ORGANIZATIONAL MEETING

NIAGARA FALLS, NEW YORK

The Organizational Meeting of the January 1, 2016, Niagara Falls City Council was called to order by Council Chairman Andrew Touma at 11:05 AM in the Council Chambers.

The prayer was said by Rev. Raymond Allen. Members of the Niagara Falls Fire Department and Niagara Falls Police Department Color Guards posted the Flag. Niagara Falls High School Students led the gathering in the Pledge of Allegiance to the Flag. Caitlyn and Cathleen Dyster sang the National Anthem.

Chairman Touma welcomed Lt. Governor Kathy Hochul who congratulated the new Council Members and spoke of the great things happening in the City.

Chief City Court Judge Mark Violante administered the Oath of Office to new Council Member Ezra P. Scott, Jr. as Council Member Scott's parents held the Bible.

Judge Violante then administered the Oath of Office to new Council Member Kenny Tompkins as Council Member Tompkins's wife and children held the Bible.

The new Council Members Scott and Tompkins thanked the residents for their support and promised to work hard for the best interests of the City.

Chairman Touma then asked City Clerk, Carol A. Antonucci to call the Roll.

Present: Council Chairman Touma, Council Members Kristen Grandinetti, Ezra Scott, Kenny Tompkins and Charles Walker. 5

Chairman Touma then asked if there were any nominations for Council Chairman 2016. Council Member Walker nominated Andrew Touma, and his nomination was seconded by Council Member Scott. There being no further nominations, Chairman Touma called for a Vote to be taken. All Council Members voted for Andrew Touma, who was unanimously elected Council Chairman for 2016. Judge Violante then administered the Oath of Office to Chairman Touma as Chairman Touma's father held the Bible.

The meeting then proceeded to the Agenda.

Chairman Touma asked the Travis family to come forward while he read the Proclamation honoring Sgt. Theodore Travis (Agenda Item #14). He and the Council Members presented that Proclamation to the family, and Sgt. Travis's wife said a few words about her late husband.

Andrea Czopp, representative from NTCC, was introduced by Mayor Paul Dyster. She spoke about the Great Lakes Initiative Conference that is being hosted by Niagara Falls. Our partner, NTCC, has offered resources for this and there is no cost to the City for this Conference. The Mayor spoke about the two day conference, and said that it is excellent exposure and Bed Tax revenue and additional revenue will be received by the City. A discussion among the Council Members, Mayor, and Acting Planning Director Thomas DeSantis followed. Corporation Counsel Craig Johnson will provide a copy of the expenses for the Conference to the Council.

Chairman Touma stated that the phone system will be addressed at the next Council Meeting. City Administrator Donna Owens said the Director of MIS, Joseph Morock Jr., will be talking to Vendors and will discuss this at the next Meeting. Brooke D'Angelo will also speak at the next Council Meeting about education concerning recycling and going into the schools.

Council Member Scott addressed Agenda Item #2, relative to the purchase of Police vehicles, and asked if Casino Funds are the only way to pay for the Police vehicles. Mayor Dyster said Capital purchases are under Casino funds and this would qualify. Police Captain Trane stated that some vehicles were ordered at the end of 2015. Controller Maria Brown explained about paying out of Casino funds and she would like to sit down with all the Council Members to explain the complexity of using Casino funds.

Mayor Dyster reported that the Buffalo/Niagara Partnership Projects included three Projects for the City, and he thanked those Council members who attended the meeting.

Corporation Counsel Craig Johnson introduced a walk-on in regards to hosting the 2016 Annual Meeting and Conference of the Great Lakes and St. Lawrence Cities Initiative. Chairman Touma asked if this walk-on could be put on at the next meeting to give the Council Members a chance to review this, and Mayor Dyster said this was not possible due to having to book the Conference Center now. Chairman Touma asked for a motion to add this Item to the Agenda. Council Member Grandinetti made the motion, but there was no second; therefore, the Item was not added to the Agenda.

Council Member Walker talked about Agenda Item #4, relative to an Ordinance Amendment for Benefits of Employees not covered by Collective Bargaining Agreements, and said that this is a part time position, but full time hours are put in by the Council Members. He will speak about this when voting and he can't support it.

The Meeting ended at 6:07 PM

Chairman Touma reconvened the Meeting at 6:25 P.M. in the Council Chambers with all Council Members present. The Prayer was said by Council Member Grandinetti and the Chairman led the gathering in the Pledge of Allegiance to the Flag.

The Chairman asked if anyone wished to speak on Agenda Items or Community Interests, and the following spoke:

Robert Pascoal	Agenda Item #2
Ron Anderluh	Welcomed new Council Members; Parking Meters installation downtown; enforcement of Parking Meters; location of meters
Jamie Caldwell	Delay of Hamister Project; hiring of Engineer
Rick Crogan	Mayor's Conference, Agenda Item #16, same weekend of Music/Art Festival, can market this with Conference
Diane Tattersall	Compliment to DPW for cleanup; Rick Crogan's statements are positive; concerns and problems in Niagara Falls; voter Turnout low; Great Lakes Conference

THE FOLLOWING COMMUNICATION WAS SUBMITTED BY THE CITY CLERK

CITY CLERK CLAIMS FOR THE MONTH OF DECEMBER 2015

Agenda Item #1
THIS ITEM WAS RECEIVED AND FILED

THE FOLLOWING COMMUNICATIONS WERE SUBMITTED BY THE MAYOR

PURCHASE: POLICE DEPT., VEHICLES

Agenda Item #2

The Superintendent of Police advises that it is necessary now to purchase five (5) new vehicles. These vehicles consist of three (3) Ford Police Interceptors (SUV type vehicles) and two (2) Ford vans. The vehicles that are being replaced are high mileage vehicles and are out of compliance with acceptable police standards. The total cost of the five (5) vehicles inclusive of up-fitting the vehicles, inside and out and marking them with graphics is \$180,500.

The City Controller advises that funding is available from casino revenues.

Will the Council so approve?

Council Member Grandinetti moved that the communication be received and filed and the recommendation approved.

Council Member Scott stated we do need these, is voting Yes.

Council Member Tompkins said he has seen the shape of these cars and is voting Yes.

Council Chairman Touma said he has driven in some of the vehicles and the Police are put in a very unsafe situation with the older cars.

Casino Dollars are earmarked for purchases such as these and is voting Yes.

CITY PROPERTY: 425 THIRD STREET, CONSTRUCTION ACCESS PERMISSION

Agendas Item 2A

The City owns the vacant lot located at 425 Third Street. The owner of the Zaika Indian Restaurant at 421 Third Street, the adjoining property, has asked for permission to enter the City-owned property for access to a wall on the restaurant property during some renovations.

Under Real Property Action and Proceedings Law §881, a property owner can obtain a court order for access to an adjoining property for construction. Since the law provides for this access, the City Council generally grants permission.

In this instance, the access will be for up to 14 consecutive days during January or February, with the specific dates to be agreed upon. The property owner will indemnify the City against any damages or claims for injuries to persons or property. The contractor will provide the standard City insurance, with the City named as additional insured. The property owner or contractor will not damage the City property during construction and will restore the City property to the condition it was in before access.

Will the Council vote to approve construction access permission as set forth herein, and authorize the Mayor to execute any documents necessary to effectuate the same?

Council Member Grandinetti moved that the communication be received and filed and the recommendation approved.

Agenda Item #16

In June of 2016, the City will play host to the Annual Meeting and Conference of the Great Lakes and Saint Lawrence Cities Initiative ("GLSLCI"). There are 118 municipalities that are members of the GLSLCI. As Council members may know, the GLSLCI has as its primary purpose the mission of preserving and safeguarding the quality of the fresh water in the various bodies of water that surround us. We have been active in the GLSLCI for a number of years and are proud and excited that the City will play host to this Annual Meeting and Conference this summer.

In the proposed MOU, the Niagara Tourism & Convention Corporation (the "NTCC") agrees to assist the City in hosting this conference by making its resources available to perform many of the planning and logistic tasks required for the conference as well as assist the City with the solicitation of sponsors and other sources of revenue. The NTCC will also be providing up to \$5,000.00 of its own funds toward transportation related expenses.

While the experience of member cities in the GLSLCI over the years in hosting this Annual Meeting and Conference has not resulted in any expense to the host city that was not covered by revenues generated, the NTCC is requesting a commitment from the City that any costs and expenses it incurs over and above any revenues generated will be reimbursed by the City up to \$75,000.00. The funding for this financial commitment, if needed, is available from Casino Revenues. If any surplus exists, it will be retained by the GLSLCI.

Council Member Walker moved that the communication be received and filed and the recommendation approved.

JANUARY 25, 2016

REGULAR COUNCIL MEETING

NIAGARA FALLS, NEW YORK

The first session of the January 25, 2016 Niagara Falls City Council Meeting was called to order by Council Chairman Andrew Touma at 5:03 P.M. in the Council Chambers.

Present: Council Chairman Andrew Touma, Council Members Kristen Grandinetti, Ezra Scott, Jr., Kenny Tompkins, and Charles Walker

Also present: Mayor Paul A. Dyster, City Administrator Donna Owens, Corporation Counsel Craig H. Johnson, Deputy Corporation Counsel Thomas O'Donnell and City Controller Maria Brown.

City Administrator Donna Owens introduced Director of MIS Joseph Morock, Jr. to speak about the City Website. Mr. Morock stated that the current website is approximately 10 years old, and a more functional website is needed, and he talked about some of the features that will be on this new website. Each Department will have their own web page, and Department Heads will be consulted about their web page needs. He added that he doesn't want to buy more than what is actually needed. Council Member Grandinetti stated that the website needs to be user friendly for the general public. City Administrator Owens said Mr. Morock will have the timeline for the website at the next Council meeting.

Brooke D'Angelo, SWEET Program Coordinator, gave a presentation on the Refuse/Recycle Program. Council Member Tompkins asked about the tonnage, and cleaning of the alleys in Niagara Falls. Robert Spacone, Acting Director of Parks, said the Clean Neighborhood Inspector responds to the complaints and an immediate cleanup will be done and the property owner will then be billed. The City is experiencing illegal dumping, and DPW is doing a great job of the cleanup of this. He will provide Council Member Tompkins the cost of this. Ms. D'Angelo said that a violation "OOPS" is issued to the non-compliant home owner, and education is the key. Council Member Tompkins asked about better hours for pickups. Joe Hickman, representative from Modern Disposal, said that Modern is currently closed on Saturdays, but in April and May they will be opening on Saturdays. He is pleased with the success rate in the City, and said that we are on the right track. Chairman Touma asked the Mayor about moving forward with education and enforcement, and if, as the phone calls decrease, Ms. D'Angelo can be used in the capacity of educating residents. Council Member Walker said we were going to incorporate this position into DPW and we need to sit down and put it together.

Mayor Dyster spoke about the US Council of Mayors Conference that he attended. He also stated that Senator Ortt's office obtained a \$250,000.00 grant for the 72nd Street Project, and Assemblyman Ceretto also obtained a grant for this Project.

Mayor Dyster said there was a Press Conference today, with US Attorney Bill Hochal in attendance, in regards to the sentencing of Dr. Mehta. Superintendent of Police DalPorto talked about Dr. Mehta's prescribing pain pills illegally. Superintendent DalPorto also spoke on the Plate Readers (Agenda Item #12). City Controller Maria Brown said this was taken out of the Budget and it should be put back in. Corporation Counsel Craig Johnson added that a plea agreement was made with Dr. Mehta and his wife for a transfer of his Office and 3 properties on 3rd St. to the City. This will be presented to the Planning Board and then to the Council for approval. Community Development Director Seth Piccirillo said this will be an investment for the neighborhood on 3rd St. and a positive growth for the area.

Chairman Touma asked about the sale of homes for the Community Development Home Ownership Program (Agenda Item #8), and Mr. Piccirillo said the next step will be executing the sale.

Corporation Counsel Craig Johnson distributed copies of 2 items to be added to the Agenda.

1. A Communication to be added to the Agenda for the approval of Change Order #1 in the contract for acoustic and electric upgrades to LaSalle Library to Walter S. Johnson Bldg.

Council Member Walker moved to add the Communication to the Agenda

Council Member Walker spoke on the Train Station Project (Agenda Item #4), and asked if the City has a Management Plan and a cost for this. Acting Planning Director Thomas DeSantis said the City has a prorated lease term with Amtrak, but not a firm number as of yet. City Controller Brown asked Mr. DeSantis about getting a Budget, which will go to Council for approval. Council Member Grandinetti asked what date the Station will be open and Mr. DeSantis said it will be the end of May. Economic Development Department will be responsible for the retailers at the Train Station. A brief discussion followed between the Council and Mr. DeSantis.

Council Member Scott spoke about the purchase of concrete (Agenda Item #2) and asked we going to exceed the contract cost and what Department will handle this purchase. Civil Director Engineer Robert Buzzelli said it will be DPW.

Mayor Dyster spoke on funding the Niagara Military Affairs Council (Agenda Item #14), and said that this is not the full amount of funding, but a continuation of funding. Council Member Tompkins asked if other municipalities contribute to this, and Mayor Dyster said John Cooper should be asked this question.

This Session ended at 6:50 PM.

Chairman Touma reconvened the Meeting at 7:10 P.M. in the Council Chambers with all Council Members present. The Prayer was said by Council Member Scott and the Chairman led the gathering in the Pledge of Allegiance to the Flag.

