The first session of the January 5, 2015 Niagara Falls City Council Meeting was called to order by Council Chairman Charles Walker at 5:06 P.M. in the Council Chambers.

Present: Council Chairman Charles Walker, Council Members Robert Anderson, Glenn Choolokian, Kristen Grandinetti and Andrew Touma.

Also present: Mayor Paul A. Dyster, Acting City Administrator Bryan DalPorto, Corporation Counsel Craig H. Johnson, Deputy Corporation Counsel Thomas O’Donnell and City Controller Maria Brown.

Chairman Walker announced that the First Order of Business would be the election of Council Chairman for 2015, and asked if there were any nominations. Council Member Anderson nominated Council Member Touma, seconded by Council Member Choolokian. There were no additional nominations, and Council Member Touma was unanimously elected Council Chairman for 2015.

The Oath of Office for Council Chairman Touma was administered by City Clerk, Carol A. Antonucci, as the Bible was held by Chairman Touma’s mother, wife and children.

Chairman Touma thanked the Council Members for their support, and Council Member Walker thanked the Council Members for the opportunity to serve as Council Chairman for 2014.

Council Member Walker moved to approve the Minutes from the Special Council Meetings #1, #2 of December 12, 2014, Special Council Meeting of December 15, 2014, Council Meeting of December 22, 2014, Special Council Meeting of December 26, 2014.

In the Administrative Update, Mayor Paul Dyster:
1. Congratulated Council Chairman Touma, and thanked former Chairman Walker.
2. Said that Christmas trees should be put out the first week of the month as a bulk item.
3. Noted that Superintendent of Police Bryan DalPorto was Acting City Administrator. Chief DalPorto informed the Council Members that Deputy Police Superintendent Carlton Cain would be attending the FBI National Academy.
4. Said that the attachment for Agenda Item #6, relative to the reorganization of Departments affected by the City Employee Retirement Incentive Program, was amended to omit positions in the Human Resources Department, since the Civil Service Commission had not yet acted on the positions. Chairman Touma said that he was disappointed that this was not explained to the Council before it was placed on the Agenda.

Council Member Anderson said that he had received many complaints about truck traffic from Buffalo Avenue to 57th and 63rd Streets, and asked about placing signs and lights in the area. Chief DalPorto will provide more enforcement in that area for the residents.
Chairman Touma inquired about extending leaf pickup beyond November, and Mayor Dyster responded that leaves can be put out with Christmas trees for pickup.

Chairman Touma also inquired about permanent/temporary workers in the Public Works Department, and the Mayor responded that that was addressed in Agenda Item #7. A lengthy discussion followed on the SWEET Team employees and enforcement of the Refuse/Recycling Ordinance, and Council Member Walker asked for an explanation from the Administration before the next Council Meeting on the job descriptions, duties and length of employment for those working under the Refuse/Recycling Ordinance.

Council Member Choolokian questioned the Mayor on the use of Casino Funds to fund positions that were removed during the Budget process (Agenda Item #7), and said that the Mayor was reluctant to do this during the Budget process, but was now asking the Council to approve doing so. The Mayor responded that changes have been made to the list, and after doing some research on the use of 99-H funds, he was asking for Council approval, and would welcome working with the Council on this. Chairman Touma said that, in the future, he would like to vote on these matters individually, and not grouped together as one Agenda Item.

Corporation Counsel Craig Johnson distributed copies of amendments to Items and an Item to be added to the Agenda:

1. An amendment to Agenda Item #4, relative to a Change Order in the contract for the Hyde Park Ice Pavilion Locker Room Renovations, to increase the amount of the Change Order.
   Council Member Choolokian moved to amend the Item.

   MOTION TO ADD COMMUNICATION TO AGENDA APPROVED

   The communication was added to the Agenda as #15.

   Council Member Choolokian asked if there will be any cost to the City for the Crime Analysis Center, and Chief DalPorto responded that the City will provide office space at Police Headquarters, and other costs will be covered by the Division of Criminal Justice Services and the GIVE Grant.

This Session ended at 5:50 PM
Chairman Touma reconvened the Meeting at 6:08 P.M. in the Council Chambers with all Council Members present. The Prayer was said by Council Member Walker and the Chairman led the gathering in the Pledge of Allegiance to the Flag.

Council Member Walker asked those present to observe a Moment of Silence for former Governor Mario Cuomo and developer Frank Ciminelli.

The Chairman asked if anyone wished to speak on Agenda Items or Community Interests, and asked that no personal attacks be made by the speakers and the following spoke:
Ron Anderluh                Agenda Item #11
Gerald Skrln                Agenda Item #12
Gerald Skrln                Condition of property on Buffalo Ave.; Freedom of Speech issues

THE FOLLOWING COMMUNICATIONS WERE SUBMITTED BY THE MAYOR

CONTRACT: 3721 HIGHLAND AVE., ASBESTOS ABATEMENT, APOLLO DISMANTLING SERVICES

Agenda Item #1
The City previously awarded the asbestos abatement contract for the 3721 Highland Avenue Fire Station to Apollo Dismantling Services, LLC. One of the elements of the contract was removal of asbestos containing plaster from clay/speed tile at the premises. In the course of performing the work, it became apparent that some of the asbestos containing material had penetrated the tile and could not be removed.
Change order number one provides for encapsulating and sealing all areas where the asbestos containing plaster cannot be removed. Stohl Environmental, the City asbestos monitor on the project, concurs in the change order. There is no cost adjustment for substituting the encapsulation of asbestos containing material for the originally contracted removal in this change order.
Will the Council vote to approve change order number 1 as set forth herein, and authorize the Mayor to execute any documents necessary to effectuate the same?
Council Member Grandinetti moved that the communication be received and filed and the recommendation approved.

CONTRACT: CITY HALL PARKING LOT IMPROVEMENTS, YARUSSI CONSTRUCTION INC.

Agenda Item #2
A contract for the above referenced project was awarded to Yaruzzi Construction, Inc. on July 23, 2014 in the amount of $468,720.00.
Subsequent to the start of the project, it was revealed that the existing foundation layers of the westerly portion of the lot were not sufficient for re-use. However, the costs associated with the removal and replacement of substandard foundation material was more than offset by bid item cost underruns elsewhere in the project, allowing a $0.00 change to the contract at this time.
Will the Council vote to approve and authorize the Mayor to execute a contract in a form acceptable to the Corporation Counsel?
Council Member Grandinetti moved that the communication be received and filed and the recommendation approved.

NY POWER AUTHORITY, PORTER ROAD PROPERTY, ACQUISITION

Agenda Item #3
As part of the Relicensing Settlement for the Niagara Power Project in 2005, the Power Authority agreed to transfer an approximately 48.645 acre parcel on Porter Road to the City. The parcel is shown in the attached drawing (on file in the City Clerk’s Office).
As part of the process the Power Authority did some environmental testing, the results of which have been reviewed and found to be acceptable by the City’s Department of Planning and Economic Development.
The Settlement Agreement and the attached deed (on file in the City Clerk’s Office) require the City to indemnify the Power Authority with regard to any environmental issues related to the property.
The City’s Department of Planning and Economic Development, based on the environmental testing, finds this to be an acceptable risk.
Will the Council approve acceptance of the property and authorize the Mayor to execute the attached deed (on file in the City Clerk’s Office)?
Council Member Choolokian moved that the communication be received and filed and the recommendation approved.

CONTRACT: HYDE PARK ICE PAVILION LOCKER ROOM, PHASE III (PLUMBING CONTRACT), MOLLENBERG BETZ, INC

Agenda Item #4
A contract for the above referenced project was awarded to Mollenberg Betz, Inc., 300 Scott Street, Buffalo, NY, on April 28, 2014 in an amount of $108,000.00. The cost of additional work already approved in Change Order #1, by City Council is $10,609.00 bringing the contract total to $118,609.00.
At the completion of the project the City asked for quotes for additional HVAC and cooking equipment improvements to bring the facilities Kitchen up to code. This extra work involves specialty work with fire suppression systems which Mollenberg Betz is licensed to perform.
Quotes were sought from the two licensed contractors already working on site, Mollenberg Betz, Inc. at $38,000.00 and John W. Danforth Company at $51,819.00.
Therefore, it is the recommendation of the undersigned that Change Order #2 in the amount of $38,000.00 be approved. Sufficient funds presently exist in Code H0819.2008.0819.0449.599.
Will the council vote to so approve?
Council Member Choolokian moved that the communication be received and filed and the recommendation approved.

CONTRACT: DRAINAGE STRUCTURE REPLACEMENT/REPAIR PROJECT, YARUSSI CONSTRUCTION, INC.

Agenda Item #5
A contract for the above referenced project was awarded to Yarussi Construction, Inc. on April 28, 2014 in the amount of $341,412.00.
Subsequent to the start of the project, the addition of streets to the 2014 Resurfacing Program necessitated the addition of catch basin replacements and sewer manhole adjustments. The costs associated with due extra drainage structure replacements, adjustments and related payment restorations are $55,800.00, bringing the final contract total to $395,997.80. Funding is available from Casino Funds - Road Reconstruction portion and will be transferred to H0621.2006.0621.0300.000.

RETIREMENT INCENTIVE PROGRAM, CITY EMPLOYEES

Agenda Item #6
The City of Niagara Falls developed a City Employee Retirement Program for employees who were eligible to retire on or before December 31, 2014, pursuant to criteria established by the City of Niagara Falls and the New York State Retirement System. The incentive amount is $20,000 payable over a period of five years, with the first payment to be made during January 2015. Elected officials, fire and police officers, and department heads were excluded from this incentive program.

Accordingly, twenty-one employees meeting both New York State and City criteria took advantage of the program, retiring during the period of November 6 through December 31, 2014.

The attached (on file in the City Clerk’s Office) is the proposed reorganization of affected departments. Where possible, positions have been eliminated or downgraded to alleviate savings that will be allocated towards fulfillment of incentive obligations while maintaining essential services.

Will the Council so approve?

MOU, 76th ST., PROPOSED ABANDONMENT

Agenda Item #8
The City has received a request from Benderson to abandon the unimproved portion of 76th Street adjacent to the shopping center, as shown on the attached drawing, so that material can be moved from the shopping center site to the property to be abandoned so that Benderson may develop another store in the shopping center.

After the relocation of the soil, Benderson will dedicate a new portion of 76th Street and relocate the Water Board’s lines that are in the current right-of-way.

All of the above is memorialized in the proposed Memorandum of Understanding (“MOU”) which is attached hereto.

The MOU is specifically subordinate to the Council abandoning the portion of 76th Street in accordance with provisions of Local Law and conditioned on the City Charter.
Earlier this year the Planning Board recommended against allowing
the abandonment of the undeveloped portion of 76th Street. However, City
staff believes that the proposals memorialized in the MOU will alleviate
issues related to property fronting on Mooradian Drive and also will
allow the development of another business in the City of Niagara Falls.

Will the Council approve the attached (on file in the City Clerk’s
Office) MOU and authorize the Mayor to execute same?

Council Member Anderson moved that the communication be received
and filed and the recommendation approved.

MOU, REGIONAL CRIME ANALYSIS CENTER, DCJS, CITY OF NIAGARA FALLS, NIAGARA COUNTY DISTRICT ATTORNEY, NIAGARA COUNTY SHERIFF

Agenda Item #15

It is requested that the City be authorized to enter into a Memorandum of Understanding ("MOU") with the DCJS, the Niagara County District Attorney and the Niagara County Sheriff for the development and operation of a Regional Crime Analysis Center. With input and data from the parties of this MOU, the product will be a comprehensive picture of crime incidents through in-depth crime analysis, pattern identification, incident mapping and emerging crime trend recognition. It is proposed that this Regional Crime Analysis Center be located at NPPD Headquarters in space that is available for it. Subject to available funding, DCJS will provide office furnishings and technology, including data systems, software and hardware, and will also pay for improvements to the office space up to $15,000. The office will be staffed by personnel from the District Attorney’s Office and the Sheriff’s Office. The City will provide one full time crime analyst and one full time field intelligence officer and one half time crime analyst. These positions are already in place and are funded by the DCJS with the GIVE grant.

Will the Council so approve and authorize the Mayor to execute a Memorandum of Understanding in form and content satisfactory to the Corporation Counsel?

Mayor Dyster said that in the release of the Buffalo Bills Stadium study that there are 3 sites in Buffalo being considered, along with the existing Orchard Park site. Niagara Falls was considered, but with concerns about traffic and improvements that would be required, Niagara Falls was excluded from the short list.

Police Superintendent Bryan DalPorto distributed the 2014 Risk Assessment Report for the Police Department. The highlights were: calls for service increased and 7% ended in arrests, 44% decrease in complaints and use of force decreased. Chief DalPorto said that 156 officers are handling calls and that he is proud to present this report on behalf of the Department and there has been an overall 6% decrease in crime in 2014. He also stated that the Police Department won a National Award, and the Department will be going through Diversity Training. Council Member Walker asked who is going to train the rest of the Officers, the Chief responded that some of the Officers will be trained as Trainers.

Council Member Anderson stated that the Recycling/Refuse Program should be addressed, as all the Council Members have been getting a great number of calls from residents concerning various issues with this Program. A lengthy discussion about the Recycling/Refuse Program between the Mayor and the Council Members followed.

Corporation Counsel Craig Johnson distributed copies of items to be added to the Agenda, an item to be amended and an item to be removed from the Table and amended:

1. A communication to be added to the Agenda relative to encroachments at 744 - 10th St. for improvements made by the NF Housing Authority.

BUDGET, RESERVE FUNDING FOR EXCEEDING TAX CAP

Agenda Item #9
During the 2015 budget process culminating with the City Council’s override votes on Mayoral vetoes, the final adopted budget exceeded the tax cap amount imposed by the General Municipal Law by $280,485. This amount was calculated by the City Controller and confirmed by the office of the New York State Comptroller (on file in the City Clerk’s Office).

The City is now required to reserve this sum of money and factor it in to the 2016 budget process. Therefore, it is requested that the sum of $280,485 be placed in reserve for this purpose.

Funding is available from Fund Balance.

CITY EMPLOYEES, RETIREMENT INCENTIVE PROGRAM

Agenda Item #12

The City of Niagara Falls developed a City Employee Retirement Program for employees who were eligible to retire on or before December 31, 2014, pursuant to criteria established by the City of Niagara Falls and the New York State Retirement System. The incentive amount is $20,000 payable over a period of five years, with the first payment to be made during January 2015. Elected officials, fire and police officers, and department heads were excluded from this incentive program.

Accordingly, twenty-one employees meeting both New York State and City criteria took advantage of the program, retiring during the period of November 6 through December 31, 2014.

The attached is the proposed reorganization of affected departments. Where possible, positions have been eliminated or downgraded to alleviate savings that will be allocated towards fulfillment of incentive obligations while maintaining essential services.

CONTRACT: SHERATON HOTEL, EMPLOYEE PARKING PASSES

Agenda Item #13

The operator of the Sheraton Hotel has allowed the City to occupy approximately 676 square feet in its hotel building on a rent-free basis for the operation of the Ranger Program conducted under the auspices of the NFPD and the Office of Community Development. The City Assessor advises that the approximate fair market rent for this space is $750.00 per month. The operator of the Sheraton has requested that in consideration for it allowing the City to occupy this space on a rent-free basis, it be granted access to up to 18 parking passes for parking privileges at the City-owned lot at the corner of Third Street and Niagara Street. Such access to these parking passes for no cost will continue for so long as the operator of the Sheraton Hotel allows the City to conduct its Ranger Program at the Sheraton Hotel location on a rent-free basis. RESOLUTION: CITY COUNCIL, PROCEDURES
BY: COUNCIL CHAIRMAN ANDREW TOUMA

Agenda Item #18

BE IT RESOLVED, by the City Council of the City of Niagara Falls, New York that pursuant to Section 3.9.d of the City Charter, paragraph 3 of Item V of the Format for the Agenda, as adopted on November 27, 1989 and as amended on July 23, 1990, January 21, 1992 and October 18, 1993, is amended to read as follows:

3. The Chairman will enable members of the public to speak on any topic of concern to the welfare of the City for a time not to exceed [five (5)] three (3) minutes for each person; he may limit the number of speakers on a topic or agenda item or the overall public speaking time if the same will unduly delay the commencement of the agenda. All remarks shall be addressed to the Council as a body and not to any member thereof. Speakers shall observe the commonly accepted rules of courtesy, decorum, dignity and good taste and should refrain from making comments regarding individuals, including elected officials and City employees, unless such comments pertain to such individual’s duties within City government. Although they may, nothing herein shall require the Mayor or the Council to answer questions or engage in debate at any City Council meeting.

Additions are underlined. Deletions are in [brackets].

RESOLUTION: FINANCIAL ADVISORY PANEL, CREATION, 2015-8
BY: COUNCIL CHAIRMAN ANDREW TOUMA

Agenda Item #19
WHEREAS, the recent budget process has demonstrated that the City of Niagara Falls is facing significant financial stress in the year 2015 and beyond; and
WHEREAS, if left unaddressed, these financial difficulties may negatively impact City taxpayers through either higher taxes and/or reduction of necessary services; and
WHEREAS, to confront these issues in a meaningful way, it is necessary for the Niagara Falls City Council to have a thorough understanding of the nature of these economic difficulties, as well as access to proven and innovative solutions to the same; and
WHEREAS, to facilitate this, the City Council has determined that it would be prudent to solicit the advice and support of a panel of financial experts from outside City government to provide it with assistance as to these matters.
NOW, THEREFORE, BE IT RESOLVED, that pursuant to Section 3.6(a) of the City Charter, the City Council of the City of Niagara Falls, New York does hereby create a citizen Financial Advisory Panel to complement the effectiveness of this Council by providing it with recommendations on the City's fiscal policy, long-term financial commitments, capital improvements, budget items, management and delivery of services; additionally, the Financial Advisory Panel may also undertake special projects as directed by this Council; and
BE IT FURTHER RESOLVED, that the Financial Advisory Panel shall consist of no more than seven (7) members and that all members of the Financial Advisory Panel will be selected by and serve at the pleasure of the City Council, for a period ending no later than December 31, 2015 and will not be compensated for their activities on the Panel; and
BE IT FURTHER RESOLVED, that the Financial Advisory Panel will be responsible for establishing operating policies and/or by-laws in furtherance of its duties and shall work closely with the City Controller and her staff as well as all other department heads for the purpose of gathering the information necessary for its analysis and deliberations; and
BE IT FURTHER RESOLVED, that the Financial Advisory Panel will provide advice and recommendations only and will be required to submit the same to the City Council as requested by the City Council. The Panel will have no formal decision-making role, and will have no access to confidential supervisory or other confidential information, and will not have access to or discuss any non-public information regarding specific City financial matters; and
BE IT FURTHER RESOLVED, that all meetings of the Panel will be open to members of the public.

01/20/2015
The first session of the February 2, 2015 Niagara Falls City Council Meeting was called to order by Council Chairman Andrew Touma at 5:05 P.M. in the Council Chambers.

Present: Council Chairman Andrew Touma, Council Members Glenn Choolokian, Kristen Grandinetti and Charles Walker, Council Member Robert Anderson was absent.

Also present: Mayor Paul A. Dyster, City Administrator Donna Owens, Corporation Counsel Craig H. Johnson, Deputy Corporation Counsel Thomas O'Donnell and City Controller Maria Brown.

City Controller Maria Brown gave a Presentation on Casino Funds received to date and the Spending Plan for the disbursement of the Funds. Council Member Walker asked Mayor Paul Dyster how the spending of the Casino Funds reflects on the economy of the City, and that more still needs to be done with the Funds to help the economic development climate in the City. The Mayor responded that he is constantly working on doing just that. Council Member Choolokian said, with the recent crisis in developing the 2015 Budget, the City needs to take a step back in spending the Casino Funds, and invest in Projects with good paying jobs that will increase the tax base in the City. Chairman Touma thanked Mrs. Brown for the information she provided.

Corporation Counsel Craig Johnson distributed copies of an amendment to Agenda Item #9, relative to a Public Hearing, and a Resolution to be added to the Agenda.

   The Resolution was added to the Agenda as #11.

Council Member Choolokian asked about the benefit to the City for a Shared Services Agreement with the Town of Somerset for assessment services (Agenda Item #4), and if this takes time away from the City Assessor performing his duties for the City. Mrs. Brown spoke on the guidelines regarding the use of a City vehicle and gas by the Assessor, and City Assessor James Bird added that this Agreement is on year to year basis, and he will be working for the Town of Somerset in the evenings and on Saturdays, so this will not impact his responsibilities to the City.
Council Member Walker asked if there is a list of who receives the NFC Grants (Agenda Item #3). Mayor Dyster replied that the City gives the sum of money to the NFC, and the NFC decides who will receive the Grants and the amount to be given. A lengthy discussion followed.

Chairman Touma suggested looking into a position of Fleet Manager for the City to research the cost effectiveness of leasing vehicles rather than purchasing (Agenda Item 5), and he noted that the bid was awarded to a company from Missouri and not a local vendor. Mrs. Brown said that the interest rate to purchase vehicles was very high, and a lengthy discussion followed. City Administrator Donna Owens noted that hiring a Fleet Manager could be considered for the 2016 Budget, and each Department that used City vehicles was already doing their own research on the best way to acquire new vehicles.

This Session ended at 6:15 PM.

Chairman Touma reconvened the Meeting at 6:30 P.M. in the Council Chambers with all Council Members present. The Prayer was said by Council Member Choolokian and the Chairman led the gathering in the Pledge of Allegiance to the Flag.

THE FOLLOWING COMMUNICATIONS WERE SUBMITTED BY THE MAYOR

CONTRACT: BUFFALO AVE. RECONSTRUCTION, ENGINEERING SERVICES CONTRACT, C & S ENGINEERS, INC.

Agenda Item #1
The City Council previously approved resolutions and appropriated funding, which is federally reimbursable, for the above referenced project that was awarded to C & S Engineers, Inc. on July 23, 2007.
Before completing the design for this project, the construction funding to be received from the NYSDOT was reduced. This funding reduction necessitated a change in design from a complete reconstruction to “preservation” or modified resurfacing project. This change order is needed to fund additional consultant design services related to this change in the project’s scope.

02/02/2015
However, existing funds allocated for the original design work are still available which will allow this additional work to be added to the contract without a change to the contract total ($0.00) at this time. Funding is available in code H0634.2006.0634.0449.599.

Will the Council vote to approve and authorize the Mayor to execute a change order to the existing design contract in a form acceptable to the Corporation Counsel?

Council Member Choolokian moved that the communication be received and filed and the recommendation approved.

CONTRACT: ENGINEERING SERVICES, CLARK PATTERSON LEE

Agenda Item #2
At the Council’s January 21, 2014 meeting, it approved an agreement with Clark Patterson Lee to provide as needed engineering services in an amount not to exceed $94,000 for one year and allowed for the agreement to be extended for an additional one year. (A copy of this item is attached) (on file in the City Clerk’s Office).

A copy of a letter dated January 19, 2015 from Clark Patterson Lee is attached which outlines the services to be provided. The agreement will be in an amount not to exceed $94,000 and it is recommended that the Council appropriate this sum from casino revenue and authorize the Mayor to execute an extension agreement in a form acceptable to the Corporation Counsel.

Chairman Touma said that since the City doesn’t have a Professional engineer on staff, a Consulting Firm can provide this service.

NFC DEVELOPMENT CORPORATION, BUSINESS GRANTS/LOANS

Agenda Item #3
It is requested that the Council appropriate $820,000 of casino funds (Tribal Fund) to the NFC Development Corporation for the funding of grants and loans. This amount has been previously reserved in the Economic Development portion of the City casino funds.

CONTRACT: ASSESSOR/TOWN OF SOMERSET, SHARED SERVICES

Agenda Item #4
Attached (on file in the City Clerk’s Office) is a proposed shared services agreement with the Town of Somerset which provides for the City Assessor to also act as the Assessor for the Town of Somerset.

The agreement provides that Somerset will cover the costs related to the work and pay the sum of $15,000 annually to the City of Niagara Falls. The Assessor will devote 16 hours per month to Somerset.

Of the $15,000, the City will retain $5,000 and the Assessor will be paid $10,000.

Will the Council so approve and authorize the Mayor to execute an agreement in a form acceptable to the Corporation Counsel?

LaSalle Preparatory School National Junior Honor Society Students read essays they had written on “What Freedom Means to Me”. Council Chairman Andrew Touma read a Council Resolution honoring the students (Agenda Item #13), and the Council Members presented commemorative City pins to the students. Chairman Touma also read a Resolution honoring Jaemon Turner, Avion Harris and Jalen Bradberry, who were chosen to represent Western New York at the Melo 11 Pearl Classic 195 Basketball Tournament (Agenda Item #17), and the Council Members presented copies of the Resolution to the honorees.

Senior Project Designer Mike DeSantis spoke on the Ice Pavilion Project. He gave a brief history on the Project, and said that, to date, $6.1 million dollars has been spent for the Project, making the Project approximately 60% complete. The additional Items on the Agenda (Agenda Items # 5 - 10) will bring the Project to 90% completion, with work on the outside lighting and parking lot left to be done. These Agenda Items are for work on both Rinks, and, once the work is completed, will allow for year round use of the Rinks. Gene Carella, the Lessee for the Ice Pavilion, gave a report on the economic impact on the City for use of the Ice Pavilion, and City Controller Maria Brown gave information on the Bond Resolution (Agenda Item #16) for payment of the Agenda Items relating to the Ice Pavilion.

City Administrator Donna Owens gave an update on the Refuse and Recycling Program. She said that several calls had been received from residents for additional totes; requested applications for Porter Service had been sent out and 13 had been returned; and the recycling participation rate is now at 11%. Council Member Walker asked about temporary workers on this Program, and City Administrator Owens replied that four were still needed for education and enforcement. A lengthy discussion followed.

City Administrator Owens said that the Mayor would give his State of the City Address on February 18 at 6 PM at the Conference Center.

Mayor Paul Dyster said that he had attended and been a guest Speaker at the Ceremony in Niagara-on-the-Lake, Ontario, commemorating the BiCentennial of the signing of the Treaty of Ghent, which ended the War of 1812. The Mayor’s Speech at the Ceremony, and a letter from President Barack Obama, are as follows:
Greetings, everyone. It is with a combined sense of great pride and great humility that I join with you today in commemorating the historic events of two centuries ago. As we have walked together from battlefield to battlefield down our shared trail of tears these last few years, jointly remembering the heroism and glory, but just as often the pain and suffering of that long-ago war, we have awaited in common anticipation the opportunity at long last not merely to commemorate a great battle together, but to celebrate a great peace. That day is finally upon us.

Many dedicated people have labored these last several years to ensure that neither the sacrifices of war, nor the blessings of the ensuing peace, will ever be taken for granted by future generations. I know how great a relief it is that we are finally at the end of our road. I can only imagine how it felt for the original participants, but I assume that from Royals and Presidents, to privates and militiamen, to common everyday people simply tired of the ravages of war, it must have been a day of great joy. As we stood at Chippawa or Lundy’s Lane, did some of us think we could hear, in the distance, in the breeze, above the sounds of the re-enactors muskets and cannons, our ancestors’ faintly echoing cries of pain and sorrow? So today, I hope we can all hear their resounding cries of joy, and sighs of relief. Today the war is over. God be praised.

Much has changed in the two hundred years since the signing of the Treaty of Ghent, but one thing has not. We who celebrate here today—Britons, Canadians and Americans alike—are trunk and branches of the same tree, grown from the same roots. Just as a mighty oak tree grows even stronger with age, so our common bonds of politics, culture, commerce and friendship have grown ever tighter through the years, so that today there is no stronger bond in the family of nations than that which binds us, forever together.

It is now my great honor to read a message from the President of the United State of America.
I am pleased to join in commemorating the 200th anniversary of the Treaty of Ghent.

A few short decades after our Founders declared independence, America again fought to preserve our young Republic in the War of 1812. The fate of our Nation hung in the balance, and daring patriots battled for the land they loved. With the ratification of the Treaty of Ghent in February of 1815, Great Britain and the United States came together to end the war and establish a strong foundation for cooperation in the years to come.

In marking this anniversary, we reaffirm the bonds between the United States, the United Kingdom, and Canada, and we rededicate ourselves to forging a world that reflects our commitments to lasting peace, security, and prosperity. These values have united our peoples for two centuries, and as we work together to confront global challenges, they will sustain our partnership and friendship.

As we observe this bicentennial, let us once again devote ourselves to advancing liberty and reaching for the promise of a brighter, more peaceful future for all.

CONTRACT: SIDEWALK REPLACEMENT PROJECT, VENTRY CONCRETE CONTRACTING

Agenda Item #3
A contract for the above referenced project was awarded to Ventry Concrete Contracting on March 31, 2014 in the amount of $438,950.00.

After the start of the project, it was determined by field conditions that this year’s sidewalk replacement program contained a substantial increase in sidewalk ramps and affected driveway aprons, while simultaneously minimizing the amount of curb work typically undertaken. The amount of overrun on the six (6”) inch concrete installations was more than offset by underruns in granite and concrete curbing, allowing more sidewalk to be replaced for no increase in the contract total.

NIAGARA COUNTY OFFICE FOR THE AGING, USE OF LASALLE SENIOR FACILITY, WAIVING FEES

Agenda Item #4
Attached hereto (on file in the City Clerk’s Office) to a copy of a communication to the City Council dated August 27, 2013 regarding the above matter, which was unanimously approved by the City Council during its meeting on September 3, 2013.

The NCOFA operated under budget constraints during calendar years 2013 and 2014 and it is anticipated that these constraints will continue for the foreseeable future. Based upon information provided to her, the City’s Senior Citizens Program Coordinator believes that the NCOFA will relocate to a location outside of the City if fees are charged for the program to operate out of the LaSalle Facility. Resident senior citizens benefit greatly from the program being offered by NCOFA at the LaSalle Facility and would be disadvantaged if the program were to cease its operations at the LaSalle Facility. Attached hereto is a copy of a communication to the City Council from the City’s Senior Service Program Coordinator in this regard which emphasizes the importance of the program offered by the NCOFA at the LaSalle Facility, hence benefiting the City.

Based upon all this information, it is requested that the City Council waive any fees which may be due from the NCOFA for occupying the LaSalle Facility for years 2014 and for future foreseeable years. The Senior Service Program Coordinator will monitor this on a regular basis and advise if any changes need to be made.

