THE FOLLOWING COMMUNICATION WAS SUBMITTED BY THE CITY CLERK

CITY CLERK’S REPORT FOR THE MONTH OF NOVEMBER 2018

Agenda Item #1

THIS ITEM WAS RECEIVED AND FILED

THE FOLLOWING COMMUNICATIONS WERE SUBMITTED BY THE MAYOR

CONTRACT: LASALLE LIBRARY BOILER, EMERGENCY REPAIRS, CHANGE ORDER #1, H.W. BRYK & SONS

Agenda Item #2

The Engineering Department solicited quotes for replacement of the existing steam boiler at the LaSalle Library, the low bidder was H.W. Bryk & Sons at $23,900.00. At the time of solicitation it was anticipated that we could reuse some ancillary parts of the old boiler as a cost saving measure. After the existing boiler was dismantled it was discovered that the “Power Flame” blast tube was severely damaged and could not be reused. H.W. Bryk & Sons secured the parts required to replace the blast tube parts at a total cost of $1,389.00 and installed them (at no charge) under their original bid price.

Sufficient funding is available within Capital account code H0904. Will the Council vote to so approve and authorize the Mayor to execute a change order in a form acceptable to the Corporation Counsel?

Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

Agenda Item #3

A contract for the above referenced project was awarded to 4th Generation Construction, Inc. on November 13, 2017, in the amount of $244,600.00.

As this project progressed some additional improvements to the ball diamonds were made to make the outfields safer for play as well as more conducive to maintenance. These improvements included additional grading and filling of ruts throughout the outfields as well as the addition of a pitcher’s mound and outfield gates.

These changes will result in an additional $15,770.00, bringing the total contract amount to $260,370.00. Funding is available through the Department of Community Development.

Will the Council vote to approve and authorize the Mayor to execute a change order in a form acceptable to the Corporation Counsel?

Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

CONTRACT: NIAGARA MOBILE APP INITIATIVE, PROJECT

Agenda Item #4

During the City Council meeting on November 27, 2017 the City Council approved funding in the amount of $2,500.00 for an initiative developed by Councilman Scott and Niagara University to create a mobile app for smart phone utilization that will promote and enhance resident awareness of various programs and services that are available in the area.

During the creation of this mobile app initiative, it became apparent to those working on the project that other similar types of projects already existed or were in development. Accordingly, the promoters of this initiative looked for another project to address certain disconnects in information availability. The result was an idea to create the “Niagara Answers” website which will promote resident and visitor awareness and involvement and ensure equal opportunity and services to provide an easy approach for residents and visitors to find City information and services. This “Niagara Answers” website will be designed to offer an easy approach for residents and visitors to search for City information and services and will connect the City of Niagara Falls. Attached hereto (on file in the City Clerk’s Office) is a copy of the new proposal developed by Councilman Scott and Niagara University and will be utilized by the University for expenses incurred in the creation of this new project. There is no request for additional funding from the City for this initiative as the $2,500.00 previously provided by the City for the Mobile App initiative continues to be held in escrow by Niagara University and will be utilized by the University for expenses incurred in the creation of this new project. It is also requested that the date for completion of this project be extended to December 31, 2019.

Will the Council approve this change in the initiative and authorize the Mayor to execute an agreement provided the same is in form and content acceptable to the Corporation Counsel?

CONTRACT: TRAFFIC SIGNAL UPGRADES, WALNUT AVENUE & HYDE PARK BLVD., CITY PARKLAND, NYSDOT

Agenda Item #5

NYSDOT has commenced a project to upgrade various traffic signals throughout Western New York including the traffic signal at Walnut Avenue and Hyde Park Boulevard. The City owned real estate in question that is affected is located on the north east corner of the intersection and is approximately 400 square feet in total. The attached (on file in the City Clerk’s Office) correspondence from NYSDOT describes the project and attaches (on file in the City Clerk’s Office) a map showing the location of the City owned real estate involved. (It should be noted that the attached letter describes this real estate as “Arthur V. Curcione Place” because of the signage located in the vicinity. It is actually City public parkland which is most likely part of Hyde Park.)

In any event, NYSDOT will be acquiring this small parcel through the eminent domain process. An appraisal is being conducted and the City will be paid for this small parcel of real estate.
Will the Council so approve and authorize the Mayor to execute any agreement or correspondence confirming that this small parcel of property is “de minimis” in nature and that the action undertaken by the NYSDOT will not adversely impact park activities?

CONTRACT: SCHOOL RESOURCE OFFICERS, CONTINUATION OF AGREEMENT

Agenda Item #6

The agreement that the City has had in place with the School District which, among other things, calls for the City to provide uniformed officers from the NFPD to serve as SROs at various schools in the School District has worked out well for the School District and the City. It is therefore requested that this agreement continue during the first six (6) months of 2019. It is proposed that two (2) NFPD Officers serve as SROs at the High School and one (1) each to serve as SROs at LaSalle Prep and Gaskill Prep. Attached hereto (on file in the City Clerk’s Office) is a copy of a proposed agreement between the City and the School District. Note that the District will be reimbursing the City for the entire cost of these four (4) SROs which totals $280,788.00.

CONTRACT: USA NIAGARA DEVELOPMENT CORP., EXTENSION

Agenda Item #7

As Council members may be aware, USAN owns and operates the Conference and Event Center on Old Falls Street and has contracted with an entity to undertake daily management and operation of the Conference and Event Center. Over the last several years the City has contracted with USAN to not only assist in the funding of the operation of the Conference and Event Center, but also to allow USAN, through the entity operating the Conference and Event Center, to control, maintain, manage and program events on Old Falls Street between Prospect Street and Third Street. The entity now operating the Conference and Event Center and managing Old Falls Street is Comcast Spectacore. This arrangement has worked out very well for the City.

It is requested that USAN be permitted to continue to control, maintain, manage and program Old Falls Street between Prospect Street and Third Street during 2019 at no cost to the City. Attached hereto (on file in the City Clerk’s Office) is a copy of a proposed agreement so reciting.

Will the Council so approve and authorize the Mayor to execute the attached proposed agreement provided the same is in form and content satisfactory to the Corporation Counsel?

CONTRACT: 2018 MUNICIPAL SIDEWALK REPLACEMENT PROJECT, VALERI CONCRETE CONSTRUCTION, INC., CHANGE ORDER #1

Agenda Item #3
A contract for the above referenced project was awarded to Valeri Concrete Construction, Inc. on May 9, 2018 in the amount of $252,500.00

After the project’s award, it was determined that a substantial amount of six (6”) inch thick concrete sidewalk/driveway aprons included in the 2018 Municipal Sidewalk Replacement Project would not be necessary after the decision to remove Lockport Street from the In House Paving Plan was made.

Conversely, streets substituted in Lockport Road’s place on the In-House Paving list increased the need for related four (4”) inch thick standard concrete sidewalk installations beyond the original bid quantity. The contractual quantity underruns noted above will allow all excess concrete installations to be paid for with no additional cost ($0.00) to the project.

**CONTRACT: NIAGARA GOLF PARTNERS, PREFERRED DEVELOPER, LEASE OF GOLF COURSE**

Agenda Item #6

In the interest of continuing the ongoing improvements to the amenities at the Hyde Park Golf Course ("the course") and also being mindful of the City’s costs to operate the course, the Purchasing Division issued an RFP to potentially bring in an operator to take over the operation of the golf course, the restaurant and the shop located on the premises.

After publishing and posting the RFP, the City received two (2) responses and both prospective vendors were interviewed by the scoring committee. After further discussions with both prospective vendors, the proposal from Niagara Golf Partners ("NGP") emerged as the strongest proposal.

The terms of NGP’s proposal are as follows: NGP will assume full operational control at the course by performing all tasks necessary to operate the course, restaurant and shop; collecting all revenues and paying all expenses with the exception of the utility contributions set forth herein. The term of the agreement shall be five (5) years, with the option of a mutual five (5) year extension following the end of the initial term.
As discussed above, the City will make contributions towards the utility costs as follows:

<table>
<thead>
<tr>
<th>Years</th>
<th>Contribution</th>
</tr>
</thead>
<tbody>
<tr>
<td>1 and 2</td>
<td>$60,000.00 per year</td>
</tr>
<tr>
<td>3 and 4</td>
<td>$40,000.00 per year</td>
</tr>
<tr>
<td>5</td>
<td>$20,000.00</td>
</tr>
</tbody>
</table>

If the five (5) year extension is agreeable to both parties, the City will make a final contribution to the utility costs in Year 6 of $20,000.00. Commencing in Year 7 and continuing through Year 10, NGP will pay the City a license fee of $50,000.00 per year.

Additionally, NGP has expressed an interest in renting certain City-owned equipment as part of its operations, and also in leasing some additional storage space from the City. These items will be included as part of the lease agreement once NGP determines which pieces of equipment they will rent and how much space they will require. The payments for these items will further offset the City’s utility contributions for Years 1 through 6 and become additional revenue in Years 7 through 10 if the extension is approved.

Based upon the recommendation of the scoring committee, it is the recommendation of the administration that the City name NGP as preferred developer for the leasing of the course and that the City enter into a five (5) year lease (with the aforementioned mutual five (5) year option) on the terms and conditions stated herein.

Will the Council so approve and authorize the Mayor to execute a lease agreement, and any other documents necessary to complete this lease, in a form acceptable to the Corporation Counsel?

CONTRACT: AFRICAN HERITAGE ECONOMIC INITIATIVE, INC., EXTENSION AND MORTGAGE DOCUMENT, FOOD COOPERATIVE

Agenda Item #12

In July of 2018, the City awarded CDBG funds to African Heritage Economic Initiative, Inc. (the “subrecipient”) to establish a food cooperative in the North End neighborhood of the city. These funds were made available for site acquisition, renovation, and store operations. The contract for this project was executed on July 16, 2018.

The contract carried strict time requirements. The subrecipient was allotted six months from the execution date of the contract to close on the purchase of a property and four months for the subrecipient to renovate the property and open the store to the public. Funding for the operation of the co-op would be available for four months following the co-op’s opening to the public. The maximum total timeline for the project was to be fourteen months.

The subrecipient was able to close on the property on September 13, 2018, well within the six month timeframe requirement. The current contract required that rehab be completed within four months of this date, and for the food co-op to open on January 13, 2019. The subrecipient has had difficulty identifying contractors to perform the required renovation work, and the 2018-19 holiday season produced further delays in contractor procurement. The four month timeline has not be met. The subrecipient has asked for more time to complete renovations, and anticipates that the co-op will be open by the end of February if the contract is extended.

Because acquisition of the co-op site took place well ahead of schedule, Community Development recommends that the contract be amended to allow for both renovation and operations costs to be paid through September 16, 2019. In addition, the contract would be amended to require that a mortgage document be signed by the subrecipient and recorded in the Niagara County Clerk’s office to further secure the subrecipient’s performance of provisions already present in the current contract.
It is requested that Council approve an amendment to the contract to allow renovation and operations expenditures through September 16, 2019, and to require a mortgage on the property at 2616 Highland Avenue to secure the subrecipient’s performance.

Will the Council vote to approve the proposal presented herein and to authorize the Mayor to execute any documents necessary to effectuate the same?

Shortly after the start of the project, issues related to existing poor soil & subbase conditions, faulty and combined drainage piping issues, and NYSDOT Asphalt Adjustment protocols forced the contractor to perform tasks as well as install materials that were not anticipated in the initial scope of the project. The cost of the additional tasks, in addition to actual bid item overruns totals $102,186.27*, bringing the new contract total to $647,290.82.

It is important to note that the entire project is 100% reimbursable through the City’s annual allotment of NYSDOT's Consolidated Highway Improvement Program (CHIPs) Funding.

Agenda Item #16

WHEREAS, the City Council of the City of Niagara Falls believes in Home Rule and should be able to determine the most preferable way to pay for services to promote tourism in the City of Niagara Falls; and

WHEREAS, the City Council of the City of Niagara Falls sees an advantage to an additional 1% increase in the current Bed tax to aid and promote tourism in the City of Niagara Falls and Niagara County in general; and

WHEREAS, the City of Niagara Falls has an opportunity to assist the Niagara Falls National Heritage area in its operation of the Discover Niagara Shuttle or other entities for transportation or economic development purposes pursuant to New York State Tax Law Article 29 §1201-d(a) authority to impose tax; and

WHEREAS, the Discover Niagara Shuttle service presently serves the City of Niagara Falls and along the Niagara River corridor to the Village of Youngstown; and

WHEREAS, the City of Niagara Falls anticipates several benefits to an additional 1% increase of the current bed tax, which would include:

1. Promote tourism by ease of transportation to and from all the tourist sites in the City of Niagara Falls, Town of Lewiston, Village of Youngstown and in the future various additional tourist sites in Niagara County;
2. Relieve congestion of tourism traffic on the roads, parking, and provide a scenic commute throughout the existing City of Niagara Falls and Niagara County tourist locations; and
NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Niagara Falls requests that the State of New York Senate and Assembly draft companion bills for the purpose of increasing the existing Bed tax by 1% designated specifically to the Discover Niagara Shuttle; and

BE IT FURTHER RESOLVED that the drafting of this legislation on the State level would provide the City of Niagara Falls the option of passing the Home Rule message in support of such legislation; and

BE IT FURTHER RESOLVED that subsequent to the State’s adoption, the City of Niagara Falls would have an opportunity to present a Local Law which would call for action to allow City of Niagara Falls residents and visitors easy and comfortable transportation between the City of Niagara Falls and various other Niagara County attractions; and

BE IT FURTHER RESOLVED that the City of Niagara Falls City Council respectfully requests the New York State Senate and Assembly to submit companion bills that would pave the way for City’s Local Law and Public Hearing and that copies of this Resolution be sent immediately to the City of Niagara Falls’ State Representatives.

RESOLUTION: GOVERNMENT EFFICIENCY PANEL, CREATION
BY: COUNCIL MEMBER CHRISTOPHER V OCCIO

Agenda Item #19
WHEREAS, the City of Niagara Falls spends more each year than non-casino revenues are able to cover, by roughly $10 million dollars; and
WHEREAS, city taxpayers would benefit from a restructuring of government such that non-casino revenues could sustain government services so that casino revenues could be used for infrastructure and economic development, as originally intended; and
WHEREAS, the nature of government can make it difficult to identify opportunities for improved efficiency, and even if efficiencies are identified it can be difficult to make such efficiencies known due to the political nature of all government bodies; and
WHEREAS, there are individuals who have experience identifying efficiencies in various industries in Niagara Falls and nearby communities, many of whom would volunteer their time and talents to help the city.

NOW, THEREFORE, BE IT RESOLVED, the City Council shall establish a Government Efficiency Panel charged with identifying expense reduction opportunities and efficiencies in operations. This panel shall last through the end of 2019 though may be extended by the Council. There shall be 6 to 10 members of this panel, with the Council appointing three members, one of whom shall be the Council-appointed chair of the panel who, working with the other two Council appointees shall recruit the remainder of the panel which shall be constructed as follows:

- A minimum of 6 members must be from non-government sectors of the economy.
- A minimum of 2 members must be non-residents of the City of Niagara Falls.
- A minimum of 2 members must be from small businesses, defined here as having less than 50 employees (may also include the CPA designee mentioned below.)
- A minimum of 1 member must be a Certified Public Accountant.
Timeline:
- Council shall appoint three members no later than February 20, 2019
- Three appointed members shall recruit other members no later than March 15, 2019
- Panel shall immediately have full access to city government information
- Panel shall present initial findings and recommendations to Council no later than the last Council meeting in July. Further findings and discoveries may be presented to Council throughout the remainder of 2019.

CODE ENFORCEMENT DEPARTMENT: EMERGENCY DEMOLITION FUNDING TRANSFER

Agenda Item #26

The Niagara Falls Code Enforcement Department requests a $250,000 transfer from the tribal revenue reserve fund to the emergency demolition capital account. This transfer has been discussed with members of the City Council in recent months. The transfer will allow the department to properly respond to emergency demolitions and the securing of vacant properties.

Does the City Council approve of this budget transfer? Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

CONTRACT: 535 MEMORIAL PKWY., RENOVATION, CHDO PROGRAM

Agenda Item #2

HUD regulation requires that at least 10% of the City’s HOME grant be spent for CDHO activities. CCNDC qualifies as a Community Housing Development Organization. These funds are available to CCNDC for rehabilitation of properties owned by CCNDC.

CCNDC has proposed renovation of 535 Memorial Parkway, which is a three-unit building, under the CHDO program. The City will enter into an agreement with CCNDC which will require, in part, that the renovated property is available to low income tenants for 15 years, and that rents are limited under HUD rent limitations.

CCNDC will use $36,363 of 2018 CHDO funds, for the 535 Memorial Parkway rehabilitation. While the funds have been appropriated for this purpose in Community Development’s 2018 Annual Action Plan, each specific CHDO contract requires City Council approval.

Will the Council vote to approve the 535 Memorial Parkway CHDO agreement with Center City Neighborhood Development Corporation as set forth herein, and authorize the Mayor to execute any documents necessary to effectuate the same?

CONTRACT: OFFICE OF THE AGING, SENIOR NUTRITION SITE

Agenda Item #3

For the last several years the City has provided space at the John Duke Center and the LaSalle Senior Center so that OFA may operate a nutrition program for seniors. This program is attended by numerous senior citizens at both locations every day. This program is funded by the New York State Office for the Aging. The term of this agreement will be for one (1) year, i.e., January 1, 2019 to December 31, 2019 and may be terminated by either party on sixty (60) days written notice to the other.
Attached (on file in the City Clerk’s Office) are copies of the proposed agreements between the City and the OFA. Will the Council so approve and authorize the Mayor to execute the attached agreements?

CONTRACT: GARDEN AVENUE PARK IMPROVEMENT PROJECT, EQUIPMENT, GAMETIME

Agenda Item #4

The Niagara Falls Community Development Department (NFCD) has undertaken an aggressive plan of park improvements throughout the City of Niagara Falls, using non-local taxpayer dollars. The City of Niagara Falls was awarded a $75,000 New York State and Municipal Facilities Program (SAM) grant for the creation of a pocket park in the city’s north end. In 2018, NFCD organized a public planning meeting for improvements at Garden Avenue Park (1031 Garden Avenue). The current part is in disrepair and rarely used. Improvements funded by the SAM grant will add value to the neighborhood, and the park plan was created with resident input.

It is NFCD’s recommendation that the purchase of Garden Avenue Park’s new should be purchased via the New York State Office of General Services Playground Equipment, and Related Products Statewide Contract. GAMETIME Playground Equipment is a qualified vendor as part of the statewide contract (NYS CONTRACT PC 66669). Equipment includes playground units, seating and trash receptacles. Equipment would be installed by city workers. The equipment purchase amount is $75,000.

Will the Council vote to approve this purchase from GAMETIME and authorize the Mayor to execute any documents necessary to effectuate the same?

CONTRACT: NTCC, SHARED SERVICES

Agenda Item #5

The City has been requested to renew NTCC Shared Services Agreement (on file in the City Clerk’s Office) with NTCC to fill a tourism position at NTCC. The position is a staff position at NTCC. NTCC will be responsible to pay the salary and provide all benefits of employment. The City will contribute the amount of $40,000.00 per year toward the cost of the salary and benefits of employment. This position will be dedicated to promoting tourism in the City of Niagara Falls. This arrangement was in effect during the year March 1, 2018 through February 28, 2019 and was generally considered to be a successful collaboration. Funds are available in the tourism budget.

It is recommended that this Shared Services Agreement be continued for a two (2) year period of time provided funding is made available. Will the Council so approve and authorize the Mayor to execute a Shared Services Agreement in form and substance satisfactory to the Corporation Counsel?

CONTRACT: HYDE PARK GOLF COURSE, LEASE, NIAGARA GOLF PARTNERS

Agenda Item #10
In the interest of continuing the ongoing improvements to the amenities at the Hyde Park Golf Course ("the course") and also being mindful of the City’s costs to operate the course, the Purchasing Division issued an RFP to potentially bring in an operator to take over the operation of the golf course, the restaurant and the shop located on the premises.

After publishing and posting the RFP, the City received two (2) responses and both prospective vendors were interviewed by the scoring committee. After further discussions with both prospective vendors, the proposal from Niagara Golf Partners ("NGP") emerged as the strongest proposal.