The Chairman asked if anyone wished to speak on Agenda Items or Community Interests, and the following spoke:

Robert Ventry	Agenda Items #3, #9, #10, #11, #12
Ron Anderluh	Federal Govt. to take Seizure Program out of the hands of the Police Dept.; Lockport Rd. & 24 th St. repairs; comment on recent event at the LaSalle Library; OSC-21 doing a great job; heard about the County Courthouse moving to Lockport

CONTRACT: LOCKPORT ST, RECONSTRUCTION, ENGINEERING SERVICES CONTRACT
SCOPE ADJUSTMENT, URBAN ENGINEERS OF NEW YORK, PC

Agenda Item #3

The City Council previously approved resolutions and appropriated funding, which is federally reimbursable, for the above referenced project that was awarded to Urban Engineers of New York, PC on June 11, 2007.

Before completing the final design for this project, the construction funding was withdrawn by the NYSDOT and replaced with a reduced amount. The result is a change in design from a complete road reconstruction to a mill & overlay preservation project. This Change Order is for Additional Consultant Services related to a required change in the 'scope of work' for that new preservation project.

After preliminary design is approved additional Final Design and Construction Inspection matching monies will be added to this contract. Please note that all work is Federal eligible at 80% and State matching Marchiselli funds at 15%.

It is the recommendation of the undersigned that Change Order #3 be approved in the amount of \$200,000.00 increasing the total contract total to \$853,221.00. Funding is available in Code H0633.2006.0633.0449.599 and in a 2010 road reconstruction Bond Resolution.

Will the Council vote to approve and authorize the Mayor to execute a contract in a form acceptable to the Corporation Counsel?

Council Member Grandinetti moved that the communication be received and filed and the recommendation approved.

CONTRACT: TRAIN STATION/TRANSPORTATION CTR. PROJECT, SCRUFARI
CONSTRUCTION COMPANY INC.

Agenda Item #4

A contract for the above referenced project was awarded to Scrufari Construction Company Inc., 4800 Hyde Park Blvd. 3925 Hyde Park Blvd., Niagara Falls, NY, on April 14, 2014 in an amount of \$22,691,000.00.

The City Council has approved Change Orders request to date in the amount of \$ 1,002,469.20 bringing the total contract amount to \$23,693,469.20.

This Change Order covers various contract changes from July 1, 2015 to January 15, 2016 and is composed of two separate scopes that have been reviewed by the City's consultant Wendel and the Engineering Department.

First, the project required various revisions to the original 'scope of work' for unanticipated and necessary work that involved structural, mechanical, signage and interior modifications. Second, there is a need to secure additional Railroad protection as required by contract to meet the anticipated Railroad construction impacts estimated till April 2016.

Funding for Change Order #5 is a transfer of funds from the "Owners" additional construction contingency budget (within the existing project budget) to the Contractor's budget. The Owner's contingency fund includes matching Federal, State and City's local-share funding (20% matching funds) already approved by City Council and available in a Capital Project Fund HO402, for the Railway Station.

Therefore, it is the recommendation of the undersigned that Change Order #2 in the amount of \$200,503.64 be approved; bringing the new contract total to \$23,893,972.84 sufficient funds presently exist in Code H0402.

Will the council vote to so approve?

Council Member Grandinetti moved that the communication be received and filed and the recommendation approved.

CONTRACT: ICE PAVILION, PHASE IV, REPLACEMENT OF ICE FLOOR, UNDER SLAB PIPING & SYSTEMS/DASHER BOARDS, DIDONATO ASSOCIATES, P.E.

Agenda Item #6

A contract for the above reference project was awarded to DiDonato Associates, P.E. of Buffalo on July 21, 2014 for professional services and design related tasks in the amount of \$175,000.00. This amount was later increased to accommodate the performance of construction inspection and various testing tasks required throughout the construction phase of the project; eventually reaching the current total of \$304,876.00.

During construction it became evident that additional unforeseen construction changes that required engineering tasks not included in the consultant's original scope of work. These additional engineering tasks are as listed:

- Design of new collar ties and bleacher screen wall associated with the GC Contract.
- The Brine Pumps and valve replacement, ammonia feed valve, control system troubleshooting, brine flow switch and controller, 60 HP Brine pump repairs, Trench Drain Work, collar tie grading work and existing underground wiring and conduit replacement for 30 hp pumps all associated with the Ice Rink Contract.

During construction, City engineering staff augmented the construction inspection to the point where existing funds remain in the consultant's C.I. portion of their contract that can be shifted from (C.I.) inspection to design, with no increase to our contract total, resulting in a (\$0.00) Change Order.

To that end please allow this zero dollar Change Order #2, request to facilitate the payment of \$13,170.00 to DiDonato Associates P.E. for additional design and mechanical engineering. Existing funding is available through the original Bond Resolution approved by City Council for this project.

CITY PROPERTY: 417 ELMWOOD AVE & 2723 LASALLE AVE., COMMUNITY DEVELOPMENT DEPT., HOME OWNERSHIP AUCTION

Agenda Item #8

The Niagara Falls Community Development Department (CD) requests Niagara Falls City Council approval for the sale of 417 Elmwood Avenue and 2723 Lasalle Avenue. The Niagara Falls Planning Board unanimously recommended the sale of both parcels at its January 11, 2016 meeting (on file in the City Clerk's Office).

CD conducted a Home Ownership Auction on May 21, 2015 for seven properties with the following stipulations:

-Successful bidders must agree to own and live in the home as prime occupant for no less than five years and pay all applicable property taxes.

-Successful bidders must submit a renovation plan, designating work to be completed by the owner and/or contractors, as well as possess the financial ability to execute the renovation prior to completing the sale agreement with the City of Niagara Falls.

-If the above terms are not met after the purchase of the property, ownership will revert back to the City of Niagara Falls.

The successful bidders for 417 Elmwood Avenue and 2723 Lasalle Avenue have met CD staff, reviewed the code enforcement violation report and created renovation plans for the respective properties. Therefore, CD requests sale approval to the following bidders:

Address: 417 Elmwood Avenue
Purchaser: Barrett Jackson
Price: \$6,300

Address: 2723 Lasalle Avenue
Purchaser: Renee Mathews
Price: \$18,000

Chairman Touma commended Council Member Walker on this initiative and gave thanks to Community Development Director Seth Piccirillo,

Will Council vote to approve the sale of these properties and find that the best interest of the City shall be subserved by dispensing with a sale at public auction and authorize the Mayor to execute deeds and other related documents?

If the taxes are not paid by that time the bids are rejected and deposits and auctioneer fees forfeited pursuant to the Terms of Sale.

With respect to Schedule A properties, Ward 05, Pro 1607; Ward 09, Pro 2797; Ward 12, Pro 1576 and Ward 12, Pro 4332, the bidders have outstanding housing inspection violations and we recommend that the bids be rejected and the deposit forfeited in accordance with the Terms of Sale.

With regard to Schedule A, we recommend that the bids for Ward 05, Pro 1698; Ward 09, Pro 0325 and Ward 14, Pro 6806 be rejected and the bid deposit and auctioneer's fee returned to the bidder.

With the exception of the above, we recommend that the bids for Schedule A properties be approved. The bids for Schedules B and C properties do not require Council approval and are submitted for your information. (Ward 13, Pro 3405 and Ward 14, Pro 3308 are being rejected and the deposit forfeited. Ward 12, Pro 3859 is being rejected and the deposit and auctioneer's fee refunded.)

Will the Council so approve and authorize the Mayor to execute deeds to the successful bidders in accordance with the Terms of Sale?

Council Member Grandinetti moved that the communication be received and filed and the recommendation approved.

CITY PROPERTY: 1987 EASEMENT EXTINGUISHED, SHERATON HOTEL

Agenda Item #16

In 1987, in connection with the construction of the old Parking Ramp 1, the Niagara Falls Urban Renewal Agency ("NFURA") granted to the City an easement on the "service road" that is located between the ramp (now parking lot) and the hotel. The easement also includes a strip of land on the west side of Third Street along the sidewalk in front of the hotel (now the Sheraton). A copy of the easement is attached (on file in the City Clerk's Office) for your reference.

The City is in the process of selling a portion of the service road to the owner of the Sheraton for construction of an indoor water park. The City is also in the process of dedicating the remaining portion of the property covered by the easement as a public right-of-way.

The easement parcel was later conveyed to the City by the NFURA. The easement may have been extinguished on the conveyance by the legal doctrine of "merger", which holds that when a benefitted party obtains title to an easement parcel, the easement is extinguished.

In order to be clear that there are no remaining rights held by the City or the public over the parcel to be conveyed to the owner of the Sheraton, the Purchaser, in the contract of sale, has required that the easement be extinguished formally. The NFURA will be asked to take similar action at its next meeting.

In any event, it is appropriate for the City Council to acknowledge formally that the easement is extinguished. Will the City Council vote to extinguish the 1987 easement and authorize the Mayor to execute any documents necessary to effectuate the same?

Council Member Grandinetti moved that the communication be received and filed and the recommendation approved.

CONTRACT: LASALLE LIBRARY, ACOUSTIC/ELECTRIC UPGRADES, WALTER S. JOHNSON BLDG. CO.

Agenda Item #17

A contract for the above referenced project was awarded to Walter S. Johnson Bldg. Co. Inc., 6638 Mooradian Drive, Niagara Falls, NY, on September 21, 2015 in an amount of \$44,750.00.

The City received a New York State Economic Development Assistance Program ("NYS EDAP") Grant, up to the amount of \$100,000.00. Bids for this project came in well below the Grant amount which allowed the Library to add additional "Acoustic Upgrades".

Therefore, it is the recommendation of the undersigned that Change Order #1 in the amount not to exceed \$50,000.00 be approved. Funding is 100% reimbursable through a grant from "NYS EDAP" -Project ID# 4813.

Will the council vote to so approve?

RESOLUTION: WILLIAMS, ADA LUCILLE, 92ND BIRTHDAY CELEBRATION, 2016-16
BY: ALL COUNCIL MEMBERS

Agenda Item #18

WHEREAS, Ada Lucille Williams was born on February 29, 1924 in Vicksburg, Mississippi, to proud parents, Robert and Flora (Bass) Williams; and

WHEREAS, Ada Lucille Williams married James Louis Williams (deceased) on September 2, 1942. They had nine (9) children. She is the proud grandmother of nineteen (19) grandchildren, fourteen (14) great-grandchildren and five (5) great-great grandchildren. James and Lucille migrated from Vicksburg to Niagara Falls, New York in March of 1948. She joined New Hope Baptist Church where she participated in the missionary society and other church auxiliaries. She is a founding member of the Mt. Zion Missionary Baptist Church; and

WHEREAS, Ada Lucille Williams raised and nurtured not only her own children, but her grandchildren, her relatives and others in the community. Ma Williams, as she is affectionately known as, enjoyed babysitting for her neighbors. She also found time to participate in the March of Dimes and Muscular Dystrophy campaigns. She was also active in the Center Avenue Parent Teachers Association and enrolled in its enrichment courses; and

WHEREAS, the Williams home served as an "oasis" for those migrating from the South in search of a better quality of life. She and her husband nurtured and sheltered several relatives and others from the South, until they were capable of providing for themselves. Their home was one where people could stop by for a meal or friendly counsel; and

WHEREAS, it is her culinary skills, child care capabilities and her encouraging spirit that has made her home a magnet for which many are drawn to.

NOW, THEREFORE, BE IT RESOLVED, that the City Council of the City of Niagara Falls, New York, does hereby celebrate a true black pioneer. Ada Lucille Williams is a virtuous woman, a professional homemaker, a positive role model, counselor and friend. We wish her a Happy 92nd Birthday and hope that she is blessed to see many more.

Community Development Director Seth Piccirillo spoke on the 2016 Home Ownership Auction. He said that this will be the third Home Ownership Auction and the largest so far. He spoke on the guidelines for the Program, and informational sessions that would be held for those interested in bidding at the Auction.

In the Administrative Update:

1. Mayor Paul Dyster said that Elaine Timm is the new City Historian, and he thanked Michele Kraats, Chris Stoianoff and Paul Gromosiak for their offers to assist her.
2. Mayor Dyster also reported that interviews are being conducted for the position of City Engineer.
3. City Administrator Donna Owens informed the Council Members that an update on the parking meters and the City's website development would be given at the February 22 Council Meeting. Also, the Mayor's State of the City Address will be held at the Conference Center on Thursday, February 25 at 6 PM.

Chairman Touma questioned the amount for the renewal of the Engineering Consulting Agreement with Clark Patterson Lee (Agenda Item #5), and asked if the amount could be reduced in anticipation of the hiring of a City Engineer. Mayor Dyster explained the process for hiring a Consultant for the City is such that the Consulting firm is changed every 4 or 5 years in order to give different firms the opportunity for the City's business. Council Member Scott inquired about the amount of overtime used in the Engineering Department, and Council Member Tompkins asked for a report showing the amount paid to the consultant on a monthly basis during 2015. Civil Engineer Robert Buzzelli said that he felt that \$50,000 would be adequate to cover the consultant's fees for 2016, in addition to the \$25,000 that is already in a budgeted line for the consultant. Mayor Dyster agreed to reduce the amount for the Consultant Services Agreement from \$94,000 to \$50,000.

Council Member Walker moved to amend Agenda Item #5 to show the amount as \$50,000.

MOTION TO AMEND APPROVED

Deputy Corporation Counsel Chris Mazur explained the amendments to Chapter 171 of the Codified Ordinances entitled "Administrative Ordinances" (Agenda Item #13).

Mayor Dyster thanked Mr. Mazur for his "laymen's terms" explanation.

Sherry-Shepherd-Corulli asked that the Council extend her Agreement for Grant Writing Services (Agenda Item #6), and noted that she had administered approximately \$10.5 Million Dollars in Grants for the City. Mayor Dyster added that she has done a great job.

