ADOPTED

RESOLUTION: INVESTMENT POLICY, 2018, 2018-4
BY: ALL COUNCIL MEMBERS

Agenda Item #4

I. SCOPE

This investment policy applies to all moneys and other financial resources available for investment on behalf of the CITY OF NIAGARA FALLS, NEW YORK [hereinafter “CITY”] or on behalf of any other entity or individual.

II. OBJECTIVES

The primary objectives of the CITY’s investment activities are, in priority order:

1. To conform with all applicable federal, state and other legal requirements (legal);
2. To adequately safeguard principal (safety);
3. To provide sufficient liquidity to meet all operating requirements (liquidity); and
4. To obtain a reasonable rate of return (yield).

III. DELEGATION OF AUTHORITY

The governing board’s responsibility for administration of the investment program is delegated to the City Controller who shall establish written procedures for the operation of the investment program consistent with these investment guidelines. Such procedures shall include an adequate internal control structure to provide a satisfactory level of accountability based on a data base or records incorporating description and amounts of investments, transaction dates, and other relevant information and regulate the activities of subordinate employees.

IV. PRUDENCE

All participants in the investment process shall seek to act responsibly as custodians of the public trust and shall avoid any transaction that might impair public confidence in the CITY to govern effectively.

Investments shall be made with judgment and care, under circumstances then prevailing, which persons of prudence, discretion and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the safety of the principal as well as the probable income to be derived.

All participants involved in the investment process shall refrain from personal business activity that could conflict with proper execution of the investment program, or which could impair their ability to make impartial
investment decisions.

V. DIVERSIFICATION

It is the policy of the CITY to diversify its deposits and investments by financial institution, by investment instrument, and by maturity scheduling.

VI. INTERNAL CONTROLS

It is the policy of the CITY for all moneys collected by any officer or employee of the government to transfer those funds to the City Controller within 10 days of deposit, or within the time period specified in law, whichever is shorter.

The City Controller is responsible for establishing and maintaining an internal control structure to provide reasonable, but not absolute, assurance that deposits and investments are safeguarded against loss from unauthorized use or disposition, that transactions are executed in accordance with management’s authorization and recorded properly, and are managed in compliance with applicable laws and regulations.

VII. DESIGNATION OF DEPOSITARIES

The banks and trust companies authorized for the deposit of monies up to the maximum amounts are:

<table>
<thead>
<tr>
<th>Depository Name</th>
<th>Maximum Amount</th>
<th>Officer</th>
</tr>
</thead>
<tbody>
<tr>
<td>Manufacturers and Traders Trust Company</td>
<td>$100 Million</td>
<td>City Controller</td>
</tr>
</tbody>
</table>

VIII. COLLATERALIZING OF DEPOSITS

In accordance with the provisions of General Municipal Law, §10, all deposits of CITY, including certificates of deposit and special time deposits, in excess of the amount insured under the provisions of the Federal Deposit Insurance Act shall be secured:

1. By a pledge of “eligible securities” with an aggregate “market value” as provided by GML §10, equal to the aggregate amount of deposits from the categories designated in Appendix A to the policy.

2. By an eligible “irrevocable letter of credit” issued by a qualified bank other than the bank with the deposits in favor of the government for a term not to exceed 90 days with an aggregate value equal to 140% of the aggregate amount of deposits and the agreed upon interest, if any. A qualified bank is one whose commercial paper and other unsecured short-term debt to obligations are rated in one of the three highest rating categories by at least two nationally recognized statistical rating organizations or by a bank that is in compliance with applicable federal minimum risk-based capital requirements.

3. By an eligible surety bond payable to the government for an amount at least equal to 100% of the aggregate amount of deposits and the agreed upon interest, if any, executed by an insurance company authorized to do business in New York State, whose claims – paying ability – is rated in the highest rating category by at least two nationally recognized statistical rating organizations.

IX. SAFEKEEPING AND COLLATERALIZATION

Eligible securities used for collateralizing deposits shall be held by the depositary and/or a third party bank or trust company subject to security and custodial agreements.

The security agreement shall provide that eligible securities are being pledged to secure local government deposits together with agreed upon interest, if any, and any costs or expenses arising out of the collection
of such deposits upon default. It shall also provide the conditions under which the securities may be sold, presented for payment, substituted or released and the events which will enable the local government to exercise its rights against the pledged securities. In the event that the securities are not registered or inscribed in the name of the local government, such securities shall be delivered in a form suitable for transfer or with an assignment in blank to the CITY or its custodial bank.

The custodial agreement shall provide that securities held by the bank or trust company, or agent of and custodian for, the local government, will be kept separate and apart from the general assets of the custodial bank or trust company and will not, in any circumstances, be commingled with or become part of the backing for any other deposit or other liabilities. The agreement should also describe that the custodian shall confirm the receipt, substitution or release of the securities. The agreement shall provide for the frequency of revaluation of eligible securities and for the substitution of securities when a change in the rating of a security may cause ineligibility. Such agreement shall include all provisions necessary to provide the local government a perfected interest in the securities.

X. PERMITTED INVESTMENTS

As authorized by General Municipal Law, §11, the CITY authorizes the City Controller to invest moneys not required for immediate expenditure for terms not to exceed its projected cash flow needs in the following types of investments:

- Special time deposit accounts;
- Certificates of deposit;
- Obligations of the United States of America;
- Obligations guaranteed by agencies of the United States of America where the payment of principal and interest are guaranteed by the United States of America;
- Obligation of the State of New York
- Obligations issued pursuant to LFL §24.00 or 25.00 (with approval of the State Comptroller) by any municipality, school district or district corporation other than the CITY;
- Obligations of public authorities, public housing authorities, urban renewal agencies and industrial development agencies where the general State statutes governing such entities or whose specific enabling legislation authorizes such investments;
- Certificates of Participation (COPs) issued pursuant to GML §109-b;
- Obligations of this local government, but only with any moneys in a reserve fund established pursuant to GML §§6-c, 6-d, 6-e, 6-g, 6-h, 6-j, 6-k, 6-l, 6-m, or 6-n.

All investment obligations shall be payable or redeemable at the option of the CITY within such times as the proceeds will be needed to meet expenditures or purposes for which the moneys were provided and, in the case of obligations purchased with the proceeds of bonds or notes, shall be payable or redeemable at the option of the CITY within two years of the date of purchase.

XI. AUTHORIZED FINANCIAL INSTITUTIONS AND DEALERS

The CITY shall maintain a list of financial institutions and dealers approved for investment purposes and establish appropriate limits to the amount of investments which can be made with each financial institution or dealer. All financial institutions with which the local government conducts business must be credit worthy. Banks shall provide their most recent Consolidated Report of Condition (Call Report) at the request of the CITY. Security dealers not affiliated with a bank shall be required to be classified as reporting dealers affiliated with the New York Federal Reserve Bank, as primary dealers. The City Controller is responsible for evaluating the financial position and maintaining a listing of proposed depositaries, trading partners and custodians. Such listing shall be
evaluated at least annually.

XII. PURCHASE OF INVESTMENTS

The City Controller is authorized to contract for the purchase of investments:

1. Directly, including through a repurchase agreement, from an authorized trading partner.
2. By participation in a cooperative investment program with another authorized governmental entity pursuant to Article 5G of the General Municipal Law where such program meets the requirements set forth in the Office of the State Comptroller Opinion No. 88-46, and the specific program has been authorized by the governing board.
3. By utilizing an ongoing investment program with an authorized trading partner pursuant to a contract authorized by the governing board.

All purchased obligations, unless registered or inscribed in the name of the local government, shall be purchased through, delivered to and held in the custody of a bank or trust company. Such obligations shall be purchased, sold or presented for redemption or payment by such bank or trust company only in accordance with prior written authorization from the officer authorized to make the investment. All such transactions shall be confirmed in writing to the CITY by the bank or trust company. Any obligation held in the custody of a bank or trust company shall be held pursuant to a written custodial agreement as described in General Municipal Law, §10.

The custodial agreement shall provide that securities held by the bank or trust company, as agent of and custodian for, the local government, will be kept separate and apart from the general assets of the custodial bank or trust company and will not, in any circumstances, be commingled with or become part of the backing for any other deposit or other liabilities. The agreement shall describe how the custodian shall confirm the receipt and release of the securities. Such agreement shall include all provisions necessary to provide the local government a perfected interest in the securities.

XIII. REPURCHASE AGREEMENTS

Repurchase agreements are authorized subject to the following restrictions:

- All repurchase agreements must be entered into subject to a Master Repurchase Agreement.
- Trading partners are limited to banks or trust companies authorized to do business in New York State and primary reporting dealers.
- Obligations shall be limited to obligations of the United States of America and obligations guaranteed by agencies of the United States of America.
- No substitution of securities will be allowed.
- The custodian shall be a party other than the trading partner.

APPENDIX A

Schedule of Eligible Securities

(i) Obligations issued, or fully insured or guaranteed as to the payment of principal and interest by the United States of America, an agency thereof or a United States government sponsored corporation.

(ii) Obligations issued or fully guaranteed by the International Bank for Reconstruction and Development, the Inter-American Bank, the Asian Development Bank, and the African Development Bank.
(iii) Obligations partially insured, or guaranteed by any agency of the United States of America, at a proportion of the Market Value of the obligation that represents the amount of the insurance or guaranty.

(iv) Obligations issued or fully insured, or guaranteed by the State of New York, obligations issued by a municipal corporation, school district or district corporation of such State or obligations of any public benefit corporation which under a specific State statute may be accepted as security for deposit of public moneys.

(v) Obligations issued by states (other than the State of New York) of the United States rated in one of the three highest rating categories by at least one nationally recognized statistical rating organization.

(vi) Obligations of Puerto Rico rated in one of the three highest rating categories by at least one nationally recognized statistical rating organization.

(vii) Obligations of counties, cities and other governmental entities of a state other than the State of New York having the power to levy taxes that are backed by the full faith and credit of such governmental entity and rated in one of the three highest rating categories by at least one nationally recognized statistical rating organization.

(viii) Obligations of domestic corporations rated in one of the two highest rating categories by at least one nationally recognized statistical rating organization.

(ix) Any mortgage related securities as defined in the Securities Exchange Act of 1934, as amended, which may be purchased by banks under the limitations established by bank regulatory agencies.

(x) Commercial paper and bankers’ acceptances issued by a bank, other than the Bank, rated in the highest short term category by at least one nationally recognized statistical rating organization and having maturities of not longer than 60 days from the date they are pledged.

Councilman Tompkins motioned to come out of Executive Session at 9:16 PM, which was voted 5 to 0 by all Council Members.

THE FOLLOWING COMMUNICATIONS WERE SUBMITTED BY THE MAYOR

PURCHASE: LIBERTY PARK EQUIPMENT, KOMPAN PLAYGROUND EQUIPMENT

Agenda Item #1

It is the administration’s recommendation that Liberty Parks AKA Lou “Big Lou” Park equipment should be purchased via the New York State Office of General Services Playground Equipment, and Related Products Statewide Contract. KOMPAN Playground Equipment is a qualified vendor as part of the statewide contract. The total amount that the Niagara Falls City Council is being asked to authorize is $72,999.50.

The Liberty Park Project will not require any municipal general fund or casino capital fund revenue. The entire project, including the purchase of equipment and installation, will be funded by United States Department of Housing and Urban Development Community Development Block Grant (CDBG) grant funds. A total of $200,000 in CDBG funds was allocated to this project via the 2017 Participatory Budgeting Process (PB360). The Niagara Falls City Council approved a $360,000 CDBG allocation to fund PB360 as part of the 2017 Niagara Falls Community Development Action Plan. The City of Niagara Falls is only the second American city to use participatory budgeting, a process in which citizens directly vote on public projects, to allocate CDBG funds.

Safety surfacing installation is estimated at $89,702 and general equipment installation is estimated at $36,725, for a total project estimate of $199,426. These expenditures will also be brought to the City Council for approval. Any contingency payments will be funded by CDBG rather than the City of Niagara Falls. The existing play structure will be replaced by the new facility but the swings will be left in place. This equipment will not add a new maintenance burden to the Department of Public Works, as there is already a need for maintenance now.

The proposed equipment is designed to offer physical activity and fitness opportunities to residents of all ages. Features include safety surfacing, pull up bars, push up bars, vertical ladders, horizontal ladders and a mobility course. In partnership with the Niagara Falls City School District, physical activity sessions will be scheduled throughout the summer months. Niagara Falls Community Development has applied to the New York State Health Foundation to fund programming at Liberty Park in 2018 and 2019. The Niagara Falls City Council is considering a resolution in support of this application at the January 31, 2018 City Council meeting.
The Liberty Park Improvement Project will transform a blighted park into a place for the community to come together with physical activity and fitness. The playground set has been in a state of disrepair for years and all other park amenities are aged considerably. The makeup of the community surrounding Liberty Park is largely residential and densely occupied. This project is part of our department’s and the City of Niagara Falls’ continuing effort to increase and improve youth facilities and services in our community. Improvement at Liberty Park are consistent with the adopted Niagara Falls Parks Master Plan.

Will the Council vote to so approve and authorize the Mayor to execute a contract for the purchase and limited installation of this equipment, in a form acceptable to the Corporation Counsel?

Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

NFURA: THIRD STREET PARKING LOT, CITY GROUND LEASE, AMENDMENT

Agenda Item #3

By lease dated October 11, 2016, Niagara Falls Urban Renewal Agency leased to the City the parcel of property on the west side of Third Street owned by NFURA and known as the Third Street Parking Lot. The lease runs through 2036, and can be extended by mutual assent through 2056. The lease allows the City to operate the parking lot, and requires the City to maintain the lot. This lease memorialized the fact that the City had been maintaining and operating the parking lot for some time. Attached (on file in the City Clerk’s Office) is a copy of that ground lease.

The ground lease excluded the southerly portion of the lot adjacent to the Jefferson Apartments. That portion of the parcel has been leased by NFURA to the Jefferson Apartments owners since 1975, with the current Jefferson Apartments lease dated September 22, 2000. The current lease runs to January 1, 2026.

The Jefferson is negotiating a new parking pass arrangement with the City, and has requested a cancellation of the Jefferson Apartments lease with NFURA contingent on the Jefferson Apartment owners negotiating a parking pass arrangement with the City. The NFURA Board of Directors will be considering this request during its meeting on January 29, 2018.

On January 29, 2018, the NFURA Board of Directors will also consider an amendment to the City-NFURA ground lease for the Third Street parking lot, to include the land formerly leased to the Jefferson Apartments owners. The amendment is contingent on approval and signing of a parking pass agreement between the City and the Jefferson Apartments owners.

Will the Council vote to approve the City Ground Lease amendment to include the land formerly leased by NFURA to the Jefferson Apartment owners as set forth herein, to take effect only upon the City and Jefferson Apartment owners executing a parking pass agreement, and authorize the Mayor to execute any documents necessary to effectuate the same?

DISCOVER NIAGARA SHUTTLE: FUNDING

Agenda Item #4
It is requested that the City contribute the sum of $100,000 to support the continued operation of the Discover Niagara Shuttle for the 2018 season. During its first two years of operation, almost 70,000 riders have used the shuttle to access over a dozen destinations between downtown Niagara Falls and Fort Niagara. A recently released economic impact study by the prestigious Tripp Umbach firm showed a $35 million impact for the shuttle, for a return on investment of approximately 43 to 1.

The New York Power Authority, State Parks, Destination Niagara, Niagara University and Niagara County are already lined up as 2018 sponsors. It is believed the willingness of the City to make a contribution is essential to getting other sponsors to contribute. The project has bipartisan support, as demonstrated by the presence of both Congressman Brian Higgins and Congressman Chris Collins at a press conference where the results of the impact study were released on December 4th.

Funds are available from the Tourism fund, supported by bed tax revenues. No general fund dollars are involved.

COMMUNITY DEVELOPMENT: CASINO RESERVES, RESTORATION

Agenda Item #11

On June 9, 2014 the City Council approved an expenditure of $100,000.00 for the Buffalo Avenue Streetscaping Program. The Office of Community Development has now identified funds in its 2018 budget to cover the $100,000.00 local share required to continue this project. Therefore, it is requested that this $100,000.00 previously approved for this project be returned to casino revenues.

In addition, during the January 23, 2017 City Council meeting, the sum of $500,000.00 in casino revenues was approved for the demolition/board-up capital account. That money has only been partially spent. It is therefore requested the sum of $150,000.00 be returned to casino revenues.

RESOLUTION: COMPLETE STREETS POLICY, CREATION, 2018-13
BY: ALL COUNCIL MEMBERS

Agenda Item #17
WHEREAS, a Niagara Falls Complete Streets Policy City of Niagara Falls will improve bicycle and pedestrian friendliness through consistent public realm design standards to revitalized mixed-use neighborhoods, making our city safer and more accessible; and
WHEREAS, the City of Niagara Falls shall plan for, design, construct, operate and maintain appropriate facilities for all transportation users in all new construction, retrofit and reconstruction projects; and
WHEREAS, streets that integrate multiple transportation choices for pedestrians, bicyclists, and transit, with special consideration for children, the elderly and people with disabilities, contribute to the public life of a community, sustainable economic development and efficient movement of people and goods; and
WHEREAS, the City of Niagara Falls shall, to the maximum extent practical, scope, plan, design, construct, operate and maintain all streets to provide a comprehensive and integrated network of facilities for all users of all abilities; and
WHEREAS, any exception to applying this Complete Streets Policy to a specific roadway project must be approved by the Niagara Falls City Council with documentation of the reason for the exception. Exceptions may be made when the project involves a roadway on which non-motorized use is prohibited by law. In this case, an effort shall be made to accommodate pedestrians and bicyclists elsewhere; and
WHEREAS, this policy will create a comprehensive, integrated, connected transportation network for the City of Niagara Falls that balances access, mobility, health and safety needs for all residents. Planning, funding, designing, constructing, managing and maintaining a complete multi-modal network, ensures this; and
WHEREAS, it is the intent of this policy to foster partnerships with the State of New York, Niagara County, Niagara Falls School District, citizens, businesses, interest groups and neighborhoods to implement complete streets.

WHEREAS, the implementation of this policy shall reflect the context and character of the surrounding built and natural environments while enhancing the appearance of such. In doing so, the City of Niagara Falls shall consider methods of providing development flexibility within safe design parameters such as context-sensitive design solutions and shall attempt to employ all solutions consistent with and sensitive to the context of the project.

WHEREAS, complete Streets should be continuously evaluated for success and opportunities for improvement sought. This policy encourages the regular evaluation and reporting of implementing complete streets through the following performance measures:

- Increase in the share of bicycles, pedestrians and transit users;
- Crash data;
- Use of new projects by mode;
- Compliments and complaints;
- Linear feet of pedestrian accommodations built;
- Number of ADA accommodations built;
- Miles of bike lanes/trails built or striped;
- Number of transit accessibility accommodations built;
- Number of street trees planted;
- Number of building permits issued along new complete street;
- Number of exemptions from this policy.

WHEREAS, the City of Niagara Falls shall implement the following steps to ensure successful implementation of complete streets:

- Advisory Board: The City of Niagara Falls will establish an interdepartmental advisory board to oversee the implementation of this policy. The committee should include members of various constituencies, including the Niagara Falls City Council, the Niagara Falls Planning and the Niagara Falls Engineering Department, Department of Public Works, Department of Community Development, Niagara Falls Police Department, the Niagara Falls School District, the New York State Department of Transportation as well as representatives from bicycling, pedestrian, disabled, youth and elderly communities or any other organizations as deemed relevant. This committee will meet quarterly and provide a written report to the Mayor of Niagara Falls evaluating progress and advising on implementation.

- Inventory: The City of Niagara Falls will maintain a comprehensive inventory of the pedestrian and bicycle infrastructure and will prioritize projects to eliminate gaps in the sidewalk and bikeway networks.

- Capital Improvement and Maintenance Project Prioritization: The City of Niagara Falls will reevaluate capital improvement and maintenance project prioritization annually to encourage implementation of pedestrian and bicycle improvements.

- Revisions to Existing Plans and Policies: The City of Niagara Falls will incorporate complete street principles into the comprehensive plan, zoning code and other plans and manual, rules, regulations and programs.
Other Plans: The City of Niagara Falls will prepare, implement and maintain a Bicycle and Pedestrian Transportation Plan, a Safe Routes to School Plan, an Americans with Disabilities Act Transition Plan, and a Street Tree and Landscape Plan.

Storm Water Management: The City of Niagara Falls will prepare and implement a plan to transition to sustainable storm water management techniques along our streets.

Staff Training: The City of Niagara Falls will train all pertinent staff on the content of the complete streets principles and best practices for implementing the policy.

Coordination: The City of Niagara Falls will utilize inter-departmental project coordination to promote the most responsible and efficient use of fiscal resources for activities that occur within the public right of way.

Street Manual: The City of Niagara Falls will create and adopt a Complete Streets Design Manual to support implementation of this policy.

Funding: The City of Niagara Falls will actively seek sources of appropriate funding to implement complete streets.

NOW, THEREFORE, BE IT RESOLVED that the City Council of Niagara Falls, New York hereby supports the creation of a Niagara Falls Complete Streets Policy.

CITY CLERK CLAIMS FOR THE MONTH OF JANUARY 2018

Agenda Item #1
THIS ITEM WAS RECEIVED AND FILED
The following communications were submitted by the Mayor

**Contract: Destination Niagara USA, Shared Services**

Agenda Item #2

The City has been asked to enter into a Shared Services Agreement with Destination Niagara USA to fill a tourism position at Destination Niagara USA. The position will be a staff position at Destination Niagara USA at a salary yet to be determined. Destination Niagara USA will be responsible to pay this salary and provide all benefits of employment. The City will contribute an amount not to exceed $40,000.00 toward the cost of the salary and benefits of employment. This position will be dedicated to promoting tourism in the City of Niagara Falls. Funds are available in the tourism budget.

