*Re: Agreement with Niagara Falls City School District
(Officers of the Day)*

Council Members:

Creating and maintaining a safe and orderly environment in our City schools is of paramount importance to students, staff, parents and the community. To this end it is the recommendation of this Administration that the City enter into an agreement with the Niagara Falls City School District. The District has requested the provision of uniform police officers to serve as "Officers of the Day" at the eight (8) elementary schools on days when students are in session, for a period not to exceed four (4) hours daily. The Officers of the Day will increase the safety of students and staff, promote and support organizational efficiency. They will work with the School Administration to address safety and traffic concern at the school locations and provide positive role models to students.

The term of this Agreement would coincide with the school year, beginning September 1, 2022 and terminating June 30, 2023. The fee for these services shall be paid at the overtime pay rate of each officer, in an amount not to exceed \$300,000.00, which shall be payable within thirty (30) days of receipt the City's invoice for services rendered, through June 30, 2023.

Will the Council so approve and authorize the Mayor to execute an agreement satisfactory to the Corporation Counsel in both form and content?

Respectfully submitted,

ROBERT M. RESTAINO
Mayor