Chairman Touma reported that the Council's Executive Assistant had been able to make contact with a person in Canada regarding the noise issue in the DeVeaux area made by helicopters, and a meeting would be set up to discuss the issue.

Chairman Touma also reported that he had spoken to a person in Cooperstown regarding parking issues and their use of parking meters, and he would share the information with City Administrator Donna Owens.

Council Member Scott had questions about the Construction Agreement with CSX (Agenda Item #3) and his questions were answered by Acting Director of Planning/Economic Development Thomas DeSantis and Sr. Project Designer Michael DeSantis.

City Controller Maria Brown spoke on closing out 2015, and noted that bed tax was down slightly, the ramps and surface lots did well, and the Golf Course is still not self-sustaining.

Mayor Dyster thanked the Council Members for their support for NIMAC.

This Session ended at 6:15 PM

Chairman Touma reconvened the Meeting at 6:35 P.M. in the Council Chambers with all Council Members present. The Prayer was said by Council Member Tompkins and the Chairman led the gathering in the Pledge of Allegiance to the Flag.

The Chairman asked if anyone wished to speak on Agenda Items or Community Interests, and the following spoke:

Ron Anderluh	Agenda Items #5, #6, #9, #10
Diane Tattersall	Work session was good and informative; condition of Portage Rd. between Ferry and Niagara Aves.
Mary Lawton	Agenda Items #9, #10, #13
Bob Belton	Availability of variance report
Ken Hamilton	Agenda Items #10, #12
Ron Anderluh	Thanked Chairman Touma for obtaining information from other municipalities on Parking Meters; Parking revenues; meters need to be installed ASAP
Dan Davis	Development of Cultural District
Carol Hamm	Oppose to Agenda Item #12
Ken Hamilton	Need for City sponsored Youth/Community Center possibility at the Duke Center; thanks to Council Member Grandinetti for help in naming City Streets after African Americans; Placement of statue in traffic circle is safety issue; Safety issue on street at Main Post Office; Unsafe parking at Norlock Park

Agenda Item #1
THIS ITEM WAS RECEIVED AND FILED

THE FOLLOWING COMMUNICATIONS WERE SUBMITTED BY THE MAYOR

CONTRACT: LASALLE LIBRARY HISTORIC SIDE DOOR REPLACEMENT, SICOLI CONSTRUCTION SERVICES, INC.

Agenda Item #2

A contract for the above referenced project was awarded to Sicoli Construction Services Inc., 4800 Hyde Park Blvd., Niagara Falls, NY, on September 15, 2015 in an amount of \$16,800.00.

The front entrance door hardware does not worked properly and prevents unlocking and entry into the building. The Contractor will change out the existing door hardware under this contract which will allow the City to be reimbursed 50% of the cost under the New York State Library Public Grant Program No. 0386-15-5720.

The total cost of all the additional work is \$546.00 bring the contract total to \$17,346.00

Therefore, it is the recommendation of the undersigned that Change Order #1 in the amount of \$546.00 be approved. Sufficient matching funds were approved by City Council at its June 23, 2014 meeting.

Will the council vote to so approve?

Council Member Walker moved that the communication be received and filed and the recommendation approved.

CONTRACT: ENGINEERING CONSULTING SERVICES AGREEMENT, RENEWAL, CLARK PATTERSON LEE

Agenda Item #5

The City is in the process of attempting to recruit a full-time City Engineer. While the recruitment process has commenced, the process has not yet resulted in the City hiring a full-time City Engineer. Therefore, it is recommended that the City continue to use CPL as needed. Assuming the City is successful in recruiting and hiring a full-time City Engineer, it is anticipated that the services of CPL will continue to be needed on occasion during the transition period.

Attached hereto (ON FILE IN THE City Clerk's Office) is a copy of the CPL Consulting Services Agreement which details the scope of work and rate schedule which calls for a "not to exceed" fee of \$50,000.00.

Funding at this time is available from the Engineering Department biweekly budget line as well as its Consultant budget line.

Will the Council so approve and authorize the Mayor to execute any documents required to effectuate this consulting services agreement which will be in form and content acceptable to the Corporation Counsel?

CONTRACT: GRANT WRITING SERVICES

Agenda Item #6

The last few years, inclusive of year 2015, the City entered into a non-exclusive Consulting Agreement with an individual to provide grant writing and grant administration services to the City. This arrangement has proven very beneficial to the City. It is recommended that for calendar year 2016 the City extend the 2015 agreement with that same individual to provide those services. All terms and conditions are the same. Attached (on file in the City Clerk's Office) is a copy of the 2015 agreement together with a communication from the consultant requesting an extension. The fee for those services is not to exceed \$35,000.00. Funding is available from the 2016 adopted budget.

Will the Council so approve and authorize the Mayor to execute an agreement with the grant writer in a form acceptable to the Corporation Counsel?

CONTRACT: RETIREE GROUP HEALTH BENEFITS PROGRAM, BPAS

Agenda Item #8

The City Controller is recommending that the City retain the services of BPAS to perform actuarial services required pertaining to the City's retiree group health benefits program. There are two Service Agreements in connection with this matter. The first will allow BPAS to provide interim actuarial valuation services for year ending December 31, 2015 as described in the fee schedule for an agreed upon fee of \$2,000.00 while the other agreement will allow BPAS to perform actuarial valuation services for the fiscal year ending December 31, 2016. Attached (on file in the City Clerk's Office) is the fee schedule for these services which shows a fee due of \$8,200.00 for a total one year period. The total fees to be paid to BPAS are \$10,200.00

Funding is available in the City Controller's budget. Attached (on file in the City Clerk's Office) hereto are copies of both Service Agreements.

Agenda Item #12

THIS ITEM WAS PULLED FROM THE AGENDA.

Agenda Item #13

Please find the attached proposal which seeks to amend Chapter 171 of the City's Codified Ordinances concerning exempt employees. The first proposed change, found in Chapter 171.09(c), concerns the eligibility for health and dental insurance benefits by employees meeting the requisite age and years of service requirement upon separation of service with the City. The use of the word "separation" in the proposed amendment will provide for clarity and continuity in interpretation as this word is utilized in other sections of the exempt ordinance (particularly Chapter 171.05 (d)).

The proposed amendment of Chapter 171.12, dealing with severance pay, is necessary to close the loophole where employees who were receiving the recruitment incentive (provided for in Chapter 171.13) were utilizing it in order to meet the eligibility for unemployment benefits while also receiving severance pay upon separation from the City. The amendment will prevent employees from utilizing the recruitment incentive as a way to secure eligibility for unemployment benefits.

Lastly, the administration proposes amendments to Chapter 171.13(b) and (c), dealing with recruitment incentives. The proposed amendment to Chapter 171.13(b) would include individuals hired for director level positions, thereby expanding the definition of those employees eligible to receive recruitment incentives. This extension of the recruitment incentive will allow the City to continue to entice executive level talent for positions with the City. The proposed change to Chapter 171.13(c) is nothing more than a simple grammatical change.

Will the Council so approve?

BE IT RESOLVED by the City Council of Niagara Falls, New York that Chapter 171 of the Codified Ordinances entitled "Administrative Ordinances" is hereby amended by amending Sections 171.09, 171.12 and 171.13 to read as follows:

171.09 [RETIREMENT] SEPARATION FROM SERVICE.

. . .

c. Upon [retirement] separation, the City will continue to pay for the health and dental insurance provided in Section 171.05(a) that the employee was receiving on the date of [retirement] separation where the employee's years of service plus age equals seventy (70); however, employees commencing employment with the City after October 2, 2007 must also have a minimum of ten (10) years of employment with the City in order to be eligible for continuing health and dental insurance benefits upon [retirement] separation.

. . .

171.12 SEVERANCE PAY

. . .

d. Payment of City severance pay will only be made when the terminated employee demonstrates that a claim for New York State Unemployment Insurance has been denied on the basis that the services of said employee fall within the exclusion set forth within subdivision (2)(e) of Section 565 of the New York State Labor Law. Employees with over ten (10) years of actual, continuous service with the City [or a similar benefit conferred pursuant to Section 171.13 (b)], specifically excluding any benefit conferred pursuant to Section 171.13 (b) below, are exempted from the requirements of this subsection.

171.13 RECRUITMENT INCENTIVES.

. . .

b. A person hired as a department head or director may, at the discretion of the City Administrator or a person hired as City Administrator may, at the discretion of the Mayor, be granted fringe benefits and rights which take into account the person's previous professional experience, the years of experience as specified in the applicable job description and as necessary to recruit desired candidates for the position; however, such credit for fringe benefits and rights shall not exceed a level consistent with a 10 year employee as prescribed under this chapter. After initial appointment, all rights and benefit levels will be deemed cumulative as they relate to any subsequent yearly accruals and benefits as defined in sections 171.02, 171.05 (b) and 171.12 above. Notwithstanding the above, the initial granting of sick leave by the City Administrator shall not exceed ten (10) days.

The City Administrator or Mayor shall provide notice to the Human Resources department in writing of such determination.

c. All other such employees may, at the discretion of the City Administrator, be granted up to two (2) week's vacation and/or ten (10) days sick leave, during his/her first year of employment. Subsequent yearly accruals will be administered according to sections 171.02 and 171.04. RESOLUTION: THOMAS, WADE, REVEREND, HONORING, 2016-19
BY: ALL COUNCIL MEMBERS

Agenda Item #30

WHEREAS, Reverend Wade Thomas was born in Montgomery Alabama on November 11, 1924. He was the youngest son and fifth child born to Rayfield and Mary Thomas; and

WHEREAS, in 1947, Mr. Thomas moved to the city of Niagara Falls after his marriage to the former Miss Lola Mae Paige, they were blessed with two children. First born was a daughter named Ms. Juliette M. Thomas and later a son, Nelson W. Thomas; and

WHEREAS, Reverend Wade Thomas served in the United States Army from 1942 to 1945, his service helped protect the City of Niagara Falls and the whole United States of America; and

WHEREAS, Reverend Wade Thomas was ordained into ministry in 1955 by Pastor William White, Sr. of the Bethesda Full Gospel Church in Tonawanda, New York; and

WHEREAS, in the fall of 1957, through prayer and the study of god's word, became the roots of "Bethlehem Revival Temple;" Reverend Wade Thomas, Mother Lola Thomas, Deacon Joseph Bowns, and Sister Nazzie Ree Bowns. The group matured and eventually moved from the homes to the basement edifice that was located at 1912 Maryland Avenue, Niagara Falls, New York; and

WHEREAS, the group continued to grow and the first church building was built May 17, 1963, at 2010 Virginia Avenue, Niagara Falls, New York. As the lord added to the congregation, Reverend Thomas was lead to add an additional church building, built in 1975 at this location. The "Church in the Basement" was becoming more visible as he stayed true to his mandate; and

WHEREAS, throughout his ministry, Reverend Wade Thomas became the first African American to broadcast in this area. The radio and television broadcast was called "Good News". Reverend Thomas was also the founder of a quartette group called *The Songs of Joy*, and

WHEREAS, Reverend Thomas was a member of the Ministerial Council of Niagara Falls, New York. Reverend Thomas helped out with many youths in the community.

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Niagara Falls, New York, that this City Council does hereby honor the memory of Reverend Wade Thomas and his many contributions to our great city through his ministerial work.

BE IT FURTHER RESOLVED, that signs saying "Reverend Wade Thomas Way" be placed underneath the street signs at Virginia Avenue & 20th Street and Hyde Park Boulevard & Virginia Avenue, in honor of Reverend Wade Thomas.

Council Member Scott read the Resolution, and the Council Members presented a copy to Rev. Thomas' family members who were present, and the family thanked the Council for honoring Rev. Thomas.

Fire Chief Tom Colangelo and Superintendent of Police Bryan DalPorto spoke on the number of recent fires that were set in garbage totes in alleyways. They said that the matter is being investigated, and those involved will be prosecuted. They asked that residents be mindful of placing the totes too close to their houses/garages.

Acting Director of Planning and Economic Development Thomas DeSantis introduced Sara Capen, Executive Director of the Niagara Falls National Heritage Area. She spoke on the Underground Railroad Interpretive Center, exhibits at the Center and other sites, and related activities, including the Hop On/Hop Off Shuttle which will run between several sites in the City and surrounding areas. Council Member Grandinetti asked that Ms. Capen return in the Fall to give the Council an update.

Community Development Director Seth Piccirillo reported that the sale of the former South Jr. Building has been completed, and the Niagara City Loft Project will move forward. The Project will generate taxes for the City, and be done by local union laborers being paid prevailing wages. He also spoke on the purchase of various properties on Fourth Street by the City (Agenda Item #8), and gave a presentation on their development for use. The development of the properties will include lighting, landscaping and fencing in the area.

Mr. Piccirillo and Mayor Paul Dyster also spoke on the acquisition of the Main Street and Third Street properties that were formerly owned by Dr. Mehta (Agenda Item #7). Director of Business Development Anthony Vilardo added that the properties were scheduled for demolition, but an RFP will be prepared for the development of the properties, either individually or as a whole parcel. Mr. Vilardo thanked Corporation Counsel Craig Johnson for his work in acquiring these properties as part of the Plea Deal for Dr. Mehta.

Mayor Dyster noted that the above Presentations were on Projects that were a positive addition for the City, and thanked MIS Director Joseph Morock and his staff for their work in setting up the monitors and related equipment for Presentations in the Council Chambers.

Mayor Dyster introduced Elaine Timm, the new City Historian, and she said she is excited to begin her work.

City Administrator Donna Owens announced that the Mayor's State of the City Address will be held at the Conference Center on Thursday, February 25, at 6 PM, and invited all to attend.

