

CITY OF NIAGARA FALLS

TO: City Council

FROM: Chairman
Traffic Advisory Commission

DATE: May 18, 2021

SUBJECT: INFORMATIONAL ITEM:

At the Traffic Advisory Commission meeting held on May 17, 2021, the Commission:

DENIED:

1) Request submitted by Maureen Trimmer, on behalf of her mother, Elaine Connor, 3623 Chapin Avenue to **INSTALL A 5' HANDICAPPED ACCESS SPACE IN FRONT OF 3623 CHAPIN AVENUE.** The request was denied since the criteria for the handicapped access space was not met. The residence has a wide driveway to provide access, and therefore the Commission denied this request.

2) Request submitted by Paula Manganero, on behalf of her husband Anthony Manganero, 523 - 76th Street to **INSTALL A 5' HANDICAPPED ACCESS SPACE IN FRONT OF 523 - 76TH STREET.** The request was denied since the criteria for the handicapped access space was not met. The residence has a wide driveway to provide access, and therefore the Commission denied this request.

3) Request submitted by Judy Deull, 812 Cayuga Drive to **INSTALL ALL WAY STOP SIGNS AT THE INTERSECTION OF CAYUGA DRIVE AND SOUTH MILITARY ROAD.** The intersection was studied with the following results: Accidents (right angle and turning collision): 2016/0, 2017/0, 2018/0, 2019/0, 2020/1, 2021/0 to present. Traffic Volume (average of the 8 highest hours per day): Cayuga Drive = 769 vehicles, South Military Road = 201 vehicles. This intersection falls short of the MUTCD Minimum Warrants (for 2 of the 3 following criteria) for the placement of “ALL WAY” stop signs (5+ right angle and turning collision accidents per 12 month period and 500 total vehicles per hour for the highest 8 hours per day with a close to even (60/40 or better) split between main road and side road), and therefore the Commission denied this request.
