The City Council  
Niagara Falls, New York

*RE: Lighting upgrades for the Carnegie Building*

Council Members:

The City is in receipt of a proposal from Lime Energy Service, a National Grid vendor pertaining to LED upgrades for various areas inside the Carnegie Building. These upgrades will result in annual savings estimated to be \$1,210.00. The cost of these upgrades is \$930.76. Funding is available in budget line A.1620.2330.0422.000 – Light & Power expense.

Will the Council so approve and authorize the Mayor to execute any agreements required provided the same are in form and content satisfactory to the Corporation Counsel?

Respectfully submitted,

PAUL A. DYSTER  
Mayor

Funding is in place

---

Daniel Morello  
City Controller
