365.27 DRESS, BEHAVIOR AND GROOMING OF TAXICAB DRIVERS AND LIVERY DRIVERS  
AND USE OF RADIO FREQUENCY.

(a) Each driver shall make a presentable appearance while operating taxicabs and liveries in the City of Niagara Falls, and shall be clean, well-groomed, neatly dressed, and conduct himself or herself in a professional, courteous manner. Every driver shall be required to wear a shirt with a collar.

(b) Each driver shall be permitted to use only the radio frequency that is used by the company the driver is affiliated with. The monitoring of another cab or livery company's frequency is strictly prohibited and will lead to sanctions against the driver and/or company the driver is affiliated with.

365.28 SUSPENSION AND REVOCATION OF DRIVER'S LICENSE.

A taxicab driver's license or livery driver's license may be suspended for the following reasons:

• • •

No driver or operator whose license has been revoked shall be eligible to be licensed as a taxicab driver or livery driver in the City for a period of three (3) years, unless otherwise prohibited by Section 365.19 of this Chapter.

365.29 NOTICE TO DRIVER.

A taxicab driver's license or livery driver's license shall be deemed to be suspended or revoked as of the third day after the Superintendent of Police shall cause to be deposited in the United States Post Office within the City, a registered letter giving notice of such revocation or suspension, and directed to the person named and to the address given on the application pursuant to which such license was issued. In the event a person has both a taxicab driver's license and a livery driver's license, a suspension or revocation of one license has the effect of suspending or revoking the other license.

365.30 FAILURE TO COMPLY WITH CITY, STATE AND FEDERAL LAWS.

Every driver licensed under this chapter shall comply with all City, State and Federal laws. Failure to do so will justify the suspension or revocation of a license.

365.31 DESIGNATION OF TAXICAB.

The taxicabs of every owner operating a taxicab within a City shall be of a color scheme and bear the owner's trade name, monogram or insignia which are clearly and easily distinguishable from the color scheme, owner's trade name, monogram or insignia used on the taxicabs of any other owner's already operating under this chapter. No change whatever in the color scheme or distinguishing characteristics of any taxicab shall be made without written permission from the Superintendent of Police, and it shall be unlawful for any person soliciting patronage from any vehicle described in this chapter to represent by word, sign or insignia that the vehicle for which he is soliciting such patronage is a vehicle owned or operated by other than the actual owners.

Every taxicab operated within the City shall bear the following identification: the owner's trade name, monogram or insignia, together with a cab number and the owner's telephone number or numbers painted upon the metal portion of the outside of each side of the taxicab and the cab number and owner's telephone number or numbers painted upon the outside rear panel of the taxicab. All lettering mentioned in this paragraph shall be not less than two and one-quarter inches in height and not less than five-sixteenths inch stroke. In addition to the identification hereby required, taxicabs may bear the following signs or advertisements:

(a) A metal sign bearing the words "For Hire", and being no larger than six inches by nine inches;

(b) A sign attached to the top of the cab bearing the word "Vacant" and being no larger than two and one-half inches by nine inches, and

(c) Advertisements not exceeding twelve square feet in total area, subject to the rules and regulations of the Superintendent of Police.

If, after a permit has been issued for a taxicab hereunder, any portion of this section is violated in such a manner as to be misleading or deceiving to the public, the Superintendent of Police in his discretion, may suspend or revoke the permit of the owner covering such taxicab or taxicabs.

(d) This section shall not apply to liveries operating in the City.

#### 365.32 TAXIMETER REQUIRED.

All taxicabs operated under the authority of this chapter shall be equipped with taximeters fastened in front of the passengers, visible to them at all times day and night; and, after sundown, the face of the taximeter shall be illuminated. Such taximeter shall be operated mechanically by a mechanism of standard design and construction, driven either from the transmission or from one of the front wheels by a flexible and permanently attached driving mechanism. No taximeter shall be operated from any wheel to which power is applied. They shall be sealed at all points and connections which, if manipulated, would affect their correct reading and recording. Each taximeter shall have thereon a flag to denote when the vehicle is employed and when it is not employed, and it shall be the duty of the driver to throw the flag of such taximeter into a non-recording position at the termination of each trip. The taximeters shall be subject to inspection from time to time by the Police Department. Any inspector or other officer of the Police Department is hereby authorized either on complaint of any person or without such complaint, to inspect any meter and, upon discovery of any inaccuracy therein, to notify the person operating such taxicab to cease operation. Thereupon, such taxicab shall be kept off the streets, until the taximeter is repaired and in the required working condition.

This section shall not apply to liveries operating in the City. Notwithstanding the foregoing, the owner of a livery operating under the authority of this chapter may, at the option of the owner, equip the livery so owned with a taximeter. In the event the owner equips the said livery with a taximeter, all applicable provisions of this chapter pertaining to taximeters shall apply. In addition, the owner, prior to installation of the taximeter in the livery vehicle, agrees to immediately give written notice to the Superintendent of Police of the installation of the taximeter.

• • •

#### 365.35 OPEN STANDS ESTABLISHED; USE AND PARKING.

The Traffic Engineer is hereby authorized and empowered to establish open taxi stands for the exclusive use of taxicabs in such places upon the streets of the City as he deems necessary. In creating an open stand, the Traffic Engineer shall take into consideration the need for such stands by the taxicab owners and the convenience to the general public. He shall prescribe the number of taxicabs that shall occupy such open stands. The Traffic Engineer shall not create an open stand in front of any place of business where the abutting property owners object to the same or where such open stand would tend to create a traffic hazard. Such open stands shall be designated by appropriate signs or curb markings as the Traffic Engineer shall determine.

