an average annual increase of just 1.2% per year since 2006. There are layoffs, but not hundreds or even several dozens of layoffs, as many of us initially feared. We are budgeting casino revenues for 2013, but there is an arbitration process underway and the amount budgeted is modest compared to any recent year’s revenues. Still, raising taxes, laying-off workers and cutting services fits my definition of a “disaster” budget.

I first used that term several weeks ago without knowing that in the intervening period, significant regions in our own and neighboring states would fall victim to a natural disaster of unprecedented proportions. When I was growing up, I was constantly reminded at such times to “count my blessings” and remember how much worse things could be.

Thanks to our City Administrator, all the Department heads and their staff who have worked so hard to minimize the negative impacts of a very difficult fiscal situation. Your efforts have been tremendous. I look forward to working with the City Council to finalize the 2013 budget. My administration presents you with a difficult but balanced budget that tries to balance the necessary evils of reductions in staff, cuts in some services, and the first tax increases in several years. There is a lot of positive progress being made in our community, and by getting through this difficult budget year with our essential services intact, we can help guide the way to the better tomorrow we all desire. God bless you, and keep planning for a better tomorrow.

Sincerely yours,

Hon. Paul A. Dyster
Mayor

COMMUNITY DEVELOPMENT: 2013 ANNUAL PLAN/BUDGET, REVISED VERSION

Agenda Item #2

   A copy of the proposed 2013 Niagara Falls Community Development Department (CD) Action Plan is attached with a detailed breakdown of program administrative costs. The CD Action Plan was tabled by the Niagara Falls City Council at the October 15, 2012 City Council Meeting. This draft reflects revisions submitted to Seth Piccirillo, Director of Community Development, by the City Council, through Department Liaison, Councilman Charles Walker. Only the Community Development Block Grant Section of the Action Plan was revised. The first document details the original draft plan amount, the new draft amount, and the monetary change per project. The revisions were presented to CD on October 23, 2012.
All Council Members received the ORIGINAL DRAFT Action Plan via memo on October 6, 2012 and September 7, 2012, to allow ample time for review. The proposed budget is the key component of the City’s 2013 Annual Plan and Strategy, a United States Department of Housing and Urban Development (HUD) mandated planning document that assesses community needs and identifies how the City will address those needs.

The 2013 Annual Plan is the end result of a lengthy, detailed, and well advertised, citizen participation process that included four neighborhood based meetings in June 2012 designed to encourage comments, suggestions, and ideas from various community groups, residents, business persons, and other interested parties. The DRAFT Action Plan was made available for public review on August 31, 2012, a public hearing was held on September 6, 2012, and a month long public comment period concluded on October 6, 2012. The public hearing reviewed the plan specifics, and a copy of the public hearing minutes is included with this agenda item. The Annual Plan was originally submitted for vote at the earliest possible date, as the public comment period ended on October 6, 2012.

CD will directly administer the federal grant programs listed below. The funding levels indicated are projected revenues for 2013 that may change once U.S. Congressional funding appropriations are announced at a date to be determined.

CD is cutting $135,000 in 2013 salaries and can transfer an additional $85,000 in 2013 salary costs to outside grant funding sources. CD will continue to solicit outside grant funding to further offset administrative costs. This will help pay a greater portion of employee salaries, reduce the need for general fund assistance, and protect the City from future HUD entitlement reductions. If the post April 2012 trend continues, CD will not require and general fund contribution in out years.

Moving forward, Community Development’s (CD) goal is a sustainable budget every year. The 2012 revenue to expenditure gap was $383,000. Recent CD administrative actions and the proposed 2013 budget are meant to ultimately eliminate reliance on casino revenues, whether collected or uncollected. The proposed changes also direct HUD funding to more appropriate activities.

The 2013 budget proposal requests that the City of Niagara Falls fund all Carnegie Building utility/maintenance costs ($18,300), and $75,000 of CD’s annual retirement costs, for a total of $93,300. The requested retirement contribution represents 39% of the department’s total retirement costs ($195,000). The proposed gap would be $289,070, or 75% less, than the 2012 CD administrative budget gap.

The Consolidated Plan, including the proposed budgets, must be adopted by the City Council and submitted to HUD by November 15, 2012. HUD must review and approve the Consolidated Plan in order to establish our letter of credit with the United States Treasury. There is value in early submittal, as HUD must receive and approve plans from around the Country. Therefore, Council’s approval at this time will represent the officially adopted CDBG, HOME, and Emergency Shelter budgets for FY 2013. The Section 8 Leased Housing is renewed automatically by HUD but must still be adopted at this time by the City Council.

Will the City Council vote to so approve the 2013 Annual Plan and Budget and authorize the Mayor to implement all activities specifically identified in the plan? Any activity not specifically identified in the plan will be returned to Council for approval.

Council Member Grandinetti moved that the communication be received and filed and the recommendation approved.

Agenda Item #6

A contract for consultant services for the above referenced project was awarded to Wendel-Duchscherer, Architects and Engineers, Inc. (WD), 140 John James Audubon Pkwy, Suite 201, Buffalo, NY 14228 by City Council on July 25, 2005 and dated January 3, 2006, which was subsequently extended on February 11, 2010 to include right-of-way services, final design, and other services associated with the above project.

Since that time, substantial “pre-obligation” requirements of the TIGER II Grant’s federal funding agency —Federal Railroad Administration and additional “pre-construction” activities have resulted in additional costs associated with the final design phase of the station project.