The terms of NGP’s proposal are as follows: NGP will assume full operational control at the course by performing all tasks necessary to operate the course, restaurant and shop; collecting all revenues and paying all expenses with the exception of the utility contributions set forth herein. The term of the agreement shall be five (5) years, with the option of a mutual five (5) year extension following the end of the initial term.

As discussed above, the City will make contributions towards the utility costs as follows:

<table>
<thead>
<tr>
<th>Years</th>
<th>Contribution</th>
</tr>
</thead>
<tbody>
<tr>
<td>1 and 2</td>
<td>$60,000.00 per year</td>
</tr>
<tr>
<td>3 and 4</td>
<td>$40,000.00 per year</td>
</tr>
<tr>
<td>Year 5</td>
<td>$20,000.00</td>
</tr>
</tbody>
</table>

25
If the five (5) year extension is agreeable to both parties, the City will make a final contribution to the utility costs in Year 6 of $20,000.00. Commencing in Year 7 and continuing through Year 10, NGP will pay the City a license fee of $50,000.00 per year.

Additionally, NGP has expressed an interest in renting certain City-owned equipment as part of its operations, and also in leasing some additional storage space from the City. These items will be included as part of the lease agreement once NGP determines which pieces of equipment they will rent and how much space they will require. The payments for these items will further offset the City’s utility contributions for Years 1 through 6 and become additional revenue in Years 7 through 10 if the extension is approved.

Based upon the recommendation of the scoring committee, it is the recommendation of the administration that the City name NGP as preferred developer for the leasing of the course and that the City enter into a five (5) year lease (with the aforementioned mutual five (5) year option) on the terms and conditions stated herein.

Will the Council so approve and authorize the Mayor to execute a lease agreement, and any other documents necessary to complete this lease, in a form acceptable to the Corporation Counsel?

Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

RESOLUTION: RELATIVE TO HONORING WILLIAMSON FUNERAL HOME, 2019-17
BY: COUNCIL MEMBERS SCOTT, TOMPKINS, CHAIRMAN TOUMA

Agenda Item #7
WHEREAS, Theodore Williamson worked at the old Union Carbide plant and he opened a business cleaning the bathrooms along Old Falls Street. It took him 15 years to save up enough money to open Williamson Funeral Home; and
WHEREAS, Theodore Williamson opened the funeral home in 1960 on 10th Street near the former Nabisco plant with Michael Williamson's grandfather, Joseph Williamson Sr.; and
WHEREAS, The treatment of African-Americans in an era when some funeral homes wouldn't take them as customers, was what drove Theodore Williamson to open his own funeral home; and
WHEREAS, Theodore Williamson was born December 03, 1923 until his death on June 24, 2010; and
WHEREAS, Michael Williamson is the third generation to run Williamson Funeral Home in Niagara Falls, NY where his father, Theodore, moved to Niagara Falls at age 4 from South Carolina; and
WHEREAS, Michael Williamson came home to Niagara Falls to continue the funeral home business started by his father and grandfather more than half a century ago; and
WHEREAS, Michael Williamson has been involved with the family business since the age of 12. Now 60 years old, he and three employees continue his father’s legacy; and
WHEREAS, Michael Williamson joined his father in 1980. In 1977 the business was moved to Main Street. Michael then took over in 1992 and worked side-by-side with his father; and
NOW, THEREFORE, BE IT RESOLVED that this City Council does hereby honor Williamson Funeral Home for serving the residents of Niagara Falls and surrounding areas.

COMMUNITY DEVELOPMENT: DRAFT U.S. DEPARTMENT OF HOUSING/URBAN DEVELOPMENT, 2019 CONSOLIDATED ANNUAL ACTION PLAN

Agenda Item #3
The City of Niagara Falls Department of Community Development requests Niagara Falls City Council approval of the draft Fiscal Year 2019 Community Development Consolidated Annual Action Plan. It is year five of the 2015-2019 Five Year Strategic Plan. Based on our projections, it consists of $2,530,000 in federal investment, $966,668 in non-municipal matching funds for a $3,496,668 total leveraged plan. The draft FFY 2019 Consolidated Annual Action Plan consists of the following U.S. Department of Housing and Urban Development (HUD) programs: Community Development Block Grant (CDBG), HOME Investment Partnerships Program (HOME), and Emergency Solutions Program (ESG).

Draft 2019 CDBG Amount: $2,000,000
Draft 2019 HOME Amount: $335,000
Draft 2019 ESG Amount: $195,000
These budgets are presented to the City Council in draft form, based on estimated amounts, to accommodate the city and federal governments’ differing fiscal year budget schedules. HUD’s final FFY allocations are generally posted in the spring of each calendar year. A final schedule for 2019 has not yet been set by the federal government.

The Niagara Falls Department of Community Development will request City Council approval of the final HUD allocations when those allocations are announced. Historically, draft budget estimates have been within 2 percent of final allocations.

The draft 2019 Consolidated Annual Action Plan was created through a fifteen week civic engagement process, which included online and print citizen surveys, five public meetings, one public hearing, and an online comment submission form. Public comments received during the civic engagement process are included in the supporting documentation. The Niagara Falls Community Development Department is confident that our process is a national model of transparent and well-explained public engagement and budgeting. Below is a list of major milestones in the public participation process:

The action plan is not finalized until HUD allocations are posted and the City approves the action plan with the HUD-allocated amounts. Upon City Council approval, the draft 2019 Consolidated Annual Action Plan will be submitted to HUD for programmatic review and approval. Per HUD and City of Niagara Falls Citizen Participation Plan Guidelines, the city will adjust programmatic budgets to meet the final allocation without deviating from the project scopes or objectives already approved by the City Council.
Will the Council vote to approve the Draft 2019 Consolidated Annual Action Plan?

DEPARTMENT OF PUBLIC WORKS: UTILITY CARTS, LEASE EXTENSION, NUTTAL GOLF CARS, INC.

Agenda Item #4
We respectfully request you authorize the Mayor to enter into an extension agreement as follows:

WITH: Nuttal Golf Cars, Inc.
5542 State Route 14
Sodus, New York 14551

FOR: Extension of lease of utility carts through December 31, 2019
Lease price per month for seven (7) utility cards:
$ 790.00
Total for life of lease:
$7,900.00

As the Council may recall, the City entered into a lease agreement with Nuttal Golf Cars, Inc. (Nuttal) in March of 2014 for one hundred (100) golf carts and seven (7) utility carts for a five year term, which expires in March. With the lease of the Hyde Park Golf Course having been recently approved, the City no longer requires the golf carts. Instead, we require a short term lease for the utility carts used in Parking Operations and in the Parks Division at DPW while DPW and the Purchasing Division explore the City’s options starting in 2020.

Currently, the seven (7) utility carts are being rented for a total of $836.32 each month. Under this extension, Nuttal has agreed to provide the required carts through the end of December at a cost of $790.00 per month, which is a cost savings.

Funds for these expenditures are available through budget codes A.7110.3450.0445.003, PO.1720.2560.0440.003 and PO.1720.2570.0440.003.

Will the Council so approve and authorize the Mayor to execute all documents necessary to extend this lease upon the terms set forth herein in a form acceptable to the Corporation Counsel?

Agenda Item #5
The Director of the Department of Public Works (“DPW”) advises that the elevator at City Hall is in need of repair in order to ensure the safety of those who ride the elevator. DPW solicited and received three quotes for the work that needs to be done which is to replace five (5) 5/8” hoist ropes and shackles on the traction elevator.

Otis United Technologies is a reputable company and has provided the lowest quote which is attached (on file in the City Clerk’s Office). The total cost of the repair is twelve thousand five hundred dollars ($12,500.00).
Funding is available from casino revenue fund balance.

Will the Council so approve and authorize the Mayor to sign any work orders necessary to proceed with these repairs?

CONTRACT: BUREAU OF ALCOHOL, TOBACCO, FIREARMS AND EXPLOSIVES, INVESTIGATIVE AND ENFORCEMENT OPERATIONS

Agenda Item #6
The Superintendent of Police is requesting that the City enter into an agreement with the ATF to engage in cooperative investigative and enforcement operations aimed at disrupting illicit firearms trafficking into the area by identifying, targeting, arresting and prosecuting firearms traffickers, suppliers, etc. It is anticipated that one (1) detective from the NFPD be deputized as Special Deputy by the U.S. Marshals Service for this purpose. The Superintendent further advises that this type of arrangement has been in existence for several years and has generally been considered successful. The NFPD may withdraw from participation in this Memorandum of Understanding on ninety (90) days notice.

RESOLUTION: HEALTH AND WELL-BEING OF DOGS, ADDING CHAPTER 702, CODIFIED ORDINANCES, 2019-25
BY: COUNCIL MEMBERS KENNEDY, TOMPKINS, VOCCIO, CHAIRMAN TOUMA

Agenda Item #14
BE IT RESOLVED, by the City Council of the City of Niagara Falls, New York that Chapter 702 of the Codified Ordinances entitled “Health and Well-Being of Dogs” is hereby added to read as follows:

702.00 Findings/Purpose
This City Council finds that dogs are companions, valued for the animals’ loyal behavioral traits and ability to be kept in close proximity to people in domestic situations. At times, some dogs are left outdoors without means to protect themselves. These animals are exposed and vulnerable to changing weather conditions. In Niagara Falls, weather conditions are known to change quickly. Dangerous weather conditions include temperatures at extreme ends of the spectrum, subzero wind chills, sun, thunderstorms and high humidity. No dog should be left outside, tethered or otherwise, and exposed to the weather for prolonged periods when the temperature falls below the freezing point of water. With temperatures below the freezing point, a dog may experience harm and damage to its skin, causing pain. Similarly, dogs left outside, tethered or otherwise, and exposed for

03/06/2019
prolonged periods when the temperature rises to greater than 90°Fahrenheit are believed likely to experience heatstroke or other bodily harm.

This ordinance is intended to protect and provide for the health and well-being of dogs in Niagara Falls by regulating the manner in which dogs may be kept outdoors. This ordinance is also intended to provide greater protection for tethered dogs than found within New York State Agriculture and Markets Law Sections 353-b and 353 at the time of adoption. It is believed that most dogs tethered outside for prolonged periods do not have adequate protection.

702.01 Regulations

(a) Prohibition. No person who owns or has custody or control of a dog shall knowingly leave such dog outdoors, tethered or otherwise, for longer than a period of one continuous hour at such time as when either (1) the actual air temperature is lower than 32°Fahrenheit (not accounting for wind chill), (2) the actual air temperature is greater than 90°Fahrenheit (not accounting for humidity levels), or (3) during such period of time as extreme weather conditions exist, where any such condition in (1), (2), or (3) above is actually known to such person or reasonably should have been known to such person. Actual harm or injury need not be shown to prove a violation of the prohibition in this subsection.

(b) Rebuttable Presumptions. Extreme weather conditions shall be presumed to have been present in the event that a weather alert was in effect for a region reasonably construed and commonly understood to be affecting the region in which the dog was left outdoors and during such time as the dog was left outdoors. A dog exhibiting signs of frostbite shall be presumed to have been left outdoors for longer than a period of one continuous hour at such time as when the actual air temperature was lower than 32°Fahrenheit. A dog exhibiting signs of heatstroke shall be presumed to have been left outdoors for longer than a period of one continuous hour at such time as when the actual air temperature was greater than 90°Fahrenheit. Exceptions. This ordinance shall not apply:

- To dogs on a leash or other restraint under direct supervision or control of persons actively engaged in recreational activities, including walking, jogging, or running; and

- To dogs required to be tethered under an applicable law, rule, regulation, or court order.

(c) Definitions. For purposes of this ordinance, the terms listed below have specific definitions, as follows:

- “Extreme weather conditions” shall include inclement weather, being weather conditions that are likely to adversely affect the health or safety of the dog, including but not limited to rain, sleet, ice, snow, wind, or extreme heat and cold, and otherwise consistent with the provisions of New York State Agriculture and Markets Law Section 353-b(1)(b), as may be amended from time to time.

- “Weather alert” shall mean a broadcast of the National Weather Service regarding one of the following weather-related events, reasonably construed to be affecting the region in which the dog was left outdoors: blizzard warning, severe thunderstorm (watch or warning), severe weather statement, tornado (watch or warning), winter storm (watch or warning).
"Outdoors" shall mean a location outside a permanent structure capable of habitation or occupancy by people during an extreme weather event or period of time with temperatures falling below 32° Fahrenheit or greater than 90° Fahrenheit (depending on the applicable weather conditions), such as a house, apartment building, or office building. Examples of non-suitable outdoor structures include, without limitation, wire cages and non-insulated structures, including those made of plastic (e.g., calf hutch).

"Tether" shall include the actions of leashing, fastening, securing, chaining, tying, or otherwise restraining a dog to any stationary object outdoors.

702.02 Enforcement, Penalties, and Registration Obligations.
(a) Enforcement Officers. This ordinance shall be enforced by any police officer, dog control officer or peace officers having jurisdiction within the City of Niagara Falls. Such enforcement officers shall have the authority to enforce the provisions of this ordinance and to take such necessary and related enforcement actions, including, without limitation, accepting, recording, and investigating complaints, issuing appearance tickets, obtaining supporting depositions, and preparing and submitting criminal and civil complaints to a court of competent jurisdiction.

(b) Classification of Offense. Any person who violates the prohibition found within Section 702.02 of this ordinance, shall, upon conviction thereof, be guilty of a violation, as defined in Section 55.10 of the New York State Penal Law, as may be amended from time to time. Each calendar day in which such person violates Section 702.02 of this ordinance shall constitute a separate offense.

(c) Penalties and Registration. The court, in its discretion, may impose a sentence of imprisonment to be fixed by the court for a term not to exceed fifteen days, consistent with Section 70.15(4) of the New York State Penal Law, a sentence to pay an amount to be fixed by the court not exceeding the amount of two hundred fifty dollars, consistent with Section 80.05(4) of the New York State Penal Law, or both. The court may also elect to cause the dog(s) underlying the basis of the conviction to be surrendered or otherwise forfeited by the person after such conviction. The surrender or forfeiture shall be to an enforcement officer, as provided herein above.

In lieu of or in addition to any other penalty imposed under this ordinance, the court may impose upon any person who fails to comply with Section 702 of this ordinance a civil penalty, enforceable and collectable by the City of Niagara Falls, in the amount of two hundred fifty dollars for a first offense, five hundred dollars for a second offense, and one thousand dollars for each additional offense.

Conviction of a person under this ordinance shall require such person to register with the Animal Abuser Registry as an Animal Abuse Offender.

(d) Disposition of Fines. All fines collected pursuant to this ordinance shall be the sole property of the City of Niagara Falls.

702.03 Severability
If any clause, sentence, paragraph, section, subdivision or other part of this ordinance or its applications shall be adjudged by a Court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or otherwise invalidate the remainder of this ordinance which shall remain in full force and effect except as expressly limited by such order or judgment.
Effective Date
This ordinance shall take effect on the day it is approved by the City Council of the City of Niagara Falls.

CITY CLERK’S CLAIM REPORT FOR THE MONTH OF FEBRUARY 2019

Agenda Item #1
THIS ITEM WAS RECEIVED AND FILED

THE FOLLOWING COMMUNICATIONS WERE SUBMITTED BY THE MAYOR

CONTRACT: BUFFALO AVE. BRIDGE OVER CAYUGA CREEK-PIN #5761.44, CONSULTANT SERVICES, C&S ENGINEERS, INC., CHANGE ORDER #2

Agenda Item #2
A contract for the above referenced project was awarded to C&S Engineers, Inc. on July 23, 2017 for Professional Services, Design and Construction Support Services and Construction Inspection.
During construction, it was discovered that the bridge needed additional extensive repairs not included in the original scope. The Consultant’s inspection team managed said project so that the additional construction repair costs came in under budget.
The additional time required to manage and inspect the project exceeded the original contract amount approved by Council and this change order is to compensate C&S Engineer’s for that extended construction time. Since there was a savings in the construction phase, that money can be used to offset the additional consultant expenses for a $0.00 increase to the project cost. No new additional monies are required.
Please note that the City is receiving 80% reimbursement of all project cost from Federal Highway Administration, 15% State Marchiselli Funding, and the Local share funding match of 5%.
It is the recommendation of the undersigned that Change Order #2 be approved in the amount of $8,600.00. Funding for this change order is a transfer of funds from the Construction budget to the Consultant’s budget.
Will the Council vote to so approve and authorize the mayor to execute a contract in a form acceptable to the Corporation Counsel?
Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

CONTRACT: NIAGARA SCENIC PARKWAY, AMENDMENT, REMOVAL

Agenda Item #3

Please recall that during your meeting on July 5, 2018 the City Council authorized the City to enter into an agreement with the New York State Power Authority ("NYPA"), the New York State Office of Parks, Recreation & Historic Preservation ("State Parks"), the New York State Department of Transportation ("NYSDOT") and USA Niagara Development Corporation ("USAN") regarding a project to remove a portion of the Niagara Scenic Parkway. This construction project, at that time, was estimated to cost $38,500,000 and was to be largely funded through NYPA ($36,500,000).

This project is now underway. During the initial phase of the project, it became clear that construction costs are going to exceed the estimated cost. Therefore, it is necessary to amend the agreement to increase NYPA’s construction funding by an additional $4,200,000 as well as an additional $530,000 to pay USAN’s consultant for design support and monitoring during construction. Once again, there is no cost to the City.

Will the Council approve the Amendment to the Agreement, a copy of which is attached hereto (on file in the City Clerk’s Office) and authorize the Mayor to sign this Amendment together with any other amendments or documents that do not materially affect the City?

Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

CONTRACT: DPW YARD AND BUILDINGS—ADDITIONAL LIGHT FIXTURES, LIME ENERGY SERVICE, FUNDING, CHANGE ORDER #1

Agenda Item #4

A contract for the above referenced project was awarded to Lime Energy Service on December 12, 2018 for LED upgrades for various areas inside and outside of the Public Works building and yard. A copy of the item approved by the City Council is attached (on file in the City Clerk’s Office).

It has now been determined that additional light fixtures are needed in rooms not previously included in the initial walk through. Therefore, as the City already has a contract with this vendor for lighting upgrades, it is the recommendation of the undersigned that Change Order #1 to this contract for the needed work in the amount of $707.40 be approved.

Funding is available through Light & Power expense – Account A.1640.0000.0422.000.

Will the Council so approve?

BY: COUNCIL Members Kennedy, Scott, Tompkins, Voccio

Agenda Item #8
WHEREAS, every March when Sunshine Week is being observed, government officials, the media and citizens show their support for open government; and

WHEREAS, the Buffalo Niagara Coalition for Open Government prepared a list of Best Practices which they believe every municipality should follow in support of open government.

NOW, THEREFORE, BE IT RESOLVED the City Council of Niagara Falls, NY does hereby support Open Government and is committed to the Best Practices as provided by the Buffalo Niagara Coalition for Open Government;

BE IT FURTHER RESOLVED, that the City Council of Niagara Falls, NY: 1) Will post our meeting agendas and agenda documents online, at least 48 hours before our meetings occur.

2) We will post draft meeting minutes online, two weeks after our meetings.

3) We will allow citizens to speak at the beginning of our meetings regarding agenda items or non-agenda items, before we vote.

4) We support video recording of our meetings and posting the video online for the public to see. We are already recording and posting our meetings online or we are committed to making this happen as soon as possible.

5) We believe government meetings should be conducted in public for citizens to observe and we will only conduct executive sessions in accordance with the New York State Open Meetings Law. We understand that a motion to hold an executive session to discuss “litigation”, “personnel” or “collective bargaining” is not sufficient, as the Open Meetings Law requires motions to state more information when holding an executive session.

6) As a local government with a population under 50,000, we support having our elected officials voluntarily complete an Annual Financial Disclosure Form and posting the completed forms on our government website for the public to see.