Will the Council so approve?

RESOLUTION: ICE PAVILION BONDS, RECONSTRUCTION/CONSTRUCTION
BY: COUNCIL CHAIRMAN ANDREW TOUMA

Agenda Item #16
RESOLVED by the affirmative vote of not less than two-thirds of the total voting strength of the City Council of the City of Niagara Falls, Niagara County, New York, as follows:

Section 1. For the purpose of paying the cost of the reconstruction and construction of improvements to the Ice Pavilion in and for the City of Niagara Falls, Niagara County, New York, including original furnishings, equipment, machinery and apparatus, as well as incidental costs, there are hereby authorized to be issued $3,100,000 bonds of said City pursuant to the provisions of the Local Finance Law.

Section 2. It is hereby determined that the maximum estimated cost of the aforesaid specific object or purpose is $3,100,000, which is hereby authorized at said maximum estimated cost.

Section 3. It is hereby further determined that the period of probable usefulness of the aforesaid purpose is twenty-five years, pursuant to subdivision 12(a)(1) of paragraph (a) of Section 11.00 of the Local Finance Law.

Section 4. The faith and credit of said City of Niagara Falls, Niagara County, New York, are hereby irrevocably pledged for the payment of the principal of and interest on such obligations as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such obligations becoming due and payable in such year. There shall annually be levied on all the taxable real property of said City, a tax sufficient to pay the principal of and interest on such obligations as the same become due and payable.
Section 5. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell bond anticipation notes in anticipation of the issuance and sale of the serial bonds herein authorized, including renewals of such notes, is hereby delegated to the City Controller, the chief fiscal officer of said City. Such notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said City Controller, consistent with the provisions of the Local Finance Law.

Section 6. All other matters, except as provided herein relating to such bonds herein authorized including date, denominations, maturities, interest payment dates, and whether said bonds shall be repaid in accordance with a schedule providing for substantially level or declining annual debt service, within the limitations prescribed herein and the manner of execution of the same and also including the consolidation with other issues, shall be determined by the City Controller, the chief fiscal officer of such City. Such bonds shall contain substantially the recital of validity clause provided for in section 52.00 of the Local Finance Law and shall otherwise be in such form and contain such recitals in addition to those required by section 52.00 of the Local Finance Law, as the City Controller shall determine consistent with the provisions of the Local Finance Law.

Section 7. This resolution shall constitute a statement of official intent for purposes of Treasury Regulations Section 1.150-2. Other than as specified in this resolution, no monies are, or are reasonably expected to be, reserved, allocated on a long-term basis, or otherwise set aside with respect to the permanent funding of the object or purpose described herein.

Section 8. The validity of such bonds and bond anticipation notes may be contested only if:
1) Such obligations are authorized for an object or purpose for which said City is not authorized to expend money, or
2) Such obligations are authorized in violation of the provisions of the Constitution.

Section 9. This resolution, which takes effect immediately, shall be published in summary form in the Niagara Gazette, the official newspaper of said City hereby designated for such purpose, together with a notice of the City Clerk in substantially the form set forth in paragraph a of Section 81.00 of the Local Finance Law.

RESOLUTION FAILED—NEEDS 4 YEA VOTES TO PASS
Council Member Anderson said the City Controller had informed the Council that the City was already in the hole, so he doesn’t want to incur additional debt. He had voted No to the other items on this Agenda related to the Ice Rink so he is voting No on this item also. He feels the Casino funds should be used for the Ice Rink renovations. Council Member Choolokian commended Mr. Carella for the work that has been done at the Ice Rink and said he supports the Project. However, due to the Budget crises of the past few years, he doesn’t think the City should be borrowing any more money. He feels that money should have been set aside from Casino funds over the years to pay for this Project.
Council Member Walker said that he feels that this is a lot of money to spend with the financial issues facing the City. However, this is the most important and final phase of the Project and the City should move forward and finish the Project because of the amount of money already invested.
Chairman Touma said this is the final phase of the Project and he understands the concerns about additional borrowing of the City but the spinoff of the economic returns from the Ice Rink should be enough incentive to complete the Project.

RESOLUTION: TURNER, JAEMON, HARRIS, AVION, BRADBERRY, JALEN, HONORING, 2015-17
BY: ALL COUNCIL MEMBERS

Agenda Item #17
WHEREAS, three players from the Western New York Elite Basketball Club, Jaemon Turner, Avion Harris, and Jalen Bradberry, have been hand-picked to represent Western New York at the Melo 11 Pearl Classic I95 Basketball Tournament, and
WHEREAS, this honor is afforded to only a select few players in Western New York, and
WHEREAS, these players performed well through several rounds of play and made their city proud by securing a spot in the final four teams of the tournament, playing their best in the semifinals, and
WHEREAS, the City Council of the City of Niagara Falls, New York wishes to honor Jaemon Turner, Avion Harris, and Jalen Bradberry for their athletic achievements, and to make it known that the city of Niagara Falls is honored to have been represented by these three talented young men, now

THEREFORE, BE IT RESOLVED that the City Council of the City of Niagara Falls, New York hereby honors Jaemon Turner, Avion Harris, and Jalen Bradberry for their achievements and commends them for the hard work they have done, and
BE IT FURTHER RESOLVED that the City Council of the City of Niagara Falls, New York wishes these three young men the best of luck in all of their future endeavors, with confidence that by putting forth the hard work and effort that they have dedicated to the sport of basketball, they can accomplish any goal that they put their minds to.

Members of the City Council and Carol Antonucci, City Clerk

Council Members and Madam:

You are hereby notified of a Special Meeting of the City Council of the City of Niagara Falls, New York called pursuant to Section 3.9.b of the City Charter, to be held on Monday, March 9, 2015 at 3:45 p.m. in the Council Chambers, City Hall, 745 Main Street, Niagara Falls, New York for the following purpose:

1. Approval of Change Order #1 for Consultant Services Agreement in the Contract of Ice Pavilion Phase IV, DiDonato Associates.

2. Approval of Letter of Award for Ice Pavilion Phase IV for Ice Rink Floor/Dasher Board replacement (Plumbing Contract) to J.R. Swanson Plumbing, Inc.

3. Approval of Letter of Award for Ice Pavilion Phase IV for Ice Rink Floor/Dasher Board replacement (Electrical Contract) to South Buffalo Electric Inc.

4. Approval of Letter of Award for Ice Pavilion Phase IV for Ice Rink Floor/Dasher Board replacement (Mechanical Contract) to Parise Mechanical, Inc.

5. Approval of Letter of Award for Ice Pavilion Phase IV for Ice Rink Floor/Dasher Board replacement (General Contract) to Scrufari Construction Services, Inc.

6. Approval of Letter of Award for Ice Pavilion Phase IV for Ice Rink Floor/Dasher Board replacement (Ice Rink Contract) to Mollenberg Betz, Inc.

7. Relative to authorizing the issuance of Bonds for the cost of the Reconstruction/Construction of improvements to the Ice Pavilion.

Respectfully submitted,

Andrew Touma, Council Chair
The March 9, 2015 Special Meeting of the Niagara Falls City Council was called to order by Council Chairman Andrew Touma at 3:45 p.m. in the Council Chambers.

Present: Council Chairman Andrew Touma, Council Members Robert Anderson, Glenn Choolokian, Kristen Grandinetti, Charles Walker.

Also Present: Mayor Paul Dyster, City Administrator Donna Owens, Corporation Counsel Craig H. Johnson, Deputy Corporation Counsel Thomas O’Donnell and City Controller Maria Brown.

THE FOLLOWING COMMUNICATIONS WERE SUBMITTED BY THE MAYOR

CONTRACT: ICE PAVILION, CONSULTANT SERVICES, DIDONATO ASSOCIATES

Agenda Item #1
A contract for the above reference project was awarded to DiDonato Associates, P.E. of Buffalo on July 21, 2014 for professional services and design related tasks in the amount of $175,000.00.

This new work involves full time Construction Inspection, on-site coordination of multiple Prime contractors and all related testing, for Phase IV of the project.

It is the recommendation of the undersigned that the City extend the existing professional service agreement with DiDonato Associates P.E. in the amount of $129,876.00 to provide continuing on-site inspection for a new total of $304,876.00.

This award is contingent on the approval of the Bond Resolution that appears elsewhere on the Council agenda. Funding for the 2015 payment is budgeted from Casino Funding. It is anticipated that Casino Funds will be used for future Bond payments.

Therefore, it is the recommendation of the undersigned that Change Order #1 in the amount of $304,876.00 be approved.

Will the Council vote to so approve?
Council Member Walker moved that the communication be received and filed and the recommendation approved.

Council Member Anderson said since the change had been made to use Casino Funds for the Principal & Interest on the Bond, he would vote in favor on these items. He also asked that the Administration & DPW set aside money in the Budget every year for preventative maintenance.

Council Member Choolokian said that since Day One he has advocated for the use of Casino Funds for this Project. He also said that Mr. Carella is doing a great job as the Lessee at the Ice Rink. He also suggested that if enough Casino Dollars are available next year that the entire Bond be paid off.

RESOLVED by the affirmative vote of not less than two-thirds of the total voting strength of the City Council of the City of Niagara Falls, Niagara County, New York, as follows:

Section 1. For the purpose of paying the cost of the reconstruction and construction of improvements to the Ice Pavilion in and for the City of Niagara Falls, Niagara County, New York, including original furnishings, equipment, machinery and apparatus, as well as incidental costs, there are hereby authorized to be issued $3,100,000 bonds of said City pursuant to the provisions of the Local Finance Law.

Section 2. It is hereby determined that the maximum estimated cost of the aforesaid specific object or purpose is $3,100,000, which is hereby authorized at said maximum estimated cost.

Section 3. It is hereby further determined that the period of probable usefulness of the aforesaid purpose is twenty-five years, pursuant to subdivision 12(a)(1) of paragraph (a) of Section 11.00 of the Local Finance Law.

Section 4. The faith and credit of said City of Niagara Falls, Niagara County, New York, are hereby irrevocably pledged for the payment of the principal of and interest on such obligations as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such obligations becoming due and payable in such year. There shall annually be levied on all the taxable real property of said City, a tax sufficient to pay the principal of and interest on such obligations as the same become due and payable.

Section 5. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell bond anticipation notes in anticipation of the issuance and sale of the serial bonds herein authorized, including renewals of such notes, is hereby delegated to the City Controller, the chief fiscal officer of said City. Such notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said City Controller, consistent with the provisions of the Local Finance Law.
Section 6. All other matters, except as provided herein relating to such bonds herein authorized including date, denominations, maturities, interest payment dates, and whether said bonds shall be repaid in accordance with a schedule providing for substantially level or declining annual debt service, within the limitations prescribed herein and the manner of execution of the same and also including the consolidation with other issues, shall be determined by the City Controller, the chief fiscal officer of such City. Such bonds shall contain substantially the recital of validity clause provided for in section 52.00 of the Local Finance Law and shall otherwise be in such form and contain such recitals in addition to those required by section 52.00 of the Local Finance Law, as the City Controller shall determine consistent with the provisions of the Local Finance Law.

Section 7. This resolution shall constitute a statement of official intent for purposes of Treasury Regulations Section 1.150-2. Other than as specified in this resolution, no monies are, or are reasonably expected to be, reserved, allocated on a long-term basis, or otherwise set aside with respect to the permanent funding of the object or purpose described herein.

Section 8. The validity of such bonds and bond anticipation notes may be contested only if:

1) Such obligations are authorized for an object or purpose for which said City is not authorized to expend money, or

2) Such obligations are authorized in violation of the provisions of the Constitution.

Section 9. This resolution, which takes effect immediately, shall be published in summary form in the Niagara Gazette, the official newspaper of said City hereby designated for such purpose, together with a notice of the City Clerk in substantially the form set forth in paragraph a of Section 81.00 of the Local Finance Law.

REGULAR COUNCIL MEETING          NIAGARA FALLS, NEW YORK

The first session of the March 2, 2015 Niagara Falls City Council Meeting was called to order by Council Chairman Andrew Touma at 6:06 P.M. in the Council Chambers.

Present: Council Chairman Andrew Touma, Council Members Glenn Choolokian, Kristen Grandinetti and Charles Walker
Absent: Council Member Robert Anderson
Also present: Mayor Paul A. Dyster, City Administrator Donna Owens, Corporation Counsel Craig H. Johnson, Deputy Corporation Counsel Thomas O'Donnell and City Controller Maria Brown.

Council Member Choolokian moved to approve the Minutes from the City Council Meeting of February 17, 2015.

Chairman Touma announced a Special Order of Business, a Public Hearing relative to the abandonment of a portion of 76th Street north of Niagara Falls Boulevard, and asked if there were any speakers relative thereto. Benderson Attorney James Baglioli spoke on the company’s requirements to move the Project on the parcel forward, and the steps taken by the company to insure the health and safety of the area and residents. David Boniello, Attorney for the owner of the property adjoining the area to be abandoned, expressed concerns about the Project.

Community Development Director Seth Piccirillo gave an update on the Downtown Stabilization Project. He said that new tax revenues are being realized from developments in the Downtown area; grant money has been received so no General Fund monies are being used; maintenance by the City will be needed for the area; and spin-off development will be realized for the area.

Mayor Paul Dyster asked City Controller Maria Brown to explain the costs involved for Bonds for the Ice Rink Project (Agenda Item #19). Mrs. Brown said that the Bond for $3.1M would be a 15 year Bond, with annual payments of $265,000, which payments would be paid with Casino funds. Council Member Choolokian asked why Casino funds were not put into the Budget, starting in 2009, to cover the costs for the Ice Rink Project, rather than bonding for the costs now. Senior Project Designer Mike DeSantis said that $7M has been spent on the Project to date, and Council Member Grandinetti added that the Project is 65% complete and is already generating revenue for the City. A lengthy discussion followed.

Council Member Choolokian also said that the practice of using Fund Balance to balance the Budget must decrease each year.

Chairman Touma asked Mayor Dyster what was being done to address the issue of frozen water lines throughout the City, and the Mayor responded that a meeting has been set up with the Water Board. Council Member Walker asked if 72nd Street has been evaluated to determine what the issue is, and the Mayor said that last year the City hired the firm of Clark, Patterson Lee to evaluate the street, and no cause was found for the frozen water lines. The Mayor said that once the ground has thawed, further testing will be done.
Deputy Corporation Counsel Thomas O’Donnell distributed copies of a communication and a Resolution to be added to the Agenda.

1. A communication relative to rejecting a Bid from the December 4, 2014 In Rem Auction.
   Council Member Walker moved to add the communication to the Agenda.

THE FOLLOWING COMMUNICATIONS WERE SUBMITTED BY THE MAYOR

CONTRACT: SKATE PARK DESIGN, SPOHN RANCH SKATEPARKS

Agenda Item #1

The Community Development Department has funds in its 2015 budget for construction of a skate park. The Department solicited proposals for the design of the park from skate park designers and local landscape architect firms. The following proposals were received by CD:

Spohn Ranch Skateparks, Los Angeles, CA $ 9,000.00
American Ramp Company, Joplin, MO 9,500.00
Joy Kuebler Landscape Architect, PC, NT, NY $42,680.37

Spohn Ranch Skateparks has designed and built skate parks around the country, including in New York State. Spohn Ranch Skateparks also has designed and built facilities for ESPN X-games and similar competitions.

The proposal includes one in-person visit, preparation of schematic designs and renderings, preparation of construction documents and technical specifications, and cost estimates. The fee includes reimbursable expenses. The company is able to provide the services required under this contract.

Construction funds in the 2015 CD budget can be used after HUD approval of the budget and release of the funds. If the design is completed by the time funding is released, the project can be completed this year. The design services for which approval is requested herein are to be paid with casino revenues. Casino revenues are available to pay for the services.

Will the Council vote to award the design contract to Spohn Ranch Skateparks for the skate park design as set forth herein, and authorize the Mayor to execute any documents necessary to effectuate the same?

Council Member Choolokian moved that the communication be received and filed and the recommendation approved.

COMMUNITY DEVELOPMENT: DEMOLITION FUNDS, TRANSFERRING

Agenda Item #2

The United States Department of Housing and Urban Development (HUD) determined that $140,163.95 in Community Development Block Grant (CDBG) funds were used for activities that did not meet the federal national objectives. The finding stems from NFC Development Corp. small business assistance projects between 1994 and 2007 which used CDBG funds. The projects failed to achieve or document the required job creation levels.

It is very important to note that small business loans are eligible CDBG activities. Neither CD nor NFC misappropriated any funding. The questioned loans all required the small businesses to meet the job creation standards.

In some instances, the businesses did not provide job creation statistics required to demonstrate compliance. In other instances, the businesses submitted the statistics, but did not create the required jobs. Some of the loans have been repaid in full or in part. With two of the loans, the amount was fully repaid, but the job creation goals were either not met or not reported after several inquiries.

Lack of full repayment, lack of any repayment, lack of job creation, lack of job creation statistics or a combination of those factors led to the HUD findings. If the owner fails to create jobs, refuses to report job creation statistics, or fails to repay the loan, the city is obligated to refund HUD. This is why, as a matter of current CD policy, CDBG funds are no longer used for small business loans.

03/02/2015
This dollar amount represents 0.31 percent of the total CDBG funds awarded to Niagara Fall Community Development (CD) over that time period. It is HUD policy that the federal line of credit must be repaid from non-federal funds for any project that does not meet its national objective.

CD has negotiated a repayment solution with HUD that does not require the expenditure of new funding. The City can transfer $140,163.95 from the demolition line of the City’s annual budget to the City’s CDBG federal line of credit. Once transferred, the $140,163.95 will remain available to the City. The funds will be drawn down by the Community Development Department and used specifically for demolitions.

Even without this transfer, CD-funded demolitions are made in coordination with the Code Enforcement/Inspections Department. All houses which are demolished are first designated for demolition through the Code Enforcement/Inspections Department. The level of coordination will remain in place for these transferred funds.

The result of this action is to transfer funding from the City’s Code Enforcement/Inspections demolition line to the City’s CD demolition line. This transfer will not have any impact on the number of demolitions completed. It is standard practice for the City’s demolition contracts to be funded by both City and CDBG funding sources.

Upon approval, the funds will be transferred from City budget line H.0910.2009.0910.0449.599 to HUD and added to the City’s CDBG federal line of credit. These funds will then be available for expenditure for CD Project Number CDR 699, Clearance and Demolition, under CD budget line CD1.8666.0000.0450.500.

Will the Council vote to approve transfer of funds as set forth herein, and authorize the Mayor to execute any documents necessary to effectuate the same?

Council Member Choolokian moved that the communication be received and filed and the recommendation approved.

PUBLIC WORKS: SENIOR STOREKEEPER POSITION, RESTORATION

Agenda Item #4
The Acting Director of the Department of Public Works is requesting that the position of Senior Storekeeper be restored. The position was eliminated as the result of a retirement; however, it has become apparent that the position is necessary to maintain the auto parts inventory for the City. The total annual cost is $75,062.53, inclusive of benefits but the cost for the remainder of this year, commencing March 3, 2015, will be approximately $63,515. Attached (on file in the City Clerk’s Office) is a spreadsheet detailing the various costs. Funding is available from various vacant positions throughout the City, not including Police and Fire.

Will the Council so approve?

425 THIRD STREET, PURCHASE

Agenda Item #5
The Director of Community Development is requesting the City move forward on the purchase of 425 Third Street. Attached (on file in the City Clerk’s Office) hereto is a communication from the Director to the Chairman of the Planning Board which details the specific reasons for this acquisition. Also attached hereto is a copy of the Planning Board’s recommendation to the City Council to acquire this parcel.

The Director advises that the property is listed for sale for the sum of $45,000 and that is the price he is recommending that the City offer to purchase it. Attached hereto is an opinion from the City Assessor stating that this is a fair price for the City to pay for this parcel.

Funding is available from a grant from the 2012 Regional Economic Development Council.

Will the Council so approve and authorize the Mayor to execute a sale and purchase agreement acceptable to the Corporation Counsel?

RESOLUTION: 76TH STREET, ABANDONMENT, 2015-19
BY: COUNCIL CHAIRMAN ANDREW TOUMA

Agenda Item #18

WHEREAS, the City Council of the City of Niagara Falls desires to abandon a portion of 76th Street, north of Niagara Falls Boulevard, in order to facilitate the development of the real estate; and
WHEREAS, the City Council did, by resolution, give notice of its intention to abandon a portion of the aforementioned street portion and did direct the City Clerk to publish notice of such intention and that a public hearing would be held by the City Council at its meeting to be held in the Council Chambers on March 2, 2015 at 6:00 p.m. eastern standard time and advise that all persons interested would be heard on that said time and place; and
WHEREAS, the hearing was duly held on March 2, 2015 at 6:00 p.m. eastern standard time in regards to said abandonment.
NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Niagara Falls, New York, that a portion of 76th Street, north of Niagara Falls Boulevard, is hereby abandoned, the said abandoned street portion subject, however, to reservation of right of and for the City of Niagara Falls, the Niagara Falls Water Board and any utility companies, their successors and assigns to use, maintain, repair, replace and continue to maintain their services and operations in said abandoned street. The said street portion is bounded and described as follows:

ALL THAT TRACT OR PARCEL OF LAND situated in the City of Niagara Falls, County of Niagara, State of New York, being part of Lot Number 9, Township 13, Range 9 of the Holland Land Company’s Survey being further described as follows:

Commencing at the intersection of the westerly line of lands conveyed to Joseph Dakwar by Deed recorded in the Niagara County Clerk’s Office in Liber 2117 of Deeds at Page 353 and the northerly bounds of Niagara Falls Blvd as now laid out;

Thence northerly along the westerly line of lands conveyed to Dakwar at a bearing of N 0° 05’ 16” E, a distance of 348.75’ to a point;

Thence easterly along the northerly lines of lands conveyed to Dakwar at a bearing of S 89° 54’ 44” E, a distance of 60.00’ to a point;

BE IT FURTHER RESOLVED, that a certified copy of this resolution be filed in the Office of the Clerk of the County of Niagara and that the Mayor may sign deeds or other documents desirable to effectuate this abandonment.

RESOLUTION: ICE PAVILION BONDS, RECONSTRUCTION/CONSTRUCTION
BY: COUNCIL CHAIRMAN ANDREW TOUMA

Agenda Item #19

RESOLVED by the affirmative vote of not less than two-thirds of the total voting strength of the City Council of the City of Niagara Falls, Niagara County, New York, as follows:

Section 1. For the purpose of paying the cost of the reconstruction and construction of improvements to the Ice Pavilion in and for the City of Niagara Falls, Niagara County, New York, including original furnishings, equipment, machinery and apparatus, as well as incidental costs, there are hereby authorized to be issued $3,100,000 bonds of said City pursuant to the provisions of the Local Finance Law.

Section 2. It is hereby determined that the maximum estimated cost of the aforesaid specific object or purpose is $3,100,000, which is hereby authorized at said maximum estimated cost.

03/02/2015
Section 3. It is hereby further determined that the period of probable usefulness of the aforesaid purpose is twenty-five years, pursuant to subdivision 12(a)(1) of paragraph (a) of Section 11.00 of the Local Finance Law.

Section 4. The faith and credit of said City of Niagara Falls, Niagara County, New York, are hereby irrevocably pledged for the payment of the principal of and interest on such obligations as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such obligations becoming due and payable in such year. There shall annually be levied on all the taxable real property of said City, a tax sufficient to pay the principal of and interest on such obligations as the same become due and payable.

Section 5. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell bond anticipation notes in anticipation of the issuance and sale of the serial bonds herein authorized, including renewals of such notes, is hereby delegated to the City Controller, the chief fiscal officer of said City. Such notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said City Controller, consistent with the provisions of the Local Finance Law.

Section 6. All other matters, except as provided herein relating to such bonds herein authorized including date, denominations, maturities, interest payment dates, and whether said bonds shall be repaid in accordance with a schedule providing for substantially level or declining annual debt service, within the limitations prescribed herein and the manner of execution of the same and also including the consolidation with other issues, shall be determined by the City Controller, the chief fiscal officer of such City. Such bonds shall contain substantially the recital of validity clause provided for in section 52.00 of the Local Finance Law and shall otherwise be in such form and contain such recitals in addition to those required by section 52.00 of the Local Finance Law, as the City Controller shall determine consistent with the provisions of the Local Finance Law.

Section 7. This resolution shall constitute a statement of official intent for purposes of Treasury Regulations Section 1.150-2. Other than as specified in this resolution, no monies are, or are reasonably expected to be, reserved, allocated on a long-term basis, or otherwise set aside with respect to the permanent funding of the object or purpose described herein.

Section 8. The validity of such bonds and bond anticipation notes may be contested only if:
1) Such obligations are authorized for an object or purpose for which said City is not authorized to expend money, or
2) Such obligations are authorized in violation of the provisions of the Constitution.

Section 9. This resolution, which takes effect immediately, shall be published in summary form in the Niagara Gazette, the official newspaper of said City hereby designated for such purpose, together with a notice of the City Clerk in substantially the form set forth in paragraph a of Section 81.00 of the Local Finance Law.

City Clerk
March 16, 2015

REGULAR COUNCIL MEETING

NIAGARA FALLS, NEW YORK

The first session of the March 16, 2015 Niagara Falls City Council Meeting was called to order by Council Chairman Andrew Touma at 6:02 P.M. in the Council Chambers.

Present: Council Chairman Andrew Touma, Council Members Robert Anderson, Glenn Choolokian, Kristen Grandinetti and Charles Walker.

Also present: Mayor Paul A. Dyster, Corporation Counsel Craig H. Johnson, Deputy Corporation Counsel Thomas O’Donnell and City Controller Maria Brown.

Council Member Choolokian moved to approve the Minutes from the City Council Meeting of March 2, 2015 and the Special Meeting of March 9, 2015.

Community Development Director Seth Piccirillo spoke on the Plan for the disposition of City-owned properties. He said that all of the properties need renovations, the Program is not open to landlords, buyers must adhere to a timeframe for the renovations and live in the homes for five years, and Open Houses will be held for prospective buyers to look over the homes. He also said the Wells Fargo Bank has donated two bank-owned properties and a Grant of $40,000 to the Program.

Superintendent of Police Bryan DalPorto said that he wanted to clarify that the recent shootings in the North End Area happened on City Streets, and not on Housing Authority properties.

Chairman Touma said that the City Administrator had said that she would provide garbage tonnage comparisons between last year and now on an ongoing basis, and Mayor Paul Dyster said that he will follow up on the request.

Chairman Touma also asked about the progress of the parking meters, and the Mayor responded that bids were opened on March 13 and were being reviewed, and that the Program will be up and running as soon as possible. Council Member Walker asked if there was a layout available for the meters, and the Mayor said that the City was looking into doing an outreach with the downtown businesses. He added that the City will have a Parking Division with one employee who will work with a private operator for the meters. Council Member Walker asked that the Council be given enough time to work through all the issues before being asked to vote on the matter.

Council Member Choolokian asked if the City had a plan for clearing all the garbage that was left as the snow melted, and Mayor Dyster responded that the Administration is working with Modern on the matter. The Council Member asked that the City have an alternate Plan in place to get the garbage off the streets.

Chairman Touma asked about the City plowing sidewalks on the main thoroughfares and fines for the business owners not keeping the sidewalks clear. He would like an Ordinance addressing this in place prior to the next winter season. He also asked if the NFTA is responsible for keeping the shelters at bus stops clear, along with the sidewalks around the shelters. The Mayor will look into this.
In speaking about the frozen water lines in the 72nd and 77th Street areas, Council Member Anderson suggested checking with the Canadian government since this issue does not seem to happen in Canada. Mayor Dyster responded that the Administration is talking to the Water Board about the issue, but the weather needs to be warmer before holes can be bored in the streets to check for problems. The Council Member asked who will represent the City in the matter, and the Mayor said that the firm of Clark Patterson Lee is dealing with the matter since they did not have anything to do with the work that was done on the street, and could provide an independent opinion. Council Member Choolokian added that a Plan needs to be put in place, possibly using Casino funds, to do whatever has to be done to fix the issue before next winter. He also asked that the Council be kept updated on the progress of testing that is done in the area.

Corporation Counsel Craig Johnson distributed copies of two Resolutions to be added to the Agenda:

1. A Resolution relative to honoring First Ladies of area churches. Council Member Choolokian moved to add the Resolution to the Agenda.

   The Resolution was added to the Agenda as #19.

Council Member Choolokian questioned the reason for additional funding for the SWEET Team (Agenda Item #3). Mayor Dyster replied that the funding was to hire two temporary employees for education and enforcement of the Refuse/Recycling Ordinance, who would report to the Program Coordinator for the SWEET Team. Council Member Walker asked about the job duties of another employee, and the Mayor responded that he is the Program Coordinator for the entire Department, including the SWEET Team. Acting Director of Parks and Public Works Robert Spacone added that the SWEET Team Coordinator goes out into the City to address issues with the Program. Council Member Walker questioned who will take over the duties after the six months that the temporary employees are there, and the Mayor said that he will look into that. Chairman Touma added that Modern had identified areas of the City where the Ordinance needs to be enforced. Council Member Choolokian also asked if the City will then be out of the garbage business and not hire any permanent employees for that, and the Mayor said that enforcement will still be an issue.

Chairman Touma informed the Council Members that he had spoken to Mr. Johnson about retaining the services of Mr. Restaino to complete the work on the City Charter (Agenda Item #17). So far, the Charters from 1916 and 1988 have been gone over, and there is still work to be done on Local Laws that have been adopted from 1988 to the present time.

Mayor Dyster said that the Administration supports Agenda Item #19, relative to including the City in the distribution of Casino funds received by Niagara County.

This Session ended at 6:50 PM.
Chairman Touma reconvened the Meeting at 7:05 P.M. in the Council Chambers with all Council Members present. The Prayer was said by Council Chairman Touma and led the gathering in the Pledge of Allegiance to the Flag.

The Chairman asked if anyone wished to speak on Agenda Items or Community Interests, and the following spoke:

SWEET TEAM: BUDGET, FUNDING FOR BALANCE

Agenda Item #3
During the City Council meeting on January 5, 2015, Item No. 7, pertaining to Funding for positions that were removed during the Budget Process, was tabled. During the City Council meeting held on January 20, 2015, this item was removed from the table and the portion of this tabled item which created the position of SWEET Team Project Coordinator was separated out and approved. It is now requested that this item once again be removed from the table and the portion of this tabled item dealing with the 2015 SWEET Team budget, be separated out and that the item be amended to delete the bi-weekly portion of this item plus fringe benefits because it was previously approved. It is now requested that the balance of the budget for the SWEET Team in the amount of $42,470 be approved. Funding is available from casino revenues. For this purpose, attached (on file in the City Clerk’s Office) is an amended budget.

