

Winter Parking Schedule

Please note the following changes to overnight parking in the City of Niagara Falls, NY:

In places where parking is currently not permitted from 3 am – 6 am, effective December 1st through March 31st parking will not be permitted from 11 pm – 7 am.

This means that instead of having to move your car by 3 am, it must be moved by 11 pm.

These changes have been made in an effort to help the City of Niagara Falls Department of Public Works more efficiently clear the roadways of ice and snow.

For more information, call 716-286-4840.

We Thank You for Your Cooperation!
