PUBLIC WORKS DEPARTMENT

NIAGARA FALLS, NY – November 10, 2015

The City's alternate overnight parking ordinance requires that vehicles be off the street by 3:00 AM through 6:00 AM but **effective December 1**, vehicles will need to be **moved by 11:00 PM through 7:00 AM**. This will give the Department of Public Works the opportunity to more effectively clear the roadways of snow and ice. This change will **remain in effect through March 31**.

Public meetings will be scheduled for more information: dates to be announced.

If you have any further questions you may call Public Works at 286-4847
