**Bid #W03-12  
Cleaning and Inspection of  
Sewers in the City of Niagara Falls, NY**

**ADDENDUM I**

Recently you received the above referenced bid request. Please note the following clarifications:

1. In Section 3.02A **Preparation** under paragraph A.1, reference is made to a meter and backflow preventer assembly available from the Water Board. Attached is a schedule of the fees for that equipment.
2. In Section 3.04B **Disposal of Solids** please note the water used to flush the sanitary sewer main may go back into the sanitary sewer main, but all the solids must be removed and disposed of at the Wastewater Treatment Plant.

All other terms, conditions and specifications remain the same. Please sign where indicated below and attach this addendum to the bid you submit.

HYDRANT METER FEES - June 1, 2009

Permits: \$1.50 per day per hydrant

Backflow Re-certification: \$35.00 per hydrant

Meter / Backflow Assembly:

Deposit: 1" \$350.00 Deposit  
2" \$1,500.00 Deposit

Rental: 1" \$2.00 per day  
\$14.00 for first calendar week  
\$7.00 weekly rate available after first week  
2" \$7.50 per day  
\$52.50 for first calendar week  
\$25.00 weekly rate available after first week

Note: Water and Sewer charges are based on the consumption shown on the meter, and will be added to the above listed fees to obtain total cost for the use of the hydrant.

Customer will forfeit deposit if device is not returned. Costs to repair damaged equipment will be deducted from deposit.
