Niagara Falls, New York

***RE: Upgrade of Lighting at the City's Rainbow Parking Ramp***

Council Members:

Lime Energy, through the implementation of National Grid's *Small Business Direct* Installation Program, is proposing to upgrade the lighting at the City's Rainbow Parking Ramp. The proposal includes the installation of 601 new LED lights with fixtures, 27 new LED flat panels in the elevator landings and 6 exterior LED lights. The total amount to implement the above, which includes installation, recycling and permit is \$4,065.96. Funding is available from PO.1720.2560.0422.000.

Will the Council so approve and authorize the Mayor to execute any documents necessary to implement the same, provided these documents are in form and content acceptable to the Corporation Counsel?

Respectfully submitted,

Robert M. Restaino  
Mayor

Funding Approval:
