

# Bag Exchange!

We heard you may have missed our last bag exchange! Here's a 2nd chance to exchange your black bags for clear ones!

**Department of Public Works**  
Administration Building  
1785 New Road

**Wednesday July 15th 9am-12pm**

**Thursday July 16th 1pm-4pm**

As of January 1<sup>st</sup> 2015, in the City of Niagara Falls, yard waste (leaves, grass clippings, & weeds) will only be collected from clear bags or paper craft landscape bags that are placed next to your trash cart on your pick-up day (from April-October). We have heard that many people have an abundance of black bags that they no longer have a use for.

## **We want to help!**

Please bring in your unused .95 millimeter (or higher) black contractor style bags at the date and times listed above to exchange your bags for one roll of 25 clear bags. Boxes may be open and rolls may be partially used as long as you exchange a minimum of 20 bags.

### **Please see stipulations below:**

- **Limit one per household**
- **Must bring ID to verify address**
- **Bags must be in NEW and UNUSED condition**
- **Must be in box or roll (of at least 20 bags)**
- **Bags must be at least .95 millimeter and 39 gallon capacity**
- **While supplies last**