Will the Council so approve?

COMMUNITY DEVELOPMENT: FEDERAL BUDGET FINALIZATION

Agenda Item #4

The City Council approved the Fiscal Year 2015 Consolidated Annual Plan in November 2014. The Consolidated Annual Plan included the Community Development Block Grant (CDBG) Program, HOME, and Emergency Solutions Program (ESG); all funded through annual Department of Housing and Urban Development (HUD) allocations. These budgets were presented to the City Council in draft form, based on estimate, to accommodate the city and federal governments’ differing fiscal year budget schedules. HUD’s final Fiscal Year 2015 allocations were approved on February 10, 2015. Cumulatively, the city’s final CDBG, HOME and ESG allocation is $16,369 or 0.59 percent lower than the $2,775,199 budget previously presented to the community and approved by the City Council. The individual programs are affected as follows:

CORPORATION COUNSEL: REORGANIZATION/CLASS UPGRADE

Agenda Item #10
The City’s Corporation Counsel Department, has in its structure an Account Clerk, Grade 7 position at an annual salary of $33,169 that is currently vacant. It is requested that the Account Clerk, Grade 7 position be eliminated and replaced with a Legal Secretary, Grade 12 at an annual salary of $29,151. This will ensure that the department recruits at a level of experience necessary to perform the essential functions of the position and provide continuity within the department.

This reorganization and class upgrade may be accomplished at this time and achieve a savings of $4,018 in base salary amount. The Department of Parks and Public Works, has in its structure an Administrative Assistant – Public Property position, Grade 17, at an annual salary of $42,382. This position was downgraded from a Grade 19 as a part of the City’s Retirement Incentive. However, posting at the budgeted grade did not provide sufficient promotional opportunity to yield any applicants. A class upgrade to Grade 18 was requested and approved by the City Administration based upon recruitment difficulty. This one level class upgrade complies with objectives of the Retirement Incentive as it is still a downgrade from the previous Grade 19 position.

The position has been temporarily filled pending Council approval of the replacement of Administrative Assistant – Public Property, Grade 18 at an annual salary of $43,716; an increase of $1,334. Funds are available in the department’s biweekly line because the position has been vacant for approximately 8 weeks and will not impact the total personnel appropriation.

Will the Council so approve the class upgrade of the Administrative Assistant - Public Property position to Grade 18, effective on the date of appointment?

Council Member Choolokian moved that the communication be received and filed and the recommendation approved.

Gay Molnar from the Aquarium of Niagara and Mike Mistriner from Cannon Design spoke on the Aquarium’s Penguin Capital Project, and asked for financial support for the Project from the City (Agenda Item #9). The Plan is for a groundbreaking for the Project in October of this year, with completion of the Project scheduled for June of 2016. They noted that the Aquarium has been a year round family oriented tourist attraction for 50 years that is not weather dependent and is open 363 days of the year. Mayor Paul Dyster added that the Administration supports this Project, and the Aquarium increases the number of hotel stays for tourists.

In the Administrative Update, Mayor Dyster:
1. Reported on the progress of the Robert Moses Parkway Project. He said that the detour will be eliminated by the tourist season and extensive landscaping will be done during the 2016 construction season.
2. Thanked those involved in the Memorial Service that honored Dr. LaRocca.
3. Thanked the staff of the Duke Center for their work on the Children’s East Egg Hunt.

Council Member Anderson asked about status of the frozen water lines on 72nd and 77th Streets. The Mayor said that the Water Board is dealing with a large backlog of water main breaks, there are less than 60 homes in the City that are without water, the City is working with the Firm of Clark Patterson Lee on an ongoing basis to assess the problem, and the "as built" drawings of the streets are being digitized in an effort to assess the problem. A lengthy discussion followed, including insurance that may become available for residents to purchase to help with repairs to water lines.
Council Member Choolokian said that he had received calls that not all full totes of garbage were being picked up, and City Administrator Donna Owens said that she would check into the matter. The Council Member also asked about the Plan to pick up all the garbage that is around the City as the snow melts. City Administrator Owens responded that Modern and City workers will both be picking up garbage, there is a City truck that is working on picking up garbage in the alleys, and she commended the workers from the Department of Public Works. She added that the City's Spring Clean Up will start April 6 and continue through May 8, and Modern has been picking up bags of trash that are on top of the totes, but not on the ground alongside the totes. Council Member Choolokian asked about the Plan for education and enforcement on the Refuse/Recycling Ordinance after the six month period for the hiring of temporary workers for this ends (Agenda Item #10), and Mayor Dyster responded that, after that time, DPW would be able to do this. Council Member Anderson added that there are many Senior Citizens in the City who are unable to move the totes themselves.

Chairman Touma thanked City Controller Maria Brown for providing Budget Performance Reports to the Council, and noted that there are concerns about overspending in some Budget lines. Mrs. Brown added that she can only give warnings as Budget lines are overspent, and it is the Council that has to approve additional spending over the amount budgeted.

Corporation Counsel Craig Johnson distributed copies of three Items to be added to the Agenda:

CONTRACT: DRAINAGE STRUCTURE REPLACEMENT & REPAIR PROJECT (VARIOUS LOCATIONS), YARUSSI CONSTRUCTION

Agenda Item #1
A contract for the above referenced project was awarded to Yarussi Construction, Inc. on April 16, 2014 in the amount of $341,412.00. After the start of the City’s Resurfacing Program, funding became available to add to the number of streets actually addressed through the project. The addition of streets to the Resurfacing Program, by necessity, also adds drainage structures to be repaired/replaced as well. Costs associated with the addition or substitution of streets for this project came to $58,595.00, bringing the contract total to $400,007.00. Funding is available in Code H0621.2006.0621.0449.599.

Will the Council vote to so approve and authorize the Mayor to execute a change order in a form acceptable to the Corporation Counsel? Council Member Grandinetti moved that the communication be received and filed and the recommendation approved.

COMMUNITY DEVELOPMENT: ASSISTANT HOUSING PROGRAM COORDINATOR, CREATION

Agenda Item #5

The Niagara Falls Community Development Department proposes the creation of a new position, Assistant Housing Program Coordinator, in its Leased Housing Unit. The position will start at a Grade 19.

There is funding available through the Leased Housing budget, established by the United States Department of Housing and Urban Development. The creation of this position does not increase the size of the Leased Housing Unit or its budget, but rather redistributes staff resources. The Niagara Falls Municipal Civil Service Commission approved the creation of this position on March 19, 2015.

The Leased Housing Unit is going through a staff transition, with recent departures and retirements. This position is will bring specific industry experience into the department, as well as the ability to train other staff members. We anticipate hiring someone with current experience in the supervision of HUD and New York State funded housing programs, property management, and specifically oversight of project based vouchering.

Will the Council vote to approve the creation of the Assistant Housing Program Coordinator as set forth herein, and authorize the Mayor to execute any documents necessary to effectuate the same?

NEW JERUSALEM BOY’S REPORTING CENTER, GRANT EXTENSION

Agenda Item #6

On December 23, 2013, the City Council approved a grant of $40,000.00 of State Finance Law §99-h funds (casino revenues) for the operation costs in 2014 of the New Jerusalem Boy’s Reporting Center. The funds were to be expended for 2014 operating expenses, and requests for the draw of funds were required to be submitted by January 31, 2015. These are the normal grant provisions which the City uses when providing grants for annual operation expenses for all not for profit grants.

New Jerusalem experienced some difficulties last year, most significantly flowing from the untimely death of its director, James Seright. Consequently, the City grant was not drawn down.

The program is conducted under the auspices of The Independent Church of God in Christ. The Buffalo Federation of Neighborhood Centers, Inc. is providing invaluable management and other assistance to the program.

The Independent Church of God in Christ has requested that the grant be extended through 2015. To date, approximately $17,000.00 of grant funds have been requested for 2014 expenses. If extended, the grant will be applied to 2014 and 2015 operating expenses. All other grant requirements will remain in place, with the grant required to be expended by January 1, 2016. The program appears to be running well, and the extension warranted to continue to support this program.

$40,000.00 of CDBG grant funding for this organization is also being provided under the 2014 CDBG budget. The grant runs through June 30, 2015, There is no need to extend that grant.

Will the Council vote to approve the New Jerusalem Boys Reporting Center grant to include 2015 operating expenses as set forth herein, and authorize the Mayor to execute any documents necessary to effectuate the same?

CONTRACT: BUFFALO AVENUE RECONSTRUCTION PROJECT, CATCO

Agenda Item #7
A contract for the above referenced project was awarded to CATCO on May 29, 2012 in the amount of $9,979,999.00.

As we conclude both the work and the warranty items for this project, the opportunities to encounter additional problematic soil issues have already come to pass. It is now possible to effectively deal with all the outstanding soil excavation and disposal issues. The cost of the disposition of the remaining soil handling totals $287,262.00. However, existing underruns in paving, striping and excavating quantities allows the soil handling costs to be addressed without additional funding, leaving the final contract total to equal the $9,979,999.00 award amount.

Will the Council vote to so approve and authorize the Mayor to execute a change order in a form acceptable to the Corporation Council?

CONTRACT: BUFFALO AVENUE INDUSTRIAL CORRIDOR-BROWNFIELD OPPORTUNITY AREA PROGRAM, LABELLA ASSOCIATES DPC

Agenda Item #8
The City has been awarded a second New York State Department of State Brownfield Opportunity Area (BOA) Program Grant for the Buffalo Avenue Industrial Corridor Project "Step-2." The grant award for the BOA Project is in the amount of $403,632.00. The total amount of the proposed consultant contract to LaBella Associates DPC is $390,000.00, which will be paid for from the grant. Including the City’s matching share, which is 10% of any expenditures, Step-2 total project expenditures cannot exceed $448,480.00. The The City’s Planning Environmental & Economic Development staff is providing the City’s the full match amount of up to $48,480.00 through “in-kind services” to the project. As such, there is no cash contribution or other cash disbursement required in accepting this award or in completing the Project.

In addition to helping mitigate the stigma of blight within the Corridor, the Buffalo Ave BOA planning process will stimulate new investment in transportation infrastructure, environmental cleanup, and improved access to the waterfront, as well as, new investment in 'strategic sites.' Sites that can serve as catalysts in driving new forms of economic development in the Corridor.

Six proposals for professional services were received for the Buffalo Avenue Industrial Corridor BOA Project. All firms submitting in response to the City’s request-for-qualifications/proposals (RFQ/RFP) were evaluated as specified therein. In addition to this initial analysis, City staff, NYS-DOS and NYS-DEC also interviewed the three highest-quality consultant responses in making this recommendation.

LaBella Associates’ proposal was determined to be the most comprehensive proposal with the best approach to achieving the goals of the project, and offering the best value overall. Additionally, LaBella Associates has performed similar work for the City of Niagara Falls under Buffalo Ave Industrial Corridor BOA "Step-1" Project, which gives them specific familiarity with the needs of the City in this regard and with the State’s BOA reporting requirements. Therefore, the Department of Planning Environmental & Economic Development recommends engaging LaBella Associates, DPC for the Buffalo Avenue Industrial Corridor BOA Step-2 Project.
Will the Council vote to accept the NYS-DOS grant, approve the contract award to LaBella Associates, DPC, and authorize the Mayor to execute any documents necessary, in form and in content satisfactory to the Corporation Counsel, to effectuate the same?

AQUARIUM OF NIAGARA, GRANT

Agenda Item #9

The Niagara Aquarium Foundation a/k/a Aquarium of Niagara is undertaking an ambitious project, a new habitat exhibit space for the Aquarium’s colony of Humboldt Penguins, the Aquarium’s premier species. The cost of this project will be nearly $3.3 Million. The City has been requested to provide a grant of up to $150,000.00, to be used to pay for some of the hard construction costs. The largest component of the project expenses will be paid with a NYPA Proceeds Challenge Grant.

This is an exciting project which will provide construction jobs. Once completed, the exhibit will greatly enhance the attractiveness of the Aquarium as a tourist attraction.

If approved, the grant funds will be drawn down under normal City grant procedures. The Aquarium will submit proof of availability of all project funds. Grant funds will be advanced only for work completed. The final grant disbursement will be made at project completion.

COMMUNITY DEVELOPMENT: 631 CHILTON AVE. AND 515 25TH ST., DONATION

Agenda Item #14
The Director of Community Development advises that Wells Fargo Bank is offering to donate to the City the premises commonly known as 631 Chilton Avenue and 515 25th Street. The Director also advises that Wells Fargo Bank is offering the City a $40,000 grant to assist in the renovation of these properties. The municipal purpose to accept these donations is to convert vacant properties into viable properties to encourage homeownership and encourage market rate investment. The acceptance of these donations would also be to prevent them from becoming “zombie” properties, which could remain vacant and blighted for many years to come.

The Planning Board has recommended that the City accept these offers of donation. Attached (on file in the City Clerk’s Office) hereto is a copy of the Planning Board recommendation, together with a letter from the Director of Community Development dated February 18, 2015 explaining his intention.

2440 CLEVELAND AVENUE, SALE

Agenda Item #15
The City acquired 2440 Cleveland Avenue (the “Premises”) as a result of the In Rem auction process. The Director of the Department of Community Development advises that Angela Henderson was the tenant in this property for approximately ten years. The owner defaulted on the taxes and as a result, the City acquired the Premises in the In Rem Tax Proceeding. Ms. Henderson has offered to purchase the Premises for $500 and will agree to abide by the following conditions:

1. Reside at the Premises as the primary occupant for eight (8) years.
2. Rehabilitate the Premises up to code within one year of signing a sale agreement with the City.
3. Submit a detailed repair/rehabilitation plan within 60 days of signing a sale agreement with the City.
4. The Premises reverts to the City if conditions agreed to are not complied with.
This is consistent with a resolution adopted by the City Council on February 19, 2014, regarding the sale of 452 Memorial Parkway. The purpose of this action is to restore a City-owned property to the tax rolls, prevent a possible City-funded demolition, rehabilitate a structure and increase homeownership.

Attached (on file in the City Clerk’s Office) hereto is an offer to purchase.

The Director further advises that in the event there are other individuals with circumstances similar to Ms. Henderson, a similar opportunity may be made available to them.

The Planning Board has reviewed this matter and has recommended that the City Council approve the sale. Attached hereto is a copy of the Planning Board recommendation.

Will the Council so approve and authorize the Mayor to execute a sale agreement and any other ancillary documents required to accomplish this sale which are in form and content acceptable to the Corporation Counsel?

Council Member Choolokian moved that the communication be received and filed and the recommendation approved.

03/16/2015
The first session of the April 13, 2015 Niagara Falls City Council Meeting was called to order by Council Chairman Andrew Touma at 6:03 P.M. in the Council Chambers.

Present: Council Chairman Andrew Touma, Council Members Robert Anderson, Glenn Choolokian, Kristen Grandinetti and Charles Walker.

Also present: Mayor Paul A. Dyster, City Administrator Donna Owens, Corporation Counsel Craig H. Johnson, Deputy Corporation Counsel Thomas O’Donnell and City Controller Maria Brown.

Council Member Choolokian moved to approve the Minutes from the City Council Meeting of March 30, 2015.

Chairman Andrew Touma gave a Presentation on the 2015 City Council Survey and Action Plan. He noted that the Survey reached almost 500 people, and the Survey form was available in both libraries, at the Clerk’s and Billing & Collections Offices at City Hall and online. He said the purpose of the Survey was to allow all residents to have the opportunity to have their voice count, and the Council would use the information provided on the Surveys in planning and going forward.

Jarrett Steffen spoke on the Niagara Riverkeeper Spring Shoreline Cleanup on April 25, and the areas that would be addressed. He said that he would leave a sign-up sheet for volunteers to sign. Assemblyman John Ceretto was present, and said he was glad to see that Cayuga Creek was one of the areas included in the Cleanup. Mayor Paul Dyster added that the City’s Annual Spring Cleanup Event would be held on May 2.

In the Administrative Update, Mayor Dyster reported that:

1. The Housing Visions Seventh Street Housing Project had received positive comments.
2. Phase III of the Train Station was underway. Council Member Walker asked if there was a Management Plan in place for the Train Station, and the Mayor responded that there was.
3. Work on Centennial Circle and downtown restaurant expansions was ongoing.
4. Work on the Robert Moses Parkway was progressing.

Council Member Choolokian asked about the status of the Hamister Project, and the Mayor responded that the developer was applying for the necessary encroachments.

Council Member Walker inquired about the equipment replacement at D’Amelio Park, and Acting Director of Parks and Public Works John Caso said that the basketball hoops have been installed. Mayor Dyster added that he will get an update to the Council on the new playground equipment.
Chairman Touma asked about the progress of implementing the parking program in the downtown area, and City Administrator Donna Owens said that interviews had taken place for an RFP for 40 meters downtown, and the program is moving ahead, on track, with no definite timeline for implementation. She added that Civil Engineer Robert Buzzelli would give an update at the next Council Meeting. City Controller Maria Brown noted that parking revenues were significantly increased in the 2015 Budget, and the City needed to start collecting these revenues as soon as possible in order to avoid a Budget shortfall.

Council Member Walker noted that the City is covering a lot of expenses for the Water Board, and asked that a Water Board representative attend the next Council Meeting to discuss these issues. Assemblyman Ceretto said that he had pushed for Legislation in the State’s Budget for funds to address municipal infrastructure issues, with the hope that some of the funding would be awarded to the City of Niagara Falls.

Corporation Counsel Craig Johnson distributed copies of four Items to be added to the Agenda:

1. A communication relative to funding for an emergency electrical repair at the Hyde Park Ice Pavilion.

Council Member Choolokian asked about the amount of funding that was being requested for the Department of Public Works at this time (Agenda Items 5, 6, & 7). Mayor Dyster responded that funds for temporary workers could not be put into the Budget while there were employee layoffs included in the Budget, so the funding for temporary workers is now needed to be added, and the overtime in the Budget had been depleted due to the severe weather conditions. The Council Member said that he would have liked to see the funding added in increments over time, and not all at once. Council Member Walker noted that the amount that was asked to be added was more than the amount that was cut. Mr. Caso also added that the City was now responsible for the Stadium and additional street construction was added which increased the amount of funding needed for his Department. Mrs. Brown also added that Mr. Caso had done a detailed cost analysis of the needs for his Department in order to arrive at this figure.

Mayor Dyster explained the need for the emergency electrical repair at the Ice Pavilion (Agenda Item #21).

Council Member Grandinetti moved to remove from the table the communication relative to awarding the Bid for Prisoner Meals (Agenda Item #3).

WELCH AVENUE, NORTH SIDE, NIAGARA ST. ELEMENTARY SCHOOL, CHANGE “NO PARKING ANYTIME” RESTRICTION

Agenda Item #11
At the Traffic Advisory Commission meeting held on March 31, 2015 the Commission recommended APPROVAL of the following item:

CHANGE “NO PARKING ANYTIME” RESTRICTION TO:

"NO PARKING:
A.) SCHOOL DAYS FROM APRIL 1 TO NOVEMBER 15, BETWEEN 8AM – 5PM
B.) SCHOOL DAYS FROM NOVEMBER 16 TO MARCH 31, ANYTIME (24 HOURS)"

ON WELCH AVENUE, NORTH SIDE, IN THE CUT OUT AREA ALONG NIAGARA STREET ELEMENTARY SCHOOL (2513 NIAGARA STREET)

The request to allow parking in the school’s cut out area during non school days and on school days outside of school hours (8am to 5pm) was made by the residents to gain six (6) additional parking spaces, especially for use in overnight parking on even nights of the week. A compromise on this original request was reached between the residents and the School District, to allow District crews adequate time to plow this area in the winter months while allowing the residents to use this area during other (non-winter) non school days/hours during the year.

Father Slavomir Siok was honored by the Council on the occasion of the 25th Anniversary of his Ordination to the Priesthood (Agenda Item #13). The Resolution honoring Fr. Siok was read by Bob Belkota, one of his parishioners, and a copy of the Resolution was presented to Fr. Siok by the Council Members.

Rev. James J. Maher was honored by the Council on the occasion of the 25th Anniversary of his being a member of the Vincentian Community of Priests and Brothers (Agenda Item #17). The Resolution honoring Fr. Maher was read by City Controller Maria Brown, and present to Fr. Maher by the Council Members.

In the Administrative Update, Mayor Paul Dyster spoke on the In-House Paving Program, and noted that W. Rivershore Drive and part of Portage Road and 27th Street would be included in the Program. He also said that use of the Pothole Killer will begin on May 4.

Council Member Grandinetti asked if there was any further information on the frozen water lines on 72nd and 77th Streets and Independence Avenue, and the Mayor responded that there was not. Chairman Touma said that he had spoke to Water Board Director Paul Drof, who informed him that digging on 72nd and 77th streets would start this week or next. Chairman Touma asked that the Administration coordinate the work with the Water Board, and keep the Council informed when the digging begins. Council Member Choolokian asked about Independence Avenue, and the Mayor said that research was the first step to try to figure out what the issue was there. Council Member Walker asked if the City was working with the Water Board on this issue, or working independently. The Mayor responded that both were being done, and Council Member Walker added that the City and the Water Board need to discuss a better way of doing things to help the residents, and Mayor Dyster said that the Law Department has contacted the Water Board Attorney to begin a discussion on the issue. Council Member Anderson said he doesn’t remember any problems in the area with water lines before the repair work was done.

Chairman Touma said that he had reached out to the President/CEO of the YMCA to meet with him and the Mayor. He said that after their meeting, he received a letter stating that the YMCA was under contract for sale to the Gospel Rescue Mission, and that decision was irreversible. The Director of the Gospel Rescue Mission agreed to meet to discuss use of the “Y” property.
City Controller Maria Brown spoke on the decline in the amount of Casino revenue the City receives, and stressed the need for a Spending Plan for these funds. Chairman Touma said that he would meet with the Mayor and Council Member Walker to discuss this issue.

Chairman Touma noted that the overtime line for the Engineering Department is already over budget, and asked Mayor Dyster what steps have been taken to address the issue. Mayor Dyster responded that last year, the salary budgeted for the City Engineer position was used to cover the overtime since the City Engineer position was not filled. Council Member Walker questioned how the work of the Engineering Department staff and the consultant for the Department was being monitored, and Mayor Dyster said that was done by a Coordinating Committee comprised of the Mayor, City Administrator and others. Mrs. Brown verified that there was no funding left in the overtime line for the Engineering Department, and Council Member Anderson added that “you can’t spend money you don’t have”.

In response to Chairman Touma’s questions, Mayor Dyster said that he will clarify with Modern their flexibility about the pickup of items other than those that are in the totes as part of the bulk pickup.

Council Member Choolokian asked Community Development Director Seth Piccirillo about the status of the Highland Avenue Fire Hall, and Mr. Piccirillo responded that the request for bids for the roof have been advertised.

Corporation Counsel Craig Johnson distributed copies of Items to be amended and/or added to the Agenda:

1. An amendment to Agenda Item #19, a Resolution relative to appointment of the City Council Secretary, to add the name of Bridgette Myles as the person to be appointed.

   Chairman Touma suggested consolidating the Seneca Casino’s Fireworks Display with the City’s, and asking the Seneca’s to contribute toward the City’s Fireworks. Mayor Dyster responded that the Seneca’s Fireworks are not displayed on the 4th, and the City’s display is a family event that is held on the 4th, and this amount is the bare minimum needed to keep this family tradition (Agenda Item #2).
   
   Chairman Touma inquired about the process for selecting the artist for the public artwork component of the Centennial Circle Project (Agenda Item #9). Mayor Dyster responded that it will be a competitive process, and grant funds are being used for the Project, along with contributions of funds from the City and USA Niagara.
   
   This Session ended at 7:07 PM.
   
   Chairman Touma reconvened the Meeting at 7:25 P.M. in the Council Chambers with all Council Members present. The Prayer was said by Council Member Grandinetti and the Chairman led the gathering in the Pledge of Allegiance to the Flag.

Agenda Item #5

As the Community Development Department prepared for its home auction, it was discovered that some of the houses to be offered for sale were filled with decrepit furniture and debris. Proposals were solicited for the removal of all interior household furnishings and debris at 4300 Crescent Drive, 4377 Crescent Drive and 2723 LaSalle Avenue.

Proposals were received as follows:

Good Guys Landscaping, LLC, Amherst .......... $2,100.00
All Trash Be Gone, Lancaster ................. $3,078.00
Baggs Service, Lockport ..................... $3,740.00

It is recommended that the cleaning contract be awarded to Good Guys Landscaping, LLC. The contractor will provide standard City insurance for the work.

Funds are available to pay for this in budget line CD1.8677.0000.0450.500 (CIA-001). In addition, renovation funds from the property sale agreement, approved by City Council, with Wells Fargo Bank can be used to reimburse the budget line.

Will the Council vote to approve the award of the house cleaning contract as set forth herein, and authorize the Mayor to execute any documents necessary to effectuate the same?

CONTRACT: CENTENNIAL CIRCLE PROJECT, CITY CONTRIBUTION, FUNDING

Agenda Item #9
Some time ago the City applied for and received an allocation of Greenway Funds in the amount of $335,000 for improvement to and the dedication of the Centennial Circle. While the project will involve improvements to the existing traffic roundabout and dedicate it to honor the 100th anniversary of the Boundary Waters Treaty of 1909, it will also include a public art component. As part of the grant application which was approved by the City Council on January 26, 2009, there was a component calling for a $50,000 contribution from U.S.A. Niagara Development Corporation for design and construction oversight as well as a $50,000 contribution from the City of Niagara Falls for the public artwork component involving regional/national announcements and management of the artist selection process. It is now desirable for this project to move forward and it is requested that the sum of $50,000 be made available for this purpose.
Funding is available from casino revenues.
Will the Council so approve and authorize the Mayor to execute any agreements required to move this project forward, subject to the approval of the Corporation Council?

RESOLUTION: “ABANDONED PROPERTY NEIGHBORHOOD RELIEF ACT OF 2015”,
ENACT, 2015-37
BY: ALL COUNCIL MEMBERS

Agenda Item #18

WHEREAS, in the wake of the financial crisis of 2008, there has
been a marked increase in New York State in the incidence of vacant and
abandoned residential properties securing delinquent mortgages, which
properties frequently fall into disrepair, thus devaluing neighboring
properties and harming the larger community; and

WHEREAS, these vacant and abandoned residential properties have
become a blight in the City of Niagara Falls and in many similarly
situated neighborhoods across New York State because the properties are
often boarded up, dilapidated, unsafe, inhabited by squatters or used
for criminal purposes; and

WHEREAS, an accumulation in a community of vacant and abandoned
residential properties that are not properly secured or maintained for
extended periods can cause a marked decline in that community’s real
estate market and the state’s property tax base; and

WHEREAS, there are documented instances of such properties being
used by criminals to manufacture and/or distribute illegal drugs, thus
leading to an increased likelihood of crime in and around the property
and neighboring community; and

WHEREAS, the City of Niagara Falls and similarly situated
municipalities across New York State are often forced to expend taxpayer
funds to prevent vacant and abandoned residential properties from
becoming a public hazard, thereby depleting limited local resources; and

WHEREAS, the City of Niagara Falls and similarly situated
municipalities across New York State are often forced to expend taxpayer
funds to investigate and determine the ownership, occupancy and
foreclosure status of vacant and abandoned residential properties in
order to ensure that, where applicable, the mortgagee is complying with
current obligations under Federal, State and/or local law to secure and
maintain the property, thereby further depleting limited local
resources; and

WHEREAS, relevant provisions of existing State law, enacted in
2009, governing the maintenance of abandoned residential properties
impose a duty on plaintiff-mortgagees to maintain vacant residential
properties only after a judgment of foreclosure and sale has been
entered by a court; and

WHEREAS, this recent State law has in many instances proven
inadequate to address the growing number of vacant and abandoned
properties falling into disrepair in the City of Niagara Falls and in
many similarly situated municipalities across New York State because
many such properties are not subject to a pending foreclosure action,
and many that are subject to a pending foreclosure have not proceeded,
and will not in the foreseeable future proceed, to a court judgment of
foreclosure and sale; and

WHEREAS, there is evidence showing that many current and former
New York homeowners have been misled into believing they need to leave
their homes earlier in the foreclosure process than the law actually
requires, thus resulting in even more vacant and abandoned residential
properties throughout our communities; and

WHEREAS, the “Abandoned Property Neighborhood Relief Act of
2015” (A. 06932, S.04781) would help the City of Niagara Falls and
similarly situated municipalities and their residents across the State
better address the growing problem of vacant and abandoned residential
properties by creating a statewide registry of such properties that can
be electronically accessed by such municipalities; and

WHEREAS, the “Abandoned Property Neighborhood Relief Act of
2015” would help the City of Niagara Falls and similarly situated
municipalities and their residents across the State better address the
growing problem of vacant and abandoned residential properties by
imposing a duty on mortgagees and their loan servicing agents to promptly report these properties to the statewide registry and take
earlier, pre-foreclosure, action to identify, secure and maintain such
vacant and abandoned properties; and

04/27/2015
WHEREAS, the “Abandoned Property Neighborhood Relief Act of 2015” would help the City of Niagara Falls and similarly situated municipalities and their residents across the State better address the growing problem of vacant and abandoned residential properties by providing a much needed and readily available source of information on vacant and abandoned residential properties to local officials throughout the State; and

WHEREAS, the “Abandoned Property Neighborhood Relief Act of 2015” would help the City of Niagara Falls and similarly situated municipalities and their residents across the State better address the growing problem of vacant and abandoned residential properties by establishing an “Abandoned Property Neighborhood Relief Fund,” comprised of civil penalties collected by the Attorney General in enforcement actions under the Act, which Neighborhood Relief Fund monies would be expended by the Attorney General in the form of Enforcement Assistance Grants to counties, cities, towns and villages to assist localities across the State in their own enforcement efforts under the Act; and

WHEREAS, the “Abandoned Property Neighborhood Relief Act of 2015” would help the City of Niagara Falls and similarly situated municipalities and their residents across the State better address the growing problem of vacant and abandoned residential properties by establishing a statewide toll-free hotline that community residents can use to report suspected vacant and abandoned properties to the Attorney General and receive information regarding the status of registered properties, including the identity of the mortgagee or agent responsible for maintaining them; and

WHEREAS, the “Abandoned Property Neighborhood Relief Act of 2015” would help the City of Niagara Falls and similarly situated municipalities and their residents across the State better address the growing problem of vacant and abandoned residential properties by ensuring that homeowners are provided with clear and early notice that they are legally entitled to remain in their homes until ordered to leave by a court.

