RE: Approval to amend Operations Agreement with the Niagara Falls Water Board

Council Members:

As you know, the City and the Niagara Falls Water Board are parties to an operations agreement which provides, among other things, for the City to furnish certain services (such as billing and collection, engineering, etc.) to the Water Board according to a fee schedule. This agreement has not been updated since 2008. The City and the Water Board have now reached an agreement to amend the current Operations Agreement, updating relevant terms and conditions therein so as to avoid any interruption of services. Accordingly, the proposed Third Amendment to the Operations Agreement, which is attached hereto for your information and review, is submitted for your approval.

Will the Council so approve and authorize the Mayor to execute the amendment agreement provided that the same is acceptable to the Corporation Counsel in form and content.

Respectfully submitted,

ROBERT M. RESTAINO
Mayor