RESOLUTION: AMENDING CHAPTER 911 OF THE CODIFIED ORDINANCES ENTITLED “SOLID WASTE REFUSE AND RECYCLING”, 2019-31
BY: COUNCIL MEMBERS KENNEDY, SCOTT, TOMPKINS, CHAIRMAN TOUMA

Agenda Item #12

BE IT RESOLVED, by the City Council of the City of Niagara Falls, New York that Chapter 911 of the Codified Ordinances entitled “Solid Waste Refuse and Recycling” is hereby amended to read as follows:

911.01 GENERAL PROVISIONS

... CITY-ISSUED REFUSE CART
A 64 gallon roll-away (wheeled) refuse cart issued by the City to property owners or their representatives, capable of semi-automated and/or automated refuse collection, for the sole purpose of storage, collection and disposal of source-separated solid waste.

CITY-ISSUED REFUSE TAG/STICKER
A tag or sticker issued by the Director and purchased from the Office of the Niagara Falls City Clerk or from the Director which shall bear an identification mark established by the City. The cost of such tags/stickers shall be established by the Director with approval of the City Council.

... DEAD ANIMALS
Dead animals or parts of animals from slaughterhouses are not included in this category.

DISPOSABLE PLASTIC BAG
A 30 gallon disposable plastic bag, having a minimum thickness of 1.1 mil. In addition, such bags must be free from rips or tears, waterproof, strong, securely tied, not exceed more than 30 pounds in weight (each) and only filled with refuse as set forth in this Chapter.

DIRECTOR
The Director of the Department of Public Works or his designee.

DUMP PERMIT
A permit issued by the Director to allow a residential user the ability to dispose of construction or demolition waste at the private waste hauler’s facility. The cost of such permit shall be established by the Director with approval of the City Council.

ELECTRONIC WASTE (E-WASTE)
Any discarded electronic or electrical devices or their parts.

... 911.03 REFUSE.

A. Public collection and disposal of refuse.

... (4) The waste hauler shall collect residential refuse as well as commercial refuse from commercial users, inclusive of multi-family complexes, that qualify for and participate in the City’s program once per week.

A residential user that produces construction or demolition waste must arrange for the disposal of such waste by a licensed private waste hauler or, in the alternative, may obtain a DUMP PERMIT from the Director to dispose of such waste at the waste hauler’s facility. In addition, a residential user that produces a quantity of refuse that exceeds the capacity of the City-Issued Cart may also place excess refuse in Disposable Plastic Bags and place them adjacent to the City-Issued Refuse Carts. However, glass and other objects of refuse that are sharp or that could cause injury or tearing of the Disposable Plastic Bag shall not be placed in a Disposable Plastic Bag. The Director is authorized to revoke the use of Disposable Plastic Bags where safety and health conditions warrant. No user shall be permitted to place Disposable Plastic Bags for collection in excess of the quantities allowed in Section 911.03(A)(6) herein.

03/20/2019
Refuse collection at a frequency greater than once per week will be handled on a case-by-case basis. Such separate and additional collections must be scheduled by the user with the waste hauler or a private waste hauler. User fees for such separate and additional collections shall be established by the waste hauler or a private waste hauler and charged to the user consistent with the frequency of the additional collections.

[S]ingle-family, two-family, three-family and multi-family dwelling users and multi-family complexes that qualify to participate in the City program may place one bulk waste item per dwelling unit at the curb at a frequency determined by the waste hauler. A residential user that qualifies to participate in the City Program is permitted to place for collection its City Issued Refuse Cart plus a combination of three (3) additional items consisting of Disposable Plastic Bags or bulk items. Additionally, a residential user may place for collection a combination of two (2) additional items consisting of Disposable Plastic Bags or bulk items provided that each such additional item placed for collection has affixed to it a City Issued Refuse Tag/Sticker purchased from the Director by that residential user. Bulk waste must be placed in a location that does not impede with the collection of the City-Issued Carts. Users are responsible for removing refrigerant, must present adequate information indicating refrigerant has been removed and the doors shall be removed.

D. Preparation of refuse for collection by the waste hauler.

(1) A user who places items at the curb for collection and disposal by the waste hauler shall separate garbage and non-recyclable material from recyclable material and prepare the same for collection and disposal in accordance with this Chapter.

(2) Refuse offered for collection shall be prepared for collection by the user of the premises as provided in this section.

(3) The placement of refuse for collection at or in front of a premises other than the premises at which the refuse originated constitutes illegal dumping and is prohibited by this Chapter and such activity shall constitute a violation of this Chapter.

(4) All residential and commercial refuse shall be placed in City-Issued Refuse Carts for collection and, if needed, Disposable Plastic Bags between the sidewalk and the curb or alongside the roadway in front of the premises where the refuse originated at a distance between three and five feet from the street edge; the cart’s latch bar must face the street in an area free of snow to allow for the placement of the owners’/occupants’ refuse and recycling carts. Such carts and Disposable Plastic Bags must be placed in such a location so as to not interfere with pedestrian or vehicular traffic in the City right-of-way nor impede wheelchair access in the public right-of-way. Such carts may not be placed for collection prior to 5:00 p.m. the day prior to the scheduled collection day and must be removed no later than 11:00 p.m. the day the refuse and recyclables are collected.

911.05 STORAGE OF REFUSE AND RECYCLABLES.

(1) No refuse or recyclable material shall be placed or stored on any premises within the City except as permitted by this Chapter.

(2) Residential refuse and recyclables shall be deposited promptly and stored in City-issued carts as set forth in this Chapter. Excess refuse may be stored in Disposable Plastic Bags as provided herein.
911.06 MISCELLANEOUS PROVISIONS.

A. No person shall write, paint or draw any word, inscription, design, figure or mark, or otherwise mar or deface any City-Issued Cart without express written consent of the City. Any such conduct is a violation of this Chapter.

B. Severability. Should any section, paragraph, sentence, clause or phrase in this Chapter be declared unconstitutional or invalid for any reason, the remainder of the Chapter shall not be affected thereby and shall remain in full force and effect, and to this end the provisions of this article are declared to be severable.

C. Dead animals. Dead animals shall be removed by the City, from the right-of-way only, upon request, except that an animal hospital or other business caring for or harboring animals must remove and dispose of dead animals without the aid of the City. The owner or custodian of an animal may remove and dispose of any dead animal by contract with a private waste hauler. In no event shall a dead animal remain undisposed of for a period longer than 12 hours.

D. Emergency collection and disposal. In the event of a public emergency declared by the Mayor, the Director may provide by contract for the public collection, removal and disposal of refuse without competitive bidding. In such case, the Director may impose such conditions as he or she may deem advisable and shall supervise all work under such contracts.

E. Scavenging. No person shall interfere with, take, remove or scavenge for any material in any City-Issued Refuse Cart, recycling cart or any bulk waste which has been placed between the sidewalk and the curb by the owner and/or occupant for collection by the waste hauler.

F. City-Issued Refuse Carts and Recycling Carts for special events. City-Issued Refuse Carts and Recycling Carts provided by the City and placed by the City in the public right-of-way, parks or other public places shall be used only for deposit of refuse and recyclables generated on the public right-of-way by pedestrians and motorists or generated by persons using the parks or other public places. The placing into such carts of refuse or recyclables originating from areas other than the public right-of-way or other public places constitutes illegal dumping and is prohibited by this Chapter. Carts provided by the City for special events or projects shall be used only for deposit of refuse and recyclables generated at the special event or project. When so deposited, such refuse and recyclables become the property of the City.

G. Illegal dumping. No person shall place, throw, deposit or dump or cause to be placed, thrown, deposited or dumped any refuse of any nature including, but not limited to, residential refuse, building refuse, bulk waste, commercial refuse, institutional refuse, construction waste, hazardous waste, industrial waste, infectious waste and/or recyclable materials in or upon any premises, street (including the area between the sidewalk and the curb), sidewalk or park, or in any refuse or recycling cart placed in a right-of-way, park or public place, or provided for a special project or event.

H. Regulations governing collection of refuse and or recyclables. No collector of refuse and/or recyclable collector shall:

(1) Violate a rule or regulation established by the Director.

(2) Dispose of refuse at a site not approved by the New York State Department of Environmental Conservation.

(3) Litter.

(4) Scavenge.

(5) Collect refuse or recyclables placed between the sidewalk and curb by residential or nonresidential producers for collection without prior written approval by the Director.
I. City issued Refuse Tags/Stickers may be purchased from the Office of the Niagara Falls City Clerk or the Director. Such Tags/Stickers may be used one (1) time only and are not reusable.

CONTRACT: CONIFEROUS TREES, PURCHASE, SCHICHTEL’S NURSERY

Agenda Item #3
We respectfully request you award the above referenced quotation as follows:

TO: Schichtel’s Nursery
7420 Peters Road
Springville, New York 14141-9405

FOR: Purchase of 110 trees to be planted within the City of Niagara Falls, New York, per the attached tally sheet, $8940.00

In addition to the 110 trees being purchased, Forestry reports that they still have, forty-two (42) trees of the 259 trees in inventory that require planting due to deteriorating weather conditions at year’s end in 2018. Planting of the purchased trees and the remaining trees (152 total) will be completed by the City’s Forestry Division on overtime. It is anticipated that the total labor cost to plant the 152 trees will be $6,347.69. This expenditure includes FICA and the contractually obligated overtime meals.

The City Purchasing Division certifies that all quotations were solicited in accordance with Section 103 of the General Municipal Law. Quotation packages were sent to sixteen (16) vendors. Three (3) responses were received, including one no bid response. Please reference the attached tally sheet (on file in the City Clerk’s Office) for quotation submission details.

Funds for all of these expenditures are available from the approved Greenway funds accounted for in capital account code H.1804. Will the Council so approve? Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

*Upon review of all the received bids, there were a number of irregularities found in the low bid from Henwood Construction Inc. Specifically their bid bond was not endorsed, their total bid price was entered in differing amounts in their proposal, and no acknowledgement was made of Addendum 1, which was a cost-adding addendum. Based on these irregularities we have rejected their bid.

Therefore, it is the recommendation of the undersigned that this project be awarded to the second low bidder Scott Lawn Yard Inc. at their total bid of $191,515.00. Funding is available from the following sources; $50,000.00 from tourism fund balance and $141,515.00 from tribal revenue reserves.

Will the Council vote to so approve and authorize the Mayor to execute a contract in a form acceptable to the Corporation Counsel?

CITY PROPERTY: MEMORIAL PKWY., 424, SALE

Agenda Item #8

Background on 424 Memorial Parkway: This building became city-owned due to tax foreclosure. At the request of the Memorial Park Block Club, the property was pulled from the standard IN REM tax foreclosure auction in 2017. On April 9, 2017, Niagara Falls Community Development (NFCD) advertised a Request for Proposals (RFP) for the purchase and renovation of this property and other tax foreclosed properties, with proposals due back to CD on May 26, 2017.

NFCD received two proposals - Ryan Cali and Matthew Melcher (Proposal 1): $1,000 and Mark, Michael and Matthew Valle (Valle Group): $7,500 (Proposal 2).

NFCD selected Proposal 2 based on strength of proposal and renovation background. NFCD presented that recommendation to the Niagara Falls Planning Board on June 21, 2017. Members of the community, including representatives of the Memorial Park Block Club, residents of Memorial Parkway, and Ms. Cali all attended that meeting to advocate for Proposal 2. The main argument put forward in support of Proposal 2 was that the proposal would lead to owner-occupancy of the renovated home, while Proposal 1 planned to renovate the home as a rental property.

NFCD prioritizes home ownership, and responds to public input. The Department’s commitment to transparency and community engagement is effectively demonstrated by the RFP process that has been utilized on this and other projects. Residents of the neighborhood were advocating for Proposal 1. NFCD stated that it had concerns about the Proposal 1 respondents’ ability to complete the renovation, because of the anticipated size and scope of the project. NFCD is very familiar with the property and with home renovations in general. The department has overseen over 450 housing renovations/first time home buyer grants since 2012. The department has also recommended and managed over 50 dispositions via the home ownership auction or RFP process since 2013. NFCD identified the applicable experience of the respondent in Proposal 2 as a key factor in the Department’s support for Proposal 2. Stating these opinions, NFCD still tabled the Planning Board item, in response to neighborhood advocacy. More conversations were had with both respondents and residents. NFCD honored the opinion of the community advocates, and the property was sold to the respondents in Proposal 1, via Planning Board approval and then City Council approval on July 3, 2017.

The new owners started to clean out of the property soon after the closing and began renovations. The taxes were paid. During that year it became clear that the renovation was more difficult than expected. There were also personal issues that stopped the renovation and the ability to own the property as originally proposed. Per the sales agreement with the city, the one-year period to renovate the home ended in August 2018.

As stated above, NFCD had concerns about the renovations before the sale happen. But, the Department also takes reasonable steps to ensure the success of a project, especially when personal hardships occur. Based on what NFCD knew of the situation, and precedent described below, it did not object to the respondents in Proposal 1 when those respondents asked to contact potential buyers, as long as any purchaser identified would agree to live in the house as prime occupant, per an agreement approved by the Niagara Falls City Council. The respondents in Proposal 1 had bought the house, paid the taxes and started renovation work. NFCD knew that all of this was creating a financial hardship, and wanted to help find a solution for the renovation and the purchasers.
There is a reverter clause in RFP and home ownership auction house contracts. However, NFCD has made reasonable arrangements in the past, in the face of undue hardship, to allow for the successful completion of other projects. In the Department’s opinion, the respondents in Proposal 1 were experiencing an undue hardship. If the purchaser completely abandoned the property, NFCD would have executed the reverter clause and then placed the home in the 2019 home ownership auction, as the neighborhood clearly prioritized home ownership during the planning board process. But this was a different case.

In December 2018, NFCD was contacted by Karen Mock (Proposal 3). She is a home owner who lives across the street from 424 Memorial Parkway. She informed us that she had purchased 424 Memorial Parkway. As stated above, NFCD did not object to Proposal 1 seeking out a buyer. The department did assume that it would be notified before sale, rather than after. Proposal 3 notified NFCD that the house had been purchased for $10,000 and that her son, Noah Munoz would be the legal prime occupant. Mr. Munoz would agree to live in the house as prime occupant for five years, renovate it to occupancy standards within one year, and agree to specific preservation methods for the renovation. Proposal 3 has provided documentation that confirms the $10,000 purchase price.

Precedent: Through the home ownership auction, NFCD has dealt with similar situations in the past. In 2016, a man bought a Ferry Avenue home at home ownership auction with his fiancé. His fiancé died unexpectedly months later. He did not live in Niagara Falls originally, and was going through understandably emotional stress. NFCD bought the house back from him to relieve the burden, and the home was resold at the 2018 home ownership auction. The City Council approved this sale when the new agreement was negotiated.

In 2016, a man purchased a Mckoon Avenue home at the home ownership auction. A year later, he was diagnosed with terminal cancer. NFCD allowed him to sell the property over to a family member, so that the renovation could be completed. He later passed away. The City Council approved this sale when the new agreement was negotiated.

NFCD also auctioned a house that was clearly advertised to have the former owner living in it, illegally. The purchaser was an employee of the City Council. The purchaser knew that an eviction would be needed. When she did not want to do this, and raised objections, she was refunded. City Council members advocated for a city buy-back. The City Council approved this purchase when the new agreement was negotiated.

In the past six years NFCD has sold over 50 houses via home ownership auction or RFP and executed over 450 home ownership renovations and first time home buyer grants. That number represents thousands of pages of sales and contractor agreements. In a total of four situations, NFCD recognized hardships that it determined were placing an undue burden on the purchasers. NFCD stand by its success rate and we stand by our willingness to help people get through stressful renovation situations, based on our knowledge of the renovation process, especially for vacant houses.

NFCD has met with all parties involved several times. At no point were any disposition guidelines violated. This sale has no involvement with United States Department of Housing and Urban Development (HUD) guidelines. NFCD also appreciates the fact that its property dispositions are scrutinized at a higher rate than any other municipal property sales. The issue of tax foreclosure sales deserves attention. NFCD has updated the City Council on this situation both at a public meeting of the City Council, in smaller meetings and via e-mail. We respect the Memorial Block Club’s concern in this matter, but no processes were violated. The department has had meetings with all parties involved on an individual basis. We have discussed three options: 1. City Council approval of the existing sale. 2. Re-purchase of the home, as done in other similar situations with non-city funds. 3. Execution of the reverter clause.
Based on precedent, and the City Council’s past decisions, NFCD is proposing option 1 in this agenda item, with specific stipulations. Mr. Munoz would have to show the City of Niagara Falls proof of purchase for $10,000 and documentation that he is the sole owner of the property and that the property is fully insured. He would need to pay the full year’s taxes upon purchase and agree to live in the house as prime occupant for five years, renovate it to occupancy standards within one year, and agree to specific preservation methods for the renovation. If this option is not taken, options 2 and 3 will need to be examined, as NFCD has stated in the past. The department explored option 2 in the past month, but a consensus was not formed. Mr. Munoz has also agreed to renegotiate a sale price. It is important to note that the City Council has also approved of sale revisions in the past.

With the City Council vote to approval the sale of 424 Memorial Parkway from Ryan Cali and Matthew Melcher to Noah Munoz and authorize the Mayor to execute any documents necessary to effectuate the same?

CONTRACT: SNOW PARK PARCEL (THE “PREMISES”), PARKING PERMIT

Agenda Item #9

Empire State Development Corporation (“ESD”) recently acquired title to numerous parcels of real estate in the downtown area of the City. Among those parcels is the Premises. ESD has offered the City the opportunity to utilize the Premises for the parking of vehicles to supplement the City’s lots and parking ramp for the remainder of 2019. The cost to the City will be $1.00 and the City may retain any revenues derived from parking activity. The City will be permitted to make any improvements necessary, in its discretion, to operate the Premises for the parking of vehicles.

Attached hereto (on file in the City Clerk’s Office) is a copy of a draft Parking Permit Agreement which is under consideration between the City and ESD.

Will the Council so approve and authorize the Mayor to execute a final Parking Permit Agreement provided the same is in form and content satisfactory to the Corporation Counsel?

DEPARTMENT OF PUBLIC WORKS: DIVISION OF TRADES, REORGANIZATION

Agenda Item #11

The Director of Public Works is requesting a reorganization of the Central Trades Division, resulting in a transfer of the current Skilled Trades Leader to the vacant Plumber position which is currently funded for $1, and an Electrician filling the Skilled Trades Leader position. The transfer of the current Skilled Trades Leader to the Plumber position will result in a decrease in the Skilled Trades Leader budgeted biweekly pay line of $41,585.92 and an increase in the Plumber position budgeted biweekly pay line of $41,286.42, both of which representing the remaining portion of 2019 biweekly pay.

The transfer of the current Electrician to the Skilled Trades Leader position will result in a decrease in the Electrician budgeted biweekly pay line of $40,158.88, leaving $1.00 for this position, and an increase in the Skilled Trades Leader budgeted biweekly pay line of $41,727.69, both of which represent the remaining portion of 2019 biweekly pay.

The total impact of this transfer will result in an additional $1,269.31 in biweekly pay in the Central Trades Division for the remainder of 2019. Funding is available from the biweekly pay line in the Clean Neighborhood Department (A.8510.0000.0110.000) due to a vacancy.

The current Skilled Trades Leader was also receiving an annual stipend of $7,500.00 to be paid as the Acting Plumber. The remaining balance of this stipend of $4,903.85 would be transferred to the new Skilled Trades Leader as he will continue to do electrical work and should be paid as an Acting Electrician.

It is requested that the change be effective May 6, 2019.

Will the Council so approve?

CONTRACT: CANNON BLOCK, PURCHASE, SALE AND DEVELOPMENT, PENN TERRA GROUP LIMITED

Agenda Item #4

Please recall that as a result of litigation commenced by the U.S. Attorney’s Office against the former owner of properties located at 550 Main Street, 557 Third Street, 561 Third Street, 565 Third Street, 569 Third Street and 571 Third Street, the City acquired title to those properties (the “Cannon Block”). The City subsequently issued a Request for Proposals in September of 2017 and by resolution dated November 14, 2018, the City Council designated Penn Terra Group Limited, dba Penn Terra-USRE Corp. (“Penn Terra”) as the Preferred Developer of the Cannon Block. The proposal called for Penn Terra to amalgamate all parcels and construct a new residential building with on-site parking which will be used primarily for student rentals and for vacation rentals.

Subject to City Council approval, the City has agreed to sell the Cannon Block parcels to Penn Terra for the sum of $54,000.00 in order to redevelop the Cannon Block.

