

**CITY OF NIAGARA FALLS
NEW YORK**

December 13, 2022

TO: City Council

FROM: Mayor Robert M. Restaino

SUBJECT: CHANGE ORDER #3 – ASBESTOS MONITORING FOR DEMOLITION CONTRACT

A contract for professional services was awarded to AMD Environmental Consultants, Inc. on October 21, 2020 for mandated environmental monitoring associated with structural demolition work.

Subsequent to the start of the project, it was determined that the contractual work performed by the City's environmental consultant at 195 82nd Street was not eligible for Community Development funding. As the work in question was satisfactorily completed to the City' requirements, and was a necessary portion of the 2022 Demolition Project, the contractor is due costs not exceeding \$800.00 for contractual professional services already performed. Funding is available from Tribal Revenue Reserves.

Will the Council vote to so approve and authorize the Mayor to execute a change order in a form acceptable to the Corporation Counsel?

Respectfully submitted,

Mayor Robert M. Restaino

Anthony Restaino, City Administrator

Robert Buzzelli, Civil Engineer III