NOW, THEREFORE, BE IT RESOLVED, that this City Council, by this Resolution, hereby calls on the Governor, the New York State Assembly and the New York State Senate to promptly enact the “Abandoned Property Neighborhood Relief Act of 2015;” and

BE IT FURTHER RESOLVED, that the City Clerk is hereby directed to transmit copies of this Resolution to State Senator Robert Ortt, Assemblyman John Ceretto, and Governor Andrew Cuomo.

CITY PROPERTY:  300 THIRD ST., ENCROACHMENT/RAINFOREST CAFÉ

Agenda Item #33
The Sheraton at the Falls hotel located at 300 Third Street has requested approval for a number of encroachments into the City right-of-way. This is in connection with the development of the Rainforest Café. One encroachment is to allow for the installation of a 7’ canopy/trellis and a 6” ornament feature, a 34” - 36” inch sign, and a patio area which will all encroach into the City right-of-way on the south side of the building. The Planning Board has reviewed this request and has recommended approval of these installations as encroachments. Attached is a copy of the Planning Board recommendation. The conditions are as follows:

1. The owner/applicant must obtain all applicable permits and inspections.
2. The owner/applicant will add the City of Niagara Falls as an additional insured on its liability insurance policy.
3. The owner/applicant will agree to defend and indemnify the City from liability related to the encroachment.
4. The City can revoke the license for the encroachment on sixty (60) day’s notice.
5. The owner/applicant must comply with any conditions imposed by the City Engineer with regard to sufficient space for pedestrian passage on the sidewalk right-of-way and to insure that no damage occurs to the City’s right-of-way.
6. Sidewalk right-of-way and any reconstructed areas in the sidewalk right-of-way made by the owner/applicant shall be maintained by the owner/applicant. Improvements shall be implemented, with evidence of all such improvement provided to the Planning Office, prior to the issuance of any Certificate of Occupancy. All such improvements shall be undertaken by the owner/applicant at their own expense and maintained in accordance with all NYS DOT and City Engineering requirements and approvals.
7. The patio encroachment is to be no greater than 56’-4” by 20’-0”; the depth of the patio shall match the existing TGI Fridays’ sidewalk. City Council approval of the patio encroachment is conditional upon Planning Board Site Plan review. All applicable Design District Overlay standards in Zoning Chapter 1319.2 are to be met. The applicant agrees to comply with the sidewalk patio requirements of Zoning Chapter 1321.12.

8. Sidewalk patio requirements mandate that during winter season that the patio will be deconstructed and all furniture, including tables, chairs, umbrellas and planters will be stored indoors.

9. When not in active use, the area will be maintained and clutter free.

10. The applicant must obtain a liquor license extension if liquor is to be served in the sidewalk patio.

11. The applicant shall enter into an encroachment agreement with the City, renewable on an annual basis.

Council Member Grandinetti moved that the communication be received and filed and the recommendation approved.

Carol A. Antonucci
City Clerk
The first session of the May 11, 2015 Niagara Falls City Council Meeting was called to order by Council Chairman Andrew Touma at 6:02 P.M. in the Council Chambers.

Present: Council Chairman Andrew Touma, Council Members Robert Anderson, Glenn Choolokian, Kristen Grandinetti and Charles Walker.

Also present: Mayor Paul A. Dyster, City Administrator Donna Owens, Corporation Counsel Craig H. Johnson, and City Controller Maria Brown.

Council Member Walker moved to approve the Minutes from the City Council Meeting of April 27, 2015.

In the Administrative Update, Mayor Paul Dyster spoke on Events relating to “Bike to Work Week”, and the streets included in the 2015 Paving Program. Chairman Touma added that the use of the Pothole Killer had started this week.

Chairman Touma reported that he and the Mayor had met with Water Board Director Paul Drof on the issue of the frozen water lines. Preliminary work will begin on 72nd Street where test holes will be dug, and Independence Avenue will be addressed next. Chairman Touma asked that the Mayor keep the Council updated on the process.

City Administrator Donna Owens spoke on the parking meters in the downtown area, noting that there was an Item on today’s Agenda (Agenda Item #4) for the purchase of the meters. She said that once the meters are installed, City staff will be trained on maintaining the meters until an RFP is prepared and a contract awarded to an operator to oversee the parking program. She said that the process will take 8 – 10 weeks after the approval to purchase the meters, and they will not be in place in time for the Memorial Day holiday. Council Member Walker said that the Council needs more information before approving the purchase of the meters, and Council Member Choolokian asked for a Presentation to the Council on the Parking Meter Plan. City Controller Maria Brown added that parking revenues had been increased in the 2015 Budget in anticipation of parking meters being in place, and a lengthy discussion followed.

Community Development Director Seth Piccirillo spoke on the Isaiah 61 Program, and said that, to date, $137,000 had been spent over a three year period on the Program. He added that he felt it was a worthwhile Program that provided much needed job training to provide workers for all the construction projects that were going on in the City. He also said that only one bid was received for the roof repair for the former Highland Avenue Fire Hall (Agenda Item #5).
Acting Director of Planning, Environmental and Economic Development Thomas DeSantis, along with Wendel Project Manager Susan Sherwood, gave an update on the progress of the Train Station. They noted that there are still funds left in the Contingency Account for the Project.

Corporation Counsel Craig Johnson distributed copies of an amendment to Agenda Item #12, and three Items to be added to the Agenda.

1. An Amendment to Agenda Item #12 to adjust the salary of the HR Assistant.

THE FOLLOWING COMMUNICATION WAS SUBMITTED BY THE CITY CLERK

CLAIMS FOR THE MONTH OF APRIL 2015

Agenda Item #1
THIS ITEM WAS RECEIVED AND FILED

Agenda Item #2
Under the business façade program, the City hires an architect and provides architectural services to the business owner. The current façade architect agreement between the City and Giusiana Architects and Engineer was for two years and is due to expire on May 31, 2015. The Community Development Department solicited proposals from area architects. The proposals set out on the attached schedule (on file in the City Clerk’s Office) were received by the date the replies were due. Community Development received a late response, which was not lower than the recommended proposal. The late response is not listed on the attached schedule.

The proposal from Giusiana Architects & Engineer provides the lowest cost in every category of service for the program. In the past, Giusiana Architects & Engineer has provided timely, professional service to the City at a reasonable cost.

The contract will be awarded for two years, through May 31, 2017. The maximum payable under the contract will be $40,000.00. The services are provided on an as needed basis, upon request from the Community Development Department. Funds are available to pay this contract under budget code CRC .499 (CD1.8603.0000.0450.500). Services will be paid partly from future year’s CDBG grants.

It is recommended that the façade architect agreement as set forth herein be awarded to Giusiana Architects & Engineer. The contractor will provide standard City insurance for the work.

Will the Council vote to approve the award of the façade architect services contract as set forth herein, and authorize the Mayor to execute any documents necessary to effectuate the same?

Council Member Walker moved that the communication be received and filed and the recommendation approved.

Agenda Item #3
The Community Development Department provides environmental services for its housing rehabilitation program, at no cost to the homeowner. The services include lead paint identification and removal monitoring and asbestos identification and monitoring. The City retains an environmental services contractor to provide these services for the Community Development program. The contractor is paid with federal CDBG funds.

In 2013, the Community Development obtained proposals from three contractors, and awarded the contract to UNYSE, which submitted the lowest proposal. Upper New York State Environmental (UNYSE), a division of Environmental Education Associates, Inc. has been providing satisfactory services under the 2013-2015 contract. The contract expires June 30, 2015.

CONTRACT: CD HOUSING REHAB ENVIRONMENTAL SERVICES, UNYSE

05/11/2015
It has been customary for Community Development to extend these types of services contracts for an additional two year term without soliciting new proposals. It is recommended that the UNYSE contract be extended through June 30, 2017. The maximum payable under the contact will be $50,000.00. Funds are available to pay for the services from budget line CRP (CD1.8667.0000.0450.500). This is a pay as you go contract, so the cost will be spread over the three budget years.

Will the Council vote to award the extension of the environmental services contract to UNYSE for the Community Development housing rehab program as set forth herein, and authorize the Mayor to execute any documents necessary to effectuate the same?

Council Member Choolokian moved that the communication be received and filed and the recommendation approved.

Agenda Item #11

The entity that owns the Sheraton at the Falls Hotel located at 300 3rd Street, Niagara Falls, NY has requested that the City allow the tunnel that runs underneath 3rd Street to be reactivated. This tunnel has not been utilized for at least then (10) years. The Sheraton has agreed to assume responsibility for the installation of public safety improvements, cosmetic improvements as well as security and janitorial services. The Sheraton will provide the City with insurance and also agree to indemnify and hold the City harmless. The Sheraton has also provided the City with an opinion from a professional engineering consultant who has opined as to the structural integrity of the tunnel.

The Sheraton has asked the city for an easement allowing it to utilize this tunnel. The Seneca Nation of Indians has been advised of the Sheraton’s interest in reopening this tunnel and has verbally advised that it is neither supportive nor opposed to this initiative on the part of the Sheraton.

Will the Council so approve this requested easement and authorize the Mayor to execute an Easement Agreement satisfactory to the Corporation Counsel?

HUMAN RESOURCE DEPT., REORGANIZATION

Agenda Item #12

The City of Niagara Falls developed a city Employee Retirement Program for employees who were eligible to retire on or before December 31, 2015, pursuant to criteria established by the City of Niagara Falls and the New York State Retirement System. The incentive amount if $20,000 per person, payable over a period of five years, with the first payment to be made during January of 2015. Elected officials, fire and police officers, and department heads were excluded from this incentive program.

Accordingly, 21 employees meeting both New York State and City criteria took advantage of the program, retiring during the period of November 6th through December 31, 2014. Attached (on file in the City Clerk’s Office) is a proposed reorganization of the Human Resources Department which is made possible as a result of some of these retirements. Where possible, positions have been eliminated or downgraded to maximize savings that will be allocated towards fulfillment of incentive obligations while maintaining essential services.

Agenda Item #13

A contract for the above referenced project was awarded to Scrufari Construction Company Inc., 4800 Hyde Park Blvd. 3925 Hyde Park Blvd., Niagara Falls, NY, on April 14, 2014 in an amount of $22,691,000.00. Council has already approved change orders bringing the contract total to $23,139,379.00.

During the last (5) five months of work, conditions within the project area required various (Change Request) revisions for unanticipated and necessary work beyond the original scope and various credits. These Change Requests have been reviewed by the City’s consultant Wendel and the Engineering Department and all additional work required to date, beyond the original scope and credits to the City are shown below:

Also the City and its consultant have been watching the project budget closely through a project budget status reporting process. Through the 4/30/15 report, we were approximately 35% of the way through construction and have appropriated only 14% of the City’s $1,473,300 contingency allowance. At this stage of the project, we have completed nearly all of the foundations for the station addition and platform and are nearly complete with erecting steel for the station addition. As such, we are nearly “out of the ground” and believe we are in a very good position to accept adding back critical Alternates No. 4, 5 & 8, which were Value Engineered out of the project.

RESOLUTION: BIKE MONTH, DECLARING, 2015-42
BY: CHAIRMAN ANDREW TOUMA

Agenda Item #19

WHEREAS, the bicycle is a healthy, convenient, financially and environmentally sound form of transportation and an excellent tool for recreation and enjoyment of Niagara Falls’ scenic beauty; and

WHEREAS, throughout the month of May, the residents and employees of Niagara Falls and its visitors will experience the joys of bicycling through commuting events and simply getting out and going for a ride; and

WHEREAS, bicycling activities and attractions have great potential to have a positive impact on Niagara Falls’ economy and tourism industry and to stimulate economic development by making neighborhoods attractive to businesses and citizens who enjoy the outdoors, walkability, and healthy lifestyles; and

WHEREAS, creating bicycle-friendly communities has been shown to improve citizens’ health, well-being, and quality of life, to boost community spirit, to improve traffic safety, and to reduce pollution and congestion; and

WHEREAS, the number of bike racks in Niagara Falls have increased by 30 over the past year, better accommodating bicycle transportation and parking in the city; and

WHEREAS, Cornell Cooperative Extension of Niagara County’s Creating Healthy Places Program, the League of American Bicyclists, local businesses, and civic organizations will be promoting bicycling during the month of May 2015; and

WHEREAS, these groups are also promoting bicycling and active transportation year-round to increase resident’s physical activity and health; and

WHEREAS, these groups are also promoting greater public awareness of bicycle operation and safety education in an effort to reduce collisions, injuries, and fatalities and improve health and safety for everyone on the road; and

WHEREAS, Section 152 of the New York State Traffic Law defines “traffic” as “Pedestrians...vehicles, bicycles and other conveyances either singly or together while using any highway for the purpose of travel;”

NOW, THEREFORE, BE IT RESOLVED, that the City Council of Niagara Falls does hereby proclaim May 2015 Bike Month in the City of Niagara Falls, and urges all motorists and bicyclists to follow New York State’s Vehicle and Traffic Law, sharing the road respectfully and responsibly.

TRAIN STATION PROJECT, TRANSFER OF FUNDS FOR NATIONAL GRID INSTALLATION

Agenda Item #21

A Purchase Order request for the Installation of the New Electrical Service for the Train Station has been made by National Grid, prior to installation.

This work must take place within the next month to keep the tight schedule in place and avoid any time related claims against the City.

Since we are the owner of the facility the purchase request is a City cost and not the General Contractor’s.

It is the recommendation of the undersigned that money in the City’s contingency line for this project be transferred, to pay the purchase order request of $3,090.60.

Will the Council vote to so approve?

Community Development Director Seth Piccirillo spoke on the 2016 CD Action Plan Schedule, and said that it is on their website. He thanked the Council for their involvement, and Chairman Touma applauded Mr. Piccirillo for keeping the public informed. Mr. Piccirillo thanked the Council, Mayor and the Legal Department for their assistance with the auction that was held on May 21. The Auction was a success, and netted approximately $55,000.00.

In the Administered Update:
1. Police Chief Bryan Dal Porto spoke on funding of the E911 System Replacement (Agenda Item #3). The system is over 5 years old and needs to be replaced as both the hardware and software are out of warranty.
2. Chief DalPorto read a portion of a press release from Governor Andrew Cuomo’s Office relative to gun violence. The Police Department has received a Grant from G.I.V.E., which Grant was an increase over the Grant received last year. Niagara County is one of the Counties to receive the Grant for this Program, which works with hotspot policing, focuses on crimes and working with the Community. The Award Letter will be on the next Council meeting for approval. The Chief said that he is excited to be able to take part in this Program. Chairman Touma read a portion of a letter from Governor Cuomo’s Office congratulating the Police Department for its dedication to the Community.
3. Mayor Dyster spoke on the approval of recommendation of certain encroachments pertaining to the development of 310 Rainbow Blvd. (Agenda Item #6). He gave an update on the Hamister Project, and said that the contractor will be in for Building Permits mid June. Ground breaking should be taking place approximately the 3rd week of July.
4. The Mayor also gave an update on the paving of West Rivershore Drive. Announcements were sent to the residents on that street about the construction work that should take about a week to complete. Caravelle Dr. & 89th St. have been milled and catch basins will be installed. The Pothole Killer is working in Center City and sidewalk crews are presently at work.
Chairman Touma said he has received calls from the residents on West Rivershore Dr. about the restriction on the amount of tonnage going down the street, and the Mayor said he will pass this along to DPW.

Council Member Anderson asked the Mayor how many Pothole Killers we have this year, and the Mayor responded that we have one. Council Member Anderson asked where is the LaSalle area on the list for the Pothole Killer, and the Mayor said he will check on this.

Council Member Choolokian asked about the Zipper work, and the Mayor stated that some work has been done.

Council Member Anderson asked about the digging up on 72nd Street concerning the ice problems. The Mayor said there is a Press Conference on May 27 with work starting at 8:00 AM that day. There is a contractor doing the work on behalf of the Water Board, and representatives from Clark Patterson Lee will be there also.

Council Member Choolokian said he has received calls about trash being dumped in alleys and fields, and wanted to know who is going to pick up the garbage. Mayor Dyster said he will start by having DPW enforce the rules, pick up the trash, and try to see who is doing the dumping.

Council Member Walker asked about replacement of equipment at D’Amelio Park. The Mayor will check on funding for the equipment, which is most likely not for this year. Community Development Director Seth Piccirillo is looking into options on this.

Corporation Counsel Craig Johnson distributed copies of amendments for Agenda Items #5 and #12, and one Item to be added to the Agenda.

THE FOLLOWING COMMUNICATION WAS SUBMITTED BY THE CITY CLERK

CITY CLERK’S REPORT FOR THE MONTH OF APRIL 2018
Agenda Item #1
THIS ITEM WAS RECEIVED AND FILED

THE FOLLOWING COMMUNICATIONS WERE SUBMITTED BY THE MAYOR

CONTRACT: SPCA EXTENSION

Agenda Item #2

During the City Council meeting held on December 8, 2014 the City Council approved an arrangement with the SPCA which extended the terms of an agreement with the SPCA on a month to month basis. The cost to the City for services provided by the SPCA was $16,500.00 monthly or $198,000.00 annually.

Discussions have been ongoing between the City and the SPCA which have focused on the actual cost to the SPCA to service City animals with the goal of reaching an agreement with a one-year term rather than operating on a month to month basis.

The Executive Director of the SPCA has provided calculations relative to the SPCA’s actual cost to service City animals which is attached hereto (on file in the City Clerk’s Office). The Executive Director’s analysis, based on year 2014 statistics, includes the total number of animals picked up, average length of sheltering required, cost of veterinary care, medical costs and staffing. The cost is projected to be $223,127.00 which is $25,127.00 more than the $198,000.00 annual fee the City incurs now based upon monthly payments of $16,500.00. The calculations provided by the Executive Director took into consideration the fact that the City has undertaken the animal control function which was previously provided by the SPCA. In this regard, the Superintendent of Police is in the process of arranging animal control training for additional officers to expand coverage. The purpose of this will be to avoid an after-hours “call out” charge the SPCA imposes.

At this time, it would appear to be more fiscally prudent for the City to continue its arrangement with the SPCA based on this proposal rather than incur the expense of constructing a City owned animal shelter and the cost of staffing it. It is proposed that this agreement be for a term of one year commencing on June 1, 2015 and expiring May 31, 2016. During this period of time the parties will continue a dialogue regarding the services provided by the SPCA for City animals and what arrangement is in the best interest of each respective party moving beyond May 31, 2016.

Funding is available from casino revenue.

Will the Council so approve and authorize the Mayor to execute an agreement in form and substance satisfactory to the Corporation Counsel?

Council Member Grandinetti moved that the communication be received and filed and the recommendation approved.

CITY PROPERTY: 310 RAINBOW BLVD. ENCROACHMENTS

Agenda Item #5
In order to accommodate the construction of its proposed hotel, the developer of 310 Rainbow Boulevard has requested certain encroachments into the City right-of-way. In particular, the developer wishes to reconstruct and align the sidewalk along Old Falls Street, allow installation of a sign on Rainbow Boulevard encroaching into the right-of-way above grade and construct a porte cochere off O’Laughlin Drive. The Planning Board has reviewed this request and has recommended that the City Council approve it. Attached hereto (on file in the City Clerk’s Office) is the recommendation from the Planning Board.

Will the Council so approve these encroachment requests with the commissions attached to the Planning Board recommendation?

Council Member Grandinetti moved that the conditions be received and filed and the recommendation approved.

CONTRACT: ICE PAVILION ICE RINK/DASHER BOARD REPLACEMENTS, PARISE MECHANICAL INC.

Agenda Item #6

A contract for the above referenced project was awarded to Parise Mechanical Inc., 1106 Sheridan Drive, Tonawanda, NY, on March 9, 2015 in the amount of $18,100.00.

After the extreme winter weather thaw in mid-March, it was discovered that ice and snow build-up had caused a collapse in the exterior mechanical ductwork and damaged the associated roof. The repair work is beyond the City’s trades ability and is work that the above mechanical contractor has offered to do at a cost not to exceed $5,000.00. This work was not related to the ongoing project that was bid.

The total cost of all the additional work is $5,000.00 bringing the contract total to $23,100.00.

Therefore, it is the recommendation of the undersigned that Change Order #1 in the amount of $5,000.00 be approved. Sufficient funds were budgeted in a Bond resolution approved by Council, March 9, 2015.

Will the council vote to so approve?

RESOLUTION: RAPE SURVIVOR CHILD CUSTODY ACT OF 2015, 2015-44
BY: COUNCIL MEMBER KRISTEN GRANDINETTI

Agenda Item #9
WHEREAS, a substantial number of women choose to raise their child conceived through rape and, as a result, may face custody battles with their rapists, and
WHEREAS, currently only 6 U.S. States have statutes allowing rape survivors to petition for the termination of parental rights of the rapist based on clear and convincing evidence that the child was conceived through rape, and
WHEREAS, a rapist pursuing parental or custody rights forces the survivor to have continued interaction with the rapist, which can have traumatic psychological effects on the survivor, making it more difficult for her to recover, and
WHEREAS, rapists may use the threat of pursuing custody or parental rights to coerce survivors into not prosecuting rape, or otherwise harass, intimidate, or manipulate them, and
WHEREAS, H.R.1257, the Rape Survivor Child Custody Act, was introduced in the U.S. House of Representatives on March 4, 2015, and
WHEREAS, the Rape Survivor Child Custody Act incentivizes state governments to have in place a law that allows the mother of any child that was conceived through rape to seek court-ordered termination of the parental rights of her rapist with regard to that child, which the court shall grant upon clear and convincing evidence of rape,
NOW, THEREFORE, BE IT RESOLVED, that the City Council of the City of Niagara Falls, New York hereby expresses its support for H.R. 1257, the Rape Survivor Child Custody Act, and strongly urges the U.S. House of Representatives, the U.S. Senate, and the President of the United States to move swiftly in passing this bill into law, and

WHEREAS, there are non-profits that have a track record of success, and have the capital to expand, but need help getting access to more of the delinquent mortgages on the market; now therefore, be it
RESOLVED, this City Council supports the effort of the US Conference of Mayors to use its position and authority to help prevail upon major owners/managers of delinquent mortgages – including a number of major banks, Fannie Mae, Freddie Mac and HUD – to sell them to qualified non-profits that have the funding and infrastructure to purchase, service, and hold the mortgages, and a track record doing so.
AND BE IT FURTHER RESOLVED, that the Mayor is authorized to execute any letters and documents of support necessary to support this initiative.

There being no further business to come before the Council, Chairman Touma adjourned the Meeting at 7:25 P.M.

Carol A. Antonucci
City Clerk
The first session of the June 8, 2015 Niagara Falls City Council Meeting was called to order by Council Chairman Andrew Touma at 5:03 P.M. in the Council Chambers.

Present: Council Chairman Andrew Touma, Council Members Robert Anderson, Glenn Choolokian, Kristen Grandinetti and Charles Walker.

Also present: Mayor Paul A. Dyster, City Administrator Donna Owens, Corporation Counsel Craig H. Johnson, and City Controller Maria Brown.

Chief City Court Judge Mark Violante spoke on the recent graduates of Drug Court, and noted that there have been 1,000 graduates from the Program. He thanked the Mayor and Council for their support of the Program.

Randy Shepard of the Bonadio Group gave a Presentation on the City’s 2014 Audited Financials. He noted that property tax revenues have remained static while expenses have increased, especially in the area of personnel costs. Council Member Grandinetti added that this was caused by settlements with employee bargaining units while property taxes were not raised as they are allowed under the tax cap. Mayor Paul Dyster said that non-property tax revenues need to be increased, such as parking revenues. Council Member Walker suggested a reassessment of properties rather than a tax increase, and Chairman Touma added that commercial properties are undervalued.

Chairman Touma asked about the status of the parking meters, and a lengthy discussion followed on having the operator purchase the meters rather than the City, and parking options used by other municipalities. City Administrator Donna Owens added that a representative of Desman will attend the next Council Meeting to address and discuss the matter.

Council Member Anderson noted that the Casino Funds that are sent to the State are unrestricted as to their use, while the Funds the City receives are restricted, and said our representatives in Albany should fight for the same for the City. He feels that using the Funds to lower taxes would in turn attract development.

Chairman Touma said that he had asked Superintendent of Police Bryan DalPorto to look into the number of commercial helicopters that are flying over the DeVeaux area.

Council Member Anderson said that he had seen crews working on 72nd and 77th Streets, and asked if any reports had been received concerning the frozen water lines. Mayor Dyster responded that he had not yet received any reports. Council Member Anderson also expressed concerns about the fire hydrant issues on Stephenson Avenue.

Corporation Counsel Craig Johnson distributed copies of an amendment and an item to be added to the Agenda:

1. An amendment to Agenda Item #3 to correct the dollar amount.

Council Member Grandinetti moved to amend the Item.

   MOTION TO ADD COMMUNICATION TO AGENDA APPROVED

   The communication was added to the Agenda as #20.

   Chairman Touma asked Acting Director of Parks and Public Works John Caso if the paving program was on schedule, and Mr. Caso replied that it was. Mayor Dyster commended the Department for their work.

   Council Member Choolokian questioned why the John Daly Extension Project (Agenda Item #2) was taking so long, and Sr. Project Designer Michael DeSantis spoke on the history of the Project. Mayor Dyster added that, over the years, other Projects have been given a higher priority.

   Council Member Choolokian asked if the financing was in place for the Hamister Project (Agenda Items #6 and #7), and Mr. Johnson responded that bids were out, and the developer was finalizing plans to apply for the necessary permits.

   Council Member Choolokian asked what the ADA Project was (Agenda Item #12) and where the funding was coming from. City Controller Maria Brown spoke on the information she had, and, after a discussion it was decided to pull the Item from the Agenda until the Council Members had more information.

   This Session ended at 5:55 PM.

   Chairman Touma reconvened the Meeting at 6:13 P.M. in the Council Chambers with all Council Members present. The Prayer was said by Council Member Anderson and the Chairman led the gathering in the Pledge of Allegiance to the Flag.

   Chairman Andrew Touma asked those present to observe a Moment of Silence for 3-year old Maksym Sugorovskiy who was killed at Delaware Park, Buffalo, New York on June 6, 2015.

   The Chairman asked if anyone wished to speak on Agenda Items or Community Interests, and the following spoke:

CITY CLERK’S CLAIMS FOR THE MONTH OF MAY 2015

Agenda Item #1
THIS ITEM WAS RECEIVED AND FILED

THE FOLLOWING COMMUNICATIONS WERE SUBMITTED BY THE MAYOR

CONTRACT: JOHN B. DALY EXTENSION, CONSULTANT SERVICES AGREEMENT, STANTEC CONSULTING GROUP

Agenda Item #2
A contract for the above referenced project was awarded to Stantec Consulting Group Inc., of Rochester, NY on June 7, 2004 for professional consultant services and design related tasks in the amount of $430,449.00.

This Change Order involves additional funding to complete the required Design Report for submission to the N.Y.S.D.O.T. and for previous engineering tasks already completed. The completion of said Design Report enables us to apply for future State and Federal road construction monies estimated at $4.5 million. It also relieves us from the potential repayment of these expended Federal Funds to date on this project.

Therefore, it is the recommendation of the undersigned that Change Order #2 in an amount not to exceed $42,000.00 be approved. Funding is available under code H0303.2003.0303.0453.000 for Architects and Engineers.

Will the council vote to so approve?
Council Member Grandinetti moved that the communication be received and filed and the recommendation approved.

CONTRACT: JAYNE PARK IMPROVEMENTS, SCOTT LAWN YARD

Agenda Item #3
A contract for the above referenced project was awarded to Scott Lawn Yard, Inc. on October 7, 2014, in the amount of $269,115.00.

While this project was under construction, additional work was completed to install geotextile fabric underneath the base layer of the new asphalt pathway and playground surfacing for greater longevity and drainage. Additionally, changes were required to raise the elevation of the waterfront overlook to prevent ice damage. Finally, an identification sign was installed in compliance with the project funding sources. The total cost of this additional work is $17,932.05. However, various quantity under-runs totaling $7,930.00 will result in a net addition to the contract of only $10,002.05. This change order to the contract will bring the total revised contract sum to $279,117.05. Funding up to a not-to-exceed amount of $290,000.00 is available in code H0612.2006.0612.0449.599.

Will the Council vote to approve and authorize the Mayor to execute a change order in a form acceptable to the Corporation Counsel?
Council Member Walker moved that the communication be received and filed and the recommendation approved.

CONTRACT: GRIFFON PARK CARTOP BOAT LAUNCH, SCOTT LAWN YARD

Agenda Item #4
A contract for the above referenced project was awarded to Scott Lawn Yard, Inc. on July 24, 2014, in the amount of $102,950.00.

While this project was under construction, the contractor completed cutting and removal of a number of trees and brush, per the City’s direction, to clear portions of the shoreline and removes safety hazards. In addition, the contractor removed the floating dock and gangway prior to the onset of winter and reinstalled both following the thawing of ice in the river this spring. The total cost of this additional work is $26,672.22. This change order to the contract will bring the total revised contract sum to $129,622.22. Funding is available in code H1213.2012.1213.0449.599.

Will the Council vote to approve and authorize the Mayor to execute a change order in a form acceptable to the Corporation Counsel?

POLICE DEPT.: GIVE PROGRAM

Agenda Item #5
The Superintendent of Police advises that the DCJS has awarded Niagara County a GIVE Grant in the amount of $696,367.00. The City’s portion of this grant is $349,115.00 which is an increase of $15,400.00 over last year’s grant amount. This will be for the contract period of July 1, 2015 – June 30, 2016. The purpose of this is to support targeted firearm and violent crime reduction efforts.

Attached (on file in the City Clerk’s Office) is correspondence from the DCJS which explains this program in some detail.

Will the Council so vote to accept this Grant and authorize the Mayor to execute any agreements or documents required in order to implement the program?