Will the Council so approve and authorize the Mayor to execute a Shared Services Agreement in form and substance satisfactory to the Corporation Counsel?

Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

4TH STREET, APPROVAL TO INSTALL A “NO STANDING ANYTIME” RESTRICTION

Agenda Item #5
At the Traffic Advisory Commission meeting held on February 5, 2018 the Commission recommended APPROVAL of the following item:

REVERSE THE EXISTING PARKING RESTRICTIONS ON 4TH STREET BETWEEN BUFFALO AVENUE & RAINBOW BOULEVARD AND INSTALL A “NO STANDING ANYTIME” RESTRICTION ON THE WEST SIDE (WHOLE BLOCK EXCEPT FOR THE WINGATE BY WYNDAM HOTEL’S PORTE-COCHERE) AND UNLIMITED TIME PARKING ON THE EAST SIDE

This request will allow the residents, who are located on the east side of the street, to park in front of their homes, while keeping the west (Hotel) side of the street open, which is the objective of the Hotel’s ownership.

A Petition from the residents of this block was received with 100% of signatures.

Submitted By: Frank Strangio, Vice President, Plati Niagara Inc., 7708 Niagara Falls Boulevard and Petition/Residents of Block

It is requested that City Council approve this recommendation.

Installation of both the Hyde Park and Gill Creek Park Basketball Ball Courts will not require any municipal general fund or casino capital fund revenue. The entire project, including the purchase of equipment and installation, will be funded by United States Department of Housing and Urban Development Community Development Block Grant (CDBG) grant funds. The Niagara Falls Department of Public Works will be tasked with creation of the courts and installation of the equipment. Both park courts will mirror the size of the 70th Street Park Basketball Court, refurbished in 2017. The community will be consulted on final place of both courts. To be consistent with our Crime Prevention through Environmental Design (CPTED) principles, the Hyde Park court will be placed off of Hyde Park Boulevard and the Gill Creek Park Court will be placed off of Royal Avenue. The court surfaces will also be muralized, in partnership with the Niagara Falls City School District.

The community directly voted for both of these location specific improvements as part of 2017’s Participatory Budgeting (PB360) Project. The Niagara Falls City Council approved the PB360 Budget as part of the 2017 CDBG Action Plan. A new basketball court at Hyde Park also helps offset the removal of the smaller basketball court at Jerauld Avenue Park, as part of that park’s ongoing improvement project. This project is part of CD and the City of Niagara Falls’ continuing effort to increase and improve youth facilities and services in our community.

Will the Council vote to so approve and authorize the Mayor to execute a contract for the purchase this equipment, in a form acceptable to the Corporation Counsel?

CONTRACT: HYDE PARK INCLUSIONARY PLAY PROJECT, EQUIPMENT

Agenda Item #4

It is the administration’s recommendation that Hyde Park Inclusionary Play Project Equipment should be purchased from KOMPAN Playground Equipment, consistent with United States Department of Housing and Urban Development procurement guidelines and the New York State Office of General Services Playground Equipment, and Related Products Statewide Contract. The total amount that the Niagara Falls City Council is being asked to authorize is $113,803.50

The Hyde Park Inclusionary Play Project will not require any municipal general fund or casino capital fund revenue. The community directly voted in favor of the Hyde Park Inclusionary Play Project as part of 2017’s Participatory Budgeting (PB360) Project. The Niagara Falls City Council approved the PB360 Budget as part of the 2017 United States Department of Housing and Urban Development (HUD) Community Development Block Grant (CDBG) Action Plan, including a $75,000 CDBG allocation for this project. The Niagara Falls City School District was recently awarded a $50,000 grant from the John R. Oishei Foundation in support of the capital portion of the Hyde Park Inclusionary Play Project. Both the CDBG and Oishei Foundation funds will be dedicated to the purchase of equipment. Niagara Falls Community Development will allocate competitive New York State Heath Foundation, and Ralph C. Wilson Foundation funds to equipment installation. The entire project is estimated at $220,000, including purchase of equipment.

02/28/2018
The Hyde Park Inclusionary Play Project will create a special public space for children of all abilities connected to the existing Hyde Park Playground, constructed in 2016. We asked our residents what they wanted and they told us. NFCD has partnered with the Niagara Falls City School District Committee on Special Education, EMPOWER Niagara, the Niagara Falls Youth Board, Niagara University and Kompan Playgrounds to design an inclusionary play space to exceed ADA compliance. The City of Niagara Falls, like many communities, does not have a specific public space designed for, and by, children with special needs. ADA compliance alone does not send an open invitation for free play to all children, especially those with special behavioral needs.

Hyde Park is the second largest municipal park in NYS and is reachable (walk/bike/public transit) for a majority of Niagara Falls' residential neighborhoods. Four public schools (Niagara Street Elementary, Hyde Park Elementary, Gaskill Preparatory and Niagara Falls High School) and all located within 1 mile, totaling 3,494 students. Currently, 315 PK-12 school district students with an Individual Educational Plan (IEP) receive a motor skills based therapy (physical or occupational) and 432 have a Section 504 Plan that targets behaviors that impacts their learning and attending tasks. Many local students with an IEP are classified as having an intellectual disability, autism, emotional disturbance, or other health impairment, often ADHD. Kompan, and our stakeholders, designed the inclusionary space to directly benefit these groups, while making it an enjoyable free play space for all children. Additionally, students working with learning disabilities, and speech or language impairments will also benefit from having an environment that is specifically designed to promote socialization, and build confidence through equipment that is developmentally appropriate, but varies in the degree of difficulty for all to navigate.

This project is part of CD and the City of Niagara Falls' continuing effort to increase and improve youth facilities and services in our community.

Will the Council vote to so approve and authorize the Mayor to execute a contract for the purchase this equipment, in a form acceptable to the Corporation Counsel?

Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

CONTRACT: JEFFERSON APARTMENT BUILDING, NEW PARKING

Agenda Item #5

The Niagara Falls Urban Renewal Agency ("NFURA") has had a lease agreement in place with the Jefferson Apartment Building since September of 2000. This lease agreement called for the Jefferson to lease a portion of real property abutting the Jefferson Apartment Building to the north and having dimensions of 100 feet by 132 feet. The Jefferson paid $300.00 per month as rent. The City Council recently approved an amendment to the agreement with the NFURA to give the City the total control of the Third Street lot.

Because the owner of the Jefferson Apartment Building wanted to renegotiate certain terms of the lease agreement, discussions resulted in reconfiguring the complete agreement. Attached hereto (on file in the City Clerk’s Office) is a copy of the proposed agreement which calls for the Jefferson Apartment Building to acquire from the City fifty-five (55) parking permits at the current rate of $40.00 per permit per month which is the existing rate. The term is for ten (10) years with four (4) five-year renewal terms. The agreement also calls for periodic increases in rates.
Will the Council so approve and authorize the Mayor to execute a parking agreement in form and substance satisfactory to the Corporation Counsel?

CONTRACT: LETTER OF AWARD FOR CONSULTANT SERVICES AGREEMENT FOR BRIDGE NY PROGRAM, DIDONATO ASSOCIATES

Agenda Item #9
Based upon the New York State Department of Transportation standard merit selection procedures, DiDonato Associates Engineering & Architecture, P.C. has been selected as the City’s consultant for the above referenced program.

The scope of work for the consultant will consist of preparing the application for New York State BridgeNY funding. Subsequent phases of the project based on the award amount, will consist of Design, Bid, Award & Construction Inspection. NYSDOT will provide 95% of the total project costs, not to exceed the project award amount.

The BridgeNY project is being implemented by New York State DOT focusing on bridges in poor structural condition. The goal would be to address deficiencies with at least one bridge in each of the next two years of the program. Typically these bridges are over rail lines that incur additional cost that would be prohibitive for the City to undertake without New York State sponsor assistance.

It is the recommendation of the undersign that the Application Preparation Phase be awarded to DiDonato Associates Engineering & Architecture, P.C. at a not to exceed cost of $4,200.00. Funding is available in the City Engineering Consultant line A1440.0000.0451.000.

Will the Council vote to so approve and authorize the Mayor to execute a contract in a form acceptable to the Corporation Counsel?

Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

CLAIMS FOR THE MONTH OF FEBRUARY 2018

Agenda Item #1
THIS ITEM WAS RECEIVED AND FILED

THE FOLLOWING COMMUNICATIONS WERE SUBMITTED BY THE MAYOR

CONTRACT: MAILING SYSTEM, CLERK’S OFFICE, LINEAGE BUFFALO

Agenda Item #2
We respectfully request you authorize the Mayor to enter into lease and service agreements as follows:

WITH: Lineage Buffalo
150 Lawrence Bell Drive, Suite 100
Williamsville, New York 14221

FOR: 63 month lease of a Neopost IS-6000A mailing system including training, service and maintenance
$618.83/month

This equipment is available through a National Joint Powers Alliance Contract (No. 041917-NPI). The City is eligible to utilize this contract pursuant to Section 103 of the General Municipal Law and the City’s membership in the NJPA. The maintenance pricing utilizes New York State Contract #PC67336. (Lease on file in the City Clerk’s Office)

The new equipment will replace the existing mailing system which is subject to an expiring lease. The mailing system is vital to City operations and it is important that the Clerk’s Office has uninterrupted use of such a system. The ability to utilize State Contract and NJPA Contract pricing resulted in a significant monthly savings to the City.

Funds for this expenditure are available in the City Clerk’s Office budget under code A.1410.0000.0440.599.

Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

GOLF COURSE: RATE INCREASES

Agenda Item #3
The Director of the Department of Public Works advises that it is desirable to increase rates at the Hyde Park Golf Course for year 2018. Attached (on file in the City Clerk’s Office) hereto please find a spreadsheet of these proposed increases. It should be noted that for 2018 the “disability” rate is being eliminated and will extend only to “military”, both active and veterans. The rate that the military will pay will correspond with the rate previously designated for “disability”.

Will the Council so approve?

CONTRACT: NIAGARA TOURISM & CONVENTION CORP., PARKING RENEWAL

Agenda Item #4

The NTCC is requesting that the City renew the Agreement to allow the NTCC the use of 25 unrestricted parking spaces/permits in the City-owned parking lot located at the corner of 1st Street and Rainbow Boulevard. The NTCC is proposing to pay the City the sum of $40 per month per space/permit which equals the sum of $1,000 a month. This is the current market rate.

It is proposed that this Agreement be for a thirty-six (36) month period of time, with the ability of either party to terminate the same on thirty days prior written notice. The NTCC is also requesting that persons attending meetings at the NTCC offices be permitted to park in one of their 25 spaces/permits should the capacity for such parking exist at that time. Attached (on file in the City Clerk’s Office) is a copy of a proposed Agreement.

Will the Council so approve and authorize the Mayor to execute an agreement in form and substance satisfactory to the Corporation Counsel?

COMMUNITY DEVELOPMENT: CITIZENS BANK, ZOMBIE FIGHT PROJECT, SETTLEMENT AGREEMENT/RELEASE

Agenda Item #6

The administration recommends Niagara Falls City Council support, by approval of this agenda item, of a “Settlement Agreement and Release” between the City of Niagara Falls and Citizens Bank, N.A. This settlement would resolve the City’s pending lawsuit against Citizens Financial Group, Inc. and Citizens Bank, N.A. in the United States District Court for the Western District of New York. This lawsuit was the result of the Niagara Falls Community Development Department’s Zombie Fight Project’s targeted approach to vacant bank foreclosure properties.

As part of the settlement, Citizens Bank agrees to move to expedite all foreclosures on abandoned properties in the City of Niagara Falls. Citizens Bank will move for expedited entry of a judgment of foreclosure and sale within sixty (60) days after the last date of default for all defendants, assuming no defendant submits an answer or otherwise appears. Citizens Bank also agrees to directly notify the City of Niagara Falls of the sale of all of its bank foreclosure sales 30 days prior to the auction date. The City of Niagara Falls agrees to support expedited foreclosure efforts including the filing of supporting affidavits or other documents and attending expedited foreclosure motion hearings, if reasonably requested by Citizens or its foreclosure attorney(s) to do so.

At the start of the Niagara Falls Zombie Fight Project in April 2017, Citizens Bank had seven properties in the foreclosure process, classified as “zombies.” Citizens has completed the foreclosure of three of those properties, and the City foreclosed on one property due to failure to pay taxes.
This settlement is a tactical victory for the Niagara Falls Zombie Fight Project and the City of Niagara Falls. Prior to this project, identifying foreclosure properties, enforcing local codes and establishing direct lines of communications with banks was difficult. The Zombie Fight Project, as illustrated by the filing of City of Niagara Falls, New York v. Citizens Financial Group Inc. and Citizens Bank, National Association is using the New York State Zombie Property and Foreclosure Prevention law to better enforce local building codes and create specific plans of action to address and eliminate zombie properties in this community. It is also the first time that the City of Niagara Falls has entered into a settlement agreement that sets foreclosure parameters for a banking institution doing business in the City of Niagara Falls. Niagara Falls Community Development views the agreement’s language as legal tool that can be used to create agreements with other banking institutions that are out of compliance with the New York State Zombie Property and Foreclosure Prevention law as well as local ordinances.

Will the Niagara Falls City Council support this settlement by approval of this agenda item, and allow the City of Niagara Falls to execute the settlement in a form acceptable to the Corporation Counsel? Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

ENGINEERING DEPT.: PEDESTRIAN SAFETY ACTION PLAN PROGRAM, FUNDING

Agenda Item #7

The Engineering Department is submitting a proposed budget to NYSDOT for the Pedestrian Safety Action Plan Program (PSAP). The budget for all work included in this program is approximately $1,345,000.00. NYSDOT has identified components of the project not eligible for reimbursement. In order to receive our full funding the City would need to contribute $145,000.00 to match the grant application budget.

The PSAP project is being implemented cooperatively by New York State DOT focusing on engineering improvements that will upgrade any existing pedestrian crossing to the new Federal/State safety standards and are 100% New York State reimbursable.

Funding is available from previously earmarked casino revenues in the road reconstruction capital account.

Will the Council vote to so approve and authorize? Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

RESOLUTION: NFCSD, FOCUS ON FAMILIES “WALK TO PROMOTE AWARENESS TO CHILD ABUSE PREVENTION”, 2018-19
BY: COUNCIL MEMBERS KENNEDY, SCOTT, CHAIRMAN TOUMA

Agenda Item #11

WHEREAS, the staff and families of the Niagara Falls City School District NFCSD Focus on Families Program are requesting permission for use of the Hyde Park area to organize a “Walk to Promote Awareness to Child Abuse Prevention” on Thursday April 19, 2018, from 5p.m.-7p.m. The walk will begin and end at the Oasis near the volleyball nets (Letter on file in the City Clerk’s Office). Our agency, along with other agencies, will provide handout materials, which will include information on Child Abuse Prevention for our participants. We will also explain clear guidelines and hand out a map of the areas that participants will utilize.

WHEREAS, the day of the walk we are also requesting that the Falls be illuminated in blue for child abuse awareness. We are requesting use of the stage and podium to be setup where we can have a speaker address the crowd at the commencement of the walk. We are aware that there are fees for use of the Oasis and the stage and we are requesting that these fees be waived for this event, organized by the Focus on Families “Moms Group.” Our inaugural walk last year was a success with approximately 140 participants and community members who came out and supported this cause. As a result of that success, we would like to have this be a recurring event each year in April for the City of Niagara Falls.

NOW, THEREFORE, BE IT RESOLVED this letter of agreement is only binding with regard to the program mentioned above. Should this program have to be cancelled and rescheduled for any reason, or should we wish to request use of the space in the future, a separate agreement letter would be drafted in each circumstance.

BY: ALL COUNCIL MEMBERS

Agenda Item #17
BE IT RESOLVED, by the City Council of the City of Niagara Falls, New York that Chapter 341 of the Codified Ordinances entitled “Vendors and Peddlers” is hereby amended to read as follows:

341.17 Special Downtown Vending District

(a) Intent. It is found and declared that:

(1) The City Council of the City of Niagara Falls, New York hereby finds and declares that there is recognized a section of the downtown area, described herein, wherein there is a unique character of pedestrian traffic, retail and office activities and entertainment activities, both seasonal and yearlong, with emphasis on pedestrian participation in said activities. The City Council of the City of Niagara Falls recognizes therefore a need to establish a policy of regulating sidewalk vendors and their locations and number and recognizes a legitimate interest of the City of Niagara Falls in eliminating confusion of vending activities, regulating the type of activities for pedestrian control and in protecting the public health and welfare.

03/15/2018
(b) Establishment of Special Downtown Vending District:

(1) The Special Downtown Vending District is shown on a map filed in the office of the City Clerk. The Special Downtown Vending District is described as an area of the City of Niagara Falls bounded as follows:

   Special Downtown Vending District Area Boundaries:
   South side of Niagara Street only between 1st Street and Third Street.

(2) The area boundaries described as the Special Downtown Vending District shall include all City owned sidewalks and areas in front of all properties, buildings and vacant lands fronting on said boundaries.

(c) Master list of available sites.

Effective immediately, and on or before the first day of March each year hereafter, the City Clerk shall publish a master list of all vending location sites within the Special Downtown Vending District which shall be available for sidewalk sales, setting forth the following information for each site:

(1) The total number of locations to be allowed;
(2) The type of merchandise offered for sale to be allowed (no food items permitted);
(3) Any restrictions as to days or times allowed;
(4) The months comprising the season for such outdoor sales; and
(5) Any other pertinent information, including the place and time for receipt of permit applications.

(d) The number of permits issued shall be based on the master list published by the City Clerk.

(e) Submission of permit application; continuation of existing permits; limitation on number of sites.

(1) Upon publication of the master list by the City Clerk, applications for permits for sidewalk sales in the Special Downtown Vending District shall be submitted to the City Clerk on application forms provided by the City Clerk. The City Clerk shall review all applications for completeness and shall thereupon make determinations on whether or not a permit will be issued.
(2) An applicant for a permit must agree to conduct the sale of merchandise from a white tent as required by the City Clerk with dimensions as required by the City Clerk.

(3) Holders of permits at approved permitted sites shall be allowed to continue at that site in subsequent years, upon a verification by the City Clerk that no adverse action has been taken against said applicant under 341(j) of this Chapter.

(4) With the exceptions noted herein, no person, firm, corporation, partnership, limited liability company or other entity or organization will be permitted to operate in the Special Downtown Vending District without a valid permit.

(g) Permit requirements; multiple applications for same site; development of standards.

(1) Permit application requirements. The application for a permit for vending in the Special Downtown Vending District shall contain all information relevant and necessary to determine whether a particular permit may be issued, including but not limited to:

(a) A complete, notarized application for a permit (available at the Office of the City Clerk) including full name, home address, permanent business address (if any), telephone number, driver’s license number, and proof of identity, as well as the full name, home address, telephone number, driver’s license number, and proof of identity of any assistant(s) to be utilized by a vendor or peddler. Any such assistant(s) must be 18 years of age or older;

(b) General liability and product liability insurance coverage of $1,000,000 per occurrence and $2,000,000 aggregate naming the City of Niagara Falls as additionally insured;

(c) New York State sales tax certificate;

(d) A brief description of the nature, character, and quality of the goods or merchandise to be sold;
(e) The specific location, if any, in which the applicant wishes to conduct business;

(f) If an applicant is employed by or is an agent of another person, firm, corporation, partnership, limited liability company or other entity or organization, the name, business address, and the name of the principal/hiring person of the entity;

(g) Photograph or rendering of the white tent to be utilized by the applicant.

(h) A background check on the applicant and any of applicant’s employees or assistants conducted by the Superintendent of Police that discloses any arrests or convictions for misdemeanor or felony offenses for a period of two (2) years prior to the application date and shows whether anything contained in any official record includes evidence that applicant’s/employee’s/assistant’s moral character is inconsistent with a permit for vending upon the public sidewalks. Such background check shall be at the applicant’s sole cost and expense.

(2) The City Clerk, in his or her discretion, will determine if a permit will be issued to an applicant and will also determine the location to be assigned to each applicant. No applicant may be issued a permit for more than one (1) location.

(h) Permit required; non transferability.

(1) No person, firm, corporation, partnership, limited liability company or other entity or organization may offer for sale any item on the sidewalks of the Special Downtown Vending District without first having received a permit under the procedures established herein.

(2) No permit granted herein may be sold, leased or assigned in any fashion.
(i) Special Events.

(1) In the case of a Special Event of any type occurring within the Special Downtown Vending District, the City Clerk shall have the authority, upon due notice to holders of permits within the area of the Special Event, to restrict or temporarily eliminate the activities of said permit holders within the area of the Special Event for a period no longer than that during which the Special Event is occurring. Said restriction or temporary elimination shall be without liability to the City of Niagara Falls. The failure of permittee to adhere to such directive may result in revocation of the permit under 341(j) of this article.

(j) Complaints; Revocation of permit.

(1) Upon receipt of any complaint regarding the practices of approved permit holders, permit holder shall appear before the City Clerk to answer said complaint. The City Clerk shall notify the holder of said permit by mail, at least five days in advance of said hearing, informing the permit holder of the nature of the complaint and all particulars thereof.

(2) At the convening of the hearing, the permit holder shall be given a full opportunity to answer the complaint and present any information or evidence relevant to the matter of which the permit holder has been given notice.

(3) Upon completion of the hearing, the City Clerk shall notify the permit holder within seven days of the hearing, whether the permit shall be continued for its term or revoked or suspended, and the stated reasons therefore.

(4) No applicant shall receive a permit within the Special Downtown Vending District who has had a prior permit revoked for cause within two years of said revocation.
(k) Payment of fees.

(1) The permit fee for a location in the Special Downtown Vending District shall be $1,500.00 for the season which is defined as May 1st through and including September 30th of each year.