The City is the named grantee in a Restore NY Grant made by the New York State Urban Development Corporation, dba Empire State Development (“ESD”) in the amount of $2,000,000.00 which is for the redevelopment of the Cannon Block. The Grant Award and accompanying Grant Disbursement Agreement will name Penn Terra as the designated beneficiary within the Grant Disbursement Agreement for the purpose of effecting the proposed development. Penn Terra shall be bound to all New York State Grant NWBE Contract Participation Goals contained in the Grant Disbursement Agreement and any City participation goals as outlined in the Purchase, Sale and Development Agreement. The balance of the project cost will be borne by Penn Terra through either bank financing or private equity participation.

It is anticipated that the redevelopment of the Cannon Block will create new jobs, raise property values, create community amenities, bring in local tax revenues and be attractive for new residents and businesses.

Attached hereto (on file in the City Clerk’s Office) is a copy of the Purchase, Sale and Development Agreement that has been agreed to by both parties, subject to City Council approval.

Will the Council so approve and authorize the Mayor to execute on behalf of the City all documents relating to the transfer of the properties, grant disbursements, and redevelopment of the Cannon Block, provided that final agreements and documents and such related documents are in a form acceptable to the Corporation Counsel?

Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

Agenda Item #5

In the interest of promoting fairness and transparency in the disposition of surplus City property while maintaining our obligation to obtain the highest value possible for unneeded inventory, the Purchasing Division issued an RFP to potentially retain a professional auctioneer to conduct internet-based auctions for surplus City property.

After publishing and posting the RFP, the City received five (5) responses which were impartially scored by the scoring committee. After further clarifications from some prospective vendors, the proposal from Cash Realty & Auctions, LLC ("Cash") emerged as the strongest proposal. Cash is a locally owned and operated professional auctioneering service that has been in business for over thirty (30) years. Their website receives approximately five thousand (5,000) hits a week and they conduct hundreds of auctions each year. They have an experienced local team, several local municipal clients including Erie County, and impeccable references.

The terms of Cash’s proposal are as follows: Cash will post the City’s surplus property on their website and conduct professional auctions on the City’s behalf at no cost to the City. Following the conclusion of the auction, the City will retain full control of whether to dispose of the item at the highest price posted, or to reject the bids if the prices are insufficient. The winning bidder will pay a fee to Cash of 9.5% of the winning bid on top of the full purchase price, which will be paid over to the City by Cash. The term of the agreement shall be two (2) years, as was set forth in the RFP.

Based upon the recommendation of the scoring committee, it is the recommendation of the Administration that the City retain Cash as a professional auctioneer and that the City enter into a two (2) year agreement based upon the terms and conditions stated herein.

Will the Council so approve and authorize the Mayor to execute an agreement, and any other documents necessary to retain this vendor, in a form acceptable to the Corporation Counsel?

THE FOLLOWING COMMUNICATION WAS SUBMITTED BY THE HISTORIC PRESERVATION COMMISSION

CITY PROPERTY: NIAGARA STREET, 822, JOHNNIE RYAN CO. BOTTLING, HISTORIC DESIGNATION

Agenda Item #6

Attached (on file in the City Clerk’s Office) is the report from the Niagara Falls Historic Preservation Commission recommending designation of 822 Niagara Street, the original Johnnie Ryan Co. Bottling, as an historic landmark under the City Historic Preservation Ordinance.

The Historic Preservation ordinance provides: 1335.05-02(I) - At its next scheduled meeting after receipt of any recommendation from the Commission, the City Council shall consider the designation or acquisition of the landmark site or historic structure, or the designation of the historic district. A majority vote shall be required by the City Council for the designation or acquisition. The Mayor shall approve or veto said designation or acquisition as provided by law.

Will the Council vote to approve the designation or the exterior of 822 Niagara Street, the original Johnnie Ryan Co. Bottling, and forward designation to the Mayor for approval, as provided by City Ordinance?

INFORMATIONAL ITEM: DENIED, VARIOUS

Agenda Item #13
At the Traffic Advisory Commission meeting held on May 6, 2019, the Commission:

DENIED:

1) Request submitted by Resident to Nick Melson, City Administrator, to INSTALL ALL WAY STOP SIGNS AT THE INTERSECTION OF FALLS STREET AND 27TH STREET. The intersection was studied with the following results: Accidents (right angle and turning collision): 2014/0, 2015/0, 2016/0, 2017/2, 2018/1, 2019/0 to present. Traffic Volume (average of the 8 highest hours per day): Falls Street = 118 vehicles, 27th Street = 51 vehicles. This intersection falls far short of the MUTCD Minimum Warrants for the placement of “ALL WAY” stop signs (5 right angle and turning collision accidents per 12 month period or 500 total vehicles per hour for the highest 8 hours per day with a close to even (60/40 or better) split between main road and side road).

2) Request submitted by Resident to Nick Melson, City Administrator, to INSTALL A STOP SIGN ON CAYUGA DRIVE BETWEEN 91ST STREET & CITY LINE. This stretch of roadway was studied with the following results: Accidents (right angle and turning collision): 1/1/2014 to present – 1 accident total of this type from among all the intersections (92nd Street to 104th Street). Traffic Volume (average of the 8 highest hours per day): Cayuga Drive = 397 vehicles, 95th Street (counted due to anticipated high volume with a School located here) = 73 vehicles (a 85/15 split). This intersection falls short of the MUTCD Minimum Warrants for the placement of “ALL WAY” stop signs (listed above).
3) Request submitted by Ebony Jones, 455 – 7th Street and petition/residents of Seventh Street between Ferry Avenue and Walnut Avenue to ELIMINATE THE “NO STANDING ANYTIME” RESTRICTION ON THE EAST SIDE OF THE STREET & THE EXISTING OVERNIGHT PARKING ON THE WEST SIDE ONLY WITH “NO PARKING TUESDAY 7 AM TO 1 PM” RESTRICTION, AND ALLOW TWO SIDED DAY PARKING WITH ALTERNATE OVERNIGHT PARKING. SETTLEMENT: MAN O’TREES AND HANOVER INSURANCE COMPANY, CITY OF NIAGARA FALLS, LAWSUIT

Agenda Item #16

During the reconstruction of Lewiston Road, the contractor, Man O’Trees, Inc. was removed due to various issues with their performance. Subsequently the City commenced a lawsuit against Man O’Trees and its bonding company the Hanover Insurance Company, seeking damages related to the construction project.

Man O’Trees then filed a lawsuit against the City seeking several forms of damage including a preliminary injunction all of which was defeated and that litigation dismissed.

The City’s litigation has been handled by its outside counsel Hodgson Russ LLP who have negotiated a proposed settlement with Hanover Insurance Company as the bonding company to Man O’Trees which has ceased operations. The proposed settlement would have Hanover pay the City $150,000.00 in full settlement of the claims. It is recommended that Council approve this proposed settlement as it represents a significant portion of the City’s damages and eliminates the continued expense of prosecuting the litigation and expenses of a trial and the possibilities of differing results in a trial.

Will the Council so approve? Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

HUMAN RESOURCES DEPARTMENT: MINOR REORGANIZATION

Agenda Item #1

Attached hereto (on file in the City Clerk’s Office) is a page from the 2019 adopted budget of the Department of Human Resources. Code 1732 is the position classification code for Human Resources Clerk, Grade 3, with an appropriated salary of $27,391.00.

The Department is requesting that the remaining funds allocated for the position be transferred to position classification code 1739, Human Resources Assistant, Grade 7, leaving $1.00 for the position. This will allow for cross-training, an expansion of duties necessary for greater efficiencies in the department and will prevent out of title work assignments which may be subject to grievance. The increase in salary plus FICA totals $430.31 for the balance of the budget year. Funds are available in the medical fees line, A.1430.0000.0458.000.

Agenda Item #3

As the City of Niagara Falls is a self-insured entity with regard to the health insurance benefits provided to its employees, sound accounting principles dictate that the City must periodically undertake a review of its medical and pharmacy benefit claims. To that end, attached (on file in the City Clerk’s Office) for your review, please find the proposed Claims Audit Service Agreement between the City and the Seneca Consulting Group. The Seneca Consulting Group is a risk management consultant known for assisting its clients in managing issues related to the costs of medical and pharmacy benefits. Previously, the City has utilized the Seneca Consulting Group’s services with regard to the IRS reporting required under the Affordable Care Act. Under the proposed Claims Audit Service Agreement, the Seneca Consulting Group will analyze all of the City’s medical and pharmacy claims in detail for overcharges and compliance capabilities as well as enhancing the City’s coordination of benefits by identifying ineligible dependents.

By way of compensation, the Seneca Consulting Group would receive 50% of all dollars recovered as a result of the medical and pharmacy claims audit. Therefore, for this portion of the audit, the City will have no upfront costs as the consultant will only be paid out of monies that it recovers. Relative to the dependent eligibility audit, Seneca Consulting Group would receive $25.00 for each employee with dependent coverage; based upon the 605 employees in question, the total amount of compensation for this service would be $15,125.00. Sufficient funding exists within the Human Resources budget line A.1430.0000.0451.000.

A contract for the above referenced project was awarded to Walter Johnson Building Co. Inc. on March 20, 2018 in the amount of $984,700.00. After the start of the project, small adjustments were found to be needed in several rooms/locations that the U.S. Department of Justice had initially called out for remediation. These adjustments in room finishes, dimensions and equipment, required to achieve compliance to date, were able to be performed at no additional cost to the project.

Additionally, reimbursement-based grants have been obtained by the library staff to perform extra work at the Earl Brydges Library to modify the entrances beyond the scope of our original compliance project. The costs associated with installation of these door openers and operators is $18,992.25, and will be eligible for a 70% reimbursement, leaving the final net cost to the City of $5,652.25. The City Council approved the draft Fiscal year 2019 Consolidated Annual Action Plan in March 2019. The Consolidated Annual Action Plan includes annual funding allocations from HUD for the City’s CDBG, HOME, and ESG programs. These budgets were created following a public participation process and then presented to the City Council in draft form, using a conservative estimate of the 2019 budget amounts, to accommodate the city and federal governments’ differing fiscal year budget schedules. HUD’s final Fiscal year 2019 allocations were released on April 19, 2019. No additional public comments were received during the public comment period.

Per HUD and City of Niagara Falls Citizen Participation Plan Guidelines, the City will adjust programmatic budgets to meet the final allocation without deviating from the project scopes or objectives already approved by the City Council. Will Council vote to so approve and authorize the Community Development Director to make the necessary adjustments?

Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

DEPT. OF PUBLIC WORKS: DOWNTOWN MEDIANS AND ENTRY POINTS, LANDSCAPING

Agenda Item #8

The City solicited proposals for the above-referenced services from professional vendors, but the costs of those proposals exceeded the amount the City can commit to this project at this time.

As an alternative, we are seeking to complete this work with a combination of DPW personnel on overtime and the use of the City’s existing contractor who cuts and clears lots throughout the City. The DPW personnel will complete the clean-up efforts and the manual weeding, and the contractor will complete the chemical spraying and the mulching in order to have the medians and entry-points cleaned up and ready for the summer season.

In the event that further work is required later in the summer or in the fall, we will bring any additional request to Council if necessary at that time.

It is anticipated that completion of these tasks will require an expenditure not to exceed Twenty Thousand Dollars ($20,000.00) in total. Funds for these expenditures from tourism funds.

Will the Council so approve and authorize the Mayor to execute all documents necessary to complete this project in a form acceptable to the Corporation Counsel?

Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

THE FOLLOWING COMMUNICATIONS WERE SUBMITTED BY THE MAYOR

DEPT. OF PUBLIC WORKS/PARKS: LIFEGUARDS, WAGE INCREASE

Agenda Item #2

The Director of Public Works and Parks (“DPW”) is requesting that the hourly wage for the Lifeguards be increased. In order to be able to staff the pools for 2019 we would like to hire the Lifeguards at the competitive rate. Currently, the Lifeguards make $10.00 per hour. It is requested that the hourly wage be increased to $12.50 per hour.

We are requesting that we transfer $20,000.00 from account A.7140.0100.0130.000 (Playgrounds/Rec Centers Temporary Payroll) to account A.7146.0100.0130.000 (Swimming Pools/Operations Temporary Payroll) and $1,530.00 from A.7140.0100.0810.000 (Playgrounds/Rec Centers FICA) to account A.7146.0100.0180.000 (Pools/Operations FICA) to cover this increase. Niagara County will be able to provide us with Recreational Aides to cover the parks that we will be opening in 2019.
CONTRACT: NFFD, SNOW PARK PARCEL, TRAINING EXERCISES

Agenda Item #3

As Council members are aware, a new fire training tower is being constructed for utilization by the NFFD. In the interim, the NFFD is interested in utilizing the structure existing on the Snow Park Parcel to conduct certain types of training exercises such as climbing and repelling. City officials have been in discussions with representatives from USAN who are in agreement with this use. Attached hereto (on file in the City Clerk’s Office) is a copy of a proposed agreement which will allow the NFFD to utilize that parcel during the balance of calendar year 2019. Much like the parking agreement recently worked out with USAN, the charge for the City to utilize this structure for training purposes is only One Dollar ($1.00). Will the Council so approve and authorize the Mayor to execute an agreement with USAN provided the same is in form and content satisfactory to the Corporation Counsel?

Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

RESOLUTION: CODE OF ETHICS, AMENDING CHAPTER 107, 2019-55
BY: COUNCIL MEMBERS TOMPKINS, VOCCIO, CHAIRMAN TOUMA

Agenda Item #6

BE IT RESOLVED, by the City Council of the City of Niagara Falls, New York that Chapter 107 of the Codified Ordinances entitled “Code of Ethics” is hereby amended to read as follows:

CHAPTER 107

CODE OF ETHICS

107.11 Conflict of Interest Policy for Federal Award Funds

a. Purpose. The purpose of this policy is to establish conflicts of interest guidelines that meet or exceed the requirements under State Law and Local policy when procuring goods, services, and construction or repair projects paid for in part or whole by Federal funds and is required under Title 2 of the U.S. Code of Federal Regulations §200.112 and §200.318(c)(1).
b. Policy. This policy applies when procuring goods (i.e. apparatus, supplies, materials, and equipment), services, and construction or repair projects funded in part or whole with federal financial assistance (direct or reimbursed). This policy also applies to any sub-recipient of the funds. The employee(s) responsible for managing the federal financial assistance award shall review the notice of award to identify any additional conflicts of interest prohibitions or requirements associated with the award, and shall notify all employees, officers, and agents, including sub-recipients, of the requirements of this policy and any additional prohibitions or requirements.
c. Conflicts of Interest. No employee, officer, or agent of the City of Niagara Falls may participate directly or indirectly in the selection, award, or administration of a contract supported by a federal award if he or she has a real or apparent conflict of interest. A real or apparent conflict exists when any of the following parties has a financial or other interest in or receives a tangible personal benefit from a firm considered for award of a contract:

1. The employee, officer, or agent involved in the selection, award, or administration of a contract;
2. Any member of his or her immediate family;
3. His or her partner; or
4. An organization which employs or is about to employ any of these parties.

06/12/2019
Any officer, employee, or agent with an actual, apparent, or potential conflict of interest as defined in this policy shall report the conflict to his or her immediate supervisor. Any such conflict shall be disclosed in writing to the federal award agency or pass-through entity in accordance with applicable Federal awarding agency policy.

Gifts. Officers, employees, and agents of the City of Niagara Falls are prohibited from accepting or soliciting gifts, gratuities, favors, or anything of monetary value from contractors, suppliers, or parties to subcontracts. Items of nominal value, valued less than the amount set forth in Section 805-A of the General Municipal Law which fall into one of the following categories may be accepted:

1. Promotional items;
2. Honorariums for participation in meetings; or
3. Meals furnished at banquets.

Any officer, employee or agent who knowingly accepts an item of nominal value allowed under this policy shall report the item to his or her immediate supervisor.

d. Violation. Any employee found to have violated this policy will be subject to disciplinary action up to and including termination. Contractors violating this policy will result in termination of the contract and may not be eligible for future contract awards.

CITY PROPERTY: NIAGARA AVENUE, 815, SALE

Agenda Item #7

The City acquired title to this vacant parcel in an In-Rem tax foreclosure proceeding in 2002. This tax parcel is adjacent to the rear of the property located at 2018 Main Street.

The City acquired title to 2018 Main Street in the same In Rem proceeding and it was sold at auction to Hastings Niagara, Inc. During the title work for the upcoming sale of Hastings properties it was found that a small portion of the 2018 Main Street building encroaches onto the property at 815 Niagara Avenue. This raises a title issue which needs to be resolved prior to the transfer of the property.

The prospective purchaser of 2018 Main Street, Niagara Village, LLC, has submitted an offer to the City to buy 815 Niagara Avenue for its assessed value of $1,500.00.

The transfer of this property would clear the title issue and allow the overall closing to proceed.

Based on the circumstances, it is recommended that the Council make a finding that it is in the best interest of the City to forego selling this property at auction and to approve the transfer outlined herein.

Will the Council so approve and authorize the Mayor to sign a deed and other necessary documents in a form acceptable to the Corporation Counsel?

Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

RESOLUTION: PUBLIC HEARING, CREATION OF A NEW CATEGORY OF TAXICAB MEDALLIONS TO ASSIST PERSONS WITH DISABILITIES BY SPECIFICALLY DEDICATING THIS CATEGORY OF TAXICAB MEDALLIONS TO VEHICLES THAT ARE WHEELCHAIR ACCESSIBLE VEHICLES, 2019-58
BY: COUNCIL MEMBERS SCOTT, TOMPKINS, CHAIRMAN TOUMA

Agenda Item #10
WHEREAS, Section 365.04 of Chapter 365 of the City of Niagara Falls Codified Ordinances limits the number of taxicab medallions which may be issued in the City of Niagara Falls to eighty-nine (89); and
WHEREAS, this City Council has been requested to explore the possibility of amending Chapter 365 to include a new category of taxicab medallions to assist persons with disabilities by specifically dedicating a new category of taxicab medallions to vehicles that are wheelchair accessible vehicles that are required by disabled individuals in the City of Niagara Falls to go from place to place on the same basis that taxis are available including, but not limited to, meters in the vehicles and the ability to pick up a passenger through on-street ride hailing; and
WHEREAS, this City Council wishes to obtain information from the public about this concept including the following items:
1. Whether there is a need for such a category of dedicated medallions in the City of Niagara Falls;
2. If there is a need for such a category of dedicated medallions, how many such medallions should be issued;
3. The criteria to be utilized in order to designate a vehicle as wheelchair accessible and the type of equipment which may be required on such a vehicle in order to obtain such a dedicated medallion;
4. Whether there should be a limit on the number of dedicated medallions which may be purchased or held by any one (1) entity;
5. Whether there should be a requirement for the purchaser of such a dedicated medallion to be a resident of the City of Niagara Falls;
6. Any other information that the public may wish to bring to the attention of the City Council.
NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Niagara Falls, New York that in order to further investigate this matter, this City Council does hereby schedule a public hearing to be held on this issue during its next regularly scheduled City Council meeting on July 10, 2019 at 6:00 p.m. during which any persons interested in this matter may voice their opinions, issues and concerns; and
BE IT FURTHER RESOLVED that three (3) days notice of said hearing be published in the Niagara Gazette preceding said hearing.

POLICE DEPARTMENT: POLICE VEHICLES, USED, PURCHASE

Agenda Item #11

The Police Superintendent has advised that an opportunity has presented itself to purchase four (4) used police vehicles from the Florence, CO Police Department. The Superintendent advises that these vehicles have approximately 60,000–80,000 miles on them. His further understanding is that there may be some minor cosmetic damage to these vehicles from hail. These vehicles are year 2011 and are all Chevrolet Impala vehicles equipped with the police package along with prisoner transport cages and seats, light bars and computer stands. These vehicles are white in color. These vehicles will be sold “as is” and will be available for inspection by an agent of the City prior to moving forward. These vehicles are available for the price of $4,050.00 each for a total of $16,200.00. In addition, the delivery charges for these vehicles will cost approximately $3,300.00 and it is anticipated that an additional $5,000.00 must be spent in order to re-mark the vehicles following delivery. It is estimated that following delivery, these vehicles may be put into service within a relatively short period of time.

It is requested that up to $25,000.00 in casino revenues be made available for this purpose.