CITY PROPERTY: 310 RAINBOW BLVD., LICENSE TERMINATION

Agenda Item #6
On or about December 20, 2010, the City acquired title to the Premises. The City acquire title subject to a certain License Agreement between Rainbow Square Two Limited Partnership and J D Gifts, LLC. On December 16, 2010, just prior to the City acquiring title to the Premises, the License Agreement was amended by the parties by a “First Amendment to License Agreement” which, among other things, included a provision allowing the owner of the Premises to terminate the license. That provision reads as follows in pertinent part:

“22. Notwithstanding anything to the contrary herein contained, in the event the Owner has been issued a building permit for a permanent building on the Premises, Owner may, at Owner’s sole discretion, elect to terminate this License Agreement upon thirty (30) days advance written notice to User if Owner intends to build the structure for which it received a building permit for and needs access to Premises to do so.”

It is anticipated that a building permit will be issued to the City, as Owner of the Premises, and the Developer at some point in the very near future.
It is requested that upon the issuance of the building permit described herein, the City, as Owner of the Premises, acting through the Mayor, be authorized to terminate the License Agreement by giving thirty (30) days advance written notice of termination to J D Gifts, Inc. and be authorized to take whatever other steps are necessary in order to accomplish termination of the License Agreement and recover possession of the Premises.

Will the Council so approve?

CITY PROPERTY: 310 RAINBOW BLVD., LAND DISPOSITION/DEVELOPMENT AGREEMENT AMENDMENT

Agenda Item #7

By agreement dated November 15, 2013, the City, USA Niagara Development Corporation (“USAN”) and HH 310, LLC (the “Developer”) entered into a certain Land Disposition and Development Agreement (“the Agreement”) wherein the Developer agreed to develop premises owned by the City and commonly known as 310 Rainbow Boulevard premises (the “Premises”) into “an upscale hotel (as hereinafter defined) containing at least 100 rooms and twenty-four market rate rental apartment units, from 5,000 square feet to 8,000 square feet of street-level retail space, and an approximately 5,000 square foot multipurpose space to host meetings and other events ...”. The Agreement also called for the City to sell the Premises to the Developer and called for USAN to provide a grant to assist in the development of the project in the amount of $2,750,000. At that time the project was anticipated to cost approximately $25,000,000 to build.

Since the Agreement was executed, the Developer encountered several unanticipated problems which caused delay in finalizing its project plans so as to enable it to apply for a building permit. The most significant delay was encountered when the Developer was required to discontinue discussions with the Hilton Garden Inn franchisor and commence and complete discussions and obtain a commitment from an alternate franchisor. The franchisor now under contract with the developer is a Hyatt Place Hotel, an upscale brand. This required much revision to construction drawings that had been developed. The Developer is now in the process of finalizing its construction documents, has made application to the City’s Department of Code Enforcement for a building permit and is in the process of submitting documents that are required in the building permit application process which will likely result in the issuance of a building permit later this month.

The Developer obtained site plan approval for the project from the City of Niagara Falls Planning Board on November 18, 2014 and obtained Planning Board approval and City Council approval for certain encroachments at meetings held on May 13, 2015 and May 26, 2015, respectively.

In order to reflect the current status of the project, it is requested that there be an amendment to the Agreement. The Amendment to the Agreement will reflect the following:

1. The description of the project will be amended to describe the project as follows: “A mixed-use project that would include, among other things, an “upscale” grade 128 room Hyatt Place Hotel, street-level retail/food and beverage establishments totaling 6,810 square feet of space and a 16,797 square foot ballroom/meeting facility on the upper floors of the building.”

06/08/2015
It should be noted that the original project proposed 114 rooms, 10,000 square feet of ballroom/meeting space and 5,000 square feet of street level retail/food and beverage establishments. It should also be noted that the twenty-four market rate apartment units originally included in the project have been deleted from the project description.

2. A number of contingencies specified in the Agreement such as the Developer’s right to make objections to the status of the City’s title to the premises, and the Developer’s ability to obtain an agreement for an up-scale hotel franchise have been satisfied by the Developer and will be deleted.

3. An increase in the USAN project grant from $2,750,000.00 to $3,850,000.00 will be included. The reason for this increase is because the cost of the project has increased from the initial estimate of $25,000,000.00 to $35,000,000.00.

4. The commencement of construction of the project will begin on or before July 31, 2015.

Will the Council so approve and authorize the Mayor to execute an amendment to the Land Disposition and Development agreement that is in form and substance satisfactory to the Corporation Counsel?

Council Member Anderson moved that the communication be received and filed and the recommendation approved.

CONTRACT: RESURFACING PROJECT, YARUSSI CONSTRUCTION

Agenda Item #11

A contract for the above referenced project was awarded to Yarussi Construction, Inc. 5650 Simmons Ave. Niagara Falls, NY 14304 on August 13, 2014, in the amount of $1,568,930.00.

As the contractor progressed, specific roadways presented a seriously graded base and, in some instances, subbase courses which had not reflected through to the pavement surface. The moisture-laden subsurface materials and poor surface runoff led to pavements that required more removal and replacements to attain proper function. The costs associated with the extra excavation and asphalt installation, when paired with cost underruns for catch basin and valve box replacements not performed, totals $94,880.00 (6.05%) bringing the final contract total amount to $1,663,810.00.

GLUCK PARK: PARK IMPROVEMENTS, FUNDING REALLOCATION

Agenda Item #20
The administration requests that $23,000 be reallocated from 2015 city budget line H0622 to be used for improvements at Gluck Park. H0622 includes a total of $38,000 in funding, the remainder from the Legends Park and Caravelle Park projects, which have both been completed and closed out by the Niagara Falls Department of Public Works.

Work items at Gluck Park will include basketball court resurfacing, pole, backboard and rim replacement, benches, bleachers, fencing, signage and stage repairs. Basketball court resurfacing will be completed by the Department of Public Works and the requested amount includes labor costs, including overtime costs, with funds to be transferred to A.5110.0200.0140.000.

Per City Council resolution earlier this year, the basketball court is being renamed in honor of Pastor Raybon, a long time staple in the Niagara Falls community and an advocate for youth activities. This item is being walked on to the City Council agenda to maximize the 2015 construction season and make these new facilities available for community use this summer.

Council Member Anderson also asked about staffing levels in the Forestry Division, and the Mayor responded that there was one vacancy in the number of positions that were budgeted, and he is looking into hiring to fill that one position.

Russell Petrozzi, President of the Niagara Falls Board of Education, spoke on the District’s request for funding from the City for the 2015 Summer Youth Camp. He noted that the Program serves about 600 children, and is staffed by employees of the Niagara Falls Housing Authority. Council Member Walker questioned why Casino revenues were being used to fund the request, and Mayor Dyster responded that the suggestion came from the City Controller for this one time use.

This Session ended at 6:45 PM.

Chairman Touma reconvened the Meeting at 7:00 P.M. in the Council Chambers with all Council Members present. The Prayer was said by Council Member Choolokian and the Chairman led the gathering in the Pledge of Allegiance to the Flag.

The Chairman asked if anyone wished to speak on Agenda Items or Community Interests, and the following spoke:

CITY CLERK’S REPORT FOR THE MONTH OF MAY 2015

Agenda Item #1
THIS ITEM WAS RECEIVED AND FILED
THE FOLLOWING COMMUNICATIONS WERE SUBMITTED BY THE MAYOR

CONTRACT: ADA COMPLIANCE PROJECT, CONSTRUCTION INSPECTION/CONTRACT ADMINISTRATION, FOIT ALBERT ASSOCIATES

Agenda Item #2

A contract for the above referenced Consultant Services Agreement was awarded to Foit Albert Associates in the amount of $280,000.00 on September 9, 2009.

In keeping with our agreed settlement, the City would like to engage the services of our consultant, Foit Albert Associates, to provide the administration and inspection services needed to complete this project. Additionally, at the request of counsel, we have included design tasks which will allow the City to deal with recently encountered deficiencies, not originally included in this project’s scope. The cost of the added design, inspection and administration is $170,000.00, bringing the new contract total to $450,000.00. Funding is available from H0919.2009.0919.0449.599 in the amount of $77,600.00 and the balance of $92,400.00 is from Casino funds for a total of $170,000.00.

Will the council vote to approve and authorize the Mayor to execute a change order in a form acceptable to the Corporation Counsel?

Council Member Walker moved that the communication be received and filed and the recommendation approved.

CONTRACT: GILL CREEK PARK SIGN, K.J. SMITH ENTERPRISES

Agenda Item #3

On April 13, the City Council awarded the contract for a masonry monument sign at Gill Creek Park to Cooper Sign. The contractor had not included the required Davis-Bacon wage rates. Community Development solicited new proposals. The following proposals were received:

K.J. Smith Enterprises, Inc, $10,700.00
Fontanarosa Construction 10,986.00
Cooper Sign Co., Inc. 11,644.80

It’s recommended that the sign contract be awarded to K.J. Smith Enterprises, Inc., the firm which submitted the lowest proposal. Funds are available to pay for the sign in the Gill Creek Park public improvement budget in budget line CD1.8662.0000.0450.500 (CPW-078)

Will the Council vote to approve the sign contract as set forth herein, and authorize the Mayor to execute any documents necessary to effectuate the same?

NF SCHOOL DISTRICT: 2015 SUMMER YOUTH CAMP, FUNDING

Agenda Item #6
The 2015 Summer Youth Camp is planned to take place once again this year on premises owned by the District. This camp has been an annual event each year since 2006. It will commence July 6, 2015 and run each day, exclusive of weekends, through the first part of August, 2015. The camp is administered by the Niagara Falls Housing Authority and is a day camp providing structured activities for approximately 800 City children. Bowling and ice hockey are additional activities offered off site. Lunch is included each day the camp is in session.

The District is requesting that the City contribute the sum of $100,000 to the cost of this summer youth camp. It is requested that $50,000 be contributed immediately and that an additional $50,000 be contributed on or about August 1, 2015.

Funding is available from Tourism Fund Balance (Account Code T.0000.4999.000). No property tax revenues or casino revenues are involved.

Will the Council so approve and authorize the Mayor to execute an agreement in form and substance satisfactory to the Corporation Counsel?

The City Parks are not funded 100%. There is a spending freeze in effect. Tourism dollars should be spent downtown.

Council Member Grandinetti said the City funds Youth Programs through CD & DPW and there are still Summer Programs at the Y. She questioned the administration of this Program and said the School District can find funds they need when they are needed for Administrative costs.

Council Member Walker said he supports Programs like this to keep kids active & off the streets.

Chairman Touma said the City has invested in the downtown area & now needs to invest in our youth.
BLUES FESTIVAL: FUNDING

Agenda Item #7

The Niagara Festival & Entertainment Group is planning to promote and undertake its Annual Blues Festival scheduled to take place on September 11, September 12, and September 13, 2015 on Old Falls Street. The City has been asked to contribute the sum of $3,500.00 to the cost of this festival. Attached (on file in the City Clerk’s Office) is a copy of the letter of request. Funds will be dispersed pursuant to a funding agreement prepared by the Corporation Counsel. Funding is available from Tourism Fund balance.

RESOLUTION: CALATO, JOE, HONORING, 2015-56
BY: COUNCIL CHAIRMAN ANDREW TOUMA

Agenda Item #9
WHEREAS, born in 1921 in Niagara Falls, New York, Joe D. Calato began playing drums in his teenage years. His clever and innovative drive led him to invent one of the most radical changes to the musician’s world, the regal tip drumstick. He attended the University of Buffalo after graduation from high school and later, joined the Air Force in 1942, serving as a lieutenant and navigator on a B-17 bomber. Stationed mainly in England during World War II, Calato found many opportunities to play drums in military jazz groups and dance bands. He went on to marry his beautiful wife, Katherine Laurri; and

WHEREAS, after much experimenting, Joe perfected the idea: a drumstick with a nylon tip that stayed on, didn’t shatter and produced a sound pleasing to the ear. He called his invention “Regal Tip.” The sound was so pleasing it helped define the musical styles of the day with its signature clarity on drumheads and ride cymbals. His contribution to the percussion industry was recognized by the Percussive Arts Society when he was inducted into its Hall of Fame; and

WHEREAS, Joe Calato’s invention signaled a revolution in drumstick manufacturing and design. Joe took it as his mission to upgrade drumsticks, beginning with the quality of the wood, the drying of the wood, the famous Regal Tip finish, and inspection for straightness of grain, weight, knots, and warp, finally, he was the first to match and pair sticks. To this day, the drum world credits Joe with establishing modern standards in drumstick design and crafting; and

WHEREAS, the invention of the nylon tip drumstick was but the beginning of a long history master craftsmanship. Joe set the standards for quality and innovation when he introduced his line of best-selling brushes. To this day, Regal Tip brushes continue to be the best-selling around the world; and

WHEREAS, Joe Calato’s dedication to manufacturing only quality percussion products for drummers was ingrained in his children and grandchildren, as the next generations began to assume responsibility for the day to day operations. A long list of innovations includes the Thai Sticks, Conga Stick, Danny Reyes Multi-Percussion Stick, and most recently the E-Tip drumstick. The company is still owned and operated by the Calato family, which continues to take its commitment to produce quality products for drummers and percussionists very seriously. The invention of the nylon tip drumstick was but the beginning of a long history of master craftsmanship. Joe set the standards for quality and innovation when he introduced his line of best-selling brushes. To this day, Regal Tip brushes continue to be the best-selling around the world; and

WHEREAS, Joe kept his family and business in Niagara Falls where he could enjoy the beauty of the area and his long-time friends and close family. Over 57 years, Calato Mfg. has employed hundreds of people from this area. And today, drummers on tour continue to visit the manufacturing facility on Hyde Park Blvd to witness the manufacture of their favorite sticks and brushes. In the universal world of drummers, Niagara Falls is not only known for its beautiful cascades, it’s also known to be the home of Regal Tip drumsticks and Joe Calato.

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Niagara Falls, New York, that the City Council recognizes Joe Calato for his great success and accomplishment.

Superintendent of Police Bryan DalPorto said that traffic downtown during the Holiday weekend was very busy, and he thanked the State Police and the Department of Public Works for their help in moving the traffic along.

Council Member Choolokian asked Mayor Paul Dyster for an update on the progress of determining the cause on the streets that had frozen water lines. Mayor Dyster said that he had spoken to the Water Board Director, and the Board was looking to dig additional holes in various streets. The Mayor also reported that Clark Patterson Lee, the City’s contractor on the water line matter, was looking into Infrastructure Grants that the City may be able to apply for.

Mayor Dyster also spoke on the busy holiday weekend and thanked all those involved in keeping the traffic moving. He also said that hotel occupancy was up, and the issue of signs for tour bus parking downtown are being worked on.
The Session ended at 5:15 PM

Chairman Touma reconvened the Meeting at 6:00 P.M. in the Council Chambers with all Council Members present. The Prayer was said by Council Member Grandinetti and the Chairman led the gathering in the Pledge of Allegiance to the Flag.

TRAIN STATION PROJECT: TRANSFER OF FUNDS FOR NATIONAL GRID

Agenda Item #2
A purchase order request for the retirement of existing street lighting being removed for the Train Station has been made by National Grid.

This work is in conjunction with the removal of wood poles from Depot Street west, and power lines over Main Street and will take place within the coming weeks.

These services are supplied by the utility company are the responsibility of the City and not the General Contractor Scrufari Construction Inc.

It is the recommendation of the undersigned that money in the City’s contingency line for this project be transferred to pay the purchase order requests estimated at $13,000.00.

CONTRACT: TRAIN STATION PROJECT, SCRUFARI CONSTRUCTION CO.

Agenda Item #3
A contract for the above referenced project was awarded to Scrufari Construction Company Inc., 4800 Hyde Park Blvd. 3925 Hyde Park Blvd., Niagara Falls, NY on April 14, 2014 in an amount of $22,691,000.00.

The City Council has approved Change Orders request to date in the amount of $622,250.20 bringing the total contract amount to $23,313,250.20.

The majority of this Change Order is for two items:

First item is the installation of poles, wiring and LED lighting for the parking lot and for Depot & Whirlpool Streets. The original scope was for National Grid to install these items, but with the yearly fees the cost would add up to over a million dollars during the life expectancy of the equipment.

Second is to secure Railroad protection as required by contract for the remainder of the project. These two items account for $360,315.00.

Two other change requests for unanticipated and necessary work beyond the original scope have been reviewed by the City’s consultant Wendel and the Engineering Department and are shown below.

026 Fixed Audience Seating
027 Additional Amtrak Flagging
028 Street Lighting
031 Non uniform Surface at Custom House

07/06/2015
The funding for Change Order #4 is a transfer of funds from the “Owners” additional construction contingency budget (within the existing project budget) to the Contractor’s budget. The Owner’s contingency fund includes matching Federal, State and City’s local-share funding (20% matching funds) already approved and available in a Capital Project Fund HO402, for the Railway Station.

Therefore, it is the recommendation of the undersigned that Change Order #4 in the amount of $380,219.00 be approved; bringing the new contract total to $23,693,469.20 sufficient funds presently exist in Code HO402.2002.0449.599.

CODE ENFORCEMENT: REORGANIZATION

Agenda Item #7

The Acting Building Commissioner of the Department of Code Enforcement is requesting a reclassification of a position. This reclassification has been approved by the Municipal Civil Service Commission. The position in question is presently classified as “Code Enforcement/Property Owner Registration Clerk” which is a Grade 5A. The salary for that position is $30,042.52. The individual who serves in this capacity has successfully completed Code Enforcement Officer training and is now certified as a Code Enforcement Officer. The reclassification of the “Code Enforcement/Property Owner Registration Clerk” position to “Code Enforcement Officer/Property Owner Registrant” is a Grade 20A. The salary for this position is $40,703.68 which will result in an annual increase of $10,661.16. Because the year is already half over, the cost for this reclassification for the balance of calendar year 2015 will be approximately $5,300.00.

The Acting Building Commissioner advises this reclassification will serve the best interest of the Department of Code Enforcement and the City in that this individual is now a certified Code Enforcement Officer and can be available at the discretion of the Acting Building Commissioner to conduct inspections as required. This individual will continue to perform the duties of Property Owner Registration Clerk as he has in the past and will be available to serve the public in any capacity needed by the Department as Code Enforcement Officer.
The process to have this position reclassified began approximately seven (7) months ago which enabled the individual in this position to obtain the necessary training administered by the Department of State, participate successfully in all examinations and testing and obtain the required certification from the State.

Funding is available in the Department of Code Enforcements bi-weekly payroll line which is A3620.0000.0110.000. Will the Council so approve?

Chairman Touma thanked the Board Members for their service, and Mr. Granto thanked the Mayor, Council Members and Corporation Counsel for their help.

Community Development Director Seth Piccirillo spoke on proposed changes in the City’s In Rem Auction Process that would encourage home ownership, and City Wide Home Renovation. He also spoke on funding for family events in conjunction with Major League Baseball’s Play Day.

Rebecca Brooks, Senior Citizen Program Administrator, reported that the Duke Senior Center serves over 800 seniors and 140 groups. She has prepared and distributes an information packet for seniors to help them with access to various services.

SWEET Team Coordinator Brook D’Angelo gave an update on the Team, and noted that, to date, over 500 addresses have been served to educate residents on recycling compliance. She said the Team still has much more work to do, and suggested that the Team be retained to continue this work.

Chairman Touma questioned a trend he noticed that recycling rates are down on Mondays and Thursdays, and also asked for the Year To Date credit for recycling and if the Administration was satisfied with that credit. City Administrator Donna Owens responded that these issues were being tracked at this time. Council Member Walker added that the City needs to be very aggressive with regard to refuse/recycling in order to recoup the cost of the contract.
Chairman Touma asked Mayor Dyster about the decrease in the amount of sales tax revenue that was budgeted for in 2015, and the Mayor responded that revenue amounts are projected very conservatively, and there were factors that influenced the drop in the amount. City Administrator Owens added that Budget Meetings with each Department Head were scheduled to begin shortly.

Council Member Anderson noted that nothing is being done on 72nd Street and there are orange cones throughout the City due to infrastructure problems, and the Mayor responded that Clark Patterson Lee is staying on top of the situation. Mayor Dyster also added that Clark Patterson Lee is watching on behalf of the City for Grants that may become available for infrastructure repairs. Council Member Choolokian asked if there was a timetable to fix the frozen water line problems on 72nd and 77th Street, and Council Member Grandinetti added that the Council stands behind the Mayor to do whatever is needed to fix those problems on 72nd and 77th Streets. Chairman Touma asked that the Council be updated weekly during the August recess on this issue.

Chairman Touma also spoke on training received by the Police and Fire Departments to deal with heroin overdoses.

Corporation Counsel Craig Johnson distributed copies of three Items to be added to the Agenda:
1. A Resolution relative to waiver of Hyde Park Oasis Rental Fees for 2015 Willing Workers Picnic. Council Member Choolokian moved to add the Resolution to the Agenda.

THE FOLLOWING COMMUNICATION WAS SUBMITTED BY THE CITY CLERK

CITY CLERKS REPORT FOR THE MONTH OF JUNE 2015

Agenda Item #1
THIS ITEM WAS RECEIVED AND FILED

THE FOLLOWING COMMUNICATIONS WERE SUBMITTED BY THE MAYOR

CONTRACT: PORTER RD. BRIDGE PAINTING PROJECT, ERIE PAINTING, INC.

Agenda Item #2
A contract for the above referenced project was awarded to Erie Painting and Maintenance, Inc. on September 30, 2013 in the amount of $487,000.00.

The contractor for this project incurred costs well beyond their contractual obligations as a result of both changes in scope and lost time delays. The costs associated with the extra tasks performed totals a not to exceed amount of $25,000.00 bringing the total construction cost due Erie Painting and Maintenance, Inc. to $512,000.00.

It is important to note that these costs are 80% reimbursable and comprised the basis for a Supplemental Agreement from the New York State Department of Transportation - approved and subsequently requested by this Council on April 27th of this year and finally received, in its fully executed form, this past week. This particular Council action today will allow the City to make use of the funds we requested last April now that they have arrived.

Will the Council vote to approve and authorize the Mayor to execute a contract in a form acceptable to the Corporation Counsel? Council Member Grandinetti moved that the communication be received and filed and the recommendation approved.

PLAYDAY FAMILY EVENTS, FUNDING

Agenda Item #5

The administration is requesting the use of $2,000 in Tourism Fund Balance Account Code funds (T.0000.499.000) to host a PLAY DAY family event in conjunction with Major League Baseball, the United States Conference of Mayors and the Hyde Park Babe Ruth Little League.

The $2,000 would be used to fund a free family movie at Hyde Park on August 10, 2015 at 8:30 pm. The City will rent a 35 foot inflatable screen, purchase the royalties to view the movie “Sandlot” and advertise the event to the public. This will be part of weeklong PLAYDAY events, focused around getting young people to be active in the sport of baseball and to enjoy the outdoors.
In July, Mayor Paul Dyster signed the PLAYBALL pledge with Major League Baseball and the United States Conference of Mayors, committing the City of Niagara Falls to take part in community based baseball activities in the month of August. In addition to the movie screening, Hyde Park Babe Ruth Little League will be hosting public PLAYDAY activities during the week of August 10, and the Mayor’s Cup City-wide Baseball Championship will be hosted at the Niagara Falls High School Athletic Complex. Combined, these events will provide our community, and most importantly, the children of Niagara Falls will positive, constructive activities.

Will the Council vote to approve the expenditure of $2,000 in Tourism Fund Balance Account funds to host the PLAYDAY event at Hyde Park on August 10 and authorize the Mayor to execute any documents necessary to effectuate the same?

CONTRACT: ACTUARIAL EQUIVALENCE TESTING, MILLIMAN, INC.

Agenda Item #6

The City Controller is recommending that the City retain the services of Milliman, Inc. ("Milliman") to perform actuarial equivalence testing in connection with the retiree drug subsidy. Milliman has much experience in this area and has worked in the past with Blue Cross and Blue Shield. The reports Milliman generates will likely result in the City receiving subsidy payments from the federal government. The cost of these actuarial services is $5,000.00 for calendar year 2016. Funding is available from the City Controller’s budget line number A.1315.0000.0451.000.

Will the Council so approve and authorize the Mayor to execute an engagement agreement in form satisfactory to the Corporation Counsel?

CONTRACT: NYS FINANCIAL RESTRUCTURING BOARD

Agenda Item #7

In correspondence to the City Administrator dated October 9, 2013 the State of New York Financial Restructuring Board for local governments notified the City that the City of Niagara Falls is a municipality that is fiscally eligible to participate in this new program. Attached (on file in the City Clerk’s Office) is a copy of that correspondence and an explanation of the program. Upon request by the City, the Board may undertake a comprehensive review of the City’s finances and operations and recommend ways to improve its fiscal stability and the delivery of public services.
The Board also has the ability to offer grants and/or loans of up to $5 million dollars in this regard. If the City, with Council approval at that time, agrees to undertake the Board’s recommendations, it would be contractually bound to fulfill those terms in order to receive the aforementioned aid.

Will the Council so approve and authorize the Mayor to execute any pertinent agreements in order to obtain the review and recommendations of the Board?

Chairman Touma thanked the City’s Financial Advisory Panel for their work. They recommended turning to the NYS Financial Restructuring Board for help but any recommendations they make will need Council approval.

More information is needed from others on the outside.

GRAND GARDENS OF THE NIAGARA PORTAGE, FUNDING

Agenda Item #8
The City has been asked to contribute the sum of $1,000.00 to assist in the cost of the Grand Gardens of the Niagara Portage event scheduled to take place on July 18, 2015. The recipient of these funds will be the Oakwood Cemetery, as a portion of the event will take place there. The Oakwood Cemetery will then disburse dollars as appropriate.

Chairman Touma said he went to a BNE conference and met many relator’s who are working with the Solar City Project to find out more about Niagara Falls.

CITY PROPERTY: TRAIN STATION, NATIONAL GRID, EASEMENT

Agenda Item #10

National Grid has requested an easement to place their transformer on property related to the new train station to provide power to the station.

The Planning Board has reviewed this request and recommends that the Council approve same (a copy of the Planning Board report is attached) (on file in the City Clerk’s Office).

The property where the easement is located, like the majority of the train station property, is currently owned by the New York State Department of Transportation which acted as the acquiring agency for the project.

At the completion of the station project the property will be transferred to the City and at that time the easement to National Grid will be granted and executed.

Will the Council approve the requested easement and authorize the Mayor to execute the Easement Agreement and any other documentation necessary, in a form acceptable to the Corporation Counsel, to effectuate same?

CONTRACT: HIGHLAND AVE. FIRE HALL, ROOF REPLACEMENT, JOSEPH A. SANDERS & SONS, INC.

Agenda Item #11

A contract for the above referenced project was awarded to Joseph A. Sanders & Sons, Inc. on May 11, 2015 in the amount of $168,872.00.

During the course of work, it was deemed necessary to repair interior roof drainage, piping, and clean the existing sewer lateral to allow newly install roof drains to work properly. These additions to the original scope of work added $2,876.11 to the original bid.

Since the existing funds schedule for roof repairs is not totally encumbered, additional money for this extra work is not needed.

To that end, please allow this ($0.00) Change Order request for the scope change.

CITY PROPERTY: 3625 HIGHLAND AVE, SALE

Agenda Item #12

3625 Highland Avenue, Niagara Falls, NY is an approximately 5.5 acre former industrial site located on the east side of Highland Avenue, Niagara Falls, NY, SBL No. 130.18-2-14. The property is owned by Nicolas P. Dalacu, and currently houses Mr. Dalacu’s Niagara Science Museum. The full market assessed value of the property is $72,200.00. It has been appraised at $155,000.00. Mr. Dalacu has agreed to sell the property to the City for $165,000.00. Casino revenue funds are available to pay the purchase price.

As part of the sale, Mr. Dalacu will pay the balance of a 2000 Community Development loan to Canrom Photovoltaics. The company is out of business. The loan was personally guaranteed by Mr. Dalacu. The balance of the loan with accrued interest is approximately $32,000.00.

The taxes will be brought current in connection with the purchase, and Mr. Dalacu will also set aside $30,000.00 for the continued operation of the museum.

Section 504 of the City Charter provides that the City shall not acquire any real property until the acquisition has first been referred to the Planning Board for a report. On July 8, 2015, the Planning Board recommended that the City acquire 3625 Highland Avenue for the purposes set forth herein. A copy (on file in the City Clerk’s Office) of the Planning Board report is attached.

After the purchase by the City, the City will convey the land to Niagara Falls Urban Renewal Agency for no consideration. The property is in the Niagara Falls Core City Urban Renewal Area. NFURA will then lease the building housing the Niagara Science Museum to the Niagara Science Museum for 3 years at the rent of $400.00 per month. The lease can be renewed at the discretion of NFURA. The $30,000.00 set aside by Mr. Dalacu from the sale will be the source of the rent. The property will be exempt from taxes for so long as it is owned by the Urban Renewal Agency.

The acquisition of land by an Urban Renewal Agency for which there is no immediate development use is regulated by General Municipal Law §555. The acquisition procedure requires a Planning Board recommendation after a public hearing, and City Council approval after a City Council public hearing. Upon approval after the hearings, the Agency can accept the parcel and lease the building for the museum.

If the City Council approves the acquisition by the City today, it is expected that the transfer of the property to the City will be ready to close at the time the City Council acts on acquisition of the parcel by NFURA.

Once the property is under control of the City or NFURA, application can be made for Brownfield funds available to public entities. These funds can aid in the future development of the site and area.

Will the Council vote to acquire 3625 Highland Avenue for the purposes as set forth herein, and authorize the Mayor to execute any documents necessary to effectuate the same?

Members of the City Council
and
Carol Antonucci, City Clerk

Council Members and Madam:

You are hereby notified of a Special Meeting of the City Council of the City of Niagara Falls, New York called pursuant to Section 3.9.b of the City Charter, to be held on Thursday, September 3, 2015 at 4:00 p.m. in the Council Chambers, City Hall, 745 Main Street, Niagara Falls, New York for the following purpose:

1. Appropriate funding for water line replacement on 72nd Street.

2. Approve grant application to Environmental Facilities Corp. to partially fund the 72nd Street water line replacement.

Respectfully submitted,

____________________________________
Andrew Touma, Council Chair

The September 3, 2015 Special Meeting of the Niagara Falls City Council was called to order by Council Chairman Andrew Touma at 4:25 PM in the Council Chambers.