Council Member Walker asked about the status of the new phone system, and Purchasing Director Johnny Destino responded that the hardware is being programmed, and should be delivered in a day or so.

The Council Members had several questions on Agenda Item #2, relative to on-street parking meter installations. The main concern was that there was no Plan in place for the collection and distribution of revenue from the meters, and staff requirements for servicing the meters. Mayor Dyster responded that these issues would be addressed "in house" in the beginning, and that the net revenue was more important than the gross revenue received. Council Member Grandinetti suggested bringing in an outside company to run the program for the first year just to get the system up and running. Council Member Tompkins said that all costs need to be included, and he needs more information before voting to approve this. Mayor Dyster said that the Agenda Item only covers the purchase of the system, and City Controller Maria Brown added that the funds had been set aside previously. She also suggested that expenses should be calculated before the parking rates are set. Chairman Touma noted that other Cities have done oversight of their parking systems "in house".

Council Member Scott said that a Plan needs to be put in place for the remaining Casino Funds.

Council Member Grandinetti asked the City Administrator to provide an update at another Council Meeting on the City's application to the State of New York Financial Restructuring Board.

This Session ended at 6:50 PM

Chairman Touma reconvened the Meeting at 7:05 P.M. in the Council Chambers with all Council Members present. The Prayer was said by Council Member Walker and the Chairman led the gathering in the Pledge of Allegiance to the Flag.

The Chairman asked if anyone wished to speak on Agenda Items or Community Interests, and the following spoke:

THE FOLLOWING COMMUNICATION WAS SUBMITTED BY THE CITY CLERK

CITY CLERK'S REPORT FOR THE MONTH OF JANUARY 2016

Agenda Item #1

THIS ITEM WAS RECEIVED AND FILED

THE FOLLOWING COMMUNICATIONS WERE SUBMITTED BY THE MAYOR

CONTRACT: PARKING METER INSTALLATIONS, BER-NATIONAL AUTOMATION, INC.

Agenda Item #2

The following were the result of bids received on February 2, 2016 for the above referenced project:

<u>CONTRACTOR</u>	<u>BASE BID</u>	<u>ALT.1</u>	<u>ALT.2</u>
Ber-National Auto.Inc. 1137 East Main Street Rochester NY 14609	\$257,950.00	\$58,580.00	\$38,660.00
T2 Systems	\$312,672.72	-	-
Cale America	\$349,032.00	\$64,798.26	\$38,880.40

After a thorough review of all the participants' proposals, qualifications and submittal information, it was determined that the firm Ber-National Automation, Inc. was the lowest qualified and responsible bidder. To that end, it is the recommendation of the undersigned that this project be awarded to Ber-National Automation, Inc. at their total bid of \$355,190.00. Funding will be made available from Casino funds to a dedicated capital code entitled: Parking Meter Program H1316.2013.1316.0449.599.

Will the Council vote to so approve and authorize the Mayor to execute a contract in a form acceptable to the Corporation Counsel?

Council Member Grandinetti moved that the communication be received and filed and the recommendation approved.

CITY PROPERTY: 250 RAINBOW BLVD., ENCROACHMENT

Agenda Item #3

A restaurant is proposed to open on the ground floor of the Jefferson apartment building located at the corner of Rainbow Boulevard and Third Street. Shawn Weber, one of the owners of the building, is cooperating with the operator of the restaurant, and wishes to install a sign on the building which will encroach into the City right-of-way. Attached (on file in the City Clerk's Office) are diagrams showing the location of this sign. During its meeting on February 10, 2016, the Planning Board recommended approval of this encroachment request. Attached (on file in the City Clerk's Office) hereto is a copy of the Planning Board recommendation. Conditions are attached to the Planning Board's recommendation.

Will the Council so approve this request with the conditions imposed by the Planning Board?

Council Member Grandinetti moved that the communication be received and filed and the recommendation approved.

MIS DEPARTMENT: CARPETING, FUNDING

Agenda Item #4

The Director of MIS advises that it is necessary to replace the carpeting in their offices, as it is worn and poses a safety issue.

Three estimates were obtained and Paynes Carpeting was the lowest estimate. This estimate is in the amount of \$4,785.00. Funding is available from casino interest.

Will the Council so approve?

Council Member Grandinetti moved that the communication be received and filed and the recommendation approved.

CITY WEB SITE, DEVELOPMENT, FUNDING

Agenda Item #5

The Director of MIS is requesting that the sum of \$32,000.00 be transferred from Internal Service Fund for telephone expenses to MIS department account A.1680.0000.0449.599. The purpose of this transfer is to help pay the cost of the development of the new City web site. Casino revenues were utilized to fund the Internal Service Fund and therefore it is requested that the Council approve the transfer of these casino revenues to the MIS department code mentioned above.

Will the Council so approve?

Council Member Grandinetti moved that the communication be received and filed and the recommendation approved.

Amendment is to change source of funding.

CONTRACT: MAPLE AVE. BASEBALL DIAMOND, BACKSTOP/FENCING, DAVIDSON FENCE

Agenda Item #6

The Acting Director of Public Works advises that it is necessary to remove the existing fence, backstop and dugout concrete and replace those items. Bids were solicited and there were two (2) responses. It is recommended that the City enter into a contract with Davidson Fence Inc. to perform the required work for a total price of \$19,650.00. Attached (on file in the City Clerk's Office) is the estimate from Davidson Fence Inc.

Funding is available from Tourism Fund Balance.

Will the Council so approve?

Council Member Walker moved that the communication be received and filed and the recommendation approved.

CITY PROPERTIES: 550 MAIN ST., 557, 565, 571, 569 THIRD ST., ACQUISITION

Agenda Item #7

The above referenced properties are presently owned by Malina P. Mehta, wife of Praven Mehta, M.D. Praven Mehta was a medical doctor and has pled guilty to various counts of unlawful distribution of controlled substances and has been sentenced to jail and a fine of \$500,000. As part of the plea negotiations entered into by and between the United States Attorney's Office and Dr. Mehta's attorney, Malina P. Mehta has agreed to forfeit the above referenced properties and deed them directly to the City of Niagara Falls for no consideration.

Title work is being done to make certain that title to the above referenced properties is clear. Attached (on file in the City Clerk's Office) are copies of surveys for most of the parcels as well as information on file in the City Assessor's Office.

The City has a strong interest in advancing the greater good of the community, protecting the public health, safety and environment and ensuring that neighborhoods are places where people want to live and business owners wish to invest. The above properties are in an important location in the City. Much state, local and private sector investment has taken place in the Third Street area in recent years where these properties are located including public realm infrastructure improvements. This area is undergoing a concerted urban revitalization effort by the City and its state and local partners and is expected to drive significant private sector commercial and residential development.

Recently, local developers have purchased nine (9) vacant properties which represent in excess of 1.7 million dollars in acquisition and renovation investment. In addition to revived commercial spaces, the area has seen over twenty (20) new market rate apartments made available on Third Street.

Upon taking title to these properties, it would be the City's intention to solicit requests for proposals to seek private sector individuals and/or entities to develop some or all of these properties while possibly retaining one or more for municipal purposes.

The City has not sought appraisals on these properties. The assessed values total \$184,500. There are unpaid School, County and City taxes as well as unpaid water bills which total approximately \$8,000.00. This City is responsible to pay these unpaid bills as well as incidental closing costs which will total approximately \$3,000.00. The Business Development Director, the Director of Community Development, as well as the Acting Director of Planning and Economic Development believe this is money well spent to acquire these properties which are prime development properties.

The Planning Board reviewed this request for acquisition during its meeting on February 10, 2016 and recommended that the City Council approve the acquisition of these properties.

Will the Council so approve and authorize the Mayor to execute any documents required to acquire these properties which are in form and content acceptable to the Corporation Counsel?

Council Member Walker moved that the communication be received and filed and the recommendation approved.

CITY PROPERTY: 428, 432, 446, 460 AND 462 4TH ST., SALE

Agenda Item #8

The administration requests Niagara Falls City Council approval of the sale of the following city owned parcels to Ellicott Development Company (EDC):

Properties	Assessed Value	EDC Proposed Price
460-462 4th St.	\$3,700	\$30,000
428-432 4th St.	\$3,600	\$9,000
446 4th St.	\$1,400	\$5,500
Total	\$8,700	\$44,500
Less: Consideration for demolition and asbestos/lead abatement (460 4th St.)		(\$27,000)
NET PURCHASE PRICE		\$17,500

The Niagara Falls Planning Board unanimously recommended the sale of these parcels to the Niagara Falls City Council at its January 11, 2016 meeting. Attached (on file in the City clerk's Office) hereto is a copy of the Planning Board recommendation. EDC is a property management, leasing and development firm that is responsible for the management of over 1,500,000 square feet of office space in Downtown Buffalo, over 1,000,000 square feet of retail space throughout New York and Western Pennsylvania, eight major hotels in the Western New York, as well as over 550,000 sq. ft. of residential apartments, condominiums and townhomes in the Buffalo/Niagara region. EDC's local holdings include the Giacomo Hotel at 222 1st Street and 473 3rd Street, 606 6th Street, in addition to new purchase activity.

EDC is investing in the 3rd Street Commercial District, and the purchase of these ancillary properties will strengthen potential economic impact. In 2015, EDC purchased the former Niagara Gazette Building (310 Niagara Street) which includes the parking lot at 418-426 4th Street. EDC then created an agreement to relocate the Niagara Gazette offices to 473 3rd Street, which is also owned by EDC. This ensures that approximately 40 Niagara Gazette employees remain in downtown Niagara Falls.

EDC is requesting to purchase these parcels to support both the renovation/development of 310 Niagara Street and business operations at 473 3rd Street. EDC will convert 460-462 4th Street to off-street parking for employees/customers of 473 3rd Street. 428, 432, and 446th Street will be maintained as part of the larger development of 310 Niagara Street (former Niagara Gazette Building). EDC has also agreed to include public parking access at 418-424 4th Street, off peak hour public parking access at 460-462 4th St and landscaping the 4th Street frontage of all aforementioned parcels as part of this sale agreement. Upon Niagara Falls City Council approval, the City of Niagara Falls Legal Department will draft a sales agreement that outlines the city's expectations of EDC for both parking access and landscaping.

Public and residential parking is a pressing issue on both the 400 and 500 blocks of 3RD Street. As new businesses open and market rate apartments are added, available on-street and parking lot spaces diminish. This problem is compounded during an ever expanding tourism season. Off street parking along the 3rd / 4TH Street alley is a logical and preferred solution. The City of Niagara Falls purchased 425 3rd Street, with Niagara Falls Planning Board approval, earlier this year to act as a pedestrian connection between the 3rd Street Commercial District and off street parking. EDC's purchase proposal will provide public parking access at 418-424 4th Street, which is already lit and paved, as well as a new parking option at 460-462 4th Street. In addition to returning five city owned properties to the tax roll and eliminating blight, this transfer offers a forward thinking and cost effective solution to some of the district's parking concerns.

The sale of these properties is part of larger, and vitally important, development initiatives in the downtown core. In 2012, the City of Niagara Falls Community Development Department was awarded a Western New York Regional Economic Development Council grant for the Downtown Niagara Falls Stabilization Project. Targeted demolitions of blighted structures on 4th Street, bordering the 3rd/4th Street alleys, was a grant component. The City of Niagara Falls demolished these blighted structures in order to support the private sector's purchase and renovation of vacant and under-utilized buildings along 3rd Street. Simply put, the strategy is working. In the past four years, 435 3rd Street, 444 3rd Street, 451 3rd Street, 460 3rd Street, 463 3rd Street, 231 Ferry Avenue and 539 Main Street have been purchased and renovated by local developers for market rate residential/commercial use. The addition of EDC as the developer of 310 Niagara Street, with its impressive renovation/management track record at the Giacomo Hotel, only adds to the ongoing success of the 3rd Street Commercial District. Based on contract review, the City of Niagara Falls deems the \$27,000 estimate for the demolition of 460 4th Street to be fair and reasonable. The Niagara Falls Community Development's average per structure demolition cost, including asbestos abatement, is \$24,000. Analysis of the 2013 demolition contract that included 4th Street demolition determined that dollar amount.

The City of Niagara Falls has a responsibility to address parking, pedestrian access, blight clearance and neighborhood walkability in a responsible and timely manner. Focusing on private sector partnership, the administration presents the sale of 428, 432, 446, 460 and 462 4th Street as a needed and valuable solution.

Will the Council find that the best interest of the City shall be subserved by dispensing with a sale of 428, 432, 446, 460 and 462 4th Street at public auction, approve the sale of 428, 432, 446, 460 and 462 4th Street to EDC on the terms described herein, and authorize the Mayor to enter into subsequent legal agreements, once the aforementioned material items are satisfied and are in form and content satisfactory to the Corporation Counsel and sign deeds of conveyance and ancillary documents?

THE FOLLOWING COMMUNICATION WAS SUBMITTED BY THE CORPORATION COUNSEL
IN REM PROPERTIES, APPROVAL OF ACTIONS

Agenda Item #25

We have been contacted by the attorney for the former owner of Ward
12, Pro 3673, which the City took title to in the recent In Rem
proceeding.

It was anticipated that this property would be included in the
upcoming home ownership auction being conducted by the Community
Development Department. The prior owner had health issues which
prevented him from redeeming the property during the regular period to do
so. The attorney has in his trust account, enough funds to cover all
outstanding City, School and County taxes and other fees associated with
the property.

Based upon this, it is recommended that the Council approve the
reconveyance of the property to the former owner, upon the payment of all
outstanding taxes and fees as well as any recording fees and authorize
the Mayor to execute a deed in a form acceptable to the Corporation
Counsel.

