RE: Request for funds to replace hoist ropes and shackles on the traction elevator

Council Members:

The Director of the Department of Public Works (“DPW”) advises that the elevator at City Hall is in need of repair in order to ensure the safety of those who ride the elevator. DPW solicited and received three quotes for the work that needs to be done which is to replace five (5) 5/8” hoist ropes and shackles on the traction elevator.

Otis United Technologies is a reputable company and has provided the lowest quote which is attached. The total cost of the repair is twelve thousand five hundred dollars (\$12,500.00).

Funding is available from casino revenue fund balance.

Will the Council so approve and authorize the Mayor to sign any work orders necessary to proceed with these repairs?

Respectfully submitted,

PAUL A. DYSTER
Mayor

Funding is in place

Daniel Morello
City Controller