$50,000 - Installation of Hyde Park Inclusionary Play Playground
$70,000 - Summer youth programming at Hyde and Liberty Parks

The City of Niagara Falls will partner with the Niagara Falls City School District, EMPOWER and the community at large, to plan summer events focused on community health, free play and the creation of opportunities for children/families with special mobility and behavioral needs. These two parks will act as educational satellites for events and activities, open to all city residents. While this grant focuses on two specific parks, this program is part of a city-wide strategy of park investment and youth-centric activities.

03/28/2018
The grant also provides the opportunity to partner with neighborhood liaisons and execute a Niagara Falls City School District STEAM and physical education curriculums in the summer months. This project does not require any new or additional local matching dollars, as we leveraged the Community Development Block Grant investments at both parks, guided by the 2017 Participatory Budgeting (PB 360) Process.

The New York State Health Foundation seeks to improve the health of all New Yorkers by making grants, informing health care policy and practice, spreading effective programs that work to improve the health system, serving as a convener of health leaders across the State, and providing technical assistance to our grantees and partners. Our grant proposal was consistent with the foundation’s mission and provides another opportunity for the Niagara Falls Community Development Department to add value to local neighborhoods without reliance of general fund or casino fund dollars.

Will the Niagara Falls City Council approve grant acceptance via this council agenda item, and allow the City of Niagara Falls to execute a grant agreement in a form acceptable to the Corporation Counsel?

Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

COMMUNITY DEVELOPMENT: BUFFALO NIAGARA RIVERKEEPER, CDBG GRANT AGREEMENT

Agenda Item #5

The 2017 CDBG budget, funded by a grant from the U.S. Department of Housing and Urban Development, was approved with a grant to Buffalo Niagara Riverkeeper (now Buffalo Niagara Waterkeeper) in the amount of $85,966.00, to pay some of the costs to engage 25 high school youth in an intensive environmental health and justice program. This grant agreement was to run from July 1, 2017 through December 31, 2018.

Due to startup and other issues, the grantee, in consultation with Niagara Falls High School administration and science teachers, concluded that it would be more advantageous to hold the Experiential Learning Component in the fall of 2018, so that the Niagara Falls Program does not conflict with other Spring Semester events. Active recruitment of students is set for in March of 2018, with class room and hands on field learning sessions to take place in the fall 2018 semester. Student mentorships would take place in Spring/Summer 2019 and the community events and peer presentations would occur in the fall of 2019.

It is proposed that the date for contract performance be amended to July 1, 2017 through December 31, 2019. the grant amount will remain the same.

THIS ACTION DOES NOT AFFECT ANY ALLOCATION OF THE CITY’S GENERAL OR CASINO FUNDING. Will the Council vote to approve the proposal presented herein and to authorize the Mayor to execute any documents necessary to effectuate the same?

Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

COMMUNITY DEVELOPMENT: NFHA 2017 CDBG GRANT AGREEMENT

Agenda Item #6

The 2017 CDBG budget, funded by a grant from the U.S. Department of Housing and Urban Development, was approved with a grant to Niagara Falls Housing Authority in the amount of $60,000.00. The grant agreements customarily run from July 1, 2017 through June 30, 2018. Due to a misunderstanding, it was thought that the programs would not take place during the summer, and the grant year was August 15, 2017 through August 14, 2018. That grant years will not allow payment of grant expenses that were incurred in July and early August, 2017.
It is proposed that the date for contract performance be amended to July 1, 2017 through June 30, 2018. THIS ACTION DOES NOT AFFECT ANY ALLOCATION OF THE CITY’S GENERAL OR CASINO FUNDING. Will the Council vote to approve the proposal presented herein and to authorize the Mayor to execute any documents necessary to effectuate the same?

GOLF COURSE, RATE INCREASES

Agenda Item #7

The Director of the Department of Public Works advises that it is desirable to increase rates at the Hyde Park Golf Course for year 2018. Attached (on file in the City Clerk’s Office) hereto please find a spreadsheet of these proposed increases. It should be noted that for 2018 the “disability” rate is being eliminated and will extend only to “military”, both active and veterans. The rate that the military will pay will correspond with the rate previously designated for “disability”. Will the Council so approve?

ENCROACHMENT: PINE AVENUE, 1519, TATLER LANE

Agenda Item #8

The owner of Custom Covers and Canvas on behalf of the owners of the above referenced property has applied for an entrance awning encroachment into the City’s right-of-way.

This has been reviewed by the appropriate City departments and the Planning Board recommends that it be granted subject to the following conditions:

1. The minimum height above the sidewalk is eight (8) feet.
2. The owner will add the City of Niagara Falls as an additional insured on its liability insurance policy.
3. The owner will defend and indemnify the City from liability related to the canopy encroachment.
4. The City can revoke permission for the encroachment on three (3) months’ notice.

Attached hereto (on file in the City Clerk’s Office) is a copy of the Planning Board’s approval. Will the Council so approve?

Agenda Item #11

A contract for the above reference project was awarded to Accadia Site Contracting, Inc. on November 16, 2016 in the amount of $1,328,529.28.

During the course of work, the Contractor encountered extra work beyond the initial scope of this contract. The out of scope items in question stem primarily from a severely deteriorated road base which needed to be replaced before continuing paving. The total cost of the extra work is $228,589.75. However, as a Federal and New York State sponsored project the City will seek additional funding to cover a portion of the additional cost and $57,000.00 for water related work is reimbursable by the N.F. Water Board. Funding is available in the “capital project’s available fund balance” and from a Supplemental Agreement with NYSDOT. Therefore it is the recommendation of the undersigned that Change Order #1 in the amount of $228,589.75 be approved.

BY: ALL COUNCIL MEMBERS

Agenda Item #18
WHEREAS, the City of Niagara Falls believes in Home Rule and should be able to determine the most preferable way to pay for service to promote tourism; and
WHEREAS, the City of Niagara Falls sees an advantage to an additional 1% increase of the current Bed Tax to aid and promote tourism in the City of Niagara Falls and Niagara County; and
WHEREAS, the City of Niagara Falls has an opportunity to assist the Niagara Falls National Heritage Area in its operation of the Discover Niagara Shuttle or other entities for transportation or economic development purposes pursuant to New York State Tax Law Article 29 § 1201-d(a) authority to impose tax; and
WHEREAS, the Discover Niagara Shuttle service presently serves the City of Niagara Falls, and along the Niagara River Corridor to the Village of Youngstown; and
WHEREAS, the City of Niagara Falls anticipates several benefits to an additional 1% increase of the current Bed tax, which would include:
1. Promote tourism by the ease of transportation to and from all the tourist sites in the City of Niagara Falls, Town of Lewiston, Village of Youngstown and in the future the City of Lockport and City of North Tonawanda;
2. Increase Shuttle connections to the City of Lockport and City of North Tonawanda;

3. Relieve congestion of tourism traffic on the roads, parking, and provide a scenic commute throughout the existing City of Niagara Falls and Niagara County tourist locations.

WHEREAS, there are several attractions in the City of Lockport: the Flight of Five Locks, Lockport Discovery Center, and the Lockport caves. Also attractions in the City of North Tonawanda: the Carousel Factory Museum and the Canal Fest. Thus the shuttle service would promote these attractions.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Niagara Falls requests the State of New York Legislature to draft companion bills for the purposes of increasing the existing Bed Tax by 1% designated specifically to the Discover Niagara Shuttle; and

BE IT FURTHER RESOLVED that the drafting of this legislation on the State level would provide the City of Niagara Falls the option of passing a Home Rule Message in support of such legislation; and

BE IT FURTHER RESOLVED that subsequent to the State’s adoption, the City of Niagara Falls would have an opportunity to present a local law which would call for action to allow City of Niagara Falls residents and visitors, easy comfortable transportation between City of Niagara Falls and Niagara County attractions; and

BE IT FURTHER RESOLVED that the City Council of the City of Niagara Falls respectfully requests that the New York State Senate and Assembly submit companion bills that would pave the way for the City of Niagara Falls’ Local Law and Public Hearing and that copies of this resolution be sent immediately to the City of Niagara Falls’ state representatives.

City Controller, Daniel Morello, gave a presentation on the budget. The presentation involved comparing the City of Niagara Falls to similar municipalities and their budgets. The Controller stated that Niagara Falls was very similar to the municipalities in the presentation. He also stated that Niagara Falls has additional costs that other municipalities do not incur because of our tourist population. Those costs must be considered in any comparison of similar municipalities.

Council Chairman Andrew Touma commented that these additional costs, which are directly related to our large tourist population, could partly be alleviated by more help from the State of New York. The State continues to generate millions of dollars in revenue due to the resources in Niagara Falls but does very little to help mitigate the costs which the City incurs because of the massive influx of tourists.

Chairman Touma stated “We don’t receive assistance from the state like we are a tourist city. The state benefits greatly from the revenue they bring in but are reluctant to incur some of the costs and we are forced to shoulder that burden. If the state gave us a share of what they generate it would help to alleviate some of the costs but they don’t. The state should be a better partner. The millions of tourists that we get is fantastic and we benefit from that of course, but it creates a very service intensive situation.

We need to maintain fire and police and additional services because we are a tourist city, but we must shoulder those additional costs without much help. State and local leaders do not work hard enough on our behalf in regards to the aid we get from the State. However, they are the first to say that we have a crisis in the City and are close to bankruptcy. The public needs to know that these are some of the obstacles we face and we do not want to continue to put the burden on the taxpayers.”

CONTRACT: CDBG & HOME GRANT AGREEMENT AMENDMENTS, CD HOUSING RENOVATIONS

Agenda Item #4

The 2017 CDBG and HOME budget, funded by the U.S. Department of Housing and Urban Development (HUD) was approved with a grant to Niagara Falls Housing Collaborative, a partnership between Neighborhood Housing Services and the Center City Neighborhood Development Corporation in the amount of $593,695. The grant agreements customarily run from July 1, 2017 through June 30, 2018. Due to delays in the federal release of funds as well as the ongoing development of a housing collaborative model to better comply with U.S. Housing and Urban Development guidance and standards, as well as an increase in the projected number of rehabilitation projects to be completed by the City of Niagara Falls Department of Community Development, an amendment to the approved 2017 Action Plan must be executed.

The creation of the Housing Collaborative is a compromise reached to ensure that all city residents have the same access to the housing renovation programs, based on federal guidelines and not geographic location and to better control long term administrative costs. Serving the residents of Niagara Falls and, adding value to our city’s housing stock in the process, is the purpose of the city’s residential renovation program, started in the late 1970s. Niagara Falls Community Development also respects the leadership roles of Center City Neighborhood Development Corporation and Niagara Falls Neighborhood Housing Services as well as the city employees that both supervise the entire housing renovation program and execute targeted housing rehabilitations. To that end, the Niagara Falls Community Development Department agrees to designate specific rehabilitations, within the traditional Niagara Falls renovation area to the Niagara Falls Community Development Department, and designate all other renovations to our sub recipients, as a part of this action plan.

NYS DEPARTMENT OF ENVIRONMENTAL CONSERVATION (DEC), ORDER ON CONSENT, AMENDED

Agenda Item #5
Recall that on or about September 7, 2016, the City entered into an Order on Consent with the DEC which, among other things, called for the City to clean up a City owned parcel of property off Porter Road which had operated as a solid waste management facility without approval from the DEC and had also been the site of illegal dumping operations by unauthorized persons. It was originally anticipated that the City’s Department of Public Works (“DPW”) could accomplish this task in-house but it soon became apparent that because of other pressing tasks this was not possible. After an extensive Request for Proposals process, the City selected a contractor to perform the necessary work and the City Council approved that selection and appropriated funds to accomplish it.

With the contractor selected and funding in place, the contractor has now mobilized and is on site performing its work. The City has been in discussions with the DEC to finalize this matter and it is now requested that an amended Order on Consent be entered into with the DEC. Attached hereto (on file in the City Clerk’s Office) is an amended “Schedule A” which details the various tasks to be accomplished and the dates for completion.

Will the Council so approve and authorize the Mayor to execute the amended “Schedule A” to the Order on Consent revised as of March 23, 2018?

CONTRACT: SLUM AND BLIGHT PREVENTION AND ELIMINATION, CDBG ACTION PLAN

Agenda Item #3
The conclusion of several Community Development projects has made remaining, unspent Community Development Block Grant funding originally earmarked for those projects available to be programmed to other eligible activities. The U.S. Department of Housing and Urban Development (HUD) requires that these unspent federal funds be expended in a timely fashion.

The Department of Community Development therefore seeks to make these funds available for several projects, each of which is eligible for CDBG funding under the HUD National Objective of preventing or eliminating slums or blight:

1.) Strategic Code Enforcement/Housing Court Costs. $35,000 in CDBG funds will be used to provide interim assistance to targeted code enforcement activities. This will take place through improvement of the technology used to track housing court violations, execute legal notices/fines, and present legal complaints to the Niagara Falls City Court. When the funds are expended on a site-specific project, they will be restricted to use in CDBG-eligible areas of the City.

2.) Improvement of Public Spaces/Place-Making. $65,000 in CDBG funds will be used to create or improve public facilities, and/or to provide interim assistance to the city’s upkeep of public spaces, which can include streets, sidewalks, parks, playgrounds, and publicly owned utilities.

3.) Renovation of Vacant Spaces. $100,000 in CDBG funds will be dedicated to the renovation costs associated with vacant buildings. These can include direct rehabilitation costs and the evaluation and reduction of lead-based paint hazards, as well as deferred loans and grants to city residents for these purposes.

CITY PROPERTY: 3RD STREET, 256, ASSESSMENT

Agenda Item #11
The cases referred to above are challenges to the assessment of the office building located at 256 – 3rd Street. They challenge the assessments as of the taxable status date of March 1 for the July 1, 2009 through July 1, 2017 assessment rolls.

The taxpayer challenged the assessments at the Board of Assessment review and then commenced these proceedings in State Supreme Court. After appraisals were exchanged, the matter was tried before the Honorable Ralph A. Boniello III, Justice Supreme Court who rendered a decision reducing the assessments as shown on the attached chart (on file in the City Clerk’s Office).

The reductions in assessments require refunds of City taxes in the amount of $83,186.67 plus statutory interest of approximately $8,055.10. The refunds will come from the City write-off account.
Will the Council authorize the payment of the necessary refunds? Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

DEFEATED
RESOLUTION: TOWING–RULES AND REGULATIONS, AMENDING CHAPTER 502, 2018-44
BY: COUNCIL MEMBERS KENNEDY, SCOTT, TOMPKINS, CHAIRMAN TOUMA

Agenda Item #19

BE IT RESOLVED, by the City Council of the City of Niagara Falls, New York that Chapter 502 of the Codified Ordinances entitled “Towing – Rules and Regulations” is hereby amended to read as follows:

502.06 Application for letter of authorization.

B. Term of letter of authorization.

(1) If an authorized city towing service is designated as authorized to tow, such firm will be issued a letter of authorization, which will expire on [December 31, 2003 or the December 31st of the next odd numbered year] an annual basis on December 31st. Re-issuance of such letter of authorization will be based on the past performance of said towing company and on continued compliance with all the provisions of this chapter.

(2) The letter of authorization represents an agreement to provide towing service to the Police Department [for not longer than two (2) years or until December 31 of the same year if odd numbered or until December 31st of the next odd numbered year] until December 31st of each year. The Superintendent of Police may renew this letter without requiring a new application, or he may decline to renew the letter of authorization at his discretion.

502.07 [Biennial] Annual license fee.

A. Prior to approval or re-issuance of a letter of authorization, an authorized towing service shall remit [a biennial] an annual license fee of [Three Hundred Dollars ($300.00)] one thousand dollars ($1,000.00) to the City. In addition to the annual license fee of one thousand dollars ($1,000.00), an authorized towing service shall remit to the City the sum of twenty-five dollars ($25.00) for each vehicle towed on behalf of the Niagara Falls Police Department. Said additional amounts shall be invoiced monthly to each authorized towing service. On or after April 26, 2018, an authorized city towing service shall be required to remit the annual license fee upon expiration of its current letter of authorization and the re-issuance of a letter of authorization.

B. The letter of authorization shall not be transferable and the [biennial] annual license fee therefor shall not be prorated.

C. Rates to be charged for various towing services can be found in Section 502.14.

502.08 Minimum requirements for designation as authorized towing service.

B. An authorized towing service must also meet the following requirements:

(13) Each authorized towing service will provide a maximum of [seven (7)] ten (10) free towing/winching and jump start service calls of City/police cars and light trucks within the calendar year. Service calls in excess of [seven (7)] ten (10) for towing/winching shall be charged to the City at the rate stipulated in this ordinance. Service calls in excess of [seven (7)] ten (10) for jump start service calls will be charged to the City at a rate of $25.00 per service call. These vehicles will be towed to the City garage at 1785 New Rd.
502.17 Revocation of letter of authorization.

A. An authorized towing service may be removed from service by the Superintendent of Police via the process of rescinding the letter of authorization prior to the annual expiration date for violating the provisions of the letter of authorization, this chapter or for making materially false statements on the application for a letter of authorization.

B. If removed from the tow list a processing fee equal to the [biennial] annual payment will be submitted with the application for reinstatement.

RESOLUTION: PUBLIC HEARING, ABANDONMENT, ALLEY FROM RHODE ISLAND TO VIRGINIA AVENUES, 2018-45

BY: COUNCIL MEMBERS SCOTT, TOMPKINS, CHAIRMAN TOUMA

Agenda Item #20

WHEREAS, the City Council of the City of Niagara Falls desires to abandon a portion of the alley running north-south between Rhode Island Avenue to Virginia Avenue and parallel to Hyde Park Boulevard in order to facilitate utilization of the alley by abutting property owners; and

WHEREAS, the Planning Board of the City of Niagara Falls at its meeting on March 21, 2018 recommended that the City Council approve the abandonment of a portion of the aforementioned alley (a copy of the Planning Board resolution is attached hereto) (on file in the City Clerk’s Office); and

WHEREAS, the City Council did, by resolution, give notice of its intention to abandon a portion of the aforementioned alley and did direct the City Clerk to publish notice of such intention and that a public hearing would be held by the City Council at its meeting to be held in the Council Chambers on April 25, 2018 at 6:00 p.m. daylight savings time and advise that all persons interested would be heard thereon at that said time and place; and

WHEREAS, the hearing was duly held on April 25, 2018 at 6:00 p.m. daylight savings time in regards to said abandonment.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Niagara Falls, New York that a portion of the alley running north-south between Rhode Island Avenue to Virginia Avenue and parallel to Hyde Park Boulevard and abutting 3324 Hyde Park Boulevard and 3320 Hyde Park Boulevard and 3316 Hyde Park Boulevard is hereby abandoned, the said abandoned alley portion subject, however, to reservation of right of and for the City of Niagara Falls, the Niagara Falls Water Board and any utility companies, their successors and assigns to use, maintain, repair, replace and continue to maintain their services and operations in said abandoned alley. The said alley portion is bounded and described as follows:

The area commencing at the point 43.118227 N -79.035049 W heading in a southeasterly direction 104.7’ to the point 43.117952 N -79.034935 W, thence heading in a westerly direction 12’ to the point 43.117952 N -79.03498 W, thence heading in a northwesterly direction 104.7’ to the point 43.118227 N -79.035094 W, thence in an easterly direction 12’ to the beginning.
BE IT FURTHER RESOLVED that a certified copy of this resolution be filed in the Office of the Clerk of the County of Niagara and that the Mayor may sign deeds or other documents desirable to effectuate this abandonment.

COMMUNITY DEVELOPMENT: HYDE AND LIBERTY PARKS PROGRAMMING, CITY SCHOOL DISTRICT, MOU

Agenda Item #4

In March 2018, the Niagara Falls City Council voted to accept a $120,000 competitive grant, applied for by the Community Development Department, from the New York State Health Foundation to partially fund the Hyde Park Inclusionary Play Project installation and youth programming at both Hyde Park and Liberty (“Big Lou” Sirianni) Park. The funding will be allocated, as follows:

- $50,000 – Installation of Hyde Park Inclusionary Play Playground
- $70,000 – Summer youth programming at Hyde and Liberty Parks

The City of Niagara Falls will partner with the Niagara Falls City School District, EMPOWER and the community at large, to plan summer events focused on community health, free play and the creation of opportunities for children/families with special mobility and behavioral needs. These two parks will act as educational satellites for events and activities, open to all city residents. While this grant focuses on two specific parks, this program is part of a city-wide strategy of park investment and youth-centric activities.

The grant also provides the opportunity to partner with neighborhood liaisons and execute a Niagara Falls City School District Science, Technology, Engineering, Arts and Math (STEAM) and physical education curriculum in the summer months. This project does not require any new local matching dollars, as we leveraged the Community Development Block Grant investments at both parks, guided by the 2017 Participatory Budgeting (PB 360) Process.

Per the terms of the grant award, the proposed Memorandum of Understanding (MOU) with the Niagara Falls City School District will provide $8,000 to fund a Summer Youth Programming Coordinator. The person selected to fill this position will be a New York State-certified teacher, consistent with the district’s summer programming compensation rates. Any unused funds will be dedicated to 2019 programming as the New York State Health Foundation grant follows a two year cycle. The role of the coordinator will be to schedule, promote, attend, and report on evaluation data for all events in the months of July through September. In addition she/he will create, coordinate and execute STEAM and physical education curriculum at the parks.

The Niagara Falls City School District will post this job opportunity, per its summer employment posting process, upon approval from the Niagara Falls City Council and Niagara Falls City School Board.

Will the Council vote to so approve and authorize the Mayor to execute the MOU with the Niagara Falls City School District, in a form acceptable to the Corporation Counsel?

Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

CONTRACT: SURVEILLANCE CAMERAS, NIAGARA MOHAWK POWER CORP.

Agenda Item #8
As you are aware, the City is continuing its initiative to install cameras for surveillance purposes at critical locations throughout the City. These cameras are to be mounted on various electric utility poles owned by Niagara Mohawk Power Corporation (“NMPC”). In order to accomplish this, NMPC requires the City to enter into an agreement with it which specifies the location of the various poles, of which there are seven (7), and also requires the City to pay NMPC for utilizing these locations. The current rate is $14.04 per pole attachment per year. This fee may be changed periodically by NMPC. Attached hereto (on file in the City Clerk’s Office) is a copy of the agreement forwarded to the City by NMPC.

