Niagara Falls never sounded so good!

From the sound of the legendary thundering water to the Sunday evening jazz on the steps of the NACC to the classic and contemporary rock rolling down Old Falls Street every Friday evening...Niagara Falls never sounded better!

Event-Full

Niagara Falls, USA

It's Jazz sounds beneath a warm summer sky... it's rock rolling down Old Falls St. only yards from the brink of the world's most famous waterfall...it's natural sights, family delights and everything that makes for those special moments that you and your family will remember for generations to come... it's a summer season full of fun in Niagara Falls, USA!

Niagara Falls Tourism Advisory Board

Paul A. Dyster

Friday at the Falls

Friday Night Concert Series

Take your love of rock to the brink on Old Falls Street every Friday from 7:30-9:30pm for 13 consecutive weeks of live rock music .

Every Friday at 10pm the pyrotechnics light up the Niagara Gorge as you step into the State Park or step back for a wider view of the fireworks and bright lights in downtown Niagara Falls, USA!

Come for the music and stay for the fireworks!

Ontario House Jazz Reunion

September 13,2008

A one day tribute to a jazz establishment of legend...The Ontario House...a place where the greats of jazz cut their musical teeth as they moved on to music history. "The OH reunion" will feature some the finest musicians to be found anywhere in the nation.

Hyde Park Cruise Night

Weekly *May -August 7-9:00pm*

Big fenders mean big fun! Oldies music and classic cars....need we say more? All proceeds to go to the American Heart Fund.