Present: Council Chairman Andrew Touma, Council Members Robert Anderson, Glenn Choolokian, Kristen Grandinetti, Charles Walker.

Also Present: Mayor Paul Dyster, City Administrator Dona Owens, Corporation Counsel Craig H. Johnson, Deputy Corporation Counsel Thomas O’Donnell and City Controller Maria Brown.
During a lengthy discussion before the voting began, Council Member Anderson asked for clarification on the source of funding for the water line repairs on 72nd Street. Mayor Paul Dyster and City Controller Maria Brown explained that all the money for the water line repairs would be taken from the Casino funds that had been set aside for repairs to Portage Road, since that Project would not be completed this year. If and when a Grant is received for the water line repairs, the funds would be put back into the line for the road repairs. Council Member Anderson emphasized that the road repairs still need to be done.

Council Member Grandinetti asked when the test holes were dug on 72nd Street. The Mayor responded that drilling and testing were begun in May and lasted until the end of July. The City received its contractor’s report at the end of July, and the report from the Water Board’s contractor was hand delivered a few hours before this Meeting began. The Water Board also sent a letter stating that the Board was willing to assist the City in the Grant application process.

Council Member Choolokian asked if the City would seek any reimbursement for repair costs from the Water Board, and the Mayor said that the Law Department was preparing an agreement with the Water Board to propose that the City and the Water Board split the remaining costs not covered by any Grant funding that is received. Council Member Choolokian questioned who is responsible for payment of the repairs, and the Mayor responded that the City has paid for some repairs in the past, but, at this time, the priority is to identify and fix the problems to help the citizens, and deal with the legalities later.

Council Member Walker asked if the Water Board was holding the City liable for the issue, and the Mayor said not at this time.

Council Member Anderson asked if a City Engineer had been hired, and the Mayor responded that the position of City Engineer had not been funded in the 2015 Budget, but he would address the matter in preparing the 2016 Budget.
THE FOLLOWING COMMUNICATION WAS SUBMITTED BY THE MAYOR

CONTRACT: 72nd STREET WATER LINE, FUNDING

Agenda Item #1
The City is in the process of bidding the above referenced project. Elsewhere on your agenda is an item authorizing a grant application to obtain partial funding for this project. As part of the application, the City is required to have funding in place for the full amount of the anticipated project cost. It is therefore requested that the Council appropriate $676,400 as follows: $502,124 from funds previous appropriated for the City’s paving program and $174,276 from Casino Revenue.

Will the Council so approve?
Council Member Grandinetti moved that the communication be received and filed and the recommendation approved.

RESOLUTION: WATER MAIN IN 72ND STREET, REPLACEMENT, NYS WATER GRANT, 2015-68
BY: COUNCIL CHAIRMAN ANDREW TOUMA

Agenda Item #2
WHEREAS, the New York State Infrastructure Improvement Act of 2015 provides for grants to assist municipalities in funding water quality infrastructure projects; and
WHEREAS, the City of Niagara Falls is proceeding to replace the water main in 72nd Street to address issues with frozen water services preventing residents from receiving water during the last winter; and
WHEREAS, the City seeks to apply to the New York State Department of Health and the Environmental Facilities Corporation for a grant under the New York State Water Grant Program up to the amount of $676,400.00.

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Niagara Falls, New York that the City is authorized to apply to the New York State Department of Health and the Environmental Facilities Corporation for a New York State water grant up to the amount of $676,400.00; and be it further RESOLVED, that the Mayor is authorized to execute the grant application and/or the receipt of the grant.

Council Member Walker read a Resolution honoring former Council Member Barbara Ann Geracitano (Agenda Item #20), and the Council Members presented a copy of the Resolution to her family members.

Council Member Grandinetti read a Resolution honoring Laurie J. Davis (Agenda Item #22), and the Council Members presented a copy of the Resolution to her family members.

Council Chairman Touma read a Resolution honoring Arthur Vincent Curcione (Agenda Item #21), and the Council Members presented a copy of the Resolution to his family members.

Community Development Director Seth Piccirillo spoke on the Department’s 2016 Action Plan, and said that the Plan was ready for public comment.

In the Administrative Update, Mayor Paul Dyster said that the paving program continues on target.

Mayor Dyster thanked all who helped with the City’s Grant Application for water line repairs. Council Member Choolokian asked about the water line repairs on Independence Avenue, and the Mayor responded that the report from the Water Board’s consultant had just been received, and that area would be next to be addressed. Chairman Touma asked if bids had been received for the work, and the Mayor replied that the bids were not out yet, but that should happen by the end of the month. Chairman Touma noted the number of cones that were on the streets where water cuts had been done, and Mayor Dyster said that the final work had not been done at those spots, and there were calls in to the Water Board for many of the spots. Mayor Dyster explained that when the Water Board finishes with the water cuts, they top the area with stones, and then concrete, and mark the spot with the cones. The cones are removed when the City finishes with blacktop over the area. Council Member Anderson added that an area on 73rd Street still has the stones on it.
Mayor Dyster informed the Council Members that Agenda Item #4, relative to Security Guard Services, was pulled from the Agenda.

Chairman Touma said that there will be a Walk against Violence in Jordan Gardens on September 12, and welcomed anyone who wished to join.

This Session ended at 5:35 PM

Chairman Touma reconvened the Meeting at 6:00 P.M. in the Council Chambers with all Council Members present. Council Chairman Touma said the prayer and led the gathering in the Pledge of Allegiance to the Flag.

The Chairman asked if anyone wished to speak on Agenda Items or Community Interests, and the following spoke:

Ron Anderluh          Agenda Items #20, #21, #22
Gerald Skrlin         Agenda Item #6
Ken Hamilton          Agenda Items #9, #14, #20, #21, #25
Ron Anderluh          Parking revenues; downtown traffic; outstanding traffic violations; include Gill Creek Park restrooms & expand Ranger Program to cover Parks in 2016 CD Budget
Gerald Skrlin         Conditions at 170 Buffalo Ave.; issues with various City Depts.
Timothy Mielke       Various City issues
Ken Hamilton          Instead of onsite memorials, suggested that families use Adopt a Highway program to honor deceased loved ones; Memorial Day Parade funding; New Jersey Ave. upkeep by City.

CONTRACT:  ICE RINK FLOOR & DASHER BOARD REPLACEMENT, SCRUFARI CONST.

Agenda Item #5

A contract for the above referenced project was awarded to Scrufari Construction Services Inc., on March 9, 2015 in the Amount of $660,900.00.

During the removal of the existing concrete flooring, it was discovered that the building’s column structural ties were not installed in accordance with the original plans. An alternate method of connecting to the rinks concrete slab was incorporated. This installation is necessary for the structural integrity of the building. Since this was discovered only after the removals the extent and scope could not have been foreseen. This required subsequent work including labor, materials and overhead & profit is $75,359.00.

In the bidding process, interior painting was removed and lead abatement painting was added. To leave the interior paint for a future Phase does not make sense from an economic and logistic prospective, so we have included the walls in this change order at the contract price of $21,840.00.

It is the recommendation of the undersigned that Change Order #1 in the amount of $97,199.00 be approved. Sufficient funds exist in a Bond Resolution approved by City Council for this project.

Will the council vote to approve and authorize the Mayor to execute a contract in a form acceptable to the Corporation Council?

BUFFALO AVE. HERITAGE DISTRICT, MICROGRANT PROGRAM EXTENSION AND AMENDMENT

Agenda Item #6

In 2010, the City and USA Niagara Development Corporation established a Buffalo Avenue Heritage District Microgrant Program. The Heritage District is the only residential area within the USA Niagara Boundaries. The program provides matching assistance for owner-occupied residences of up to $10,000 per property. The funds are used for exterior building improvements, code violation correction, and site improvements.

With the reconfiguration of the Robert Moses Parkway and State Park improvements, there has been renewed interest in the program. The Microgrant Program was originally set up for 5 years. The 5 year cooperative agreement between the City and USA Niagara expired on July 10, 2015. USA Niagara and the City of Niagara Falls Economic Development Department are proposing an extension of the program and agreement for another 5 years.

The original appropriation for the program was $100,000, with USA Niagara depositing $50,000 with the City, and the City matching the deposit with $50,000 of casino revenues. About 20% of the funds have been paid out in grants to date.

USA Niagara has also proposed amending the program to include residential rental property. Expanding the program to residential rental properties in addition to owner-occupied structures will allow the preservation and rehabilitation of more of the heritage structures within this special district.

Will the Council vote to approve a 5-year extension and amendment to include residential rental property of the microgrant program as set forth herein, and authorize the Mayor to execute any documents necessary to effectuate the same?

Council Member Grandinetti moved that the communication be received and filed and the recommendation approved.

Agenda Item #10

Since 2005, the City’s Workers’ Compensation claims have been handled by the Public Employees Risk Management Association ("PERMA"). This includes both claims existing prior to 2005 and the claims that have arisen since joining PERMA in 2005.

The pre-2005 claims have been handled through PERMA’s affiliated entity Northeast Association Management, Inc. ("NEAMI") as the third party administrator for the claims. Changes last year by the Workers’ Compensation Board required that the City enter into a separate agreement with NEAMI to provide this service.

This is handled on a yearly basis beginning on September 1 of each year.

It is now time to enter into a renewal agreement with NEAMI for the September 2015 to September 2016 year. The claims will continue to be handled on the same basis and it is recommended that the Council authorize the Mayor to execute an agreement with NEAMI in a form acceptable to the Corporation Counsel.

4300 Crescent Drive is currently a City owned vacant house acquired in the In-Rem process. It was included in the most recent 2015 Niagara Falls Community Development Auction. Elaina Velky was the successful bidder and has agreed to pay $18,000.00 to purchase the Premises. She will agree to abide by the following conditions:

1. Reside at the Premises as the primary occupant for no less than five (5) years.
2. Rehabilitate the Premises up to code within twelve (12) months of property acquisition from the City.
3. Submit a detailed repair/rehabilitation plan within sixty (60) days of acquiring the property from the City.
4. The Premises reverts to the City if conditions agreed to are not complied with.

This is consistent with a resolution adopted by the City Council on February 19, 2014, regarding the sale of 452 Memorial Parkway. The purpose of this auction is to restore a City-owned property to the tax rolls, prevent a possible City-funded demolition, rehabilitate a structure and increase homeownership.

Carol A. Antonucci
City Clerk
The first session of the September 21, 2015 Niagara Falls City Council Meeting was called to order by Council Chairman Andrew Touma at 5:04 P.M. in the Council Chambers.

Present: Council Chairman Andrew Touma, Council Members Robert Anderson, Glenn Choolokian, Kristen Grandinetti and Charles Walker.

Also present: Mayor Paul A. Dyster, City Administrator Donna Owens, Corporation Counsel Craig H. Johnson, Deputy Corporation Counsel Thomas O’Donnell and City Controller Maria Brown.

Council Member Choolokian moved to approve the Minutes from the Special City Council Meeting of September 3, 2015 and the Council Meeting of September 8, 2015.

John Cooper spoke on behalf of the Niagara Falls Air Reserve Station and the Base Realignment and Closure Committee, and thanked the Council for their support.

Director of Business Development Anthony Vilardo introduced Douglas Nickerson, VP of Operations for the Sheraton Hotel, who spoke on the purchase of City property for an expansion project at the hotel.

In the Administrative Update:
1. Chairman Touma reported on the success of the 2015 Summer Camp sponsored by the City of Niagara Falls, the School District and the Housing Authority.
2. Chairman Touma also reported that he had visited Niagara Helicopter in Niagara Falls, Ontario, to address concerns of our citizens about noise from the flights. He said that the company needs to adhere to the established flight pattern, and Mayor Paul Dyster added that the quality of life for our citizens must be respected.
3. Mayor Dyster also said that the Engineering work on 72nd Street is proceeding, and should be out for bids next week. Council Member Choolokian asked about 77th Street, and Independence and Royal Avenues. The Mayor replied that the City needs to sit down with the Water Board and aggressively address the issue with them. Council Member Choolokian asked that the City’s representatives on the Water Board be contacted also to help in addressing the issue. Council Member Anderson added that he has lived in the 72nd Street area for many years, and there were no problems with frozen water lines until the road repairs were done.

Council Member Choolokian asked if there was a plan for addressing all the garbage around the City before the winter, and the Mayor said that a plan was being worked on, and could be presented at the next Council Meeting. Council Member Anderson added that there is too much garbage around the City.

This Session ended at 5:26 PM
Chairman Touma reconvened the Meeting at 6:00 P.M. in the Council Chambers with all Council Members present. The Prayer was said by Council Member Anderson and the Chairman led the gathering in the Pledge of Allegiance to the Flag.

The Chairman asked if anyone wished to speak on Agenda Items or Community Interests, and the following spoke:

Ron Anderluh          Suggested Council adopt resolution opposing water level regulations
David Carr            No response to claim filed for frozen water lines on Lewiston Rd.
V. J. Cancemi         Thanks for Council support for Summer Youth Camp

CITY CLERK’S REPORT FOR THE MONTH OF AUGUST 2015

Agenda Item #1
THIS ITEM WAS RECEIVED AND FILED

THE FOLLOWING COMMUNICATIONS WERE SUBMITTED BY THE MAYOR

CONTRACT: HYDE PARK ICE RINK FLOOR & DASHER BOARD REPLACEMENT, MOLLENBERG BETZ, INC.

Agenda Item #2
A contract for the above referenced project was awarded to Mollenberg Betz, Inc., 300 Scott Street, Buffalo, NY, on March 9, 2015 in an amount of $1,720,000.00.

The project required various revisions in scope for unanticipated and necessary repair work. The Change Order items (PCO) listed below were required in order for the rink to operate. The work was of a special nature and had to be performed by the qualified contractor that we currently have under contract.

Furthermore, during the course work, several cost saving measures were invoked to offset increases. Listed are the three change orders that result in credits totaling $11,169.00.

1. PCO-1; Change (2) 30 gal. expansion tanks to (1) 60 gal. expansion tank ($1,847.00)
2. PCO-2; Change specified rink piping to HDPE $6,822.00
3. PCO-3; Brine Pump, base and valve replacement $32,987.00
4. PCO-6; Rink 1 collar ties $23,677.00
5. PCO-8; Rink 2, 8” brine piping repair $8,285.00
6. PCO-9; Rink 2, Brine Pipe covers $850.00
7. PCO-10; Existing brine line and tank integrity testing $1,600.00
8. PCO-11; Ice Mesh Seal $2,500.00
9. Contract Allowance for Geo Fabric Mesh $2,500.00

Therefore, it is the recommendation of the undersigned that Change Order #1 in the amount of $58,730.00 be approved, bring the new contract total to $1,778,730.00. Sufficient funds presently exist in Bond Resolution approved by City Council.

Will the council vote to approve and authorize the Mayor to execute a contract in a form acceptable to the Corporation Council? Council Member Grandinetti moved that the communication be received and filed and the recommendation approved.

CITY PROPERTY:  3625 HIGHLAND AVE., TRANSFER TO URBAN RENEWAL AGENCY

Agenda Item #3
On July 20, the City Council approved acquiring 3625 Highland Avenue, a 5.5 acre former industrial site currently housing the Niagara Science Museum, located on the east side of Highland Avenue. At that time, it was intended that the City would convey the property to Niagara Falls Urban Renewal Agency.

The acquisition of land by an Urban Renewal Agency for which there is no immediate development use is regulated by General Municipal Law #555. The procedure requires a Planning Board recommendation after a public hearing, and City Council approval. The Planning Board has held its public hearing and recommended in favor of the acquisition of the property by Niagara Falls Urban Renewal Agency. A copy of the Planning Board resolution recommending the transfer is attached (on file in the City Clerk’s Office). NFURA has indicated its willingness to hold title to the property. NFURA has appropriated funds to cover the conveyance costs.

Will the Council vote to approve acquisition by Niagara Falls Urban Renewal Agency of the 5.5 acre 3625 Highland Avenue parcel, approve the transfer to Niagara Falls Urban Renewal Agency as set forth herein, and authorize the Mayor to execute any documents necessary to effectuate the same?

Council Member Grandinetti moved that the communication be received and filed and the recommendation approved.

CONTRACT:  AFFORDABLE CARE ACT ADMINISTRATION & BUSINESS ASSOCIATE AGREEMENTS, SENECA CONSULTING GROUP, INC.

Agenda Item #5
Attached (on file in the City Clerk’s Office) please find the proposed Affordable Care Act Administration and Business Associate Agreements between the City of Niagara Falls and the Seneca Consulting Group Inc. With the 2010 passage of the Patient Protection and Affordable Care Act (ACA), large employers such as the City are faced with a number of reporting and administration obligations relative to their employees and their health care plans. The ACA also requires that significant amounts of employee and health care information be submitted to the Internal Revenue Service for yearly reporting purposes. Failure to report such information can lead to significant penalties of as much as $2,000 per full-time employee.
In order to gather and process the required information, the City has negotiated an agreement with Seneca Consulting Group. The Seneca Consulting Group currently provides ACA administration services to over sixty (60) public sector employers with an average group size of over 1,000 employees. In the proposed agreement, the Seneca Group will assist the City in meeting its employer mandate obligations under the ACA as well as assisting the City to meet its IRS reporting obligations. Further, the Seneca Group will provide the City with additional services to our Payroll and MIS Departments to assist in future reporting obligations.

Funding for the total cost of the proposed contract is $29,550.00. Funding for this agreement will come from the budgeted health care premiums account.

Council Member Grandinetti moved that the communication be received and filed and the recommendation approved.

and

Carol Antonucci, City Clerk

Council Members and Madam:

You are hereby notified of a Special Meeting of the City Council of the City of Niagara Falls, New York called pursuant to Section 3.9.b of the City Charter, to be held on Thursday, October 1, 2015 at 4:00 p.m. in the Council Chambers, City Hall, 745 Main Street, Niagara Falls, New York for the following purpose:

1. Presentation of the Mayor’s Proposed 2016 Budget.

Respectfully submitted,

_______________________________
ANDREW TOUMA
Council Chairperson

The October 1, 2015 Special Meeting of the Niagara Falls City Council was called to order by Council Chairman Andrew Touma at 4:10 PM in the Council Chambers.

Present: Council Chairman Andrew Touma, Council Members Glenn Choolokian, Kristen Grandinetti, Charles Walker. Council Member Robert Anderson was excused.

Mayor Paul A. Dyster presented his Proposed 2016 Executive Budget. During his Presentation, he made the following comments:
Welcome – Councilmembers, city work force and my fellow citizens to the 2016 Mayoral Budget Presentation. Thank you for being here.

The 2016 Niagara Falls Municipal Budget is our city’s blueprint for the coming year. It is the product of planning and compromise. Today, I will summarize our budget components, but first let’s start with what you will not find in the 2016 budget.

There are:
No increases in the tax levy
No layoffs
No use of fund balance

As we’ve done throughout my administration, we’ve held homeowner’s taxes down below the rate of inflation, effectively keeping more disposable income in the pockets of our taxpayers today than when I took office in 2008. That is easier said than done, but that has always been our commitment, and we kept it again with this proposal.

This chart represents the trend since I took office. The green line shows the levy amount that the city could have collected while staying within the state tax cap, with the rate of inflation. The red line shows what the levy would have been over the past seven years, with inflation adjustment alone.

Now, check out the blue line – that is our actual property tax levy over the past seven years. Look at how low that is, comparatively. The gap between the blue line and the others, is in a sense more important than the trajectory of the lines themselves. That “space between” tells the story of this administration’s successful efforts to control your property taxes at a time of rising costs.

That “space between” shows that our administration has consistently raised less in tax revenues than allowed under New York State’s very aggressive tax cap legislation, and less than what would be required to keep pace with the annual inflation in the cost of doing business: cost of living increases and contractual pay increases for city employees, rising health care costs, and supply cost increases, etc.. While costs went up around us, we held the line. While many other governments struggled not to exceed the tax cap every year, we minded the gap, and held the line over the long haul. We have quite literally done more with less, absorbing many cost burdens so that our residents would not have to.

The tax levy we propose for 2016 is actually approximately $300,000 less than what we collected in total property taxes in 2015. More on that later.

I recognize that our city weathered decades of double-digit tax increases and reactionary budgets. The 2016 budget proposal includes a 0.09% increase in the homestead tax rate and a 1.4% increase in the non-homestead tax rate. For home owners that is 1.7 cents, less than 2 cents, per $1,000 in assessed property value and for business owners that is 45 cents per $1,000 in assessed property value. This administration is committed to investing in our housing stock and adding new home owners and home equity. The city’s number of first time homebuyer grants are already up by 45% in 2015, versus 2014’s year-end total. We have presented tax auction reforms, created a new home ownership auction program, continued with an aggressive home owner renovation program, all with the goal of investing in our homeowners.
I am committed to an equalization of the tax rate for our business community. The decision, many years ago, to adopt separate homestead and non-homestead tax rates, much like Urban Renewal itself, is an example of well-intentioned but ultimately misguided decisions having a decade’s long impact. Equalizing the tax rate would help us to compete more effectively for business investment, and be more judicious in handing out IDA tax PILOTS. Our proposed 2016 budget includes a 20% shift from non-homestead to homestead, but for a variety of reasons we are not closing the gap fast enough. I am committed to exploring options to equalize the tax rate once and for all, utilizing more creative and aggressive measures than the incremental approach we have followed since the late 1990s.

There are no layoffs in this budget. I have made it clear since day one, creating a legacy of concrete, real-world accomplishments drives this administration. *We build things. We repair and renovate things.* I believe in our workers. By keeping our city workforce intact, we’ve been able to pave over 250 roads during my administration, reduce violent crime and fatal fires, remove more snow, improve more parks and provide reliable services to our taxpayers. I speak to our residents every day. Their priority is quality city services in their neighborhoods. That is my priority as well.

Remember the days when past administrations would need to bond to demolish buildings and buy police cars?
Remember the days where major arterial roads would sit unpaved for decades?
Remember the days when a City Council members would float suggestions like “Let’s leave a few inches of snow on the roads” to save money?

We have come a long way from those days, and we will continue to move forward.

The 2016 budget preserves $3.6 million of city fund balance- the so called rainy day fund. As we learned in recent years, our rainy day fund may need to be there to respond to a wide variety of extreme weather events. When we retain more fund balance, we are better able to respond to whatever Mother Nature throws are way. We as a city government are often the only unit of government that is willing to step up to the plate and help our citizens through these crises.

This budget did not come about without challenges. Our proposed budget amount is $102,284,395, representing a .3 percent increase over last year’s budget. However, our tax levy is lower today than in 2015, meaning that we will be raising less money in taxes in 2016 than we did last year. When the tax rate does not grow at the same rate as costs, this requires the city to do more with less revenue. I believe that the 2016 budget does just that.

Last year’s tax levy exceeded the state’s tax cap by about $280,000, but the City Council did not approve a tax cap override to cover this amount with property taxes. In response, the state has penalized us in the 2016 budget process, through a calculation that cuts the total amount we are able to raise by $560,000 – twice the amount by which the cap was exceeded in 2015.

This creates a paradoxical and ironic situation that seems counter intuitive so please bear with me. The city of Niagara Falls is in the unusual position of needing to override the state cap *despite*) the fact that we are raising *less* in total property taxes than we did in 2015.
To be clear, although we are asking the City Council to vote to exceed the tax cap, this is not because we are raising more in taxes than in 2015 — in fact, we are raising less. The override is required to comply with state regulations. If we fail to override the cap again this year, our total penalties from the state could be roughly $2 million in 2017 — that’s $2 million worth of roads not plowed and streets not paved, etc. I urge our City Council to support an override and move forward into 2016 knowing that we haven’t punted our responsibilities into yet another budget process. Again, for the city council, the press and especially the public, a vote to override the tax cap does not raise the tax levy above the amount raised last year. It simply allows us to recoup part of what we would otherwise forfeit in lost revenue potential as a result of the way we ended last year’s budget process.

To add to the challenges we faced in 2016, we had to adapt to tax PILOT decisions made at the county level. The modest increase in the tax rate proposed in this budget result, in large part, from the fact that the Covanta plant on 56th Street was granted a PILOT by the Niagara County Industrial Development Agency, set to begin in 2016. This effectively removed close to $15,000,000 from our city’s stock of taxable assessments of non-homestead properties. Decisions made, not by the City itself, but by organs of county government, can have profound impacts on our ability to raise revenues in a fair and equitable manner. PILOTS can be a useful and even necessary tool to stimulate economic development but perhaps 2016 needs to be the year that we carefully examine when, where and why the decision is made to forego future tax revenue.

As stated earlier, the tax rate increases are very small, and are well behind the projected inflation rate in 2016. Non-homestead taxes would increase by 1.4%, and homestead taxes being increase by only .09%. I have said many times, my administration conservatively and effectively budgets casino funds. I understand that some people are willing to take liberties with the truth and that the political season creates a flare for the theatric. Truthfully, our financial diligence is the key reason we weathered a 40-month gap in the receipt of casino revenue, ending in 2013. We have applied that same approach to the 2016 city budget. We are using these funds to pay for necessary and applicable costs under the tribal compact and Section 99-H of New York State Finance Law. The casino funds used in this proposed budget are funds already in hand, not funding projections depending on a potentially volatile casino market. This safeguards our ability to make all necessary payments including payroll, pensions and operations without compromising our cash flow and to build the fund balance.

Even more rigorously than in the past, we analyzed projects that had past casino funds dedicated to them. We prioritized the initiatives that were both in the spirit of the tribal compact and that would helped provide property tax relief. We were very conservative with revenue projections as well.

Some council members have in the past questioned whether the use of casino funds can help to control taxes. Look at the record. A tax rate significantly behind the rate of inflation, for seven years, is proof that my administration has been able to use casino dollars effectively to do just that. In addition, we have used those funds wisely to make critical public infrastructure improvements, pay debt service on the state mandated public safety complex that I inherited, demolish blighted buildings, invest in our first responders, and invest in much needed economic development.
Our casino spending plan creates real, private sector return on investment through our economic development strategy. New hotels create new bed and sale tax revenue. An investment in infrastructure and collaboration private sector-led development creates and retains jobs. We are not just spending money on projects. We are investing in our city’s marketplace and creating opportunities for sustained return on investment. More commerce means more revenue. More commerce means more jobs. We are finally creating the positive economic impact that eluded us for decades.

If you ask any mayor in New York State, they will tell you that costs are going up. Contractual requirements. Road repair supplies. Salt for our roads. Repair and replacement of equipment. Gasoline to run our snow plows. The vendors that provide these goods to our city have to pass their cost increases onto us. However, our casino fund budgeting has enabled us to meet our obligations and honor our contracts without putting an undue burden on our tax payers or our workforce.

In the bad old days, solutions to budget shortfalls in our city meant double-digit tax increases and major layoffs. These types of irresponsible approaches to our city finances have led to many in our city being so disheartened that they expect only gloom and doom from the annual budget. As a city, we became accustomed to asking “How bad is it going to be?” as we entered past budget presentations. That is not the message I am delivering today.

Make no mistake—the 2017 budget process starts the moment that the 2016 budget is filed. In preparing the 2017 budget, we will need to better maximize reoccurring revenue sources like parking. Our visitation numbers are growing at an impressive rate, fueled by significant private and public sector investment. Now is not the time to leave parking revenue on the table.

We need to find shared services arrangements that will save real dollars. We will need to look at ways to better control major cost centers like healthcare, in partnership with our unions. There is a group of very reasonable and dedicated people around these negotiating tables. As proven by this and past budgets, I believe in our workforce. I know that we can create cost saving strategies that benefit both our workers and taxpayers.

We will continue to move farther away from the days of unpredictable budgets and tax increases. Those days are behind us. That is not an empty statement. My track record proves that commitment. I am presenting this budget to the Niagara Falls City Council and the public for review and comment.

As always, I welcome the input of the local financial advisory group, and thank each member for their commitment to their community. I also commend our city council for approving our participation in the State’s Financial Restructuring Assistance Program to act as an additional safeguard for the long term fiscal health of our city.

Collaboration brings success. As I said at the start of my presentation, the budget is a blueprint, constructed through compromise. As a community we will now review it, discuss it, and prepare to put the plan into action. I look forward to working with the City Council as it does its due diligence. Our department heads look forward to their budget meetings with the City Council, in this public and transparent process. Thank you.

Lisa Vitello, Chairwoman of the Niagara Falls Tourism Advisory Board, and other Members of the Board spoke in favor of creating a City Tourism position, and noted that the Board acts in an advisory capacity only. The Niagara Tourism and Convention Corporation is a county-wide organization, and there is a need for a position that is responsible to the City only. Chairman Touma said that he appreciates the work that the Board does, and the position creation is worth pursuing. Council Member Walker added that this position is important for tourism in the City, and City Controller Maria Brown added that the position would be funded by the bed tax revenue.

In the Administrative Update, Mayor Paul Dyster spoke on the SWEET Team, and said the need has been shown for additional pickups. He said there will be additional collections for two weeks in October and May, and during the Christmas holiday. Chairman Touma also suggested consideration be given to dealing with excess garbage after family celebrations.

Director of Business Development Anthony Vilardo gave an update on the sale of a City parcel abutting the Sheraton Hotel for development by the hotel (Agenda Item #6).

Council Member Choolokian questioned the progress on dealing with the frozen water lines on all the streets that were affected. Mayor Dyster said that bids were advertised for 72nd Street, and Independence Avenue is the next to be targeted, and he is hoping that the Water Board will be cooperative with the City in resolving the issue. The Mayor also noted that private insurance is available to citizens to deal with water line issues. Council Member Choolokian said that, with winter coming, the Council fully supports the residents in dealing with this issue. The Mayor will give a further update in two weeks. Civil Engineer Robert Buzzelli spoke on the timeline for the bid opening and work to begin.
Chairman Touma requested budget related data for each City Department from City Administrator Donna Owens.

Corporation Counsel Craig Johnson distributed copies of three Items to be added to the Agenda:
1. A communication relative to a Letter of Award for the roof replacement at the 11th Street Fire Hall.

CITY PROPERTY: 219R NIAGARA STREET, SALE TO SHERATON HOTEL

Agenda Item #6

The City is the owner of a 1.03 acre parcel having an SBL # of 159.09-1-1.2 and known as 219R Niagara Street. The owner of the Sheraton Hotel has proposed to acquire 0.57 acres of this parcel which abuts the Sheraton Hotel. The dimensions of the parcel the Sheraton is interested in acquiring are 245 feet by 103 feet. The Sheraton is interested in acquiring this parcel to make an improvement to its hotel building.