The Mayor has already executed this agreement. Will the Council so approve and allow the Mayor to execute this agreement on a “nunc pro tunc” basis?

CONTRACT: KABOOM! COMMUNITY PARTNER, LEGENDS PARK, PLAYGROUND

Agenda Item #3

Pursuant to a competitive application submitted in March 2018, KaBoom! Inc. has offered to collaborate with the City of Niagara Falls on the construction of a new playground at Legends Park. This site serves as an alternative to the original 7th Street site. In recent weeks, KaBoom! Inc. agreed to consider Legends Park as a secondary site.

In early 2018, the Ralph C. Wilson Foundation, in partnership with KaBoom!, announced the Built to Play Initiative to provide more opportunities for kid-driven free play across Western New York and Southeast Michigan. The Niagara Falls Community Development Department applied to the “Build It With Kaboom!” grant as a component of the Built to Play Initiative.

The Build It With KaBoom! model includes an extensive community design process and volunteer installation. If approved, that design process will determine the playground’s exact location, within Legends Park. This initiative would both add lasting value to the neighborhood and create an opportunity for civic engagement through the design/installation process. The park is already maintained by the City of Niagara Falls, and the addition of a playground is consistent with the 2012 City of Niagara Falls Parks Master Plan. The Build It With Kaboom agreement offers both playground equipment and design services for the ADA compliant playground. All of the playground equipment includes specific warranties. Per KaBoom!, this project can be completed within the 2018 construction season.

This requested action does not expend general fund or casino fund dollars. The KaBoom! Community Partner Agreement requires an $8,500 local fundraising investment as a match. The Niagara Falls Community Development Department proposes using United States Department of Housing and Urban Development Community Development Block Grant (CDBG) funds, applicable as part of the proposed “Improvement of Public Spaces/Place-Making” CDBG budget amendment on this City Council agenda.

Will the Council vote to so approve and authorize the Mayor to execute the KaBoom Community Partner Agreement, in a form acceptable to the Corporation Counsel?

THE FOLLOWING COMMUNICATIONS WERE SUBMITTED BY THE MAYOR

CONTRACT: NORTH END FOOD ACCESS, REQUEST FOR PROPOSAL, CDBG FUNDS

Agenda Item #1

The Niagara Falls City Council approved a proposal for the North End Food Access RFP on October 2, 2017. Funds for this RFP were made available from unexpended 2015 and 2016 CDBG funds previously budgeted for the Highland Avenue area and 2017 CDBG Annual Action Plan funds approved on July 17, 2017 in the total of $166,090.00. The North End Food Access RFP is intended to lead to the declassification of the Highland Ave area of Niagara Falls as a food desert as identified by the U.S. Department of Agriculture. The Department of Community Development received one valid response to the RFP from the African Heritage Food Co-Op.
The United States Department of Agriculture (USDA) defines a “food desert” as a part of the country vapid of fresh fruit, vegetables, and other healthful whole foods, usually found in impoverished areas. This is largely due to a lack of grocery stores, farmers' markets, and healthy food providers. Further, USDA states that individuals living more than ½ mile (urban areas) or more than 10 miles (rural areas) from the nearest supermarket, supercenter, or large grocery store are living in a food desert. Per these federal definitions, the City of Niagara Falls’ North End (Census Tracts 202 and 204) is a food desert. The original purpose of the North End Food Access RFP, as advertised, was to award the aforementioned funding to:

1. A permanent store or cooperative, within the aforementioned federal census tracts, that gives residents a daily opportunity to shop for and purchase fresh produce and food products at competitive price; and/or
2. A mobile food service model, within the aforementioned federal census tracts, that gives residents a daily opportunity to shop for and purchase fresh produce and food products at competitive price.

This requested action does not expend general fund or casino fund dollars. In recent months, Niagara Falls Community Development has successfully executed a due diligence and financial review process with the African Heritage Food Co-op. The presentation of this council agenda item for vote is the culmination of that process. Will the Council vote to so approve and authorize the Mayor to execute the Agreement, in a form acceptable to the Corporation Counsel?

Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

COMMUNITY DEVELOPMENT: FEDERAL BUDGET FINALIZATION, HUD, CDBG, HOME, ESG PROGRAMS

Agenda Item #2

The City Council approved the draft Fiscal year 2018 Consolidated Annual Action Plan in December 2017. The Consolidated Annual Action Plan includes annual funding allocations from HUD for the City’s CDBG, HOME, and ESG programs. These budgets were created via public participation and then presented to the City Council in draft form, using an estimate from the 2017 actual budget amount, to accommodate the city and federal governments’ differing fiscal year budget schedules. HUD’s final Fiscal year 2018 allocations were released on May 1, 2018. Cumulatively, the City’s final CDBG, HOME, and ESG allocation is 11.4 percent higher than the $2,720,441 budget previously presented to the community and approved by the City Council. In comparison, the difference between the 2017 draft consolidated annual action plan and the final federal allocation was cumulatively reduced 4.9 percent, with CDBG being reduced 5.2 percent, HOME being reduced 5.7 percent, and ESG being reduced 0.8 percent.

The individual programs for FFY 2018 are affected as follows:

06/06/2018
The Liberty Park Project will not require any municipal general fund or casino capital fund revenue. Any contingency payments will be funded by CDBG rather than the City of Niagara Falls. Alternate one would replace the surrounding chain link perimeter fence and alternate two would remove and relocate the existing swing set frames within the park and relocate them to a new space, within the park. The administration recommends that the city not award alternate one at this time, and rather bid it later in the project process in order to solicit a more competitive cost. This equipment will not add a new maintenance burden to the Department of Public Works, as there is already a need for maintenance now.

The entire project, including the purchase of equipment and installation, will be funded by United States Department of Housing and Urban Development Community Development Block Grant (CDBG) grant funds. CDBG funds were allocated to this project via the 2017 Participatory Budgeting Process (PB360). The Niagara Falls City Council approved a $360,000 CDBG allocation to fund PB360 as part of the 2017 Niagara Falls Community Development Action Plan. The City of Niagara Falls is only the second American city to use participatory budgeting for this purpose, a process in which citizens directly vote on public projects, to allocate CDBG funds.

The proposed playground facility is designed to offer physical activity and fitness opportunities to residents of all ages. Features include safety surfacing, pull up bars, push up bars, vertical ladders, horizontal ladders and a mobility course. In partnership with the Niagara Falls City School District, physical activity sessions will be scheduled throughout the summer months. Niagara Falls Community Development was awarded a New York State Health Foundation to fund programming at Liberty Park in 2018 and 2019. The Niagara Falls City Council passed a resolution in support of this grant and accepted the funding award in 2018.

The Liberty Park Improvement Project will transform a blighted park into a place for the community to come together with physical activity and fitness. The playground set has been in a state of disrepair for years and all other park amenities are aged considerably. The makeup of the community surrounding Liberty Park is largely residential and densely occupied. This project is part of our department’s and the City of Niagara Falls’ continuing effort to increase and improve youth facilities and services in our community. Improvement at Liberty Park are consistent with the adopted Niagara Falls Parks Master Plan.

Will the Council vote to so approve and authorize the Mayor to execute a contract for the installation of this equipment, in a form acceptable to the Corporation Counsel?

Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

CONTRACT: TOWN OF NIAGARA, MUNICIPAL COOPERATION AGREEMENT

Agenda Item #4

Pursuant to an amended Municipal Cooperation Agreement between the City and the Town of Niagara (the “Town”) executed on or about November 9, 2015, the City acquired two (2) golf carts from the Town which the Town had no use for at that time. At that time, the Director of the Department of Public Works (“DPW”) speculated that the DPW may have a use for those golf carts. Those golf carts apparently have various Town logos and decals affixed to them.

The Town has now requested that the City return those golf carts to it because the Town Police Department is able to utilize them in some capacity. The City DPW, meanwhile, has not had any use for those golf carts nor does it have any plans to utilize those golf carts in the future. Moreover, it would take resources to delete the decals and logos and install at least one new battery.
The City is planning to resurface a portion of Lockport Road that goes into the Town. During this construction project, it will be necessary to restrict/eliminate the flow of traffic on Lockport Road from the Town into the City. In exchange for the City returning the two (2) golf carts to the Town, the Town will provide whatever police and other support as is necessary in order to restrict/eliminate traffic from proceeding on Lockport Road from the Town into the City.

Will the Council so approve and authorize the Mayor to execute a Municipal Cooperation Agreement satisfactory to the Corporation Counsel, a copy of which is attached hereto (On File in The City Clerk’s Office)?

CITY PROPERTY: 87TH STREET, 608, SALE, ARIDA, JOHN

Agenda Item #6

The administration recommends that the sale of 608 87th Street, for $1,100, be approved by the Niagara Falls City Council. The purchaser is John Arida. 607 87th Street was originally offered for sale through the 2016 Home Ownership Auction, after being pulled from the IN-REM foreclosure list. It was bid on at auction, but that bidder ultimately did not close on the sale, forfeiting his bidder bond. Mr. Arida responded to an official request for proposal process for 608 87th Street, per the Legal Department and City Council’s recommendation. He was the sole respondent.

Mr. Arida inquired about the property earlier this year, and toured the interior. He recently purchased and renovated 821 88th Street, listing it for sale. It is Niagara Falls Community Development’s opinion that renovation and sales of prime occupancies can benefit this neighborhood, with its high performing real estate transaction history.

Will the Council vote to so approve and authorize the Mayor to execute a contract for the sale of this property, in a form acceptable to the Corporation Counsel?

Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

COMMUNITY DEVELOPMENT: MENTAL HEALTH COUNSELING SERVICES, HOMELESS YOUTH

Agenda Item #7

The City awarded CDBG funds to Family & Children’s Services of Niagara to provide mental health counseling services to homeless youth in Community Development’s 2017 Action Plan. While the 2017 program year began on July 1, 2017, the City did not receive its funding from the U.S. Department of Housing and Urban Development until January 1, 2018. This, coupled with the agency’s need to follow state-mandated hiring requirements for mental health counselors, has delayed the hiring of the youth counselor.

At this time, the counselor has been hired and will begin serving homeless children immediately. It is requested that Council approve an amendment to the contract, setting new program dates of 7/1/18 to 6/30/19. This will allow for timely expenditure of CDBG funds while also providing an appropriate level of service from the subrecipient.

Will the Council vote to approve the proposal presented herein and to authorize the Mayor to execute any documents necessary to effectuate the same?

Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

Agenda Item #15

The Niagara Falls Public Library was selected to receive United States Department of Housing and Urban Development (HUD) Community Development Block Grant (CDBG) funds as part of the 2018 Community Development Action Plan. The grant amount was $27,000 for “upgrade and renovation of sound and projection system in Main Street branch auditorium.” While the original application from the library called for these auditorium upgrades, ongoing climate control issues have been identified, by both the city and the library, as more urgent needs.

This council agenda item would reprogram the $27,000 grant to Main Branch Heating/Cooling Repairs as part of the final draft of the 2018 Community Development Action Plan being submitted to HUD for review and approval. This reprogramming request is consistent with the department’s public participation policy. Access to these funds is contingent upon HUD and Congressional approval. The department will also request the appropriate application materials from the library consistent with other CDBG funded projects.

Will the Council vote to approve this walk-on and authorize the Mayor to execute any documents necessary to effectuate the same?

Agenda Item #16

The Earl W. Brydges Library is experiencing significant problems with its HVAC system. This, combined with recent warm temperatures, has resulted in library closures from time to time because of high temperatures inside the building.

Johnson Controls has provided estimates in order to proceed to perform necessary repairs on an immediate basis. The sum of $23,650.00 is requested for repairs to the library HVAC system controls and an additional $8,581.00 is requested to perform repairs to the cooling tower and elements of the cooling system for a total of $32,231.00. These repairs will be accomplished as soon as possible.

Funding is available from casino revenue fund balance. $27,000.00 in HUD CDBG funds are being reprogrammed to pay for these repairs up to the amount of $27,000.00. Upon receipt, those funds will reimburse the casino revenue fund balance in the amount of $27,000.00.

Will the Council so approve and authorize the Mayor to sign any work orders necessary to proceed with these repairs?

THE FOLLOWING COMMUNICATIONS WERE SUBMITTED BY THE MAYOR

CONTRACT: 2112 TENTH STREET, RENOVATION, CHDO AGREEMENT

Agenda Item #1

HUD regulation requires that at least 10% of the City’s HOME grant be spent for CDHO activities. Center City qualifies as a Community Housing Development Organization. These funds are available to CCNDC for rehabilitation of properties owned by Center City.

Center City has proposed renovation of 2112 Tenth Street, which is a two-family home, under the CHDO program. The City will enter into an agreement with Center City which will require, among other things, that the renovated property is available to low income tenants for 15 years, and that rents are limited under HUD rent limitations.

Center City will use $25,216.66 of 2017 CHDO funds for the 2112 Tenth Street rehabilitation. While the funds have been appropriated for this purpose in Community Development’s 2017 Annual Action Plan, each specific CHDO contract requires City Council approval.

Will the Council vote to approve the 2112 Tenth Street CHDO agreement with Center City as set forth herein, and authorize the Mayor to execute any documents necessary to effectuate the same?

Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

Agenda Item #3

The Director of Community Development has been in discussions with representatives from State Parks and the Niagara Falls Dog Park, Inc. ("NFDP"), a not-for-profit corporation, concerning the establishment of a dog park open to the public in Deveaux Woods State Park and the operation of that dog park. The dog park will be constructed on real estate owned by State Parks in Deveaux Woods State Park and will be open to the public. The City will contribute the required fencing and various other dog park amenities to this project. During its meeting on April 17, 2017, the City Council voted to approve the purchase of items necessary for the dog park in the amount of $17,042.25. These were dollars provided by CDBG grant funds. The day to day operation of the park will be overseen by NFDP while State Parks will take care of mowing the grass as well as minor repairs to the latches or gates on the fence.

Attached hereto (on file in the City Clerk’s Office) is a copy of the draft agreement which details the responsibilities of the various parties.

Will the Council so approve and authorize the Mayor to execute an agreement provided the same is in form and content satisfactory to the Corporation Counsel?

NIAGARA SCENIC PARKWAY, REMOVAL

Agenda Item #4

An agreement has been reached between the Power Authority of the State of New York ("NYPA"), the New York State Office of Parks, Recreation & Historic Preservation ("State Parks"), the New York State Department of Transportation ("NYSDOT"), the USA Niagara Development Corporation ("USAN"), and the City of Niagara Falls (the "City"), which is the next step in the ROBERT MOSES PARKWAY NORTH SEGMENT REMOVAL PROJECT (Project). This construction project is estimated to cost $38,500,000. It is largely funded through NYPA ($36,500,000), with the balance being paid for by New York State Office of Parks Recreation and Historic Preservation ($2,000,000). No municipal capital funds are required for this Agreement to take effect.

Since constructed in 1962, the former Robert Moses Parkway has not just been the subject of severe criticism but a malignancy that has decimated our community by having cut off both residents and visitors from the Niagara River, Niagara River Gorge, and the public lands connected thereto. The Parkway, rather than being the transportation link in service of economic development and city-building, instead only served to create an effective by-pass around the City and its Main Street, Pine Avenue, and other traditional business corridors.

This Project, more than any before marks the largest removal, reconfiguration and regeneration of urban land since a portion of the Parkway passing through Niagara Falls State Park and Prospect Park was removed in the late 1970s. Similar to the preceding ‘South Segment Removal Project,’ also know as Riverway, this Project will achieve unprecedented public access to the northerly portion of the rim of the Niagara Gorge, through the construction of new ‘tourism infrastructure,’ which includes but is not limited to the following:

1. Full-depth reconstruction of Whirlpool Street from Cedar Avenue to Findlay Drive, removal of Whirlpool Street from Walnut Avenue to Cedar Avenue and undertaking a mill and overlay of Whirlpool Street between Walnut Avenue and Main Street along with the installation of new curbs/sidewalks and restoring the name of this segment to its original name of "Second Street";
2. Full-depth reconstruction of Third Street from Main Street to Cedar Avenue in a manner consistent with that of Whirlpool Street between Cedar Avenue and Findlay Drive;

3. Construction/reconstruction of selected segments of streets adjoining or connecting to Whirlpool and Third Streets to facilitate a complete network, including but not limited to: extending Walnut Street to the Niagara Gorge Discovery Center; reuse/reconstruction of a former entrance to the Parkway as an entry drive for the Niagara Gorge Discovery Center to be known as "Discovery Way;" and repaving of an unimproved segment of Spring Street adjoining Whirlpool Street and Findlay Drive, and;

4. Selected improvements to existing City owned parking areas along Whirlpool Street at: Ashland Avenue, and near the City owned train station at Ontario Avenue.

These improvements are to be undertaken during Phase 1 of the project. Various other improvements will be made during Phases 2 and 3 of the project. Phase 1 is projected to begin in the Fall of 2018 and be completed by the Fall of next year (2019). Likewise, Phase 2 and Phase 3 starting in 2019 and be completed in September 2020 and June 2021 respectively.

Additionally, the Parkway’s removal, reconfiguration of Whirlpool Street and the expansion of Niagara’s waterfront parks enables full implementation of various development strategies that will support the long-term growth and development of Niagara Falls tourism, especially in the adjacent Core City neighborhoods and business districts.

Attached hereto (on file in the City Clerk’s Office) is a copy of the proposed agreement between all parties. Will the Council so approve and authorize the Mayor to execute this agreement on behalf of the City of Niagara Falls?

Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

CONTRACT: WRESTLING CLUB, AMENDMENT

Agenda Item #3
The City of Niagara Falls’ 2015 United States Housing and Urban Development (HUD) Action Plan included a $10,000.00 Community Development Block Grant (CDBG) for to the Niagara Falls Wrestling Club, Inc. (a/k/a Niagara Falls Power Cats Wrestling Club) for capital improvements.

An amendment to the original contract was approved by the City Council in December 2017. This amendment approved an increase from $10,000 to $11,906.00, to accommodate federally mandated Davis-Bacon wage rates, and to match the lowest quote received.

However, the contractor that had agreed to that price has since declined to move forward with the project. The next lowest bid received was for $15,900.00. Community Development has sufficient unallocated program income to make up the additional cost for the project. These funds cannot be used for administrative purposes but can be dedicated to capital expenses. It is proposed that 2015 Community Development funds and program income in the amount of $15,900.00 be approved for window replacement at 2402 Niagara Street. This change is consistent with the original intent of the 2015 CDBG allocation.

Will the Council vote to approve the proposal presented herein and to authorize the Mayor to execute any documents necessary to effectuate the same?

The City awarded Emergency Solutions Grant (ESG) funds to Community Missions to provide administer emergency shelter, rapid rehousing, and homeless prevention services as part of Community Development’s 2017 Action Plan. While the 2017 program year began on July 1, 2017, the City did not receive its funding from the U.S. Department of Housing and Urban Development until January 1, 2018. This delay necessitates an extension of the 2017 contract to ensure full expenditure of the ESG funds and the provision of service of the maximum number of individuals.

It is requested that Council approve an amendment to the contract, setting new program dates of 7/1/17 to 09/30/18. Will the Council vote to approve the proposal presented herein and to authorize the Mayor to execute any documents necessary to effectuate the same? Agenda Item #6

The Niagara Falls Community Development Department (CD) hosted the 2018 Niagara Falls Community Development Home Ownership Auction in June. All ten houses were successfully bid on, with corresponding purchase prices listed attached (on file in the City Clerk’s Office). Disposition of these properties is consistent with the Niagara Falls Planning Board’s recommendation to sell properties foreclosed upon by the City in 2017, via the IN-REM process.

The 2018 Home Ownership Auction follows the same key guidelines as past years:

• Successful bidders must agree to own and live in the home as prime occupant for no less than five years and pay all applicable property taxes.

• Successful bidders must submit a renovation plan, designating work to be completed by the owner and/or contractors, as well as possess the financial ability to execute the renovation prior to completing the sale agreement with the City of Niagara Falls. This step has been completed for 2018 properties.

• If the above terms are not met after the purchase of the property, ownership will revert back to the City of Niagara Falls.

• Successful bidders were required to pay a bidder’s fee and a bidder bond of $500. The bidder bond is to only be returned upon the completion of the renovation. Successful bidders also paid 10 percent of the successful bid price to the auctioneer, Auctions International, financing the costs of the auction. The City of Niagara Falls’ only auction costs was legal advertising.

CD Staff has already conducted the post auction meeting with all ten successful bidders, all of whom paid the bidder bond and auctioneer fee. In order to process sale closings during the construction season, CD requests Niagara Falls City Council approval of these properties as a group.

Will the Council vote to approval the sale of these properties and allow the Mayor to execute related the contractual agreements? Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

CONTRACT: 19TH STREET, 501, RENOVATION, CHDO

Agenda Item #10

HUD regulation requires that at least 10% of the City’s HOME grant be spent for CDHO activities. NHS qualifies as a Community Housing Development Organization. These funds are available to NHS for rehabilitation of properties owned by NHS.

NHS has proposed renovation of 501-19th Street, which is a two-family home, under the CHDO program. The City will enter into an agreement with NHS which will require, in part, that the renovated property is available to low income tenants for 15 years, and that rents are limited under HUD rent limitations.

NHS will use $25,216.65 of 2017 CHDO funds, $25,409.93 of 2016 CHDO funds, and $22,316.00 of HOME Investment Partnerships program income for the 501-19th Street rehabilitation. While the funds have been appropriated for this purpose in Community Development’s 2016 and 2017 Annual Action Plan, each specific CHDO contract requires City Council approval.

Will the Council vote to approve the 501-19th Street CHDO agreement with NHS as set forth herein, and authorize the Mayor to execute any documents necessary to effectuate the same?