At the January 25, 2016 Council Meeting, you voted to reject the
bids on Ward 5, Pro 1607 and Ward 9, Pro 2797 due to the bidder having
outstanding housing inspection issues on another property. We have been
informed by the Department of Code Enforcement that these are recent
violations and that the bidder normally resolves any such issues in a
timely manner, but has been unable to proceed quickly on this property
due to issues with the tenant. Based on this, it is recommended that the
Council vote to accept the bids and authorize the Mayor to execute deeds
in a form acceptable to the Corporation Counsel.

Also at your January 25, 2016 meeting, you voted to reject the bid on Ward 12, Pro 4332 due to the bidder having outstanding housing inspection issues on a property he owns. Acceptable proof has been provided that this individual was bidding on behalf of the Highland Community Revitalization Committee. Based on this, it is recommended that the Council vote to accept the bid and authorize the Mayor to execute a deed to the Highland Community Revitalization Committee in a form acceptable to the Corporation Counsel.

Will the Council so approve?

Purchasing Agent Johnny Destino introduced Neal Turvey of Pitch N Hit Events, who spoke on the proposal to operate and manage the Sal Maglie Stadium (Agenda Item #5). Mr. Destino read the following letter of support for the record.

To the Niagara Falls City Council

I've been informed that today you will consider a proposal submitted by Mr. Neal Turvey concerning the use of Sal Maglie Stadium for the next three years.

We know proposals are submitted for many things for Council consideration. Most make promises they may or may not be able to keep. Up front money always looks good, but if/when it falls through, it can affect people and business for years to come in lost revenues, venue damage from lack of use of upkeep, and more time and money wasted than any government wants to lose or spend.

This proposal is not one of those "hope it works" pieces of paper. Mr. Turvey and the Jr. Thunderwolves organization have a long and very prosperous track record in supporting and molding the youth of the Niagara region. They have the willingness and desire to invest the time, effort and manpower needed to showcase Sal Maglie Stadium as a place the youth of Niagara Falls and the region wants to play at.

As it stands now, when promoting the regional tournaments, names like Sanborn and Lockport NY are promoted throughout the baseball community. While these places do a fine job, they do not have the name recognition or drawing power that Niagara Falls has. Out of state teams will be apt more to join tournaments played here, and even schedule full vacations in conjunction.

When my father was alive, he was a big proponent of the youth of this city. During his playing days, he would sponsor little league kids on weekend junkets to New York City to watch him play. He would even escort the train ride when possible. After retirement, he would arbitrarily show up at youth practice to offer pointers and help out. He even lent his name to a local youth league to help them get on their feet.

Today, a lot of this city's youth aren't aware of who Sal Maglie was or what he did for them. If he were alive today, he would freely offer his full support to the Thunderwolves program. They in turn are in position to continue his legacy.

Even though circumstances have me living elsewhere, I still have many relatives in the area, and visit often. I care about them, and I care about the city that I still love and my Dad chose to never leave.

This proposal offers full summer use and general upkeep of the stadium, easing the city burden. It provides a new group of tourists to use hotels, restaurants, souvenir shops, and other area businesses that otherwise may never come here, bringing in even more tax dollars.

And most importantly to the stadium's namesake, it's something the youth of this city can look forward to take part in, helping to build teamwork, character, and a sense of community.

I urge you to approve this proposal and allow Mr. Turvey and the Jr. Thunderwolves to show what they can do for this city. Thank you for your time.

Sincerely,
Joe Maglie

Mr. Turvey noted that his company will take over the Stadium immediately, pay the utilities, and there will be a new scoreboard. Also, the School District will also be able to use the Stadium.

Daniel Shubsda, President of Northpointe Council, spoke on the history of the Methadone Program in the City. He noted that those in the Program are people in recovery who are working their Program. Council Member Grandinetti said that the proposed Sixth Street site for the Clinic is in a walkable, livable neighborhood, and asked that an alternate site on Buffalo Avenue be given consideration. Council Member Tompkins asked if any meetings were held for public input on the proposed site, and Mr. Schubsda said that Block Clubs were met with. Community Development Director Seth Piccirillo added that if the Buffalo Avenue site will be considered, the Department of Health and other entities will expedite the necessary approvals. Mr. Piccirillo also added that BOCES is still interested in locating some of their Programs at the 606 Walnut Avenue site.

Fire Chief Tom Colangelo read the Captain's Report on an incident involving a citizen who suffered an apparent heart attack and was revived by an off-duty Firefighter and assisted by members of Engine 9.

Mayor Paul Dyster thanked those involved, and, after the following Resolution was adopted, Chairman Touma read the Resolution, and the members of the Fire Department were presented with copies of the Resolution.

RESOLUTION: FIRE DEPARTMENT, ENGINE 9, DOBMEIER, KEVIN, RECOGNITION, 2016-24

BY: ALL COUNCIL MEMBERS

Agenda Item #11

WHEREAS, on Friday, February 12, 2016, a citizen suffered a sudden heart attack while removing snow from a neighbor's driveway in the 8700 block of Bollier Avenue; and

WHEREAS, Kevin Dobmeier, an off-duty member of the Niagara Falls Fire Department, was passing the scene in his vehicle as the heart attack was happening; and

WHEREAS, Firefighter Dobmeier exited his vehicle, alertly assessed the situation, started CPR and summoned help to the scene; and

WHEREAS, members of Engine 9, including Captain Mike Accetta and Firefighters Chris Janese, Larry Quarcini and Tim Kennedy, responded to the scene almost immediately and administered emergency medical care which saved the life of the citizen in question.

NOW THEREFORE BE IT RESOLVED, that Captain Accetta and Firefighters Dobmeier, Janese, Quarcini and Kennedy be recognized for their timely and heroic efforts which resulted in a positive outcome to this unfortunate situation. These individuals exemplify the professionalism of the Niagara Falls Fire Department and are a credit to both the Department and the City.

In the Administrative Update, City Administrator Donna Owens spoke on the Plan for installation of parking meters. She said that: the meters will be maintained by three temporary workers from the Department of Public Works who will work from 7 AM to 11 PM during the peak season of May to October; one Police Officer from the Traffic Division will be dedicated to meter enforcement; the Public Works and Engineering Departments will identify the placement of the meters; workers will be trained by the meter company; and the process will take approximately 6 - 8 weeks for completion. Council Member Grandinetti noted that there was a lot going on in the downtown area over the weekend, and asked why the parking lots were not staffed, so parking was free. Acting Director of Public Works John Caso replied that communication between his Department and staff at the Conference Center needs to be improved, in order to address this situation. Council Member Walker inquired about the placement of the meters, and City Administrator Owens said that meters would first be placed on the street and in the minor lots, then in the ramp and major lots. Council Member Tompkins inquired about a resident parking pass, and this will be discussed at a later phase in the program. Superintendent of Police Bryan DalPorto spoke on the purchase of a plate reader and additional equipment for the Police Department that would help in the implementation of enforcement with the installation of the parking meters.

Chairman Touma asked Mayor Dyster about a Casino Spending Plan, and said that a Plan needs to be created. The Mayor responded that 99H, which controls the distribution of Casino Funds, was being worked on. The Mayor added that he had spoken to a Staff Member of the State's Financial Restructuring Board, who informed him that the City's application was being reviewed. Council Member Walker noted that the Casino Plan in place has not been adhered to, and Funds have been spent on Projects other than those for which they were designated.

City Controller Maria Brown informed the Council Members that she was in the process of renegotiating Bonds issued in 2006 and 2007 that would now have a better interest rate.

Corporation Counsel Craig Johnson distributed copies of an amendment to Agenda Item #2 and a Resolution to be added to the Agenda:

THE FOLLOWING COMMUNICATION WAS SUBMITTED BY THE CITY CLERK

CITY CLERK CLAIMS FOR THE MONTH OF FEBRUARY 2016

Agenda Item #1

THIS ITEM WAS RECEIVED AND FILED

THE FOLLOWING COMMUNICATIONS WERE SUBMITTED BY THE MAYOR

CONTRACT: PARKING METER INSTALLATIONS, BER-NATIONAL AUTOMATION, INC.

Agenda Item #2

The following were the result of bids received on February 2, 2016 for the above referenced project:

<u>CONTRACTOR</u>	<u>BASE BID</u>	<u>ALT.1</u>	<u>ALT.2</u>
Ber-National Automation, Inc. 1137 East Main Street Rochester NY 14609	\$257,950.00	\$58,580.00	\$38,660.00
T2 Systems	\$312,672.72	-	
Cale America	\$349,032.00	\$64,798.26	\$38,880.40

After a thorough review of all the participants' proposals, qualifications and submittal information, it was determined that the firm Ber-National Automation, Inc. was the lowest qualified and responsible bidder. To that end, it is the recommendation of the undersigned that this project be awarded to Ber-National Automation, Inc. at their total bid of \$355,190.00. Funding will be made available from Casino funds to a dedicated capital code entitled: Parking Meter Program H1316.2013.1316.0449.599.

A meeting with representatives from Ber-National Automation, Inc. ("BER") took place on Wednesday, March 2, 2016 at the offices of the Department of Public Works ("DPW"). The BER representative attending the meeting gave a presentation which included a great amount of detail in the operation of the parking meter system and the tasks the City will be required to undertake in order to operate the system after installation is accomplished. Based upon the information provided by the BER representative, it became apparent that existing DPW budgeted employees (both budgeted temps and full-time employees) will be able to absorb and accomplish the tasks required to operate these parking meters in the ordinary course of business at little or no additional expense and without any changes to existing job specifications. The Director of DPW advises that he is restructuring the duties of three (3) existing department employees to charge them with performing the tasks these meters will require. Those tasks, at this point, appear to be limited to occasional changing of receipt tapes (each parking meter can accommodate 6,500 separate receipts!) and replacement of the sealed cash boxes as needed. The volume of customers will determine the frequency with which these tasks must be performed. The necessity to perform these tasks will be monitored remotely and individuals will be dispatched to perform those tasks on an as-needed basis. This is consistent with inquiries made of other communities.

BER will perform any maintenance required on these parking meters during the first year of operation as part of its bid. Training of City employees will also be performed so that City employees may perform any necessary maintenance going forward.

As far as the enforcement component is concerned, the Superintendent of Police advises that he will detail a traffic officer on duty to the downtown area of the City to engage in enforcement activity, as needed, as part of that officer's daily duties. In order to efficiently perform enforcement activity, it will be necessary for the City to acquire a license plate scanner with software and appropriate equipment. The Police Superintendent researched this issue and has determined that the existing license plate scanners and software cannot be retrofitted for this purpose due to compatibility issues. Therefore, he is recommending that the proprietary system available through BER National that is compatible with the parking meters be acquired at this time at an additional cost of \$86,250.00 plus a license fee of \$4,000.00. Going forward, this \$4,000.00 license fee must be paid annually. Casino revenues are available to pay for this component of the parking meter initiative. It is therefore requested that the City Council approve this purchase at this time as well.

Finally, the Administration is proposing that Council authorize the implementation of a variable per-hour on-street parking meter rate. The rate structure will be adjusted during peak and non-peak times accordingly to encourage customer parking in the City ramp and surface lots. The initial proposed hourly rates for on-street parking will fluctuate between \$1.00 and \$3.00 per hour. The City Council has also expressed an interest in exploring opportunities for a resident parking pass to utilize City ramps and surface lots at a discounted price. The administration remains receptive to exploring those opportunities as well as we begin planning future phases of the parking program.

Will the Council vote to so approve and authorize the Mayor to execute a contract in a form acceptable to the Corporation Counsel?

Council Member Grandinetti moved that the communication be received and filed and the recommendation approved.

Council Member Tompkins said he was not happy 2 weeks ago with the lack of information and didn't get much time to digest this information. There is no real plan, but additional funding is being requested. He will vote yes because he realizes the value of getting the meters installed.

Council Member Walker said the additional \$90,000 that was requested should be used to purchase additional meters, more work needs to be done on the Plan.

Chairman Touma said a Parking Plan is needed for future development, and meters should increase traffic flow. The revenues will be good, and tourists expect to pay for parking. The meters will be managed in house at a minimum labor cost.

CONTRACT: ICE PAVILION, PHASE IV, ELECTRICAL ICE RINK FLOOR/DASHER BOARD REPLACEMENT, SOUTH BUFFALO ELECTRICAL INC.

Agenda Item #3

A contract for the above referenced project was awarded to South Buffalo Electrical, Inc. 1250 Broadway Street, Buffalo, NY, on March 9, 2015 in an amount of \$83,285.00.

As the project progressed it became apparent that out of scope tasks associated with the operation of the facility were necessary. Power and controls for new equipment needed additional electric work also existing fire alarm devices needed to be relocated.

The total cost of this extra work is \$2,185.74.

Therefore, it is the recommendation of the undersigned that Change Order #1 in the amount of \$2,185.74 be approved, bringing the new contract total to \$88,470.74. Existing funding is available through a Bond Resolution approved by City Council for this project.

Will the Council vote to so approve?

CONTRACT: SAL MAGLIE STADIUM, OPERATE/MANAGE, PITCH AND HIT EVENTS LLC

Agenda Item #5

The City Purchasing Division prepared a Request for Proposals ("RFP") for the operation and management of Sal Maglie Stadium. The RFP #2015-24 was advertised in the Niagara Gazette. The RFP was also posted on the City website and promoted on social media platforms. The Purchasing Division received several verbal inquiries regarding the facility and a formal response was received from one (1) vendor.

