*RE: Memorandum of Agreement – Niagara Falls Police Club, Inc.
(Police Dispatchers - Scheduling)*

Council Members:

Attached please find the proposed Memorandum of Agreement between the City of Niagara Falls and the Niagara Falls Police Club, Inc. (“Union”), relative to Police Dispatchers. The Police Department Administration and the Union developed a work schedule adjustment for the Police Dispatchers to increase departmental efficiency and overall safety. This proposed Agreement seeks to memorialize the scheduling adjustment and its effects on accrued time.

The foregoing proposed Agreement will continue to maintain departmental staffing continuity and has been approved and recommended by the Police Superintendent. Furthermore, the proposed Agreement is in accord with the 2022 adopted budget and will not result in additional expenditures.

Will the Council so approve and authorize the Mayor to execute the same?

Respectfully submitted,

ROBERT M. RESTAINO
Mayor
