

**CITY OF NIAGARA FALLS  
NEW YORK**

May 22, 2023

**TO:** City Council  
**FROM:** Mayor Robert M. Restaino  
**SUBJECT: CHANGE ORDER #1 - \$9,000.00  
NEW GILL CREEK PARK COMFORT STATION**

A contract for the above referenced project was awarded to McClendon Asphalt Paving on July 12, 2022, in the amount of \$288,000.00.

While this project was underway, in lieu of the specified soil bearing test, a more extensive subsurface investigation was requested of the contractor to more accurately reflect the ground conditions supporting the new building. This investigation included ground borings with a full subsurface investigation report and additional engineering charges to reflect issues identified in this report.

These changes will result in an additional \$9,000.00, bringing the total contract amount to \$297,000.00. Funding for this project is available from American Rescue Plan Funds under the Treasury Guidance Expenditure Category 2.22, which is "Strong Healthy Communities".

Will the Council vote to so approve and authorize the Mayor to execute a change order in a form acceptable to the Corporation Counsel?

Respectfully submitted,

Mayor Robert M. Restaino
