The City Council
Niagara Falls, New York

***RE: Additional Funding for Security Services – Wisdom Protective Services, Inc.
(City Corporation Yard)***

Council Members:

As the Council is aware, it was the City's intention to purchase and install a security gate system at the Corporation Yard at 1785 New Road in early 2022. It was therefore anticipated that the City would be utilizing the services of the current security vendor, Wisdom Protective Services (“Wisdom”), for only a portion of the 2022 fiscal year. However, due to supply chain issues, installation of the security gate has been delayed. Consequently, the City has been required to continue using Wisdom’s services at the Corporation Yard. Until such time as the security gate installation is complete, Wisdom has continued performing these services at the agreed upon rate of \$24.32 per hour.

As the vendor must be paid for their services, additional funding is required in the amount of \$83,500.00, through September 30, 2022. Funding is available from Tribal Revenue reserves.

Will the Council so approve?

Respectfully submitted,

Robert M. Restaino
Mayor