RESOLUTION: ADDING CHAPTER 746 OF THE CODIFIED ORDINANCES ENTITLED ‘AGGRESSIVE PANHANDLING”, 2018-81

BY: ALL COUNCIL MEMBERS

Agenda Item #17

BE IT RESOLVED, by the City Council of the City of Niagara Falls, New York that Chapter 746 of the Codified Ordinances entitled “Aggressive Panhandling” is hereby added to read as follows:

COPY ATTACHED.
746.01   Legislative Findings and Declaration

This legislation is adopted in order to protect persons from threatening, intimidating or harassing behavior, to keep public places safe and attractive for use by all members of the community and to maintain and preserve public places where all of the community can interact in a peaceful manner. This legislation is also intended to provide for the free flow of pedestrian and vehicular traffic on streets and sidewalks in the City of Niagara Falls, to promote tourism and business and preserve the quality of urban life. The City Council finds that aggressive acts associated with solicitation tend to interfere with the free flow of pedestrian and vehicular traffic and intimidate persons in public places, and can lead to disruption and disorder in public places. Aggressive acts can also cause persons to avoid public places and lead to declining patronage of commercial establishments and tourism. The City Council further finds that solicitation in certain public places is inconsistent with the use of those places, is inherently intimidating, targets persons who are captive audiences or constitutes an invasion of privacy as persons are not able to simply move on if they do not wish to speak to the person soliciting. Solicitation in proximity to bank entrances or check-cashing businesses or automated teller machines is inherently intimidating and should be restricted. By this legislation, the City Council intends to promote the health, safety and welfare of the citizens and visitors to the City.

746.02   Aggressive Panhandling

Whenever the following words and phrases are used in this section, they shall have the following meanings:
(a) “Aggressive Manner” – Intentionally or recklessly making any physical contact with or touching another person in the course of the solicitation, or approaching within an arm’s length of the person, except with the person’s consent.
Following the person being solicited, if that conduct is:
(1) Intended to or is likely to cause a reasonable person to fear imminent bodily harm or the commission of a criminal act upon property in the person’s possession; or
(2) Is intended to or is reasonable likely to intimidate the person being solicited into responding affirmatively to the solicitation;
(3) Continuing to solicit within five feet of the person being solicited after the person has made a negative response, if continuing the solicitation is:
i. Intended to or is likely to cause a reasonable person to fear imminent bodily harm or the commission of a criminal act upon property in the person’s possession; or
ii. Is intended to or is likely to intimidate the person being solicited into responding affirmatively to the solicitation;

(4) Intentionally or recklessly blocking the safe or free passage of the person being solicited or requiring the person, or the driver of a vehicle, to take evasive action to avoid physical contact with the person making the solicitation;

(5) Intentionally or recklessly using words:
   i. Intended to or likely to cause a reasonable person to fear imminent bodily harm or the commission of a criminal act upon property in the person’s possession; or
   ii. Intended to or likely to intimidate the person being solicited into responding affirmatively to the solicitation.

(b) “Automated Teller Machine” – A device, linked to a financial institution’s account records, which is able to carry out transactions, including but not limited to account transfers, deposits, cash withdrawals, balance inquiries, and mortgage and loan payments.

(c) “Automated Teller Machine Facility” – The area comprised of one or more automated teller machines, and any adjacent space which is made available to banking customers after regular banking hours.

(d) “Banking Organization” – All banks, trust companies, private bankers, savings banks, industrial banks, safe deposit companies, saving and loan associations, credit unions and investment companies as defined in § 2 of the New York State Banking Law.

(e) “Licensed Cashier Of Checks” – Any individual, partnership, unincorporated association or corporation duly licensed by the New York State Superintendent of Banks to engage in business pursuant to the provisions of Article IX-A of the New York State Banking Law.

(f) “Parking Ramp” – The parking ramp owned by the City of Niagara Falls located on Rainbow Boulevard or any other parking ramp facility.

(g) “Parking Station” – The municipal parking lots owned by the City of Niagara Falls.

(h) “Public Place” – Any area or building owned, leased, operated or controlled by or on behalf of any government, municipality, public authority or public corporation in the City of Niagara Falls which is generally accessible by the public,
including but not limited to any street, including the sidewalk portion thereof, skyway, bridge, tunnel, park, playground, recreation area, cemetery, school or school grounds, building, facility, driveway, parking lot or parking ramp, and the doorways and entrances to buildings and dwellings.

(i) “Solicit” – Shall include, without limitation, the spoken, written, or printed word or such other acts or bodily gestures as are conducted in furtherance of the purposes of immediately obtaining money or any other thing of value.

746.03 AGGRESSIVE MANNER.
No person shall solicit in an aggressive manner in a public place.

746.04 AUTOMATED TELLER MACHINE.
No person shall solicit within 20 feet of an automated teller machine or an entrance or exit of an automated teller machine facility during the time the automated teller machine is available for customers’ use; or within 20 feet of an entrance or exit to a banking organization or a licensed cashier of checks during its business hours.

746.05 BUS SHELTER/BUS STOP.
No person shall solicit when either the person soliciting or the person being solicited is in a bus shelter or at a bus stop.

5 AGGRESSIVE PANHANDLING 746.06

746.06 PARKING RAMP/PARKING STATION.
No person shall solicit in a parking ramp or parking station.

746.07 PUBLIC SKYWAY OR TUNNEL.
No person shall solicit in any portion of a public skyway or tunnel.

746.08 SIDEWALK OR ROADWAY.
No person on a sidewalk or alongside a roadway shall solicit from any occupant of a motor vehicle that is on a street or other public place.

746.09 PENALTIES.
A violation of this Chapter shall be a “violation” as that term is defined in the Penal Law. A person convicted of violating this section shall be fined not less than $25.00 nor more than $250.00, and, in addition, for a second conviction within 12 months of a preceding conviction, may be imprisoned for a term not longer than 15 days. In lieu of a fine, the court may impose an appropriate alternative sentence; provided, however, that an alternative sentence shall not be an unconditional discharge.

746.10 SEVERABILITY.
If any provision of this section is declared invalid or unconstitutional for any reason, the remaining provisions shall be severable and shall continue in full force and effect.

RESOLUTION: NIAGARA STREET ELEMENTARY SCHOOL HOSTING FAMILY SUMMER SPLASH BASH, 2018-82
BY: ALL COUNCIL MEMBERS

Agenda Item #18
WHEREAS, On August 15, 2018 Niagara Street Elementary School is hosting its first community activity for incoming Pre-K students and their families; and

07/18/2018
WHEREAS, the event will be a Family Summer Splash Bash from 9 a.m. to noon at the Hyde Park Splash Pad and Gazebo; and
WHEREAS, the families will have an opportunity to meet classroom teachers, classroom associates, administrators and volunteers. In addition, several community organizations have been invited to share resource information for the benefit of the families; and
WHEREAS, there is a $150 rental fee at the Hyde Park Splash Pad and Gazebo for the three hours of use. On behalf of Niagara Street Elementary, I’m requesting the Niagara Falls City Council to consider waiving the fee because this is a not-for-profit event (letter on file in the City Clerk’s Office). It is also not a personal or private activity.
This community outreach is a first for us at the pre-k level and our goal is to reach every parent someway. Thank you so much for your consideration.
NOW, THEREFORE, BE IT RESOLVED that this Niagara Falls New York City Council hereby waives the rental fee of $150 for use of Hyde Park Splash Pad and Gazebo on August 15, 2018 between the hours of 9 a.m. to noon for the first annual Family Summer Splash Bash.

RESOLUTION: CONCERNS OVER JANUS DECISION WHICH WOULD WEAKEN PUBLIC SECTOR UNIONS, 2018-83
BY: COUNCIL MEMBERS KENNEDY, SCOTT, TOMPKINS, CHAIRMAN TOUMA

Agenda Item #19
WHEREAS, the U.S. Supreme Court has heard arguments in the case of Janus v. American Federation of State, County and Municipal Employees; and
WHEREAS, the plaintiff in the case charges that the fair-share fees collected by public-sector unions from workers who don’t become members are a violation of the dissenting workers’ First Amendment rights; and
WHEREAS, this challenges federal case law set nearly 40 years ago when in 1977 the Supreme Court unanimously ruled in Abood v. the Detroit Board of Education that although public school teachers cannot be required to join a union or to contribute to the union’s political expenditures, they can be required to pay their fair share of the costs that the union incurs in negotiating and administering an agreement on behalf of all teachers; and
WHEREAS, this case and its dangers are substantively similar to the case of Friedrichs v. California Teachers Association, for which a lower court ruling in favor of the defendants only prevailed due to a vacancy on the Supreme Court; and
WHEREAS, the Janus plaintiffs have followed the same legal strategy as the Friedrichs plaintiffs; and
WHEREAS, the newest Supreme Court Justice Neil Gorsuch is likely to side with the four justices who were willing to rule with the plaintiffs in Friedrichs; and
WHEREAS, this means that although public-sector unions would still be obligated to represent all members of their bargaining units, they would no longer be assured of receiving fees to compensate them for the costs of representing nonmembers, which could deeply undercut the unions’ financial viability; and
WHEREAS, the Janus case is driven by the same movement that has been working for at least two decades to undermine labor unions so as to reduce their influence on politics and public policy on behalf of working people.
NOW, THEREFORE, BE IT RESOLVED, that this City Council expresses its grave concerns regarding the Janus case and its outcome for our economy and our workforce; and
NOW, THEREFORE, BE IT RESOLVED, that the Executive Assistant of the City Council forwarded certified copies of this resolution to the Niagara-Orleans Labor Council AFL-CIO, United Steelworkers Local 9434, the Local 801 Teachers Union, the Local 714 Fire Fighters Union, the Local 3359 Fire Officers Union, the Niagara Falls Police Club, Niagara Falls Captains and Lieutenants Association, local Niagara County Legislature, Congressman Brian Higgins, Assemblyman Angelo Morinello, and Senator Robert Ortt.

RESOLUTION: HONORING THE BRAVERY OF OFFICER PATRICK CICCARELLI, 2018-78
BY: ALL COUNCIL MEMBERS

Agenda Item #20
WHEREAS, Patrick Ciccarelli was the Officer who single handedly arrested Yong Yu, who was wanted by police in New York City for allegedly chopping his pregnant wife’s arm off during a domestic dispute; and
WHEREAS, Superintendent Bryan DalPorto is giving high praise to Officer Patrick Ciccarelli, who captured a wanted man on Saturday June 23, 2018; and
WHEREAS, despite being on the force for less than two years, Officer Patrick Ciccarelli remembered his tactical training to effectively defuse a potentially dangerous situation. According to news sources, Yu was nabbed at a welcome center and was carrying a lifejacket purchased by a local Walmart that police believe he was going to use in an attempt to swim across the Niagara River into Canada.
WHEREAS, while patrolling the area by Rainbow Boulevard, Officer Ciccarelli was alerted to Yu’s possible presence inside the One Niagara Center, which is just steps away from the Rainbow Bridge international border crossing. A video was taken of Officer Ciccarelli putting handcuffs on Yu while he was sitting down eating; and
WHEREAS, Ciccarelli knew backup was on the way, didn’t wait for other officers to arrive to make the collar.
NOW, THEREFORE, BE IT RESOLVED that this City Council of Niagara Falls, NY does hereby honor Officer Patrick Ciccarelli for his bravery and quick action to apprehend Yong Yu.

CONTRACT: JAYNE PARK PLAYGROUND PROJECT, KOMPAN, INC.

Agenda Item #25

It is the administration’s recommendation that the Niagara Falls City Council approve of a proposal from Kompan, Inc. for equipment and installation related to the Jayne Park Playground Project. The Jayne Park Playground project will not require any municipal general fund or casino capital fund revenue. The entire project, including the purchase of equipment and installation, will be funded by a $200,000 Niagara River Greenway Grant. The Niagara Falls City Council approved of this grant earlier this year.

The Niagara Falls Community Development Department released a Request for Proposal (RFP) to establish a contract with a qualified vendor(s) to provide price proposals for the procurement of specific playground equipment and the installation of that equipment and safety surfacing in June 2018. Proposals were due on July 11, 2018. Kompan was the only respondent. This is a walk on request because full review response was completed after the agenda due date. The Niagara Falls Community Development Department is requesting walk on approval because the City Council is recessing for August. The goal is to complete this project in 2018, and loss of August would make that goal much more difficult. The Niagara Falls Community Development Department employed a similar RFP method for the completion of the Gill Creek Playground in 2013. The proposed playground will replace the existing, outdated facility, and will be located within the park. The design reflects input from area residents over the past two years.

Will the Council vote to approve the proposal presented herein and to authorize the Mayor to execute any documents necessary to effectuate the same?

RESOLUTION: RON’S PLACE FOR HAIR, HONORING, 2018-76
BY: ALL COUNCIL MEMBERS

Agenda Item #27
WHEREAS, Ron and his wife Gene moved from England to Niagara Falls, NY in 1963. Ron started cutting hair when he was only 14 years old; and

WHEREAS, Ron was renting a space on Main Street (now the Ice Bridge) from Tony Masocco. He did not stay very long until buying Pine Barber Shop’s book of business in 1964 located at 2910 Pine Avenue Niagara Falls, NY; and

WHEREAS, Ron ended up purchasing the building and has been on Pine Avenue since 1964. Ron is now 80 years old and has been cutting hair over 60 plus years in the City of Niagara Falls, NY; and

WHEREAS, Ron’s wife Gene, daughter Donna, son Scott, granddaughter Chelsea, and grandson Zachary have all worked for Ron at some point in time. Ron’s granddaughter Chelsea is still cutting hair today and owns Chelsea Salon & Day Spa located at 1114 Haeblerle Ave in Niagara Falls, NY. Ron and Gene also have an (inherited great-grandson) Jason who has been working in the business since he’s been 18 years old; and

WHEREAS, Mark Hager has known Ron and his family since he was 13 years old. “I have been able to know him on a personal level as well as a professional one. He really made me feel like family. I have had the privilege of working alongside of him for the last 22yrs. His work ethic is unsurpassed and it shows, having been in business for over 50yrs. Ron is one of the most generous, genuine and humble men I know. He has helped me and many others make a career. They really broke the mold when they made him. Just an all-around great guy”; and

WHEREAS, Maria “Rosati” Faso has been working for Ron since 1990. Maria mentioned one of the famous sayings Ron would tell his customers was “we aim to please”. “I’ve never worked anywhere that was so family oriented and welcomed. Never any conflicts and great atmosphere!” Ron retired in December 2017 and Mark Hager purchased the business in 2016; and

WHEREAS, Ron went through several expansions over the years on Pine Avenue. He also taught several local union barbers how to style hair that was taught to him in England.

WHEREAS, When Ron started off in 1963, it was only himself and one other barber chair; and

WHEREAS, today, Ron’s Place For Hair has a total of eight chairs and six employees offering everything from men’s haircuts to women’s full cut, color and shampoo services; and

WHEREAS, Ron was on the Executive Committee of the Barber’s Union and has been voted “Barber of the Year Award” from the local Chamber of Commerce, “Barber of the Year” from the Pine Ave Business Association, and “Barber of the Year” from the Barbers Union.

WHEREAS, Ron sponsored several youth programs over the years as a way of giving back to the local community.

NOW, THEREFORE, BE IT RESOLVED that this City Council does herby honor Ron’s Place For Hair for his many years of service to Niagara Falls. We wish him a wonderful and happy retirement.

3. Approval of Letter of Award – PIN 5761.62 – Cayuga Drive Resurfacing

4. Approval of funding for boiler for dehumidification system at Hyde Park ice rink

Respectfully submitted,

Andrew Touma, Council Chair
The August 7, 2018 Special Meeting of the Niagara Falls City Council was called to order by Council Chairman Touma at 5:00 PM in the Council Chambers.

Present: Council Members William Kennedy, Kenny Tompkins, Christopher Voccio, Chairman Andrew Touma.

Absent: Council Member Scott

Also Present: City Administrator Nicholas Melson, Corporation Counsel Craig H. Johnson, Deputy Corporation Counsel Thomas O’Donnell and City Controller Daniel Morello.

THE FOLLOWING COMMUNICATIONS WERE SUBMITTED BY THE MAYOR

RESOLUTION: MARCHISELLI PROGRAM-AID ELIGIBLE COSTS, BUFFALO AVE; CAYUGA DRIVE TO 102ND STREET, 2018-87

BY: COUNCIL MEMBER SCOTT, CHAIRMAN TOUMA

Agenda Item #1

WHEREAS, a Project for the Buffalo Ave. (Rt. 384); Cayuga Drive to 102nd Street, P.I.N. 5761.57 (the Project) is eligible for funding under Title 23 U.S. Code, as amended, that calls for the apportionment of the costs such program to be borne at the ratio of 80% Federal funds and 20% non-federal funds; and

WHEREAS, the City of Niagara Falls desires to advance the Project by making a commitment of 100% of the non-federal share of the costs of Buffalo Ave. (Rt. 384); Cayuga Drive to 102nd Street, Preliminary Engineering (Design I-VI) and Construction/Construction Inspection, phase 3.

NOW, THEREFORE, the City Council of the City of Niagara Falls, New York, duly convened does hereby

RESOLVE, that the City Council hereby approves the above-subject project; and it is hereby further

RESOLVED, that the City Council hereby authorizes the City of Niagara Falls to pay in the first instance 100% of the federal and non-federal share of the cost of work for the Project or portions thereof; and it is further

RESOLVED, that funds are hereby re-appropriated from Buffalo Avenue Phase 1 and made available to cover the cost of participation in the above phase of the Project; and it is further

RESOLVED, that in the event the full federal and non-federal share costs of the project exceeds the amount appropriated above, the City Council of Niagara Falls shall convene as soon as possible to appropriate said excess amount immediately upon the notification by the New York State Department of Transportation thereof, and it is further

RESOLVED, that the Mayor of the City of Niagara Falls be and is hereby authorized to execute all necessary Agreements, certifications or reimbursement requests for Federal Aid and/or Marchiselli Aid on behalf of the City of Niagara Falls with the New York State Department of Transportation in connection with the advancement or approval of the Project and providing for the administration of the Project and the municipality’s first instance funding of project costs and permanent funding of the local share of federal-aid and state-aid eligible Project costs and all Project costs within appropriations therefore that are not so eligible, and it is further

RESOLVED, that a certified copy of this resolution be filed with the New York State Commissioner of Transportation by attaching it to any necessary Agreement in connection with the Project, and it is further

RESOLVED, this Resolution shall take effect immediately.

CONTRACT: NYSDOT ADMINISTERED FEDERAL AID PROJECT, CAYUGA DR. RESURFACING, CONSULTANT SERVICES, GREENMAN PEDERSEN

Agenda Item #2

A contract for the above reference project was awarded to (GPI) Greenman Pedersen, Inc. on September 5, 2017 for professional services and design related tasks. Change Order #1 is to add funding for the tasks associated with Construction Support Services and Construction Inspection to the consultant’s current contract.

Therefore it is the recommendation of the undersigned, that Change Order #1 in the amount of $77,000.00 be approved.

Please note that the City is receiving 100% reimbursement from Federal Highway Administration, and New York State DOT up to a total project cost (including all Construction) of $1,110,000.00.

Will the Council vote to so approve, subject to receipt of signed funding agreements from New York State Department of Transportation, and authorize the Mayor to execute a contract in a form acceptable to the Corporation Counsel? Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

contract: actuarial equivalence testing, milliman inc.

Agenda Item #4
The City Controller is recommending that the City retain the services of Milliman, Inc. (“Milliman”) to perform actuarial equivalence testing in connection with the retiree drug subsidy. Milliman has much experience in this area and has worked in the past with Blue Cross and Blue Shield. Attached (on file in the City Clerk’s Office) is a copy of the engagement contract. The reports Milliman generates will likely result in the City receiving subsidy payments from the federal government. The cost of these actuarial services is $5,000.00 for calendar year 2019. Funding is available from the City Controller’s budget line number A.1315.0000.0451.000.

Will the Council so approve and authorize the Mayor to execute an engagement agreement in form satisfactory to the Corporation Counsel?

purchase: dehumidification system at ice pavilion, replacement boiler, VP supply corp

Agenda Item #5
During a Special City Council meeting held on August 7, 2018, the City Council approved the purchase of a replacement boiler unit in the amount of $16,149.32. Since that time, additional estimates have been obtained and it has been determined that a replacement boiler unit is available for $2,211.70 less. It is therefore requested that the City Council rescind the resolution of approval dated August 7, 2018 to purchase a replacement unit.

Estimates have now been obtained from three (3) different suppliers. A replacement boiler unit is available from VP Supply Corp., 2240 Harlem Road, Cheektowaga, NY for a price of $13,937.62.

Will the Council rescind its resolution dated August 7, 2018 and authorize the purchase of a replacement boiler from VP Supply Corp. in the amount of $13,937.62 and authorize the Mayor to execute any documents required to complete this transaction?

CONTRACT: BILLING/COLLECTION SCHOOL TAXES, 2018-2019

Agenda Item #7
In prior years, the City has had an agreement in place with the City School District of the City of Niagara Falls (“the School District”) which provides for the City to perform the necessary services each year to bill and collect School District property taxes. It is requested that this agreement be renewed for the 2018 – 2019 School District tax year.

In consideration for the performance of the services, the City will be paid the sum of $63,807.34 by the School District with an increase in the amount of the Regional Northeast CPI for calendar year 2018 when it has been determined; this amount also includes the cost of postage.

CONTRACT: DESIGN/BID PHASES OF PSAP, CONSULTANT SERVICES, CHANGE ORDER #1, WENDEL COMPANIES

Agenda Item #8
A contract for the above reference project was awarded to Wendel Companies, 375 Essjay Road, Suite 200, Williamsville, NY, on December 26, 2017 for a Grant Application Phase and Services related to future phases.

Change Order #1 covers Professional Engineering Services for Design, Contract Documents and Engineering Services associated with bidding and award of the contract.