Will the Council so approve and authorize the Mayor to execute an agreement memorializing this transaction in writing provided the same is acceptable in form and content to the Corporation Counsel?

COMMUNITY DEVELOPMENT: 19TH STREET, 501, NFNHS, CHDO GRANT AGREEMENT, AMENDMENT

Agenda Item #3

HUD regulation requires that at least 10% of the City’s annual HOME grant be spent for CDHO activities. NFNHS qualifies as a Community Housing Development Organization. These funds are available to NFNHS for rehabilitation of properties owned by NFNHS.

The City Council previously approved a CHDO grant agreement with NFNHS in Item #10 at the July 18, 2018 Council meeting for a total amount of $72,942.58 in order to rehabilitate a 3-unit rental property at 501-19th Street owned and managed by NFNHS. The City of Niagara Falls entered into a CHDO grant agreement with NFNHS on August 20, 2018 for a total amount of $72,942.58 for rehabilitation of 501-19th Street.

NFNHS has recently requested an additional $36,363.00 to complete the rehabilitation project at 501-19th Street. There is funding available through 2018 CHDO funds to cover this additional funding request.

While the funds have been appropriated for this purpose in Community Development’s 2018 Annual Action Plan, each specific grant agreement and amendments to grant agreements requires City Council approval.

THE FOLLOWING COMMUNICATIONS WERE SUBMITTED BY THE MAYOR

COMMUNITY DEVELOPMENT: GRANT ACCEPTANCE, NYS ATTORNEY GENERAL’S OFFICE

Agenda Item #2

The Niagara Falls Community Development Department (NFCD) has been awarded a $350,000 competitive grant from the Office of the New York State Attorney General’s Office. This is a two year grant term, terminating on June 30, 2021. It is also the second round of funds awarded to NFCD via the Attorney General’s Office, with the Niagara Falls Zombie Fight Project launching in 2017 (Zombie 1.0).

The focus of Zombie 1.0 was on mortgage encumbered properties; meaning, the property is vacant, the mortgage is delinquent, and a bank holds a lien. These properties are registered with the New York State Department of Financial Services, and list the lien holding entity that is legally responsible for property upkeep. At a maximum, this list had 155 properties, and to date this list has only 30. The majority of the properties left on this list are moving through the foreclosure process, with a number of them being expedited. The minority of these properties are in foreclosure but are being slowed by issues surrounding the estates of deceased owners.

Niagara Falls was one of the first municipalities to take a legally focused approach to these zombie properties and successfully brought legal action against Citizens Bank in 2017. This legal action opened up conversations with other lien holders relative to vacant/abandoned properties in the city and encouraged compliance and expedited foreclosures. Phase 1 allowed us to implement a successful process for remediation of mortgage encumbered properties.

The focus of phase Zombie 2.0 will be on non-mortgage encumbered properties, meaning, vacant properties without a lien. These properties usually do not have an identifiable owner of record as they are a result of mortgage charge offs, death of the owner with no heirs, or are properties in which a mortgage note was satisfied and the prior owner owned the property outright. It is more difficult to remediate these properties as locating the owner is research heavy, and sometimes impossible, especially in instances of out of town ownership. NFCD plans to focus our phase two efforts on creating a successful process for remediation of these properties, which includes innovative methods of acquisition of these properties.
With the City Council vote to approve acceptance of this grant and authorize the Mayor to execute any documents necessary to effectuate the same?

Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

CITY PROPERTY: 95TH ST., 400, VINCENT MORELLO SENIOR HOUSING, PROPERTY TAX EXEMPTION

Agenda Item #5

Vincent Morello Senior Housing, L.P. (the “Partnership”) owns and operates the Vincent Morello complex at 400 - 95th Street (the “Property”). The Property is exempt from taxes under Article V of the Private Housing Finance Law (“PHFL”), and is subject to a Payment in Lieu of Taxes agreement (“PILOT”). Rent for this low income housing tax credit project is limited by the federal Internal Revenue Code and NYS Division of Housing and Community Renewal (DHCR). The tax exemption and PILOT are necessary for the economic feasibility of the project with the rent limitations.

On October 13, 1998 the City Council approved granting a real property tax exemption to the Property under Section 125 of the PHFL, and authorized the Mayor to enter into a PILOT agreement with the Partnership. The PILOT provided for exemption of the Property from real property taxes and payment of amounts in lieu of taxes for a period of 15 years, commencing with the 2000 taxes, as set forth therein. The Property is subject to a Low-Income Housing Tax Credit Regulatory Agreement with NYS Division of Housing and Community Renewal (DHCR), now New York Homes and Community Renewal, limiting the rent which can be charged. The regulatory agreement was for an initial period of 15 years, and an additional period of 25 years, for a total of 40 years. Section 125 of the PHFL allows for extension of the tax exemption for a total exempt period of up to 50 years.

On July 25, 2011 the City Council approved a request from the Partnership to extend the tax exemption and PILOT for an additional 10 years to facilitate refinancing for the property. The exemption also extended the PILOT agreement with the initial annual payment of $17,833.02, which is the final payment under the original PILOT plus 2%, with 2% annual increases thereafter.

The Partnership, once again, is in the process of refinancing the existing debt on the Property. The Partnership’s lender is requiring an extension of the tax exemption and PILOT agreement through the year 2040. The PILOT payments to the City will remain a constant with yearly increases of 2% thereafter.

Because the project has been very successful, providing 80 units of safe, clean, low income housing for seniors in the City at affordable prices, it is recommended that the City Council vote to approve the tax exemption and PILOT agreement extension for an additional 15 years (2026 - 2040) as set forth herein. The City Assessor supports this recommendation.

Will the Council so approve and authorize the Mayor to execute documents necessary to effectuate these approvals provided the same are satisfactory to the Corporation Counsel in form and content?

Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

THE FOLLOWING COMMUNICATIONS WERE SUBMITTED BY THE TRAFFIC ADVISORY COMMISSION

CAYUGA DR. & 93RD ST., INSTALL ALL WAY STOP SIGNS AT THE INTERSECTION

Agenda Item #9
At the Traffic Advisory Commission meeting held on July 15, 2019 the Commission recommended APPROVAL of the following item:

INSTALL ALL WAY STOP SIGNS AT THE INTERSECTION OF CAYUGA DRIVE AND 93rd STREET
The Commission felt that “All Way” Stop Signs would provide increased safety for pedestrians, including children walking to G.J. Mann Elementary School and Cayuga Youth Athletic Association’s baseball fields, who cross Cayuga Drive and use the pedestrian bridge over Cayuga Creek located here. This intersection falls short of the Federal MUTCD Minimum Warrants for the placement of “ALL WAY” stop signs and therefore Thomas Miklejn recommended denial of this item.

Submitted By: Terri Kline, 9204 Cayuga Drive
It is requested that City Council approve this recommendation.

RESOLUTION: SUPPORT LETTER FOR ENGINEERING PLANNING GRANT, NIAGARA FALLS WATER BOARD, 2019-66
BY: COUNCIL MEMBERS TOMPKINS, VOCCIO, CHAIRMAN TOUMA

Agenda Item #16
WHEREAS, Niagara Falls City Council supports the Engineering Planning Grant (EPG) application of the Niagara Falls Water Board. We the Council understand that the Water Board is collecting data through flow monitoring at 15 manhole locations throughout the city’s LaSalle neighborhood.

WHEREAS, an engineering and planning report will be prepared in furtherance of a prior consent order with the NY Department of Environmental Conservation. This council knows well the importance of the Water Board achieving full compliance with the consent order in which they agreed to repair the portion of the system operating in the LaSalle section of the city over a long-term work plan.

WHEREAS, while our city is not without significant challenges, this council is working hard to make Niagara Falls safer, cleaner, more sustainable, and to improve conditions for the retention and expansion of job opportunities. With a key component of a livable city being the adequate collection and treatment of wastewater, projects such as that required for the LaSalle area help reach that goal and benefit not only those in the immediate neighborhood but all residents of the city at large.

NOW, THEREFORE, BE IT RESOLVED that this City Council does hereby urge the favorable consideration of the Niagara Falls Water Board EPG application.

CONTRACT: CITY PHONE SYSTEM, REPLACEMENT, NEWCASTLE COMMUNICATIONS

Agenda Item #17
The Acting Director of the MIS Department advises that the City’s agreement with the vendor (AT Technologies) that maintains the City phone system expires at the end of July, 2019. Based upon a review of other available vendors, it is recommended that the City enter into a new agreement with Newcastle Communications. Attached (on file in the City Clerk’s Office) is a copy of an estimate from Newcastle Communications for support services for a one (1) year period of time which totals $16,278.04. In addition, Newcastle has provided an estimate in the amount of $4,648.07 to reprogram the existing system, set it up for proper reporting as well as training for MIS staff. The final expense estimate is for TelecomDataService (“TDS”) in the amount of $2,000.00. TDS did due diligence on available vendors for the City’s system and recommended Newcastle as the most compatible with the City’s system. A copy of this estimate is attached. The total to be spent on the replacement of this vendor is $22,926.11. The Newcastle invoices totaling $20,923.11 are budgeted expense items and will be paid from budget account number MT.0054.0000.0421.000 and the TDS invoice will be paid from budget account number A.1680.0000.0451.000 which is a budgeted MIS consultant line item.

CITY CLERK’S REPORT FOR THE MONTH OF JULY 2019

Agenda Item #2
THIS ITEM WAS RECEIVED AND FILED

THE FOLLOWING COMMUNICATIONS WERE SUBMITTED BY THE MAYOR

CONTRACT: COPIERS, LEASE AGREEMENT, BRIAN PARISI COPIER SYSTEMS, INC.

Agenda Item #3

The City currently leases forty two (42) copiers from Duplicating Consultants, Inc. through a joint bid with Niagara County and the Niagara Falls Water Board. This lease is expiring, and the three entities have recently solicited bids for a new lease to replace the existing copiers with new equipment. The low bidder is Brian Parisi Copier Systems, Inc. which will be providing RICOH brand copiers to replace the existing Lanier copiers. The City will pay $0.01777/copy for black and white copies and $0.0390/copy for color copies. This price includes the lease, maintenance and supplies for the copiers (excluding paper).

Based upon the success of the current lease agreement in increasing efficiency and controlling costs, we recommend that the Council authorize the City to enter into a new lease agreement with Brian Parisi Copier Systems, Inc, through the Niagara County bid.

Funds for this expenditure are available in each departmental budget under the relevant A.xxxx.xxxx.0440.599 codes.

Will the Council so approve and authorize the Mayor to execute all documents necessary to effectuate a lease with Brian Parisi Copier Systems, Inc. in a form acceptable to the Corporation Counsel?

IN REM: 440 & 462 10TH STREET, 929 FERRY AVENUE, TRANSFERRED TO THE NIAGARA ORLEANS REGIONAL LAND IMPROVEMENT CORP.

Agenda Item #6

The above three (3) properties were acquired by the City as a result of various IN REM proceedings and have been held for Economic Development.

It is recommended that the City transfer these three (3) properties to the Niagara Orleans Regional Land Improvement Corporation (The Land Bank) for further disposition. The Land Bank now has grant money available to it to rehabilitate distressed properties and market them for sale. These three (3) properties are properties that can be salvaged provided a sufficient level of rehabilitation is provided. That is the reason the City’s representative on the Land Bank recommended these three (3) properties be transferred to it.

This request has been reviewed by the Planning Board, which has recommended the City Council approve these transfers. Attached (on file in the City Clerk’s Office) are Planning Board recommendations.

MOU: NIAGARA GLOBAL TOURISM INSTITUTE, FUNDING

Agenda Item #8
Recall that several years ago the NGTI was created as a result of collaboration between Niagara University, Empire State Development, the New York Power Authority and the City of Niagara Falls. The goal of the NGTI is to work with local, state and federal agencies in partnership with the tourism industry to create the conditions that turn around the reputation and economic viability of Niagara Falls. The core components of the NGTI are as follows:

1. Research – produce reliable data to inform strategic decision making and improve competitiveness.
2. Technology – to utilize new and emerging technologies in support of destination development, marketing and visitor servicing.
3. Identifying tourism workforce needs and developing a skills and abilities pipeline.
4. Tourism business incubation to encourage entrepreneurial creativity and the development of new businesses in the tourism sector.

It is recognized that the region employs over 50,000 people in the tourism sector with well over two billion dollars in economic impact. Technology is changing the face of tourism and tourism marketing and the goal of the NGTI is to establish Western New York as a world leader in developing and leveraging these emerging technologies in order to grow our tourism economy and to attract requisite talent to the region. This was an observation made by Howard A. Zemsky, former Co-chair of the Western New York Regional Economic Development Council and Chair of Empire State Development Corporation.

The NGTI will be an anchor tenant in the 616 Niagara Street project which is under construction at the corner of Niagara Street and 7th Street. From this location, NGTI will be positioned to strengthen tourism technology by developing the workforce.
Niagara University has committed funding to the NGTI in the amount of $300,000.00 per year for five (5) years. It is requested that the City commit to financing the amount of $50,000.00 for year 2019. Funding for this initiative in 2019 is available from casino reserves. City funding for this initiative over the next four (4) years will be considered annually subject to the City’s financial condition at that time including the status of the continuing dispute between New York State and the Seneca Nation of Indians regarding casino revenues.

Will the Council so approve and authorize the Mayor to execute a Memorandum of Understanding with the NGTI provided the same is in form and content acceptable to the Corporation Counsel?

CONTRACT: COMMUNITY DEVELOPMENT, PINNACLE COMMUNITY SERVICES, BLOCK GRANT EXTENSION

Agenda Item #12

The City awarded Community Development Block Grant (CDBG) funds to Pinnacle Community Services (formerly Family and Children's Services) to provide mental health counseling services to homeless youth as part of Community Development’s 2018-19 Action Plan. This grant included $20,000 for capital improvements to Pinnacle’s office building, which would create private office space for counseling sessions and increase the program’s capacity. Contractor delays have necessitated an extension of the 2018 contract to ensure full expenditure of the CDBG funds and the provision of service of the maximum number of individuals.

After consultation with Pinnacle staff, it is requested that Council approve an amendment to the contract, setting a new program end date March 13, 2020. This will allow for their new contractor to complete all required work and for all committed funding to be expended before the 2020 CDBG expenditure deadline.

IN REM: 2016, ACQUIRED PARCELS, TITLE TO FORMER OWNERS

Agenda Item #17
The City is in the process of acquiring title to a number of parcels through the 2016 In Rem Tax Foreclosure. These properties will be auctioned later this year. Frequently, the former owners attempt to redeem their property by paying all outstanding or delinquent City, School and County taxes with penalties and interest prior to the auction. Although this is not a legal right, this has been allowed by the City Council in the past to avoid unnecessary hardship. Accordingly, we are recommending that this Council authorize the reconveyance of title to those former owners who pay all outstanding In Rem fees, auctioneer redemption fee, City, School and County taxes with penalties and interest, and any applicable recording fees on or before the close of business on the day before the auction.
Will the Council so approve and authorize the execution and delivery of deeds by the Mayor to any property owners who tender payment as set forth?
Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

THE FOLLOWING COMMUNICATIONS WERE SUBMITTED BY THE MAYOR

CONTRACT: LIBERTY PARK PLAYGROUND INSTALLATION, VALLEYVIEW ENTERPRISE LLC, CHANGE ORDER #1/FINAL

Agenda Item #3

A contract for the above referenced project was awarded to Valleyview Enterprise LLC on June 6, 2019 in the amount of $170,750.00. After the start of the project, it was necessary to accommodate the inclusion of extra play or exercise features not initially included in the project’s initial scope. The cost to enlarge the play area and the ancillary materials is $7,268.38. However, underruns on other items included in this contract will allow the payment for the extra material without any additional funding ($0.00) to this project.

Will the Council vote to so approve and authorize the Mayor to execute a change order in a form acceptable to the Corporation Counsel?

Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

CONTRACT: CITY SCHOOL DISTRICT, MUNICIPAL COOPERATION AGREEMENT, SCHOOL RESOURCE OFFICERS

Agenda Item #5
During the last few years the City has detailed police officers to serve as School Resource Officers at Niagara Falls High School and Gaskill Prep School and LaSalle Prep School. Two officers are detailed at Niagara Falls High School and one officer is detailed at Gaskill Prep School and one officer is detailed at LaSalle Prep School. This has proven to be a very positive initiative for the School District as well as the City.

The School District wishes to continue this arrangement for the 2019-2020 academic year commencing on September 1, 2019 and terminating on June 30, 2020. The School District is proposing to reimburse the City for the total cost of these four police officers which totals approximately $471,708.00. Attached hereto (on file in the City Clerk’s Office) is a proposed agreement.

Will the Council so approve and authorize the Mayor to execute the Municipal Cooperation Agreement provided the same is in form and content acceptable to the Corporation Counsel?

PURCHASE: FIRE DEPT., FOUR FLEET VEHICLES, GENESEE VALLEY FORD, LLC AND VANBORTEL FORD, INC., FUNDING

Agenda Item #8
The City has solicited mini-bids through the New York State Office of General Services’ Vehicle Procurement process for four (4) vehicles to replace older, obsolete vehicles and update the Niagara Falls Fire Department’s (“NFFD”) fleet. After receiving the mini-bid responses, we respectfully request you award the above-referenced mini-bids as follows:

TO: Genesee Valley Ford, LLC
1675 Interstate Drive
Avon, New York 14414

FOR: One (1) 2020 Ford Explorer XLT $37,600.00
One (1) 2019 Ford Econoline E3F $36,177.62

TO: VanBortel Ford, Inc.
71 Marsh Road
East Rochester, New York 14445

FOR: One (1) 2020 Ford Expedition XL $38,245.57
One (1) 2020 Ford Transit T-250HR Van $41,360.16

The total purchase price for the four (4) vehicles is $153,383.35. Additionally, these vehicles will need to be lettered and striped, as well as have the lighting, radios and instrumentation installed. NFFD has acquired estimates for the costs of fully outfitting these four (4) vehicles from Empire Emergency Apparatus, 3995 Lockport Road, Niagara Falls, New York. The cost for these services is expected to be $21,994.72, for a total cost to the City of $175,387.07.

The City Purchasing Division certifies that all bids were solicited in accordance with Section 103 of the General Municipal Law and in accordance with New York State’s mini-bid procedures.

As the Council is aware, the NFFD received a DASNY grant in the amount of $70,000.00 in March of this year for the purchase of fleet vehicles. Additionally, NFFD has $110,000.00 in bond funds remaining for this same purpose. As such, funds for these expenditures are available in capital account code H0818.

Will the Council so approve these expenditures?
Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

PURCHASE: TREES II, FINAL PHASE, SCHICHTEL’S NURSERY

Agenda Item #9

We respectfully request you award the above referenced bid as follows:

TO: Schichtel’s Nursery
7420 Peters Road
Springville, New York 14141-9405

FOR: Purchase of 144 trees per the attached tally sheet (on file in the City Clerk’s Office)

$18,615.00

This is the final phase of this project and will bring the total number of trees planted to 541. Planting of the trees will be completed by the City’s Forestry Division on overtime. It is anticipated that the total labor cost to plant the 144 trees will be approximately $11,900.00 based on the costs of the two prior phases. This expenditure will include FICA and the contractually obligated overtime meals.

The City Purchasing Division certifies that all bids were solicited in accordance with Section 103 of the General Municipal Law.

Bid packages were sent to sixteen (16) vendors. Three (3) responses were received. Please reference the attached tally sheet for bid submission details.

Funds for all of these expenditures are available from the approved Greenway funds accounted for in capital account code H1804.

Will the Council so approve these expenditures?

THE FOLLOWING COMMUNICATIONS WERE SUBMITTED BY THE MAYOR

CONTRACT: HYDE PARK SEWER LATERAL REPAIR, VIDEO INSPECTION & CLEANING, J.R. SWANSON CO., CHANGE ORDER #1/FINAL

Agenda Item #1

A contract for the above referenced project was awarded to J. R. Swanson Co. Inc. 413 103rd St. Niagara Falls NY on June 26, 2019 in the amount of $4,750.00.

