The City Council
Niagara Falls, New York

RE: Installation of Gasoline Dispensing System at Corporation Yard

Council Members:

The Director of the Department of Public Works advises that it is necessary to install a new gasoline dispensing system at the Corporation Yard. Attached hereto is an estimate from the Pump Doctor Inc. in the amount of \$19,149.43 which includes the removal of the existing gas boy system and replacing it with a new gas boy islander prime system with web based software.

Funding is available from tribal revenue reserves.

Will the Council approve and authorize the Mayor to execute any documents required in order to accomplish this task?

Respectfully submitted,

PAUL A. DYSTER
Mayor

Funding is in place

Daniel Morello
City Controller