The PSAP project is being implemented cooperatively by New York State DOT focusing on engineering improvements that will upgrade existing City pedestrian crossing’s to the new Federal/State safety standards. The City has received a Grant Award totaling $98,000.00 for this phase of the project.

It is the recommendation of the undersigned that this Phase of work be awarded to Wendel, Inc. at a not to exceed cost of $100,880.00

The City’s funding match for Change Order #1 will be a cost of $2,880.00, which the City Council has already allocated at the meeting on March 15, 2018.

Therefore, it is the recommendation of the undersigned that this $100,880.00 Change Order #1 be approved. Will the council vote to so approve?

Agenda Item #11

The City awarded $210,000 in CDBG funds to Orleans/Niagara BOCES to provide Career and Technical Education and Adult Secondary Programs, as well as LPN, Certified Nursing Assistant, and Home Health Aide training through their Health Sciences Career programs, in their new location at 606 Sixth Street.

The original agreement specifies a requirement that the grant be fully disbursed by December 31, 2018. Because construction on the Sixth Street location was completed later than anticipated, Orleans/Niagara BOCES has requested that their agreement be extended to August 31, 2019. This amendment to the agreement would not entail changes to funding amounts or other compliance requirements.

COMMUNITY DEVELOPMENT: HUD CDBG FUNDS, COMPLETION OF PARK IMPROVEMENTS

Agenda Item #12

The Community Development Department has undertaken an aggressive plan of park improvements throughout the City of Niagara Falls, and now seeks to complete three of its four remaining major park improvements projects. This council agenda item would commit $231,409.00 from several CDBG sources to fund the completion of three park projects.

Subsequent to the commitment of CDBG funds to the construction of a permanent bathroom facility at Gill Creek Park, it was decided that the project Gill Creek would be too costly to be feasible using CDBG dollars, and that mobile restroom facilities would pose cost eligibility issues with regard to the HUD CDBG program. The 2015 Hyde Park Playground improvements have been completed, and this transfer will enable NF CD to close out the project. CD’s Single Family Rehab budget was increased significantly in the 2018 Action Plan, and this transfer would still allow the Department’s Rehab Unit to complete all projected rehab projects through the city’s anticipated receipt of 2018 CDBG funds. CDBG program income may be dedicated to any CDBG-eligible activity, and must be spent ahead of HUD’s June 2019 spenddown deadline. This transfer will aid in compliance with that requirement, though a percentage of program income is being retained to pay administrative costs.

RESOLUTION: OCCUPANCY TAX REVENUE, USE OF

BY: COUNCILMEMBER VOCCIO

Agenda Item #22

WHEREAS, this City Council believes that the occupancy tax paid by persons occupying hotel and motel rooms in the City, including tourists and visitors to City hotels and motels, was intended to be used to foster continued tourism activity.

WHEREAS, the occupancy tax is a source of revenue from persons occupying hotel and motel rooms in the City, including non-residents and visitors to our community, who stay at lodging establishments in the City.

WHEREAS, cities across the country utilize occupancy tax revenues to enhance the tourism experience, just as this City Council believes the occupancy tax was originally intended to do.

WHEREAS, the tourism industry is now the City’s largest industry and investments to further develop this sector of the City’s economy are good for the City’s residents and local businesses.

WHEREAS, by law, out of the first 4% of the collected occupancy tax revenues that accrue to the City, with 60% of such revenues are allocated to Destination Niagara and 5% of such first 4% are allocated to City government’s collection and administration of the occupancy tax revenues, leaving 15% of such revenues to be retained by the City of Niagara Falls for any City purpose.

WHEREAS, concerning the above-referenced 15% to be retained by the City for any City purpose, this City Council believes that, regardless of how the local law is written, this City Council recognizes the importance of the tourism industry to the City and the region, and recognizes the importance of investing this 15% in items that will foster tourism activity within the City and region.

NOW, THEREFORE, BE IT RESOLVED, it is the policy of this City Council that the 15% of occupancy tax revenues referenced above shall be allocated to items that will enhance tourism, and furthermore all requests from entities for any portion of such revenues must be submitted via an application process administered by the City Clerk’s office, and furthermore the City Council’s Tourism Advisory Board should review all such applications and issue recommendations to the Council who will vote on the appropriations.

RESOLUTION: CALE, JOE AND COLAVECCHIA, JOE, HONORING, 2018-88

BY: ALL COUNCIL MEMBERS

Agenda Item #23

WHEREAS, Joe Colavecchia and Joe Cale were born and raised in Niagara Falls, NY and knew each other from Niagara Falls High School. They’ve spent decades cutting hair in side-by-side chairs in their 19th Street barbershop, and the customers will miss them; and

WHEREAS, Colavecchia once had a shop at 1112 19th Street until his landlady died. He moved his equipment down the street to the current shop between Pine and Walnut Avenues, where he’s been for 32 years; and

09/05/2018
WHEREAS, Colavecchia got his training fresh out of high school at Firestone Barber Shop, which used to be at 619 Pine Avenue and was owned by two barbers, Joe Parise and John Cullen. “I was there 10 years and they taught me more than hair cutting,” Colavecchia said. Cale also worked there, but it was after Colavecchia had moved on; and

WHEREAS, Cale worked off and on at a shop at 1503 Pine Avenue for 31 years until it burned down and he came to work with Colavecchia on 19th Street. Cale jokes that Colavecchia burned down the shop so that Cale would have to move to their current location; and

WHEREAS, In return, Colavecchia jokes that before Cale joined him, “I used to have a full head of hair. He was here two months and I had open heart surgery and lost all my hair.”; and

WHEREAS, Jokes aside, both men are sad to leave their business. “We’re going to miss the people. They’re part of our lives,” Cale said. Beyond their customers, they’ve enjoyed watching the daily activity on 19th Street; and

WHEREAS, “I love it here. We keep our windows clean because something new happens every day,” Cale joked. “You have to see it to believe it,” he added; and

WHEREAS, While some things they see out their window are occasionally unpleasant, as expected in an urban neighborhood, good things happen on 19th Street, too; and

WHEREAS, “We saw a wedding across the street at the Sikh Temple. They rode (the bridal couple) in on horses. It was really a nice event,” Cale said; and

WHEREAS, Colavecchia plans to deal with some health issues and then concentrate on enjoying life with his wife of 41 years, Patricia, with whom he shares five adult children and their families; and

WHEREAS, Cale plans to spend more time with his wife Andrea, their two daughters, three grandchildren and three great grandchildren; and

WHEREAS, when asked who is going to cut his hair, Colavecchia nodded toward Cale and laughed. “Him. We’re not getting divorced. We’re going to take care of each other.”; and

WHEREAS, there are a few regrets. “The only thing I regret,” said Cale, “is that we didn’t get together from the beginning.”

NOW, THEREFORE, BE IT RESOLVED that this City Council does herby honor Joe Cale and Joe Colavecchia for their many years of service to Niagara Falls. We wish them both a wonderful and happy retirement.

CLAIM REPORT FROM THE CITY CLERK FOR AUGUST 2018

Agenda Item #1
THIS ITEM WAS RECEIVED AND FILED

THE FOLLOWING COMMUNICATIONS WERE SUBMITTED BY THE MAYOR

CONTRACT: WORKER’S COMPENSATION CLAIMS, NORTHEAST ASSOCIATION MANAGEMENT

Agenda Item #2
Since 2005, the City’s Workers’ Compensation claims have been handled by the Public Employees Risk Management Association (“PERMA”). This includes both claims existing prior to 2005 and the claims that have arisen since joining PERMA in 2005.

The pre-2005 claims have been handled through PERMA’s affiliated entity Northeast Association Management, Inc. (“NEAMI”) as the third party administrator for the claims. Recent changes by the Workers’ Compensation Board required that the City enter into a separate agreement with NEAMI to provide this service.

This is handled on a yearly basis beginning on September 1 of each year.

It is now time to enter into a renewal agreement with NEAMI for the September 2018 to September 2019 year. The claims will continue to be handled on the same basis and it is recommended that the Council authorize the Mayor to execute an agreement with NEAMI in a form acceptable to the Corporation Counsel.

Will the Council so approve?

POLICE DEPARTMENT: MINOR REORGANIZATION

Agenda Item #3
Attached hereto (on file in the City Clerk’s Office) is a copy of a page from the Administration portion of the 2018 adopted budget regarding the Niagara Falls Police Department. Code 1559 is designated for an “Administrative Assistant” with an appropriated salary of $45,000.00. This position is presently vacant.

The Superintendent of Police is requesting that this “Administrative Assistant” code 1559 be eliminated and replaced with the new position of “Special Assistant to the Superintendent of Police” with a new budget code of 1448. The salary and benefits will remain the same.

Attached (on file in the City Clerk’s Office) are the new job specifications for this title which has been approved by the Municipal Civil Service Commission. The purpose of this new position is to work closely with the Superintendent in analyzing crime statistics as the Superintendent and the department deem necessary in order to properly deploy resources and apply for grants. A qualification for the position will be a Crime Analyst Certification.

It is requested that change be implemented immediately.

Will the Council so approve?

Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

Agenda Item #4

Please recall that during the City Council meeting held on July 5, 2018, the City Council approved an agreement between State Parks, the City and Niagara Falls Dog Park, Inc. (“NFDP”) which contained the terms and conditions for the creation and operation of a Dog Park in Deveaux Woods State Park. The NFDP was to undertake certain day-to-day operations of the Dog Park such as removal of animal waste and removal of trash, recycling, etc. The agreement also provided for the NFDP to provide both State Parks and the City with an appropriate level of insurance coverage.

The NFDP has now informed State Parks and the City that it will not provide the required insurance. State Parks has advised that it will not enter into an agreement with a party that does not provide an appropriate level of insurance. Therefore, State Parks has re-drafted the proposed agreement to eliminate the NFDP as a party. In order to proceed, the City will be required to provide State Parks with a Certificate of Insurance as well as indemnify State Parks. Attached hereto (on file in the City Clerk’s Office) is a copy of a proposed amended agreement without exhibits. As contemplated in Section 4(b) of the proposed amended agreement, the City may utilize the NFDP volunteers to perform the daily functions that will be required of the City such as removal of animal waste and the removal of trash, recycling, etc. Section 9 allows the City to withdraw from the agreement on thirty (30) days written notice.

Will the Council so approve and authorize the Mayor to execute the amended proposed agreement provided the same is in form and content acceptable to the Corporation Counsel?

Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

CITY PROPERTY: RAINBOW BLVD., 609, DEED RESTRICTION

Agenda Item #5

In 2007 the City transferred the lot at 609 Rainbow Boulevard to the owner of 655 Rainbow Boulevard with a deed restriction that the lot be accessory to the 655 Rainbow property and restricted to parking.

Since that time there has been additional action by the Zoning Board of Appeals and the Niagara Falls Planning Board which allowed the 609 Rainbow property to be redeveloped without the necessity of the accessory parking lot.

Based upon this activity, the Planning Department has recommended that the restriction be removed. Attached (on file in the City Clerk’s Office) is a copy of a memo from the Planning Department in this regard dated June 2, 2009 which has now been reaffirmed by the Acting Director of Planning, Environmental and Economic Development.

Will the Council approve the elimination of the deed restriction and authorize the Mayor to execute any deed and related documents necessary to accomplish this and as approved by the Corporation Counsel?

RESOLUTION: GEORGE OPTICAL CO., HONORING, 2018-96
BY: ALL COUNCIL MEMBERS

Agenda Item #13
WHEREAS, When Joseph George opened his one room office upstairs on the 400 block of Portage Rd and Niagara Street in 1938 - still known as the George Optical Co. - his entire stock was wired-framed eyeglasses. Storage was not a problem when the whole inventory could fit into a small box; and
WHEREAS, In 1939 it moved to 1104 Niagara Street until moving to 363 Third Street in 1945, a busy block bordered by the New York Central Railroad crossing at the south end and the bridge over the hydraulic canal at the other end; and
WHEREAS, In the early 1960’s it opened up another location at 1525 Pine Avenue and still operated the location on Third Street until the fire in 1966 permanently closed the Third Street location. The 1525 Pine Avenue location became the only location until Louie Fernandez bought the building at 1523 and the rights to the name George Optical Co. on September 20, 1971. Today, three-quarters of a century after George cut the ceremonial ribbon, the store is still located at 1523 Pine Ave. - and there’s mind-boggling improvements in the hi-tech process and inventory; and
WHEREAS, Louie Fernandez, who launched his career with the George Optical Co. in the 1940s, as a teenager sweeping the floors. In 1949, he joined the optical firm as a partner and eventually acquired the business; and
WHEREAS, It’s now owned and operated by James Fernandez of Niagara Falls, a licensed optician and a contact lens practitioner who started working for his father in 1978. “I kind of grew up in the business,” the current owner says, recalling the sea of changes over the years including the days when lens were shaped by a grinding wheel; and

WHEREAS, In sharp contrast from earlier days, Fernandez explains when a person first went to an ophthalmologist and then to the optical store for the glasses, optometrists under contract are now on staff a couple times per week to conduct comprehensive eye exams. “So the changes have made it a full service here,” he added; and

WHEREAS, If you ask him what separates the independent operator from the chains operating out of shopping malls and other centers, Fernandez will cite his company’s track record of providing a quality product at an affordable price. It also helps that if you’re dealing with Fernandez, you can count on him being there when you return for whatever reason. At other places, it’s often someone different that assisted you from the previous visit. “Personal service is what we strive to provide,” he added; and

WHEREAS, Over the years, Fernandez has followed in his dad’s footsteps, taking an active role in community endeavors. He is a former president of the Pine Avenue Business Association and a past member of the Niagara Catholic High School board. He also has worked closely with the St. Mary’s Hospital Board of Associates, a fundraising and community relations arm of the hospital; and

WHEREAS, Family has always been important to James, as is evident in any casual conversation. His wife, Joni, is a kindergarten teacher in the Lewiston-Porter School District. A son Jim works for a Manhattan-based global financial services firm, a daughter Angelina is a graduate of Niagara University College of Hospitality and Tourism Management and another son, Louis, with a deep interest in music, is pursuing a career in theater.

NOW, THEREFORE, BE IT RESOLVED that this City Council does hereby honor George Optical Co. for over 80 years in business serving the residents of Niagara Falls and surrounding areas.

WHEREAS, Being 23 years old, and owning 2 businesses in the Falls, I want to set an example for my fellow alumni and other young people to show them it is possible to stay in Niagara Falls after graduation to build your own success story. Rather than just leave the city because it may not have everything they are looking for or because they see some problems, stay in the city and help build the things they think it's lacking and capitalize on fixing those problems. That is what business is all about; and

WHEREAS, I would like to thank my mom and dad, Ron and Sandi for their support. I would like to thank Mike, Irene, and Dave Barry for treating me like family since I’ve lived up here from freshman year. I would like to thank the staff, faculty and students at Niagara University. Thanks to Jackie Bilogan for all her help from day one. Big thank you to all of my clients. Lastly, to my fellow barber at Niagara Barber Co., Darin Mort who has been with me since the first day I opened and who has helped a tremendous amount here at the shop.

Members of the City Council
and
Lisa Vitello, City Clerk

Council Members and Madam:

You are hereby notified of a Special Meeting of the City Council of the City of Niagara Falls, New York called pursuant to Section 3.9.B of the City Charter, to be held on Friday, September 28, 2018 at 4:00 p.m. in the Council Chambers, City Hall, 745 Main Street, Niagara Falls, New York for the following purpose(s):

Presentation of Mayor Dyster’s Proposed 2019 budget.

Respectfully submitted,

Andrew Touma, Council Chair
The September 28, 2018 Special Meeting of the Niagara Falls City Council was called to order by Council Chairman at 4:00 PM in the Council Chambers. Present: Council Members William Kennedy, Ezra Scott, Jr., Kenny Tompkins, Chris Voccio, Chairman Andrew Touma. Also Present: Mayor Paul A. Dyster, City Administrator Nicholas Melson, Corporation Counsel Craig H. Johnson, and City Controller Daniel Morello.

Mayor Paul A. Dyster presented his Proposed 2019 Executive Budget. During his Presentation, he made the following comments;
Welcome City Council members, city workers and fellow residents.

Thank you for joining me as I present the Mayor’s Executive Budget for fiscal year 2019.

It is a budget that decreases the size of city government, and heeds the recommendations of both the State’s Financial Restructuring Board and the Financial Advisory Panel appointed by the City Council. It is a budget that increases the efficiency of city government through the consolidation of departmental staff, reduction of staff mostly through attrition, all while maintaining vital services and cutting taxes.

Yes, I said cutting taxes. I suspect that for many, that is an unexpected outcome. As we have worked through the issues impacting both next year’s budget and our long-term fiscal health, there has been a great deal of speculation about where things would end up in the final analysis. I suggest to you that too much of that speculation centered on the headlines of what options were being considered, and not enough on the fine-print of why those options were being considered, or—more importantly—what would be the impact on the bottom line. This budget incorporates a number of difficult decisions. The surprising thing you will learn today is that the news is not all bad. If we stand courageous in the face of the dark clouds, we will see that there is a silver lining.

This is a budget that will signify an important turning point in the city’s financial stability moving forward, through a series of complimentary, coordinated measures outlined here this afternoon.
By now you have no doubt seen the news regarding the $12.3 million in casino revenues advanced to the City by Governor Cuomo and the State of New York, in the absence of a timely resolution of the dispute over payment with the Seneca Nation of Indians. We thank the Governor for his steadfast support of the City under these difficult circumstances. Those of us who have been working with the State behind the scenes on this contingency plan are happy that everyone can now see what we knew: you had our back all along.

Make no mistake, the State’s announcement by no means lessens the seriousness of critical decisions in this 2019 budget. Even once the ongoing dispute is favorably resolved, we must strike a balance between continuing our efforts to reduce the City’s reliance on casino revenue through 2023, and maintaining the services essential to our residents’ safety and well-being.

Unlike the previous dispute from 2009 to 2013, when the city held millions in fund balance to sustain operations while a settlement was reached, the surprise nature of the Seneca announcement left little time to us to react by enacting measures to shore up our reserves. Instead, we effectively liquidated our fund balance in the previous year’s budget in order to plug gaps created when the Seneca Nation first announced they were withholding revenue payments in March 2017.

In short, while we hope for and expect a favorable resolution of the Seneca-State dispute, whether through the conclusion of the arbitration process or better yet a negotiated settlement, we still have to do the right thing in terms of our budget this year, and in future years. We would have needed to make tough decisions even if the current casino dispute had not occurred. For example, the amount of casino revenues available to the City from the Seneca Niagara casino has declined marginally from year to year as a result of competition across the state and region—and, it is important to note, even when ongoing issues are resolved, the current compact only runs until 2023. As a result, it has been the policy of the City of Niagara Falls, as expressed in a resolution of the City Council, to try over time to reduce our reliance on casino revenues to support ongoing operations.
Thus, it would not be wise to budget all $12.3 million advanced to the city against 2019 expenses. In order to move forward to financial sustainability, without excessive reliance on casino revenues, and to avoid a recurrence of the nightmare budget scenarios we were faced with until the announcement of the Governor’s initiative, we must cut our expenses and increase revenue sources.

That involves a reevaluation of the manner in which we operate, and fund our operations, as a city.

For starters, that means a hard look at property tax revenue versus other forms of revenue available to the city. The ongoing casino revenue crisis makes it clear that, however understandable in psychological terms, the past decision to substitute casino revenues for other revenue sources in the general fund was not sustainable. But leaving casino revenues aside, looking only at non-casino revenue sources, in the past we have allowed ourselves to become too reliant on property tax revenue versus other sources. Our success in increasing parking, sales tax, bed tax and other non-casino, non-property tax revenues—an indication of the long-term success of our economic development strategy—has received recent attention. Nevertheless, a 2017 report from the State Comptroller’s Office cited by our independent auditors and looking at municipal financials statewide, showed that on average in 2016, New York State cities were bringing in charges for services averaging 19.6% to our 5.9% for 2017. Part of this difference is the result of our having an independent water board that bills for its own services, but a major factor is that, unlike municipalities around us, we have not charged a fee for solid waste collection and disposal, instead trying to cover the cost—even after the service was privatized in the 1990s—out of the same property tax levy that has to cover public works, public safety and administration. It was great while it lasted, but as costs of everything have risen over the years, it has become clear that this is not sustainable. There is also a fairness issue involved. The City incurs a cost for those who use solid waste services but pay no property taxes; that cost is borne collectively by all the other taxpayers. As we look to increase revenues, we want to make sure we’re being fair about where we derive those revenues.
That's why this budget proposes the implementation of a user fee, but unlike recent headlines, at nearly no new cost to residents. In fact, for the average taxpayer, only approximately $25 a year in taxes and fees combined. That's because the budget also proposes a $2.5 million reduction in property taxes—that's tomorrow's headline.

Let me explain.

The number that appeared in the press following a recent presentation on options in our Request for Proposals for solid waste services was $198 annually; derived by dividing the estimated cost for 2018 services by the number of total users. The user fee proposed in this budget would buy down the cost to the standard household here in the City of Niagara Falls to approximately $168 per year, essentially subsidizing roughly 15% of the cost of solid waste services with non-user fee revenues. This service would come with the same expanded benefits and options for residents as outlined earlier this month, and ensure that taxpayers are no longer covering 100% of the cost of garbage disposal for everyone else.

For those same taxpayers, this budget proposes a $2.5 million tax cut. The non-homestead or commercial tax rate would be reduced by 2.7%, which is good, but the homestead or residential tax rate would be reduced by 13.2 percent—and that's great. At 81%, we were getting too close to our constitutional tax limit. The bond rating agencies and Office of the State Comptroller took note. Shifting where we derive our non-casino revenues away from property taxes, and toward charge for services, is not just more fair, it's better fiscal policy for the long-term.