The Sheraton has offered to purchase this parcel for $7.50 per square foot which equals $189,262.50 for the entire 0.57 acre parcel. An appraisal by the City supports this offer. The Sheraton is interested in acquiring this parcel in order to improve and enhance the experience at the hotel enjoyed by guests of the hotel. Various concepts are being explored by the Sheraton at this time including recreation amenities available to guests. These recreation amenities may also be available to those visiting the city who are not guests at the hotel. The Planning Board has reviewed this request to purchase and has recommended the same to the City Council. Attached (on file in the City Clerk’s Office) hereto is a copy of the Planning Board recommendation.

The City has no use for this parcel now or at any foreseeable time in the future as it is essentially land locked.

The owner of the hotel is required to be in compliance with all State, Federal and Local laws, statutes, ordinances and approvals.

Any expenses incurred by the City in selling this parcel, such as land surveying and abstracting or other miscellaneous title work, will come out of the sale proceeds.

It is requested that the City Council approve the sale of this parcel as described herein, find that the sale of this parcel will benefit the City and that the best interest of the City will be served by the sale of this parcel to the Sheraton without public auction and that the Mayor be authorized to execute a Purchase and Sale Contract provided the same is in form and substance agreeable with the Corporation Counsel.
Will the Council so approve? Council Member Grandinetti moved that the communication be received and filed and the recommendation approved.

RESOLUTION: ROBERT MOSES PARKWAY, RENAMING, 2015-77
BY: COUNCIL CHAIRMAN TOUMA, COUNCIL MEMBERS CHOLOKIAN, GRANDINETTI AND WALKER

Agenda Item #12

WHEREAS, Tourists, visitors and the motoring public are presented signs to the Robert Moses State Parkway throughout Niagara County, and
WHEREAS, The name of the parkway is not helpful or descriptive in directing tourists or visitors to their destinations, and in fact, can actually confuse the motoring public since the name Robert Moses does not explain or denote the parkway’s features or purpose, and
WHEREAS, Because the parkway is undergoing reconfiguration and redesign at the present time, this presents a golden opportunity to rename the parkway and make it more tourist and visitor friendly, and

WHEREAS, The idea of a name change has received the support of 80% of the respondents to an online poll conducted by the Historical Association of Lewiston, indicating public approval for the name change, and
WHEREAS, The name “Niagara Scenic Parkway” provides a logical solution and is a simple, direct and clear description which enables visitors to quickly understand the parkway’s purpose and benefits;
NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Niagara Falls, New York that the City of Niagara Falls supports changing the name of the Robert Moses Parkway to the Niagara Scenic Parkway, and
BE IT FURTHER RESOLVED that copies of this resolution be directed to Governor Cuomo, Senator Robert Ort and Assemblyman John Ceretto, in an effort to encourage our state leaders to take the necessary actions to implement this name change as soon as possible.

The October 6, 2015 Budget Work Session of the Niagara Falls City Council was called to order at 4:06 p.m. in the Council Chambers.

Present: Council Chairman Andrew Touma, Council Members Glenn Choolokian, Kristen Grandinetti, Charles Walker.
Council Member Robert Anderson was excused.
Also present: City Controller Maria Brown.

City Controller Maria Brown spoke on the Budget for her Department. She noted that Obama Care takes effect at the end of the year & it’s been a horrific burden on her Payroll Staff. There is a 1.5 million dollar penalty if we don’t comply.
Chairman Touma asked if moving forward, is a Budget Director needed & Mrs. Brown answered Yes.
The final decision on holding down any expenses comes from the Mayor and the City Administrator.
City Clerk Carol Antonucci was absent & Leonard Lapp, Deputy Registrar presented the Council with a handout concerning the activities of the Department.

Corporation Counsel Craig Johnson spoke on a couple of the Budget lines. Books & Magazines fees increased due to we are at the mercy of the vendor. There are different issues concerning the outside consultants, ex. Man-O-Trees. We might need outside Counsel concerning the pending Love Canal Claims in 2016.
There might be an In Rem Auction at the end of November & this will generate revenue.
Council Member Grandinetti asked Mr. Johnson if we are going to be reimbursed from litigation from Man-O-Trees & Mr. Johnson replied Yes.
Risk Management Director Thomas O’Donnell stated that the consultant time is shared with the Water Board.

There being no further business to come before the Council, Chairman Touma adjourned the meeting at 4:40 p.m.

Present: Council Chairman Andrew Touma, Council Members Glenn Choolokian, Kristen Grandinetti, Charles Walker.
Council Member Robert Anderson was excused.
Also present: City Controller Maria Brown.

Code Enforcement Acting Director Lou Fontana spoke that his Department is down 1 position from last year. The workload is more and we need more personal. Mr. Fontana stated that when they go to Court, nothing is being done, no fines are levied by the judges. He also stated that fining the residents is illegal. Council Member Choolokian said we need to find out why it is illegal.

Library Acting Director Jennifer Potter & Mary Ruth Davis, Principal Library Clerk discussed the background of the Library. It has not been fully funded by the State for the last few years & they would like to increase staff. City Controller Maria Brown said that the Library doesn’t pay for in-kind services, they are done by the City.

Chairman Touma spoke on setting up the Library as a Tourist stop with the artifacts of the City to generate revenue & suggested that this should be looked into.

Board Member Don King thanked the Council for being a partner with the Library & would like the Carnegie Bldg. as a museum.
Community Development Director Seth Piccirello stated that there will be retirees in 2016 and new hires will have lower pay thus the Budget will be lower. He also would like to reduce costs.

There being no further business to come before the Council, Chairman Touma adjourned the meeting at 5:00 p.m.

City Assessor James Bird stated that there were very few changes. Two have opted out for the Health Insurance. The Department is down 1 employee which results in a $55,000 savings this year. Council Member Grandinetti said we want to bring homestead & non homestead tax rate together. Mr. Bird said we want everyone to be at 100%. Also we have to have the City reassessed since the last one was in 2004.

Civil Engineer Bob Buzzelli said that he has put in to the Mayor for a full time Engineer at a cost of $94,000. There were minor increases in the Budget. The software license is now mandatory. Council Member Grandinetti said she is curious about the overtime. Mr. Buzzelli said that in 2016 overtime might be necessary. Ms. Grandinetti asked who approves the overtime & the answer was the Mayor, City Administrator & himself.

Human Resources & EEO Director Ruby Pulliam handed out a list of the Department activities. There was a decrease in medical fees and a savings in personal. The Junior staff needs to be properly trained. Council Member Walker asked how much work is being done with EEO. Mrs. Pulliam stated not much, they are trying to do things electronically & they are not being able to do hands on training. Mr. Walker indicated if the Human Resources & EEO Departments are in conflict with each other. Mrs. Pulliam said there is no conflict.

MIS Director Joe Morock, Jr. said there are no changes & salaries are down due to position eliminated due to retirement. Council Member Grandinetti asked how is it going & Mr. Morock said I Love It & he is putting in a lot of changes. City Controller Maria Brown added that money has been put aside for a new phone system. The current phone system is approximately 10-11 years old & was replaced in 2003.

Senior Planner Tom DeSantis said he has 5 full time & 1 part time employees & there are 2 vacant positions. The Budget is down from last year & this is the 3rd year in a row.

Principal Purchasing Clerk Shirley Bernat, standing in for Purchasing Agent Johnny Destino. She stated that Mr. Destino is working on a lot of things & there are not many changes. No increase from last year.

Fire Chief Thomas Colangelo talked about the new Rescue Truck. The truck is on display at the Main Fire Department Building for viewing. He thanked the Mayor for moving forward and said that, without his support, this purchase would not have been possible. He also thanked the Council Members.

Mayor Paul Dyster administered an Oath of Office to Matthew Dotts as Honorary Fire Captain, and gave Matthew a Captain’s hat and badge.

Attorney Robert Restaino gave a presentation on the City Charter. He has been working on this since April 2014 and is putting together the 1916 & 1985 Charters to consolidate them. He stated that there are challenges and pitfalls to this process, and there is no easy marriage of the Charters. The next course of action is to look at other articles and retire some & would like to retire the 1916 Charter. Chairman Touma stated this is a very tedious job that he hopes will be done by the end of the year and this is our Road Map.

Community Development Director, Seth Piccirillo, spoke on the Niagara City Lofts Project (Agenda Item #4) and said that this is a neighborhood investment. He thanked CB Emanuel, City Council, Rick Zucco and Craig Johnson for their help. Mayor Dyster gave a word of thanks to the staff at Empire State Development for keeping the Grant alive.

In the Administrative Update, Mayor Dyster stated, regarding the Letter of Award for 72nd St., (Agenda Item #4) that the contractor is itching to get started. A pre-construction meeting will be scheduled asking for additional funds. Chairman Touma asked if the City is asking the Water Board to come up with some of the expenses and can we hold back money from the payments for the hydrants. The Mayor responded that this is the strategy. A discussion followed. Chairman Touma asked Assemblyman John Ceretto to speak to the Council. Mr. Ceretto said he walked 72nd St last week to speak with the residents and hear their stories. He will try to secure funds to help with the costs.

PURCHASE: POLICE DEPARTMENT, VEHICLES

Agenda Item #3
The Superintendent of Police advises that it is necessary now to purchase six (6) new vehicles for use in the department. The six vehicles that are being replaced are old, have many miles on them and are out of compliance with acceptable police standards. The total cost of the six (6) vehicles inclusive of upfitting the vehicles, inside and out and marking them with graphics is $242,937.65.

Funding is available from Casino Revenues.

Will the Council so approve?

CONTRACT: NIAGARA CITY LOFTS, SOUTH JUNIOR PROJECT

Agenda Item #4

The Niagara City Lofts project will close this year, with CB Emanuel’s Niagara City Lofts Project to start thereafter. It is expected that the project will be completed in 2017. This project will result in the conversion of the South Junior property into 61 housing units, with 10 of the units at market rate and 51 with rents limited due to the financing. In addition, there will be approximately 18,000-square-feet of commercial/community space, including a renovated auditorium, natatorium and boy’s gym open to lease. The City participation in the project requires a number of Council actions.

Acceptance of Restore NY Grant

The State has approved a $5 Million Restore NY Grant for this project. The City will act as a pass through agent. Under the terms of the grant agreement, the City is obligated to prohibit transfer of that property for five (5) years. There is a $5 million recapture penalty that the City is exposed to if a prohibited transfer takes place within five (5) years. This obligation will be implemented by the City taking a mortgage on the property. The mortgage will be subordinated to all the project construction and permanent financing. In addition, the City will act as pass through for the grant draw requests. In this manner, the City can insure that the grant agreement terms are followed.

Loan of Restore NY Grant Funds to Project

The City will loan the $5 Million in grant funds to the Project. The assistance is in the form of a loan so that the funds will generate tax credits which can be sold to investors. An outright grant will not generate tax credits or investment.

229

10/19/2015
The loan will be at a 1% interest rate, with interest only payable annually for 15–30 years, the length of the tax credit agreement. There will be no interest payable during construction. The interest will be paid from Project cash flow, under a payment hierarchy. At the conclusion of the loan term, the principal and any unpaid interest will be payable to the City. Payment will be limited to Project assets, so payment in full is not guaranteed. As a practical matter, the City is passing through the State grant, so payment to City of the interest and principal of the loan is not a paramount concern.

The terms of the loan agreement will require the continuation of the City playground on the property. The developer will also continue to allow overflow parking for the NACC on the property, with the NACC continuing to provide insurance for the parking use.

Housing PILOT and Commercial Space Designation

The owner of the project real estate will be a Housing Development Fund Company under Article 11 of the Private Housing Finance Law. Under §577 of the PHFL, the City may exempt all or part of the real property from local real estate taxes, excluding special assessments. CB Emanuel is required to own and operate the property for 15 years after project completion, as a provision of the awarded New York State Department of Homes and Community Renewal tax credits. In addition, CB Emanuel has agreed to grant $150,000 to Niagara Falls Neighborhood Housing Services (NHS) at project completion for home owner repairs within the NHS target area.

It is proposed that all of the real property attributable to housing be exempt from the standard tax rate, as approved by the Niagara Falls City Council in 2014. The commercial portion of the property will be taxable and will be assessed under a separate SBL number. The exempt housing portion of the property will be subject to a PILOT agreement requiring the payment of 6% of the net rents (total rent less utilities paid by the owner) annually as a payment in lieu of taxes. There will be no payments during project construction. The 15 year PILOT term will commence upon the first full year after completion of construction and lease up. Construction is to be completed in 2017, so the first year of the 15 year PILOT payment obligation will be 2018.

Will the Council vote to

1. Accept the Restore NY grant;
2. Approve the loan of Restore NY grant funds to the Niagara City Lofts project; and
3. Approve the grant of the tax exemption and PILOT agreement as set forth herein, and authorize the Mayor to execute any documents necessary to effectuate the same that are acceptable in form and content to the Corporation Counsel?

THE FOLLOWING COMMUNICATIONS WERE SUBMITTED BY THE CORPORATION COUNSEL

CONTRACT: 10 ST. & CEDAR AVE., BREACH OF CONTRACT SETTLEMENT, SUE-PERIOR CONCRETE & PAVING, INC

Agenda Item #16
This is a breach of contract action regarding the reconstruction of Tenth Street and Cedar Avenue.

Sue-Perior filed this action seeking approximately $1.8 Million from the City. The City filed counter-claims and this is scheduled for trial in January, 2016.

It is the recommendation of this Department that the Council approve this settlement.

The original contract was awarded in the amount of $3,523,000. Sue-Perior has been paid to date the amount of $2,811,281.63. With the payment of the settlement amount of $250,000, the amount paid is still substantially less than the original contract amount. This also resolves outstanding unpaid payments requests from the contractor totaling $414,636.16. As this project involves federal and state funding reimbursements, the City will be pursuing reimbursement through the New York State Department of Transportation.

Will the Council so approve payment in the amount of $250,000 to Duke, Holzman, Photiadis & Gresens LLP, as attorneys and the Hanover-Insurance Company, subject to receipt of a Stipulation of Discontinuance and General Release in a form acceptable to the Corporation Counsel?

RESOLUTION: PUBLIC HEARING, ADOPTING LOCAL LAW RELATIVE TO PROPERTY TAX LEVY, 2015-82
BY: COUNCIL MEMBERS GRANDINETTI, WALKER, CHAIRMAN TOUMA

Agenda Item #22

RESOLVED, that Local Law No. ___ for the year 2015 be introduced, and that a public hearing be held on such Local Law on the 26th day of October, 2015 at 4:00 p.m. Daylight Savings Time, in the Council Chambers of the City of Niagara Falls, New York, and that three (3) days notice of said hearing be published in the Niagara Gazette preceding said hearing relative to adopting a local law authorizing a property tax levy in excess of the limit established in General Municipal Law Section 3-c.

LOCAL LAW NO. __________ FOR THE YEAR 2015

City of Niagara Falls, NY, County of Niagara
A Local Law authorizing a property tax levy in excess of the limit established in General Municipal Law § 3-c

Section 1. Legislative Intent
   It is the intent of this local law to allow the City of Niagara Falls to adopt a budget for the fiscal year commencing January 1, 2016 that requires a real property tax levy in excess of the “tax levy limit” as defined by General Municipal Law § 3-c.

Section 2. Authority
   This local law is adopted pursuant to subdivision 5 of General Municipal Law § 3-c, which expressly authorize a local government’s governing body to override the property tax cap for the coming fiscal year by the adoption of a local law approved by a vote of sixty percent (60%) of said governing body.

Section 3. Tax Levy Override
   The City Council of the City of Niagara Falls, County of Niagara, is hereby authorized to adopt a budget for the fiscal year commencing January 1, 2016 that requires a real property tax levy in excess of the amount otherwise prescribed in General Municipal Law § 3-c.

Section 4. Severability
   If a court determines that any clause, sentence, paragraph, subdivision, or part of this local law or the application thereof to any person, firm or corporation, or circumstance is invalid or unconstitutional, the court’s order or judgment shall not affect, impair, or invalidate the remainder of this local law, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, or part of this local law or in its application to the person, individual, firm or corporation or circumstance, directly involved in the controversy in which such judgment or order shall be rendered.

Section 5. Effective date
   This local law shall take effect immediately upon filing with the Secretary of State.

RESOLUTION: COSMETICS PRODUCTS CONTAINING MICROBEADS, BAN ON SELLING, 2015-83
BY: COUNCIL CHAIRMAN ANDREW TOUMA

Agenda Item #23

WHEREAS, The presence of microbeads in personal care products poses a serious threat to Niagara County’s water and environment; and

WHEREAS, without costly improvements to the multiple sewage treatment facilities in Niagara County, microbeads contained in personal cosmetic products will continue to pollute the water in areas of Niagara County; and

WHEREAS, absent Federal legislation to protect the water that surrounds our county, Niagara County has a responsibility to protect our valued natural resources; and

237

10/19/2015
WHEREAS, in an effort to address this serious issue, a local law is pending before the Niagara County legislature which proposes banning any person, firm, corporation or any other entity, no matter how constructed, to sell, offer or expose for sale, give or furnish any personal cosmetic product which contains microbeads as defined in the local law; and

WHEREAS, this City Council wishes to go on record in support of the Niagara County Legislature passing the pending local law.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Niagara Falls does hereby go on record supporting the ban on personal cosmetic products containing microbeads, a copy of which proposed local law is attached hereto (on file in the City Clerk’s Office);

AND BE IT FURTHER RESOLVED that a copy of this City Council Resolution be forwarded to each member of the Niagara County Legislature.

Also present: City Controller Maria Brown

Public Works/Parks Department Director John Caso handed out the informational data for 2014 & 2015. The 2015 Budget was tight & the 2016 Budget is even tighter & the temporary lines have been reduced. Mr. Caso had Brooke D’Angelo, SWEET Team Coordinator, to speak about the Program. She stated that an Enforcement Officer is needed in order for the Program to go forward. A lengthy discussion on the Program followed.

Mr. Caso said there is a need to cross train employees & there is no room to cut in the Budget.

Council Chairman Touma said parking revenues are up & the fees need to be raised again. Street Meters will put more cars in the lots.

Mr. Touma will look at raising cart rentals for the Golf Course & will talk to the Power Authority to possibly get a Cart path donated. He would like to make the Red 9 at the Golf Course a night course.

Council Member Walker asked, since temporary dollars are being cut, how is the Department being restructured & you need to sit down & focus how to do this. Mr Caso added that this is a tough question to answer.

David Fabrizio, Chairman of the Niagara Falls Veterans Memorial Commission, introduced Members of the Commission that were present, and reported on the Commission’s activities. He reported that: the monument has been damaged by skateboarders, and requested electronic surveillance cameras interfaced with the Police Department for the area; an RFP will go out for a reception/museum center for the monument; a marketing campaign to nationalize the monument will include a new website, brochures in hotels and tourist locations and articles in national magazines; and granite benches to be placed around the monument have been donated by a local business. He asked for funding support to expand the Memorial Day Parade.

In the Administrative Update, Mayor Paul Dyster reported that he had signed the contracts for the CB Emanuel Niagara City Lofts South Junior Project and the 11th Street Fire Hall roof replacement that were approved at previous Council Meetings. Chairman Touma asked if an exception could be made to pick up branches that were downed due to the recent high winds, and the Mayor said that Modern had agreed to continue to pick up leaves at no additional charge to the City even though it was past the normal time frame for leaf pickup, and asked that residents not mix the branches in with the leaves, and both would be picked up.

The Council Members presented a copy of a Resolution (Agenda Item #10) honoring Rev. Jimmie Hardaway, Jr., Pastor of Trinity Baptist Church, to Rev. Hardaway after the Resolution was read by City Clerk Carol Antonucci and adopted by the Council.

Chairman Touma asked the Mayor about the requested funding for the United Way Holiday Lights Program (Agenda Item #1) and the Mayor responded that this would be the last year for the United Way.

Council Member Choolokian questioned Agenda Item #2, relative to an Inter-Municipal Agreement with the Water Board for the water line replacement Project on 72nd Street, and the Mayor advised that there has been no commitment from the Water Board for a 50/50 split for the cost of the Project. Corporation Counsel Craig Johnson added that the City is advocating for additional money from the Water Board, and the Agreement calls for the Water Board to maintain and repair the water lines after the improvement Project. Council Member Walker asked about liability on the City’s part once the repairs are completed, and Mr. Johnson said that the Water Board would be responsible.

This Session ended at 5:25 PM
Chairman Touma reconvened the Meeting at 6:02 P.M. in the Council Chambers with Council Member Anderson absent. The Prayer was said by Council Member Walker and the Chairman led the gathering in the Pledge of Allegiance to the Flag.

Chairman Touma asked those present to observe a Silent Moment for Council Member Anderson and former Council Member Babe Rotella who are ill.

Chairman Touma announced a Special Order of Business, a Public Hearing relative to the Mayor’s Proposed 2016 Executive Budget, and asked if there were any speakers relative thereto. The following spoke:

Ron Anderluh  New sources of revenue are needed; outstanding parking violations; shared services should be explored; need to increase parking revenues; Two-Tiered Tax system needs to be equalized; reassessment of properties for 2016; In Rem Tax sales should require a Performance Bond; more inspectors needed in Code Enforcement; research grant money to add Ranger Program to Parks; renegotiate Casino Compact to give more to City

Robert Ventry  Against tax increase; City should cut corners

There being no further speakers, Chairman Toumas closed the Public Hearing.

The Chairman asked if anyone wished to speak on Agenda Items or Community Interests, and the following spoke:

THE FOLLOWING COMMUNICATIONS WERE SUBMITTED BY THE MAYOR

UNITED WAY, FESTIVAL OF LIGHTS, FUNDING

Agenda Item #1

The City has been asked to contribute the sum of $10,000 to the expenses of the United Way of Greater Niagara and the Winter Wonderland Project Holiday Lights organization to plan and undertake the Holiday Lights Event at Hyde Park during the 2015 holiday season. The City’s contribution will enable these organizations to fix, re-bulb and purchase items needed for this six (6) week event. This will also allow the organizations to continue the free carriage rides and opening night fireworks. Attached (on file in the City Clerk’s Office) hereto is a letter from the United Way requesting funding.

Funding is available from Tourism Fund balance.

Will the Council so approve and authorize the Mayor to enter into any funding agreements in form and content acceptable to the Corporation Counsel?

Council Member Grandinetti moved that the communication be received and filed and the recommendation approved.

CONTRACT:  72nd ST. WATER LINE, INTER-MUNICIPAL COOPERATION AGREEMENT WITH WATER BOARD

Agenda Item #2
The City Council recently approved the award of a contract for the replacement of certain water lines on 72nd street to address a frozen water line issue that affected certain homes on 72nd Street during extremely cold months in years 2014 and 2015. As the City Council is aware, the NFWB owns and operates the City’s water supply and delivery system. Because the NFWB did not take appropriate action to address this problem, the City took action which resulted in the award of a contract to replace these water lines.

City officials have been in discussions with representatives from the NFWB regarding this water line replacement project. While the NFWB will not commit any financial resources to the cost of the project, it will agree that any grant funds it receives pertaining to the project will be applied to the project. Similarly, the City has applied for certain grants to apply to the cost of the project including a grant application submitted to the NYS Environmental Facilities Corporation with NFWB cooperation. When the project is completed, the NFWB will assume ownership of the new water line and be responsible to repair and maintain the same.

It is desirable to enter into an Inter-Municipal Cooperation Agreement to recite the responsibilities of the City and the NFWB for this project.

Will the Council so approve and authorize the Mayor to execute an Inter-Municipal Cooperation Agreement with the NFWB which agreement will be in form and substance satisfactory to the Corporation Counsel?
Council Member Grandinetti moved that the communication be received and filed and the recommendation approved.

CONTRACT:  CITY BANDSTAND, TOWN OF NIAGARA

Agenda Item #3
The City Council recently approved a Municipal Cooperation Agreement (the “Agreement”) with the Town of Niagara (the “Town”) which allowed the Town to utilize the City’s bandstand on various occasions at a reduced resident rate in exchange for the City’s ability to utilize the Town’s hot patch machine. The Town has now determined that it is in possession of two golf carts that are in good condition which it has no use for. The Acting Director of the Department of Public Works has determined that he will be able to effectively utilize these golf carts at various locations in the City.

It is therefore requested that the Agreement be amended to accept these two golf carts from the Town of Niagara in consideration for the City waiving all fees for the bandstand utilization during nine (9) designated events. The City will also be permitted to utilize the hot patch machine as provided in the Agreement.

Will the Council so approve and authorize the Mayor to execute an amendment to the Agreement in form and content satisfactory to the Corporation Counsel?

CONTRACT: POWER AUTHORITY PROPERTY, USE PERMIT AMENDMENT

Agenda Item #4
In October of year 2000, the City and the Authority entered into a permit which, among other things, allowed the City to construct, operate and maintain a hiking/biking trail together with necessary accessories on Authority real estate running along the Niagara River. It is now requested that this permit be amended in order to allow for the installation and operation by the City of various trail-side and shoreline improvement to the Niagara Riverview Trail. The term of the amendment shall be for a ten (10) year period of time. The amendment to this permit will not require the payment of any money by the City to the Authority.
Will the Council so approve and authorize the Mayor to execute a permit amendment in form and substance satisfactory to the Corporation Counsel?

COMMUNITY DEVELOPMENT: HOME FUNDS, 1142 ONTARIO AVE. & 2013 TENTH ST., REHABILITATION

Agenda Item #5
Each year, the Community Development Block Grant budget includes an appropriation of HOME funds for CHDO activities. Center City qualifies as a Community Housing Development Organization. These CHDO funds are used by CCNDC for rehabilitation of properties owned by Center City.
Center City has proposed to renovate two properties under the CHDO program. The City will enter into an agreement with Center City which will require, among other things, that the renovated properties are available to low income tenants for 15 years, and that rents are limited under HUD rent limitations.
Center City will use $50,000.00 of previously appropriated CHDO funds for 1142 Ontario Avenue, which will be multi-family housing consisting of 2 units. Center City will use $50,000.00 of previously appropriated CHDO funds for 2013 Tenth Street which will be multi-family housing consisting of 2 units. While the funds have been appropriated, the specific CHDO contracts are subject to City Council approval.
Will the Council vote to approve the two CHDO agreements as set forth herein, and authorize the Mayor to execute any documents necessary to effectuate the same?

Agenda Item #6

A contract for the above referenced project was awarded to Mark Cerrone Inc., 2368 Maryland Avenue, Niagara Falls, NY 14305 on April 13, 2015 in the amount of $463,992.00.

Subsequent to the award of this contract and during the course of work, it was determined that the need for pavement restoration, castings and granite curb resetting would exceed the City’s original proposal estimates by approximately $12,720.00. However, these costs were more than offset by bid item cost underruns experienced elsewhere in the same contract, allowing for a $0.00 change to the contract.

Therefore, it is the recommendation of the undersigned that Change Order #1 in the amount of $0.00 be approved, causing no increase to the contract’s original upset total.

Will the Council vote to so approve and authorize the Mayor to execute a contract in a form acceptable to the Corporation Counsel?

Council Member Choolokian moved that the communication be received and filed and the recommendation approved.

IN REM, 2012, RECONVEYANCE OF TITLE

Agenda Item #7

The City is in the process of acquiring title to a number of parcels through the 2012 In Rem Tax Foreclosure. These properties will be auctioned later this year. Frequently, the former owners attempt to redeem their property by paying all outstanding or delinquent City, School and County taxes with penalties and interest prior to the auction. Although this is not a legal right, this has been allowed by the City Council in the past to avoid unnecessary hardship. Accordingly, we are recommending that this Council authorize the reconveyance of title to those former owners who pay all outstanding In Rem fees, auctioneer redemption fee, City, School and County taxes with penalties and interest, and any applicable recording fees on or before the close of business on the day before the auction.

Will the Council so approve and authorize the execution and delivery of deeds by the Mayor to any property owners who tender payment as set forth?

BY: COUNCIL CHAIRMAN ANDREW TOUMA

Agenda Item #9

BE IT RESOLVED by the City Council of Niagara Falls, New York that Chapter 501 of the Codified Ordinances entitled “Traffic Generally” is hereby amended by amending Section 501.10 to read as follows:

501.10 NIGHT PARKING RESTRICTIONS
(a) Except as hereinafter provided in subsection (b) hereof, no owner or operator of any vehicle shall park such vehicle or leave the same standing unattended, except in an emergency, at any time between the hours of 3:00 a.m. and 6:00 a.m. from April 1st through November 30th or between the hours of 11:00 p.m. and 7:00 a.m. from December 1st through March 31st at any place between the curb lines on any of the streets and avenues within the City; nor upon any street or avenue within the City for a period of time longer than the time designated therefor by the City [Manager] Administrator, according to regulations promulgated by him/her from time to time for that purpose and where signs indicating such time limit are conspicuously placed in accordance with the regulations.

(b) On all streets and avenues set forth in Schedule "A", as amended by the Traffic Advisory Commission on January 18, 1968, which schedule is attached (not submitted) hereeto and made a part hereof, passenger vehicles will be permitted to park parallel to the curb between the hours of 3:00 a.m. and 6:00 a.m. from April 1st through November 30th or between the hours of 11:00 p.m. and 7:00 a.m. from December 1st through March 31st on the side of the street bearing even house numbers on the even days of each month and on the side of the street bearing odd house numbers on the odd numbered days of the month.
Parking, may hereafter be permitted on additional streets and avenues within the City in accordance with this subsection, as to those streets and avenues for which such parking has been recommended by the Traffic Advisory Commission after the same have been approved by Council, providing any such street meets the following requirements:

1. Has a paved width of at least thirty feet.
2. Does not have permanent parking restriction on either side of the street.
3. Has not been designated as a truck route or snow emergency route.

Any such street or avenue for which parking has been approved, pursuant to the recommendation of the Traffic Advisory Commission and approval of Council, shall be added to Schedule "A" without the necessity of any further revision of this section. Any street or avenue set forth in Schedule "A", or hereafter added, may be deleted from Schedule "A" without any further revision, upon the recommendation of the Traffic Advisory Commission and approved by Council.

