*RE: CHANGE ORDER #1 – LED Lights at DPW Yard and Buildings –  
Additional Light Fixtures*

Council Members:

A contract for the above referenced project was awarded to Lime Energy Service on December 12, 2018 for LED upgrades for various areas inside and outside of the Public Works building and yard. A copy of the item approved by the City Council is attached.

It has now been determined that additional light fixtures are needed in rooms not previously included in the initial walk through.

Therefore, as the City already has a contract with this vendor for lighting upgrades, it is the recommendation of the undersigned that Change Order #1 to this contract for the needed work in the amount of \$707.40 be approved.

Funding is available through Light & Power expense – Account A.1640.0000.0422.000.

Will the Council so approve?

Respectfully submitted,

PAUL A. DYSTER  
Mayor

Funding is in place
