The Cataract City Youth Sports Association, Inc is a newly founded organization designed to improve the current and future quality of life through athletics, academics and health and wellness. By cultivating our youth at a young age, we will look to affect each child that enters our program in a mighty and positive way. We are a nonprofit 501c3 tax exempt organization. Cataract City Youth Sports Association, Inc is currently a youth football and cheerleading organization but we will look to branch out into other areas in order to best impact the community in the near future. We teach the values of academics, leadership, team work and fair play to all children in our programs. Our programs currently service children between the ages 5 -13 years old. Established in March of 2018, the Cataract City Youth Sports Association, Inc attempts to promote physical, mental, and moral development by providing programs that teach children the proper techniques to safely excel at football and cheer. Our mission is to prepare our boys and girls not only for the next level in athletics, but to become successful and productive members of the community as adults. The season is rapidly approaching and we find our organization servicing 175 student athletes not only during the upcoming fall season but year round as our cheer program runs throughout the entire year.

As a start up organization, we have to endure many first time costs or or one time costs for things like equipment, uniforms, administrative expenses along with other costs. We have been able to secure half of the amount of helmets and shoulder pads that we will need for the upcoming season. Niagara Catholic Jr/Sr High School has graciously allowed us to utilize their facility as we attempt to offer an elite program to our youth. Now, we need the help of the city. To be clear, we are an organization that does not just believe in asking from the community but giving back as well. Already since our inception in March of 2018, we have participated in the city wide clean up, as well as the Memorial Day parade. We also have events scheduled for our children to feed the homeless and a few other community engagement activities. We are asking that the city assist us with a donation of \$2500.00 to assist us in purchasing 50 helmets, needed to ensure our youth have an excellent and fulfilling season. Attached to this letter is the quote from our Riddell sales rep depicting the total of the purchase. This price does include team pricing at a discount. Please consider assisting us. Anything financial assistance you could offer would tremendously help our youth in the strive to succeed.

Please note that all checks should be made payable to: Cataract City Youth Sports Association, Inc.

If you should have any questions feel free to contact our president, Herman Wooten Sr at 716-903-6625. Thank you for your time and consideration,

Sincerely,
Herman W. Wooten Sr.

President, Cataract City Youth Sports Association, Inc
