

**CITY OF NIAGARA FALLS  
NEW YORK**

March 11, 2021

**TO:** City Council  
**FROM:** Mayor Robert M. Restaino  
**SUBJECT: CHANGE ORDER #1 & FINAL - \$45,000.00  
WATER SERVICE REPLACEMENT PROJECT**

A contract for the above-referenced project was awarded to 4<sup>th</sup> Generation Construction, Inc. 5650 Simmons Avenue Niagara Falls, NY on April 30, 2019 in the amount of \$374,200.00.

Subsequent to the start of the project, several changes to the project's scope and the funding requirements allowed the City to add a substantial number of extra lead service replacements (approximately 34% above original award). The costs associated with the additional services is \$44,137.00, bringing the contract total to \$418,337.00. It's important to note that all costs are completely reimbursable through an existing New York State Department of Health grant.

Will the Council vote to so approve and authorize the Mayor to execute a change order in a form acceptable to the Corporation Counsel?

Respectfully submitted,

Mayor Robert M. Restaino

Anthony Restaino, City Administrator

Robert Buzzelli, Civil Engineer III