The opportunity contained in the RFP was for "a license to operate and manage the city-owned facility known as Sal Maglie Stadium." Pursuant to the terms of the request, the vendor would be granted a license to operate and manage the facility for an initial term of three (3) years to commence April 1, 2016 and ending March 31, 2019. The license may be terminated by either party with proper notice after the first year of the agreement. The City is offering the property in "as is" condition and will be responsible for repairs made to the structure and fixtures. During the term of the agreement and any subsequent renewal, the vendor will be responsible for paying all operational expenses of the Stadium Facility, inclusive of the cost of all utilities.

The basis for awarding this license was stated in the RFP as follows:

"The City, in its sole discretion, will determine which proposal is most suitable to the City. Among the items to be considered in making its determination, the City will... take into consideration the payments proposed to be made in Paragraph 3 herein, the uses proposed in Paragraphs 5, 20, and 21, as well as the business background, experience and qualifications of the licensee/staff as well as the City's due diligence."

The response to the RFP from Pitch and Hit Events LLC (on file in the City Clerk's Office) was reviewed and determined by the Administration to be responsive to our request. A committee comprised of several department heads conducted interviews of key personnel and performed reference checks. Pitch and Hit Events has agreed to pay the City one dollar (\$1.00) annually on April 1st and a negotiated portion of its stadium generated revenues payable to the City on October 31st of each year.

It is recommended that the license to operate and manage Sal Maglie Stadium be awarded to Pitch and Hit Events LLC upon such terms as negotiated.

Will the Council so approve and authorize the Mayor to execute an agreement specifying the terms and conditions of the license to operate and manage Sal Maglie Stadium in form and content satisfactory to the Corporation Counsel?

RESOLUTION: HOME RULE REQUEST, SPEED LIMIT 2016-26
BY: COUNCIL CHAIRMAN ANDREW TOUMA

Agenda Item #9

WHEREAS, Section 1634 of the New York State Vehicle and Traffic Law, concerning speed limits on highways in cities and villages, provides that no such speed limit applicable throughout such city or village or within designated areas of such city or village shall be established at less than 30 miles per hour; and

WHEREAS, Senator Robert Ortt introduced Senate Bill No. S3115 and Assemblyman John Ceretto introduced Assembly Bill A3640, as annexed hereto, which would authorize and empower the City of Niagara Falls to lower the speed limit to not less than 25 miles per hour in its downtown area in furtherance of projects to attract new investment in said downtown area; and

WHEREAS, in order for the legislative process to continue, this Council is asked to adopt the annexed Home Rule Request.

NOW THEREFORE BE IT RESOLVED, that the Council of the City of Niagara Falls, New York does hereby recognize, acknowledge and support the enactment by the New York State Legislature of Senate Bill No. S3115 and Assembly Bill A3640, entitled "An Act Relating to Authorizing the City of Niagara Falls, County of Niagara, to Reduce the Speed Limit in Downtown Niagara Falls", and this Council declares that a necessity exists for the enactment of such legislation; and

BE IT FURTHER RESOLVED, that the Clerk of this Council is directed to complete and certify the Home Rule Requests and forward copies of the New York State Legislature as required.

Chairman Touma welcomed Council Member Tompkins three daughters to the Meeting.

Acting Director of Planning and Economic Development Thomas DeSantis spoke on the City's Comprehensive Plan, which has developed over the course of several Administrations. He spoke about various Projects were part of the Plan, and noted that the reconfiguration of the Robert Moses Parkway will spur new development. Council Member Tompkins observed that the Plan targets the downtown area, and asked how the rest of the City benefits from the Plan. Mr. DeSantis said that the rest of the City is involved, and mentioned work done at the LaSalle Library, the Buffalo Avenue Waterfront Park, Griffon Park and Jayne Park. Chairman Touma added that it is important to highlight and showcase the rich history of the City.

Community Development Director Seth Piccirillo spoke on the 2016 CD Final Action Plan Allocation, explaining the changes that were made to the Plan. He said that home ownership is a #1 priority for his Department. He also said that he has reduced costs in his Department through attrition when employees have retired. He said that his Department is audited by HUD on a yearly basis, and Chairman Touma requested that the Council be apprised of the results of each Audit.

Mr. Piccirillo also spoke on the Highland Avenue Fire Hall, and it's use by Isaiah 61. He said that the work on the Fire Hall is scheduled to be completed in 2016, and thanked the Engineering Department for overseeing the roofing Project at the Fire Hall. Isaiah students will be doing some of the work inside the Fire Hall as part of their training. Mr. Piccirillo also noted that the investment in the Fire Hall will encourage other development/investment in the Highland Avenue Area.

Mayor Paul Dyster reported that he had been invited to attend a local Meeting with the Secretary of Labor and others about the issue of employment opportunities for residents, and how municipalities can help with this issue.

Mayor Dyster also spoke on his invitation from President Obama to welcome Canadian Prime Minister Trudeau to the White House, alongwith local high school students.

Mayor Dyster informed the Council Members that the City's Home Rule Request relative to the downtown speed limit had passed in the NYS Senate today.

City Administrator Donna Owens reported that a Meeting was held on March 14 on the parking meters, and the operator application was filled out. A site survey was done on the placement of the meters, and another Meeting will be held on March 30 to go over the meter placement. City Administrator Owens will give the Council an update on the parking meters every two weeks.

City Administrator Owens also reported that the Department of Public Works and Modern will begin additional bulk pickups in April.

Chairman Touma inquired about locations in the City for Bed and Breakfasts, and Mr. DeSantis responded that they can be located anywhere within the City with the proper approvals, and the Zoning Ordinance can be changed if the Council wishes to do so. Mayor Dyster added that this issue was a topic of discussion at the recent NYCOM Meeting.

Chairman Touma asked about High Speed Rail Service between Toronto and Niagara Falls, and Mr. DeSantis said that this is a topic of discussion and will benefit the City.

Corporation Counsel Craig Johnson distributed copies of a Resolution to be added to the Agenda relative to amending golf course fees for disabled golfers.

Council Member Grandinetti moved to add the Resolution to the Agenda.

MOTION TO ADD RESOLUTION TO AGENDA APPROVED

The Resolution was added to the Agenda as #8.

Deputy Corporation Counsel Thomas O'Donnell reminded the Council Members that Agenda Item #7, a Resolution relative to Public Improvement Refunding Serial Bonds, required 4 affirmative votes to pass.

This Session ended at 6:15 PM

Chairman Touma reconvened the Meeting at 6:35 P.M. in the Council Chambers with Council Members Grandinetti, Scott, Tompkins, Chairman Touma present and Council Member Charles Walker excused. The Prayer was said by Council Member Grandinetti and the Chairman led the gathering in the Pledge of Allegiance to the Flag.

The Chairman asked if anyone wished to speak on Agenda Items or Community Interests, and the following spoke:

CONTRACT: OFFICE OF THE AGING

Agenda Item #2

In the past, the City has served as a contractor for the Niagara County Office for the Aging by providing information and assistance services to persons 60 years old or older who meet Office for the Aging eligibility requirements. These services are performed at 1201 Hyde Park Boulevard, Niagara Falls, New York. The City is paid an amount not to exceed \$9,025.00 for these services. The term of the agreement is January 1, 2016 through December 31, 2016.

Will the Council so approve and authorize the Mayor to execute an agreement in form and content satisfactory to the Corporation Counsel?

Council Member Grandinetti moved that the communication be received and filed and the recommendation approved.

COMMUNITY DEVELOPMENT: 2016 BUDGET FINALIZATION

Agenda Item #3

The City Council approved the Fiscal Year 2016 Consolidated Annual Plan in December 2015. The Consolidated Annual Plan included the Community Development Block Grant (CDBG) Program, HOME, and Emergency Solutions Program (ESG); all funded through annual Department of Housing and Urban Development (HUD) allocations. These budgets were presented to the City Council in draft form, using an estimate from the 2015 actual budget amount, to accommodate the city and federal governments' differing fiscal year budget schedules. HUD's final Fiscal Year 2016 allocations were released on February 17, 2016. Cumulatively, the city's final CDBG, HOME and ESG allocation is 0.14 percent higher than the \$2,758,830 budget previously presented to the community and approved by the City Council. The individual programs are affected as follows:

Draft vs. Actual

Source	Draft 2016 Action Plan	HUD 2016 Final Allocation	\$ Change	% Change
CDBG	\$2,241,544	\$2,224,029	(\$17,515)	-0.7
HOME	\$317,911	\$336,952	\$19,041	6.0
ESG	\$199,375	\$201,784	\$2,409	1.2
TOTAL	\$2,758,830	\$2,762,765	\$3,935	0.1

The Community Development Department proposes the following revisions to the 2016 Community Development Action Plan, to bring the budget estimate in line with the final allocations. The proposed changes also reflect HUD's requirement that no more than 15 percent of CDBG funds be dedicated to public services programs and no more than 20 percent be dedicated to administrative costs. No sub recipients are harmed in this reallocation.

2016 Programmatic Changes

CDBG Budget	\$ Change
NF Ranger Program	(\$2,628)
CD Housing Rehab.	(\$11,384)
CD Admin	(\$3,503)

HOME Budget	
CD Housing Rehab.	\$19,041

ESG Budget	
Family & Children Services	\$2,409

Per HUD and City of Niagara Falls Citizen Participation Plan Guidelines, the city will adjust programmatic budgets to meet the final allocation without deviating from the project scopes or objectives already approved by the City Council. Will Council vote to so approve and authorize the Community Development Director to make the necessary budget adjustments?

Council Member Grandinetti moved that the communication be received and filed and the recommendation approved.

RESOLUTION: DEDICATED PUBLIC ROADWAY, 2016-29
 BY: COUNCIL CHAIRMAN ANDREW TOUMA

Agenda Item #6

WHEREAS, during its meeting on October 5, 2015, the City Council approved the sale of a parcel of real property consisting of approximately .57 acres (approximately 245 feet x 103 feet) ("the Property") of City owned real estate to NFNH Hotel Management, LLC ("NFNH") 300 Third Street, Niagara Falls, New York 14303 in order for NFNH to construct an improvement to the Sheraton hotel it owns and operates at 300 Third Street, Niagara Falls, New York; and

WHEREAS, by contract dated December 23, 2015, the City and NFNH entered into a Contract of Sale wherein the City agreed to sell and NFNH agreed to purchase the Property (the "Contract") on agreed terms and conditions; and

WHEREAS, one of the terms and conditions contained in the Contract calls for the City to publicly dedicate a roadway for vehicular and pedestrian access on real estate already owned by the City and already utilized for that purpose; and

WHEREAS, although utilized as such, that roadway was never publically dedicated as a roadway; and

WHEREAS, legal descriptions of the roadway to be dedicated as a public roadway are attached hereto and shown on a survey also attached (on file in the City Clerk's Office) hereto; and

WHEREAS, there is no cost associated with the acquisition and construction of these roadway areas as City roadways because the City already owns the real property in question and the roadways have already been constructed; and

WHEREAS, the City has utilized this as a public roadway for vehicles and pedestrians pursuant to an easement from the Niagara Falls Urban Renewal Agency in 1987 which easement is in the process of being extinguished; and

WHEREAS, the Property abuts the Sheraton hotel and comprises a portion of the area utilized as an undedicated roadway; and

WHEREAS, the City will be required to maintain these public roadways going forward as it has since approximately 1987.

NOW, THEREFORE, this City Council does hereby refer the question of whether these public roadways should be dedicated as public roadways to the Niagara Falls Planning Board for review and recommendation.

RESOLUTION: "SERIAL BONDS", PUBLIC IMPROVEMENT REFUNDING AND PAYMENT OF THE BONDS TO BE REFUNDED, 2016-30
BY: ALL COUNCIL MEMBERS

Agenda Item #7

WHEREAS, the City of Niagara Falls, Niagara County, New York (hereinafter, the "City") heretofore issued \$9,364,000 General Obligation (Serial) Bonds, 2006, pursuant to various bond resolutions to pay the cost of various City purposes, as further described in the bond determinations certificate of the City Controller dated November 15, 2006 (hereinafter referred to as the "2006 Refunded Bond Determinations Certificate"), such General Obligation (Serial) Bonds, 2006, being dated November 15, 2006 with remaining maturities on May 15 in the years 2016 through 2028, both inclusive, as more fully described in the 2006 Refunded Bond Determinations Certificate (the "2006 Refunded Bonds"); and

WHEREAS, the City also heretofore issued \$39,400,000 General Obligation (Serial) Bonds, 2007 pursuant to a bond resolution to pay the cost of the acquisition of a new public safety and courts facility complex in and for said City, as further described in the bond determinations certificate of the City Controller dated December 1, 2007 (hereinafter referred to as the "2007 Refunded Bond Determinations Certificate"), such General Obligation (Serial) Bonds, 2007, being dated December 1, 2007 with remaining maturities on December 1 in the years 2016 through 2037, both inclusive, as more fully described in the 2007 Refunded Bond Determinations Certificate (the "2007 Refunded Bonds"); and

WHEREAS, it would be in the public interest to refund all or a portion of the outstanding principal balance of the 2006 Refunded Bonds and the 2007 Refunded Bonds maturing in 2018 and thereafter (collectively, the "Refunded Bonds") by the issuance of refunding bonds pursuant to Section 90.10 of the Local Finance Law; and

WHEREAS, such refunding will only be undertaken if it results in present value savings in debt service as required by Section 90.10 of the Local Finance Law; NOW, THEREFORE, BE IT

RESOLVED, by the Council of the City of Niagara Falls, Niagara County, New York, as follows:

