

**The Niagara
Falls Department
of Community**

Development is currently seeking qualified general contractors that are interested in bidding on residential rehabilitation projects funded through the City's Community Development Program.

Minority general contractors are strongly urged to apply. Approximately 75 – 100 residential rehabilitation contracts with a total value of over \$2 million dollars are awarded annually through the Department of Community Development, Neighborhood Housing Services and Center City Neighborhood Development Corporation.

Bids for these projects are exclusively solicited and awarded to a pre-qualified list of contractors.

If you are interested in talking with someone about becoming a Community Development contractor please call:
