Niagara Falls NY, 14301

Dear Mayor/City Council

Good afternoon,

Thank you again for your support of Niagara Falls Memorial Medical Center's efforts to connect a community with many needs to services and programs to address their needs. This free event attracts three to four hundred people. We address mind, body and soul (intersection of faith and health).

The Good News Gospel Festival/Health Fair is scheduled for July 21st, 2018, time of the event is 1:00 PM to 7:00 PM. This health and music festival has grown to be one of the events many residents look forward too. During the event, we do free health screenings, connect individuals to doctors and other social agencies from the area.

This all-day program which has incorporated a health walk in the morning will be held on the grounds of the Niagara Arts and Cultural Center. There will be food vendors a car show and plenty of things for the Niagara Falls community to enjoy. We are thankful for this opportunity and any other opportunity in which we can bring agencies into one place to provide free information and services of this nature.

We are asking the city to be a major sponsor of this event with a \$2,500.00 donation. We advertise this with the Garden Walk held on that day as well, a great opportunity for tourist to journey onto our local streets. Being the only Gospel event of the year, we have attracted people as far as Columbus Ohio.

Please send check to NFMMC Foundation, Gospel Festival/Health Fair, attention Charles Walker.

Thanks again
Sincerely

Charles A. Walker