As I noted earlier, even with the State standing behind us on the casino revenues issue, we need to do all we can of our own accord to put us on the right path moving forward. There were no formal strings attached by the Governor's office to the use of the advanced casino revenues, and I can't speak for Governor Cuomo, but I tell you that we gave assurances that if got the help needed to avoid massive layoffs and tax increases in the short term, we were prepared to make difficult decisions to raise revenues and decrease expenses in the long term, even if this meant doing things
very differently than in the past. Part of the blueprint already existed in the recommendations of the State’s Financial Restructuring Board and the Financial Advisory Panel appointed by the City Council. Partly we would require aid and cooperation from our other partners in the community. But it would require the political will to do what had to be done.

Other recommendations included taking a look at the way city government is structured, and identifying those departments and services in need of streamlining—and cutting costs where needed. For example, upon his own recommendation, the current City Engineer would become a part-time employee, while fulfilling the legal obligations of the position. The Engineering Department would see a restructuring that will result in a net savings of approximately $100,000 in year one, through shared use of administrative staff and elimination of cost-ineffective positions.

As I said, we are also taking a look at the way we work with others. Our city employee unions share our goal of providing the necessary city services at the lowest possible cost while fairly compensating our dedicated city workers. The settlement of union contracts with public safety as part of this year’s budget will yield millions in additional savings. As part of the 2019 budget, the city will realize approximately $950,000 in savings through fire union concessions.

New agreements with the police union will also result in approximately $900,000 in savings in 2019. I want to thank our public safety unions for coming to the table in our hour of need to make sure in the long run that our city stays “union strong.” Again, thank you.

As we have done in years past, additional savings will be realized through the elimination of vacant positions through attrition and the effects will be felt across all departments. In 2019, six open police positions and two firefighter positions will remain vacant yielding a total approximate savings of $700,000. Approximately $65,000 in savings will result from an unfilled Central Garage position within the Department of Public Works and a freeze will be placed on a planned January 1st pay rate increase for all exempt employees at approximately $35,000 in savings.
As part of ongoing discussions on ways to effectively share services, Mark Laurrie and our partners in the Niagara Falls City School District have agreed to cover 83% or 10 of 12 months of cost for the addition of 3 School Resource Officers in city schools. This represents a savings of approximately $350,000. During the months of July and August, these officers will be assigned to the downtown area to assist in traffic control. A fourth School Resource Officer agreed to as part of last year’s budget will continue to be covered by the district, resulting in an additional $135,000 in savings. These proposals come directly from City Administrator Nick Melson’s conversations with Superintendent Laurrie about shared services. Thank you, Superintendent and Board, for being such great partners.

Additional restructuring efforts continue to be explored with the city’s golf course. While we included funding in the 2019 budget consistent with funding levels in 2018, a Request for Proposals issued in August produced multiple responses for the operation of the golf course, including food and beverage services. In the coming days and weeks, those proposals will be reviewed to determine what course of action would be most beneficial to the city moving forward.

The long-term future of the City of Niagara Falls is bright. Whether one looks at trends in the regional economy, or forces more particular to the city itself, the prospects for continued growth in jobs, investment, tourism visitation and construction look very positive. But we have been learning the hard way that these positive trends can take a long time to hit the bottom-line of city tax revenues. We must do our part to reduce costs and increase revenues by constantly being on the lookout for new ways of making government more innovative and more efficient. That is not something can be accomplished by simply slashing future services to match historical revenues. We can’t stop plowing streets, putting out fires or patrolling the streets on Tuesdays—or any other day of the week for that matter. Instead, we need to keep our finger on the pulse of the community, accurately gauging what level of services they want us to provide, and helping them figure out how to get what they need at a price they can afford. We did that in this year’s budget, and we’re going to continue doing it going forward.
We look forward to working constructively with the members of the City Council in the days ahead to finalize the 2019 budget. Thanks to all of our department heads and staff whose months of hard work made completion of this budget possible. Special thanks to City Controller Dan Morello and your department for your hard work on this budget. Thank you Chiefs Colangelo and DalPorto, and Chris Mazur of the legal department, for your help working out the agreements with our public safety unions. Thank you Human Resources Director Ruby Pulliam and staff for dealing with a lot of last minute changes—mostly for the better. And a very special thanks to City Administrator Nick Melson and his assistant Jaclyn Bones, and to my special assistant Meg Rossman, for your work behind the scenes to make good things happen. Finally, thanks once again to Gov. Andrew Cuomo for stepping in to make sure that the residents and employees of the City of Niagara Falls will not have to suffer unnecessarily as a result of the mismatch between the timelines of the casino arbitration and those of our budget process. God bless you, God bless the City of Niagara Falls, and God bless America.

POLICE DEPARTMENT: CENTER FOR PUBLIC SAFETY INITIATIVES, GRANT APPLICATION AND PROJECT

Agenda Item #5

The Superintendent of Police advises that his department was approached by the Rochester Institute of Technology in partnership with Niagara University to participate in a project led by the Center for Public Safety Initiatives. The purpose of this project is to contribute to criminal justice strategy through research, policy analysis and critical evaluation. The funding for this project would be $100,000.00 to the NFPD over a period of two (2) years and is being provided by the Project Safe Neighborhoods Initiative coordinated by the US Bureau of Justice Assistance. The overall goal of this project is to reduce gun related crimes and gang violence by implementing a strategy that focuses on dispute related violence and to further develop and assess that strategic intervention so that it may be applied elsewhere. Lead by the NFPD, the Project Safe Neighborhoods team will identify disputes, assess their risk and utilize a wide range of strategies involving enforcement, deterrence and community outreach to intervene in ongoing retaliatory disputes and prevent violence.

The grant application has already been submitted and project approval is pending. Will the Council approve the grant application process, accept any grant dollars that become available and authorize the Mayor and Superintendent of Police to execute any documents required in order to move this project forward?

Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

RESOLUTION: NFTA BOARD OF COMMISSIONERS, VOTING TRANSIT-DEPENDENT MEMBERS, 2018-100
BY: COUNCIL MEMBERS SCOTT, TOMPKINS, CHAIRMAN TOUMA

Agenda Item #13
WHEREAS, the majority of Niagara Frontier Transportation Authority (NFTA) riders/users are low-income residents known as 'Captive Riders' who live in areas where there is limited NFTA service; and
WHEREAS, for many years, patrons who use NFTA buses have expressed concern with limited or poor service, infrequent buses, schedule problems, and a lack of accessibility for users to get from their homes to locations where people work and employers are desperately seeking employees, resulting in a lack of job opportunities in certain communities and in some cases, employers to withdraw from the local market; and
WHEREAS, in order to best address the needs of the NFTA’s riders, input from a ‘Captive Rider’ voting representative on the Board of Commissioners would provide valuable opportunities for transit-dependent users to have a seat at the table and to help educate NFTA management and commissioners on the needs of their patrons; and
WHEREAS, in addition to the lack of rider input on the Board of Commissioners, there is also a lack of participation and transparency at NFTA public hearings and board meetings that hinders input from the public as well and blocks riders and the public from having a voice to share their concerns and ask questions to NFTA management and the Board of Commissioners; and
WHEREAS, to help address the ‘Captive Rider’ issue and a lack of a transit voice on the voting membership of the NFTA Board of Commissioners, Senate Bill S.5106 has been introduced in the New York State Senate by Senator Timothy Kennedy to add two voting members to the NFTA Board of Commissioners who are transit-dependent and para-transit-dependent.

NOW, THEREFORE, BE IT
RESOLVED, that the Niagara Falls, New York City Council does hereby support the concept of adding a ‘Captive Rider’ voting member to the NFTA Board of Commissioners who has shown an extreme commitment to community service and is a resident of Niagara Falls, New York community lacking quality NFTA services; and be it further
RESOLVED, that this Honorable Body expresses support for S.5106 and the intention behind adding two voting members to the NFTA Board of Commissioners to represent the transit community and para-transit community who use NFTA bus services; and be it further
RESOLVED, that certified copies of this resolution be sent to Governor Andrew Cuomo, the Western New York delegation of the State Legislature, NFTA Executive Director Kimberley A. Minkel, NFTA Board of Commissioners Chair Denise A. Roche, and any other party deemed necessary and proper.

CONTRACT: 2017 MUNICIPAL SIDEWALK REPLACEMENT PROJECT, VALERI CONCRETE CONSTRUCTION INC., CHANGE ORDER #1

Agenda Item #3
A contract for the above referenced project was awarded to Valeri Concrete Construction Inc. 6297 Wendt Drive Niagara Falls NY 14304, in the amount of $398,850.00 on May 15, 2017.
Subsequent to the start of the project, site conditions warranted the installation of four inch thick walk in quantities that exceeded the original contract amounts.
Additionally, there were areas requiring significant grading and backfill prior to any walk installation that surpassed the project’s original scope.
However, quantity underruns elsewhere in the contract will allow for the extra four inch sidewalk to be paid for with no additional cost to the project.
Will the Council vote to so approve and authorize the Mayor to execute a change order in a form acceptable to the Corporation Counsel?
Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

CITY PROPERTY: FOURTH ST., 445, SALE

Agenda Item #4
The Niagara Falls Community Development Department requests Niagara Falls City Council approval for the sale of the following vacant lot to Carroll Schultz-Reetz and Andre Reetz for $500.

445 Fourth Street
SBL: 159.29-2-23
Assessment: $1,500
Zoning: R3-C

The Niagara Falls Planning Board recommended sale of 445 Fourth Street earlier this year. This council agenda item is being presented by the Community Development Department in concert with the Planning Department. Sale of adjoining lots for $500 is an established practice designed to return vacant, city owned properties to the tax roll. The purchasers plan to maintain the property, and properly amalgamate it to their existing property. The amalgamation will occur at closing.
Will the Council vote to approve this sales authorize the Mayor to execute any documents necessary to effectuate the same?
Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

Agenda Item #5

The Niagara Falls Community Development Department requests Niagara Falls City Council approval for the sale of the following city-owned properties:

- 312 74th Street
- 89 South 87th Street
- 5806 Stephenson Avenue
- 1111 Grove Avenue

The Niagara Falls Planning Board recommended sale of these properties at its September 26, 2018 Planning Board meeting. In August 2018, the Niagara Falls Community Development Department (CD) advertised a Request for Proposals (RFP) for the purchase and renovation of the following vacant and tax foreclosed properties, with proposals due back to CD on September 7, 2018. The RFPs were advertised in the Niagara Gazette legal section for three consecutive weeks, and on www.nf-cd.org. Proposals were reviewed by CD based on the following guidelines, as stated in the RFPs for all of the properties:

- The highest and best use of building.
- Total investment and proposed property enhancement.
- The ability of the ownership/management team to accomplish the proposed project based upon past development history, financial strength and demonstrated expertise in operations similar to the proposed development.
- Date of completion of renovation. Earlier completion was favored. Provide information to document the ability to perform in conformity with your timetable.
- Price to be paid to the City. Proposals that provide the highest total investment, including purchase price will be favored.

Upon review of the proposals, CD also researched the entities that submitted them. The selected proposers do not owe the City of Niagara Falls any late property taxes on parcels owned within the municipality. In addition, these entities have consistently applied for, and received, proper building permits for work completed at other owned properties.

COMMUNITY DEVELOPMENT: COLVIN BLVD., 9330, CYAA, LEASE

Agenda Item #6
The Niagara Falls Community Development Department requests Niagara Falls City Council approval of a twenty year lease of 9330 Colvin Boulevard by Cayuga Youth Athletic Association (CYAA). If approved, this would establish a $1 annual lease for recreational use term of 20 years.

Lot Size: 6.7 acres  
SBL #: 161.10-5-71.2  
Property Type: Vacant Land

The Niagara Falls Planning Board recommended disposition at its September 26, 2018 Planning Board meeting. In June 2018, the Niagara Falls Community Development Department (CD) advertised a Request for Proposals (RFP) for the acquisition 9330 Colvin Boulevard, with proposals due back to CD on June 29, 2018. The RFP was advertised in the Niagara Gazette legal section for three consecutive weeks, and on www.nf-cd.org. CYAA was the only RFP respondent. CYAA has requested use of this parcel for several years. The parcel would be used for athletic purposes. CYAA, and its membership of over 500 local families have exceeded its current space on Colvin Boulevard, adjacent to 9330 Colvin Boulevard, and 91st Street Park. Niagara Falls Community Development asserts that recreational use of this parcel supports neighborhood quality of life. The lease allows the City of Niagara Falls to reevaluate the highest and best use of the property.

Will the Council vote to approve this lease and authorize the Mayor to execute any documents necessary to effectuate the same?
Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

CODE ENFORCEMENT: DEMOLITION FUNDING TRANSFER

Agenda Item #7
The Department of Code Enforcement requests City Council approval of a $100,000 transfer from the tribal revenue reserve fund to the emergency demolitions and board up fund (H-0910).

The Department of Code Enforcement will solicit individual demolition bids for these structures to expedite completion. This request follows recent conversations between the administration and the City Council.

In the coming weeks, the Department of Community Development will also solicit bids for the demolition of specific structures with United Stated Department of Housing and Urban Development Community Development Block Grant funding. Middle Pine neighborhood demolitions were prioritized in the 2018 Participatory Budgeting (PB 360) process. That contract will be brought to the City Council for a vote upon receipt of contract bids.

Does the City Council approve of this transfer?

COMMUNITY DEVELOPMENT: ICE SKATING OPERATIONS, MERANI HOTEL GROUP

Agenda Item #8

Providing dynamic activities outside of the tourism season is essential to the growth of our local economy. Providing family-friendly and enjoyable events to Niagara Falls residents is essential to improving local quality of life. In recognition of these two realities, the Community Development Department (CD) requests City Council approval of the Merani Hotel Group as the operator of outdoor ice skating at the municipal lot at the intersection of First Street and Rainbow Boulevard (SITE).

Earlier this year, CD was awarded a $200,000 Niagara River Greenway Commission grant for the establishment of outdoor ice skating in Niagara Falls. This project does not include the expenditure of municipal funds or tribal revenue funds. Preparation of SITE including removal of a guiderail and other objects, some assembly, and site leveling, with required attention from the Department of Public Works. This will include staff hours and not the procurement of equipment. This activity will also include the elimination of public parking at SITE for the duration of the activity, scheduled from November 30, 2018 to March 2019, with the understanding that SITE preparation starting weeks before operation. CD understands that parking revenue is important. In 2017, we analyzed the December - March revenues at SITE. Even before free parking was provided for Jingle Falls USA 2017 event days, SITE did not generate consistent off-season parking revenue. We believe that outdoor ice skating would provide a stronger economic impact to the surrounding area than parking revenues would in the same time period.

CD released a request for proposal (RFP) for operation of ice rink in August 2018, with proposals due back in October 2018. Operations of the site were put out for competitive bid under advisement from the Purchasing Department. This project is the culmination of a years-long commitment to this project now made possible by City Council approved Niagara River Greenway Commission fund. Merani Hotel Group (Merani) was the respondent. The company has expressed interest in ice skating operations in the past, responded to the 2017 RFP and this year’s request as well. The Merani’s proposal for SITE includes a partnership with Niagara University and the Niagara Falls Culinary Institute that offers daily operations, staffing, skate rental, concessions, generated power, security and events. The rink itself will be positioned at the north end of SITE. Temporary rental and concession structures will be located on the west and east ends of the lot. Emergency vehicles would still be able to enter SITE from First Street, but parking will otherwise be eliminated. The operator collects rental revenues. The City does not compensate the operator for operation of SITE. Based on the year-one expenditures required for an operator to launch these types of activities, and because this is a new venture, a revenue sharing model would not be tenable. The operational award is a one year agreement, with the ability to create a new three year agreement after operation of year one.

Consistent with the Niagara River Greenway award, the rink will be rented from Precision Ice Rinks in year one of operation. CD is following a similar model that the Town of Lewiston did when creating outdoor ice-skating, with initial renting. The 56’ x 77’ portable ice rink will include an ice cooling grid system, portable air-cooled chiller, matting, and all required equipment for operation, a field technician for set up and take down and 24 hour refrigeration technical assistance during ice event. CD has quoted rental and purchase of rinks this size, from natural freeze grid cooled temporary rinks. We are confident that this model, utilizing Precision Ice Rinks and awarding Merani as operator in year one, provides proven equipment and a trusted hospitality entity to the City of Niagara Falls.

The Niagara Falls Community Development Department requests Niagara Falls City Council approval of the Merani Group for the operations of an outdoor ice skating rink at SITE. Will the Council vote to approve this award and authorize the Mayor to execute any documents necessary to effectuate the same?
Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

CONTRACT: BIKE SHARE PROGRAM/OPERATOR, SHARED MOBILITY INC.

Agenda Item #9
We respectfully recommend the Council authorize the Mayor to enter into an agreement as follows:

WITH: Shared Mobility Inc.
640 Ellicott Street, #441
Buffalo, New York 14203

FOR: Provision of a Bike Share Program within the City of Niagara Falls

Notice that a request for proposals (RFP) was advertised in the Niagara Gazette, the Buffalo News and the New York State Contract Reporter. One (1) proposal was received, and a copy of said proposal is attached (on file in the City Clerk’s Office) for your review.

Upon review and scoring of the proposal by the RFP scoring committee, it was determined that the proposal from Shared Mobility Inc. meets and/or exceeds all of the requirements and specifications in the RFP and represents an excellent opportunity to add a bike share program to the City.

The cost to develop this program is estimated to be $641,225.00. The City has applied for, and been awarded, a TAP/CMAQ Department of Transportation (DOT) grant, which requires a twenty percent (20%) funding match. The vendor has indicated in its proposal that it has secured local private funding to provide the remaining twenty percent (20%) funding match. Therefore, development and implementation of this program will not require any funds from the City.

Will the Council vote to accept the TAP/CMAQ DOT grant award and to approve this proposal and authorize the Mayor to execute the necessary agreement(s) in form acceptable to the Corporation Counsel?

Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

Agenda Item #10
We respectfully request you award the above referenced bid as follows:

TO: Schichtel’s Nursery
7420 Peters Road
Springville, New York 14141-9405

FOR: Purchase of 246 trees to be planted within the City of Niagara Falls, New York, per the attached tally sheet (on file in the City Clerk’s Office) $25,721.00

Planting of the purchased trees will be completed by the City’s Forestry Division on overtime. It is anticipated that the total labor cost to plant the trees will be $17,055.18. The City will also need to pay FICA and for the contractually obligated overtime meals as well.

The City Purchasing Division certifies that all bids were solicited in accordance with Section 103 of the General Municipal Law.
Notice that bids were to be received was advertised in the Niagara Gazette and packages were sent to sixteen (16) vendors. Six (6) responses were received, including one no bid. Please reference the attached (on file in the City Clerk’s Office) tally sheet for bid submission details.

Funds for these expenditures are available from the approved Greenway funds.

Will the Council so approve?

COMMUNITY DEVELOPMENT DEPARTMENT: NFL FLAG FOOTBALL GRANT, BUFFALO BILLS FOUNDATION

Agenda Item #2
The Niagara Falls Community Development Department requests Niagara Falls City Council acceptance of a $500 grant from the Buffalo Bills Foundation for the creation of a NFL Flag Football Program in the City of Niagara Falls. CD applied to the foundation’s funding opportunity in September 2018.

The NFL Flag Football Program will be incorporated into the 2019 Summer In Your City Series, sponsored by the New York State Health Foundation in partnership with the Niagara Falls City School District. Summer In Your City, and now the NFL Flag Football Program, allow the City of Niagara Falls to deliver dynamic programming to our community’s families and children, without reliance on local tax payer dollars.
Will the Council vote to accept this grant and allow the Mayor to execute any documents necessary to effectuate the same?

CONTRACT: MOA, FIRE DEPARTMENT/CITY, LOCAL 3359, TEMPORARY CONCESSIONS

Agenda Item #4

Attached (on file in the City Clerk’s Office) please find the proposed Memorandum of Agreement between the City of Niagara Falls and the Niagara Falls Fire Department Officers Association, Local 3359 (“Union”), relative to temporary financial concessions. The Union is cognizant of the financial difficulties which the City faces in the upcoming budget year due to the absence of casino funds. Accordingly, the Union has agreed to provide temporary financial assistance to the City in the form of concessions related to certain contractually guaranteed benefits which its membership currently enjoy. In return for the Union’s efforts in assisting the City with balancing the budget, the City will fill all vacant budgeted Union positions in order to maintain safe and consistent staffing within the Fire Department during the life of this agreement.

The foregoing proposed agreement will continue to maintain departmental staffing continuity and has been approved and recommended by the Fire Chief.

Will the Council so approve and authorize the Mayor to execute the same?

Contract: MOA, Uniformed Firefighters Association, Local 714, Extension of Impact/Staffing Agreement with Concessions

Agenda Item #5

Attached (on file in the City Clerk’s Office) please find the proposed 2019 - 2024 Memorandum of Agreement between the City of Niagara Falls and the Uniformed Firefighters Association, Local 714 (“Union”), relative to staffing and temporary financial concessions. The proposed agreement is a five (5) year extension of the parties’ current agreement relative to minimum staffing requirements in the Niagara Falls Fire Department. The original agreement, ratified on October 21, 2004, and subsequently extended by the parties on November 20, 2006, October 22, 2009 and October 18, 2013, respectively, requires the City to incrementally increase the number of on-duty firefighters to twenty-seven (27) as of January 1, 2019. The proposed agreement before you will defer the increase of staffing through the end of the proposed agreement; specifically, the staffing is to be maintained at a level of twenty-five (25) firefighters per shift through December 31, 2019 and twenty-six (26) firefighters per shift through the remainder of the agreement.

Additionally, the Union is cognizant of the financial difficulties which the City faces in the upcoming budget year due to the absence of casino funds. Accordingly, the Union has agreed to provide temporary financial assistance to the City in the form of concessions related to certain contractually guaranteed benefits which its membership currently enjoy. In return for the Union’s efforts in assisting the City with balancing the budget, the City will agree to maintain safe and consistent staffing within the Fire Department during the life of this agreement.

The staffing and concession requirements in the proposed agreement will maintain departmental staffing continuity and has been approved and recommended by the Fire Chief.

