The City Council
Niagara Falls, New York

Re: *Planning Study to Identify Future Attractions Citywide*

Council Members:

The Community Development Department has solicited proposals for planning and recommendations for Entertainment related attractions throughout the City of Niagara Falls. The proposals for the project were Wendell Architects and Engineers (\$14,500.00), TRM Architects (\$15,000.00) and CJS Architects (\$15,000.00).

After evaluating the proposals, it is recommended that the contract be awarded to CJS Architects for one year and not to exceed \$15,000.00. Funds are available for this project in the Community Development 2020-2021 budget.

Will the Council vote to approve the receipt of the agreement for planning services as presented herein and to authorize the Mayor to execute any documents, approved by Corporation Counsel for form and content, necessary to effectuate the same?

Respectfully submitted,

Robert M. Restaino, Mayor

Funding Approval:

Daniel Morello, City Controller