After starting the video inspection of the failed sewer lateral, it became apparent that additional sewer failures were present beyond our original area of interest. Additionally, the expanded inspection and cleaning required access to Pine Avenue, creating a new need for maintenance and protection of traffic that didn’t exist with the initial scope. Prorating the original quote on a per foot basis, the extra cost came to $4,006.25, for a new project total of $8,756.25. Funding from CDBG unprogrammed fund has been earmarked for this project.
Will the Council vote to so approve and authorize the Mayor to execute a change order in a form acceptable to the Corporation Counsel?

COMMUNITY DEVELOPMENT: CDBG FUNDING AWARD AMENDMENT, HEART, LOVE AND SOUL

Agenda Item #5

The City awarded 2019 Community Development Block Grant (CDBG) funds to Heart, Love and Soul, Inc. in the amount of $433,342.00 for capital improvements for the Project Daybreak project. After these funds were awarded, Heart, Love and Soul, Inc. declined the award (letter on file in the City Clerk’s Office) due to significant cost increases associated with Davis-Bacon prevailing wage requirements.

After consultation with Heart, Love and Soul, Inc. staff, it is requested that Council approve an amendment to the 2019 Annual Action Plan to award Heart, Love and Soul, Inc. $50,000.00 in 2019 CDBG funds for public services associated with the program management and operation costs of its dining room, food pantry, and Project Daybreak programs.

The remaining $383,342.00 of 2019 CDBG funds will remain unprogrammed until a substantial amendment to the 2019 Annual Action Plan is made. According to federal regulations at 24 CFR 91 and the City’s HUD Citizen Participation Plan, a substantial amendment is required when there is a change in allocation priorities, a decision to carry out an activity not previously described in the action plan that amounts to more than 10% of the HUD program budget, or a substantial change in the purpose, scope, location, or beneficiaries of an activity. A substantial amendment requires a public notice that states the proposed amendment, a 30-day public comment period, a public hearing on the amendment, and City Council approval.

Will the Council vote to approve this item and authorize the Mayor to execute any documents necessary to effectuate the same?

COMMUNITY DEVELOPMENT: SECTION 8 LEASED HOUSING PROGRAM, PHA, ADMIN. PLAN POLICY AMENDMENTS

Agenda Item #6

Title 24 of the Code of Federal Regulations, Part 982 “Section 8 Tenant-Based Assistance: Housing Choice Voucher Program,” Section 54 “Administrative Plan,” requires the City of Niagara Falls Public Housing Authority (PHA) to, “[A]dopt a written administrative plan that establishes local policies for administration of the program in accordance with HUD [U.S. Department of Housing and Urban Development] requirements. The administrative plan and any revisions of the plan must be formally adopted by the PHA Board of Commissioners or other authorized PHA officials.”

The City of Niagara Falls PHA, administered by the Department of Community Development Section 8 Leased Housing Program, adopted a written administrative plan on November 16, 2016. The administrative plan states that, “The PHA will review the plan at least once a year, and update if needed, to reflect changes in regulations, PHA operations, or when needed to ensure staff consistency in operation” (I-III.D. “Updating and Revising the Plan,” p. 1-15).

After annual review of the written administrative plan (on file in the City Clerk’s Office), the Section 8 Leased Housing Program proposes amendments to the following policies found in the City of Niagara Falls PHA Administrative Plan:

Chapter 4: Applications, Waiting List and Tenant Selection
- Policy on Applying for Assistance (4-I.B. “Applying for Assistance,” p. 4-3)
- Policy on Special Admissions (4-III.B. “Selection and HCV Funding Sources,” p. 4-13)
- Policy on Local Preferences (4-III.C. “Selection Method,” p. 4-14)
- Policy on Order of Selection (4-III.C. “Selection Method,” p. 4-15)
Chapter 7: Verification
- Policy on Written Third-Party Verification Form (7-I.D. “Third-Party Written and Oral Verification,” p. 7-7)

Chapter 8: Housing Quality Standards and Rent Reasonableness Determinations
- Policy on Inspection Costs (8-II.A. “The Inspection Process Overview,” p. 8-10)

Chapter 9: General Leasing Policies
- Policy on Rent Increases (9-I.H. “Changes in Lease or Rent,” p. 9-14)

Chapter 10: Moving with Continued Assistance and Portability
- Policy on Participant Families (10-II.B. “Initial PHA Role,” p. 10-9)

Chapter 16: Program Administration
- Policy on Informal Hearing Officer (16-III.C. “Informal Hearings for Participants,” p. 16-18)

Will the Council vote to approve and adopt the proposed amendments in this item and authorize the Mayor to execute any documents necessary to effectuate the same?

Members of the City Council
and
Lisa Vitello, City Clerk

Council Members and Madam:

You are hereby notified of a Special Meeting of the City Council of the City of Niagara Falls, New York called pursuant to Section 3.9.b of the City Charter, to be held on Tuesday, October 1, 2019 at 5:00 p.m. in the Council Chambers, City Hall, 745 Main Street, Niagara Falls, New York for the following purposes:

Presentation of Mayor Dyster’s Proposed 2020 budget.

Respectfully submitted,

Andrew Touma, Chair
2020 Executive Budget Presentation

Welcome City Council members, first responders, municipal employees and my fellow residents.

I would like to first and foremost thank you for joining me as I present my Executive Budget for Fiscal Year 2020.

Today, I am delivering to the City Council a budget that decreases the size of city government, incorporates important recommendations from both the State's Financial Restructuring Board and the City's own Financial Advisory Panel, and reduces our reliance on tribal revenue funds to pay for city services.

For the seventh time in my twelve years in office, the City once again is forced to propose a budget without one of its most significant revenue streams: the local share of tribal revenues generated at the Seneca Niagara Casino. The turbulent relationship between the Seneca Nation and the State of New York has been long documented, and it is not necessary to rehash old squabbles today. We firmly believe that the revenue sharing impasse is approaching a conclusion, and we look forward to a constructive dialogue with all parties to ensure the next compact is seen as fair and equitable by all, and that the financial security of the City of Niagara Falls isn't threatened again. The State of New York, the Seneca Nation, and the City of Niagara Falls are all wedded to the same ground, and therefore we must work together, hand in hand, to ensure our mutual prosperity.

Today, on behalf of Governor Cuomo, I would like to announce that the City has been notified by the New York State Division of the Budget that the State of New York will once again advance the City up to $12.1 million of the City's share of Tribal Revenue dollars to aid in maintaining City services in Fiscal Year 2020.
Once again I want to thank Governor Cuomo for his steadfast support of the City under these difficult circumstances. Throughout his tenure, Governor Cuomo has been a staunch supporter of the City of Niagara Falls. The Governor's laser-like focus on the resurgence of Western New York has led to our City seeing significant public and private sector investment over the last decade. Those of us who have been working with the State behind the scenes over the past few years on this contingency plan are happy to once again point out what we have always known: Governor Cuomo has our back.

While we hope for and expect a favorable resolution of the Seneca-State dispute, we still have to do the right thing in terms of our budget this year, and in future years. We would have needed to make tough decisions even if the current casino dispute had not occurred. For example, the amount of casino revenues available to the City from the Seneca Niagra casino has declined marginally from year to year as a result of competition across the state and region. It is also important to note, even when ongoing issues are resolved, the current compact only runs until 2023. As a result, it has been the policy of the City of Niagara Falls, as expressed in a resolution of the City Council, to try over time to reduce our reliance on casino revenues to support ongoing operations.

Thus, it would not be wise to budget all $12.1 million available to be advanced to the city against 2020 expenses. In order to move forward to financial sustainability, without excessive reliance on casino revenues, we must cut our expenses and increase revenue sources. The 2019 budget contained a transfer from the tribal revenue fund of approximately $10.4 million dollars. This represents a continuation of the downward trajectory of the overall reliance on casino revenues to fund operations. The 2020 budget builds on this success, by including a casino transfer of just over $9.2 million dollars. To put this figure into perspective, we are down from a peak transfer of approximately $12.5 million in 2016.
With the 2020 Casino revenue situation addressed, I want to take a look at 2020 Recurring Revenues. We have seen continued growth in our share of County Sales tax. The 2020 budget accounts for $9.3 million dollars in sales tax collection. Another area of positive revenue growth is in parking fee collection. The 2020 budget contains a $2,076,554 transfer from the parking fund, a 10% increase over 2019. These figures highlight the success we are realizing from our investments in our parking infrastructure, and the phenomenal success of our economic development strategy--successes upon which the City will continue to build in the near future.

My friends, I'm afraid this is where a lot of the good news ends. Like municipalities across the nation, the City has continued to see a rise in our health care premium costs. The increased cost for health insurance premiums for 2020 is 10%, which works out to approximately $1.5 million in new expenses. 2020 also sees a 27th pay period, a pay cycle quirk which occurs every 11 years, which causes a $1.3 million dollar increase in payroll.

Another area of concern is the failure of annual adopted budgets to include real and responsible figures for overtime expenditure. Specific to public safety, year after year the adopted budget has included figures for overtime expenses that have fallen short of the required amount, making it very difficult to ever run in the black. These estimated figures fail to accurately capture our real costs, which are determined in most cases by contractual agreement and mandated decisions. The 2020 budget increases overtime expenditures to $1 million for Police Patrol and $950k for Firefighting, figures more inline with our historical spending. While we will continue to work on reducing overtime, we can't continue to let our practice of budgeting estimated amounts hinder the potential growth of our fund balance.
At the end of the day, all of these factors combined to create a budget deficit of just over $4 million dollars. To meet this challenge, we considered several different scenarios which I will outline today. Looking only at non-casino revenue sources, in former budgets we have allowed ourselves to become too reliant on property tax revenue versus other sources. Our success in increasing parking, sales tax, bed tax and other non-casino, non-property tax revenues—an indication of the long-term success of our economic development strategy—has received recent attention.

Nevertheless, a 2017 report from the State Comptroller’s Office cited by our independent auditors and looking at municipal finances statewide, showed that on average in 2016, New York State cities were bringing in charges for services averaging 19.6% to our 5.9% for 2017. Part of this difference is the result of our having an independent water board that bills for its own services, but a major factor is that, unlike municipalities around us, we have not charged a fee for solid waste collection and disposal, instead covering the cost—even after the service was privatized in the 1990s—out of the same property tax levy that has to cover public works, public safety and administration. It was great while it lasted, but as the cost of everything has risen over the years, it has become clear that this is not sustainable. In fact when you combine our tax levy and state aid, and then subtract our public safety costs including health care and pension costs, what we’re left with is just around $500k to pay for everything else.

There is also a fairness issue involved. The City incurs a cost for those who use solid waste services, but pay no property taxes. That cost is borne collectively by all the other taxpayers. As we look to increase revenues, we want to make sure we’re being fair about where we derive those revenues. That is why we considered a user fee to pay for our solid waste disposal program. Removing the cost of that program from the General fund would eliminate a $4.1 million dollar expense and help close our gap. This proposal was shared with City Council and it was encouraging that they undertook a public hearing on the matter. It is my hope that a constructive
dialogue with them will continue, as it is imperative that this measure is enacted into law for inclusion in the final budget.

The second scenario we considered was simple: a large tax increase to correct the tax levy to more adequately fund basic city services. In order to close that gap with no elimination of positions, we would need to raise the tax levy to approximately 98% of its constitutionally-allowed limit. This would be catastrophic to our financial standing, severely limiting our ability to raise future revenues, potentially further distressing our bond rating to junk status, and making the cost so high to borrow money that it would essentially prohibit us from going to the bond market. As catastrophic as this scenario sounds, it still does not represent the worst case we looked at.

The third scenario we considered is in my estimation the worst possible way to close this deficit. With personnel costs accounting for the largest proportion of your tax dollar, we evaluated what cuts would be necessary to account for the deficit. Last year, when we were formulating the 2019 budget, we had done an analysis of the level of layoffs that would be necessary to balance that budget. The advance of casino revenues significantly cut into that figure, nevertheless, a large gap still existed. At that point, we sat down with our public safety unions to negotiate concessions to help us close the gap without eliminating personnel.

Our success in 2019 ironically created a danger of failure for 2020. By negotiating concessions and not raising revenues, we avoided difficult decisions, only to have them reappear in 2020. Now, with the concession agreements in place, the layoff calculations became much worse. Eliminating enough positions to close a $4.1 million dollar deficit triggers the termination of the concession agreements, and would require over $1 million in layoffs just to finance the loss of the concessions. This would translate into the elimination of 70-80 total positions across city government. Due to cost breakdowns, the majority of these job cuts would be absorbed by public safety.
This means the Police Department would see the loss of 25 positions, eliminating successful specialized units such as the Roving Anti-Crime Unit, forcing out the younger more inexpensive officers whom we have heavily invested in, and pushing many of our detective division officers into patrol, severely hampering our ability to investigate crime and bring offenders to justice. Our Community Relations division, which has done so much to foster trust in the police force with the public, would be shuttered.

The Fire Department would see a similar cut of 25 Firefighters which would force us to shutter a fire hall, drastically increasing fire response times for our residents. With a department responsible for fire response for the chemical industry, a large proportion of high rise hotels and apartments, and Niagara Gorge rescue operations, this staff cut would be catastrophic. The Fire Department will once again set a record in 2019 with over 7,000 emergency responses.

During my 12 years in office, not once has a resident told me we need fewer police and fire personnel, or that we need to reduce the level of public safety service provided to our residents.

Public safety cuts aside, eliminating the budget gap solely through layoffs would mean we close a senior center, we eliminate youth services, we close pools and parks, and we stop fighting blight. The cure would be worse than the disease. It would be a dark day for the City of Niagara Falls. Public Safety employees put their lives on the line for us every day; municipal employees trade long hours and low wages for a career in service to their community. All they ask is for their elected leaders to do right by them, not just at election time, but everyday.

I have spoken with each council member about the 2020 budget and laid these scenarios out for them. Each has made their positions clear to me and advocated for different solutions. Today, I send a budget to the Council
that represents a compromise of these differing solutions. I believe it is a budget that presents the most reasonable alternative to these financially stressful circumstances, while preserving the level of basic services demanded by our residents.

The 2020 Executive Budget includes the following:

- The implementation of a User Fee to pay for solid waste disposal.
- A 2.13% increase in the tax levy up to but not exceeding the property tax cap.
- A staff reduction of 18 positions, 5 of which are currently vacant.

**User Fee**

The base rate of the User Fee for a single residential user, that's one garbage tote and one recycling tote, would be set at $218 a year. That's less than $4.20 a week.

By removing street sweeping debris, blight removal waste (roll off dumpsters at the corporation yard), and tire disposal costs from the calculation, and funding them through the general fund, we have been able to significantly reduce the overall cost of the User Fee from the level previously estimated in the media.

By incorporating a user fee to pay for the solid waste disposal contract, we will be relieving the general fund of $4,001,595.

Having heard arguments on both sides of the issue at their public hearing last week, I strongly encourage the City Council to move quickly to adopt a local law enacting a solid waste disposal User Fee.

**Tax Increase to the Property Tax Cap**
The tax levy is proposed to increase to but not above the State-mandated property tax cap by 2.13% or $660,167.

Since Non-Homestead properties are currently assessed at only 59% of value, I am also proposing no shift in the homestead/non-homestead base proportional rate. This would effectively cut the homestead rate by 3.13% which would translate to the average home in Niagara Falls, assessed at $68,000, experiencing a property tax decrease of $38.76.

**Staff Reductions**

The 2020 Executive Budget proposes staff reductions of 18 positions, for a total of $1,080,404 in savings.

The positions are broken down as follows:

- 3 Vacant Fire Department Positions
- 2 Vacant Police Department Positions
- 13 Eliminations of Union and Non Union positions
  (5 in City Hall, 8 at DPW, 5 vacant)
- 18 Total eliminations

While always painful, elimination of these positions is necessary to begin to reign in costs and demonstrate our commitment to look internally for every possible dollar of savings before asking taxpayers to pay more of their limited funds for government services. These positions were chosen because they will result in the lowest impact to our daily service delivery, yet still provide significant savings.

All of these deficit-closing tactics fit into our shared goals of getting leaner while providing essential services to our residents at a reasonable cost.
Furthermore, down the road, we should see a reduction of our fiscal stress score and an improvement of our standing in the credit markets.

While dealing with significant financial challenges in the short-term might lead to feeling depressed about the future for our city, the actual circumstances in which we find ourselves are very different than the pessimists’ perception. In fact, the long-term future of the City of Niagara Falls is bright. Whether one looks at trends in the regional economy, or conditions more particular to the city itself, the prospects for continued growth in jobs, investment, tourism visitation and construction look very positive. But we have been learning the hard way that these positive trends can take a long time to hit the bottom-line of city tax revenues.

We must do our part to reduce costs and increase revenues by constantly being on the lookout for new ways of making government more innovative and more efficient. That is not something that can be accomplished by simply slashing future services to match historical revenues. We can’t stop plowing streets, putting out fires or patrolling our neighborhoods. Instead, we need to keep our finger on the pulse of the community, accurately gauging what level of services our residents want us to provide, and helping them figure out how to get what they need at a price they can afford.

In the past, we have often failed collectively to make the tough decisions we were elected to make. But past failure can be an essential component of successful future innovation. Failure represents an opportunity to learn from our mistakes and get better. And failure should never be wasted. The 2020 budget represents a chance to address the shortcomings of the past and put the City on a path towards financial viability.

We look forward to working constructively with the members of the City Council in the days ahead to finalize the 2020 budget. Thanks to all of our department heads and staff whose months of hard work made completion
of this budget possible. Special thanks to City Controller Dan Morello and your department for your hard work on this budget. Thank you Human Resources Director Ruby Pulliam and staff for dealing with what always seem to be constant changes right up to the last minute. And thanks to City Administrator Nick Melson for pulling it all together to make the best of a very difficult situation. We look forward to working constructively with Council in the weeks ahead to finalize the 2020 budget.

Finally, thanks once again to Gov. Andrew Cuomo for stepping in to make sure that the residents and employees of the City of Niagara Falls will not have to suffer unnecessarily as a result of a dispute that disproportionately affects our City, but over which we have no control. God bless you, God bless the City of Niagara Falls, and God bless America.

RESOLUTION: TOURIST SURCHARGE, STATE PARKS, BENEFITS NIAGARA FALLS, 2019-79
BY: COUNCIL MEMBERS KENNEDY, SCOTT, TOMPKINS, CHAIRMAN TOUMA

Agenda Item #6
WHEREAS, the City of Niagara Falls is the host of millions of tourists per year; and

WHEREAS, most of the tourists visit the New York State Parks and attractions in Niagara Falls; and

WHEREAS, the New York State Parks Department and its vendors financially benefit from the tourists visiting the Niagara Falls;

WHEREAS, the City of Niagara Falls provides vital services for the tourists, State Parks, and the vendors operating within the State Parks; and

WHEREAS, the City of Niagara Falls specifically provides police and fire protection to the visitors and workers within the State Parks; and

10/16/2019
WHEREAS, the City of Niagara Falls also must provide safe and reliable thoroughfare for the tourists, vendors, and merchants to access the State Parks; and
WHEREAS, the City of Niagara Falls does not receive any financial contribution from the New York State Parks Department or its vendors for providing the vital services; and
WHEREAS, the New York State Parks Department and its vendors must partner with the City of Niagara Falls to ensure the financial security of the City and the prevention of the interruption of services to the Parks; and
WHEREAS, the New York State Parks Department operates multiple parking lots within the Parks in Niagara Falls that generate a large amount of revenue; and
WHEREAS, the vendors in the Parks operate attractions without competition and are able to generate a large amount of revenue; and
WHEREAS, the City of Niagara Falls suffers from a consistent budgetary imbalance partially caused by the lack of revenue from the State Parks that it supports; and
WHEREAS, it would generate millions of dollars for the City of Niagara Falls if the New York State Parks Department added a five dollar tourist surcharge to every motor vehicle that parked in the State Parks in Niagara Falls and allocated it to the City budget; and
WHEREAS, it would generate hundreds of thousands of dollars for the City of Niagara Falls if the New York State Parks Department added a twenty dollar tourist surcharge to every bus that parked in the State Parks in Niagara Falls and allocated it to the City budget; and
WHEREAS, it would generate millions of dollars for the City of Niagara Falls if the New York State Parks Department added a two dollar tourist surcharge to every attraction within the State Parks in Niagara Falls and allocated it to the City budget; and
WHEREAS, the addition of a tourist surcharge to the Parking and attractions within the State Parks in Niagara Falls will not negatively affect the State Parks Budget or increase the tax burden on State taxpayers;
NOW THEREFORE BE IT RESOLVED the City of Niagara Falls requests the State of New York Legislature to draft companion bills for the purpose of adding a tourist surcharge as follows:
1. Five dollars for every motor vehicle that parks on a New York State Parks Department parking lot within Niagara Falls; and
2. Twenty dollars for every bus that parks on a New York State Parks Department parking lot within Niagara Falls; and
3. Two dollars for every ticket sold at an attraction within the New York State Parks Department operated within Niagara Falls; and
BE IT FURTHER RESOLVED that the New York State Legislature require the New York State Parks Department and its vendors remit the tourist surcharge to the City of Niagara Falls on a quarterly basis; and
BE IT FURTHER RESOLVED that a copy of this resolution shall be forwarded to Assemblyperson Angelo Morinello, Senator Robert Ortt, Governor Andrew Cuomo, and the Commissioner of New York State Parks Department.

RESOLUTION: NIAGARA FALLS AIR RESERVE STATION (NFARS) COMPATABLE USE PLAN, 2019-80
BY: ALL COUNCIL MEMBERS

Agenda Item #7
WHEREAS, the Niagara Falls Air Reserve Station ("NFARS") is the County’s largest employer with over 3,000 full time and part time employees and is responsible for generating over $88 million in annual payroll, $168 million in annual economic impact and plays a critical role in our national security; and

10/16/2019
WHEREAS, in the past, NFARS has found itself at risk of closure through the Base Realignment and Closure process (“BRAC”); and
WHEREAS, through an intense and concentrated community effort, locally and in Washington, supporting NFARS, these closure proposals were reversed; and
WHEREAS, a persistent threat to any US Air Force installation is “encroachment” from land uses in surrounding areas that interfere with flight operations; and
WHEREAS, the presence of encroachments have led to US Air Force bases being closed; and
WHEREAS, local governments play a crucial role in evaluating and approving land uses and projects; and
WHEREAS, the municipalities of Wheatfield, Lewiston, Niagara, Pendleton, Cambria and Niagara Falls have all explored the Office of Economic Adjustment (“OEA”) program to fund the development of a “Compatible Use Plan” (“CUP”) to protect military installations from encroachment uses; and
WHEREAS, NFARS and NIMAC leadership have stated that a CUP designed by these communities would be a strong statement to the US Air Force that the community is invested in the long-term viability of NFARS.

NOW, THEREFORE, BE IT RESOLVED that the City of Niagara Falls supports pursuing funding for a “Compatible Use Plan” through the Office of Economic Adjustment, in conjunction with the NFTA, Niagara County and NFARS for the purposes of coordinating local land use planning to prevent encroachment uses from interfering with operations at NFARS; and
BE IT FURTHER RESOLVED that a copy of this resolution be sent to the Niagara County Legislature, NFARS, NIMAC, and Senators Charles Schumer and Kirsten Gillibrand.

IN REM: 432 27TH STREET, WARD 05, PROPERTY 1506, DEPOSIT REFUND

Agenda Item #8

The above referenced property was included in the In Rem proceeding and was subject to the auction on October 9, 2019.

Due to extenuating circumstances involving the homeowner, it is recommended that the Council vote to reject the successful bid for this property at the auction and direct the City Controller to refund the deposit and auctioneer fee to the bidder; allow the property owner to redeem the property from the In Rem proceeding by the payment of all outstanding City, School and County taxes as well as the In Rem fee and the auctioneer fee. If this is done prior to October 30, 2019, the property will be redeemed.

Will the Council so approve?

Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

RESOLUTION: ADDING CHAPTER 747, “OWNER LIABILITY FOR FAILURE OF VEHICLE OPERATOR TO STOP FOR A SCHOOL BUS DISPLAYING A RED VISUAL SIGNAL AND STOP-ARM”, 2019-81

BY: COUNCIL MEMBERS KENNEDY, SCOTT, VOCCIO, CHAIRMAN TOUMA

Agenda Item #15

BE IT RESOLVED, by the City Council of the City of Niagara Falls, New York that Chapter 747 of the Codified Ordinances entitled “Owner Liability For Failure Of Vehicle Operator To Stop For A School Bus Displaying A Red Visual Signal And Stop-Arm” is hereby added to read as follows:

747.01 PURPOSE.

The purpose of this chapter is to impose monetary liability on the owner of a motor vehicle under circumstances where the operator of that motor vehicle fails to stop for a school bus displaying a red visual signal and stop-arm. It is a well known fact that vehicle operators often fail to stop for a school bus displaying a red visual signal and stop-arm, thus creating a hazardous and dangerous condition for passengers, especially children, who depart from a stopped school bus. The intent of this chapter involves the installation of cameras on the school bus stop-arm to increase safety for passengers departing the school bus by imposing financial liability on the owner of the vehicle which will serve as a deterrent.

747.02 DEFINITIONS.

As used in this chapter, the following words shall have the following respective meanings:

(a) “Person” means one or more individuals, a partnership, company, association, corporation, trust, trustee or receiver or limited liability company.
(b) “Owner” means the registered owner of a motor vehicle.
(c) “City” means the City of Niagara Falls, New York.
(d) “School District” means the City School District of the City of Niagara Falls, New York.
Pursuant to Section 1174-a of the New York State Vehicle and Traffic Law, the City hereby establishes a demonstration program imposing monetary liability on the owner of a motor vehicle for the failure of an operator thereof to comply with Section 1174 of the New York State Vehicle and Traffic Law when meeting a school bus marked and equipped as provided in subdivisions 20 and 21-(1)-(c) of Section 375 of the New York State Vehicle and Traffic Law and operated in the City.

This demonstration program empowers the City to install and operate, or to cause to be installed and operated, school bus photo violation monitoring systems which may be stationary or mobile. Such school bus photo violation monitoring systems may be installed on school buses owned and operated by the School District, or on school buses privately owned and operated for compensation under contract with the School District provided that no such stationary school bus photo violation monitoring system shall be installed and operated, or caused to be installed and operated by the City, except on roadways under the jurisdiction of the City and further provided no such mobile school bus photo violation monitoring system shall be installed or operated on school buses unless the City and the School District enter into an agreement for such installation and operation.

As part of the demonstration program, the City will create procedures for the proper handling and custody of photographs, micro photographs, video tapes and other recorded images and data produced by such mobile school bus photo violation monitoring systems in place on school buses and for the forwarding of such photographs, micro photographs, video tapes and other recorded images and data to the City. Any such agreement entered into between the City and the School District must be approved by majority vote of the Niagara Falls City Council and also by Resolution of the Board of the School District.

As part of the demonstration program, the City shall adopt and enforce measures to protect the privacy of drivers, passengers, pedestrians and cyclists whose identity and identifying information may be captured by a school bus photo violation monitoring device. Such measures shall include:

(a) Utilization of necessary technologies to ensure, to the extent practicable, that photographs produced by such school bus photo violation monitoring devices shall not include images that identify the driver, the passengers, the contents of the motor vehicle, pedestrians and cyclists; provided, however, that no Notice of Liability issued pursuant to this section shall be dismissed solely because a photograph or photographs allow for the identification of the contents of a motor vehicle, provided that such City has made a reasonable effort to comply with the provisions contained herein.

(b) A prohibition on the use or dissemination of motor vehicles’ license plate information and other information and images captured by such school bus photo violation monitoring systems, except: (1) as required to establish liability under this chapter or collect payment of penalties; (2) as required by court order; or (3) as otherwise required by law and oversight procedures to ensure compliance with the aforesaid privacy protection measures.

(c) The City shall install signage in conformance with standards established in the Manual and Specifications for a Uniformed System of Traffic Control Devices (“MUTCD”) maintained by the Commission of Transportation, at each roadway entrance of the City boundaries giving notice that school bus photo violation monitoring systems are used to enforce restrictions on motor vehicles violating Section 1174 of the New York State Vehicle and Traffic Law. For purposes of this chapter, the term “roadway” shall not include State Expressway Routes or State Interstate Routes but shall include controlled access highway exit ramps that enter the City boundaries of the City.

10/29/2019
747.06  VEHICLE OWNER LIABILITY

The owner of a motor vehicle shall be liable for a monetary penalty imposed pursuant to this chapter if such vehicle was used or operated with the permission of the owner, expressed or implied, in violation of Section 1174 of the New York State Vehicle and Traffic Law if such violation is evidenced by information obtained from a school bus photo violation monitoring system; provided, however, that no owner of a motor vehicle shall be liable for a monetary penalty imposed pursuant to this chapter where the operator of such motor vehicle has been convicted of the underlying violation of Section 1174 of the Vehicle and Traffic Law.

747.07  OWNER LIABILITY FOR MONETARY PENALTIES

(a) An owner of a motor vehicle liable for a violation of subsection (a) of Section 1174 of the New York State Vehicle and Traffic Law shall be liable for monetary penalties as provided herein. The liability of the owner pursuant to this chapter shall be $250.00 for a first violation; $275.00 for a second violation; provided the first and second were committed within a period of eighteen (18) months, and; $300.00 for a third, or subsequent violation, provided that all of which were committed within a period of eighteen (18) months. An additional penalty in the amount of $25.00 for each violation shall be due and payable resulting from the failure of the owner to respond to a Notice of Liability within the prescribed time period.

(b) An imposition of liability pursuant to this chapter shall not be deemed a conviction as an operator and shall not be made part of the operating record of the person upon whom such liability is imposed, nor shall it be used for insurance purposes in the provision of motor vehicle insurance coverage.

747.08  NOTICE OF LIABILITY

(a) A Notice of Liability shall be sent by first-class mail to each person alleged to be liable as an owner for a violation of subdivision (a) of Section 1174 of the New York State Vehicle and Traffic Law pursuant to this chapter. Personal delivery on the owner shall not be required; a manual or automatic record of mailing prepared in the ordinary course of business shall be prima facie evidence of the facts contained therein.

(b) The Notice of Liability shall contain the name and address of the person alleged to be liable as an owner for a violation of subdivision (a) of Section 1174 of the New York State Vehicle and Traffic Law pursuant to this chapter, the registration number of the vehicle involved in such violation, the location of where such violation took place, the date and time of such violation and the identification number of the camera which recorded the violation or other document locator number.

(c) The Notice of Liability shall include information advising the person charged of the manner and the time in which he or she may contest the liability alleged in the Notice of Liability. Such Notice of Liability shall also contain a warning to advise the persons charged that failure to contest in the manner and time provided shall be deemed an admission of liability and that a default judgment may be entered thereon.

(d) The Notice of Liability shall be prepared and mailed by the City or by such other entity authorized by the City to prepare and mail such Notice of Liability and recover any such monetary penalty.

(e) Adjudication of the liability imposed upon owners by this chapter shall be made by the City Court of the City of Niagara Falls, NY.

747.09  PRESUMPTION OF OWNER LIABILITY; DEFENSES TO A NOTICE OF LIABILITY

(a) For purposes of this chapter, there shall be a presumption that the operator of such motor vehicle was operating such vehicle with the consent of the owner at the time such operator failed to comply with Section 1174 of The New York State Vehicle and Traffic Law.
(b) If an owner receives a Notice of Liability pursuant to this chapter for any time period during which the motor vehicle was reported to the police as having been stolen, it shall be a valid defense to the allegation of liability for a violation of subdivision (a) of Section 1174 of the New York State Vehicle and Traffic Law pursuant to this chapter that the motor vehicle had been reported to the police as stolen prior to the time the violation had occurred and had not been recovered by such time.

For purposes of asserting a defense provided by this section, it shall be sufficient that a certified copy of the police report on the stolen motor vehicle be sent by First Class Mail to the City Court of the City of Niagara Falls, NY.

(c) An owner who is a lessor of a vehicle to which Notice of Liability was issued shall not be liable for the violation of subdivision (a) of Section 1174 of the New York State Vehicle and Traffic Law provided he or she sends to the City Court of the City of Niagara Falls, NY a copy of the rental, lease or other such contract document covering such motor vehicle on the date of the violation with the name and address of the lessee clearly legible, within thirty-seven (37) days after receiving notice from the court of the date and time of such violation, together with such other and further information contained in the original Notice of Liability. Failure to send such information within such thirty-seven (37) day time period shall render the owner liable for the monetary penalty prescribed by this chapter. Where the lessor complies with the provisions of this paragraph, the lessee of such motor vehicle on the date of such violation shall be deemed to be the owner of such vehicle for purposes of this chapter, shall be subject to liability for the violation of subdivision (a) of Section 1174 of the Vehicle and Traffic Law pursuant to this section and shall be sent a Notice of Liability pursuant to this chapter.

(d) No owner of a motor vehicle shall be subject to a monetary penalty imposed pursuant to this Chapter if such owner can demonstrate by clear and convincing evidence that such school bus stop arms were malfunctioning at the time of the alleged violation.

(e) No owner of a motor vehicle shall be subject to a monetary penalty imposed pursuant to this chapter if the operator of such motor vehicle was operating such motor vehicle without the consent of the owner at the time such operator failed to comply with Section 1174 of the New York State Vehicle and Traffic Law and the owner of the motor vehicle is able to demonstrate to the court by clear and convincing evidence that the motor vehicle was operated at the time of the violation without the consent of the owner.

747.10 REPORTING REQUIREMENTS

The demonstration program established by the City requires that it submit an annual report on the results of the use of a school bus photo violation monitoring system to the Governor, the President of the Senate and the Speaker of the Assembly on or before June 1, 2019 and on the same date in each succeeding year in which the demonstration program is operable. Such report shall include, but not be limited to, the following:

(a) The number of buses and a description of the routes where stationary and mobile school bus photo violation monitoring systems were used.

(b) The aggregate number, type and severity of accidents reported at locations where a school bus photo violation monitoring system is used for the year preceding the installation of such system, to the extent the information is maintained by the New York State Department of Motor Vehicles

(c) The number of violations recorded at each location where a school bus photo violation monitoring system is used and in the aggregate on a daily, weekly and monthly basis.
(d) The number of convictions for violations of subdivision (a) of Section 1174 of the New York State Vehicle and Traffic Law recorded at each location where a school bus photo violation monitoring system is used on an annual basis, to the extent the information is maintained by the Department of Motor Vehicles of this state.

(e) The total number of Notices of Liability issued for violations recorded by such systems.

(f) The number of monetary penalties and total amount of monetary penalties paid after the first Notice of Liability issued for violations recorded by such systems.

(g) The number of violations adjudicated and results of such adjudications including breakdowns of dispositions made for violations recorded by such systems which shall be provided at least annually to such City by the courts conducting such adjudications.

(h) The total amount of revenue realized by the City.

(i) The expenses incurred by the City in connection with the program.

(j) The quality of the adjudication process and its results including the total number of hearings scheduled, re-scheduled, and held; the total number of persons scheduled for such hearings; the total number of cases where monetary penalties were paid on or before the hearing date; and the total number of default judgments entered. Such information shall be provided at least annually to the City by the court conducting such adjudications.

(k) A description of public education activities conducted to warn motorists of the dangers of overtaking and passing stopped school buses.

747.11 EXPIRATION

This demonstration program shall expire on December 1, 2024 unless extended further by act of the New York State Legislature.

RESOLUTION: DEPAUL & COMMUNITY MISSIONS, OPPOSING CONSTRUCTION, 2019-82
BY: COUNCIL MEMBERS KENNEDY, SCOTT, TOMPKINS

Agenda Item #16

WHEREAS, there is a great need to devise economic development initiatives in the City of Niagara Falls that will improve the quality of life, raise the standard of living and empower the residents who reside in the predominately African American community located in the north end of the city in the Highland Avenue area; and

WHEREAS, leading statistical indicators show that the African American community has had a devastated economy, with the community’s unemployment rate high and poverty rate rampant; and

WHEREAS, according to the 2013-2017 U.S. Census Bureau’s American Community Survey, 1,665 of 2,665 of the Highland Avenue’s Tract 202 residents or 63% live below the U.S. poverty level and 43.6% of African American residents in the City of Niagara Falls live below the U.S. poverty level; and

WHEREAS, the poverty level of African American residents in the City of Niagara Falls and the predominately African American community located in the Highland Avenue area are exponentially higher than the national average of 25.2%; and

WHEREAS, there are numerous Brownfield sites located in the 560 acre region of the African American community on Highland Avenue which also contributes to a weakened employment and a weakened tax base as well as environmental problems that exist; and

10/29/2019
WHEREAS, the City of Niagara Falls continues to lose population with a decrease in its more affluent areas, of 243 residents in DeVeaux and a decrease of population of 159 residents from LaSalle; and

WHEREAS, the Highland Avenue area gained 463 residents during the same time frame according to the 2016 U.S. Census Bureau’s American Community Survey; and

WHEREAS, a community meeting was held on Thursday, March 21, 2019, 7:00 p.m. at the St. John AME Church, 917 Garden Avenue, which was the first time that the residents from the Highland Avenue community were notified about the DePaul, Community Missions project; and

WHEREAS, at this meeting, which was well attended by homeowners and residents from the Highland Avenue community, it was discovered that there were other meetings held without the knowledge of the Highland Avenue community; and

WHEREAS, after the presentation was made by DePaul and Community Missions, residents from the Highland Avenue community emphatically rejected the supportive housing proposal and the DePaul group was told to look at other sites in the city; and

WHEREAS, the Highland Avenue area has an over-saturation of rental properties - Hope VI, Jordan Gardens, Cornerstone Village as well as the Estella Apartments and Wrobel Towers which are less than one mile away from the Highland Avenue community; and

WHEREAS, the costs to rent at the proposed facility are extremely high at $625 a month for a one bedroom apartment and $725 for a two bedroom apartment to be located in the poorest area of the city which will enhance the transient nature of this project; and

WHEREAS, original use for the property which is that the housing is proposed for was for the revitalization of the old Unity Park, now Cornerstone Village called for low income, single family housing, which was to promote homeownership in the Highland Avenue community; and

WHEREAS, the only individuals who benefit from projects of this nature are the property developers, contractors, management team and organizations who exist due to the economic hardships of the poor; and

WHEREAS, the above referenced groups come into impoverished neighborhoods to work and leave that community taking their tax dollars with them at the expense of the impoverished community; and

WHEREAS, the supportive housing project will add even more poverty and transient people in the Highland Avenue community; and

WHEREAS, the supportive housing plan proposed will lower the property values of the current homeowners who have resided in the community for decades, destabilizing the properties immediately surrounding the facility, bringing even a greater criminal element to the faithful church goers of St. John AME Church, which will be located right across the street from the facility; and

WHEREAS, the supportive housing will quickly become dilapidated housing with tenants who will bring more criminal activity, drug activity in the Highland Avenue community as well as a whole host of social ills that will further threaten any hopes of the vision for revitalizations that the residents of the north end community have; and

WHEREAS, there are more suitable areas in the city where the DePaul, Community Missions project can be located instead of the heart of the African American Community, where the residents are working so hard to transform; and

WHEREAS, residents of the African American community have rejected this proposal outright at the March 21, 2019 meeting to only have the DePaul and Community Missions organizations to ignore the wishes and concerns of the residents of the area in an effort to ram this project through in an attempt to ignore the voices of an entire community; and

WHEREAS, the Highland Avenue community proposed an agenda to this current administration before the Mayor was elected in 2007, and
WHEREAS, this vision has not changed and is as follows: “In order for our city to move forward, economic development initiatives must be devised to empower all people to achieve improvements in the poverty rates, unemployment rates, literacy rates, life expectancy rates, Infant mortality rates, job creation and retention, small business development, neighborhood development, recreational development, infrastructure services such as parks, crime prevention, education, affordable housing, entertainment, the arts and cultural centers, highways, streets, sewer and water services as well as developing our community as a center for commerce, cultural, industrial and heritage tourism; and

WE THEREFORE URGE YOU, as the City’s chief Executive Officer to provide leadership, economic development initiatives, such as New York State Certified apprenticeship programs and professionals that will promote economic self-sufficiency, economic self-reliance through employment, small business development, turning Brownfields into Greenfields, shovel ready sites for developers to develop, and home ownership in and for the African American community, as your administration must empower and provide equal opportunity in the area of economic development, which is inclusive of and sensitive to the needs of the African American community; in order to change lives and improve the living conditions in our community; thereby empowering all people to achieve the dream of economic sustainability and stability in the City of Niagara Falls; and

WHEREAS, the DePaul, Community Missions proposal fails to meet the vision of the residents of the Highland Avenue Community.

