*RE: Funding for emergency demolitions*

Council Members:

The Acting Director of Code Enforcement advises that his budget line item for performing emergency demolitions is all but depleted. Because it is necessary to have funding available to perform emergency demolitions as a result of fires and various other issues, it is requested that the sum of \$200,000.00 be transferred from casino reserves to the Office of Code Enforcement's emergency demolition capital account line.

Will the Council so approve?

Respectfully submitted,

PAUL A. DYSTER  
Mayor

Funding is in place