Will the Council so approve and authorize the Mayor to execute the same?

Lisa Vitello, City Clerk

Council Members and Madam:

You are hereby notified of a Special Meeting of the City Council of the City of Niagara Falls, New York called pursuant to Section 3.9.B of the City Charter, to be held on Thursday, November 8, 2018 at 5:00 p.m. in the Council Chambers, City Hall, 745 Main Street, Niagara Falls, New York for the following purpose(s):

Consider the approval of an Equipment Rental Agreement with Precision Ice Rinks, LLC.

Respectfully submitted,

Andrew Touma, Council Chair
William Kennedy, Council Member
Ezra Scott, Council Member
Kenny Tompkins, Council Member
Christopher Voccio, Council Member
CONTRACT: EQUIPMENT RENTAL, PRECISION ICE RINKS

Agenda Item #1

During the City Council meeting on October 17, 2018, the City Council unanimously approved the Merani Hotel Group as the operator of the outdoor ice skating rink located in the City parking lot at First Street and Rainbow Boulevard. Attached hereto (on file in the City Clerk’s Office) is a copy of the item the City Council approved.

The attached item approved by the City Council references the fact that the ice skating rink is proposed to be rented from Precision Ice Rinks LLC and that a grant from the Niagara River Greenway Commission will be the source of funds to pay the cost of this rental. Precision Ice Rinks LLC is not requesting that an Equipment Rental Agreement be signed. A copy of this agreement is attached hereto (on file in the City Clerk’s Office). Among other things, this agreement calls for the ice rink to be rented for the period commencing on November 30, 2018 to end on March 2, 2019 at a total cost of $158,890.00.

Will the Council approve this proposed ice rink rental and authorize the Mayor to execute the attached Equipment Rental Agreement?

Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

CITY CLERK’S CLAIM REPORT FOR THE MONTH OF OCTOBER 2018

Agenda Item #1
THIS ITEM WAS RECEIVED AND FILED

THE FOLLOWING COMMUNICATIONS WERE SUBMITTED BY THE MAYOR

CONTRACT:  TENTH ST., CONSTRUCTION PROJECT, COMPLETION, CHANGE ORDER #1, MARK CERRONE INC.

Agenda Item #2
A contract for the above referenced project was awarded to Mark Cerrone Inc. on November 13, 2017, in the amount of $443,421.50.

While this project was under construction, underground traffic loops were found to be either missing or damaged and in need of repair. Additional catch basin grates were also required. These items required an increase in cost of $7,445.90. In addition, a few contract quantities were exceeded based on actual field conditions encountered. However, there were also a number of contract quantities which underran.

Taking into account these increases and decreases, the requested changes would actually result in a net decrease in the amount of $12,919.21, resulting in a final contract amount of $430,502.29.

Will the Council vote to approve and authorize the Mayor to execute a change order in a form acceptable to the Corporation Counsel? Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

CONTRACT: 550 MAIN ST., 557 THIRD ST., 561 THIRD ST., 565 THIRD ST., 569 THIRD ST., 571 THIRD ST., REDEVELOPMENT

Agenda Item #8

The City acquired the above referenced Premises as a result of plea negotiations with the U.S. Attorney’s Office at no cost to the City. The Premises is sometimes referred to as the Cannon block. In September of 2017, the Department of Economic Development circulated a Request for Proposals ("RFP") to redevelop the Premises.

Two proposals were received by the City in response to the RFP. Both were scored pursuant to the process described in the RFP. A copy of the RFP is attached hereto (on file in the City Clerk’s Office).

The proposal submitted by Penn Terra – USRE Corp. ("Penn Terra") scored the highest and it is therefore requested that the City Council authorize the designation of Penn Terra as the “Preferred Developer” for the Premises. Attached hereto (on file in the City Clerk’s Office) is a copy of the proposal submitted by Penn Terra.

In addition to designating Penn Terra as the Preferred Developer, it is requested that the City Council authorize the Mayor to negotiate with Penn Terra the terms and conditions of a sale and purchase and development agreement which will contain the terms of the development of the Premises. At such time as the terms and conditions of the sale and purchase and development agreement are finalized, that proposed agreement will be presented to the City Council for review with a request for authorization for the Mayor to execute it. A review and recommendation from the Planning Board will precede such a request. It should be noted that the City applied for and obtained a $2,000,000.00 Restore NY Grant to assist in the redevelopment of the Premises. One of the terms of the sale and purchase and development agreement with Penn Terra will be the assignment to Penn Terra of this Restore NY Grant.

It is anticipated that Penn Terra may request access to the Premises so that it may conduct its due diligence in an effort to move the project along. If that request is made, will the Council authorize such access to the Premises and authorize the Mayor to execute an early access agreement in form and content satisfactory to the Corporation Counsel?

11/14/2018
Will the Council approve the requests contained herein and authorize the Mayor to execute any agreements in this regard that are satisfactory in form and content to the Corporation Counsel? Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

Relative to adopting the 2019 Proposed Executive Budget with Amendments and directing transmission of the same to the Mayor, which was signed by Mayor Paul Dyster on November 29, 2018, 2018-112

BY: All Council Members

WHEREAS, on September 28, 2018, the Mayor duly presented this Council with the Proposed Executive Budget for 2019, including a capital plan; and

WHEREAS, the required public hearing on said proposed Executive Budget was held on October 30, 2018, at which the Council, the Mayor, the City Administrator and the City Controller were present, notice of which was published on October 20, 2018; and

WHEREAS, this Council thereafter met and considered the said Proposed Executive Budget and after due deliberation amended the same; and

WHEREAS, Section 5.6 (d) of the Niagara Falls City Charter requires the Council to transmit the Executive Budget to the Mayor with any amendments on or before December 1, 2018;

NOW, THEREFORE, BE IT RESOLVED, by the City Council of Niagara Falls, New York, that the Proposed Executive Budget for 2019 is hereby adopted as amended, which amendments, identified as budget resolutions numbers 1 through 31 inclusive, numbers 4, 5, 22 and 24 requiring no action by the Mayor, are attached hereto (on file in the City Clerk’s Office) and made a part hereof; and be it further

RESOLVED, that the Clerk of this Council is directed to immediately transmit a copy of this resolution, together with the aforesaid amendments, to the office of the Mayor on or before the end of December 1, 2018; and be it further

RESOLVED, that in the event that the Mayor shall approve all of the aforesaid amendments to the Executive Budget, the Executive Budget as amended and heretofore adopted shall become operative without further action by this Council, and the Mayor is thereupon directed to spread the sum amounting to $30,952,436.00 (Thirty Million, Nine Hundred Fifty Two Thousand, Four Hundred Thirty Six Dollars and no cents) upon all taxable property within the City at such rates as will be sufficient to raise said sum, which sum shall be certified to him by the City Clerk, together with such amounts of unpaid local assessments, water, sewer, sidewalk charges and other charges provided by law, as may be certified by the Controller and the Director of Public Works and the Niagara Falls Water Board upon the assessment rolls of the City of Niagara Falls as prescribed by law; and be it further
RESOLVED, that upon reconsideration and action by this Council on any of the aforesaid amendments which the Mayor may have vetoed, the Executive Budget as amended and heretofore adopted shall become operative without further action by this Council, but in the event any veto is not overridden, the amounts thereof shall be adjusted by the Controller, by adding or subtracting, as the case may be, from the foregoing sum directed to be levied, without further action by this Council, which sum as adjusted shall be certified by the City Clerk to the Mayor, and the Mayor is thereupon directed to spread said sum as adjusted upon the taxable property within the City at such rates as will be sufficient to raise the sum required.

Agenda Item #1
THIS ITEM WAS RECEIVED AND FILED

THE FOLLOWING COMMUNICATIONS WERE SUBMITTED BY THE MAYOR

FIRE DEPARTMENT: REORGANIZATION

Agenda Item #2
Due to a series of promotional moves within the City, the position of Principal Clerk (Grade 12) in the Fire Department has been vacated, effective November 26, 2018. To maintain essential services and maximize savings, the Fire Chief is requesting a downgrade of the Principal Clerk position to Senior Clerk (Grade 10). The downgrade would allow for the continuity of services and provide a promotional opportunity for an existing employee of the Fire Department, who would be able to provide training for the incoming Jr. Account Clerk-Fire. The proposed reorganization would result in a net savings of $8,478 in the department’s 2018 biweekly line.

Attached (on file in the City Clerk’s Office) is the proposed Fire Department Personnel listing.

CONTRACT: MODERN DISPOSAL SERVICES, INC., EXTENSION

Agenda Item #3
At your April 28, 2014 meeting, you awarded the above-referenced contract to Modern Disposal Services, Inc. (“Modern”). Subsequently, in response to citizen comments, this agreement was amended and revised in both July of 2014 and November of 2016 to arrive at the City’s current level of service from Modern.

As you are aware, the City’s contract for the above referenced services is due to expire in April of 2019, unless the agreement is mutually extended. In response to comments from this Council and the citizens, my administration entered into negotiations with Modern to make certain additional amendments and revisions to the refuse and recycling program in exchange for extending the agreement with Modern for an additional five (5) years.

Modern has submitted the attached (on file in the City Clerk’s Office) correspondence which memorializes these additional amendments and revisions to the current service.

It is the recommendation of the administration that the City adopt these changes and enter into a five (5) year extension.

Will the Council so approve and authorize the Mayor to execute an agreement to extend this contract with the negotiated amendments for an additional five (5) years in a form acceptable to the Corporation Counsel?

COMMUNITY DEVELOPMENT: DESIGNATION OF A NF CD AREA, FOR CD BLOCK GRANT ACTIVITIES

Agenda Item #6

Title 24 of the Code of Federal Regulations, 570.208(b) allows for the use of CDBG funds to address areas that meet certain specified criteria as follows:

"An activity will be considered to address prevention or elimination of slums or blight in an area if:
(i) The area, delineated by the recipient, meets a definition of a slum, blighted, deteriorated or deteriorating area under State or local law;
(ii) The area also meets the conditions in either paragraph (A) or (B):
   (A) At least 25 percent of properties throughout the area experience one or more of the following conditions:
      (1) Physical deterioration of buildings or improvements;
      (2) Abandonment of properties;
      (3) Chronic high occupancy turnover rates or chronic high vacancy rates in commercial or industrial buildings;
      (4) Significant declines in property values or abnormally low property values relative to other areas in the community; or
      (5) Known or suspected environmental contamination.
   (B) The public improvements throughout the area are in a general state of deterioration"

The Community Development Department is seeking approval of a designation by the City Council of an area of the city that meets the conditions outlined above as the “Niagara Falls Community Development Area.” This designation would allow for the delivery of CDBG-funded activities that prevent or eliminate factors that cause neighborhood deterioration.

The geographic boundary of the proposed Niagara Falls Community Development Area is comprised of the following Census Block Groups, whose boundaries have been defined by the 2010 U.S. Census, contained within the City of Niagara Falls, New York:

Census Tract 202, Block Groups 1, 2, and 3;
Census Tract 204, Block Group 2;
Census Tract 205, Block Groups 1 and 2;
Census Tract 206, Block Groups 1 and 2;
Census Tract 207, Block Groups 3 and 4;
Census Tract 209, Block Groups 1, 2, and 3;
Census Tract 210, Block Groups 3 and 4;
Census Tract 211, Block Group 2;
Census Tract 212, Block Groups 1, 2, 3, and 4;
Census Tract 213, Block Groups 1 and 2;
Census Tract 214, Block Group 3;
Census Tract 217, Block Groups 1, 2, and 5;
Census Tract 220, Block Groups 2 and 3.

This area is delineated on the map attached (on file in the City Clerk’s Office) in the supporting documents for this Council agenda item.

The following factors demonstrate that the area described above meets the criteria specified in Title 24 of the Code of Federal Regulations, 570.208(b):

1. The New York State General Municipal Law Article 18–C, S-970-c defines "Blighted area" as an area within a municipality in which one or more of the following conditions exist: (i) a predominance of buildings and structures which are deteriorated or unfit or unsafe for use or occupancy; or (ii) a predominance of economically unproductive lands, buildings or structures, the redevelopment of which is needed to prevent further deterioration which would jeopardize the economic well-being of the people.”

11/28/2018
2. The vacancy rate estimate in the proposed Community Development Area, provided by the U.S. Census Bureau 2016 American Community Survey, is 27.45%.

3. The proposed Niagara Falls Community Development Area contains or immediately borders numerous known sites containing environmental contaminants, including the Hooker S Area Superfund site on Buffalo Avenue, and the Olin Corporation Hazardous Waste Cleanup site at 2400 Buffalo Avenue, the Frontier Chemical Waste Process Incorporated Royal Avenue Hazardous Waste Cleanup Site at Royal Avenue and 47th Street.

4. This area has experienced chronic deterioration, documented through the observation that nearly a third (3,182 properties out of 10,357 properties or approximately 31%) of all buildings in this area were cited by the Niagara Falls Department of Code Enforcement for one or more code violations in the five-year period from January 1, 2012 to December 31, 2017.

Will the Council vote to approve to designate the proposed Niagara Falls Community Development Area as meeting the standards prescribed in Title 24 of the Code of Federal Regulations, 570.208(b)(1)(i) for a period of 10 years from the date of this item’s approval?

CONTRACT: SCHOOL RESOURCE OFFICER, AMENDMENT

Agenda Item #7

In March of this year the City Council approved an agreement (the “Agreement”) which would allow the City to provide an NFPD Police Officer to the School District to be located at the High School on a full-time basis. The School District agreed to reimburse the City for the entire cost of that Officer’s salary and benefits.

The School District identified the need to engage a second NFPD Officer to work as an SRO at the High School and also to have an SRO on site at the two Prep Schools in the District (“Gaskill and LaSalle”) also on a full-time basis. The District has agreed to reimburse the City for the entire salary and benefits to be paid for these three (3) additional NFPD Officers to work as SROs in the School District. Attached hereto (on file in the City Clerk’s Office) is a copy of a proposed amendment to the Agreement made in March of this year which will accomplish this. The total reimbursement of dollars is included in this attachment. The term of this agreement is to run commencing on September 4, 2018 and terminating on December 31, 2018.

Will the Council so approve and authorize the Mayor to execute the amended agreement providing the same is satisfactory to the Corporation Counsel?

CONTRACT: COURT HOUSE, CLEANING/MINOR REPAIR SERVICES, NYS

Agenda Item #9
Pursuant to New York State Law, the Unified Court System reimburses the City for cleaning its facilities located in the new Municipal Complex as well as performing minor repair services. This has been done pursuant to contract since the Municipal Complex opened. The agreement is now expiring and the new agreement will cover the period of State fiscal year 2018 through State fiscal year 2023 beginning April 1, 2018 and terminating on March 31, 2023. This agreement calls for New York State to reimburse the City for costs incurred by the City on a quarterly basis. These amounts fluctuate from quarter to quarter depending on time spent and are estimated to be approximately $77,925.25 per quarter and $311,701.00 annually. The State is current in its payments.
Will the Council so approve and authorize the Mayor to enter into an agreement satisfactory to the Corporation Counsel?

CONTRACT: POLICE CLUB, CITY, TEMPORARY CONCESSIONS AGREEMENT

Agenda Item #10
Attached (on file in the City Clerk’s Office) please find the proposed Memorandum of Agreement between the City of Niagara Falls and the Niagara Falls Police Club (“Union”), relative to temporary financial concessions. The Union is cognizant of the financial difficulties which the City faces in the upcoming budget year due to the absence of casino funds. Accordingly, the Union has agreed to provide temporary financial assistance to the City in the form of concessions related to certain contractually guaranteed benefits which its membership currently enjoy. In return for the Union’s efforts in assisting the City with balancing the budget, the City has agreed to a tentative extension of the parties’ collective bargaining agreement, which is has been submitted to the City Council in another item for ratification.
The foregoing proposed agreement will continue to maintain departmental staffing continuity and has been approved and recommended by the Superintendent of Police.

CITY CLERKS CLAIMS FOR THE MONTH OF NOVEMBER 2018

Agenda Item #1
THIS ITEM WAS RECEIVED AND FILED

THE FOLLOWING COMMUNICATIONS WERE SUBMITTED BY THE MAYOR

CONTRACT: SHEPHERD-CORULLI, SHERRY L., EXTENSION, GRANT WRITING SERVICES

Agenda Item #2

Commencing in calendar year 2015, the City entered into a non-exclusive Consulting Agreement (the “Agreement”) with an individual to provide grant writing and grant administration services to the City. This Agreement has been extended for years 2016, 2017 and 2018 and has proven very beneficial to the City. It is recommended that for calendar year 2019 the City extend the Agreement with that same individual to provide those same services. Attached (on file in the City Clerk’s Office) is a copy of the proposed 2019 Agreement together with a communication from the consultant describing various accomplishments and requesting an extension. The fee for those services during 2019 is not to exceed $40,000.00. Funding is available from the 2019 Planning Environmental and Economic Development Departmental 2019 adopted budget.

Will the Council so approve and authorize the Mayor to execute an agreement with the grant writer in a form acceptable to the Corporation Counsel?

Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

CONTRACT: GREEN INFRASTRUCTURE, GEI CONSULTANTS

Agenda Item #6
Various City officials have been in discussions with GEI as concerns an initiative that will assist the City in the development of a green infrastructure. GEI has offered to prepare a Phase 1 Sustainable Infrastructure Plan (“SIP”) at no cost to the City. GEI advises that the Phase 1 SIP would outline a full Phase 2 SIP.

Attached hereto (on file in the City Clerk’s Office) is a copy of a proposal from GEI outlining this proposal.

Will the Council authorize the City to move forward with GEI and authorize the Mayor to execute an agreement with GEI provided the same is acceptable in form and content to the Corporation Counsel?

Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

CITY PROPERTY: 446 ELMWOOD AVENUE, SALE, RFP PROPERTY

Agenda Item #7
The Niagara Falls Community Development Department requests Niagara Falls City Council approval for the sale of the following city-owned property to Jhurden Thompson for $500: (446 Elmwood Avenue). The Niagara Falls Planning Board recommended sale of the property as part of a previous home ownership auction and approved this specific sale earlier this year. In August 2018, the Niagara Falls Community Development Department (CD) advertised a Request for Proposals (RFP) for the purchase and renovation of vacant and tax foreclosed properties, including 446 Elmwood Avenue, with proposals due back to CD on September 7, 2018. The RFPs were advertised in the Niagara Gazette legal section for three consecutive weeks, and on www.nf-cd.org. Proposals were reviewed by CD based on the following guidelines, as stated in the RFPs for all of the properties:

- The highest and best use of building.
- Total investment and proposed property enhancement.
- The ability of the ownership/management team to accomplish the proposed project based upon past development history, financial strength and demonstrated expertise in operations similar to the proposed development.
- Date of completion of renovation. Earlier completion was favored. Provide information to document the ability to perform in conformity with your timetable.
- Price to be paid to the City. Proposals that provide the highest total investment, including purchase price will be favored.

The selected proposer does not owe the City of Niagara Falls any late property taxes on parcels owned within the municipality. Will the Council vote to approve the sale and authorize the Mayor to execute any documents necessary to effectuate the same?
Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

COMMUNITY DEVELOPMENT: ICE RINK, LIGHTING RENTAL, ABC RENTALS

Agenda Item #9

The Niagara Falls Community Development Department (CD) requests City Council approval of use of $3,000 in Niagara River Greenway funded already dedicated to outdoor ice skating, for temporary lighting in support of that activity. The most reasonable price and model is rentable from ABC Rentals. This is based on telephonic quotes. Lighting will support security and marketing of the outdoor skating and is within the Greenway grant budget. No general fund dollars are being requested. The lighting will be on site for the duration of the activity.

Will the Council vote to approve the rental and authorize the Mayor to execute any documents necessary to effectuate the same?

RESOLUTION: NIAGARA FALLS LOCAL FOOD ACTION PLAN, 2018-119  
BY: COUNCIL MEMBERS SCOTT, TOMPKINS, CHAIRMAN TOUMA

Agenda Item #15  
WHEREAS, in 2009, at Mayor Dyster’s urging, the Mayor’s task force for a Healthier Niagara Falls was created and shortly thereafter the Create a Healthier Niagara Falls Collaborative (the “Collaborative”) was formed; and
WHEREAS, the purpose of the Collaborative was to provide a platform for City residents to be part of the solution in creating a healthier City of Niagara Falls; and
WHEREAS, the Collaborative became deeply engaged in the community and began to provide tools and support to residents to make positive change; and
WHEREAS, in January 2017, the Healthy Food Healthy People (“HFHP”) work group was created as part of the Collaborative and began a year-long planning process to create the Niagara Falls Local Food Action Plan; and
WHEREAS, the HFHP was resident-driven and grounded in the belief that all residents of the City of Niagara Falls should have access to nutritious and affordable food; and

12/12/2018
WHEREAS, the Niagara Falls Local Food Action Plan provides a framework of common goals and actions that serve to bring together residents, schools, community organizations, businesses and local government in supporting a healthy, strong and resilient local food system; and

WHEREAS, the Niagara Falls Local Food Action Plan’s goals and actions represent those that were identified by residents and stakeholders, ranked highest amongst subcommittee members and represent those with the greatest potential for a positive impact on the unique food related issues facing the City of Niagara Falls community; and

WHEREAS, the Niagara Falls Local Food Action Plan seeks to address the results of significant social issues such as poverty, under-employment and unemployment that contribute to inequities in access to fresh, affordable food for City of Niagara Falls residents; and

WHEREAS, by reducing use of fossil fuels through encouraging development of locally-produced food sources, local food action plans are an important part of cities’ sustainability planning; and

WHEREAS, a copy of the Niagara Falls Local Food Action Plan is attached hereto (on file in the City Clerk’s Office) (without appendices).

NOW, THEREFORE, BE IT RESOLVED that this City Council does hereby adopt the Niagara Falls Local Food Action Plan as the official Local Food Action Plan of the City of Niagara Falls.