COMMUNITY DEVELOPMENT: SECTION 8 LEASED HOUSING PROGRAM, PHA, ADMIN.
PLAN POLICY AMENDMENTS

Agenda Item #19

Title 24 of the Code of Federal Regulations, Part 982 “Section 8 Tenant-Based Assistance: Housing Choice Voucher Program,” Section 54 “Administrative Plan,” requires the City of Niagara Falls Public Housing Authority (PHA) to, “[Adopt a written administrative plan (on file in the City Clerk’s Office) that establishes local policies for administration of the program in accordance with HUD [U.S. Department of Housing and Urban Development] requirements. The administrative plan and any revisions of the plan must be formally adopted by the PHA Board of Commissioners or other authorized PHA officials.”

The City of Niagara Falls PHA, administered by the Department of Community Development Section 8 Leased Housing Program, adopted a written administrative plan on November 16, 2016. The administrative plan states that, “The PHA will review the plan at least once a year, and update if needed, to reflect changes in regulations, PHA operations, or when needed to ensure staff consistency in operation” (1-III.D. “Updating and Revising the Plan,” p. 1-15).

After annual review of the written administrative plan, the Section 8 Leased Housing Program proposes amendments to the following policies found in the City of Niagara Falls PHA Administrative Plan: Chapter 4: Applications, Waiting List and Tenant Selection

10/29/2019
- Policy on Applying for Assistance (4-I.B. “Applying for Assistance,” p. 4-3)
- Policy on Special Admissions (4-III.B. “Selection and HCV Funding Sources,” p. 4-13)
- Policy on Local Preferences (4-III.C. “Selection Method,” p. 4-14)
- Policy on Order of Selection (4-III.C. “Selection Method,” p. 4-15)

Chapter 7: Verification
- Policy on Written Third-Party Verification Form (7-I.D. “Third-Party Written and Oral Verification,” p. 7-7)

Chapter 8: Housing Quality Standards and Rent Reasonableness Determinations
- Policy on Inspection Costs (8-II.A. “The Inspection Process Overview,” p. 8-10)

Chapter 9: General Leasing Policies
- Policy on Rent Increases (9-I.H. “Changes in Lease or Rent,” p. 9-14)

Chapter 10: Moving with Continued Assistance and Portability
- Policy on Participant Families (10-II.B. “Initial PHA Role,” p. 10-9)

Chapter 16: Program Administration
- Policy on Informal Hearing Officer (16-III.C. “Informal Hearings for Participants,” p. 16-18)

Will the Council vote to approve and adopt the proposed amendments in this item and authorize the Mayor to execute any documents necessary to effectuate the same?

CONTRACT: CAYUGA YOUTH ATHLETIC ASSOCIATION, LEASE OF VACANT REAL ESTATE

Agenda Item #3

During the City Council meeting on October 17, 2018, the City Council approved a request from the Niagara Falls Community Development Director to enter into a lease with CYAA so that it could construct new baseball diamonds and other improvements to enhance its little league program while also allowing the City to recover this real estate if a “higher and better use” presented itself. Attached (on file in the City Clerk’s Office) is a copy of that City Council approval.

Following much discussion with CYAA and taking into consideration the fact that CYAA plans to invest considerable sums of money to improve this real estate, City personnel involved in these discussions have agreed in principle with the CYAA that in order to allow CYAA time to recoup its investment, the City would not exercise its right to recover this real estate during the first fifteen (15) years of the term of the Agreement. The total term of the Agreement is for thirty (30) years with four (4) five (5) year extension periods. Attached hereto is a copy of a draft Lease Agreement without Exhibits.

CITY COUNCIL OFFICE: TEMPORARY ASSISTANCE, FUNDING

Agenda Item #5

The Executive Assistant to the Niagara Falls City Council resigned effective August 9, 2019 and was not in the office for several days preceding that day. That position has not been filled and remains vacant. In an effort to keep the business of the City Council continuing, the City Clerk assumed many of the duties of the Executive Assistant including the handling of phone calls to the City Council Office, handling various requests from City Council members, the preparation of various City Council items, including tasks related to the budget administration process.

A similar situation was presented in November of 2017 following the resignation of the then Executive Assistant to the City Council and the City Clerk was provided additional compensation at that time for assuming additional duties. It is therefore requested that the City Clerk be compensated for assuming these additional responsibilities at the rate of $500.00 per month retroactive to August 2019. The total amount of this additional compensation is $2,500.00 plus FICA, and is available from the City Council bi-weekly pay line.

CODE ENFORCEMENT DEPARTMENT: CODE ENFORCEMENT OFFICER, APPOINTMENT

Agenda Item #7

An opportunity has presented itself for an employee in the Department of Community Development to transition to the Department of Code Enforcement as a Code Enforcement Officer certified by New York State on a provisional basis pending an examination. This employee is now paid with a Zombie 2.0 grant which is a two (2) year grant that commenced in 2019 and runs through June 30, 2021. In order to assist the Department of Code Enforcement with its work load, it is desirable for this individual to undertake duties in the Department of Code Enforcement effective November 18, 2019 with funding from this grant. It is estimated that the amount to be funded from this grant for this new position is $5,718.00 in salary plus an additional $438.00 in FICA for a total of $6,156.00 and will cover the period of time from November 18, 2019 through December 31, 2019. The grant will also reimburse the City for the cost of all other employee benefits such as health insurance and retirement system contributions.

Will the Council allow for the creation of this new Code Enforcement Officer position in the Department of Code Enforcement and allow this individual to transition into service in that department on November 18, 2019?

LOCAL LAW: REMOVE FROM THE TABLE

Item #18
NO ACTION TAKEN ON THIS ITEM

LOCAL LAW

LOCAL LAW AUTHORIZING A MORATORIUM ON APPLICATIONS FOR MULTI-TENANT/SUPPORTATIVE HOUSING PROJECTS AND DWELLINGS WITHIN THE NORTH END, HIGHLAND AVENUE AREA OF THE CITY OF NIAGARA FALLS, 2019-85
BY: COUNCIL MEMBERS KENNEDY, SCOTT, TOMPKINS, CHAIRMAN TOUMA

Agenda Item #19
BE IT ENACTED by the City Council of the City of Niagara Falls as follows:
1. PURPOSE
   a) It is the purpose of this Local Law to protect the public interest for the City of Niagara Falls to designate certain areas within the confines of the City as zones for commercial, heritage, residential purposes.
   b) It is the further purpose of this local law to allow time for the City of Niagara Falls City Council, Zoning Board, Planning Board, Community Development, Economic Development and Planning Departments to examine the zoning designations and/or Specific uses of areas within the City of Niagara Falls, and as it relates to this proposed Local Law, what the effects of multi-tenant/supportive housing units on the commercial, economic, business, tourism, heritage growth of the Highland Avenue area, Census Tract 202 and the recently created Suspension Bridge District Community and its effect on the Comprehensive Development/Revitalization Plan for the City’s Downtown area.
2. LEGISLATIVE FINDINGS:

11/13/2019
Professionals are currently engaged by the City of Niagara Falls to assist with the development of the Suspension Bridge District Downtown Revitalization initiative. The administration has stated to Empire State Development Corporation in a letter dated May 28, 2019: “I am firmly convinced that implementation of the Suspension Bridge District Downtown Revitalization Initiative will ensure leveraging recent public investment, which includes the removal of the Robert Moses Parkway, construction of the International Amtrak Railway Station, and ecological restoration of the Niagara Gorge sets the stage for the private sector to fuel the community’s vision of a ‘vibrant downtown’ in the Suspension Bridge District.”

The administration continued, “The Suspension Bridge District is aptly named to combine the legacy of the Suspension Bridge and the current Whirlpool Rapids Bridge crossing. The District is in a critical location for connecting neighborhoods to each other and to international communities.

- The DeVeaux and Highland residential neighborhoods – two very different areas that currently lack a neighborhood shopping and dining district
- Niagara Falls State Park and Niagara River Gorge
- Multiple Niagara Greenway tourism amenities and adjacent visitor economy
- Niagara Falls, Ontario, Canada

“In addition, the District features one of the most important transportation hubs in Western New York with the ability to move people in and out of the region, while providing a distribution point for local multi-modal transportation.”

“The projects and strategies we have developed as part of our Downtown Revitalization Initiative are forward thinking and impactful. They are just the beginning of the complete transformation of the Suspension Bridge District and surrounding areas.”

“In summary, the City of Niagara Falls takes an aggressive, yet thoughtful approach to economic and community development.”

“Thoughtful approach to economic and community development”, is the key and the basis of the City Council’s rationale to enact this moratorium.

According to a press release from Governor Cuomo’s office, “Niagara Falls has a local planning committee made up of municipal representatives, community leaders and other stakeholders who will lead the effort, supported by private sector experts and state planners. The Strategic Investment Plan to revitalize downtown with up to $300,000 in planning funds from the $10 million Downtown Revitalization Initiative grant will examine local assets and opportunities and identify economic development, transportation, housing and community projects that align with the community’s vision for downtown revitalization.”

The Highland Avenue community is the gateway to the Suspension Bridge District Downtown Revitalization Project is less than one mile away from the Whirlpool Rapids Bridge. The Highland Avenue community connects two districts into one cohesive economic development agenda, (the Suspension Bridge District and DeVeaux) which is to revitalize the entire North End Suspension Bridge District region, downtown and the Robert Moses/state parks region as one economic development footprint.
Collaborative initiatives for the three areas which bring economic growth, small business job creation and focuses on cultural/heritage tourism industry will uplift the quality of life for the entire area. This is the only way for effective revitalization of the city’s downtown area to take place. The Highland Avenue community is the corridor and the key to the Whirlpool Rapids Suspension Bridge District Downtown Revitalization. The Highland Avenue community is the glue that holds the entire Suspension Bridge District Downtown Revitalization Initiative together. There has to be a continuum of economic development, community development and revitalization synergy which is compatible among the three areas of the city for the downtown development initiative to work.

Supportive housing is not the answer. It will bring a host of social and criminal ills to the area that weaken the tax base and hinder the progressive plans envisioned for the downtown, waterfront, state parks and Underground Railroad initiatives envisioned by the community and the Administration for a vibrant heritage and cultural tourism mecca in the City.

There is significant opposition to the supportive housing plan which was demonstrated at two public meetings. One meeting was held on March 21, 2019 at St. John AME Church and the other meeting was held at City Hall at the Planning Board Meeting on October 23, 2019. Such opposition led to the tabling of the DePaul/Community Missions Supportive Housing proposal to review and re-evaluate the completeness of the application submitted at the Planning Board Meeting.

The Administration, City Council, Zoning Board, Planning Board, Departments of Economic Development, Community Development, Planning and Environmental Services Departments, as well as the Downtown Revitalization Initiative Grant Planning Committee must take into consideration the negative impact that this housing project will not only have in the but the North End but the adverse and negative impact that will spill over to the Suspension Bridge District Downtown Revitalization Project.

The boards, commissions, departments, planning committees must now take into account the current zoning regulations, environmental impact, economic development impact, community revitalization impact, etc., that supportive housing project will have to the overall vision of heritage tourism, waterfront development, business development, commerce, and international impact to the revitalization of the Suspension Bridge District, Highland Avenue and DeVeaux areas of the City.

The Suspension Bridge District Initiative is designed to develop attractions which will attract a more affluent visitor to our City which will sustain the creation of an entertainment, dining, cultural arts, and cultural heritage tourist corridor, which connects Highland, DeVeaux and the downtown Suspension Bridge District communities for a positive economic spill over which will uplift the quality of life and provide the economic and community development renaissance of the downtown and North End of our City which is so desperately needed.

3. **AFFECTED AREA**

This Local Law is applicable to the Highland Avenue, North End of the City of Niagara Falls, Census Tract 202, and how the applicable zoning, environmental, planning laws as well as any other law or ordinance adversely impacts that area, and the adverse spill over affects to the Suspension Bridge District Downtown Development Initiative.
4. MORATORIUM

1. Effective immediately and continuing for a period of six (6) months, following the date on which this Local Law is filed with the Secretary of State, no member of the Administration, City Council, Community Development Department, Economic Development Department, Planning Department, Environmental Services Department, Zoning Board, Planning Board, Suspension Bridge District Planning Committee of the City of Niagara Falls and all other City agencies and personnel shall accept for review, continue review, hold a hearing, vote, revisit a tabling motion, or make any decision upon any application for supportive housing whether that application was submitted prior to or after the effective date of this law. The state statutory and locally-enacted time periods for processing and making decisions and all aspects of approval (including but not limited to pre-preliminary, preliminary, and final subdivision plats) for supportive housing are suspended and stayed while this local law is approved by the City Council, and is in effect.

2. No board, commission, agency, department, officer, employee, consultant, or agent of the City of Niagara Falls shall accept for review, continue review, hold a hearing on, continue a hearing, remove from the table, or make any decision upon any application for site plan approval, or special permit approval involving the building, demolition, creation, or replacement of a dwelling unit for supportive housing, whether said application was submitted prior to or after the effective date of this local law. The state statutory and locally-enacted time periods for processing and making decisions on all aspects of applications for site plan approval and special permits as indicated are suspended and stayed while this local law is in effect.

5. DURATION

The provision of this local law shall be in effect for a period of six (6) months from the effective date. Please note, this term may be extended for a cumulative period of up to an additional six (6) months, if necessary, by resolution of the City Council.

6. EFFECT ON OTHER LAWS

To the extent that any law, ordinance, rule, or regulation, or parts thereof, are in conflict with the provisions of this Local Law, this Local Law shall control and supersede such law, ordinance, rule, or regulation.

7. SEVERABILITY

Should any provision of this Local Law be declared by the Courts to be unconstitutional or invalid, such a decision shall not affect validity of this Local Law as a whole or any part thereof other than the parts so decided to be unconstitutional or invalid.

8. EFFECTIVE DATE

This Local Law shall take effect immediately upon its filing with the Secretary of State in accordance with the Municipal Home Rule Law.

APPROVAL OF CHANGE ORDER #1 IN THE CONTRACT TO SCRUFARI CONSTRUCTION CO. LLC FOR FUNDING OF CONSTRUCTION OF FIRE TRAINING TOWER

Agenda Item #7

A contract for the above referenced project was awarded to Scrufari Construction Co. LLC on May 29, 2019, in the amount of $338,250.00.

During construction, the local electric provider, National Grid, informed the City that the originally selected utility pole for providing electric service to the new structure was insufficient. The pole then designated by National Grid was further away from the project site, thus the Contractor incurred extra expense in trenching, wiring and conduit to connect the new power. In addition, some piping, panelboard and conduit alterations were required on the interior of the tower to ensure code compliance. These changes will result in an additional $20,518.00, bringing the total contract amount to $358,768.00. Funding is available from tribal revenue.

Will the Council vote to approve and authorize the Mayor to execute a change order in a form acceptable to the Corporation Counsel?

APPROVAL OF FUNDING IN THE EXTENSION OF THE CONTRACT FOR GRANT WRITING SERVICES

Agenda item #11

Commencing in calendar year 2015, the City entered into a non-exclusive Consulting Agreement (the “Agreement”) with an individual to provide grant writing and grant administration services to the City. This Agreement has been extended for years 2016, 2017, 2018 and 2019 and has proven very beneficial to the City. It is recommended that for calendar year 2020 the City extend the Agreement with that same individual to provide those same services. Attached (on file in the City Clerk’s Office) is a copy of a communication from the consultant describing various accomplishments and requesting an extension. The fee for those services during 2020 is not to exceed $40,000.00. Funding is available from the 2020 Planning Environmental and Economic Development Departmental 2020 adopted budget.

Agenda Item #14

Please recall that earlier this year an issue was presented as a result of the transfer of the above referenced Premises by Matthew B. Melcher and Ryan P. Cali to Karen Mock and Noah Munoz because the transfer was not authorized by the City Council. This was an issue because the City’s conveyance of the property to Matthew B. Melcher and Ryan P. Cali was specifically approved by the City Council with certain conditions as a result of the transfer which was accomplished pursuant to a Department of Community Development “Home Ownership” auction process.

As requested, this office sent a demand letter to all parties requesting that the Premises be conveyed back to the City because the conditions contained in the deed had not been met and the City Council did not approve the transfer to Karen Mock and Noah Munoz. Rather than deed the property back to the City pursuant to the demand, an attorney was retained by Karen Mock and Noah Munoz and a dialogue has gone back and forth between this office and the attorney for Karen Mock and Noah Munoz that articulated the various defenses Karen Mock and Noah Munoz would set forth in the event the City proceeded to commence an action against the parties to recover the Premises.

The attorney for Karen Mock and Noah Munoz has advised that in an effort to settle this matter, Noah Munoz will agree to abide by the original conditions imposed on the purchasers of the property at the Department of Community Development auction. That is to say that:

1. Noah Munoz only will take title to the Premises immediately and within sixty (60) days of the recording of that deed, he will submit a detailed repair/rehabilitation plan to the City Department of Community Development.
2. Noah Munoz must repair/rehabilitate the property up to code within one (1) year of the date of the recording of the deed and must reside in the Premises for not less than five (5) years from the date of completion of rehabilitation of the property up to code.
3. In the event that Noah Munoz fails to abide by the above mentioned conditions, the Premises will revert to the City.
4. This will be memorialized in the form of a written settlement agreement.

Since these are the conditions that were originally imposed on the original purchasers of the Premises, Matthew B. Melcher and Ryan P. Cali, rather than engage in litigation which may or may not be successful, it is recommended that the City Council approve the detail contained herein. The desired result will be the repair/rehabilitation of the Premises and be owner occupied.

Will the Council so approve?

Council Member Tompkins moved that the communication be received and filed and the recommendation approved.

AGENDA ITEM #16

WHEREAS, the City of Niagara Falls has been awarded a determination of consistency from the Niagara River Greenway Commission for fabrication of Frederick Douglass commemorative statuary and accompanying interpretative plaza with an estimated cost of up to $280,000; and

WHEREAS, the above project achieves the goal of promoting the city’s rich heritage, as called for in the Niagara Falls 2009 Comprehensive Plan, Underground Railroad Heritage Management Plan, the Niagara River Greenway Plan, and to promote the heritage of the former Suspension Bridge Village; and

WHEREAS, although Frederick Douglas was born into slavery in 1818, he would escape that bondage in 1838 educating himself to become a successful author and publisher of his own newspaper, the North Star; and

WHEREAS, Frederick Douglass also became a powerful international orator, speaking promoting the women’s suffrage and against slavery, which he did at the First Congregational Church on Erie (Cleveland) Avenue, in 1856, near the Railroad Suspension Bridge, a major crossing point of the Underground Railroad for individuals seeking their basic human rights in Canada; and

WHEREAS, it is the intention to commemorate Frederick Douglass’ connections to Niagara Falls and celebrate those connections by placing this permanent honor within the Niagara Falls National Heritage Area, at an appropriate site to be determined in consultation with the commissioned artist; and

WHEREAS, in so doing pays tribute to Douglass as American social reformer, abolitionist, orator, writer, and statesman here, in the City of Niagara Falls, New York; and

WHEREAS, funding is available from Power Authority Greenway Fund for all related project expenses in an amount up totaling $280,000; and

WHEREAS, this project requires no commitment of City General Funds to implement;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Niagara Falls, New York that it hereby approves the allocation of $280,000 of Greenway Funds for this project, and authorizes the Mayor to execute any documents necessary to effectuate the same.

DISSEMINATION AGREEMENT, CITY/NYS DIVISION OF CRIMINAL JUSTICE SERVICES, UPDATE

Agenda Item #18
The New York State Division of Criminal Justice Services has updated its Use and Dissemination Agreement between the DCJS and the City together with an updated Appendix A. This agreement authorizes the NFPD access to criminal history and wanted and/or missing persons information in the DCJS data base as well as Federal Criminal Justice Information Services. Attached hereto (on file in the City Clerk’s Office) is a copy of this agreement together with the updated Appendix.
Will the Council so approve and authorize the Mayor to execute the updated Use and Dissemination Agreement?
Council Member Tompkins moved that the communication be received and filed and the recommendation approved.
