TO: City Council
FROM: Mayor Paul A. Dyster
DATE: March 6, 2017
RE: **City Council Agenda Item:**
3 Month Extension of Asbestos Contracts to Stohl Environmental, LLC

Council Members:

The City awarded contracts for asbestos services (demolitions) and environmental services (housing rehabilitation) to Stohl Environmental, LLC through February 28, 2017. We have not finalized the RFP for longer term contracts.

It is requested that Council approve a 3 month extension of each contract, through May 31, 2017. This should be sufficient time to prepare new RFP's, evaluate the proposals and bring a recommendation to Council.

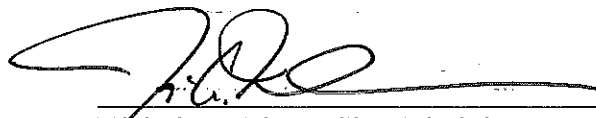

Stohl's performance under the contracts has been excellent. The maximum amount approved for each contract was \$25,000.00. No additional funds will be necessary for the extension.

Will the Council vote to approve the proposal presented herein and to authorize the Mayor to execute any documents necessary to effectuate the same?

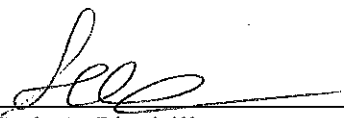

Respectfully submitted,

RE: **City Council Agenda Item:
Appointment of Douglas Mooradian to
Niagara Falls Urban Renewal Agency**

Council Members:

Pursuant to General Municipal Law §593, the Niagara Falls Urban Renewal Agency is governed by a board of directors consisting of the Mayor and City Council, *"together with four members to be appointed by the mayor with the concurring approval of the city council."*

Janet Markarian has resigned as NFURA director. I hereby appoint Douglas Mooradian to replace Ms. Markarian. If appointed, Mr. Mooradian will also serve, *ex officio*, as a director of N.F.C. Development Corp. As you can see from the attached resume, Mr. Mooradian is well qualified to serve in this capacity.

Will the Council vote to approve the appointment of Douglas Mooradian as a director of the Niagara Falls Urban Renewal Agency?

To whom it may concern:

It is with great enthusiasm that I submit my credentials as a candidate for the soon to be vacated board position with the Urban Renewal Agency and N.F.C. Development Corporation.

As a native of Niagara Falls, NY, who returned here to raise a family and join the local business community, I feel that my experiences as a young professional, volunteer and homeowner will serve me well in this position. Furthermore, I believe that I could bring a fresh and impartial perspective to the matters that both agencies must address.

I am honored to be among those being considered for this position and it is my sincere hope that my appointment will be approved.

Yours truly,

Douglas E. Mooradian

RE: Continuation of Engineering Consulting Services during year 2017

Council Members:

The City has now hired a City Engineer who is anticipated to begin work on March 6, 2017. As you know, the City has utilized the engineering consulting firm of Clark Patterson Lee ("CPL") to provide engineering services on behalf of the City during the past three (3) years. CPL has done a fine job of overseeing and tracking projects involving the Engineering Department and is familiar with pending projects that it is working on.

In order to ensure a successful transition, it is requested that CPL be retained for the balance of calendar year 2017 to assist the new City Engineer. Attached hereto is a communication from CPL describing its approach to the transition and detailing its hourly rates.

It is anticipated that CPL's fees for assisting in this transition will not exceed \$40,000.00. Funding is available from an open purchase order with sufficient funds.

Will the Council so approve and authorize the Mayor to execute any engineering consulting services agreements provided the same are satisfactory to the Corporation Counsel?

Respectfully submitted,

**RE: CITY OF NIAGARA FALLS
ENGINEERING CONSULTING SERVICES**

Dear Mayor Dyster:

We understand that the City is in the process of hiring a Department Head for Engineering, and his anticipated start date is March 6, 2017. Our current Engineering Consulting Services agreement with the City expired January 31, 2017. Based on recent conversations with the City, we understand that there is a desire to retain Clark Patterson Lee for a period of time to allow for a smooth transition to the new City Engineer.

We greatly appreciate the opportunity to renew our agreement with the City of Niagara Falls. We trust that this is a sign that we have met your expectations over the past three years.

Our physical presence in City Hall will be provided on an as-needed basis. The specific services and proper mix of personnel will be determined based on a request for assistance, and we will provide periodic accounting of the services rendered, and will bill on a monthly basis. There may be periods of time where no assistance by our staff is required. Your projects will receive focused personal attention, delivered by capable and energetic staff. By pairing young professionals with seasoned senior leadership, we can serve your community at a reasonable cost.

We will continue the term agreement approach and will supply support services on an as-needed basis. All work will be done with appropriate staff based on the request for assistance and billed out using the following rate schedule at a not-to-exceed fee of \$40,000.

RE: Funding for Aquarium of Niagara Project

Council Members:

During its meeting on March 30, 2015 the City Council approved a \$150,000.00 grant to The Niagara Aquarium Foundation, aka Aquarium of Niagara in connection with its project to construct a new exhibit space for the Aquarium's colony of Humboldt Penguins. The cost of the project is approximately \$3.3 million. Attached is a copy of the City Council Resolution.

The Aquarium has now requested that the City provide an additional \$25,000.00 in grant money toward the project due to unanticipated expenses.

Funds are available from the State Finance Law Section 99-h funds (casino revenues) on hand.

Will the Council so approve and authorize the Mayor to execute any documents necessary to effectuate the same?

Respectfully submitted,

AQUARIUM OF NIAGARA, GRANT

Agenda Item #9

The Niagara Aquarium Foundation a/k/a Aquarium of Niagara is undertaking an ambitious project, a new habitat exhibit space for the Aquarium's colony of Humboldt Penguins, the Aquarium's premier species. The cost of this project will be nearly \$3.3 Million. The City has been requested to provide a grant of up to \$150,000.00, to be used to pay for some of the hard construction costs. The largest component of the project expenses will be paid with a NYPA Proceeds Challenge Grant.

This is an exciting project which will provide construction jobs. Once completed, the exhibit will greatly enhance the attractiveness of the Aquarium as a tourist attraction,

If approved, the grant funds will be drawn down under normal City grant procedures. The Aquarium will submit proof of availability of all project funds. Grant funds will be advanced only for work completed. The final grant disbursement will be made at project completion.

Funds are available from the State Finance Law §99-h funds (casino revenues) on hand.

Will the Council vote to approve the grant to the Aquarium of Niagara as set forth herein, and authorize the Mayor to execute any documents necessary to effectuate the same?

Council Member Anderson moved that the communication be received and filed and the recommendation approved.

SWEET TEAM: BUDGET, FUNDING FOR BALANCE

Agenda Item #10

It is requested that the balance of the budget for the SWEET Team in the amount of \$42,470 be approved. The two temporary employees hired as part of this budget will be utilized to educate the public about the Refuse and Recycling Program and also for enforcement of Chapter 911 titled "Solid Waste Refuse and Recycling". Funding is available from casino revenues. For this purpose, attached is an amended budget (on file in the City Clerk's Office).

Will the Council so approve?
