

**CITY OF NIAGARA FALLS
NEW YORK**

April 20, 2018

TO: City Council

FROM: Mayor Paul A. Dyster

SUBJECT: Special Inspections & Testing – Griffon Park Comfort Station

As construction of this project progresses, certain structural components are subject to Special Inspections and Testing. These components include examination of subgrade, reinforcing steel, cast-in-place concrete, and wood framed roofing. These Special Inspections and Testing are required by New York State Building Code.

It is requested that SJB Services, and their subsidiary Empire Geo-Services be retained to provide onsite inspections and testing at a not-to-exceed amount of \$5,000.00. Funding is available in Greenway Funds previously committed to this project.

Will the Council vote to so approve and authorize the Mayor to execute a contract in a form acceptable to the Corporation Counsel?

Respectfully submitted,

Mayor Paul A. Dyster

Nicholas Melson, City Administrator

John Gerlach, P.E. City Engineer

Funding Approval:

Daniel Morello, City Controller
