***RE: Lifeguard Training/Certification (Matthew Leo)***

Council Members:

In order to be able to utilize City swimming pools this year, there is the need to recruit young people to work as lifeguards. Lifeguards must be American Red Cross certified in order to fill these positions, which involves a two-day course to be conducted by a certified lifeguard instructor. Matthew Leo is a certified lifeguard instructor who will be conducting this two-day course. There is a fee of \$300.00 per student for the instructor. Funding will be available in budget code A.7310.4410.0451.000.

Will the Council vote to so approve?

Respectfully submitted,

Robert M. Restaino  
Mayor
