The City Council  
Niagara Falls, New York

*RE: Utilization of L.N. Curtis & Sons for acquisition of materials/equipment for  
fire training tower*

Council Members:

Please recall that the City has received a grant from the Dormitory Authority in the amount of \$500,000.00 in order to construct a new fire training tower. At this point the Fire Chief is recommending that the City utilize the services of L.N. Curtis & Sons in order to purchase materials/equipment necessary to construct this fire training tower. The attached list of materials/equipment necessary totals \$197,398.81. L.N. Curtis & Sons has a United States Government Services Administration contract for this purpose.

Will the Council so approve and authorize the Mayor to execute any agreements necessary in order to move this construction project forward provided the same are in form and content acceptable to the Corporation Counsel?

Respectfully submitted,

PAUL A. DYSTER  
Mayor

Funding is in place

---

Daniel Morello  
City Controller