Open stands shall be used by the different drivers on a first come, first serve basis. The driver shall pull into the open stand from the rear and shall advance forward as the vehicles ahead pull off. A driver shall be in attendance at every taxicab parked in an open taxi stand. Nothing in this chapter shall be construed as preventing a passenger from boarding the vehicle of his choice that is parked at an open stand.

No owner or driver of a taxicab shall stand or park such vehicle at any place on a public street other than an open stand, except for the purpose of discharging or receiving passengers.

No person shall park or stand any vehicle other than a taxicab in an open taxi stand.

Liveries may not utilize open taxi stands for parking or for any other purpose.

365.36 SOLICITATION, ACCEPTANCE AND DISCHARGE OF PASSENGERS.

No driver shall solicit passengers for a taxicab except when sitting in the driver's compartment of such taxicab or while standing immediately adjacent to the curb side thereof. No driver of a livery may solicit passengers for a livery. The driver of any taxicab shall remain in the driver's compartment or immediately adjacent to his vehicle at all times when such vehicle is upon the public street, except that, when necessary, a driver may be absent from his taxicab for not more than ten consecutive minutes, and provided further that nothing herein contained shall be held to prohibit any driver from alighting to the street or sidewalk for the purpose of assisting passengers into or out of such vehicle.

No driver shall solicit patronage in a loud or annoying tone of voice or by sign or in any manner annoy any person or obstruct the movement of any persons, or follow any person for the purpose of soliciting patronage.

Drivers of taxicabs and liveries shall not receive or discharge passengers in the roadway but shall pull up to the right hand sidewalk as nearly as possible, or in the absence of a sidewalk, to the extreme right hand side of the road, and there receive or discharge passengers, except upon one-way streets where passengers may be discharged at either the right or left hand sidewalk or side of the roadway, in the absence of a sidewalk.

No driver shall cruise in search of passengers, except in such areas and at such time as shall be designated by the Traffic Engineer. Such areas and times shall only be designated when the Traffic Engineer finds that taxicab cruising would not congest traffic or be dangerous to pedestrians and other vehicles.

No driver, owner or operator shall solicit passengers at the terminal of any other common carrier, not at any intermediate points along any established route of any other common carrier.

No driver shall permit any other person to occupy or ride in such taxicab unless the person or persons first employing the taxicab shall consent to the acceptance of an additional passenger or passengers. No charge shall be made for an additional passenger except when the additional passenger rides beyond the previous passenger's destination, and then only for the additional distance so traveled.

No driver shall permit more persons to be carried in a taxicab as passengers than the rated seating capacity of his taxicab, as stated in the permit for such vehicle. A child in arms shall not be counted as a passenger.

No driver shall refuse or neglect to convey any orderly person or persons, upon request, unless previously engaged or unable or forbidden by the provisions of this chapter to do so.

It shall be a violation of this chapter for any driver of a taxicab to solicit business for any hotel, or to attempt to divert patronage from one hotel to another. Neither shall such driver engage in selling intoxicating liquors or soliciting business for any immoral purpose, or use his vehicle for any purpose other than the transporting of passengers.

365.37 RECEIPTS.

The driver of any taxicab or livery shall, upon demand by the passenger, render to such passenger a receipt for the amount charged, either by a mechanically printed receipt or by a specially prepared receipt on which shall be the name of the owner, license number or motor number, amount of meter reading or charges, and date of transaction.

• • •

365.41 MANIFESTS.

Every driver of a taxicab and livery shall maintain a daily manifest upon which are recorded all trips made each day, showing the time and place of origin, the destination of each trip and amount of fare, and all such completed manifests shall be returned to the owner by the driver at the conclusion of his tour of duty. The forms for each manifest shall be furnished to the driver by the owner, and shall be of a character approved by the Superintendent of Police.

Every owner of a permit shall retain and preserve all drivers' manifests in a safe place for at least the calendar year next preceding the current calendar year, and such manifests shall be available to the Superintendent of Police.

365.42 SERVICE CONTRACT REPORTS.

It shall be mandatory for all owners to file with the Superintendent of Police, copies of all contracts, agreements, arrangements, memoranda or other writings relating to the furnishing of taxicab or livery service to any hotel, theater, hall, public resort, terminal or other place of public gathering, whether such arrangement is made with the owner or any corporation, firm or association with which the owner may be interested or connected. Failure to file such copies within seven days shall be sufficient cause for the revocation of a permit of any offending owner or the cancellation of any cab stand privileges.

•••

365.44 APPEAL.

If any person is aggrieved by any act or failure to act on the part of the Superintendent of Police either in issuing, failure to issue, suspending or revoking any owner's permit or driver's license, such aggrieved party may file with the City Clerk a statement addressed to the [City Administrator] Niagara Falls City Council, setting forth the full facts and circumstances in connection with the action or failure of action on the part of the Superintendent of Police. Such appeal must be filed within ten days after commission or omission of the act by which the appellant claims to have been aggrieved.

The [City Administrator] Niagara Falls City Council shall call [a meeting] for a public hearing not less than [ten] thirty days from the date on which such appeal shall have been filed with the City Clerk, shall hear the appellant and his witnesses and determine the merits of the appeal, and the [ruling of the City Administrator] decision by a majority vote of the Niagara Falls City Council thereon shall be final.
