

BUFFALO NIAGARA WATERKEEPER®

WE NEED YOUR INPUT!

Please fill out our survey!

Please join us for a public meeting for the proposed *Gill Creek Green Infrastructure Solutions Project* at Hyde Park Lake in Niagara Falls

What: Public meeting (with snacks!), including a short walking tour of the proposed green infrastructure project. Please dress for the outdoors.

Where: Parking lot at the corner of Linwood Ave. and Robbins Dr., Niagara Falls, NY 14301. Rain location at “Kelly’s on the Green”, 4343 Porter Rd

When: Monday August 14 from 5:15-7:15 pm with tour starting at 5:30

Why: To improve water quality in Hyde Park Lake and enhance both park beauty and wildlife habitat

Need: Public review and comment of preliminary designs to ensure project success that incorporates all stakeholder interests

Please contact Charlotte Brett (charlotte@emp-env.com) or Holly Kistner (716-852-7483, ext 45) with questions or requests for special accommodations