Section 1. For the object or purpose of refunding the outstanding principal balance of the Refunded Bonds maturing in 2018 and thereafter as more fully set forth in the Refunding Financial Plan (hereinafter defined), including providing moneys which, together with the interest earned from the investment of certain of the proceeds of the refunding bonds herein authorized, shall be sufficient to pay (i) the principal amount of such Refunded Bonds, (ii) the aggregate amount of unmatured interest payable on such Refunded Bonds to and including the date on which the Refunded Bonds which are callable are to be called prior to their respective maturities in accordance with the refunding financial plan, as hereinafter defined, (iii) the costs and expenses incidental to the issuance of the refunding bonds herein authorized, including the development of the refunding financial plan, as hereinafter defined, compensation to the underwriter or underwriters, as hereinafter defined, costs and expenses of executing and performing the terms and conditions of the escrow contract or contracts, as hereinafter defined, and fees and charges of the escrow holder or holders, as hereinafter mentioned, and (iv) the premium or premiums for a policy or policies of municipal bond insurance or cost or costs of other credit enhancement facility or facilities, for the refunding bonds herein authorized, or any portion thereof, there are hereby authorized to be issued not exceeding \$42,000,000 refunding serial bonds of the City pursuant to the provisions of Section 90.10 of the Local Finance Law (the "Refunding Bonds"), it being anticipated that the amount of Refunding Bonds actually to be issued will be approximately \$38,440,000, as provided in Section 4 hereof. The Refunding Bonds described herein are hereby authorized to be consolidated for purposes of sale in one or more refunding serial bond issues. The Refunding Bonds shall each be designated substantially "PUBLIC IMPROVEMENT REFUNDING (SERIAL) BOND" together with such series designation and year as is appropriate on the date of sale thereof, shall be of the denomination of \$5,000 or any integral multiple thereof (except for any odd denominations, if necessary) not exceeding the principal amount of each respective maturity, shall be numbered with the prefix R-16 (or R with the last two digits of the year in which the Refunding Bonds are issued as appropriate) followed by a dash and then from 1 upward, shall be dated on such dates, and shall mature annually on such dates in such years, bearing interest semi-annually on such dates, at the rate or rates of interest per annum, as may be necessary to sell the same, all as shall be determined by the City Controller pursuant to Section 4 hereof. It is hereby further determined that (a) such Refunding Bonds may be issued in series, (b) such Refunding Bonds may be sold at a discount in the manner authorized by paragraph a of Section 57.00 of the Local Finance Law pursuant to subdivision 2 of paragraph f of Section 90.10 of the Local Finance Law, and (c) such Refunding Bonds may be issued as a single consolidated issue. It is hereby further determined that such Refunding Bonds may be issued to refund all, or any portion of, the Refunded Bonds, subject to the limitation hereinafter described in Section 10 hereof relating to approval by the State Comptroller.

Section 2. The Refunding Bonds may be subject to redemption prior to maturity upon such terms as the City Controller shall prescribe, which terms shall be in compliance with the requirements of Section 53.00 (b) of the Local Finance Law. If less than all of the Refunding Bonds of any maturity are to be redeemed, the particular refunding bonds of such maturity to be redeemed shall be selected by the City by lot in any customary manner of selection as determined by the City Controller.

Notice of such call for redemption shall be given by mailing such notice to the registered owners not less than thirty (30) days prior to such date. Notice of redemption having been given as aforesaid, the bonds so called for redemption shall, on the date for redemption set forth in such call for redemption, become due and payable, together with interest to such redemption date, and interest shall cease to be paid thereon after such redemption date.

The Refunding Bonds shall be issued in registered form and shall not be registrable to bearer or convertible into bearer coupon form. In the event said Refunding Bonds are issued in non-certificated form, such bonds, when issued, shall be initially issued in registered form in denominations such that one bond shall be issued for each maturity of bonds and shall be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"), which will act as securities depository for the bonds in accordance with the Book-Entry-Only system of DTC. In the event that either DTC shall discontinue the Book-Entry-Only system or the City shall terminate its participation in such Book-Entry-Only system, such bonds shall thereafter be issued in certificated form of the denomination of \$5,000 each or any integral multiple thereof (except for any odd denominations, if necessary) not exceeding the principal amount of each respective maturity. In the case of non-certificated Refunding Bonds, principal of and interest on the bonds shall be payable by check or draft mailed by the Fiscal Agent (as hereinafter defined) to DTC, or to its nominee, Cede & Co., while the bonds are registered in the name of Cede & Co. in accordance with such Book-Entry-Only System. Principal shall only be payable upon surrender of the bonds at the principal corporate trust office of such Fiscal Agent (or at the office of the City Controller as Fiscal Agent as hereinafter provided).

In the event said Refunding Bonds are issued in certificated form, principal of and interest on the Refunding Bonds shall be payable by check or draft mailed by the Fiscal Agent (as hereinafter defined) to the registered owners of the Refunding Bonds as shown on the registration books of the City maintained by the Fiscal Agent (as hereinafter defined), as of the close of business on the fifteenth day of the calendar month or last day of the calendar month preceding each interest payment date as appropriate and as provided in a certificate of the City Controller providing for the details of the Refunding Bonds. Principal shall only be payable upon surrender of bonds at the principal corporate trust office of a bank or trust company or banks or trust companies located or authorized to do business in the State of New York, as shall hereafter be designated by the City Controller as fiscal agent of the City for the Refunding Bonds (collectively the "Fiscal Agent").

Refunding Bonds in certificated form may be transferred or exchanged at any time prior to maturity at the principal corporate trust office of the Fiscal Agent for bonds of the same maturity of any authorized denomination or denominations in the same aggregate principal amount.

Principal and interest on the Refunding Bonds will be payable in lawful money of the United States of America.

The City Controller, as chief fiscal officer of the City, is hereby authorized and directed to enter into an agreement or agreements containing such terms and conditions as he shall deem proper with the Fiscal Agent, for the purpose of having such bank or trust company or banks or trust companies act, in connection with the Refunding Bonds, as the Fiscal Agent for said City, to perform the services described in Section 70.00 of the Local Finance Law, and to execute such agreement or agreements on behalf of the City, regardless of whether the Refunding Bonds are initially issued in certificated or non-certificated form; provided, however, that the City Controller is also hereby authorized to name the City Clerk as the Fiscal Agent in connection with the Refunding Bonds if said Refunding Bonds are issued in non-certificated form.

The City Controller is hereby further delegated all powers of this Council with respect to agreements for credit enhancement, derived from and pursuant to Section 168.00 of the Local Finance Law, for said Refunding Bonds, including, but not limited to the determination of the provider of such credit enhancement facility or facilities and the terms and contents of any agreement or agreements related thereto.

The Refunding Bonds shall be executed in the name of the City by the manual or facsimile signature of the City Controller, and its corporate seal shall be imprinted thereon. In the event of facsimile signature, the Refunding Bonds shall be authenticated by the manual signature of an authorized officer or employee of the Fiscal Agent. The Refunding Bonds shall contain the recital required by subdivision 4 of paragraph j of Section 90.10 of the Local Finance Law and the recital of validity clause provided for in Section 52.00 of the Local Finance Law and shall otherwise be in such form and contain such recitals, in addition to those required by Section 51.00 of the Local Finance Law, as the City Controller shall determine. It is hereby determined that it is to the financial advantage of the City not to impose and collect from registered owners of the Refunding Bonds any charges for mailing, shipping and insuring bonds transferred or exchanged by the Fiscal Agent, and, accordingly, pursuant to paragraph c of Section 70.00 of the Local Finance Law, no such charges shall be so collected by the Fiscal Agent.

Section 3. It is hereby determined that:

(a) the maximum amount of the Refunding Bonds authorized to be issued pursuant to this resolution does not exceed the limitation imposed by subdivision 1 of paragraph b of Section 90.10 of the Local Finance Law;

(b) the maximum period of probable usefulness permitted by law at the time of the issuance of the Refunded Bonds for each object or purpose for which such Refunded Bonds were issued is as specified in the 2006 and 2007 Refunded Bond Determinations Certificates which are incorporated herein by reference;

(c) the last installment of the Refunding Bonds will mature not later than the expiration of the respective period of probable usefulness of the objects or purposes for which said Refunded Bonds were issued in accordance with the provisions of paragraph c of Section 90.10 of the Local Finance Law;

(d) the estimated present value of the total debt service savings anticipated as a result of the issuance of the Refunding Bonds, computed in accordance with the provisions of subdivision 2 of paragraph b of Section 90.10 of the Local Finance Law, with regard to the Refunded Bonds is as shown in the Refunding Financial Plan described in Section 4 hereof.

Section 4. The financial plan for the refunding authorized by this resolution (the "Refunding Financial Plan"), showing the sources and amounts of all moneys required to accomplish such refunding, the estimated present value of the total debt service savings and the basis for the computation of the aforesaid estimated present value of total debt service savings, are set forth in Exhibit A attached hereto and made a part of this resolution. The Refunding Financial Plan has been prepared based upon the assumption that the Refunding Bonds will be issued in one series, and that the Refunding Bonds will mature, be of such terms, and bear interest as set forth on Exhibit A attached hereto and made a part of this resolution. This Council recognizes that the Refunding Bonds may be issued in one or more series, and for only portions thereof, that the amount of the Refunding Bonds, maturities, terms, and interest rate or rates borne by the Refunding Bonds to be issued by the City will most probably be different from such assumptions and that the Refunding Financial Plan will also most probably be different from that attached hereto as Exhibit A. The City Controller is hereby authorized and directed to determine the amount of the Refunding Bonds to be issued, the date or dates of such bonds and the date or dates of issue, maturities and terms thereof, the provisions relating to the redemption of Refunding Bonds prior to maturity, whether the Refunding Bonds will be insured by a policy or policies of municipal bond insurance or otherwise enhanced by a credit enhancement facility or facilities, whether the Refunding Bonds shall be sold at a discount in the manner authorized by paragraph e of Section 57.00 of the Local Finance Law, and the rate or rates of interest to be borne thereby, whether the Refunding Bonds shall be issued having substantially level or declining annual debt service and all matters related thereto, and to prepare, or cause to be provided, a final Refunding Financial Plan for the Refunding Bonds and all powers in connection therewith are hereby delegated to the City Controller; provided, that the terms of the Refunding Bonds to be issued, including the rate or rates of interest borne thereby, shall comply with the requirements of Section 90.10 of the Local Finance Law. The City Controller shall file a copy of his certificate determining the details of the Refunding Bonds and the final Refunding Financial Plan with the City Clerk not later than ten (10) days after the delivery of the Refunding Bonds, as herein provided.

Section 5. The City Controller is hereby authorized and directed to enter into an escrow contract or contracts (collectively the "Escrow Contract") with a bank or trust company, or with banks or trust companies, located and authorized to do business in this State as said City Controller shall designate (collectively the "Escrow Holder") for the purpose of having the Escrow Holder act, in connection with the Refunding Bonds, as the escrow holder to perform the services described in Section 90.10 of the Local Finance Law.

Section 6. The faith and credit of said City of Niagara Falls, Niagara County, New York, are hereby irrevocably pledged to the payment of the principal of and interest on the Refunding Bonds as the same become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such bonds becoming due and payable in such year. There shall be annually levied on all the taxable real property in said City a tax sufficient to pay the principal of and interest on such Refunding Bonds as the same become due and payable.

Section 7. All of the proceeds from the sale of the Refunding Bonds, including the premium, if any, but excluding accrued interest thereon, shall immediately upon receipt thereof be placed in escrow with the Escrow Holder for the Refunded Bonds. Accrued interest on the Refunding Bonds shall be paid to the City to be expended to pay interest on the Refunding Bonds. Such proceeds as are deposited in the escrow deposit fund to be created and established pursuant to the Escrow Contract, whether in the form of cash or investments, or both, inclusive of any interest earned from the investment thereof, shall be irrevocably committed and pledged to the payment of the principal of and interest on the Refunded Bonds in accordance with Section 90.10 of the Local Finance Law, and the holders, from time to time, of the Refunded Bonds shall have a lien upon such moneys held by the Escrow Holder. Such pledge and lien shall become valid and binding upon the issuance of the Refunding Bonds and the moneys and investments held by the Escrow Holder for the Refunded Bonds in the escrow deposit fund shall immediately be subject thereto without any further act. Such pledge and lien shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the City irrespective of whether such parties have notice thereof.

Section 8. Notwithstanding any other provision of this resolution, so long as any of the Refunding Bonds shall be outstanding, the City shall not use, or permit the use of, any proceeds from the sale of the Refunding Bonds in any manner which would cause the Refunding Bonds to be an "arbitrage bond" as defined in Section 148 of the Internal Revenue Code of 1986, as amended, and, to the extent applicable, the Regulations promulgated by the United States Treasury Department thereunder.

Section 9. In accordance with the provisions of Section 53.00 and of paragraph h of Section 90.10 of the Local Finance Law, in the event such bonds are refunded, the City hereby elects to call in and redeem each Refunded Bond which the City Controller shall determine to be refunded at the earliest call date available. The sum to be paid therefor on such redemption date shall be the par value thereof, as provided in the Refunded Bond Certificate, and the accrued interest to such redemption date. The Escrow Holder for the Refunding Bonds is hereby authorized and directed to cause notice of such call for redemption to be given in the name of the City in the manner and within the times provided in the Refunded Bond Certificate. Such notice of redemption shall be in substantially the form attached to the Escrow Contract. Upon the issuance of the Refunding Bonds, the election to call in and redeem the callable Refunded Bonds and the direction to the Escrow Holder to cause notice thereof to be given as provided in this paragraph shall become irrevocable, provided that this paragraph may be amended from time to time as may be necessary in order to comply with the publication requirements of paragraph a of Section 53.00 of the Local Finance Law, or any successor law thereto.

