**BID #34-10  
ADDENDUM I**

Recently you received the above referenced bid for the purchase of trees and planting. Please note the following:

**Item #10 should read as follows:**

- 10. The contractor shall be responsible for removing and disposing of all excavated soil from the site. The planting hole shall be backfilled with four parts tested soil (one equal part each of sand, silt, loam and compost). Wood chips shall not be added to the backfill mixture.**

**Also, a tentative list of locations where the trees will be planted is available from this office. This list is subject to change. Anyone interested in obtaining a copy of the list should contact the Purchasing Division at (716) 286-4370.**

All other terms, conditions and specifications remain the same.

Please sign where indicated below and attach this addendum to the bid you submit.
