Sir, once again the Sertoma Club will be holding its annual Chicken Barbecue on Sunday 18 August 2019 from 0800 until 6:00PM We have served Niagara Falls for 65 years helping those with hearing difiiculties and the less fortunate .

Again this year we are asking that you allow us to use the OASIS/Centennial complex Pavilions jointly without us having to pay a rental fee or a beer permit fee. We have received a Permit in the past for this function which has vastly expanded and would very much appreciate your allowing to do so again in 2019...

Respectfully,

Charles E Learn