Section 10. The Refunding Bonds shall be sold at public or private sale to such underwriter as may be selected by the City Controller (the "Underwriter") for purchase prices to be determined by the City Controller, plus accrued interest from the date or dates of the Refunding Bonds to the date or dates of the delivery of and payment for the Refunding Bonds, subject to approval by the State Comptroller as required by Section 90.10 of the Local Finance Law. After the Refunding Bonds have been duly executed, they shall be delivered by the City Controller to the Underwriter in accordance with said purchase contract upon the receipt by the City of said purchase price, including accrued interest.

Section 11. The City Controller and all other officers, employees and agents of the City are hereby authorized and directed for and on behalf of the City to execute and deliver all certificates and other documents, perform all acts and do all things required or contemplated to be executed, performed or done by this resolution or any document or agreement approved hereby.

Section 12. All other matters pertaining to the terms and issuance of the Refunding Bonds shall be determined by the City Controller and all powers in connection thereof are hereby delegated to the City Controller.

Section 13. The validity of the Refunding Bonds may be contested only if:

1. Such obligations are authorized for an object or purpose for which said City is not authorized to expend money, or

2. The provisions of law which should be complied with at the date of publication of this resolution are not substantially complied with, and an action, suit or proceeding contesting such validity is commenced within twenty days after the date of such publication, or

3. Such obligations are authorized in violation of the provisions of the Constitution.

Section 14. A summary of this resolution, which takes effect immediately, shall be published in the official newspaper of said City, together with a notice of the City Clerk in substantially the form provided in Section 81.00 of the Local Finance Law.

SPECIAL COUNCIL MEETING

NIAGARA FALLS, NEW YORK

March 24, 2016

Members of the City Council
And
Carol Antonucci, City Clerk

Council Members and Madam:

You are hereby notified of a Special Meeting of the City Council of the City of Niagara Falls, New York called pursuant to Section 3.9.b of the City Charter, to be held on Monday, March 28, 2016 at 4:45 p.m. in the Council Chambers, City Hall, 745 Main Street, Niagara Falls, New York for the following purpose:

1. Authorize the City to enter into a Solar Power and Services Agreement with Sun Edison Origination, LLC.

Respectfully submitted,

Andrew Touma, Council Chair

The March 28, 2016 Special Meeting of the Niagara Falls City Council was called to order by Council Chairman Andrew Touma at 4:50 PM in the Council Chambers.

Present: Council Chairman Andrew Touma, Council Members Kristen Grandinetti, Ezra Scott, Jr., Kenny Tompkins, Charles Walker.

Also Present: Mayor Paul Dyster, Corporation Counsel Craig Johnson and Deputy Corporation Counsel Thomas O'Donnell.

THE FOLLOWING COMMUNICATION WAS SUBMITTED BY THE MAYOR

CONTRACT: SOLAR POWER AND SERVICES AGREEMENT, SUN EDISON ORIGINATION, LLC

Agenda Item #1

The City has been in discussions with Sun Edison regarding entering into a remote net metering arrangement for a solar facility to be built in Rush, NY.

The net metering arrangement provides for the City to receive a credit for the electricity generated by the solar system from National Grid and the agreement with Sun Edison provides that the rate the City pays to Sun Edison would be less than the credit rate received from National Grid providing a net credit to the City for the electricity. The City receives the credit from National Grid to be applied to its electric bills.

This will not impact on the City's electricity arrangement with the New York Power Authority received as part of the relicensing settlement agreement as the City has additional electric needs including the street light system that would absorb the credits generated by this agreement.

The initial term of the agreement is for twenty years and the agreement also provides for a five year renewal.

Will the Council so approve and authorize the Mayor to execute an agreement in a form acceptable to the Corporation Counsel?

Council Member Grandinetti moved that the communication be received and filed and the recommendation approved.

Mayor Dyster gave a Presentation on his Casino Spending Plan. He gave a history of Section 99H of the State Finance Law, which sets out guidelines for spending of Casino dollars; listed the entities that receive part of the City's share of the Casino dollars; and showed how Casino dollars received to date have been spent.

Chairman Touma noted that the Council had not yet received copies of the Isaiah 61 and Comprehensive Plan Presentations, and the Mayor said that he would see that they are forwarded.

Mayor Dyster spoke on the issues he is having in hiring a City Engineer, and asked that the Council consider granting a Residency Waiver for this position only.

Council Member Tompkins inquired about the progress of the parking meter project, and City Administrator Donna Owens said the project is scheduled to be in operation by June 1st.

Mayor Dyster spoke on the Play Ball Program sponsored by NYCOM to involve youth in sports, and said that Sal Maglie Stadium is included in the Program.

Mayor Dyster said that Lt. Governor Kathy Hercul would be at City Hall on April 6 at 9 AM to speak on the NYS Budget that was adopted on April 1st.

City Administrator Owens spoke on the additional pickup of bulk items during April and May.

Mayor Dyster spoke on Agenda Item #2, relative to awarding the contract for the clearing of vacant lots in the City, and said that the contract included the option to renew the contract for an additional two years.

Council Member Grandinetti spoke on Agenda Item #10, relative to amending Chapter 701 of the Codified Ordinances entitled "Animals, Fowl and Dogs", and said that the amendment imposes duties on owners of cats.

This Session ended at 6:45 PM

Chairman Touma reconvened the Meeting at 7:05 P.M. in the Council Chambers with all Council Members present. The Prayer was said by Council Member Scott and the Chairman led the gathering in the Pledge of Allegiance to the Flag.

The Chairman asked if anyone wished to speak on Agenda Items or Community Interests, and the following spoke:

Thomas Lowe, Director of ReNU Niagara, gave a Presentation on the return on the City's investment for the volunteers who are part of the Niagara Beautification Commission's Beautify Niagara Project. He thanked the Mayor and Council for their funding and support for the Project.

Assemblyman John Ceretto expressed his support for Agenda Item #13, a Resolution calling for the Water Board to comply with recommendations made by the NYS Controller for use of the surplus found in the Audit. Assemblyman Ceretto also suggested looking into appointing ratepayers to the Water Board.

City Controller Maria Brown and Chairman Touma gave a Presentation on the Council's suggestion for a Casino Spending Plan. The Plan included yearly increases in the amount for Capital Projects/Economic Development/equipment/vehicles/contingency funds. Council Member Grandinetti asked for a spreadsheet showing the spending of Casino interest. Council Member Walker said he would like to see more funds invested in the community such as cleanups, dealing with trees causing damages, etc.

Council Member Tompkins reported on the funding raised and plans made for the Memorial Day Parade, noting that all three branches of the service that were involved in World War Two will be represented in the parade.

In the Administrative Update, Mayor Paul Dyster said that the Pothole Killer will not be used in the 2016 season, and funds will be used elsewhere; hotpatch is now available for use; and the Lockport Street Project is advancing. In response to Council Member Grandinetti's question, the Mayor said that alleys are repaired on an as-needed basis.

Chairman Touma expressed concern that all residents are not aware of the bulk trash pickups that will begin next week, and asked Mayor Dyster to make every effort to get this information out to residents.

The Mayor said that he would pull the Item from the Agenda until he could speak to Mr. Cooper.

Purchasing Agent Johnny Destino spoke on Agenda Item #10, relative to the purchase of carpeting and furniture for the Economic Development and Purchasing Offices. He noted that this will give the Economic Development Office a more professional appearance since what is now in the office is more than 20 years old, and the furniture is being purchased through State contract.

Acting Director of Planning and Economic Development Thomas DeSantis spoke on Agenda Item #14, a Resolution relative to developing a management plan for the Cultural District, and said that he is happy to comply and work with the other partners in developing it. Mayor Dyster added that much of the land is State property, so a working partnership is needed.

Chairman Touma noted that the Conference Center is not charging for it's use by Niagara Falls High School for graduation and rehearsal, so the City can help taxpayers by waiving the parking fees (Agenda Item #15).

This Session ended at 6:05 PM

Chairman Touma reconvened the Meeting at 6:25 P.M. in the Council Chambers with all Council Members present. The Prayer was said by Council Member Tompkins and the Chairman led the gathering in the Pledge of Allegiance to the Flag.

CONTRACT: 2016 SIDEWALK REPLACEMENTS, VARIOUS LOCATIONS, YARUSSI CONSTRUCTION INC.

Agenda Item #3

The following is the result of bids received on April 5, 2016 for the above referenced project:

<u>CONTRACTOR</u>	<u>BASE BID</u>
Yarussi Construction Inc. 5650 Simmons Ave. Niagara Falls NY 14304	\$145,300.00
Roman Construction Development	\$177,700.00

It is the recommendation of the undersigned that this contract be awarded to the low bidder, Yarussi Construction, Inc. Please note that all costs will be totally reimbursable by NYS CHIPS funds.

Presently, the contractor has agreed to extend the unit prices of his bid to utilize both the maximum available CHIPS funding for sidewalks (\$200,000.00), and the usual \$20,000.00 allotment from the Niagara Falls Water Board, obtained via the standard yearly intra-agency agreement. This will allow the City to enter into a contract with Yarussi Construction, Inc. for a total of \$220,000.00 at this time.

CONTRACT: HIGHLAND BUSINESS PARK SERVICE CONTRACT, LABELLA ASSOCIATES, FUNDING

Agenda Item #9

The City currently has previously earmarked economic development funds for the "Highland Business Park Project." The initial step was the purchase of the former Union Carbide Facility at 3625 Highland Avenue, of which \$272,724 remains. The project has a budget line of \$50,000; for Acquisition, Demolition, Building Renovations, Remediation, Architectural, Engineering and Marketing.

While some general clean up has been carried out by city forces up until now, progressing the Project requires that a series of work activities, both professional and contractual, be undertaken to get the property "market ready." LaBella Associates, D.P.C. is an Engineering, Architecture, Environmental and Planning firm that has worked on previous with the City Brownfield planning efforts and is currently working on the Buffalo Avenue Brownfield Opportunity Area planning project. Based on this record of performance, LaBella Associates was solicited to provide professional design and construction management services for the upcoming phases of work at 3625 Highland Avenue, relative to achieving the goals of making the property market ready and encouraging its re-development into the Highland Business Park, per the Highland Area BOA Plan.

The scope of work to be performed by LaBella Associates will specifically address: roofing, structural elements, safety maintenance items, to make sure that the buildings are weather tight and ready for future tenancy and includes the following services:

- Engineering and Design Services
- Preparation of contract and bid specifications, and related construction documentation in stabilizing and upgrading the three buildings.
- Site work documents and specifications to ensure proper cleanup of the site.
- Construction Management Services during construction/renovation activities.

The cost of the services to be provided by LaBella to the City will be:

- Engineering and Design Services (Bid Documents and Specifications).... \$8,460
- Construction Inspection and Management..... \$4,320

Funding for the contract is available from previously earmarked economic development funds, which would provide to the City the \$259,944 balance of its commitment to the project. (Letter from LaBella on file in the City Clerk's Office)

Will the Council approve and authorize the Mayor to execute the necessary agreements, in the form acceptable to the Corporation Council?

Council Member Grandinetti moved that the communication be received and filed and the recommendation approved.

ECONOMIC DEVELOPMENT/PURCHASING OFFICE, CARPET & FURNITURE, FUNDING

Agenda Item #10

The Purchasing Agent advises that it is necessary to install new carpeting in the Offices of Economic Development and Purchasing, as it is worn, stained and mismatched. Attempts to remediate and clean the carpeting in-house proved unsuccessful.

Additionally, it is necessary to purchase new workstations for the MIS Department as the cubicles that were being used are no longer useful or safe given their age and condition. The workstation furniture is available on state contract.

Three estimates are being obtained for the carpeting by the Purchasing Agent and the total cost of the purchases is not-to-exceed \$21,137.29. Funding is available from casino interest.

Will the Council so approve?

Council Member Grandinetti moved that the communication be received and filed and the recommendation approved.

RESOLUTION: WATER BOARD, COMPLY WITH RECOMMENDATIONS BY THE OFFICE OF THE STATE COMPTROLLER, 2016-36
 BY: ALL COUNCIL MEMBERS

Agenda Item #13

WHEREAS, the State of New York Office of the State Comptroller (the "State Comptroller's Office") recently conducted an audit of the NFWB to determine if the NFWB is managing NFWB finances in accordance with the governing agreements and the New York State Public Authorities Law; and

WHEREAS, the State Comptroller's Office recently released its report on this audit which is dated March, 2016; and

WHEREAS, the State Comptroller's Office found that there was excess cash in the NFWB's debt service fund and recommended, among other things, that the excess cash be utilized by the NFWB for "capital projects, for repairs, or to reduce the water and sewer rent rates charged to ratepayers.

NOW, THEREFORE, BE IT RESOLVED by this City Council that the NFWB immediately take steps to implement the recommendations of the State Comptroller's Office, a copy of which recommendations are attached hereto (on file in the City Clerk's Office) and contained on Page 9 of the report issued by the State Comptroller's Office and, in particular, that the NFWB "use the excess cash in the debt service fund for capital projects, for repairs or to reduce the water and sewer rent rates charged to ratepayers"; and

BE IT FURTHER RESOLVED that the NFWB determine that the 72nd Street water main project repairs/replacements undertaken and paid for by the City of Niagara Falls in 2015 be deemed a capital project suitable to be paid for with the excess cash in the Debt Service Fund and take immediate steps to reimburse the City of Niagara Falls for the entire cost of this capital project i.e. approximately \$939,650.00 plus costs incurred by the City's consultant engineer; and

BE IT FURTHER RESOLVED that a copy of this resolution be forwarded to the Niagara Falls Water Board and the Niagara Falls Water Authority; and

BE IT FURTHER RESOLVED that the NFWB respond to this City Council within thirty (30) days as to whether or not it will comply with these requests.