Chairman Touma asked those present to observe a Moment of Silence for the victims of the Paris tragedy and their families.

Community Development Director Seth Piccirillo spoke on Small Business Day, which is being held on Saturday, November 28, and introduced Chris Stoianoff who talked about the social networking opportunities he is providing free of charge for local small businesses.

In response to Chairman Touma about the status of the Highland Avenue Fire Hall, Mr. Piccirillo said that the roof is done and the asbestos abated, and the inside renovations should be done by the Spring. He added that BOCES and the Isaiah 61 Project Programs would both be located there.

Mayor Paul Dyster said that some time had been lost in the work being done on the water lines on 72nd Street due to the windstorm, but the Project should be completed before the winter frost is an issue. He has no updates on the Grant that the City applied for to pay for the work, and Assemblyman John Ceretto is working to secure additional funding to pay for the work.

Council Member Walker had questions on the Contract for Tree Removal Services (Agenda Item #4), and Acting Director of Parks Robert Spacone reported that this contract is for the removal of 52 trees, including stumps, which are most in need of removal due to their size/condition. Mayor Dyster said that the Council’s funding support in the past for projects such as this is the reason the recent high winds did not cause as much damage in the City, and he thanked the Council Members. Mayor Dyster also added that the Forestry Division is doing an inventory of the diseased ash trees in the City, and a Plan will be needed for the removal and replacement of the diseased trees.
Chairman Touma complimented the Department of Public Works crews for their efforts during the windstorm.

City Administrator Donna Owens said that signs informing residents of the new parking restrictions to allow for snow plowing/leaf pickup will be posted, and a Press Release has also been distributed.

Chairman Touma asked that all stakeholders be involved in the plan for the placement of the new parking stations. He said that he had information from Lake George, where three Seasonal Workers are used for the In House Parking Program.

At 5:28 PM, Council Member Grandinetti moved for an Executive Session to discuss Litigation, and her Motion was unanimously approved. At 5:45 PM, Council Member Grandinetti moved to end the Executive Session, and her motion was unanimously approved.

This Session ended at 5:45 PM.

Chairman Touma reconvened the Meeting at 6:00 P.M. in the Council Chambers with Council Member Anderson absent. The Prayer was said by Council Chairman Touma and led the gathering in the Pledge of Allegiance to the Flag.

Chairman Touma asked those present to observe a Moment of Silence for the victims of the Paris tragedy and their families and a Silent Moment for Council Member Anderson who is ill.

The Chairman asked if anyone wished to speak on Agenda Items or Community Interests, and the following spoke:

Ron Anderluh  New revenues needed; enforcement of off street parking in downtown area and try to get grants for hiring persons to issue parking tickets; Expand Ranger Program to protect Parks.
Charles McCombs  Issues with work being done on 72nd Street
Martin Marino  Particle Board being used for boarding up windows in Historic District; hold absentee Landlords responsible for conditions of properties and increase fines; promotion of Main St. District
Robert Ventry  Changes needed in City; infrastructure improvements; no tax increase; parking should be free; thanks to DPW for paving done

Chairman Touma asked those present to observe a Moment of Silence in honor of Council Member Anderson who had recently passed.

Carmen Grando, Chairman of the City’s Financial Advisory Panel, gave a Presentation on the Preliminary Report of the Panel. He spoke on some of the Panel’s recommendations, and offered to meet with the Council Members to discuss these recommendations. He thanked the Council for empaneling the group, and also the Mayor, City Administrator, Controller, Corporation Counsel, City Assessor, Special Counsel Robert Restaino and Executive Assistant to the City Council Bridgette Miles for their contributions in helping the Panel. In response to the Panel’s recommendations, City Controller Maria Brown noted that she follows the guidelines established by the New York State Comptroller.

In the Administrative Update, Mayor Paul Dyster reported that pressure testing is being done on 72nd Street, the contractor worked over the weekend, and the Project is proceeding on schedule. The work for Independence Avenue is out to bid, and 77th Street and Royal Avenue will be addressed next. City Administrator Donna Owens informed the Council Members that the City Hall Tree Lighting Ceremony will be held on December 2, and the Holly Trolley will make its run on December 4.

Chairman Touma reported that he, along with Council Member Walker, Superintendent of Police Bryan DalPorto, Acting Director of Public Works John Caso, Acting Director of Parks Robert Spacone and Traffic Captain Angela Munn held a Forum to discuss the changes in time for overnight on-street parking. City Administrator Owens added that a Press Release was issued to inform the public of the changes. Chairman Touma also thanked Department of Public Works employees for their work in decorating Hyde Park.

Council Member Grandinetti said that there were a number of hockey teams in the City over the weekend, and she received positive feedback and comments that the Rink was looking good. Mayor Dyster thanked the Council and the community for their support for upgrades at the Rink, and the Engineering Department for overseeing the Project. Chairman Touma asked about the status of installation of parking stations, and Mayor Dyster said that the Project had to go back out to bid.
Corporation Counsel Craig Johnson distributed copies of an amendment to a Resolution calling for a Public Hearing on the abandonment of a portion of Tennessee Avenue (Agenda Item #16).

Council Member Choolokian moved to amend the Resolution by changing the date of the Public Hearing to December 7, 2015.

MOTION TO AMEND RESOLUTION APPROVED

This Session ended at 5:50 PM

Chairman Touma reconvened the Meeting at 6:05 P.M. in the Council Chambers with all Council Members present.

Superintendent of Police Bryan DalPorto called for the Posting of the Colors by the Honor Guard in memory of Council Member Anderson. After those present observed a Moment of Silence, the flags were positioned at Council Member Anderson’s place on the dais.

The Prayer was said by Council Member Choolokian and the Chairman led the gathering in the Pledge of Allegiance to the Flag.

The Chairman asked if anyone wished to speak on Agenda Items or Community Interests, and the following spoke:

Sylvia Francis          Issue of frozen water lines on Independence Ave. is not being addressed
Ron Anderluh           Memories of Council Member Anderson; praised the work of the City’s Financial Advisory Board
Pat Proctor            Panhandling in City affects Tourists & needs to be dealt with
Rev. Fred Chambers     Condition of properties in 500 block of 4th St. & how to get help for deteriorating buildings;
Jamie Caldwell         Conditions in City; Hamister Project status; Condolences for Council Member Anderson; give Tourists a reason to stay
Tina Galyn             Condolences about Council Member Anderson; Issues with vacant lot she purchased
Diane Tattersall       Need to clean up City & address quality of life issues; thanks for hours change notice regarding on-street parking; stop spending money on studies/consultants
Robert Ventry          Crime problem in the City; access to Prospect St. closed by State; use Casino money to demolish vacant homes

THE FOLLOWING COMMUNICATIONS WERE SUBMITTED BY THE MAYOR

COMMUNITY DEVELOPMENT: SKATEBOARD PARK, TONY HAWK FOUNDATION GRANT

Agenda Item #1

Community Development has received notification that the City has been awarded a $10,000.00 grant from the Tony Hawk Foundation for the construction of the skateboard park in Hyde Park. The bid documents for the park are being prepared by the design consultant. It is expected that the project will be bid and construction will start in spring, 2016. Additional funds are available for construction in the 2016 CD budget.

By accepting the grant, the City agrees to construct the park in 2 years. Written progress reports must be submitted every six months, and the City must indemnify the Foundation, Tony Hawk, Inc., Tony Hawk and their affiliates against any claim arising from the construction or use of the park. Tony Hawk’s name is not to be used in connection with the park, but the fact of the grant can be public.

11/30/2015
Will the Council vote to accept the grant and to authorize the Mayor to execute grant letter and any documents necessary to effectuate the same?

Council Member Grandinetti moved that the communication be received and filed and the recommendation approved.

Agenda Item #4

A contract for the above referenced project was awarded to Mollenberg Betz, Inc. 300 Scott Street, Buffalo, NY, on March 9, 2015 in an amount of $1,720,000.00.

As work progressed on the project, various components, mechanical and others required necessary repair and or modification work. The Change Order items (PCO) listed below were required in order for the rink to operate. This work was of a specialized nature and had to be performed by a qualified contractor in order to get the facility up and running.

Furthermore, additional upgrades will be necessary to the older equipment in the future to insure safe dependable operation of ice making.

Listed are the (8) eight potential change orders items that result in expenditures totaling $13,886.00.

1. PCO-12; Re-connect trench drain work at Zamboni room to Rink #1 .... $3,209.00
2. PCO-13; Investigative repair of removal at existing glycol lines .......... $1,150.00
3. PCO-14; Repairs to existing connector & coupler for new 60Hp pump ... $1,800.00
4. PCO-15; Existing piping & wall control switch (incompatible) repairs .... $1,021.00
5. PCO-16; Trouble shooting & changes during new start-up, controls .... $1,805.00
6. PCO-17; Replaced failing existing ammonia feed valve on chiller ....... $1,098.00
7. PCO-18; Additional sensors required for compatibility with exist. controls $219.00
8. PCO-20; Existing underground wiring & conduit replaced for 30Hp pump $3,584.00

Therefore, it is the recommendation of the undersigned that Change Order #2 in the amount of $13,886.00 be approved, bringing the new contract total to $1,792,616.00. Sufficient funds presently exist in the Bond Resolution approved by City Council for this project.

Will the council vote to so approve?

CITY PROPERTY: 200 RAINBOW BLVD., ENCROACHMENT

Agenda Item #5

The owner of the above referenced premises is undertaking substantial renovations to the existing hotel structure located on the premises. Attached hereto (on file in the City Clerk’s Office) is a copy of an explanation of those renovations from the project architect. Because these substantial renovations will result in a build-out to the lot lines, there is a request for encroachments into the City rights-of-way.

The Planning Board has reviewed this matter and has recommended that the City Council approve these encroachment requests. Attached hereto (on file in the City Clerk’s Office) is a copy of the Planning Board recommendation.
Will the Council approve these encroachment requests and include in its approval the same conditions as appear in the Planning Board recommendation?

CITY PROPERTY: 405 NINTH ST, SALE, FRANK/GERALDINE FUSARELLI

Agenda Item #11

The Council previously approved the sale of the adjoining lot at 407 Ninth Street to Frank and Geraldine Fusarelli.

During the review of the request to purchase that lot the Department of Public Works suggested that the Fusarellis might be interested in also purchasing the adjoining vacant City-owned lot at 405 Ninth Street as that would expand their parcel and would also remove the liability and maintenance responsibilities from the City.

This was communicated to the Fusarellis and they submitted a request to purchase the lot for $10.00.

This was presented to the Planning Board for a recommendation to the City Council and the Planning Board voted to not recommend their request. A copy is attached hereto (ON FILE IN THE City Clerk’s Office).

Despite the Planning Board action, this proposal was previously submitted to the City Council in April of 2014 and the matter was tabled by the City Council. Mr. and Mrs. Fusarelli have renewed their request to purchase this lot on the same terms and conditions and have reaffirmed the various conditions that would attach to the acquisition. There is a communication attached hereto countersigned by Mr. and Mrs. Fusarelli reciting the terms that they will agree to.

Will the Council approve the sale of this premises for the sum of $10.00 in an “as is” condition and with the requirement to combine the property with 407 and 409 Ninth Street, with the closing to be performed within 30 days, and with the standard pre-condition that the purchaser is not delinquent with any tax or water bill, and further authorize the Mayor to execute any deeds or other documents necessary to effectuate this transaction?

RESOLUTION: SCOTT, JR., EZRA P., APPOINTMENT, CITY COUNCIL, 2015-92
BY: COUNCIL CHAIRMAN ANDREW TOUMA

Agenda Item #10

WHEREAS, on November 25, 2015, Council Member Robert Anderson, Jr. passed away, thereby creating a vacancy on the City Council; and

WHEREAS, Section 2.8 of the City Charter provides that this Council shall fill such vacancy temporarily by appointing a qualified person of the same political party as Robert Anderson, Jr. to serve until the qualification of a successor so elected;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Niagara Falls, New York that Ezra P. Scott Jr., residing at 2703 Linwood Avenue, Niagara Falls, NY 14305, and being a resident of the City of Niagara Falls, New York for the preceding year and an enrolled member of the Democratic Party, and who is otherwise qualified under the City Charter, is hereby appointed as a member of the City Council of Niagara Falls, New York to fill the vacancy in that office created by the death of Robert Anderson, Jr., to serve the remainder of the term of Robert Anderson, Jr.

Chairman Touma explained that the Council was filling the vacancy at this time in order to maintain a voting quorum.

Council Member Scott thanked his parents and those who voted for him for their support, and said that he will uphold Council Member Anderson’s legacy of being available and responding to his constituents. He also said that he is creating a Memorial Bob Anderson Award, to be awarded annually to a person who displays exemplary community service and efforts to move the City forward.
Community Development Director Seth Piccirillo spoke on Accomplishment Data for his Department. In response to Council Member Walker, Mr. Piccirillo said that his Department works with other Agencies – Center City Neighborhood Housing Services, Neighborhood Housing Services and Highland Avenue Revitalization – and their Number One Goal and Priority is Home Ownership.

In the Administrative Update, Mayor Paul Dyster welcomed and congratulated Council Member Scott. He also spoke on working with others relative to the Climate Change Conference in Paris, and asked that the Council adopt a Resolution in support of the initiatives of the Conference.

Chairman Touma asked about the costs to address the frozen water lines on Independence Avenue, and Mayor Dyster said that the bids that came back were too high. Chairman Touma stressed that the issue needs to be addressed in a timely fashion for the residents. In response to the issue on 72nd Street, Civil Engineer Robert Buzzelli reported that the project is 4 – 5 days ahead of schedule, and should be completed in 3 – 3 1/2 weeks. Council Member Chooolokian asked about the frozen water lines in other areas of the City, and Mayor Dyster said that the City is looking at the water lines in the City in general, the Water Board is expanding the “drip” program, and citizens can also purchase private insurance for their water lines. Council Member Grandinetti asked if the Water Board has responded to the City’s Municipal Service Agreement to share in the cost of the Project, and Corporation Counsel Craig Johnson said that the Water Board has only agreed to contribute any grants it may receive toward the Project costs, and will assume ownership and maintain the water lines when the Project is complete.

Chairman Touma questioned the Shared Services Agreement with the City of Lockport for City Assessor James Bird, and said the Agreement appears to benefit Lockport more that our City. He also suggested looking into the possibility of sharing the services of a City Engineer with Lockport. Mr. Bird added that the Shared Services Agreement with Somerset for his services ends in December, and the Agreement with Wilson is in force for another two years.

City Controller Maria Brown reported that the In Rem Sale was very successful, and all properties were sold.

Mr. Johnson distributed copies of two Agenda Items to be amended:
1. Agenda Item #4, relative to funding through the Department of Public Works for the Road Paving Plan.
   Council Member Chooolokian moved to amend the Item by increasing the funding from $50,000 to $55,000.

POLICE DEPT., SUBSTATION, RELOCATION, THIRD STREET

Agenda Item #5
The development of the waterpark in the Sheraton Hotel requires the relocation of the Police substation currently located on the Hotel premises. It is proposed that the substation be relocated to Third Street. The rent will be $500.00 per month, including utilities. The lease will be for one year, and will continue thereafter as a month-to-month tenancy under New York law. The site is owned by Erdco Development, LLC. Funds are available as part of the Council approved 2015 Community Development Action Plan
The City previously paid $425.00 per month plus utilities and $800.00 per month plus utilities for substation leases on 19th Street and Linwood Avenue, and pays $625.00 per month for the Highland Avenue substation lease.
Will the Council vote to approve 451 Third Street substation lease as set forth herein, and authorize the Mayor to execute any documents necessary to effectuate the same?
Council Member Grandinetti moved that the communication be received and filed and the recommendation approved.

12/14/2015
The Niagara Falls Community Development Department requests Niagara Falls City Council approval of the draft Fiscal Year 2016 Community Development Consolidated Action Plan. The draft FFY 2016 Community Development Action Plan consists of the following United States Housing and Urban Development (HUD) Programs: Community Development Block Grant (CDBG) Program, HOME Rehabilitation Program, and Emergency Solutions Program (ESG) (on file in the City Clerk’s Office).

Draft 2016 CDBG Amount: $2,241,544
Draft 2016 HOME Amount: $317,911
Draft 2016 ESG Amount: $199,375
Total 2016 Consolidated Action Plan Amount w/Leveraged Matching Funds: $6,404,330

These budgets are being presented to the City Council in draft form, based on estimate, to accommodate the city and federal governments’ differing fiscal year budget schedules. HUD’s final FFY 2016 HUD allocations are expected in Spring 2016. The Niagara Falls Community Development Department will request City Council approval of the final HUD allocations at that point. Per HUD and City of Niagara Falls Citizen Participation Plan Guidelines, the city will adjust programmatic budgets to meet the final allocation without deviating from the project scopes or objectives already approved by the City Council.

The draft 2016 Community Development Consolidated Action Plan was built through civic engagement. Funding applications were made available on May 19, 2015, and were due on June 30, 2015. In addition, the following neighborhood workshops were held to give residents the opportunity to specifically outline community needs and suggest investments that can enhance quality of life:

- June 9, 2015: LaSalle Public Library
- June 11, 2015: Neighborhood Housing Services
- June 16, 2015: Doris Jones Family Resource Building
- June 18, 2015: Dept. of Community Development

On August 27, 2015, the Niagara Falls Community Development Department released version one of the FFY Year 2016 Community Development Consolidated Action Plan and hosted a public hearing on the draft action plan on September 3, 2015. The public had an additional opportunity to submit written comments on the draft until October 3, 2015. The Community Development Department did not receive any written comments from residents. Per Niagara Falls City Council request, the Niagara Falls Memorial Medical Center Cardiac Care Education Center CDBG budget was increased to $60,000 from $25,000. To accommodate that increase within the CDBG budget, the CDBG demolition budget was decreased by $35,000, also per Niagara Falls City Council recommendation. The reduction to the demolition budget will not have a negative impact on production, as demolition contracts can access multi-year funding.

Per HUD and City of Niagara Falls Citizen Participation Plan Guidelines, the city will adjust programmatic budgets to meet the final allocation without deviating from the project scopes or objectives already approved by the City Council. Will Council vote to so approve and authorize the Community Development Director to make the necessary budget adjustments?

Council Member Grandinetti moved that the communication be received and filed and the recommendation approved.

607 WALNUT AVE., LANDMARK DESIGNATION

Agenda Item #8
Attached (on file in the City Clerk’s Office) is the approval from the Niagara Falls Historic Preservation Commission recommending designation of 607 Walnut Avenue, for NF School District Administration Building, as an historic landmark under the City Historic Preservation Ordinance. This proposed designation was approved with the participation and support of the Walnut Avenue Homes, LLC (aka Housing Visions, owner).

The Historic Preservation ordinance provides:
1335.05-2(I) At its next scheduled meeting after receipt of any recommendation from the Commission, the City Council shall consider the designation or acquisition of the landmark site or historic structure, or the designation of the historic district. A majority vote shall be required by the City Council for the designation or acquisition. The Mayor shall approve or veto said designation or acquisition as provided by law.

Will the Council vote to approve the designation of 607 Walnut Avenue, former NF School Administration Building, and forward the designation to the Mayor for approval, as provided by City Ordinance?

Mayor Paul Dyster thanked Council Member Choolokian for his service to the City, and especially his efforts against fracking. Mayor Dyster also said that, in honor of Council Member Anderson, the City would re-vamp the street hockey pad at Stephenson Park and dedicate it to Council Member Anderson. Also, former Council Member Rotella’s family will be consulted for ideas about a memorial in his memory in the City.

Paul Tronolone of USA Niagara gave a Presentation on the Artwork for the Centennial Circle (Agenda Item #7), and spoke on the background of the Project and the Artist, as well as explaining a model of the artpiece. Mayor Dyster added the significance of the artpiece as it relates to the Boundary Waters Treaty between the United States and Canada, and responded to Council Member Scott’s questions on the Project.
Chairman Touma reported that the 72nd Street Project is almost finished and inquired about grading on the street. Mayor Dyster added that a few things still need to be done, either in the next week, weather permitting, or in the Spring. The topcoating will wait until the street has settled.

Chairman Touma said that he had been asked by Pine Avenue Business owners about decorative holiday lighting on Pine Avenue, and could this be done next year. Acting Director of Parks Robert Spacone added that this had been done in the past by the Pine Avenue Business Association. Chairman Touma also spoke about ways to get more traffic down Pine Avenue to patronize the businesses there, and Council Member Walker suggested using creative signage to direct traffic there.

Council Member Scott asked if the Change Order in the contract for the Ice Rink Floor & Dasher Board Replacement was anticipated, and Sr. Project Designer Michael DeSantis replied that it was anticipated, but the Project is still under Budget.

Council Member Scott also questioned the Compact of Mayors Initiative, asking about the expenses involved and grants to pay them. Mayor Dyster responded, and also to Council Member Choolokian’s inquiry that, to date, there was no financial commitment from the City.

City Administrator Donna Owens thanked those honored for their service to the City. She also said that during the week of January 4 – 8, Modern would be picking up any additional quantities of recycling that were put out by residents, as well as picking up Christmas trees during the month of January. Also, Modern has sent residents a calendar for 2016 showing pickup dates for refuse and recycling.

Council Member Grandinetti asked about the upgrade to the City’s website, and City Administrator Owens said that she would have MIS Director Joseph Morock give a report at the next Council Meeting. Mayor Dyster said that City crews were on alert to deal with the change in weather that is expected.

Chairman Touma complimented the City workers and noted that the City looks good.

This Session ended at 6 PM

Chairman Touma reconvened the Meeting at 6:11 P.M. in the Council Chambers with all Council Members present. The Prayer was said by Council Member Walker and the Chairman led the gathering in the Pledge of Allegiance to the Flag.

The Chairman announced a Special Order of Business, a Public Hearing relative to the abandonment of the portion of Tennessee Avenue extending approximately 130 feet east of Highland Ave., and asked if there were any speakers relative thereto.

There were no Speakers

The Chairman asked if anyone wished to speak on Agenda Items or Community Interests, and the following spoke:

THE FOLLOWING COMMUNICATION WAS SUBMITTED BY THE CITY CLERK

CITY CLERK’S REPORT FOR THE MONTH OF NOVEMBER 2015

Agenda Item #1
THIS ITEM WAS RECEIVED AND FILED

THE FOLLOWING COMMUNICATIONS WERE SUBMITTED BY THE MAYOR

CONTRACT: ICE PAVILLION, ICE RINK FLOOR/DASHER BOARD REPLACEMENT, SCRUFARI CONSTRUCTION SERVICES, INC.

Agenda Item #2
A contract for the above referenced project was awarded to Scrufari Construction Services Inc., on March 9, 2015 in the amount of $660,900.00.

Within the scope of work for this project, the existing ice surface in rink #1 was relocated to provide new bleacher seating that increases capacity. This new arrangement also created an unsafe condition that does not meet the New York State building code requirements. To that end, additional wall screening not included in the original scope of work must be added.

The general contractor provided a quote of $11,800.00 that was recommended by the Consultant, and the Engineering Department concurs. There also was a credit by the contractor to eliminate 236 seat pans from the top two bleacher rows, in the amount of $2,600.00. The result is a total cost increase, including labor, materials and overhead & profit of $9,200.00.

It is the recommendation of the undersigned that Change Order #2 in the amount of $9,200.00 be approved. Sufficient funds exist in a Bond Resolution approved by City Council for this project.

Will the Council vote to approve and authorize the Mayor to execute a contract in a form acceptable to the Corporation Counsel?

CONTRACT: 27TH STREET REPAVING, YARUSSI CONSTRUCTION INC.

Agenda Item #3
A contract for the above referenced project was awarded to Yarussi Construction, Inc. 5650 Simmons Avenue, Niagara Falls, New York on July 13, 2015, in the amount of $562,876.00.

Subsequent to the start of the project, it was determined that subbase undercutting and additional concrete sidewalk replacements be performed to increase roadbed stability as well as eliminate any tripping hazard possibility from remaining after project completion. The costs for these additional tasks are $3,139.00 and $31,773.00, respectively. However, existing underruns experienced elsewhere will allow for the performance of all additional tasks for no increase in our current contract total.

Will the Council vote to so approve and authorize the Mayor to execute a change order in a form acceptable to the Corporation Counsel?

CONTRACT: ENGINEERING SERVICES, CLARK PATTERSON LEE

Agenda Item #4
A contract for the above referenced project was awarded to Clark Patterson Lee, Inc. (CPL) on January 21, 2014, and again on February 2, 2015, for an amount not-to-exceed $94,000.00.

Subsequent to the start of the 2015 service year, and based upon the requested volume of CPL involvement in ongoing municipal projects, the original allotment of $94,000.00 has been expended as of the end of the October billing cycle. Additional funding, again on an "amount not to exceed format" totaling $25,000.00, has been determined to be sufficient to complete Clark Patterson Lee’s obligated service period through January 2016. This would bring the new contract total for on-call Engineering services to $119,000.00.

Presently, funding to cover this request is available via unfilled staffing vacancies through the 2015 fiscal year.

Will the Council vote to so approve and authorize the Mayor to execute a contract in a form acceptable to the Corporation Counsel?

CONTRACT: COMPACT OF MAYORS INITIATIVE

Agenda Item #5
The Compact of Mayors was formally signed into action in September of 2014. The Compact of Mayors is a global coalition of Mayors and City Officials committed to reduce local greenhouse gas emissions, enhance resilience to climate change and track their progress publically. It is a commitment to fight climate change in a consistent manner complimentary to national efforts.

I am asking for the City Council to join with me in committing the City to participate in the various stages of the Compact of Mayors initiative with the goal of becoming fully compliant with all the requirements within a three year period of time. The first step is to make a commitment to the Compact of Mayors to participate and then move forward with an inventory, target, plan and reporting. Attached hereto (on file in the City Clerk’s Office) are summaries of the various steps involved.

At this point there is no financial commitment with respect to this Compact of Mayors initiative and if such a financial commitment is requested at some point in the future, I will advise you accordingly and seek the approval of the City Council for such a commitment.

Will the Council so approve and authorize the Mayor to execute any agreements which are required in form and content satisfactory to the Corporation Counsel?

CONTRACT: CENTENNIAL CIRCLE PROJECT, LARAMORE, JEFF

Agenda Item #7

The City currently has approval for an allocation of Greenway Funds in the amount of $335,000 for the “Centennial Circle Project”, which includes the solicitation, selection, and installation of a major public artwork at the center of the roundabout at First Street and Rainbow Boulevard to commemorate the Centennial of the Boundary Waters Treaty between the US and Canada. As part of the grant application approved by the City Council on January 26, 2009, a Non-Greenway contribution of $100,000 was included, comprised of $50,000 from USA Niagara Development Corporation (USAN) and $50,000 from the City, for a total of $435,000 to undertake the effort.

In July 2015, USAN programmed $29,000 to engage the public art curator of Albright Knox Art Gallery to provide procurement services to a selection committee—which included a representative from the City Council—to undertake a process to identify a short list of qualified artists and invite proposals from these artists for Centennial Circle. Four (4) proposals for artwork were considered. The committee unanimously selected a proposed sculpture by artist Jeff Laramore of Indianapolis as its preferred choice and is recommending that the City commission for installation of his proposed sculpture.

Completing the installation, requires that the City now enter into an agreement with the Mr. Laramore to: 1) undertake final design of the artwork; 2) coordinate with City Departments and the NYS Department of Transportation on permitting/logistics necessary for installing the artwork; and 3) actually fabricate and install the artwork at Centennial Circle.

Funding for the City’s $50,000 contribution is available from casino revenues and USAN would provide to the City the $21,000 balance of its commitment to the project.

CONTRACT: POLICE SUPERINTENDENT, EMPLOYMENT TERMS/CONDITIONS

Agenda Item #8
In addition to the base salary and employment benefits provided the Superintendent of Police in the City’s Ordinance pertaining to exempt employees, the City has had an unwritten policy to allow Superintendent of Police DalPorto to work overtime on an as-needed basis. It may be problematic in the future if overtime is paid to the Superintendent and there is no written agreement so authorizing. This is intended to correct that. This written agreement will, among other things, require that any overtime worked be approved in advance by the City Administrator and paid at the Superintendent’s “straight time” rate of $50.90 per hour. Will the Council so approve and authorize the Mayor to execute an agreement in form and substance satisfactory to the Corporation Counsel?

Council Member Scott said he agrees with Council Member Grandinetti and he would like to see the salaries increased with the stipulation that they would not receive overtime.

Council Member Walker said, for 2016, put a salary in place for the Chiefs that matches the skills and qualifications they bring to the position.

Chairman Touma said this is fair and equitable; there is no incentive to remain Chief with a salary only and no overtime; this overtime is paid with a Grant and does not go toward the Chief’s pension; revisit the salary in 2016.

WHEREAS, the City Council did, by resolution, give notice of its intention to abandon the said portion of Tennessee Avenue and did direct the City Clerk to publish notice of such intention on the part of the City Council in the official newspaper of the City once a week for two successive weeks and that a public hearing thereon would be held by the City Council at its meeting to be held in the Council Chambers in City Hall on December 28, 2015 at 6:00 p.m. Standard Time and advise that all persons interested in this matter would be heard thereon at said time and place; and
WHEREAS, the hearing was duly held on December 28, 2015 at 6:00 p.m. Standard Time in regards to the abandonment of said street portion.
NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Niagara Falls, New York that the portion of Tennessee Avenue immediately east of Highland Avenue and more particularly described as follows:

All that tract or parcel of land situate in the City of Niagara Falls, County of Niagara and State of New York, described as follows:

Beginning at the point of intersection of the north line of Tennessee Avenue with the east line of Highland Avenue; running thence easterly along the north line of said Tennessee Avenue to the center line of the former alley abandoned by the City Council on September 29, 1986 and filed in the Niagara County Clerk’s office on October 28, 1986;
Thence southerly along the center line of said abandoned alley to its intersection with the south line of Tennessee Avenue;
Thence westerly along the south line of Tennessee Avenue to its intersection with the east line of Highland Avenue;
Thence northerly along the east line of Highland Avenue to the point and place of beginning.

is hereby abandoned and the Mayor is authorized and directed to execute any quitclaim deed which may be necessary to effectuate the said abandonment and confirmation of title in the adjoining owners;

AND BE IT FURTHER RESOLVED that a certified copy of this resolution be filed and recorded in the office of the Clerk of the County of Niagara.