These ongoing and additional work activities will progress the Project through the bidding preparation before award and construction. This ongoing and additional work tasks total $268,750.00. A more detailed explanation of work activities completed and proposed are contained in the letter and services summary provided by Susan Sherwood, Wendel Project Manager, dated July 20, 2012, and made an attachment hereto.

The 15.6% local (non-federal) matching share of this contract amendment amount has previously been approved by Council. Those dollars are dedicated for this project. The non-local share above 15.6% is fully reimbursable under the terms of the existing NYS-DOT Supplemental Agreement No. 2 (Comptroller's Contract No. D017307 for the NF Intermodal Transportation Center Project –PIN 5756.28), which specifically stipulates for reimbursement of expenditures, to the City, up to $4,366,856.83.

Will the Council vote to so approve and authorize the Mayor to execute a contract extension in a form acceptable to the Corporation Council?

Council Member Choolokian moved that the communication be Tabled.

RESOLUTION: FIRE DEPARTMENT, HOME RULE, 2012-46

RELATIVE TO HOME RULE LAW FOR THE CITY OF NIAGARA FALLS FIRE DEPARTMENT

BY: Council Chairman Samuel Fruscione

WHEREAS, the City of Niagara Falls is a participating employer in the New York State and Local Police and Fire Retirement, has elected to offer the optional 20 year retirement plan established pursuant to Section 384-d of the Retirement and Social Security Law, to firefighters employed by the City; and

WHEREAS, Richard E. Mylchreest, Jr., a firefighter employed by the City of Niagara Falls, was enrolled in the retirement plan established pursuant to section 384-d of the Retirement and Social Security Law; and

WHEREAS, Richard E. Mylchreest, Jr., who, for reasons not ascribable to his own negligence, enrolled instead in the retirement plan established pursuant to section 375-i of the Retirement and Social Security Law; and

WHEREAS, this consequence, while unintended, punitively affects firefighter Mylchreest and will deprive him of deserved retirement benefits; and

WHEREAS, currently before both houses of the state legislature, a bill has been proposed and supported by members of the Western New York delegation to allow firefighter Richard E. Mylchreest, Jr. to elect to be covered by the provisions of Section 384-d of the Retirement and Social Security Law, therefore entitling him to the full rights and benefits associated with coverage under such section.
NOW THEREFORE BE IT RESOLVED, that the Niagara Falls City Council does hereby recognize, acknowledge and support Assembly Bill (A.10227-A) and Senate Bill (S.7526) and its passage to correct and offer the benefits sought by said bills; and

BE IT FURTHER RESOLVED, that the Clerk of this Council is directed to complete and certify the Home Rule Requests and to forward copies to the New York State Legislature as required.

SPECIAL COUNCIL MEETING  
NIAGARA FALLS, NEW YORK

August 24, 2012

Members of the City Council  
and  
Carol Antonucci, City Clerk

Council Members and Madam:

You are hereby notified of a Special Meeting of the City Council of the City of Niagara Falls, New York called pursuant to Section 3.9.b of the City Charter, to be held on Thursday, August 30, 2012 at 4:00 p.m. in the Council Chambers, City Hall, 745 Main Street, Niagara Falls, New York for the following purposes:

1. To approve a proposed license agreement by and between the City and Niagara Sports Tournament, Inc.
2. To approve the commencement of litigation against Man O’ Trees, Inc. and its bonding company, The Hanover Insurance Company, in connection with the reconstruction of New York Route 104, PIN 5045.24 and the retention of the Hodgson Russ LLP law firm to handle same.
3. To receive and file the City’s 2011 audited financial statements.

Respectfully submitted,
SAM FRUSCIONE  
Council Chairperson

The August 30, 2012, the Special Meeting of the Niagara Falls City Council was called to order by Council Chairman Samuel Fruscione at 4:05 p.m. in the Council Chambers.

Present: Council Chairman Samuel Fruscione, Council Members Robert Anderson, Glenn Choolokian, Kristen Grandinetti.  
Absent: Council Member Charles Walker

Also present: Mayor Paul A. Dyster, City Administrator Donna Owens, City Controller Maria Brown, Corporation Counsel Craig H. Johnson and Deputy Corporation Counsel Thomas O’Donnell.
CONTRACT: Hyde Park Ice Pavilion, Niagara Sports Tournament, Inc.

Agenda Item #1

At a meeting of the City Council held on July 23, 2012, the City Council designated Niagara Sports Tournament, Inc. ("NST") as the entity to have the opportunity to participate in negotiations with the City for a license agreement for the operation of the Hyde Park Ice Pavilion. Attached hereto is a copy of that City Council designation. Lengthy negotiations have taken place between the City and NST and those negotiations have resulted in agreement on the terms and conditions to be contained in a license agreement. Attached (on file in the City Clerk’s Office) hereto is a summary of the primary points agreed upon by the parties subject to City Council approval.

The form of any final agreement will be subject to approval of the Corporation Counsel.

Will the Council so approve?

Council Member Choolokian moved that the communication be received and filed and the recommendation approved.

CONTRACT: LEWISTON ROAD PROJECT

Agenda Item #2

As the Council is aware, it has become necessary to terminate the contract for the reconstruction of Lewiston Road and to bid the balance of the project and pursue litigation against the contractor, Man O’ Trees, Inc. and its bonding company, The Hanover Insurance Company.

It is in the best interests of the City to commence and pursue this litigation and for the outside counsel firm of Hodgson Russ to handle this matter and any related matters.

Will the Council so approve?

Council Member Anderson moved that the communication be received and filed and the recommendation approved.
